VOLUME 52

Hale County - Abernathy, Texas - Lubbock County

THURSDAY, JANUARY 18, 1973

NUMBER 11

MR. AND MRS. BILLY BEARD met with James Massie (right), company president, at the Hawaiian conference of the President's Advisory Council of Northrup, King & Co.

BEARD IS FASTEST QUALIFIER FOR NORTHRUP KING HONOR COUNCIL Billy N. Beard of Liberal, Kansas, was honored at the recent meeting of the President's Advisory Council of Northrup King held in Honolulu. One of 20 Northrup King sales leaders selected to attend the event, Beard was cited for achieving his membership in the Council after only two years' service with the company.

Beard joined other Council members in a series of management meetings with top Northrup King executives. The sessions were devoted to an exchange of ideas designed to improve the company's sales, marketing, and customer service efforts. The group also inspected Northrup King seed research facilities in Hawaii.

A native of Abernathy, Texas, Beard attended Texas Tech and Wichita State after graduation from Abernathy High School. He was employed by another seed company, and Waits Farm Store before joining Northrup King in September 1970. He and his wife, Lera, are parents of Tommy, 12, Timmy, 10, Terry, 9, and Ted, 7.

R. I. COLE Mr. R. I. Cole, Petersburg, Texas, has been chosen to serve on the 1972 Northrup King Dealer Advisory Council. The announcement was made today by Stanley T. Tanner, Sales Manager, Southern Division for Northrup, King & Company.

Mr. Cole's selection as "Outstanding Dealer" for Northrup King seeds was based on his total sales performance during the 1972 sales year. He will represent this area at the regional Dealer Advisory Council meeting to be held in Richardson, Texas, in January, 1973.

The council meeting serves as an idea exchange session between the dealer members and Northrup King manage-

ment. It provides an opportunity to discuss and develop new ways to help increase both sales and farmer services of Northrup King seeds.

One member from each regional council is chosen to represent his region at the National Dealer Advisory Council meeting to be held in Minneapolis, Minnesota.

Mr. Cole is to be congratulated for his outstanding sales and service achievements that have earned him his place on the 1972 Northrup King Dealer Advisory Council.

Antelope Basketball Boys and Girls ANTELOPES OPEN DISTRICT The Abernathy girls opened their 1973 District Campaign on a winning note Friday night at Ralls. The Lady 'Lopes got it all together and defeated the Ralls Jackrabbits 53-49. Karen Shipman led the Lopes with 23 points. Lynn Riley was close behind with 22 points.

The season for the girls has not been without defeat. They have not won many games on the scoreboard, but the District Campaign is going to be a different story. These girls have what it takes to be winners. They have the hustle and desire to win and have shown it throughout the entire season. When the Lady 'Lopes get it all together as they did in their district opener, Abernathy could have both of the District Championships.

BOYS Under the guiding hand of Coach Irlbeck, the Antelopes have run their season record to 19 wins without a loss. No team in the history of Abernathy basketball has accomplished this feat. They are definitely on their way to an undefeated season, barring any unexpected complications.

It is becoming important for them at this time to develop a good attitude. Although they are undefeated, and should be the number one team in this area, they are still vulnerable to defeat. Every team will be out for them, trying to knock off the big giant. If they continue to hold down their winning attitude and not get too "big for the gym", there is no doubt that the state crown will come home to Abernathy.

DISTRICT OPENER The boys opened the campaign with their first 100-plus game. They defeated the Ralls Jackrabbits by a score of 103-78. Joe Evans, Kent Snodgrass and Ray Martin all had 10 points. Dick Rogers had 17, and Larry Lutrick 13. Floydada will be the next opponent Jan. 16, 1973, at the Antelope Gym. The highlight game of the district will be against Tulia Friday, Jan. 19, at the Abernathy Gym.

Contract Let For School Construction

The Board of Education of the Abernathy Independent School District met in regular session Monday, January 8, 1973, in the boardroom of the high school.

Minutes of the December 4, 1972, (previously reported) and December 21, 1972, meetings were read and approved as presented. The December 21 meeting was for the purpose of letting of the contract for the construction of the new junior high school and academic center. The contract was awarded to Durbin Construction Company with a low bid of \$656,232 and 450 allowable days for construction. Construction will begin as soon as weather permits and inclement weather is included in the allowable days.

Routine items presented included tax collection (90.30%), enrollment, health, and cafeteria reports.

The board began studies of the various state plans for future financing of the public schools in the state. Eleven committees are working at the state level and will present these reports to the current legislature. Reports of these committees were surveyed by the board. These were: the Senate Plan directed by Senator Mausey, the Texas State Teachers Association Plan, and the Texas Education Agency Plan. All plans will be examined as they are made available by the legislature.

The legislature has been ordered by the Federal Courts to adopt a new plan for financing the public schools by September, 1973.

The next regular board meeting will be at 7:00 p.m., February 5, 1973. Those attending the meeting were: Dr. Delwin Webb, Superintendent; L. J. West, President; Billie Harrison, vice-president; Joe Lovelace, secretary; and members - Lon Carmickle, Joe Oswald, David Pinson, and Bob Riley.

Struve's Hoppy's Sales Scheduled January 25, 26, 27

Struve Hardware & Dry Goods and Hoppy's Shop, Shoes and Men's Clothing, will close at 1 p.m. Wednesday, Jan. 24, next week, to mark down merchandise for their January Clearance Sales, which begin the next day. The sales are scheduled for Thursday, Friday and Saturday, Jan. 25, 26 and 27, next week.

A spin-off from these sales will be a 1c shoe sale at Hoppy's Sales Outlet Store, located five doors east of Hoppy's Shop, Shoes and Men's Clothing. Information on the 1c shoe sale is in the sign painted on the show windows of Hoppy's Sales Outlet building.

COMMUNITY ACTION

A group of Abernathy citizens traveled to Plainview Monday night, Jan. 15, 1973, to attend the monthly meeting of the CPCAP Board. This board is the governing body of the neighborhood centers throughout the county.

Those attending from Abernathy were Glen Metcalf, Hoppy Toler, Sammy Hunley, Pete Cuevas, Maybell Glass, Clarence Henderson, Olean Mathis, Sylvia Pace, Alice Pace, and James Pace.

The monthly meeting was held at the Frisco Center in Plainview. The purpose of the meeting was to discuss the various neighborhood centers, and the progress they are making to develop interest in their various communities.

The board meetings are open to the public, and everyone is encouraged to attend. The Community Action Center provides a useful and informative program for anyone in need help, from education to medical needs. All local citizens are responsible for the success of their own center and should be encouraged to participate.

The next monthly meeting will be held in Abernathy at the local neighborhood center, Feb. 12, 1973. Everyone is encouraged to attend.

City's Share Of Revenue Is Under Promise

Abernathy's City Council met in regular session January 8, 1973, at City Hall.

Jack Moss from the auditing firm of Bollinger, Segars, Gilbert and Moss was present and presented to the council the audit report for the City of Abernathy's fiscal year 1971-72. Following a general discussion of the report, it was the general consensus of the council to accept the report as submitted. Audit copies are available in the City Manager's office for persons wishing to review the audit report.

Bids for the 1973 gasoline supply for the city were received and opened. Consumer's Fuel Association was the low bidder at 17.9¢ per gallon and was awarded the bid for a one-year period beginning Jan. 15, 1973.

The City Council voted unanimously to establish the following Standard Policy for water and sewer utility extensions in new sub-divisions or additions.

All cost of water and sewer utility extensions in new sub-divisions or additions are to be paid for entirely by the developer of such sub-division or addition with no reimbursement whatsoever from the City of Abernathy for such water and sewer utility extensions.

The proposed sanitation contract with Triple C Sanitation Service is to be presented at the next regular meeting of the city council. City Attorney is presently reviewing certain legal matters concerning such a contract.

Revenue sharing report given by the city manager revealed that no explanation or clarification as to the reasons for the City of Abernathy's reduction in annual revenue sharing allocations has been received from the United States Treasury Department or the United States Office of Revenue Sharing. Correspondence received in September, 1972, reported that Abernathy would receive approximately \$40,424, but final allocation at the amount of \$6,306.30 which is a 9.7% increase over the same period last year.

FEDERAL CHECK

The City of Abernathy received its second revenue-sharing check Jan. 9th. This check was approximately 3-1/2% less than the first check due to the Treasury Department establishing a reserve fund to facilitate future adjustments for entitlement allocations.

The first check received December 11, 1972, was for \$13,586 and covered the period from Jan. 1, 1972, to June 30, 1972. With the second check, the City has received \$26,623 for the first year of a proposed five-year revenue sharing plan.

City Manager Glen Metcalf has returned a request from the Treasury Department indicating discrepancies in some figures used to compute the City's revenue sharing funds. It is hoped the discrepancies stated will increase annual allocations for Abernathy.

(The City Audit portion that has to be published will be in next week's Review.)

Booster Club News

The first Booster Club meeting of 1973 will be Thursday, January 18, at 7:30 p.m. in the school cafeteria. The Ralls basketball film will be shown, as well as considering Booster Club business. We invite everyone to come and bring their ideas. Support your local athletics.

--Hoppy Toler, president

Mrs. John Duty suffered a broken knee cap on her left leg early last week when she slipped and fell on ice-covered Ave. G at 13th St. She is in Methodist Hospital, Lubbock.

Arthur L. Isom Rites Are In Lorenzo

NEW DEAL (Special)—Arthur L. Isom, 68, of New Deal died at 1:30 p.m. Wednesday, Jan. 10, at his home after apparently suffering a heart attack.

Services were held at 2 p.m. Friday in the First United Methodist Church of Lorenzo with burial in Lorenzo Cemetery under the direction of Rix Funeral Directors of Lubbock. The Rev. James Holman, pastor of the First United Methodist Church of Lorenzo, and the Rev. Jim Sharp, pastor of the United Methodist Church of New Deal, officiated.

Pallbearers were Royce Hess, Herman Lorenz, Clayton Teeter, Wayne Teal, Billy Fortenberry, Emory French, Fred Jobe, and Dalton L. James.

A resident and farmer in the Lubbock area for 19 years, he moved here from Lorenzo where he had farmed since 1916. He was married to Edrie Jones of Lubbock in 1926. He was a member of the New Deal Lions Club and the New Deal United Methodist Church.

Survivors include his wife; a daughter, Mrs. Norma Jean Campbell of Lorenzo; two brothers, Virgil and Otis Isom, both of Idaho; his mother, Mrs. W. A. Isom, also of Idaho; and three grandchildren.

FORMER LOCAL RESIDENT DIES IN CALIFORNIA

(Editor's Note: June Speer sent The Review the following clipping from the Davis, Calif., newspaper. It is an account of the death of M. M. Blair, a former Abernathy resident, June was in California at the time of his death, but was unable to stay for the funeral due to plane reservations. Blair married June's niece, MILICE M. BLAIR.

Milice Macon Blair, 69, a native of Honey Grove, Texas, died Jan. 5 at Davis Community hospital.

Blair, who lived at 1008 Third Street in Davis, had been a cemetery caretaker for 18 years in Texas before moving to Davis one year ago.

Mr. Blair is survived by his wife, Louise Glasscock Blair, of Davis; children Eddie M. Blair of Roseville, James V. Blair of Tioga, Texas; stepson Eddie Ray Blair of Belton, Texas; brothers Newell Blair of Arvin, and Hubert Blair of Ogden, Arkansas; sisters Mrs. Alice Godwin of Dallas, Texas, Onnie Morgan of Powderly, Texas, and Agnes Wort of Dallas, Texas; and 3 grandchildren and one great-grandchild.

Funeral services for Mr. Blair were held Jan. 8, 1:30 p.m., at Davis Funeral Chapel with interment following at Woodland cemetery.

Band Rates High In All-Region Try-Outs

Ten students of Abernathy High School earned places in the All-Region Band through tryouts Saturday, January 13. Competition included band members from all Class B, A, and AA schools from Abernathy through Denver City.

Several Abernathy bandmen acquired first chair positions in their sections. They are Suzanne Tooker, contra-bass clarinet; David Loper, trombone; Cindy Marr, alto clarinet; Bruce Bray, tympani; Peter Anderson, glockenspiel; Janet Moore, snare drum; and Bill Blackmon, bass drum. Other All-Region band members from Abernathy are Danny Rice, alto saxophone; Kathi Guarrant, clarinet; and Clovis Dunn, cornet alternate.

The All-Region Band Concert will be held January 27th at the Coronado High School auditorium. The public is invited to hear this concert as well as other concerts by the Junior High All-Region Band, North Zone (B-A-AA), and the area All-Region AAA-AAAA band.

Mrs. R. H. Hudson returned home Tuesday from a Littlefield hospital, where she received treatment for a back injury sustained when she fell on ice-snow on the front porch of her home at 412 10th St., Abernathy.

Mrs. Apperson Dies Monday

Funeral rites for Mrs. A. L. (Pauline) Apperson, 59, who died at her home in Abernathy after an apparent heart attack about 6 p.m. Monday, were scheduled for 2 p.m. Wednesday in Abernathy Church of Christ with Minister Condy Billingsley officiating.

Burial, under direction of Chambers Funeral Home, was in Abernathy Cemetery.

A daughter, Mrs. Billy Greene, and three children were visiting her at the time of her death. The Greene family resides in Boise, Idaho.

A native of Hollis, Okla., Mrs. Apperson had lived here for 50 years. An employee of the Abernathy school cafeteria, she was a member of the Abernathy Church of Christ.

She is survived by three sons, Fred Apperson of Wichita Falls, Kenneth Apperson and Don Apperson, both of Dallas; two daughters, Miss Jane Apperson of Dallas, and Mrs. Paula Greene of Boise, Idaho; two sisters, Mrs. Weldon Poff of San Angelo, and Mrs. Bobby Glover of Lubbock; two brothers, A. J. Jackson of Abernathy, and Royal Jackson of Amarillo; and 12 grandchildren.

Stock Show Meet Set Here Jan. 19

Harvey Lutrick, president, has called a meeting for Friday morning, Jan. 19, at 9 a.m., at Graham's Restaurant of all members and other persons interested in the Annual Abernathy FFA & 4-H Project Show.

Lutrick said it will be an organizational meeting of the Project Show group; that officers will be elected; rules for the 1973 Show will be formulated, and the dates set for this year's Project Show. He urges that all interested persons attend the meeting the morning of Jan. 19, 9 o'clock.

Shower Set For Family Whose Home Burned

The James Annis family will be honored with a miscellaneous household shower, Friday, January 19, 3:30 to 4:30 in the Fellowship Hall of the First Baptist Church.

The Annis' home near Petersburg was destroyed by fire Jan. 2, and they lost all their possessions.

Anyone wishing to contribute money instead of a gift may either bring it to the shower or deposit it in the bank to a fund for the family.

Mrs. Annis is the former Dana Smith of Abernathy. Members of the Hannah Sunday School class of the Baptist Church will be hostesses.

BEESON MAY COME HOME THIS WEEK

At press time, Bill Beeson, 17, was still in an Abilene hospital for treatment of shotgun wounds sustained in a hunting accident near Novice, Texas. Bill, son of Mr. and Mrs. C. B. Beeson, may be transferred to his home here later this week, weather permitting.

Mrs. R. H. Hudson returned home Tuesday from a Littlefield hospital, where she received treatment for a back injury sustained when she fell on ice-snow on the front porch of her home at 412 10th St., Abernathy.

Rigs Could Help During Emergencies

There are numerous rigs connected with local commercial and agricultural activities that can, and have, been pressed into service during various emergencies.

The recent severe ice storm and snow reminds that emergencies can arise... such as those in the late 1950's when school buses became stranded in snow and passengers were taken in by nearby farm families. At that time, tractors and improvised sleds were used to take groceries to these farm homes.

Now, we are better equipped than ever, transportation-wise, in snow and muddy roads. A new piece of equipment (shown above) recently was purchased by Plains Grain & Farm Supply of Abernathy. It is a rig that can apply fertilizer and herbicides, both in one trip over a field at the same time. This rig can run in fields covered by snow, and in rain-muddy conditions without rut damage to the field in which it operates. In fact, it was used late last week to apply fertilizer & herbicide in a field, with no rut or compaction damage to the land. The rig has flotation tires that are over 4 inches wide.

The Plains Grain Co. rig could be used in emergencies to deliver groceries, medicine or a doctor in case snow or mud made other vehicle travel impossible.

Winter Releases Area From Cold

Area residents welcomed clear sky and sunshine late last week after being in winter's deepfreeze for a prolonged period of time. For the first time in many years, huge icicles formed on edges of homes and buildings. The local school was not dismissed due to the weather, but did turn out classes earlier than usual two days. Rain, sleet and snow covered the area.

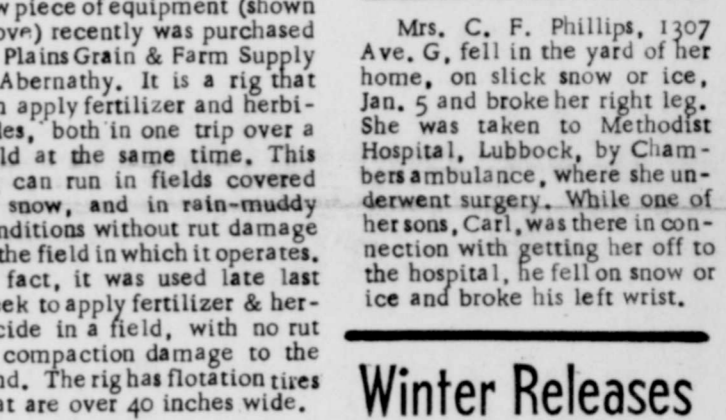

Sunshine was welcomed by farmers who have not completed cotton harvest.

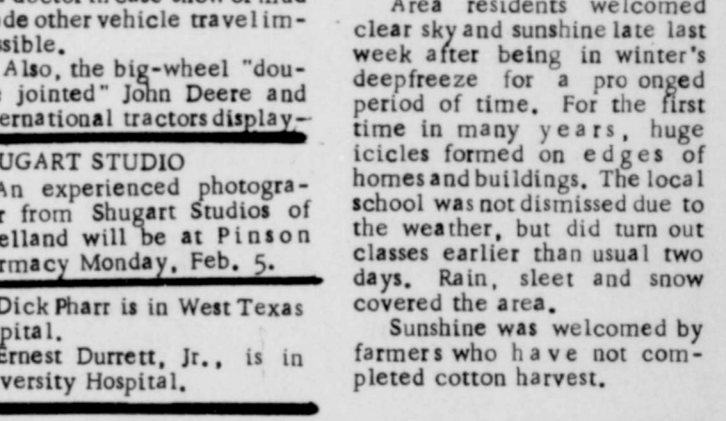

SIX-FOOTERS --- This house at 1105 Ave. D sported an ice curtain, with some of the icicles measuring over six feet long, extending from the edge of the roof almost to the ground.

ICICLES formed the full length of the house above, with some of the ice hanging down from the roof more than three feet long.

Bilingual Kindergarten

The Bilingual Department of the Abernathy Public Schools is presently involving parents in the classroom. Parents of children enrolled in the bilingual program were invited to participate in classroom activities, choosing the preferred subject area.

Many parents have responded to this invitation and have become actively involved in classroom activities, contributing in the following areas: Storytelling, art, recess activities, tumbling and food preparation. Other parents have assisted the teacher in preparing stencils, bulletin boards and reading charts.

Parental involvement has been well received by the students and the bilingual staff. Any parent wishing to be involved in the program is invited and encouraged to contact the Bilingual Office.

- Solid state color TV** is the most advanced you can get. And RCA builds more, sells more, offers more than anyone in America. All RCA XL-100s have these quality features...
- 100% solid state.** RCA XL-100s are 100% solid state. There are no chassis tubes to burn out. Most set functions are controlled by RCA's plug-in "AccuCircuit" modules. They're designed to keep cool, last longer, and be easy to service.
- A sharp, bright picture.** Every XL-100 console and table model has RCA's black matrix picture tube. You get the kind of sharp, vivid color you'd expect from the people who pioneered color TV.
- Simple automatic tuning.** RCA XL-100s have a fiddle-free tuning system—with a flexibility feature most other sets don't have. RCA's AccuTune color monitor makes it simple to custom tune color to your individual preference—and keep it that way. And Automatic Fine Tuning locks in the correct picture.
- You're all set for cable TV, too.** All RCA XL-100 table models and consoles feature a built-in connection for direct-line cable and apartment house antenna systems. In addition, RCA's Cable-Guard Shielded Tuner blocks out troublesome interference from nearby transmitters to help eliminate ghosts and other effects that could spoil your picture.

NUMBER 12

TECHNICAL HELP—Staff members of the Soil Conservation Service are shown furnishing technical assistance in the construction of a pollution control pit at Lubbock Christian College's 4,000-head cattle feedlot about four miles north of the city limits. The pit will store runoff from the biggest rain that can be expected in a 24-hour period (5.2 inches) in 25 years. Costs of constructing the pit and diversion terraces above it are estimated at \$5,000. Feedlot wastes that collect in the pit will be pumped onto 100 acres of Midland Bermudagrass. (SCS Photo)

Engineering Help Due To Farmers

The Lubbock County Soil and Water Conservation District states that the Soil Conservation Service provides technical and engineering assistance to producers who are planning to install permanent conservation practices such as irrigation pipelines, land leveling, diversion terraces, parallel terraces, pasture planting and grassed waterways. These services are available through the Soil Conservation Service without cost to the producer.

Many farmers and ranchers planning conservation work this winter and spring will find that there is no cost-share assistance available.

The Rural Environmental Assistant program was terminated by presidential order December 22, 1972. Any applications for cost-share assistance through this program that were made after this date will not be approved.

The Great Plains Conservation Program has not been affected. The conservation work on any certified contract can be done as soon as conditions

MRS. HOWARD'S MOTHER DIES

Services for Mrs. Bessie Yarbrough, 70, of 1601 Vanda Ave., Lubbock, were held Saturday in Henderson Funeral Home Chapel, Lubbock, with the Rev. J. Waid Griffin of the First United Methodist Church, Lubbock, officiating. Burial was in City of Lubbock Cemetery.

Mrs. Yarbrough died about 7:45 p.m. Thursday in Edwards Nursing Home, Lubbock.

Born in Henderson County, she was a member of the First United Methodist Church and past member of Eastern Star.

Survivors include a brother, B. C. Anderson of 2105 E. 4th St.; and two sisters, Mrs. H. L. Howard of Abernathy and Mrs. H. V. Wheeler of Slaton.

ON DEAN'S ROLL AT TEXAS TECH

LUBBOCK -- A total of 497 students in the College of Home Economics qualified for the dean's honor list for the 1972 fall semester, according to Dean Donald S. Longworth.

To qualify for the honor list, a student must be enrolled in 12 hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

The College of Home Economics is one of six colleges and two schools at Texas Tech University, which will be observing its Fiftieth Anniversary 1973-75. The fall enrollment was more than 21,490.

Students recognized for their high academic achievement in the College of Education are:

Antelope Basketball Boys and Girls

(By Sammy Hunley)

When you take a good team, add a gym full of enthusiastic fans, a little luck and a pocket full of miracles, the results become quite evident.

Abernathy seemed to have all of these ingredients Friday night as they won their 21st straight game of the year by beating the Tulia Hornets 64-62 in an overtime game.

The Antelopes, riding high with 20 straight wins under their belt, met the revenge-minded Hornets (the only team expected to give the Antelopes a good fight for the championship). It didn't take the Hornets long to live up to that prediction.

HARD-FOUGHT CONTEST
Tulia jumped on the Antelopes from the opening tip off. The Antelopes tried every trick in the book to gain advantage in the game, but the stubborn Hornets held on and led at the half time 32-26.

The second half was no different. Tulia managed to stay in the game—hitting a large percentage of their shots from 20 to 30 feet out. Abernathy led by only 2 points at the end of the third stanza.

The fourth quarter got started with both teams swapping baskets. Abernathy managed to lead the way until the final 30 seconds of the game.

With the score tied 58-58 and 12 seconds remaining on the clock, Tulia brought the ball down to attempt one final shot. The shot was good from the corner, and the clock ran out Tulia 60, Abernathy 58.

THE MIRACLE

The Tulia team and their accompanying fans went into hysteria (after all, they had just upset the highly-rated Antelopes). But wait a minute! Before the teams could clear the floor, the referee had called everyone back on the court.

Apparently the Antelopes had called a time out with three seconds left, and the referee could not get the clock stopped in time.

So, with two seconds left, the Antelopes had the impossible chance of winning the ball game—the type of odds that even professional gamblers avoid like the plague.

Randy Settle, standing by himself under the Tulia basket, had the job of getting the ball to one of his teammates at the other end of the court in time for one of them to score the winning basket, in just two seconds. Tulia had the goal surrounded and it seemed as if the upset would stand.

Settle threw one of the greatest passes of his basketball career. The pass rifled through the hands of two Tulia defenders and found Kent Snodgrass under the basket who, with a great effort, laid the ball in for the tying points.

The Antelopes regained their poise and held off the Hornets to win one of the most exciting games ever played in the Antelope gym.

Kent Snodgrass had 18 points to lead the Antelopes. Dick Rogers came through with 15, and Ray Martin added 12.

Whether it was their skill or just a pocket full of miracles remains to be seen. The real truth of the matter is that the Antelopes have acquired that "winning attitude" and the pride that goes with it. It's definitely going to take more than two seconds on a clock to beat this bunch now.

LADY 'LOPES

The Lady 'Lopes were not as fortunate Friday night as they were defeated 68-33 by the Tulia girls. Katrina Allen led the Antelopes with 14 points.

The girls can also play inspired ball, as they proved Tuesday night against Floydada. Playing one of their best ball games of the year, the girls fought and hustled every inch of regulation play to tie the ball game 33-33. The first overtime period saw the game tied again 37-37. It wasn't until the second overtime that Floydada managed to get an edge and won the game 39-37.

The community should be proud of the fine team that Coach Hunter and these great girls have put together.

BOYS AGAINST FLOYDADA

The boys soundly defeated Floydada 80-37 Tuesday night to win their 20th consecutive game of the year.

AWARENESS: A POWERFUL WEAPON IN THE BATTLE AGAINST HEART AND BLOOD VESSEL DISEASES

Heart and blood vessel diseases are the nation's number one cause of death. They afflict more than 27 million Americans and claim more than a million lives each year.

The statistics concerning the major cardiovascular killers are overwhelming. This year about 900,000 will die from heart attack, stroke and hypertensive disease. High blood pressure—a major contributing factor to heart attack and stroke—alone afflicts more than 20 million Americans. More than half of these don't know they have it. Of those who know, most are being treated inadequately or not at all.

Make no mistake. We are engaged in an all-out battle. We have an arsenal of weapons to carry out that battle—thousands of well-trained doctors, nurses and paramedical personnel, a national network of coronary care units, screening programs, hard-hitting educational material. We have ever-improving techniques for diagnosis, treatment and surgery.

And on-going research brings us closer to the answers to still-puzzling medical mysteries.

Through the current Heart Fund campaign to raise money to continue this fight, the American Heart Association hopes to further its mission: a reduction in premature death and disability due to cardiovascular diseases.

But the Heart Association can't fight the battle alone. The dollars you contribute will help immeasurably. But there is an equally important contribution you must make—to yourself.

Dr. Irving S. Wright, one of the nation's foremost cardiologists, has said:

"It has become increasingly clear that the first line of defense in medical care is the informed patient and his family. If the individual doesn't recognize the need for help when it becomes apparent, all the world's medical knowledge will be of little value."

You must know how to protect yourself. Get regular medical checkups. If you have high blood pressure, get under medical treatment and stay under it. You must also know the early warning signs of the two major killers—heart attack and stroke—and how to act before catastrophe strikes.

Read and remember these warning signs—clip them out and keep them in a readily accessible place.

The warning signs of heart attack:

- Prolonged heavy pressure or squeezing pain in the center of the chest behind the breastbone.
- Pain may spread to the shoulder, arm, neck or jaw.
- Pain or discomfort is often accompanied by sweating.
- Pain may go away, then return.
- Nausea, vomiting and shortness of breath may also occur.

The warning signs of stroke:

- Sudden, temporary weakness or numbness of the face, arm or leg.
- Temporary difficulty or loss of speech, or trouble understanding speech.
- Temporary dimness or loss of vision, particularly in one eye.
- Unexplained dizziness or unsteadiness.
- Change in personality, mental ability or the pattern of your headaches may also occur.

These signs don't always signal the onset of heart attack or stroke, but they often do. You must know for sure. When you experience one or more of these warning signs, call your doctor and describe these symptoms in detail. If he's not immediately available, get to a hospital emergency room at once.

Be informed. Heart disease is an epidemic problem. Something can be done about it and the Heart Association is doing it. You can help make it happen by supporting your local Heart Fund.

Mrs. Wanda Matthews was in the Plainview hospital.

Nolan J. Fred Dies At Age 69

Nolan J. Fred, 69, of Rt. 2, Petersburg, died about 7:40 a.m. Saturday in St. Mary of the Plains Hospital in Lubbock after an illness.

Services were held Monday in First Baptist Church in Petersburg with the Rev. F. W. Elmore of Calvary Baptist Church in Tulia officiating, assisted by the Rev. Carl Coffey, of Northside Baptist Church of Abernathy. Burial was in Resthaven Cemetery under direction of Rix Funeral Directors.

pallbearers were Grady Kelly, F. L. Weathers, J. W. Ferguson, R. B. Martin, Jr., O. S. Bristol, Charlie Schuller, Jr., Homer Roberson and Johnny Keen.

A native of Johnson City, Fred came to West Texas in 1921 and settled in Liberty community with his parents.

In 1923 he moved to Levelland and farmed there until 1947. From there he moved to Petersburg where he has farmed since that time.

He was married to Etha Farris on Dec. 10, 1927, in Lubbock.

Survivors include his wife; a son, L. C. Fred of Petersburg; two daughters, Mrs. Peggy Malone of 4304 62nd St. and Mrs. Patsy Steward of Abernathy; three brothers, F. L. Fred of Morton, L. G. Fred and A. P. Fred, both of Enoch; a sister, Mrs. Cora Buchanan of 505 55th St.; and eight grandchildren.

On Dean's Roll At L. C. C.

Smitty Covey, Cindy Oswald, and Reta Settle have been placed on the Dean's Honor Roll at Lubbock Christian College (LCC) for the fall semester 1972-73.

Covey, son of Mr. and Mrs. W. A. Covey 1102 Ave. G, Oswald, daughter of Mr. and Mrs. Joe Oswald 412 2nd Place, and Settle, daughter of Mr. and Mrs. W. T. Settle Box 182, of Abernathy were three of 103 students receiving this honor.

A grade point average of 3.5 or better on the 4.0 scale is necessary to be placed on the Dean's Honor Roll. Covey had a 3.90 grade point average, Oswald a 3.66 and Settle a 3.68 last semester.

Lubbock Christian College offers 17 degree programs. It has a student body of 1100.

A dozen modern, permanent buildings and half-dozen temporary buildings now form the heart of the school's 120-acre main campus in west Lubbock. Construction will soon begin on another addition to the campus, the half-million dollar Mabee Christian Development Center.

City Audit Published

The portion of the annual audit of the City of Abernathy's books that is required by state law to be published in a newspaper appears elsewhere in this issue of The Abernathy Weekly Review. The complete audit for the year ending Sept. 30, 1972, covers 16 pages of a bound booklet.

The complete audit report is open for public inspection. Copies of the audit are on file at City Hall, and officials and the city manager invite all interested persons to go to City Hall if they would like to read the complete audit.

The audit was made by Boller, Segers, Gilbert & Moss, Certified Public Accountants, Lubbock.

LIONS CLUB

Woody Parker, program chairman, introduced the Rev. Dean Truitt who gave a very interesting and informative program on his missionary work being done in Central America. The Truitts will be returning to Central America in June 1973.

Don't forget your eye glasses --old or new. The Lions Club can definitely use all that is available.

RIES MONDAY FOR JACK DUNN

Jack Dunn, 62, of Abernathy, died Sunday morning at his residence following an apparent heart attack.

Services were held Monday in First Baptist Church here with the Rev. Murry Brewer, pastor, officiating. Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Pallbearers were Clint Condray, S. W. Royal, Keith Eiler, Hoppy Toler, Clarence Jordan and J. C. Galloway.

A native of Ballinger, Dunn moved to Abernathy in 1945 from Fort Smith, Ark. He was a retired butane mechanic and veteran of World War II.

Survivors include his wife, Jessie; two sons, Clovis and Ryn Dunn of the home; a daughter, Mrs. Peter Thompson of Abernathy; two brothers, Ezra Dunn of Plainview, and Walter Dunn of Los Angeles, Calif.; two sisters, Mrs. Jewel Bauman of Pampa and Mrs. Juanita Bauman of Ballinger; and four grandchildren.

The Rev. and Mrs. Larry Clark have two sons, Byron, age 4 years, and Bradley, age 3 years. The family calls Lewiston, Idaho, home during this furlough year.

These missionary services will present the challenge of world evangelism and Brazil's involvement by the missionary workers who are preaching, teaching, and building all aimed at soul winning.

The Rev. Louis Schaap, pastor of the Local Church of the Nazarene, extends on behalf of the church a cordial invitation to members of this community to attend these services with a missionary emphasis.

HISTORICAL MARKER WILL GO UP SUNDAY

An Official Texas Historical Marker for the Struve businesses, Abernathy, Tex., will be erected on Jan. 28, 1973, it was announced today by Mrs. J. W. Walker of Plainview, chairman of the Hale County Historical Survey Committee.

The marker will be placed at 318 Main St., Abernathy, site of Struve family businesses. Dedication will be Jan. 28, 1973, at 2:30 p.m.

Made of cast aluminum with Swedish steel effect, the marker measures 18 by 28 inches and is sponsored by Hale County Historical Society. The inscription on the marker reads:

"18 x 28" Official Texas Historical Marker Hale County - 11-29-74 - Hale County - 318 Main Street, Abernathy Struve Family Businesses Fritz W. Struve (1877-1959) came here from Burnet County in 1912, 3 years after city was founded, started a grocery store; was joined by brother Ben F. (1879-1947) in 1918. Family operated wide variety of businesses vital to the early economic success of the community: Grocery (1912-1962), Hardware (1913-), Implements (1913-), Dry Goods (1918-), Tin Shop (1913-), Cheese Factory (1929-1951). The cheese enterprise was unique to this region, producing an average of 1800 pounds per day.

Fritz W. Struve was elected as first mayor in 1924, serving 3 terms in that office.

The marking of local historical sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These include archeological investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers.

The name and location of

Missionary To Speak at Church In Abernathy

LARRY CLARK

Missionary Larry Clark will be the featured speaker at the Abernathy Church of the Nazarene Friday, January 26, through Sunday, January 28, for the Annual Missionary Convention of the Abernathy Church. Services will be held at 7:30 p.m. on Friday and Saturday nights and at 10:50 a.m. and 6:50 p.m. on Sunday.

Rev. and Mrs. Larry Clark, missionaries to Brazil, are now on furlough and are conducting services among Churches of the Nazarene. This is their first furlough since going to the mission field four years ago. Because of family duties Mrs. Clark is not traveling with her husband at this time.

After an initial year of intensive study of the Brazilian language and culture, they have been located at Belo Horizonte, Minas Gerais, where -- continuing the language study -- Rev. Clark also serves as pastor, teacher, and director of branch Bible Schools; and he has also been involved in the construction of mission buildings.

Rev. Clark earned his B. A. degree at Northwest Nazarene College in Nampa, Idaho, and his M. A. degree at the Nazarene Theological Seminary in Kansas City, Missouri. He also served as a pastor in Minnesota before their appointment to the mission field of Brazil.

The Rev. and Mrs. Larry Clark have two sons, Byron, age 4 years, and Bradley, age 3 years. The family calls Lewiston, Idaho, home during this furlough year.

These missionary services will present the challenge of world evangelism and Brazil's involvement by the missionary workers who are preaching, teaching, and building all aimed at soul winning.

The Rev. Louis Schaap, pastor of the Local Church of the Nazarene, extends on behalf of the church a cordial invitation to members of this community to attend these services with a missionary emphasis.

PROJECT SHOW SET HERE FOR MARCH 5 and 6

Harvey Lutrick reported that the Annual FFA & 4-H Club Project Show will be held here March 5 and 6, in one of the buildings at Service Grain & Fertilizer Co. The dates were set Friday in a meeting held at Graham's Restaurant. The meeting drew a good crowd of interested persons.

A report on the meeting will be issued in next week's Review by Curtis Davenport, AHS principal, who is the publicity chairman for the project show organization.

The present marker will appear in the next edition of the Guide to Official Texas Historical Markers in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale with their unique heritage.

There will also be a marker dedicated to the City of Abernathy commemorating the founding of the town. It will be done at the same time and site.

Judge Henry Heck, judge of Hale County, will make the address and Mrs. Orville Toler, as representative of the Struve families, will preside at both dedications.

Jan Coker Is Bride Of Jerry Lynn Fuller

Mrs. Jerry Lynn Fuller

(The following Wedding story is from the Jan. 4, 1973, issue of the Fort Stockton newspaper.)

First United Methodist Church was the scene of the formal marriage of Jan Colette Coker and Jerry Lynn Fuller of Abernathy on the evening of December 30.

The bride is the daughter of Mr. and Mrs. Floyd Coker, 1801 W. Seventh.

Parents of the bridegroom are Mrs. Lois Fuller of Abernathy and the late Gene Fuller.

SETTING
The Rev. Kenneth Ford officiated at the double ring, candlelight wedding before a background of poinsettia and white gladioli. Greenery, red

"The Lord's Prayer." Mrs. C. S. Ten Eyck was organist.

THE BRIDE

When presented in marriage by her father, the bride was attired in a formal bridal gown of candlelight satapeon with peau d'ange lace on the bodice and top of the sleeves, which billowed into lace cuffs. Venise lace edged the sheer yoke, high neckline and rimmed the full skirt that flowed into a watteon train.

Pearl earrings were her only jewelry. A high, stiff lace cap held the bridal veil of shoulder-length tulle illusion.

Red roses, tied with long red ribbons streamers, were featured in the bridal bouquet.

BRIDAL ATTENDANTS

Mrs. Tom McClelland of Birmingham, Ala., attended as her sister's matron of honor.

Bridesmaids were Becky Lawrence and Ann Turnbo of Fort Stockton, Diana Goedrick of Lubbock and Mrs. Steve Castle of San Angelo.

Bridal attendants wore red and black plaid taffeta formal dresses, styled with ruffling at the neck, sleeves and shoulders. Each carried red carnations centered with a single red taper.

Ring bearer was Bobby McClelland of Birmingham, Ala., a nephew of the bride.

MOTHERS

A formal melon colored opera suit, accented by a white orchid corsage, was worn to her daughter's wedding by Mrs. Coker.

Mrs. Fuller wore a formal, aqua blue crepe dress, featuring lace sleeves and a white orchid corsage.

MALE ATTENDANTS

Serving as his brother's best

man was Doyle Fuller of Brownfield. Groomsman were Burl Fuller of Abernathy, another brother of the bridegroom; Dane Vickers of Abernathy; Clark Riley of Lubbock; and Jim Gerald of Fort Worth.

Keith Gilbert of Fort Stockton, Mike Ingram of San Angelo, Sam Garner of Houston, Henry Anderson of McCamey and Clinton Reeves of Abernathy ushered.

RECEPTION

Holiday Inn was the scene of the reception held immediately following the wedding ceremony. Mrs. Don Holland presided at the bride's book.

An arrangement of red roses and white carnations centered the bride's table, which was laid with red velvet ribbon streamers on a white lace cloth.

The white, tiered wedding cake was designed with columns surrounding satin wedding bells and was surmounted with red roses and a miniature white dove.

The bridegroom's table held a candelabrum entwined with

honey and berries and a chocolate cake, decorated with tiny dark chocolate roses.

Members of the house party were Mmes. Derwood Caldwell, John Hundley, Bill Pearce, Claude Hayman, C. F. Bryce, Larry Skystad, Robert Fanell, Doyle Fuller and Clark Riley.

For the wedding trip to Carlsbad, N.M., the bride chose to wear a green velour pantsuit with ruffled, white crepe blouse. Upon their return, the couple will make their home at 1812 Jade Dr., San Angelo.

REHEARSAL DINNER

Hosts for the rehearsal

dinner held at Holiday Inn were the bridegroom and father of the bride. Members of the wedding party and special guests attended.

BACKGROUND

The bride was graduated from Fort Stockton High School and is a junior student at Angelo State University, where she was a member of the Angelettes precision drill team. At FSHS she was a cheerleader and a member of the swim team.

The bridegroom was graduated from Abernathy High School and attended the University of Houston two

years. He is employed as a salesman at a San Angelo menswear store.

OUT-OF-TOWN GUESTS

Attending from out-of-town were Mrs. Maurice Basse of Memphis, Tenn.; Mrs. Leland Mayo of Oklahoma City, Okla.; Mr. and Mrs. T. R. Young of Dallas; Dr. and Mrs. Tom Young of Galveston; Mr. and Mrs. Howard Salisbury of

Big Spring; Mr. and Mrs. Benny Gibbs of San Angelo; Mr. and Mrs. Bruce Mabry of Odessa; Mr. and Mrs. Steve Castle of San Angelo; and Mr. and Mrs. Doyle Fuller of Brownfield.

Mr. and Mrs. Jim Ned Gragg last week visited her father, Homer P. Allen of Lawton, who was in an Abilene hospital.

Undefeated Abernathy needed its last-second miracle to keep its streak alive and the Antelopes used the smile from fate to score a 61-62 overtime victory over Tulia.

Kent Snodgrass sank a six-foot jumper with time running out after taking a court-length pass to knot the game at 60 in regulation. Snodgrass and Ray Martin each hit a bucket for the Antelopes in the extra session and Larry Hawthorne sank one for Tulia.

Abernathy is now 21-0 overall and 3-0 in loop play. The Hornets dipped to 19-4 and 1-2.

Snodgrass paced Abernathy with 18 points and Dick Rodgers added 13, with Ray Martin scoring 12. Jerry Thiel scored 19 for Tulia, Larry and Willie Hawthorne 13 and Mark Dovel 10.

The Tulia feds routed Abernathy 68-33, with Denise Payne hitting 24. Katrina Allen knocked 14 for Abernathy. The Abernathy B boys won 35-32.

NAZARENE M. S. IN MEET HERE

The Nazarene Missionary Society had their monthly meeting Jan. 17. Violet Patterson, the president, opened the meeting by giving "Accent on Action" which was very timely.

Weldon Patterson sang a solo, using a song on missions which was well done.

There are five requirements we have to meet to be a star Society. We have met two, but are lacking some on three, which we hope to meet by assembly time.

Our prayer requests this month are for Brazil, Argentina, Christian literature, young people for preachers and teachers and for a permanent church building in Capitol City.

Special prayer was had for our own president and leaders. Monthly emphasis is "Revival World Wide." Results of revivals give "new visions."

Billie Jean Spruiell gave a most interesting lesson on Italy. Italy is the first European country our denomination has carried the Gospel to. We now have several churches, but need workers.

BEESON YOUTH RETURNS HOME

Bill Beeson, 17, son of Mr. and Mrs. C. B. Beeson, was returned to his home here Saturday from Hendricks Memorial Hospital, Abilene. He had been a patient in that hospital since Dec. 28, when he was injured while on a bird hunting trip near Novice, Texas.

He lost part of his liver, part of his right lung and some ribs on the right side in the accident.

Actually, it was a freak accident in which he was injured. He was carrying shotgun shells in a hunting jacket. When he raised the automatic shotgun to shoot at birds, the butt of the gun kicked against the hunting jacket, causing a faulty shell in the jacket to discharge. Discharge from the faulty shell caused about three other shells in the jacket to explode, with the full impact of the exploding shells hitting him in the area of his liver, lungs and ribs. When Bill realized what had happened he began trying to throw the shotgun away, knowing another shell would be fired by the automatic. As he shoved the gun away by the butt, it turned in such a way that his right hand was hit and badly damaged by the second shell fired by the automatic.
