

Fair Ends Saturday on 'Note' of Success

Former Haskell C-C Manager

Killed In Wreck

His many friends in the Haskell area were saddened late Monday when they learned of the death of Luther W. Walker, 39, of Pauls Valley, Okla., who was killed in a car-truck accident near Sherman.

He was manager of the Haskell Chamber of Commerce in 1965-66, and was manager of the Pauls Valley Chamber of Commerce from 1969 until September 1, 1971.

Mr. Walker was completing plans to move to Tyler, and it is believed that he was either enroute or returning from Tyler at the time of the accident. He had accepted the position of C-C manager and trainer at Tyler.

Funeral services were held at 9:30 a. m. Wednesday from the First Baptist Church in Pauls Valley with the pastor, Rev. Gerald Peters, officiating.

Rattler Killed At John Darnell Home

Rattlesnakes have invaded Haskell! Children, and grown-ups, too, should be on the watchout for them.

John Darnell phoned the Free Press last Friday to report that he killed a small rattler at his home, 1503 N. 5th, at about 10:00 p. m. Thursday. The reptile was about three feet long and had four rattles.

John said the snake was apparently disturbed by a cat, and his rattle could be heard from inside the house.

Pharmacists Hold Meeting In Munday

Mr. and Mrs. Doyle High and Jack Pippin, all of Haskell, were among area pharmacists who attended a second area meeting last Sunday at the Chamber of Commerce assembly room in Munday. The meeting was in protest of the Vendor Drug Program as it affects the pharmaceutical group.

It was decided at this meeting to discontinue participation in the Vendor Drug Program if no changes are made in the program by the Texas Pharmaceutical Assn., and the Texas Department of Public Welfare.

These two groups are scheduled to meet on October 10 to discuss recommendations for changes in the program.

Objections the pharmacists have to the program is the amount of book work involved. Pharmacists in the meeting agreed to continue in the program until the October 10 meeting.

Lt. Gov. Barnes Visits Fair

"I hope to see a great growth of small towns in Texas in the near future," said Lt. Governor Ben Barnes Friday afternoon during a reception in his honor at Haskell, National Bank's Community Room. The Lt. Governor and his wife, along with State Senator David Ratliff of Stamford and State Rep. Renal Rosson of Snyder, were greeted by some 75-100 Haskell residents before they toured the Haskell County Fair Grounds.

The Lt. Governor's plane was met by Democratic Committeewoman Mrs. Robert W. Herren and other city and county officials, and a car cavalcade led by Sheriff Garth Garrett went

immediately to the reception. When questioned as to his ideas for helping the small towns in their efforts for industry and growth, Barnes mentioned two thoughts... one was state-supported schools to train the unemployed for jobs in industrial plants in towns of 25,000 or less population. The other was in the state giving a 5-year period of deferment for the payment of franchise taxes for small industries who locate in smaller towns. He also expressed ideas of making it mandatory that able-bodied people on welfare be required to train in these schools and work, with their children being

cared for in Day Care centers. When asked about the new safety laws for farm vehicles, Barnes replied that he felt the bill went through the Senate much too quickly, and felt it would be changed to a more practical one. "I am happy to be in such a proud, progressive town and hope to be here often," said Barnes in ending his visit. "Now, we want to go out and take a look at your County Fair." And they did. Mr. and Mrs. Ben Herren toured Lt. Gov. Barnes and his wife through the Fair Grounds after the reception.

Indians Outscore Bucks, 27 To 13

The Haskell Indians racked up their third straight win Friday night at Breckenridge by defeating the Buckaroos 27-13. What everyone thought would be a very close game turned out a little one-sided in favor of the Indians.

It looked as though the Indians were going to be outclassed in the first quarter, as the Bucks took the opening kickoff on their own 20-yard line. The Bucks controlled the ball a little over 9 minutes in the first period. Picking up 5 first downs and moving the ball down to the Indian 6 yard line, they lost it when Bobby Cobb intercepted a Buck pass in the end zone.

The Indians could not move the ball against the Buckaroos and after picking up 7 yards, Frank Jirek, on a fourth down punt, kicked it for 65 yards, putting the Bucks back on their own 15.

The Indians came to life in the second period. The Bucks were forced to punt out the first play of this period.

It took the Indians 2:45 seconds in the second period to get on the score board. Jackie Young and Jirek took turns carrying the ball to cover 52 yards in 6 plays. The TD came on a Young run around left end from 10 yards out. Jim Bob Mickler's kick after was good, putting the Indians ahead 7-0.

Winners In Local Punt, Pass And Kick Contest Here Are Announced

Winners in the annual "Punt, Pass and Kick" contest, sponsored locally by Bill Wilson Motor Co., in a national event sponsored by Ford Motor Co., were announced last Saturday by local sponsors.

The contest drew a large number of entries from boys, ages 8 through 13 years of age. Boys competed only in their age groups.

Scoring was based on accuracy and range, with one point

added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Twelve national finalists will compete for the national championships in their age groups during the half-time game of the Sugar Bowl football game in New Orleans on January 16, 1972.

Winners in the local contest, as announced by J. B. Ginson, manager of the local Ford dealership, are as follows: Eight year old: Adam White, Knox City, 1st; Ronny Roark, Munday, 2nd; Larry Webb, Knox City, 3rd. Nine year old: Rusty Roark, Munday, 1st; Michael Bruce King, Haskell, 2nd; James E. Cloud, Rule, 3rd. Ten year old: Jimmy Rushing, Knox City, 1st; Mark Wallace, Haskell, 2nd; Jimmy Flye, Knox City, 3rd. Eleven year old: David Anderson, Knox City, 1st; Tommy Magnus, Knox City, 2nd; Mike Hosea, Munday, 3rd. Twelve year old: Derryl Way, Howard, Rochester, 1st; Troy Lewis, Knox City, 2nd; Jerry Tomlinson, Rule, 3rd. Thirteen year old: Billy Reynolds, Knox City, 1st; Tony Don Lee, Rule, 2nd; Eddie Brass, Rule, 3rd.

Regional tryouts will be held at Rose Park in Abilene on Saturday, October 9, at 10 a. m., it was announced.

Indians ball. With 7 minutes left, the Indians traveled 68 yards in 13 plays for their second score. Jirek over the middle with 2:10 left in the quarter, tallied up another 6, but the kick-after was blocked. On the kickoff, David Dodson recovered a Breck fumble on the 34. Young picked up the 34 yards in two carries, the last around left end for 20 yards and his second TD. Jirek's run for extra points failed.

One second was left in the first half when Cobb intercepted another Buck pass on the 31, but time ran out before the Indians could score.

Score at halftime was Indians 12-Bucks 7. The third quarter was a defensive battle on both sides. Haskell handled the ball 16 times for a total of 32 yards and the Bucks 15 times for 36 yards, moving the ball down to the 3 yard line.

On the first play of the 4th period, Pitzer went over for his second TD. Phillip Josselot blocked the PAT. 7:25 remained in the game when Cobb did

a spinning job from 9 yards out for another Indian TD. Cobb also ran for the extra points. This ended the scoring for the game. Young led the rushing attack with 123 yards, followed close behind by Jirek with 113, and Cobb added 47.

Hardy Webb led the Bucks with 86 yards. Jirek did a very fine job filling in at the fullback position for Bill Cox, who was injured in practice.

The entire Indian defensive team did a tremendous job during every minute of the game, but a few of the standouts included Forrest Mayfield, Dodson, Rickie Phemister, Mickler, Bob Shea, Josselot and Charles Erwin.

The Indians will take on the Olney team here Friday night. We'll see you there. Let's back the Indians all the way, and attend the Booster Club meetings on Monday nights at 7:00 (Continued on Page 2, Sec. 1)

It Just Keeps On Raining ...!

The Haskell area continues to "be blessed" with moisture, since only a few days of drying sunshine comes between the rains!

From reports in the Dallas, Fort Worth, Wichita Falls areas, this immediate section was less favored with precipitation during the weekend. But it was sufficient to give citizens a rather damp weekend.

According to Sam Herren, local weather observer, Haskell's rainfall came on two dates: October 3, when 31 of an inch fell and on October 4, when the gauges measured 1.19 —making a total of 1.41 inches. Precipitation for other areas in the county was reported in the following amounts:

Rule	.80 to 1.00
Mattson	3.00
Weinert	.25 to .50
Rochester	.60
O'Brien	1.00
Paint Creek	1.30
Sagerton	1.50

THE FLOWER SHOW—Fantastically beautiful exhibits filled every corner of both exhibits buildings at the County Fair and record crowds attended all three nights.

Linda Ann Riley And Dusty Knight Marry September 25th In Austin

Miss Linda Ann Riley and Dusty Knight were united in marriage on Saturday, September 25, 1971, at four o'clock in the afternoon, in the Faith United Methodist Church in Austin, Texas.

Parents of the bride are Mr. and Mrs. Richard Riley of Haskell, and the bridegroom's parents are Mr. and Mrs. Hubert Knight of Austin.

Rev. Paul Grout officiated in the double-ring ceremony. Organist was Mrs. Thicia George of Austin. Soloist was Mrs. Larry Riley of Andrews, sister-in-law of the bride, who sang "One Hand, One Heart."

Maid of honor was Miss Sharon McCorn of Austin. The bridesmaids were Miss Patsy Pierce, and the bridegroom's sister, Miss Honey Knight of Austin. Shannon Riley, niece of the bride, was flower girl. Patrick Riley, nephew of the bride, was ringbearer.

Serving as best man was the bridegroom's brother, Bob Knight of Austin.

Presented in marriage by father, the bride wore a white satin gown with empire waistline, long puffed sleeves, high neckline and circular chapel train trimmed with Alencon lace. Her headdress was a crown of white daisy lace with a camelot veil of illusion.

The bride carried a cascade of white chrysanthemums and English ivy. For good luck, she had a genuine six-pence in her shoe.

Her attendants wore empire gowns of harvest gold crepe, trimmed with avocado green satin ribbon. Headpieces were of harvest gold net with avocado satin trim of handmade roses. They carried bronze and gold chrysanthemums with straw flowers.

Immediately following the ceremony, the reception was held in the Fellowship Hall of Faith United Methodist Church.

The rehearsal dinner, hosted by the bridegroom's parents, was in their home, 3002 Rae Dell, in Austin.

The bride is a graduate of Haskell High School, attended the Texas Stenographic Institute in Abilene, and is a secre-

tary for the State Board of Control. The bridegroom, a graduate of Travis High School, is a senior at Southwest Texas State University in San Marcos. He served four years in the U. S. Navy, and is employed by the State Comptroller's Department.

Following a wedding trip to San Antonio, the couple has established residence at 2801 Skyway Circle in Austin.

Organ Club Has Social Meeting Monday, Oct. 1st

"He who hath not music in his soul is fit for treason, stratagem and spoil." "Wherever there is music, there is harmony."

Mrs. Morrell Dick, president of the Organ Club, was hostess for a social meeting on Monday, October 4, at 7:30 p. m., and presided over the business meeting.

Mrs. V. M. Meadors, secretary, read the minutes and introduced plans for the new year. Martha Meadors, program chairman, presented the members their new yearbooks which she had prepared for the club.

Mrs. Henry Withers had charge of the program, which was a theme for fall music. She remarked that fall always made her think of the beginning of school, patriotism and thanksgiving—time for all good things.

With Mrs. Withers at the organ, Mrs. David Brockus led the group in singing "America, The Beautiful," and "The Eyes of Texas." Mrs. Withers then played two numbers in a lilting strain.

"The Last Rose of Summer" was enjoyed with Mrs. Dick as organist. Martha Meadors presented two renditions, "The Autumnal Beauty" and "Try to Remember."

"Indian Summer" and "Autumn Leaves" were played by Mrs. J. F. Cadenhead Sr. Mrs. David Brockus presented "September in the Rain," "Exodus" and "The Pumpkin Song" was

National Business Women's Week To Be Observed October 10 to 16

National Business Women's Week, initiated by business and professional women in 1928, is a period to spotlight the role of the working women in the economic, civic, cultural and business life of the community and nation.

This tribute to the working woman, which is traditionally the third full week in October, is being observed this year during the week of October 10 to 16. Theme of this year's study is "Era of Responsibility"—Phase II of "You in '71."

The Haskell Business and Professional Women's Club has planned activities for the week, carrying out the theme of "Becoming Prepared Women Through Participation."

First of the events opening the observance of Business and Professional Women's Week will be a breakfast at 7:30 a. m. Sunday, October 10, at Feller's Restaurant. Placing emphasis on "becoming prepared women" is their quote for this program: "All the flowers of all the tomorrows are in the seeds of today."—Kelso.

Following the breakfast, Mrs. Carl Rastetter will lead the devotional, and the program on "Civic Participation" is by Ozelle Frierson, chairman. Hostess for the meeting is Mrs. Dora Montgomery, public relations chairman.

Enrich Our Efforts as Business and Professional Women. The Haskell Home Demonstration Club met in the home of Mrs. J. I. Trussell on Tuesday, Sept. 28, with Mrs. Adell Thomas, president, presiding.

Josset H. D. Club Meets With Mrs. J. I. Trussell

The Josset Home Demonstration Club met in the home of Mrs. J. I. Trussell on Tuesday, Sept. 28, with Mrs. Adell Thomas, president, presiding.

Roll call was answered to "How I would like to decorate the bathroom." Barbara Elliott, County Home Demonstration Agent, gave a very impressive demonstration on bathroom decor. She had several color arrangements, samples of floor tile, wallboards, carpets, and pictures of bathroom fixtures. Plans were made for the food booth at the Fair. Officers

Farmers Union To Hold Annual Meeting Oct. 12

The annual meeting of the Haskell County Farmers Union will be held in Haskell at Feller's Restaurant on Tuesday, October 12, at 7:30 p. m., according to President Willard Mullins.

This meeting is held for the purpose of surveying the years achievements and to elect officers and directors for the ensuing year and electing delegates to the Texas Farmers Union State Convention to be held in San Antonio in early December. Policy resolutions will be considered for adoption and submitted to the state program drafting committee as recommendations for state policy.

The guest speaker for the annual occasion will be Mr. Kenneth Moss of Lubbock, Texas. Mr. Moss is Director of Organization for the Texas Farmers Union. He is a very entertaining speaker as many who have heard him will attest. Also appearing on the program will be Miss Joan Caddell of Weinert who will share with us pictures and bits of information about her recent trip to Washington, D. C.

County President Willard Mullins, Haskell, will serve as chairman at the annual meeting. Other county officers are: Vice-President, Hollis Callaway, Haskell; Secretary-Treasurer, Mrs. Ray Perry, Paint Creek. Current board of directors are: H. K. Henry, Herbert Fischer and Lee Brown, Haskell; Ray Perry, Paint Creek; Wallace Allison, Rule; Dan Wadzeck, Rochester; Allen Davis, Old Glory; Tiffen Mayfield, J. C. Dunnam and Eddie Sanders, Weinert.

ATTEND CONVENTION

Mrs. Lois Redwine, president of the Haskell B&PW Club, and Christene Greene, treasurer, at-

were elected for the coming year.

Ten members plan to make the trip to the State Fair in Dallas on Oct. 12, by chartered bus.

Refreshments were served to the following members: Mmes. J. P. Perrin, Paul Cothron, Mildred Robertson, Carl Bailey, J. L. Tolliver Sr., Adell Thomas, Cecil Bowers, and one new member, Flo Holder.

Deadline Nears On Donations To Hospital Chapel

Only about ten days remain for receiving contributions toward financing a non-denominational chapel at the entrance to Haskell's soon-to-be remodeled Memorial Hospital. Since the chapel was not included in original remodeling plans, Alfred Turnbow, administrator, stated the costs must be met through donations of interested people.

As pointed out last week, the 200-square foot chapel, provid-

ing a room 11½x13 feet, would cost around \$7,000 and furnishings should be around \$2,000. Many interested people, including the clergymen of local churches, are working toward raising the funds. Mr. Turnbow stated that through action of the hospital board, if the entire amount is not raised, then contributions must be refunded to the original donors.

Will the hospital have this chapel? If you think it should be erected, the time for action is now—before October 18th!

SPORTS

Will Cliff Campbell Be Playing Today?

Texas Tech coaches hit the recruiting roads last year with looks of determination on their faces. They returned several months later wearing grins of satisfaction.

One reason: Clifford Campbell of Haskell's Indians had been recruited.

Tech's recruiting year had been good, but in the hills of Arkansas, Razorback coaches felt they may have landed the best crop of schoolboy footballers. Which school came out better?

The answer may be supplied in Lubbock today, Thursday, October 7, when the freshman teams of the two schools collide in the fifth annual Shrine Bowl football game. This night performance is expected to attract 30,000 fans.

Will Cliff Campbell be playing? Tickets, at \$2.50 and \$1.00 for adults and students, are on sale at the Tech ticket office and at the gate before game time tonight.

Area Baptists To Meet With Goree Church October 12

The 66th annual session of the Haskell-Knox Baptist Association will be held on Tuesday, October 12, at the First Baptist Church in Goree, announced Rev. H. B. Graves, Jr., pastor of the First Baptist Church in Munday and vice-moderator of the association. The meeting will be in two sessions, at 3:30 p. m. and at 7:00 p. m.

The afternoon session will be mostly business recognizing church messengers, adopting an order of business, electing officers for 1971-72, and reports of committees. It will end with the annual sermon by R. D. Williams, pastor of East Side Baptist Church in Haskell.

The evening session will feature Robert Dixon, executive secretary of Texas Baptist Men, who will speak on "Living the Spirit of Christ in State Missions."

Rev. Don Chaffin, pastor of First Baptist Church in Seymour, will bring the closing message.

Relatives Visit Mrs. May Larned Here Recently

Mrs. May Larned, resident of Haskell's Clear View Lodge, was made happy on several occasions recently by the visits of her children and other relatives.

A daughter, Mrs. Raymond Kreger of Black Springs, Ark., and her husband spent several days with Mrs. Larned; then a son, Bud (Willie) Larned and his wife of Brownfield arrived. It was a happy reunion for Bud and Mrs. Kreger, as the brother and sister had not seen each other in about nine years.

Mr. and Mrs. Jack Larned and son of San Antonio, Joe Arlos Larned of Bradley, Fla., and Tommy A. Larned and family of Mulberry, Fla., all visited their mother in recent weeks. They also visited other relatives in Haskell.

Three DWI Cases In County Court

Three persons charged with driving while intoxicated appeared in Judge B. O. Robertson's County Court last Monday. They were meted out punishment, as follows:

Albert Davis, \$50 fine, \$44 court costs, and probated jail sentence.

Feliciano Santacruz Ambriz, \$50 fine, \$44 court costs, and probated jail sentence.

Jesus Ramoz, \$50 fine, \$44 court costs and probated jail sentence.

National 4-H Club Week, October 3-9

The week of October 3-9 is National 4-H Club Week. This year's theme is "4-H Bridges the Gap."

There are nearly three million members enrolled in the 4-H programs through organized clubs, special interest groups and 4-H television series. More than a million other youths receive educational assistance from 4-H, bringing total participation to 4 million.

Latest figures show there are more than 92,500 4-H clubs in the United States and Puerto Rico, and there are 85 countries throughout the world which conduct 4-H-type programs.

Special Session Commissioners Court, Sept. 29

A special session of the Commissioners Court of Haskell County was held on Tuesday, September 29, at which time the following matters were dispensed with:

Minutes of the September 13 meeting were approved, as were all bills presented to this body at this time.

A motion carried to approve tax cancellation on non-taxable property on various lots in Haskell County.

The court announced that the courthouse will be closed Monday, October 25, in observance of Veteran's Day.

Motion carried to approve and adopt the budget for Haskell County for the year of 1972.

HERE FROM ARKANSAS

Mr. and Mrs. Raymond Kreger of Black Springs, Arkansas, spent last weekend with her mother, Mrs. May Larned, of Leisure Lodge. A son, Willis Larned, and wife of Brownfield also visited Mrs. Larned, and they all visited other relatives here.

Three Marriage Licenses Issued

Only three marriage licenses were issued by Mrs. Lee McKelvin, county clerk, during the month of September. They were to the following applicants:

Rickie Lynn Peters and Leslie Janay Tibbets, both of Rochester.

Tommy Lee Matthews and Nancy Irene Fields, both of Haskell.

David Michael Puschel of Stamford and Linda Nell Webster of Haskell.

Haskell County History

60 YEARS AGO (September 17, 1911)

The first motion picture ever made in Haskell County will be shown at the Texas Theatre on Monday and Tuesday of next week. This picture was made about six years ago and shown at the local theatre at that time... but the management has decided to use the one reel as a special attraction again. The picture includes the pioneers of this section, many of whom have passed away; local club officers and members; school activities; the tri-county teachers institute in session; and many other activities of six years ago.

Dr. S. Gaines Post of Harvard University left Wednesday to resume his work as instructor at Harvard after spending the summer here with his parents, Mr. and Mrs. H. S. Post.

Mr. and Mrs. J. B. Post and daughter, Wynona Francis, spent last weekend in Marshall visiting Mr. and Mrs. J. A. Stephens. They visited at Longview and Dallas before returning home.

Henry Townsend of Rule was transacting business in Haskell, Wednesday.

Miss Eleanor Foote left for Austin, Sunday, where she will attend the University of Texas.

Joe and Frank Bryant and R. P. Chamberlain left for Austin last Friday. Frank will attend high school there and Joe and R. P. will enter the State University.

The old Haskell Theatre will be reopened for the fall season on Friday and Saturday of next week. The management is having the building thoroughly renovated and will open with a good western picture.

S. M. Davis of Rule was a visitor in Haskell, Wednesday. With the object of discovering, if possible, better native pecans, J. H. Burnett, chief of pecan work in the department of agriculture, has announced he will award prizes totaling \$35 for the best native variety sent in to the department this fall.

Mrs. Clyde Foote and children have moved to Denton for the school term. Charles and Edith will attend the State Teacher's College and Dorothy will attend high school.

60 YEARS AGO (October 7, 1911)

Mr. P. P. Quattlebaum called at our office Monday. He stated he has 65 acres of cotton and he thinks it will make 20 bales. He said that some of it was good and probably will make a half bale. He reports that some cotton will not make much in his vicinity. He has 70 acres of maize the best he has ever had, and has 17 acres of cane that is fine.

Mr. W. H. Parsons has returned from a visit to Dallas and other points.

Earle Odell came in on Sunday's train from a visit to Eastland.

Tim Barlow has returned from a trip to Oklahoma and other points.

Mr. W. A. Ernest of Rule was here Thursday on the way home from Munday.

Mrs. A. M. Latham arrived from Bowie, Thursday, to join her husband in this city who will have charge of the demonstration farm work provided by the government. The demonstration farm is going to be worth millions to our farmers and we want to see the people make it pleasant for Mr. and Mrs. Latham.

Mrs. J. T. Barlow left Wednesday night for a visit to relatives and friends in Temple. Mr. Barlow accompanied her as far as Stamford.

Miss Lucy Hill has accepted a position with I. P. Carr Dry Goods Company.

On last Sunday evening at 5:30 o'clock, Mr. Tom Baker and Miss Alma Adams were married at the Baptist parsonage in this city. Rev. O. W. Dean officiated.

Mr. J. G. Reichle went to Abilene Wednesday night to visit a relative.

Mr. I. P. Carr spent the week at Goree where he has established a dry goods company. Mrs. Carr joined him at Goree, Thursday.

Messrs. J. M. Blakemore and son, Mr. Frank Blakemore, shipped to H. Kemper & Co. at Galveston, five bales of cotton.

Messrs. T. G. Williams, J. F. Yates and J. W. McNeely made a business trip to Merkel, Tuesday.

Prices Steady On All Classes At Auction Sale

An active market with steady prices on all classes of cattle was experienced at Saturday's sale at Haskell's Livestock Auction. There was a good buyer demand on a run of about 1,035 head of cattle and 362 hogs, according to the firm's market reporter, Fred Dalby.

Dalby said that six steers weighing a total of 2,230 pounds were sold by Dick Carson of Stamford for 42.80 per cwt. The Stonewall County rancher also sold eight steers that weighed 3,950 pounds at 39.10 cwt.

Bill Wilson, of Snyder, sold a 635 lb. heifer for 30.10 cwt., and James Reed, of Rochester, sold a 420 lb. bull at 38.60.

PROCLAMATION For National Business Women's Week

WHEREAS working women constitute 26 million of the Nation's working force, and are constantly striving to serve their communities, their states and their nation in civic and cultural programs, and

WHEREAS major goals of business and professional women are to help create better conditions for business women through the study of social, educational, economic and political problems; to help them be of greater service to their community; to further friendship with women throughout the world, and

WHEREAS all of us are proud of their leadership in these many fields of endeavor; Now, therefore, I, H. V. Woodard, Mayor of the City of Haskell, by the authority vested in me, do hereby proclaim October 10 to October 16 as NATIONAL BUSINESS WOMEN'S WEEK sponsored by the National Federation of Business and Professional Women's Clubs, Inc., and urge all citizens in Haskell, all civic and fraternal groups, all educational associations, all news media and other community organizations to join in this salute to working women by encouraging and promoting the celebration of the achievements of all business and professional women as they contribute daily to our economic, civic and cultural purposes.

By H. V. Woodard. Date: October 6, 1971.

Cofield's Dept. Store Announces Anniversary Sale

Twenty-five years is a long, long time—but that's how long Mrs. Hardin Cofield, owner of Cofield's Department Store, has been serving people of this area.

The store is now observing its 25th anniversary, and in celebration of this event, Mrs. Cofield is offering some reduced prices on quality merchandise—the price range being from 20 per cent off to half-price on many items.

Mrs. Cofield purchased the store from Faye Thompson in 1946, and operated it on the west side of the square for four years. It was located on the southeast corner of the square, and on the north side, before being moved to its present location, on the southwest corner in 1966.

The store owner and her entire personnel invite the public to visit them during their 25th anniversary sale.

SOFT DRINK BOTTLE DRIVE BEGINS OCT. 9TH

The local chapter, Young Homemakers of Texas, Billie McKeever, president, has announced that the soft drink bottle drive will be held on Saturday, October 9, and again on Saturday, October 16.

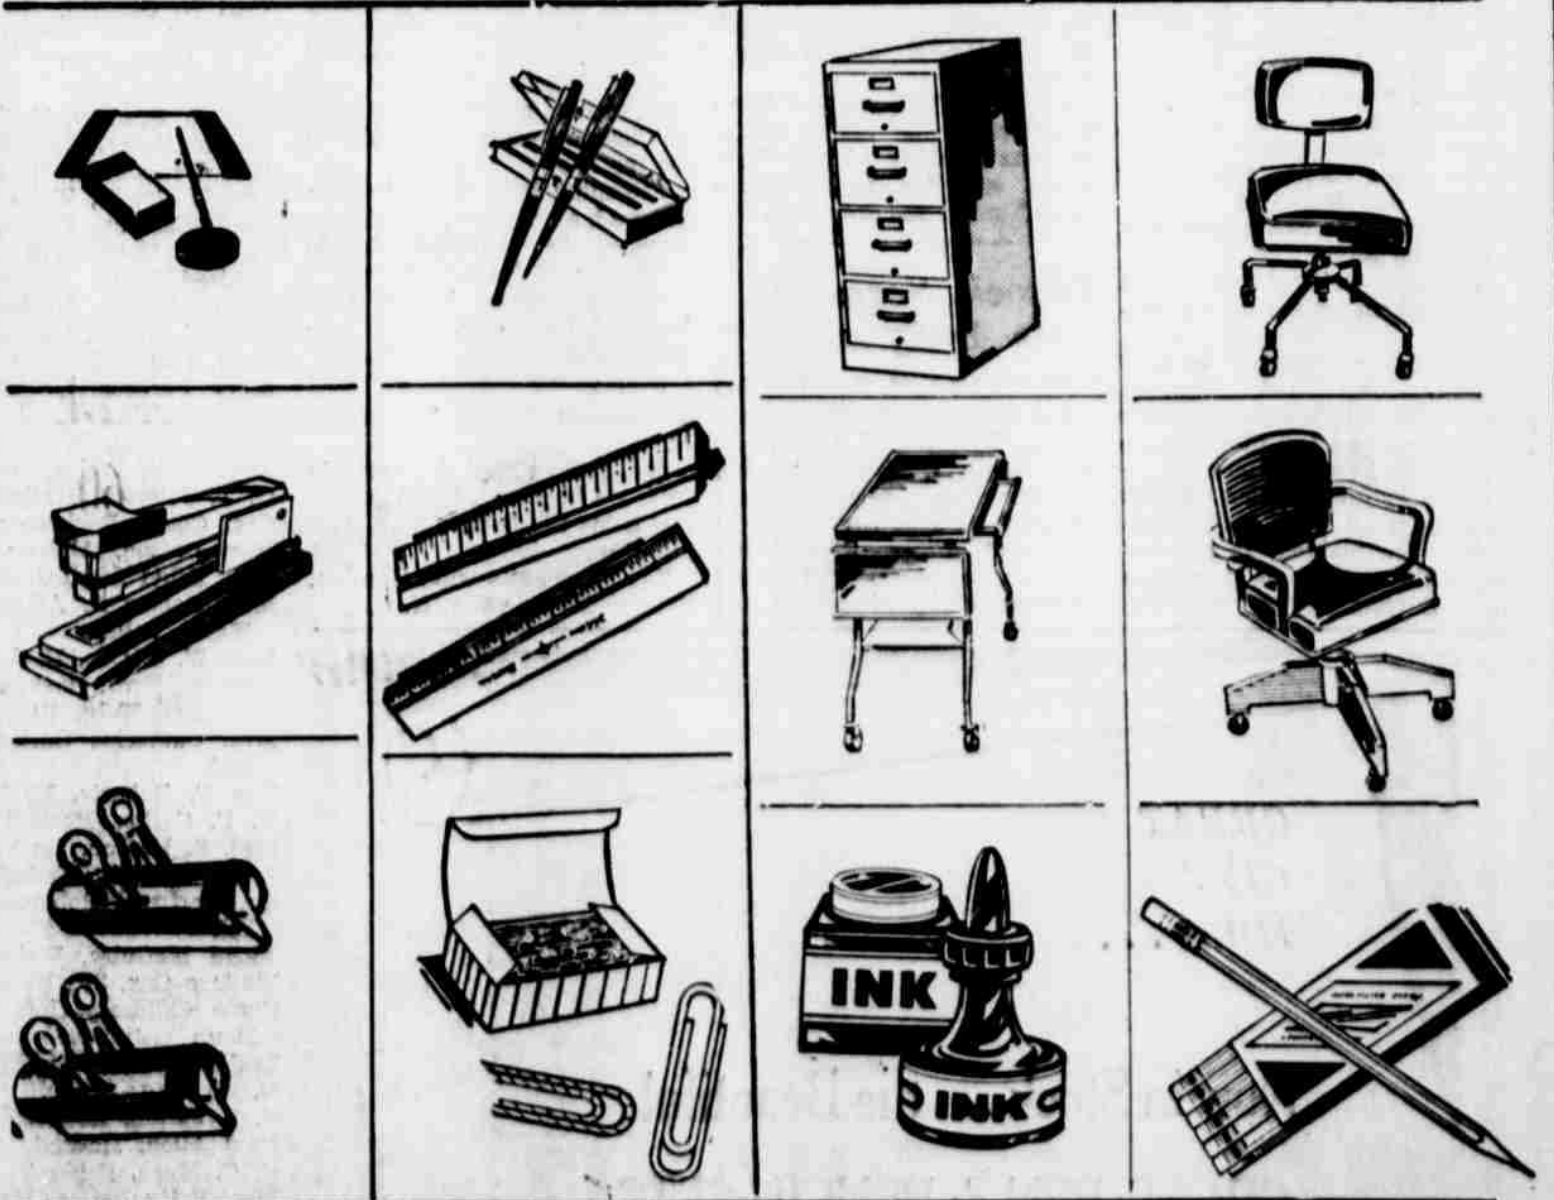

Proceeds from the drive will go to benefit West Texas Rehabilitation Center. Your cooperation will be appreciated.

Plants May Be Used To Prevent Wave Damage To Lake Shorelines

How many times have you seen wind-swept waves splash against the edge of your favorite lake, steadily eroding the shoreline?

Or watched the wave action slowly gouge away the sod of an earthen dam?

Probably too often, especially if the dam or lake has a long surface area facing the prevailing wind.

One way to stop this damage is with expensive riprap. But Soil Conservation Service plant scientists are hoping they can find plants that will do the same job under most conditions—and with far less cost.

Clyde W. Graham of Temple, state conservationist for SCS, says several water tolerant grasses and shrubs appear to have promise for helping reduce wave action damage. SCS constantly searches for superior plants that will help solve a wide variety of conservation problems.

"For cutting shoreline erosion, we are looking for plants that will do a better job than bermudagrass," Graham says. "Common reedgrass, giantreed, switchgrass, and indigobush are some of the plants that have shown up best so far."

Graham explained that bermudagrass will usually protect a shoreline or dam unless the surface fetch is too long. The problem is aggravated if a long fetch faces north, northwest, or south.

"After analyzing wave action damage on upstream watershed lakes in Texas, we decided that you can expect damage any time the fetch exceeds one-half mile to the north or northwest. Longer fetches to the south also cause trouble."

SCS, in cooperation with the state's 190 local soil and water conservation districts, is trying to find combinations of water-loving plants with strong root systems which can hold against constant pounding from wind-blown waves. Since availability of trial planting stock is a problem, SCS workers first have had to dig up most of the promising plants, then transplant them at the SCS plant materials center at Knox City. Here, along with hundreds of other plants, they are propagated and grown for increase. The center is the focal point of the SCS search for superior conservation plants.

Plants with shoreline protection values may also help stabilize eroding streambanks. Conservation leaders hope plants which prove superior for those purposes will eventually be grown commercially by seed producers for sale to the public.

"Right now, however, we need to learn more about plants which will prevent wave erosion under a variety of conditions," Graham stressed. "Further studies will have to be made to determine the best combinations of plants. We are also just beginning to learn something about proper planting patterns."

Graham said that the first shoreline evaluation plantings were made in 1969 and so far have been done largely by hand. He hopes easier and faster methods can be developed in the future.

Here are traits of some of the plants which appear most promising:

Common reedgrass. Spreads rapidly from thick rhizomes (underground shoots). Canes grow 10-12 feet tall in one year, die back in the winter. Produces very few seed but spreads quickly when 8 to 15-inch rhizomes are planted. Is relished by cattle so it needs protection from grazing.

Giantreed. Often called Georgia cane. A tall, coarse perennial commonly planted for erosion control. Short rhizomes at the base form a woody mass highly resistant to erosion. Appears most valuable as a back-up plant for use with other species on lakes or dams where the surface elevation fluctuates widely.

Switchgrass. Spreads from short rhizomes to form a dense sod of tough fibrous roots forming a hard mass at the soil surface. It is readily established from seed which gives it a distinct advantage over plants which have to be transplanted. Highly relished by livestock, it needs protection from grazing.

Indigobush. An attractive native shrub which has both beautification and erosion control values. Good seed producer. Often grows 12-15 feet high. Sprouts freely from the base to form a thicket or shrub-like barrier. It is not rhizomatous, so erosion protection is dependent upon surface root development. Competes well with grass sod and apparently is not eaten readily by livestock.

Graham said several other plants are also being evaluated but little is known as yet about their long term value. Some of these include buttonbush, giant cutgrass, witchcane, maiden-cane, and bar willow, and African cockspear.

Haskell Boy Is Fraternity Officer

Patrick H. Pace, son of Mr. and Mrs. Lynn Pace, Jr., 1201 N. Avenue H, Haskell, has been elected vice-president of Delta Tau Alpha, national honor fraternity for agriculture majors, and vice-president of Aggie Club at Abilene Christian College.

Pace, a 1968 graduate of Haskell High School, is a senior agriculture major at ACC.

Area Farm Ponds Being Re-stocked With Fish Species

Recent rains have filled farm ponds in Haskell county, thus bringing on a rash of fish orders from Dundee State Fish Hatchery and the Bureau of Sport Fisheries and Wildlife hatcheries.

The Federal fish hatchery truck from Uvalde, Texas, stopped in Haskell last week to deliver fish previously ordered. This delivery included Bluegill and Channel Catfish. Bass will be delivered in the spring.

"Catfish orders not filled at this time will be delayed until next fall because of a backlog of orders," says Jimmy Boykin of the Soil Conservation Service in Haskell.

Those receiving fish at this time were Frank Ashley, Lynn Carlton, Joe Clark, R. R. Clark, Paul Fischer, Clarence Goebel, W. O. Ratliff and Leonard Weise.

The Soil Conservation Service, Haskell, is taking orders for first stocking of new farm ponds and for ponds which meet Bureau requirements.

Just What Is A Newspaper?

A newspaper is many things to many people.

To some, it is a reality, a living textbook that records each passing day of world history; to others, it is escape—a refuge of entertainment and relaxation after the day's chores.

To the housewife, it is ideas for new menus and new clothes and sensible buying.

To the mother, suggestions for raising the youngsters.

To the teacher, a homework assignment on current events; to school children, a notebook item.

To the lonely diner, a companion; around the family supper table, a topic of conversation.

To sports and theater lovers, who and what is playing, when and where.

To athletes and actors, scrapbook material.

To an unknown, it brings fame; to a well-known, it furthers his name.

To the publicity seeker, it is a haven; to the publicity shy, a source of annoyance.

To the seller, it means a quick response; to the buyers, many selections.

To some, it brings good news; to others, sad tidings.

To friends and neighbors, it tells about promotions, school achievements and who got married, who was born, who died.

To the voter, it is guidance; to a politician, friend or foe.

To opinion searchers, it stimulates thought.

To front porch sitters, it describes life beyond the horizon.

To the immigrant, it is a schoolbook that helps him learn English; to hunters of truth, it translates the customs from which the immigrant fled.

To the living, it is a source of freedom and hope; for the dead, a tribute to their virtues.

Major Attraction At Haskell Fair

The mobile Cancer Unit, furnished by The American Cancer Society, was a major attraction at the Haskell County Fair, Sept. 30 through Oct. 2. An increasing number of Fair visitors picked up the brochures from pockets along the side of the film being shown.

Local beauty and barber shops will have brochures for distribution to their customers. One local druggist requested some for distribution to his customers.

This interest displayed by business people indicates success of the cancer program in Haskell County.

Hairdressers Of Area In Abilene For Beauty Show

A number of ladies from the Haskell area attended a beauty show in Abilene on Sunday, October 5, which was sponsored by Watts Beauty Supply. A representative of Bruno's School in Canada were guest artists for the show.

Attending from Haskell were: Martha Toliver, Christine Greene, Jo Turnbow, Robbie Roberts and Karen Clement.

Representatives from Rule included Lee May, Nell Ashbrook and Frances Davis.

WTU's 17th Annual Women's Conference Slated In Abilene

Women, Watts and Wits is the theme of the 17th annual Women's Conference of West Texas Utilities to be held in Abilene, October 11, with a pre-conference dinner scheduled for 7:00 p. m. October 10, at WTU Lytle Shores Auditorium. The announcement was made by Mary Joe Craig, Chairman of the Planning Committee.

Registration of guests begins at 9:00 a. m. Monday at the Abilene Civic Center where the workshop sessions will continue until 3:30 p. m. One hundred, eighty-five women have pre-registered for the conference to date.

Climax of the conference will be a dinner-theatre party at Abilene Community Theatre Children's Theatre. President Roff Hardy will deliver the president's message, and members of ACT will present the play, "Wait Until Dark," under the direction of Rosalie Robinson. Dinner music will be by Rufus Edmondson at the organ.

Operating on the theory that learning can be fun, the women will get their first lesson in better service at the Sunday night dinner with the presentation of a fun skit, "See Your Boss View of You." Cast of characters are Bill Tedder, Richard Petree, G. C. Osborne and Dale Hoff of the Abilene offices.

Nancy Saunders will welcome the guests and Linda Welch will award the prizes.

First speaker for the Monday meeting will be WTU Vice President, Durwood Chalker. His talk is titled, "It's a Dirty Old World?" Other speakers for the day are Annett Duncan of Stamford, Effie Johnson of Crowell, Bobby Eckert of McCamey, Margaret Holder of Spur, Bobby Mayfield, Albany, Margie Rowland, Throckmorton, Jerry Beth Brokaw, San

Angelo and Leota Ledbetter, Debra Neilson, LaVerne Grace, Donna Laster, Emma Barnard, Scottie Howeth, Dorothy Harper and Janice Smith, all of Abilene.

Special guests will be Gladys Casner of Southwestern Bell Telephone, and Joel Wilson from the WTU Public Service Department.

Purpose of the Conference is two fold, says co-chairman Mary Wilkerson of Abilene. It is designed to keep the women employees informed about company work and services, and to bring the women into the home offices so they will not lose touch with each other and the progress within the company.

Sue Pate and Pat Sammons from the local WTU office will attend.

Nat'l. Newspaper Week Observed October 10 to 16

The week of October 10-16 is National Newspaper Week. This is the one time during the year when the more than 9,000 weekly and daily newspapers of the nation join hands, as a group and make a concerted effort to promote a better understanding of newspapers and the vital role they play in preserving the great American way of life, which we cherish.

Newspaper Week was instituted nationally in 1940, and is sponsored annually by Newspaper Association Managers, Inc., a nationwide organization of regional, state and national press association managers.

"Newspapers—Growing with America" is the theme for this year's observance.

Newspaper Week is one of the more significant of the many special weeks observed in this country. It is one which seemingly at first glance is important to only one kind of business, but actually it is of major importance to every citizen.

This week is not primarily set aside for newspapers to indulge in self-praise, but it is a time to remind readers of the fact that growth in this free nation goes hand in hand with growth in its free press.

Wars have been fought to gain and preserve our independence. So, too, is battle waged by the newspapers of our country to defend and guard the freedoms and rights of a free people. This is a never-ending fight, quiet at times, at other times loud—but always on behalf of the American people.

Newspapers are a vital part of the American economy, purchasing many millions of dollars of materials each year and offering, through advertising, opportunities for businessmen to increase their revenue and for buyers to use their money to the best advantage.

It was Eugene Fitch Ware who said: "No town can hope prosperity and trade, unless the press shall vigorously aid."

Special Service Slated At First Christian Church

This Sunday evening, October 10, at 7:00, the First Christian Church of Haskell will sponsor a special program presented by Dallas Christian College. Eleven students, directed by Marion Conover, will present a program of music and testimonies. Mr. Conover is the head of the music department at the college.

Dallas Christian College, established in 1950, is a four-year college designed for the training of ministers, missionaries, youth directors, and other church workers. It has had a 40% increase in student enrollment since the 1970 term.

The students from DCC, as well as the youth of the church, will be served supper at 5:30 p. m. in the church fellowship hall. The public is cordially invited to attend the 7:00 p. m. service.

4-H CLUB WEEK IN TEXAS
Gov. Preston Smith has proclaimed the week of October 3-9 as "4-H Club Week in Texas." The proclamation was issued in conjunction with National 4-H Club Week and the theme, "4-H Bridges the Gap." According to Gov. Smith, "This year's theme expresses the thrust of today's 4-H program as it helps prepare young people to become better citizens in our changing world." Four-H is a part of the educational program of the Texas Agricultural Extension Service of Texas A&M University. There are some 78,000 4-H Club members and 14,000 volunteer leaders in Texas.

County Clerk's Office Collects \$1,550 In Fees

A total of \$1,550.75 in fees were collected by the office of County Clerk of Haskell County for September, according to a statement released last week by Mrs. Lee McKelvin. This was about \$200 less than the amount collected during the same month of 1970.

Fee collections were listed as follows: Recording fees, \$615.25; chattel mortgage fees, \$120.00; marriage license fees, \$15.00; civil court fees, all office copies, \$46.50; criminal court fees, \$91.25; probate court fees, \$29.00.

Miscellaneous fees: cattle brands, \$190.00; fees collected by county judge, county attorney and sheriff, \$178.75; fines collected, \$260.00; law library fee, \$5.00.

LETTERS TO THE EDITOR

Enclosed you'll find \$6.50 check for Mrs. R. L. Dendy's paper. Since she is a shut-in, can only be up in a wheel chair, about the most happiness she has is her cards and letters and the Haskell Free Press.

She keeps up with her friends that way. A few of her old friends still remember to send cards and letters. Just wish to thank Mrs. John Tubbs, Mrs. Maud Welsh, Mr. and Mrs. Andy Stocks and Mr. and Mrs. Tom Rhoads. May God bless them all.

One other thing: Mr. Hill Oates used to send her the big calendar from the drug store. She doesn't see too well, and can read it from the wall. Since Mr. Oates isn't with the drug store any more, Mr. E. A. Baty has mailed her one every year. They lived near us on the farm. She forgets, and will say: "I know Hill put me one back, and Baty will see that I get it."

She goes out and sits in the yard when it is not too cold. Some days she can sit up for five hours.

Her two older sisters, Mrs. Marshall West of San Angelo, and Willie Barber of California came to see her.

She has a lot of friends here, but they don't take the place of her old ones from Haskell. If any of her old friends from home see this and have time for a note or card, she would be happy to hear from them, as she lives in the past a lot.

Thanking you, I am, Jackie Dendy Bass, LVN Odessa, Texas

Despite Prolonged Drought Rainfall Above Normal

People of the Haskell area won't soon be forgetting the prolonged dry spell right in the midst of crop-growing days, when it seemed it would have to rain within an hour if crops were to be productive this year.

In spite of those days and months of concern, records now show that rainfall for the Haskell area has gone above normal for the entire year. And "normal" means that a lot of rain has fallen in the past two months.

Records of Sam Herren, local weather observer for 30 years, show that rainfall for 1971 now totals 23.31 inches, as of October 1. Normal up to this

R-PEP Annual Conference To Be In Munday

The annual conference of the Rolling Plains Economic Program (R-PEP) will be October 15 in the high school auditorium at Munday.

A speaker will be Cong. Graham Purcell of Wichita Falls, who will explain current legislation vitally affecting agriculture and rural development.

The fourth conference begins at 1:30 p. m., with Joe Antilley, Abilene rancher and R-PEP chairman, presiding.

Another speaker will be James A. Wilson of Amarillo, supervisor of the Texas Water Quality Board, who will discuss what Rolling Plains farmers and ranchers should know about pollution and pollution regulations.

The group will also elect new R-PEP officers and study the use of task forces for strengthening the production of various R-PEP commodities, such as beef cattle, small grains, forages and wildlife.

Cancer Center Needs Old Sheets

The Haskell County Cancer Center is in need of old sheets, workers reported Friday. If you cannot bring them in, call one of the workers and someone will pick them up.

Workers during September included Mmes. John Thomas, Alice Mayes, Jim Dean, Jim Darden, R. R. Overton, Howard Montgomery, J. B. Edwards, H. Russell, Ira Davis, Pauline Stiewert, George Klose, Howard Parker, Frank McCurley, Pearl Homesly and Pearl Mask.

A meeting of the center is held each Thursday from 2:00 to 4:00 p. m., in the northwest room on the third floor of the courthouse.

Plant Food Can Boost Pastures

For optimum growth of high-quality winter pastures, use adequate amounts of plant food, says Dr. Neal Pratt, agronomist with the Texas Agricultural Extension Service.

Grass for winter grazing should be grown during the fall months. As winter approaches, days become shorter, cloud cover increases and temperatures decline. All these factors make growing conditions for

winter forage less favorable. To make most effective use of warm, sunny fall days, adequate plant food should be available to help stimulate a healthy root system, encourage drought resistance and, most of all, help provide grazing for livestock.

A soil test is the best way to determine amounts of fertilizers needed, point out Pratt. A good portion of plant nutrients should be applied before seed are planted. In most areas of the state, this means about 60 pounds of nitrogen plus phosphorus, potash, lime and other nutrients. In the eastern and Gulf Coast areas, 80 to 100 pounds of nitrogen can be effectively used to stimulate early fall growth.

Additional nitrogen should be applied during late winter and spring to prolong the grazing season, says the agronomist. County agricultural agents have specific information on small grain pastures for their particular county. The publication, "Keys to Profitable Winter Annual Forage Production," also offers additional information. Ask your county agent for a copy. adds Pratt.

Worth, following a sudden illness.

Funeral services were held from the First Baptist Church in Haskell at 2 p. m. Monday, with Rev. H. G. Hammer, retired Baptist minister, and Rev. H. O. Abbott, pastor of the First United Methodist Church, officiating. Burial was in Willow Cemetery in Haskell, with Holden-McCauley Funeral Home in charge of arrangements. Serving as pallbearers were Gene Wells, Norman and Bud Nanny, Morris Haynes, W. C. Scheets and Gentry Middleton. Mr. Medford was born March 3, 1897, in Comanche County. He was a retired truck driver. Survivors are his wife, Lola, of Fort Worth; two sons, E. Medford of Fort Worth and Henry E. Jr., of New Mexico; one daughter, Mrs. Bonnie Nix of Fort Worth; two stepsons, Elmer F. Garnand of Houston and C. W. Collins of Arlington; one stepdaughter, Mrs. Billie Mills of Arlington; three brothers, Carl, Thurman and Leslie Medford, all of Haskell; two sisters, Mrs. Lillie Davis of Lubbock and Mrs. Ivy Bell of Taft; seven grandchildren, and three great-grandchildren; eight step-grandchildren.

Geo. Edwin Lott

George Edwin Lott, 59, former resident of Haskell County, passed away at 5:25 p. m. Tuesday, September 28, in a Littlefield hospital. Funeral services were held at 10:00 a. m. Thursday from the First Baptist Church in Whitharral with the pastor, Rev. Clarence Tedder, and Rev. Wayne Williams of Lubbock officiating. Burial was in Rule Cemetery at 4:00 p. m. Thursday. A native of Hill County, Mr. Lott lived in Haskell County for a number of years. He married Oleta Leggett at Haskell on November 28, 1935. They moved to Whitharral from Rochester in 1951. Survivors are his wife; one son, Jimmy, of Levelland; one daughter, Mrs. Kay Lynn Pair of Leland, Miss.; one brother, Austin of Kermit; two sisters, Mrs. Carmen Baker of Hico and Mrs. Corene Edwards of Austin; four grandchildren.

Pennie Sadler

Funeral services for Mrs. Pennie Sadler, 64, of Rochester are scheduled for 1 p. m. Friday from the Boykin Funeral Chapel in Waco. Burial will follow in Bosqueville Cemetery. Mrs. Sadler passed away at 1 a. m. Sunday at her home after suffering an apparent stroke. She was born in Bosqueville, and had lived in Rochester for about 20 years, after moving to Haskell County from Waco. Surviving her are one son, Claudis Mills of Waco, and one sister, Mrs. Dorothy L. Shelton, also of Waco.

Mrs. Jessie Davis

Mrs. Charles O. (Jessie) Davis, 78, passed away at 12:15 a. m. Friday in her home in Rule, following a long period of illness. Funeral services were held at 3:00 p. m. Saturday from the First Baptist Church in Rule, with the pastor, Rev. Leonard Malone, officiating. Burial was in the Rule cemetery under direction of Pinkard Funeral Home. Mrs. Davis was born September 14, 1893, in Bosque County, and moved to Haskell County with her family in 1904 and lived in the Center Point community, southeast of Rule. She graduated from high school in Rule in 1911. She received her degree in education from state college at San Marcos and taught school at Tanner Paint community south of Rule for two years. She married Charles O. Davis May 3, 1914, in Rule, where they had made their home since. An active member of the First Baptist Church since 1910, she taught a Sunday School class for 30 years. She was a life member of the Philadelphia Club and was serving as president when the clubhouse was built in 1951. Survivors are her husband; two sons, Don W. and Dick, both of Rule; one daughter, Mrs. L. W. Jones of Rule; three grandsons, three granddaughters and one great-grandson; two sisters, Mrs. C. E. Ellis of Abilene and Mrs. Jeff Davis of Houston.

Ever complain about your current gas bill? What if it ran as high as \$275,000 a month? That's what the bill was for September out at the Paint Creek Power Plant. Here's another startling fact: WTU's gas bill is more than \$12,000 per day! Members of the Haskell Lions Club learned these interesting details, and a whole batch of other stuff, last Tuesday when they held their regular weekly noon luncheon meeting at the power plant. They ate sumptuously on basket lunches composed of chicken, potatoes, salad and pecan pie, prepared for "taking out" by Felker's Restaurant. Drinks were furnished at the plant. C. O. Holt, plant superintendent, held a brief question and answer period—and he was ready with an answer every time. One of the four units was being overhauled, and Holt said each needed a complete overhaul from four to six years of operation. He said they preached "safety" all the time. With a total

LOOSE STACKED HAY Stacking loose hay requires less labor, but the hay may be less marketable and have certain feeding limitations, says Dr. Neal Pratt, Extension agronomist. Inexperience in handling may also result in considerable losses. Loose stacking of hay should be considered if annual hay production is 300 tons or more.

The group was then turned loose to visit various portions of the power plant, from the basement to the upper story

(by elevator). The group marveled at such a gigantic operation, but most of them returned to their jobs in Haskell more confused than educated! President Bud Pogue opened the meeting, with the invocation being given by Lion Troy Colpepper. In the absence of a piano and pianist, it was decided to dispense with the singing rather than sing a capella!

CONSERVATION VIEW POINTS

J. C. YEARY, JR.

District Conservationist

With the fields dry enough to work, we have all been busy. V. P. Terrell completed a system of level terraces this week to fulfill the planned activities of his Great Plains Conserva-

tion Program contract. He has also developed a revision of his plan of operations for this farm. Technical assistance in planning was also furnished to F. S. "Bill" Cockerell of Rochester. Bill purchased a part of the Clyde Farrar farm west of Rochester. Oscar Lewis of Haskell and G. C. Brockett of Weinert developed a conservation plan on the land they own and operate north of Weinert.

Jimmy Boykin is busy revising plans on farms of M. E. "Gene" Overton, Thurman Bynum and Clinton Kimbrough. Ernest Cowger has assisted Albert Thane, Raymond Astin, and Billy Middlebrook to revise their conservation plans. GPCP contracts on Overton, Kimbrough and Middlebrook are due to expire December 31. These producers have fulfilled the planned activities of their contracts.

Astin is constructing a small system of parallel terraces with Leon Hargrove doing the work. Astin and Hargrove are both from Stamford. Garvin Foote is constructing parallel terraces on his father's farm northwest of Haskell. Brister and SoRelle are doing the work. Technical assistance in designing these two systems was furnished by

the staff at the Haskell Work Unit.

Something new came across my desk this week — Environmental Thrust. These environmental insults threaten us all: Land Abuse and Misuse, Chemical Abuse, Population Distribution, Resource Depletion, Noise, Waste Disposal, Air Pollution, Water Pollution, Rural and Urban Blight, and Technological Abuse. Opportunities for a better environment challenge each of us.

Look for "Environmental Thrust—Citizens projects for a better America" next week.

Then along came football season, and we'd notice an Indian in one of the front page corners. We learned that this old Chief made his appearance there every time the Haskell Indians won a ball game, and do a sort of victory dance.

You have but to glance at the Free Press, without unfolding it, to tell if it's rained a half-inch or more—and if the Indians won or lost. And from the capers the Indians and the weatherman have pulled the past few weeks, we would put in our vote for more dancing Indians and bigger and blacker umbrellas!

Why is Ammo-Phos so good for wheat? Partly because it dissolves so quickly. All of it. So your plants get faster feeding. And partly because each pellet of Ammo-Phos contains the same amounts of nitrogen, phosphorus and potash. Not separate granules of each

chemically combined equally in each pellet. In the so you order.

One thing is that Ammo-Phos contains sulfur, getting hard to find. The exclusive process Olin used to make Ammo-Phos Fertilizers not only combines the plant foods. It also puts the found in raw materials into the finished product. Ammo-Phos is good for wheat because the pellets are in size. They distribute evenly, without clog-

ged distribution means even This stimulates growth and e earlier maturity. n grow more wheat by using Phos, made only by Olin. For e details come see us today. We're g:n:

SAGERTON NEWS

MRS. DELBERT LEFEVRE

Sagerton re- a time like this. It must be terrible to live in a city where neighbors are not there to help and sometimes do not know each other.

Mr. and Mrs. Barney Ross went to Lawton, Okla., Monday of last week for the funeral of Mr. Ross' uncle, Mr. John Perkins.

Guests in the home of Mr. and Mrs. Leo Monse, Sr., last weekend were: Mrs. Larry Howle and children, Jill and Jeffrey from Bingar, Okla.

Peggy Clark and her roommate, Verlyn Doering, students at Concordia College in Austin, spent the weekend with Mr. and Mrs. Joe Clark. Other guests on Sunday were: Mr. and Mrs. Ray Clark of Abilene, Mrs. Emma Raphael of Stamford, and Mr. and Mrs. Leon Stegemoeller, Calvin, Clyde, Clifford and Carl.

Mrs. Elvin Mathis was honored with a bridal shower Saturday afternoon in the home of Mrs. John Clark. In the receiving line were: the bride, her mother-in-law, Mrs. Annie Mathis of Sagerton, and her grandmother, Mrs. Coe of Rule. Mrs. Allen Meiers greeted the guests.

Yellow and white were used throughout the house in floral decorations. The refreshment table was covered with white lace with yellow satin streamers from a centerpiece of yellow flowers. Crystal and silver appointments were used. Mrs. Billie Wendeborn and Mrs. Luther Meiers served cake squares and punch. Other hostesses were: Mrs. S. F. Turner and Mrs. Ken Wolsch of Rochester, Mrs. Leo Monse, Mrs. Cotton Bell, Mrs. Frankie Campbell, Mrs. Cliff Gholson, Mrs. Hilda Neuman, Mrs. Beno Erdman and Kathy, and Mrs. John Clark and Mrs. Charles Clark.

Pastor and Mrs. Joseph Aalbeue of Faith Lutheran Church attended the West Texas Conference of Lutheran Churches in El Paso over the weekend. Laymen conducted the morning services at Faith Lutheran Sunday. Next Sunday will be Laymen's Day at the Sagerton United Methodist Church. The speaker has not been announced.

ONLY MAN TO CARE
... about the well-being and future of family and friends, community and country. Cooperatives are human-made up of people who, together, can do what one person cannot do alone. There are big co-ops and little ones; marketing, purchasing and service co-ops. Co-ops that ship high quality foodstuffs all over the world, co-ops that provide rural areas with electric power and telephone service, co-ops that furnish health care, credit, insurance, consumer goods and housing. All it takes to get a co-op going is a common need and a united determination to meet it. Cooperatives look outward, too; they're involved in community development, improving the environment, broadening the base of opportunity for young and old. Because cooperatives are human; they're people - who care.

NATIONAL NEWSPAPER WEEK OCTOBER 10-16-
American Newspapers
National Newspaper Week is much more meaningful in the United States than it would be in any other country, because nowhere else in the world is freedom of the press as well established or as jealously guarded as it is here. It is not by accident that a free society depends upon a free press and vice versa. The two are inseparable. In fulfilling their responsibilities as honest chroniclers of the news, American newspapers perform a more important service than informing the public about affairs of politics, commerce and human failures and accomplishments, vital though these efforts are. The free press stands as a roadblock between the unorganized individual citizen and organized society which threatens to swallow him in its excesses. Let a voice of honest dissent arise, and the newspaper is there to record it. Let bureaucracy try, in a thousand devious ways, to put something over on an unsuspecting public and the newspaper is there to expose it. Let a national cancer reach the dangerous stage, and newspapers serve as meeting grounds for arguments seeking a course of action. Let a major calamity strike a part of the people, and the newspaper leads in lending a helping hand. It is not easy—at times, it is most difficult—to act faithfully as an adviser to so many masters and yet be subservient to none. The American exercise of the right of a free press is not perfect, but the fact it is the best there is was not achieved easily. Freedom of the press is not the exclusive property of the newspapers. It belongs to each citizen and can endure only so long as he recognizes and practices his part in the whole scheme of things. National Newspaper Week is not so much a time for celebration as a time for renewed dedication to the essential principles for which this and every American newspaper exists. Regardless of how difficult the problems of an era may be, so long as the free press exists and prospers a primary tool for their solution remains in the hands of the people.—Ft. Collins, Colo., Coloradoan.

Beautyrest by Simmons
It gives every part of your body a good night's rest.
Seven Reasons Why Beautyrest Is Your Best Buy:
1. More people sleep on Beautyrest than any other mattress.
2. Beautyrest coils act separately to support hips, shoulders and firmly support your back.
3. Exclusive Beautyrest cover treated with Scotchgard fabric protector.
4. Beautyrest has non-allergenic, space-age Simflex® cushioning.
5. Exclusive double-stitched, sag-proof border.
6. Guaranteed 15 years, if defective within 3 years, free replacement. Thereafter, annual proportionate use charge.
7. Sleepers choice of a model... in choice of regular and super sizes.
To keep your curves in the right places, you've got to keep your spine straight—even while you sleep. For that you need a Beautyrest mattress. The Beautyrest has separate coils, so while some of them yield to your hips and shoulders, others provide support for the small of your back. Your spine stays straight while you stay curvy. And, because it custom-shapes itself to your very own figure, you'll find the Beautyrest is firm, but not hard; comfortable, but not mushy. You get all the restful, refreshing sleep you need to stay beautiful, Beautiful. So keep your shape standing up. Take a Beautyrest lying down.
For normal firmness, sleep on a Beautyrest Supreme; or take the Back Care Beautyrest for extra-firm support. Both are Scotchgard® treated to resist spots and stains for years.
