

"HASKELL — A GOOD PLACE TO VISIT; A BETTER PLACE TO LIVE"
HASKELL, TEXAS 79521, THURSDAY, AUGUST 3, 1972

NUMBER THIRTY-ONE

THIRTY-SIX

Country Comments by Clyde Comedy

Don, the 22-year-old son, was another matter entirely. His very presence would remind people of my age. Perhaps he had other plans for the weekend? But, no, he'd love to go and visit. I'd just have to make the best of it.

We went. I sailed through the better part of the day, confident that I had preserved my youthful illusion. Almost everyone was vague about names, but we all recognized faces, and visited and remembered and enjoyed ourselves thoroughly.

Toward 4 o'clock a good-looking man came up to me with exuberant greetings—kissed my cheek and told me how great I looked. Bill was standing by my side and was properly introduced. The inevitable reminiscing began. He finally said, "I thought you married a man from Georgia—Bill, you're from Coleman, aren't you?" And before Bill could answer, he turned to me and said, "Where is your little sister—what was her name—Clydene, wasn't it? I used to date her some." What a blow to the ego. He thought I was Maxine — my ten-years-older-than-me sister.

I managed to survive the rest of the day, and by the time we got back home that night, and I had gotten through the biggest portion of Bill and Don's kidding, things weren't quite as dark as they had seemed. Besides, it was great to get out of that girdle and BREATHE again!

New Cowboy Star Unearthed Here

Wouldn't you know? It was the donkeys who won Friday night's Donkey ballgame, pitting the Jaycees against the All-stars. The Jaycees, captained by Don Comedy, insisted they won. The All Stars, managed by Randy Ivy, insisted the score-keeping left a lot to be desired. The donkeys put their protests more in the form of kicking and bucking, and a lot of guys on both sides earned a lot of bruises in the contest.

Clifford Campbell, Lanny and Randy Ivy, Larry Cunningham, Keith Everett, Gary Cobb, Wilfong and Pace, were some of the All Star contestants.

The Jaycees team consisted of Ben McGee, Frank Jenkins, Bill Lane, Don Comedy, Wayne Young, Gwynn Butler, Dean McGee, Ray Howell, Roger Sharp, Snuffy Morales and Ned Phillips.

The donkeys consisted of such notables as Bing Crosby, Bob Hope, Pat Boone, and last but not least, a very stubborn Harry Truman.

Comedy (even with his spurs on), failed miserably in managing to ride ol' H. Truman—the third base donkey. Keith Everett racked up a better record — even if he didn't ride him, he did manage to catch him after being thrown twice, which is more than Comedy could manage. Clifford Campbell, by popular demand of the crowd, tried his luck on Truman, and didn't get too much further.

COUNTY 4-H DRESS REVUE winners in the 12-13 year old division include, left to right, Tammy Peiser of Paint Creek, 1st, who represented Haskell Friday in Vernon and won a Blue Ribbon; Kim Campbell of Haskell, 2nd, and Linda Yates of Weinert, 3rd.

Year Ends For County 4-H Club Projects; Now Judged For Awards

July 31st marks the end of the Haskell County 4-H Club Year. 4-H members in the County have submitted their record books for what they feel has been their strongest project in the past year. The books are judged to see which 4-H members will receive a medal for their work at the County Awards Program in late fall.

The highest 4-H Award is the Gold Star Award which goes to one boy and one girl in the County.

Thirty-five records were judged in the county for awards and ribbons. They were: **Beef Cattle:** Kyle Wilfong, blue ribbon; Cindy Thomas, blue ribbon; Cynthia Jones, blue ribbon; Stanley Hager, blue ribbon; Kim Hager, blue ribbon; **Sheep:** Jim Ballard, blue ribbon; Russ Lewis, blue ribbon; **Swine:** Mark Lewis, red ribbon; Kraig Kupatt, red ribbon; Kris Kupatt, red ribbon; **Home Economics:** Kay Campbell, blue ribbon; Carol Dean, red ribbon; Kerry Kemp, blue ribbon; Rebecca Buerger, blue ribbon; Kim Campbell, blue ribbon; Bonnie Woods, red ribbon; **Marla Lehmann, red ribbon; Clothing, Jr. Div.:** Linda Yates, blue ribbon; JoAnn Dean, red ribbon; **Achievement Jr. Division:** Lynn Fouts, red ribbon; **Achievement Sr. Div.:** Carol Dudensing, blue ribbon; Susan Lewis, blue ribbon; **Foods and Nutrition:** Linda Wells, blue ribbon; Debra Wells, blue ribbon; Gene Fischer, blue ribbon; **Norva Lehmann, red ribbon; Cheryl Marcis, red ribbon; Lisa Smith, red ribbon; Kathy Caddell, red ribbon; Terri Lowler, red ribbon; Bread and Cereal Jr. Div.:** Jill Le-

Caddell to Compete On State Level

Miss Joan Caddell of Weinert earned the right to compete on the State level by winning first place at the District 4-H contest in Vernon last Friday. Joan's entry, a record book in public speaking, will be in State competition at Texas A&M the first week in September. She is the daughter of Mr. and Mrs. Glenn Caddell.

Other entries in Vernon were Peggy Dudensing and Tammy Peiser who both received blue ribbons in the dress division; Sue Hager, Leadership, and Carol Dudensing in achievement. Miss Hager and Miss Dudensing won 3rd place in their categories which were judged against some 95 entries from the 22 county district.

Winners in State competition will compete in a five state regional contest and then at the National 4-H Congress.

It was reported that the financial results of the recent Hey Day Pageant were not complete at this time but was announced that it seemed to be about the same as the 1971 production from the standpoint of entries and gate receipts.

8 Inning Game Ends LL Play

Our Haskell Little League All-Stars fought a hard fight Friday night for District crown. In a ballgame that went into eight innings, the boys were defeated by Sheppard Air Force Base in Wichita Falls by a 9-8 score, giving Sheppard the right to represent us in State at Mineral Wells next weekend.

Haskell defeated both Rule and Stamford for the Area title last week, earning them the right to compete in District at Seymour. Thursday night at Seymour, they defeated a sharp Knox City team by a 17-11 score. Ronnie Hise was winning

pitcher, going the entire six innings. Rex Pippin scored two home-runs in the game; one a grand-slam homer, racking up five RBI's altogether. Other home runs were hit by Nathan Frierson and Richard Amaro.

Friday night's game against Sheppard recorded Chris Colbert as the losing pitcher. The game was 5-2 in the top of the sixth inning, and that inning ended in a 6-6 tie. The seventh produced no scores, and Sheppard scored three runs in the eighth, to Haskell's 2. Haskell's tying run was put out at home plate, putting us out of the

competition.

These All Stars have represented their town in a great way throughout their competition. Gratifying comments have come into the newspaper office from Stamford, from Rule, and from Knox City that are indicative of their great sportsmanship and competitiveness.

Team manager Dr. R. E. Colbert and team coach Jerry Sorrels have done a great job in their leadership of these youngsters, as did their regular Little League coaches and managers. This is what Little League is all about—teaching good sportsmanship and a desire to compete honorably. All Haskell is proud of the entire team and its managers and coaches. A big "thank you" too, to Sammie Larned, who helped with the team in District play, filling in for Dr. Colbert during his unavoidable absence.

Construction On Hospital Begins

Monday morning just before noon, Mr. Earl Donaldson arrived from Fort Worth and began unloading equipment in preparation for the construction project of the Haskell Memorial Hospital.

Donaldson, foreman of the project, represents Haws and Garrett General Construction Co., Inc., of Fort Worth. The building and remodeling will take approximately six months.

A new wing will house the nursery and four new patient rooms will be built where the nursery is now. Administrative offices and the lobby will be

completely remodeled and expanded.

Local labor will be used as much as possible and as much of the furnishings as is possible will be purchased locally.

Lions View Snake Milking

Haskell Lions Club met at Haskell Steak House for their noon meeting Tuesday. President Joe Williams presided; A. C. Pierson gave the prayer; and Wallace Cox Jr. led the singing, accompanied at the piano by Ellen Walling.

Don Comedy, program chairman, gave a rattlesnake-milking demonstration, and a program on "Rattlesnakes—Their Handling, and Safety." During the demonstration, he showed how some snakes have two fangs on each side of the mouth, and told that there was a 3 to 15 minute interval after being bitten before a reaction might be felt. He also explained how the anti-venom serum is made, and discussed the different types of first aid treatment needed, until a victim can get to a doctor.

The freezing method, recommended for a time, is no longer used to a great extent, due to damage to skin and muscle. Instead, the suction cup after lancing, is the recommended method.

Lion Dr. J. F. Cadenhead reported that an average of three snake-bite victims a year is treated here. The doctors use the lancing and suction system, and always give the patient a test to see if they are allergic to the antivenom, before giving it to them.

Guests for the meeting were Dr. Cadenhead's son, J. F. III, and Guy Davidson, and Bill Priest, guest of Doyle High.

Sept. Bloodmobile Drive Scheduled

Bill Lynch and Ralph Carpenter, both division representatives of Red Cross attended a meeting here July 26. The purpose of the meeting was to set up a fund-raising committee. Special committees are now working and plans are being made for a September Blood Drive.

Others attending the meeting were C. H. Herren, Bob Beauchamp, Troy Swartz, Elbert Johnson, Mrs. Jack McAdoo, Mrs. Marion Hicks and the Rev. R. D. Williams.

CofC Has Five New Members

Officers and directors of the Chamber of Commerce met at 7 a. m., Tuesday, August 1, in the dining room of the Haskell Steak House with president George Fouts presiding for the business meeting.

The invocation was given by Wallace Cox Jr., after which manager Rex Felker read the minutes of the last meeting which was May 2nd due to the fact that the regular date for the July meeting was on July 4th and which was canceled by the Board. A financial statement for the month of July was also presented for approval by board members.

An excellent meeting was held with discussion on numerous items on the agenda by those present to include a report on the recent Airport Dedication by the manager and others who were in attendance. All present expressed their approval of the modern airport and its meaning to the future development of Haskell as a trading center.

It was reported that the financial results of the recent Hey Day Pageant were not complete at this time but was announced that it seemed to be about the same as the 1971 production from the standpoint of entries and gate receipts.

Warriors Lose To Snyder 7-6 In State Tourney

The Warriors were defeated in their first game at the State Tournament by Snyder by a score of 7-6. John Munoz was the losing pitcher for the Warriors. The Warriors will play the loser of the Conroe-Hearn game today (Thursday) at 9:00 a. m. It is still possible for the Warriors to win the State title in the double elimination tournament.

The Haskell Warriors defeated the Jr. Teenage baseball team from Sweetwater Saturday night by a score of 23-9 to win the District 1 tournament held here July 26-29.

Haskell defeated the Rotan team in the first game of the tournament by a score of 7-2. Friday night, the Warriors beat Sweetwater 20-4 and because the tournament was a double elimination the two teams met again Saturday night.

In three games, the Warriors scored 50 runs on 38 base hits and gave up only 15 runs. Randy Rowan of Sweetwater hit the only home runs in the tournament with two in the final game. Robin Colbert was the winning pitcher in the championship game in which Haskell had 20 base hits.

Warrior Coach Skip Lane said, "I would like to thank everyone for working to make the tournament a success and those who attended for their enthusiasm."

Dist. Governor Is Rotary Speaker

A near record attendance of members was noted at the regular weekly meeting of the Haskell Rotary Club in City Cafe at noon, Thursday, July 27th. Governor H. R. (Molly) Molyneaux of Fort Worth, was the honored guest speaker. Governor Molyneaux rules over District 529 of which the Haskell Club is one of the 40 clubs comprising the district.

The Governor was high in his praise of the friendliness of the local people and the fellowship shown to him and his Rotary Ann, Jean, while they were the guests of the local club. He expressed special thanks to Rotary Ann Nedra McCauley for the reception in her home for his wife and other members' wives Wednesday night preceding the regular club meeting. (Continued on Page 2, Sec. 1)

Amendments

Listed on pages 4 and 5 of section two are the proposed constitutional amendments which will be voted on in the general election scheduled on November 7. Beginning with next week's Free Press a series of articles will be published containing arguments both for and against the amendments.

VA Home Loans Help Veterans

The Veterans Administration home loans help veterans sell their homes as well as buy them, but unless a veteran seller gets a "release of liability" when a buyer proposes to assume his GI loan, he might have problems later on. Jack Coker, VA Regional Director, cautioned today.

VA loan Guaranty officials say such a release could save the veteran considerable difficulty and worry should the purchaser ever default on the loan contract.

A veteran should request the VA office that guaranteed his home loan for release from further liability to the government before he signs the sales contract. VA may issue such a release if the loan is current and the veteran's purchaser agrees to assume all of the veteran's liabilities.

In addition, the Veterans Administration must be satisfied the person who buys the property is a good credit risk, and has sufficient income to meet the payments on the GI loan. Unless a veteran specifically asks VA for a "release of liability," and gets it, he still is responsible for satisfactory completion of the financial obligation of the initial GI loan—should the new purchaser fail

to make the monthly payments.

The veteran may sell his home to anyone—another veteran, or to anyone who has never been in military service.

In any case, however, he should ask for the "release of liability" from the VA.

If the veteran's purchaser obtains his own financing to purchase the veteran's home instead of assuming the veteran's GI loan and the GI loan is thus paid in full at settlement, under certain conditions the veteran may then have his loan guaranty eligibility restored.

"Release of liability" and restoration of GI home loan guaranty details are available at any VA office, veterans county service officer, or from veterans service organization representatives.

130 Convictions In JP Court

Justice of the Peace Hubert Bledsoe reported 130 convictions in his court for the month of July. These convictions were both traffic and criminal violations.

The following law enforcement agencies have filed a total of 148 cases which resulted in fines totaling \$1,778.25. Game Department, 16 cases, \$131.25; Texas Highway Patrol, 112 cases, \$1,723.00; and Sheriff's Department, 2 cases, \$55.00.

20 Entries At Monthly Shoot

Curtis Gollehon of Abilene defeated W. E. Wooten of Haskell in the 16 yard event at the regular monthly shoot of the Haskell Gun Club. At the end of 100 targets, both shooters had a perfect score and in the 25 target shoot-off, Gollehon shot 25 straight to beat Wooten who shot 24x25.

Dick Lindsey of Graham won the Handicap event, shooting

from the 25 yard line. James Dodson of Graham won Class B Singles with 97x100 and C. C. Calhoun won the Class C Singles event with 92x100.

Malcolm Bottoms of Quanah took top place in the doubles event shooting 98x100. Class B Doubles ended in a tie at 87x100 between Donald Mercer of Wichita Falls and James Dodson. The winner of the tie has not been determined at this time. W. V. Blankenship of Guthrie was first place in the Class C Doubles with 88x100.

There were 19 entries in the 16 yard event, 20 in the handicap and 12 in the doubles, shooting a total of 5,100 targets. Wooten was high overall for the day with 283x300 targets.

Soil And Water OK For Fruit And Vegetables

MUNDAY — Its soil and its water and its climate being excellent for the purpose, much of the Red Rolling Plains stands ready to be developed into a profitable fruit and vegetable area.

But even as they agreed here June 22nd that the area's future prospects were bright enough, a platoon of specialists threw some "ifs" at about 140 persons attending the Rolling Plains "Money In Vegetables" Conference.

As far back as 1900, Dr. Mack C. Puga had told the Executive Committee of the Rolling Plains Economic Program (R-PEP) that "We feel it won't be many years before the Rolling Plains is out-producing many other areas of the state."

He is superintendent of the Texas A&M University Vegetable Research Station here, and discussed research that has led him to reiterate "the \$10 million potential" of fruits and vegetables.

Based on comments of the conference speakers, such production can be developed successfully, but only—

If the community backs the venture enthusiastically;

If the product is of the quality that attracts the consumer, who now looks at quality before price;

If the growers are organized to market the product to their best advantage.

If the organization commits itself to all the equipment necessary for satisfying the wholesaler as to uniformity of packaging, uniformity of the package's content, and pre-cooling

The conference was sponsored by R-PEP, West Texas Chamber of Commerce, Texas Agricultural Experiment Station and Texas Agricultural Extension Service of Texas A&M University, First National Bank of Munday and Munday Chamber of Commerce.

Earl McCurley

Services for Earl McCauley of Wichita Falls, formerly of Haskell, were held in the First Baptist Church of Wichita Falls July 27.

He is survived by his wife, Lucille, and mother, Mrs. John McCurley, both of Wichita Falls; two sisters, Mrs. Geneva Darby of Irving, and Mrs. Johnny Pemberton of Wichita Falls.

We Need More... QUIET!

NEW YORK (ED) — QUIET! There's not much of that around today. In fact, noise is the rule in this world of haste and hustle.

Most people are aware of noise, but they aren't aware of the effects. They accept it, consider it annoying and hope that it will go away. Noises are unwanted, unintelligible and disagreeable sounds. They are created by many home appli-

ances, construction equipment, trucks and buses, planes, and just about everything else in this technological society. Excessive exposure to noise produces definite psychological and physiological defects, including deafness.

The trouble with noise pollution is that you can't see it. But it makes for a very real and serious problem. In fact, noise-induced hearing loss is

ROTARY:

(Cont. from Page 1, Sec. 1) Thursday.

He stated that the 40 Rotary Clubs in District 579 represented approximately 2500 members and that the District extended to Quanah and Crowell to the northwest, Coleman and Brownwood to the south and southwest. He further informed those present that Rotary International was 67 years old in February of this year and that

some 723,000 members represent 15,360 clubs in 149 nations and principalities of the world at the present time. The largest club in District 579, he said, is composed of 457 members and that the smallest has only 12 members.

In closing his informal talk to members and guests, Governor Molyneux thanked everyone for a most wonderful time had by he and his wife, Jean, and assured the audience

that he would be in the future as a guest in official capacity. President Bob P. sided for the meeting conducted the short session. Invocation was Rotarian Ferrel Co. songs led by Herron with club members, providing management. Special meeting were Jean Molyneux, Barnett, and Nedra McC.

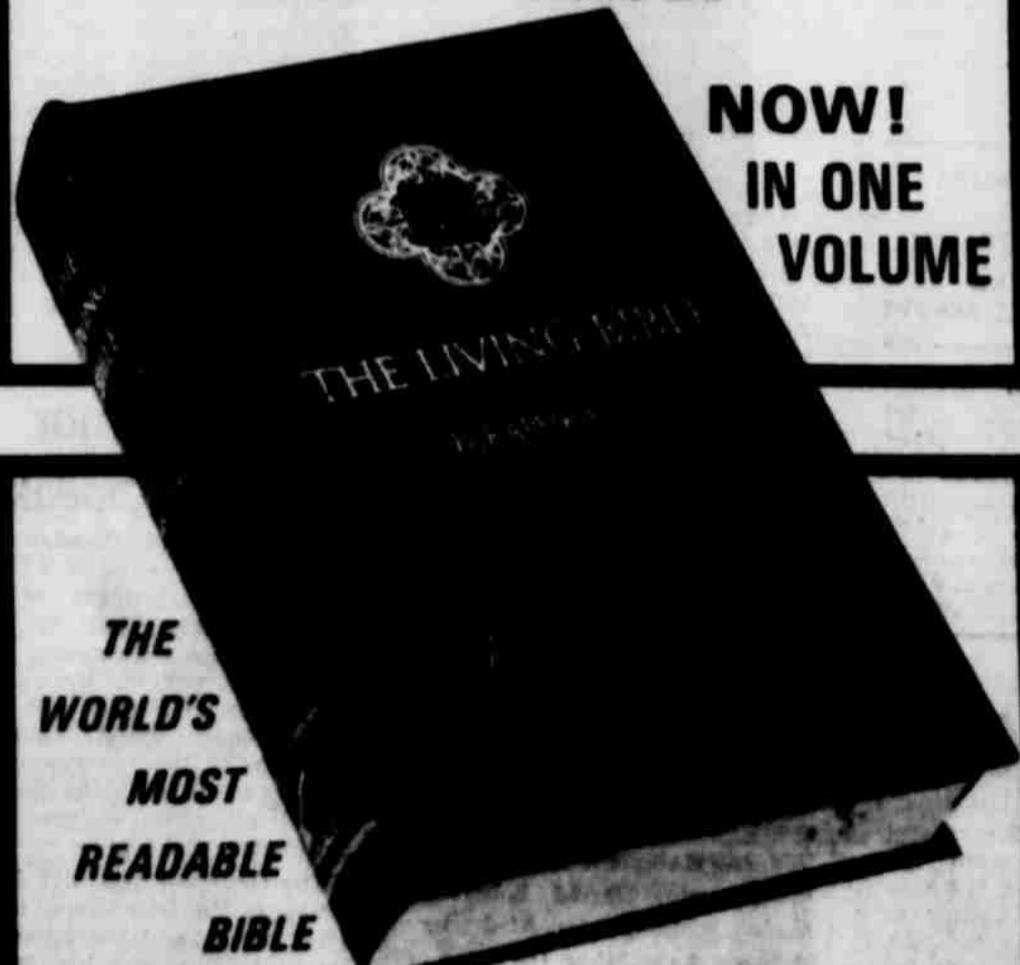

BOB HAYES

"Speed on the highway usually has only one end zone... an accident. Try driving friendly. Keep your speed down... you'll make it to the goal line every time."

HASKELL NEWS

DELBERT LEFEVRE

Mr. and Mrs. Larry LeFevre of Rule all attended the "Cousins" Reunion in Gentry, Arkansas recently for descendants of the Nugent family. Little Betty Manske, who will be three this month was the youngest there. The Delbert LeFevres, the Larry LeFevres and the Fred Kupatts vacationed in northern Arkansas for a few days. The Kupatts went on into Missouri and came back through Illinois, Kentucky, Tennessee, Mississippi and Louisiana.

Mr. and Mrs. Buster Trede-meyer and Mr. and Mrs. Larry Letz and Pam of Abilene spent several days in Ruidoso, N. M. recently.

Mr. and Mrs. August Balzer have returned home from Galveston where Mr. Balzer had surgery. He is doing fine.

Mrs. Will Stegemoeller visited her granddaughter, Mrs. Mike Bailey and Mr. Bailey and sons in Bedford for several days last week.

The D. W. Counts have their grandchildren, Nina and Daleworth Wilhelm of Chandler, Arizona for two weeks.

Mr. and Mrs. Harvie Jordan

are at the bedside of Mr. Jordan's father in Lubbock.

Bill and Jim Tabor, sons of Mr. and Mrs. Jack Tabor of Dallas are visiting their grandmother, Mrs. John L. Brooks and Miss Buelah Mae Summers.

Mr. and Mrs. F. A. Ulmer went to see their newest grandsons, Kyle Whitaker, and his sister, Stacey and mother and father, Keith and Jana Whitaker recently.

Mr. and Mrs. J. W. Wells of Harts Camp spent the night with Mrs. Will Stegemoeller recently when they were here for the Walter Nienast funeral.

Mrs. Clara Kainer has returned from two weeks vacation in New Mexico, and in Iowa with her sons, Carl and Jerry, and their families.

The Lehrmann families enjoyed their annual outing at Possum Kingdom last weekend.

Mr. and Mrs. Whit Clark vacationed in Arkansas recently, visiting Hot Springs and other points of interest.

Mr. and Mrs. Steve Clark of Big Spring visited with Mr. and Mrs. Charles Clark last weekend. The M. Y. Bentons had Mr. and Mrs. Eldon Cook and daughters of Big Spring as their guests, July 22.

Mr. and Mrs. Ray Clark and Peggy of Abilene spent the weekend here with the Joe Clarks last weekend.

The Zenor Summers' have their grandchildren, Pam and Tim Baitz of Sweetwater, with them this week.

Mr. and Mrs. Elvin Mathis of Fort Worth are the proud parents of a daughter, Debra De-cole, and Mrs. Annie Mathis is a proud grandmother.

Mrs. G. A. Leach is visiting her brother and family near Fort Worth.

Mr. and Mrs. August Angerman and Mrs. Hilda Koch were in Mineral Wells Sunday to attend a Popp family Reunion.

Kraig Kupatt spent the weekend in Stamford visiting his grandparents, Mr. and Mrs. Hardie Hewett.

Paint Creek Community News

Mrs. Gene Overton

(Week of July 27)

Paint Creek has some new grandparents, or rather, some Paint Creekers have new grandchildren. Mr. and Mrs. Albert Bittner became grandparents for the very first time when their daughter, Mrs. Gary Roberson and her husband of Albuquerque had a son, born Tuesday, July 18. They named him Charles.

Mr. and Mrs. Arthur Watson became grandparents again when young Monte Shay Holcomb was born Sunday to Mr. and Mrs. John Lee Holcomb of Olney. Monte's big brother is Brandon.

Mrs. Grace Montgomery and Mr. and Mrs. Kenneth Stacy of Arizona, visited in Oklahoma before the Stacy's returned home. Mrs. Montgomery and Wayne Dilbeck had Mrs. Durward Livengood of Abilene, Donald and Eloise Livengood, and Mr. and Mrs. H. B. Montgomery and the Staacs for Sunday dinner.

Curtis Bittner has completed his Navy service and is at home for the summer.

Mr. and Mrs. Medford Underwood of Atoka, Okla., spent the weekend with his mother, Mrs. Frank Underwood.

Mr. and Mrs. Gene Overton entertained the Rural Electric Cooperative Board Thursday evening with a barbeque in backyard. Guests were Mr. and Mrs. Weldon Walker of Stamford, Mr. and Mrs. Roy Nunley and Mr. and Mrs. C. A. Baucum of Anson, Mr. and Mrs. Mac Doty of Nugent, Mr. and Mrs. Garland Lewis of Rule, Mr. and Mrs. Ed Fouts of Haskell, Mr. and Mrs. Allen Davis of Old Glory and Mr. and Mrs. Leo McKeever of Leuders.

Most Classes Steady At Haskell Market

The market at Haskell Live-stock Auction was steady on most classes on a run of an estimated 1,073 head of cattle and 150 hogs at their sale Saturday, according to Fred Dalby, market reporter.

Fat calves steady. Butcher cows 50 cents to \$1 lower. Feeder cattle weaker on heavy cattle. Stockers strong; pairs steady.

325-380; good pairs, 275-325; plain pairs 225-275. Stocker cows: choice, 200-275 per head; plain, 150-200. Top on hogs was 27 with the bulk of butcher hogs selling from 26-27; sows from 21-23.50.

LETTERS TO THE EDITOR

To the people of Haskell County... let's take a look at our country roads. I would like to bring to your attention the fact that some of our roadways are not being kept clean... where traffic can have a clear view around corners.

I know, because on July 11, 1972, my car and a pickup were in an accident at such a corner. There was the pickup driver, my daughter and me. We were lucky. Our lives were spared. His pickup and my car were a total loss. And, even with the four days I spent in the hospital with my head cut, I am a lucky woman. But something must be done before someone is killed. And we ask ourselves if we had said or done something to get these roadways cleaned, it might not have happened.

Also, we should think of our mail carriers. They drive these roads every day, and it won't be long till the school buses start running again.

There are also blind corners in the city limits. The life we save may be our own. If these men we have given this job to can't do the job, let's try to get someone who can.

Signed— Mrs. Oren L. Howard

Lone Star Warns Local Merchants

DALLAS, TEXAS (July 27, 1972)—Lone Star Gas Company today issued a warning to Texas merchants that a number of forged checks, represented to be Lone Star Gas Company payroll checks, have been cashed.

The forged checks were signed by "S. S. Sampson," not a gas company employee, and were made payable to a "Jack D. McDowell," according to a spokesman for the gas company.

The forger typed the checks, used a check protector, and placed "Lone Star Gas Co." at the bottom right hand corner of the checks. Most of the checks were in the amount of \$197.50.

Lone Star Gas spokesman asked that merchants closely examine checks drawn against the company to make certain that none of the forged characteristics are present.

Mr. and Mrs. Jack Plunk of Rule announce the engagement of their daughter, Deborah Kay, to Timothy Wayne Bryant.

FOOTBALL PICNICS START WITH A GAME PLAN

NEW YORK (ED) - Football entertaining is something special. Not only does it call for efficient, early service - nothing, not even food, is allowed to interfere with the game - but it's got to be hearty, without being hard to handle.

What the wise wife needs is a culinary game plan that lets everyone get with the game-time action on time - plus plenty of snacks to keep the armchair quarterbacks happy during the game.

The best kind of entertaining is outdoor-oriented: a tailgate picnic before the game, or a party back in your own backyard, before the fans adjourn to the family TV.

FOOTBALL GAME PLAN starts with good eating; armchair quarterbacks are always hungry. Jugs of Beefamato Bracers are the surprise opening play in a meal that features a casserole of Warmup Chili-Chaser, Half-Time Hash Tart triangles (front).

BEEFAMATO BRACERS

1 cup Beefamato per serving 1 egg per serving Worcestershire and Tabasco to taste

Mix ingredients. Beat or blend until frothy. Heat gently. Pour into Thermos until ready to serve.

WARMUP CHILI-CHASER

3 cans (1 1/2 lbs. ea.) Dirty Moore Beef Stew 1 can (4 oz.) green chilis, chopped 1 jar (7 1/2 oz.) Italian sweet roasted peppers 2-3 Tbsps. chili powder

Heat the stew in a large casserole and add the remaining ingredients. Cover and keep warm until ready to go to the game. Serve with Krispy Creamers. Serves 6.

FOOTBALL PICNIC FARE: HALF-TIME HASH TARTS

1 1/2 cups Mary Kitchen Corned Beef Hash 1/2 cup sweet pickle, finely chopped 1/2 cup mayonnaise 1 Tbsp. chopped green onion 5 drops hot pepper sauce 2 cans (8 oz. ea.) refrigerated crescent dinner rolls 3 Tbsps. butter or margarine 1 egg 1 Tbsp. cold water

Mix hash, pickle, mayonnaise, onion and pepper sauce. Separate the triangles of refrigerated dough; spread eight generously with butter or margarine and place, spread side down, on baking sheet. On top of all sixteen triangles, spread remaining butter or margarine to 1/4 inch from edges. Evenly divide hash filling among eight triangles of dough on baking sheet. Beat together the egg and water; brush edges of dough with the egg wash. Place the remaining triangles on top of the hash filling, spread side down, pressing the edges of the dough together. Brush the tops of the eight resulting "sandwiches" with egg wash. Bake in pre-heated 375° oven for twenty minutes. Take to the game in insulated container. Serves 8.

Shower Honors Miss Rebecca Letz

Miss Rebecca Letz, bride-elect of Ronald Galloway, was honored with a miscellaneous shower in Faith Lutheran's basement at Sagerton last Saturday afternoon.

Mrs. Roy McEwen of Abilene registered the guests. Mrs. Edward Letz, mother of the bride, introduced the guests to Mrs. Victor Galloway of Aspermont, the groom's mother, and his grandmother, Mrs. Ozona Galloway, also of Aspermont.

Mrs. Joe Swofford of Sagerton and Mrs. Dalton Gill of Old Glory poured punch and served

cake squares to the guests, from a table covered with ecru lace over tangerine satin and centered with a floral arrangement of shades of bronze and tangerine, the bride's chosen colors.

Other hostesses were: Mrs. Louise McEwen of Aspermont, Mrs. Bernice Rhoads of Old Glory, Mrs. Alice Lewis, of Sagerton, Mrs. LaRue Abernathy of Aspermont, Mrs. Billy June Hecht of Aspermont, Mrs. Charles Diers, Mrs. E. J. Nienast, Mrs. Zenor Summers, Mrs. Lillie Lehmann, Mrs. Buster Tredemeyer and Mrs. A. C. Knippling, all of Sagerton, and Mrs. Olga Letz and Mrs. Clarence Lehmann, both of Old Glory.

Member Drive Set By Lodge

SAN ANTONIO—Spl.—Henry Riemer, San Antonio, grand president of the Order of the Sons of Hermann in Texas, has announced that a membership campaign will be held in the 161 Hermann Sons lodges across the state from Aug. 1 to Oct. 31.

The Hermann Sons Lodge in Haskell is Haskell Lodge No. 241.

Riemer has appointed former newspaperman Louis Engelage, San Antonio, first grand vice president, as campaign chairman.

Financial rewards will go to all members who recruit new members during the three months, and the top four recruiters will be awarded additional prizes.

The order already numbers more than 70,000 men, women and children. Initial lodge in Texas was established in San Antonio in 1861. In 1890 the order expanded into a state-wide organization.

Although it operates in Texas only, the Sons of Hermann is now the 25th largest fraternal benefit society in the nation. In keeping with this distinction, special recognition will be given to the 25 Hermann Sons who bring the greatest number of new members into the organization during the drive.

Lodges exist in communities of all sizes, from tiny villages at crossroads to the largest Texas cities. In a special new feature of the campaign, local lodges will vie with each other for honors and special monetary awards. Earning these awards will be the top three lodges that record the greatest percentage increase in new members according to their present roster categories.

Lodges with 150 or fewer members (small town), 151 to 250, 251 to 400, 401 to 1,000, 2,000 and lodges with 1,000 or more members (large city).

The Sons of Hermann organization is well known for its youth summer camp and schools of dancing for junior members, its home for its aged members, and hundreds of fraternal and citizenship building activities in its local lodges.

Endowment Fund Established in La.

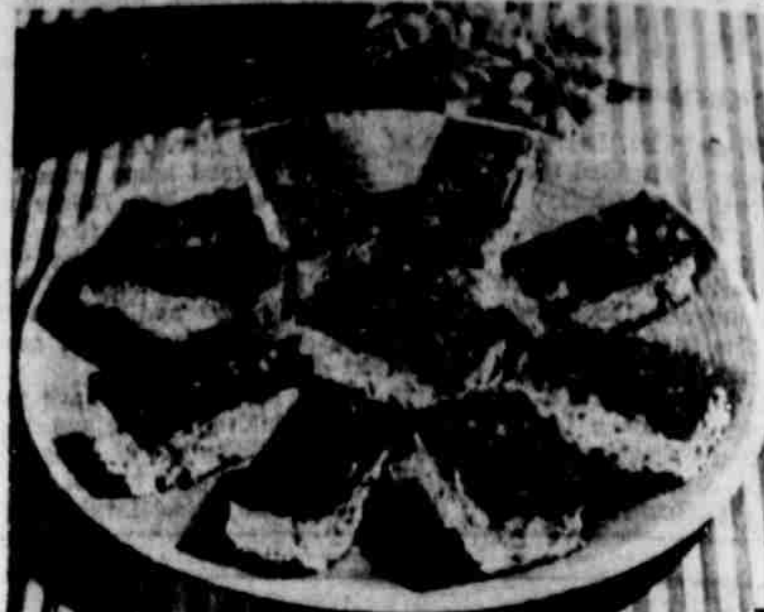

A Peggy Palmer Perdue Memorial Scholarship and Endowment Fund has been established at Nichols University, Thibodeaux, La., by her husband, Mr. T. P. Perdue Jr. and children, Bret P. Perdue and Mrs. Anthony Guarisco.

Mrs. Perdue was killed Aug. 7, 1971 in an automobile accident near Morgan City, La. She was a graduate of Weinert High School and Nichols University. Her mother, Mrs. Iva Palmer, is a resident of Haskell.

RETURNS HOME

Mrs. F. L. Peavy has returned to her home in Haskell after a visit to Houston, Corsicana, and Pasadena where she visited her son, Don, and family, and her sister, Mrs. Mary J. Donald, who is ill. Mrs. Peavy's son, Don and family, brought her home from Houston and are now visiting in Odessa.

SWEET OR SAVORY, SNACKS MAKE THE DIFFERENCE

SWEET-TOOTH SNACKS START HERE... with a chewy confection that's just the thing to give fans the energy infusion football seems to call for. Chocolate-covered nougat bars are made with football's own NFL Training Table Foods—a sure way for the cook to show her fans she's with the game-time action.

CHEWY NOUGAT BARS

3 Tbsps. butter 1/2 cup shredded coconut 1 lb. marshmallows 4 squares (4 ozs.) sweet or semi-sweet chocolate, melted 4 cups Wheaties 1/2 cup pecans or walnuts, coarsely chopped

Butter square pan 8 x 8 x 2 inches or 9 x 9 x 2 inches. In large saucepan melt butter and marshmallows over low heat, stirring constantly. Remove from heat. Fold in cereal, nuts and coconut. Turn into prepared pan; pat mixture even in pan with buttered back of spoon. Pour chocolate over top; spread in thin layer. Chill about 1 hour or until set. Cut into bars, 2 x 1 inch. Makes 32.

PEANUTTY MOLASSES PATTIES

4 cups Cheerios 1/2 cup water 1 1/2 cups salted peanuts 1 Tbsp. plus 1 tsp. vinegar 1 1/2 cups brown sugar (packed) 1/4 tsp. cream of tartar 1/4 cup light molasses 1 1/2 tps. soda

Mix Cheerios and peanuts in large greased bowl. In large saucepan combine sugar, molasses, water, vinegar and cream of tartar. Cook over low heat, stirring occasionally, to 250° or until small amount of syrup forms hard ball when dropped into cold water. Remove from heat; stir in soda. (Mixture will become fluffy and porous.) Pour syrup over cereal mixture; mix with greased spoon. Allow to cool slightly to thicken. With buttered hands, form into 2-inch patties. Cool on greased baking sheet or waxed paper. Makes about 3 dozen.

Griffin Reunion Held In Loop

The annual reunion of the descendants of the late Mr. and Mrs. Tobe Griffin was held in the Community Building at Loop, July 30.

Those attending were: Mr. and Mrs. Lige Griffin of Amherst, Mr. and Mrs. J. M. Clark of Loop, Mr. and Mrs. J. T. Jackson of San Angelo and Mrs. Robert Freeman and Jerry of Haskell.

Also, Mr. and Mrs. Billy Griffin, Penny and Reba of

Canyon; Mrs. Mamie Martin, Mary Alice, Eugene, Terry and Brian of Lubbock; Mr. and Mrs. Eugene Griffin, Carol, Fonda and Allan of Olton; Mr. and Mrs. Leroy Leathers and Christie of Lola Lake; Mr. and Mrs. T. E. Erickson, Teresa, Dena and Ennis of Christoval; Mr. and Mrs. Homer Smith, Kent and Deon; Mr. and Mrs. Taburn Clark; Mr. and Mrs. Dwain Clark, Bobby and Sheila, all of Loop. Also Mr. and Mrs. Raymond Wright and Lance; and Mr. and Mrs. Derrel Clark and Kimberly, and Stephen Clark, all of Lubbock. Visitors for the day were Em-

CARD OF THANKS

Words seem inadequate to express our sincere thanks to the Haskell Hospital for the kindness and care shown by the nursing staff, to the ministers of our town, to our many friends for the expression of sympathy, cards, food, flowers, and memorial gifts in memory of our dear Mother and Grandmother, Mamie K. Gates.—Golda and Bob Colbert, Pam, Robin, Chris; Mr. and Mrs. Sammy Larned; Mr. and Mrs. Dave Johnson; Mr. and Mrs. Jack Colbert. 31p

Rosson To Head Insurance Study

Texas House Speaker Rayford Price named the members of the Interim Committee to study Extended Coverage Insurance in the State of Texas. Representative Renal B. Rosson of Snyder was chosen to chair the committee.

Serving with Representative Rosson will be Representatives Joe C. Hanna of Breckenridge; Jon P. Newton of Beville; Lynn Nabers of Brownwood; and John F. Boyle, Jr. of Irving.

Representing the State Board of Insurance on the interim committee will be Mr. E. C. Chamness. Mr. Robert B. Orton will be representing the National Weather Service. Mr. Orton is knowledgeable in the area of weather patterns covering Texas, and Mr. Chamness has considerable experience in the field of extended coverage insurance.

The committee will make its recommendations and proposals to the 63rd Legislature at the regular session in January, 1973, to the State Board of Insurance, and to the Governor.

Representative Rosson is activating his committee immediately and has already contacted the committee representatives of the Insurance Board and the National Weather Service. He emphasized the shortage of time and the pressing need for equitable solutions to all aspects of extended coverage insurance. He said "Our committee will be studying statistics on weather zones, premiums on extended coverage insurance policies, losses due to natural disasters, and insurance companies' payment under the provisions of such policies."

GRADUATES

Mrs. David Newberry, the former Diane Sammons, daughter of Mr. and Mrs. Glen Sammons, 1001 North Avenue F, Haskell, has completed 1,500 hours training in cosmetology and hair designing, at Glen and Lottie's School of Beauty in Abilene.

About 50 children participate in the Foot Program with an average attendance of about 12 per day.

August 5th has been set for the last day to start or complete the series of immunizations offered by the Neighborhood clinic.

About 274 jars of beans, peas, and tomatoes have been canned at the center. Persons wishing to have fruit or vegetables canned should contact Mrs. Robertson at the Center from 8:30 to 5:00, Monday through Friday.

The trip to Six Flags was canceled due to lack of interest and CAP officials are looking for ideas about another trip.

Plans are underway for the Back-to-School sewing and alteration classes. Nice clothes have already been donated and Center workers are looking forward to the opportunity to assist anyone with their back to school wardrobe.

Ten families are currently participating in the rabbit project.

Childers Named Ag Engineer

The Texas Agricultural Extension Service of Texas A&M University has named an agricultural engineer specializing in cotton mechanization to serve the South Plains and parts of the Rolling Plains and Trans-Pecos areas.

He is Roy E. Childers, Jr., who assumed the position on July 16. He is located at the Texas A&M Agricultural Research and Extension Center at Lubbock.

"Childers will work closely with county agricultural agents and county program building committees in spearheading the drive to reduce the per pound cost of producing cotton," said Extension Service Director, Dr. John E. Hutchison in announcing the new position. "This will involve adapting equipment to produce the highest quality cotton possible at the lowest cost."

Childers grew up on a farm near Iowa Park in Wichita County. He was active in 4-H and won the Gold Star award. He was also a state 4-H winner in the electric program record book competition and won the Area IV FFA electric award.

The new specialist holds both a B.S. and M.S. degree in agricultural engineering from Texas A&M University. He was a Distinguished Student, member of Alpha Zeta and a National Defense Education Act Fellow. He holds membership in the Texas Society of Professional Engineers, American Society of Agricultural

Engineers and the Reserve Officers Association.

Childers served as a research assistant and associate in the Department of Agricultural Engineering at Texas A&M for about two years. He also worked as an engineer trainee with Halliburton Services in Snyder and as a draftsman for the Extension Service.

He served on active duty as an officer with the Army Engineer Corps for six months. He and his wife, Cynthia, have one child.

It's Back to School Time Again!

When the month of August rolls around, thousands of Texas mothers suddenly realize that only a few more weeks remain until school begins.

Parents with youngsters beginning school for the first time this September look forward to school with a little more excitement, and many mothers whose first-born are going off to school may be a bit bewildered by it all.

In addition to the million-and-one chores that must be performed in getting the youngster ready for school—new shoes, clothes, health examination—most school districts require proof of age for beginning students. A certified copy of a birth certificate is usually requested, reports the Texas State Department of Health.

This fall there will be a quarter-million new first graders in the schools throughout Texas, with the total public school enrollment expected to reach 2.8 million. Continued growth of the school population is expected for the next two to three years, according to the Texas Education Agency.

Anticipating the rush of birth certificate requests, the Records and Statistics Section of the Texas State Department of Health has been prepared for it. Requests already are pouring in.

It takes a sizeable staff just to open the thousands of letters

received daily, let alone search out a requested certificate, remove it from the thick volume, make a certified copy, mail it out and then return the original certificate to its proper place.

Years of experience have eliminated nearly every bottleneck. The operation is smooth and fast. Usually the copy is mailed within a day or two after the request is received.

One bottleneck still remaining, however, is the individual who makes the last-minute request to stop now and write for a certified copy of the birth certificate, or contact either the city registrar where the child was born or the county clerk in the county of birth.

If you write the Texas State Department of Health, Bureau of Vital Statistics, 410 East 5th St., Austin, Texas, be sure to include the child's name, place of birth, date of birth, and the parents' name (including the mother's maiden name.) The State Health department fee for a certified copy of the birth certificate is \$2.00.

VISIT ARIZONA

Mr. and Mrs. Leroy O'Neal have returned to their home in Haskell following a trip to Tucson, Oracle, Morenci, and Miracle Valley, Ariz. They also visited with Mr. Horace O'Neal in El Paso.

A girl can dream, can't she?

This time you're absolutely going to save something out of your paycheck. But, then, you really do need that pantsuit, a new coat and, of course, that perfume Eric likes so much.

Before you know it, the money's gone... and all you've got saved are your dreams.

That's why the Payroll Savings Plan is such a good idea for a single girl. When you join, an amount you specify is set aside from your check and used to buy U.S. Savings Bonds. And, it's all done before you get your check—so you can't help

but save. U.S. Savings Bonds. To help you save more than dreams.

Now U.S. Bonds pay 8 1/2% interest when held to maturity of 5 years, 10 months (at the first year). Bonds are repurchased at least, stated or discounted. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and Federal tax may be deferred until redemption.

Take stock in America.

Now Bonds mature in less than six years.

Life Insurance Reduction Made

The Veterans Administration recently announced a 15% reduction in premium rates on Servicemen's Group Life Insurance (SGLI) which means savings of \$12 million annually for servicemen.

fairs Donald E. Johnson said nearly 2.9 million servicemen, who are insured for \$42.5 billion, will participate in the savings, effective July 1.

Johnson noted the reduction, the first since the SGLI program was established in 1965, became feasible because of continuing favorable mortality experience. Servicemen need not contact VA to take advantage of the reduced rates.

Administrator of Veterans Affairs

Before the reduction, service-

men paid one dollar a month for each \$5,000 of coverage. Thus, the maximum coverage of \$15,000 costs \$3.00 per month under the present rate. Effective July 1, the new rate for the full \$15,000 coverage will be \$2.55; for \$10,000, \$1.70, and for \$5,000, \$0.85 monthly.

All members of the Armed Forces are automatically insured under SGLI, and premiums are deducted from their pay unless they decline in writing to be insured. The maximum amount was raised from \$10,000 to \$15,000 in June, 1970.

Members on full duty have protection for 120 days after separation. The group coverage can be replaced, regardless of health, by individual policies issued by 600 participating commercial companies if application is made within 120 days of separation.

Rates for reservists, who are insured only during active duty training periods and associated travel, will be reduced from \$1.80 to \$1.50 annually for \$15,000 coverage.

Veteran's Cars Now Cheaper

Veterans disabled from military service may find it cheaper to buy a specially-equipped new car this year than it was two years ago, Jack Coker, Director of the VA Regional Office in Waco, advises. Coker explained that those who purchased a car with special adaptive devices since January 1, 1971, may find they have money coming from the Veterans Administration.

This reminder was issued by the Veterans Administration to call attention to new VA authority contained in Public Law 91-666.

The 1971 law raised the amount of the VA grant for purchase of a car to \$2,800, and for the first time gave VA authority to pay for replacing and maintaining adaptive equipment on automobiles previously acquired by disabled veterans of World War II and the Korean Conflict.

To be eligible a veteran must have suffered the loss, or loss

MANAGING YOUR MONEY

TEACH YOUR CHILD TO HANDLE MONEY

Training in the delicate art of handling money can't be started too soon. Here are a few good rules.

1. A regular allowance. Even a modest amount.

received at regular intervals, helps a child learn the ABC's of regular income management and gives him the sense of independence that comes with being able to buy some small items on his own. This fixed amount should be something he can depend on; if you withhold part of his allowance regularly as punishment, you may be defeating this purpose. For the same reason, be firm about not giving unearned extra allowance.

2. The importance of credit. There are times, however, when a child may need extra money in addition to his regular allowance. Just as you may make purchases on the installment plan or borrow from a bank. You'll

be teaching a very valuable lesson—how to borrow responsibly—if you let him borrow on future allowance and then hold him to the responsibility of paying it back. But if you find it's taking a long time to repay the debt, don't hesitate to wipe it out. The next time he borrows from you he may do better—and that's what training is all about!

3. Your example. One of the strongest factors in your child's training in money management will be the example you set him. Do you tend to rely heavily on credit cards and charge accounts even when you have the cash? Does your family budget

opportunities that demand substantial amounts of cash, it's a good idea to have \$500 or at least \$200 in travelers checks right at home. Put them in a safe place and keep

track of their serial numbers because—unlike cash—they are quickly refundable if lost or stolen. First National City Travelers Checks are recommended since they are available through most banks, can be used in millions of places everywhere, and are refundable "on the spot" in more locations (30,000) than any other travelers check.

4. Saving. Open a savings account in his name, and let him keep the passbook so he can watch the totals increase.

A word of warning from the financial experts: don't insist that a youngster of any age save a large slice of his allowance. He needs practice in spending as well as in saving!

provide a realistic balance between cash for day-to-day needs, including emergencies, and money banked in either a savings or checking account? To deal effectively with sudden emergencies and

Screwworms Will Affect Fawns

AUSTIN — Screwworm incidence is on the rise in Texas. What does this mean to wildlife?

Texas Parks and Wildlife officials are not overly concerned at this point.

"Deer populations are dependent upon several other factors," said Horace Gore, department wildlife specialist. "Quality of range is much more critical to Texas' wildlife."

Screwworms will not have an appreciable effect on this year's hunt.

"Fawns are the ones that are hit the hardest," said Gore, "any noticeable loss to worms this year will show up next year."

Since Texas hunters only harvest about 8% of the total deer herd, the few adult animals lost to screwworms will not be noticed.

Gore pointed out that during the peak year of screwworm infestation in 1962 the Texas deer herd was soaring toward an all-time high.

"In the past we have saved fawns from worms only to have

them starve on poor range," said Gore. "This year is off to a good start with ample rains and by late summer we will be able to determine just how good a year it is going to be. "If there is plenty of food for deer this year and fawn losses are still high, then perhaps it will be an indication that screwworms are hurting the deer population."

Field studies of deer mortality will show any major losses from screwworms and malnutrition this summer.

Hog Cholera In Three Counties

Hog cholera, once thought eliminated from the High Plains of Texas, has again gained a foothold—this time in the South Plains counties of Dawson, Terry and Mitchell. These three counties are now under state and federal quarantine, and there is a possibility that a block of South Plains counties may be put under quarantine. "This will depend on how widespread this outbreak is," says Dr. Gilbert B. Hollis, area swine specialist with the Texas Agricultural Extension Service. There have been four confirmed cases in Dawson County involving 705 head, four confirmed cases in Mitchell County involving 150 head and one confirmed case in Terry County involving 12 head. All animals involved have been de-

stroyed rendered supervised. The spread of cholera has infected many yards, and means of transmission are being investigated. Hollis feels that South Plains counties are where the virus is likely to be spread. Sick hogs are being inspected. Remember, "first" INVENTION time. Now available FREE PR

programs often only opportunity citizens to depend on nature and how man's soil, water, and environment. learned from text- and discussions. outdoor classroom, learn directly natural environment part of the outdoor class- the learning en- dibly accessible teachers. Its special permit, transportation, lun- comfort facilities, of class sched- important, it is im- for the unexpected or supervised in- projects, and for the "teachable

things and how people are af- fected by the way they use soil, water, air and other living crea- tures.

By observing, classifying, measuring, analyzing, and in- terpreting phenomena, children gain not only essential learn- ing skills but also an idea of their own relation to the nat- ural world. As they acquire knowledge and understanding from and about the environ- ment, they also develop some competence in evaluating alter- natives for using and managing resources.

Attitudes guide our behavior, and they are shaped early in life. In outdoor classrooms, children can have the many sensory and other learning ex- periences with soil, water, plants and animals needed to develop a personal value sys- tem that gives priority to be- havior consistent with rational and prudent use of these re- sources.

The decision to develop an outdoor classroom usually comes long after school build- ings and facilities are in place on a site. But the unused parts

of a site, perhaps those too hilly, too wet, or otherwise con- sidered undesirable, may be ideal for an outdoor classroom. Generally, a conservation plan for the entire school site is needed.

Each outdoor classroom is an individual project. It must be planned according to the size and shape of the area available and to the topography, climate, geologic features, geo- graphic location, and special resource problems of that site.

For more information on es- tablishing an outdoor class- room as a new learning expe- rience at your school, contact any member of your local Soil Conservation Service staff—he will be glad to help.

WASHINGTON
 "As it looks from here"
OMAR BURLESON
 Congressman
 17th District

WASHINGTON, D. C. — The House of Representatives had a fierce attack of reality last week and defeated by a narrow margin an ill-conceived public works measure which would have duplicated several pro- grams already on the books and two others now pending in the U. S. Senate.

One day of hearing was held in the Banking and Commerce Committee to produce a \$5 billion bill to be spent within 18 months on public projects. Or- dinary, this type of legislation is handled by the Public Works Committee, but since the Bank- ing and Currency Committee has jurisdiction over Housing and Urban Development, it de- cided to outdo and pile on yet another big spending program to those already in existence.

In a year when politics is so absorbing, the idea of worrying about budget responsibility has about as much appeal as small- pox, but the action last week offers some encouragement.

In the fiscal year just ended the Federal Government spent more than \$27 billion more than it took in from taxes. The es- timated deficit for the coming 1973 fiscal year is about the same but the guesses are usual- ly on the low side of both how much will be spent and how much revenue will come in. A guess of a \$40 billion deficit for the fiscal year just beginning is probably more near the truth.

In an election the wishlist gets longer and longer until it seems to obscure responsibility. As an example is the appropri- ation bill for Health, Education and Welfare recently passed by the Congress. The Administra- tion's request for \$27 billion is a full \$7 billion above last year. Not content with that, the House of Representatives added an- other billion. The Senate then called and raised to \$2 billion over the budget. It is a dizzying whirl but amid warnings the situation continues to worsen.

The Congress wants to show its concern for the Country by pouring out Federal funds for every conceivable purpose. The President threatens a veto over some of these actions but not too loudly. It's an election year everywhere.

On the one hand federal spending is supposed to get votes. On the other, inflation brings criticism and loses votes. It just doesn't seem we can have it both ways. Huge outlays of money are bound to contribute to higher prices but,

of course, some of this may be offset by stimulating more tax payments. Credit spending by the Government has no offset and can have no other effect than to increase the cost of everything.

Who wants all this spending? The question is often asked. It has got to be those who bene- fit from a particular program and who fail to see all the hundreds of others for a multi- tude of purposes. Right now a number of Governors and Mayors are in Washington lob-

bying for the \$30 billion Reve- nue Sharing Bill. Can't blame them in a way if the Federal Government is going to assume obligations for everything. The money the Federal Government can't get from taxes, it bor- rows. Many states and cities are broke but can not issue more money like the Federal Government—so—please refer to the last sentence of para- graph 7 above.

"FARMER POWER" WITH FARMERS UNION
 CHARTERED 1902—POINT, RAINS CO., TEXAS

WELCOME ALL THOSE TO OUR CAUSE WHO WOULD JOIN IN THE FIGHT FOR THE PRESERVATION, WITH DIGNITY, OF THE FAMILY FARMER AND RURAL COMMUNITY.

(This is the 31st of 52 articles pertaining to goals and accomplishments since 1902, running every Thursday in the Haskell Free Press).

—developed and introduced legislation to increase feed grain farmers income by raising loans 25% whenever government policies contributed to a surplus situ- ation and set a floor of 70% of parity for feed grains.

—protested a proposed change in macaroni standards that would allow ingredi- ents other than wheat as deceptive to consumers and bad for wheat farmers.

—expressed strong opposition to a tax proposal that would weaken farm co- operatives by requiring both co-ops and patrons to pay income taxes.

—protested second class mail rate increases as damaging to rural Am- erica by weakening its newspapers.

JUNE 1971

—secured hearings on International Wheat Agreements in Congress. Agreement meaningless since no minimum price was requested by U. S. negotiators.

—supported the summer feeding program which supplies surplus farm commod- ities to needy children in our major cities.

—sponsored the 4-H public speaking program and participated in state roundup.

If you are interested in knowing more about Farmers Union and/or service programs available through Farmers Union) — Fill out the form below and MAIL to or CONTACT Farmers Union.

TEXAS LUAU
 Mmes. Loudell Barbee, Anna Lee Tribbey and Gladys Lawson attended a "Texas Luau" at the home of Mr. and Mrs. Raymond McDaniel of 1234 Elmwood, Abilene, last Tuesday evening.

This was for the Hawaiian tour group that visited the Hawaiian Islands May 25-June 5. There were 18 present that were on the tour. The other seven were unable to attend.

A long table was set up on the lawn and beautifully decorated with fresh pineapples,

bananas, lemons, limes and crabapples, all fruits of Hawaii. The area was lighted by torch lights, typical of Polynesians. Following the meal, the group enjoyed seeing movies of the tour, visiting, and looking at each person's own pictures of the islands.

BULLETIN BOARD

Aug. 10: 8 p. m., School Board.
 Aug. 8: 3 p. m., Book Club, Mrs. Irene Cloud.
 Aug. 9: 1:00-2:00 p. m., Social Security Rep., City Hall.
 Aug. 8: 9:30 a. m., WSCS, Fellowship Hall.
 Aug. 10: 7:30 p. m., Young Homemakers, Home Economics room, RHS.

H. R. Trussell entered Hendricks Hospital in Abilene last Thursday for surgery.

Mr. and Mrs. Kent Chamberlain and boys of Wichita Falls visited recently with Mr. and Mrs. Newt Westmoreland.

Roy Tribbey has been released from the Knox City Hospital following tests made last week.

Mr. and Mrs. Jerry Barbee and Jimmy of Dell City, visited over the weekend with Mr. and Mrs. J. R. Barbee and other relatives. Jerry is going on to Dallas to attend a state agriculture meeting of teachers.

U. M. Y. F.

The youth of the Methodist Church enjoyed an outing at Mansfield Park, July 21. A hamburger fry and all the trimmings was enjoyed, following swimming.

Attending were Patti Simpson, Fran Wilson, Susan Lewis, Roy Don Wilson, Terry and

ROTARY

Guest speaker for the noon meeting of Rule Rotary Club Monday, July 24, was Gene Long of Haskell. Mr. Long entitled his talk, "Citizenship."

President Lavon Beakley called the meeting to order and the program director for the month of July, Weldon Norman, introduced Mr. Long.

The new district governor, K. R. Molyneaux of Fort Worth, was a special guest. Other guests, from Haskell, were R. C. Couch, H. T. Wilkinson, Bill Comedy, Chief Escobedo, J. B. Gipson and Abe Turner.

Mr. and Mrs. Bill Mason have returned home following a week's visit in Missouri with Mr. and Mrs. Lynn Vogel.

Visiting over the weekend with Mrs. Ada Williamson was Mr. and Mrs. J. R. Rice of Woodson. Visiting last Wednesday with Mrs. Williamson was Mr. and Mrs. Elmo Parker of Alvord.

Visiting this week with Mr. and Mrs. E. O. Morgan are Mr. and Mrs. George Morgan and family of Alvin.

Mrs. Mary Sue Henry has returned home after visiting with Mr. and Mrs. Dan Zachery in Amarillo, last week.

Mr. and Mrs. Grady Allen, Barry and Lane, of Hereford, visited with Mrs. Alma Allen last week.

Mr. and Mrs. David Penick of Midland visited last week with Mr. and Mrs. Elmer Penick.

Returning home Sunday from a few days in Ruidoso were Mr. and Mrs. Speedy Smith.

FACULTY COMPLETED

Supt. of Rule Independent School District, Lavon Beakley, announced completion of the faculty for the 1972-73 school term with the hiring of four new teachers. They are: John Morrison, from Fritch, who will teach Math; Russ Cullen, from Springtown, who will teach science; Miss Casey of Haskell will teach early childhood, and Mrs. John Martin of Seymour,

will teach special education. In-service work days for teachers will be August 15th, and school will start August 21st. Football workouts will begin on August 14.

Completing the faculty will be: Mildred Chambers, room 1; Joy Denton, room 2; Mary Sue Henry, room 3; Geraldine Pool, 3rd; Donna Saifel, 4th; Lonelle McCandless, 5th; Mrs. Olga Taylor, English; Jasper Wilson, history and coach; Linda Simpson, math; Judy New, Home-making; Tom Kutch, agriculture; Peggy Kittle, English; Faye Dunnam, business; Sheryl Robinson, kindergarten; Dennis Briles, high school principal and coach; Bobby Lusk, elementary principal.

School secretary is Joan Carroll; cafeteria workers are Alice Lewis, Jo Andrews and Adele Bogard, and custodians are Delbert Howell and George Smith.

Librarian is Maxine Hamilton, guidance is Irene Stewart and school nurse is Elizabeth Acree.

Trustees are Jack Wilcox, Ed Fouts, Sam Turner, Leon Stegemoeller, Roy D. Smith, Delbert LeFevre and Joe Mathis.

Mr. and Mrs. James A. Lisle, Jr., Mike and David, have returned home after a few days in Ruidoso, N. M.

PARTY

The young people of the First Baptist Church held a party in the home of Mr. and Mrs. Bill Dodd and DeAnn, in honor of Mr. and Mrs. Lynn (Butch) Waggoner. Mr. Waggoner has been employed by a pharmaceutical firm in Waco and they will be moving there in the near future. He is a former teacher in the Rule School and was youth director of the First Baptist Church.

Approximately 25 youth attended and enjoyed homemade ice cream and cake. Assisting with the cream and cake were Mmes. and Messrs. Howard Brass, Richard Mathis, Jasper Wilson and Rev. and Mrs. Williams.

Mr. and Mrs. Clois Ellis of Abilene visited last Tuesday with Mr. and Mrs. L. W. Jones, Jr., and other friends in Rule.

Mr. and Mrs. W. S. Cole met Mr. and Mrs. Ford Cole in Childress last week and visited with them there. The Ford Coles were with a group of

young people going to the Baptist Encampment at Glorieta, N. M.

Rev. J. R. Williams of the First Baptist Church held a revival at Joshua last week.

Visiting last Thursday in Rotan with Mrs. Clarence Leon, was Mrs. Ed Cloud and Mrs. Henry Cloud.

Funeral services for Rev. Robert Neal Greer, 81, of Clyde Nursing Home, and former head chaplain of the Texas Department of Corrections at Huntsville, were held last Wednesday, July 26. Rev. Greer was at one time pastor of the First Baptist Church at Rule.

Survivors are one daughter, Mrs. Ray (Nancy Nealita) Ellis of 1902 Delwood, Abilene; one brother, Carl Green, of Bangs; three grandchildren.

Assisting in the calling of bases in Little League Championship play at Seymour on Thursday night was J. R. Barbee and Norris Anders.

Spending the weekend in Canyon with Rhonda Carroll last weekend was her mother and sister, Mrs. Joanne Carroll and Cynthia.

WSCS

Change, Change, Change was the title of the program presented by Mrs. J. B. Lawson to the WSCS of the United First Methodist Church Tuesday, July 25 in Fellowship Hall. Scripture was read by Mrs. Lawson. Participating on the program was Miss Linda Simpson, reading simulated cases illustrating changes in the world today and she also discussed changes in the school system and how they

are up-dating their material and literature and the opportunities offered to the youth of today. Miss Patti Simpson sang a solo entitled "God Bless You, Go With God," accompanied by her sister, Linda, on the piano. Closing prayer was led by Mrs. Oleta Macon.

Hostess was Mrs. C. E. Franklin. Others attending besides the above mention were: Mmes. Loyd Futch, Rex Murray, Leslie Simpson, H. H. Illnes, Oleta Macon, J. N. Cornelius and one guest, Jarred Hillard.

Mrs. Frank Martin and daughters, Elizabeth and Deborah of London, England, are visiting Mrs. A. R. Eaton.

Mr. and Mrs. Morris Neal and Mr. and Mrs. Herbert Rinn have returned home after spending a few days in Ruidoso, N. M.

Mrs. J. N. Cornelius visited last Wednesday and Thursday in Wichita Falls with her mother, Mrs. Bowley, who was ill.

Mr. and Mrs. Bill Dodd and DeAnn visited in Crowell, last Thursday with Mr. C. W. Hall

County History

returned to the office and then walked out. A suspect was held by Police Chief George Flournoy late Monday.

Courtney Hunt is in St. Louis this week purchasing new fall merchandise for the Courtney Hunt & Co. dry goods store of this place.

The Haskell Motor Company reports the delivery of a new Ford this week to Mr. Chas. Letz of Old Glory, rural mail carrier of that place.

Mr. and Mrs. Edward Talbott and Miss Eloise Roberts returned the first of this week after a several weeks visit in Indianapolis, Chicago and other places. Mr. and Mrs. Talbott left Tuesday for their home in El Paso.

The state board of education last week set the per capita apportionment for scholastics in the free public school system at \$16 for the 1932-33 school year.

J. Leo Southern was elected president of the newly organized Haskell County Fair Association at a meeting of the directors held at the City Hall Wednesday afternoon. Charles M. Conner was chosen vice president.

During the past month, 315 books were read by girls, 144 by boys and 320 by adults, making a total of 779. For the same month last year, 598 books were borrowed from the library.

Haskell County gin men were well represented at the meeting of the West Texas Ginners Association which was held at Abilene this week.

60 YEARS AGO August 3, 1912

George Moeller of the east side was in town Monday. He had his hat decorated with an open boll of cotton from his field, which was the first open cotton brought to town this year. So far as we know this is the earliest cotton ever produced in this county.

The following are the delegates from the four Haskell precincts to the county convention which meets here today: F. G. Alexander, O. E. Patterson, Dr. L. F. Taylor, J. U. Fields, J. W. Collins, Judge H. G. McConnell, G. G. McGuire, Bruce W. Bryant, Jas. P. Kinard, J. J. Stein, W. R. Hunt, G. J. Graham, W. P. Whitman, J. E. Poole, and one whose name we failed to get.

Mr. R. C. Matthews of the south side was in town Thursday and while in town subscribed to the Free Press.

Dr. Craddock and Mr. Linville left Monday on the south bound train but we did not learn their destination.

Miss Willie Cox of Rule took the train here Saturday for Loving, Texas, Plainview and other points in the state.

John Therwanger of the Weinert community was in the city Sunday.

Rev. A. V. Akin and wife have just returned from a trip to California and Alabama. They made the trip from California to Alabama and came direct from Alabama to this place.

A Weekly Report Of Agri-Business News

Farmcast

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Cattle Marketings Up . . . 1,700,000 head on feed a year earlier.

Cotton Production Report Due Aug. 12 . . . Farm Safety Week July 25-31 . . . Milk Production Declines . . .

Texas feedlot operators report intentions to market 1,208,000 cattle between now and Sept. 30. This would be 19% more than marketed during the same period last year.

Cattle being fed for slaughter in the state totaled 2,119,000 as of July 1. This is 25% above the

In the state there are 283 feedlots with a capacity of 1,000 head or more. Of these 205 reported cattle on feed July 1, while the other 78 reported their feedlots as empty. Capacity for all 283 large feedlots totaled 2,631,950 head and showed a 79% occupancy.

Nationwide, the trend for higher production is also noted. Cattle feeders in a 23-state

area plan to market about 7,184,000 head between now and Sept. 30. The anticipated marketings are 9% higher than those sold during the same period last year.

A report on cotton production for 1972 is expected to be released Aug. 12. Cotton industry people as well as cotton producers and textile manufacturers will be watching that report with more than usual interest because of the present cotton supply situation. Acreage-wise in Texas, the Texas Crop and Livestock Reporting Service reports upland cotton planted in Texas this year is estimated at 5,450,000 acres. This is an increase of 220,000 acres over the amount planted in 1971.

Generally, most of the crop is reported to be making excellent progress with some having been destroyed by hail and heavy rains. Insects are also a problem in many areas.

Farm Safety Week was July 25-31. In 1971, farm and ranch accidents took the lives of 203 persons. Leading cause of the deaths were fires, explosions or burns. Other factors for accidental deaths included drownings, accidental shootings, machinery accidents, tractor accidents, falls and animals.

The figures show a continuing upward trend in accidental deaths. Agriculture is one of the most dangerous of all professions.

Safety officials urge constant alertness and eliminating potential accidental death possibilities as ways to lessen the accidental death rate throughout the state.

Milk production in Texas during June dipped slightly below that of a year ago. Milk production in the state totaled 270,000,000 pounds. This is down two per cent below June, 1971, and is eight per cent below the previous month's production.

Milk production per cow kept for milk averaged 760 pounds per cow for the month of June. This is 15 pounds below a year earlier and 65 pounds below the previous month.

Preliminary price for all wholesale milk for June was estimated at \$6.70 per hundred-weight.

Nationwide, milk production during June totaled two per cent higher than a year ago. Milk cows on farms totaled 12,219,000, down one per cent from June of last year.

Former Haskellite Optimist President

Retired USAF Colonel Jack Harris, formerly of Haskell, has been installed as the first president of the newly formed Randolph Field Optimist Club in Universal City.

Harris, an officer of the Cibolo State Bank, was installed by "Rocky" Rockstrok. During

the meeting, the club was officially chartered, by-laws were adopted, and a slate of officers was elected. The club has 37 members.

HOUSTON GUESTS

Mrs. Betty Cooper has enjoyed a visit from her son, Bob Bettis and his wife, Ann and children, Barbara and Billy of Houston this week.

Mother, Teacher, Student

How does a woman manage to teach sixth grade, take care of a home and son, and still find time to work towards her master's degree?

According to Mrs. Betty Jo Davis, a Hardin-Simmons University graduate student who is also a teacher, homemaker, and sixth grade teacher, "time management is essential in fulfilling the responsibilities of these four roles."

Mrs. Davis, who lives in Haskell, will have completed 15 hours towards her master's degree in education at H-SU at the end of the summer school session. She plans to receive her degree next August after specializing in guidance and counseling.

"I'm a firm believer in the idea that we have time to do the things we want to do," Mrs. Davis explained. "Every minute of my day counts and budgeting my time is so important."

She explained that her son, Wayne, who has completed his freshman year at McMurry College, is just as interested in her studies as she is, and he is "very cooperative." "Without his cooperation and understanding, management of time would have been difficult for me," she added.

17 Years A Teacher
Mrs. Davis, a native of Raymondville, has been teaching for 17 years. She graduated in 1951 from North Texas State University with her B.S. degree. After graduation she married the late Tommy Davis of Haskell.

Most of Mrs. Davis' 17 years of teaching have been at the sixth grade level, with two years spent teaching junior high school in Abilene. Currently she is teaching the sixth grade at Haskell Elementary School.

Mrs. Davis is quick to tell everyone that she has "always enjoyed school", and that there is nothing she'd rather do than teach the sixth grade. "The 11-12 year old group are at a very receptive age," she stated. "They are very creative and think and work independently."

With education as her specialized field, Mrs. Davis feels that her guidance and counseling courses are of a great aid to her in the classroom. "I chose guidance and counseling as my specialized field," she said, "because I feel that it will be a great help in guiding children in their classroom work. In fact, I'm so deeply interested in the field that I wish more counseling courses were required."

Even though it has been a lapse of 20 years since Mrs. Davis attended North Texas State University, she feels comfortable in her role as a student at H-SU. "I'm very fortunate

MRS. DAVIS

When asked if she has ever considered becoming a counselor, Mrs. Davis stated that she would consider it if the opportunity arose, but her first love is teaching and guiding children in the classroom.

Individual Preference
Why would an experienced teacher even consider going back to the classroom as a student to earn her master's? "It's really a matter of individual preference whether a person will continue on for his master's degree," Mrs. Davis commented. "But in my own case I had been teaching for 17 years, felt qualified, but finally reached a point where I realized that I had to keep up with the changes going on in education."

"In recent years there have been so many changes in the system," she continued. "I felt the need for me to go back to school and take refresher courses in order to feel a part of the changing times."

Mrs. Davis added that so far her work towards her master's degree has been very practical. "As time goes on, we are approaching more and more an age of specialization," she explained. "This is especially true in counseling. Even though I am doing specialized work, the courses have been very practical and are adaptable to the classroom situation."

Mrs. Davis has "given some thought" to the idea of continuing on for her doctorate in education, but added that she has no immediate plans. "One of my biggest reasons for continuing my education is to further develop my 'self,'" she stated. "But before I continue any further in school, I'd like my son to complete his college work."

Extension Courses
Even though it has been a lapse of 20 years since Mrs. Davis attended North Texas State University, she feels comfortable in her role as a student at H-SU. "I'm very fortunate

to live so near a university offering a counseling and guidance program," she stated. "So few schools in the area offer graduate work in this field. In addition to this, here at H-SU, I feel there's a more personal relationship between student and professors, due to the smaller classes and the nature of my studies."

In addition to taking summer classes, Mrs. Davis has taken H-SU extension courses in Haskell and plans to attend evening classes in the fall.

Keeping up with her various roles as mother, homemaker, student and teacher is no easy task, but Mrs. Davis feels that "things are working out very well."

"I love working with children. I am attending classes near enough to my home to carry on with job and family responsibilities, and I have the opportunity to develop and grow," she stated smiling. "It's great."

"But," she moaned, "I hate having to get out of bed at 4 a. m. to get to my summer school classes on time. That's my only complaint."

County Savings Bond Report

During June there were new purchases of Series E and H U. S. Savings Bonds amounting to \$5,577,000, according to Haskell County Chairman R. W. Herren. Sales for the first six months totaled \$60,801.00 or 25 percent of the 1972 goal of \$240,000.00.

Texas sales during the month were \$16,541,782 compared to \$15,781,727 during June of 1971, a rise of 4.2 percent, while year-to-date sales totaled \$108,024,525 for 53 percent of the 1972 goal of \$202.3 million.

New purchases of E and H Savings Bonds over the nation during June amounted to a record \$532 million, 9.5 percent above sales during June of last year. Sales for the first six months were \$3,247 million, 16.6 percent above 1971. Exchanges of Series E for Series H Bonds amounting to \$170 million were reported for the first six months of 1972, 34 percent above the \$127 million exchanged last year.

ILLINOIS TRIP

Mrs. Wallace Cox Jr. and children are in Normal, Ill., for a three week visit with her parents, Mr. and Mrs. John Cherry.

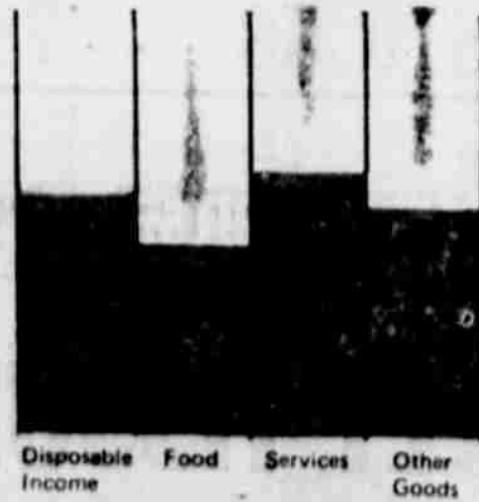

NEW TYPE CLEANER STRIPS for the fastidious see reply. No finger smudges, cleans in seconds. Available at HASKELL FREE PRESS.

FACTS ABOUT THE HIGH COST OF FOOD

(This is the 4th of a series of articles presented by Banking, Journal of the American Bankers Association, reprinted by the Haskell National Bank.)

FOOD PRICES ARE GOING UP, BUT NOT AS FAST AS OTHER COSTS

While the food bill has continually gone up recently, so has the price of just about everything else. In many cases, the increase is much greater than the boost in food prices, as these percentage increases from 1957 to 1971 indicate:
