HASKELL, TEXAS 79521, THURSDAY, AUGUST 31, 1972

NUMBER THIRTY-FIVE

Haskell County Pioneer Dies

Funeral services for a Haskell County pioneer, Marvin M. Cobb, 87, were held August 24, in the First Baptist Church in Haskell with the Rev. Troy Culpepper, Rev. Bob Griffith, pastor, Morning Side Baptist Church in Levelland, and Rev. James Townsend, pastor, First Baptist Church in Paint Creek, officiating.

Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home. Mr. Cobb died August 22, in the Rice Springs Care Home where he had lived for two months.

Born July 2, 1885, he came to Haskell County five years later with his parents, the late Mr. and Mrs. G. H. Cobb. The family moved from Gonzalez County and settled in the Cobb community where they were engaged in ranching. Mr. Cobb began ranch work at an early age for the Reynolds Cattle Company and later was manager of the Proctor Ranch for 20 years. He bought land in the southeast part of the county and ranched there until ill health forced his retirement a few months ago. He was president of the Texas Cowboy Reunion in 1970-71.

Mr. Cobb married Lilly Newcomb December 12, 1906, at the Wolf Creek ranch house located in the southeast part of Haskell County. She preceded him in death on July 31, 1965.

He was a member of the First Baptist Church in Paint Creek and was a Deacon in the Baptist Church for about 60 years.

Survivors are: one son, Glenn Cobb of Haskell; one daughter, Mrs. Burl Bunkley of Leuders; one brother, W. V. Cobb of Haskell; two sisters, Mrs. B. O. Baker and Mrs. C. C. Middleton, both of Haskell; three grandchildren; 5 great-grandchildren; and 1 great-great-grandchild.

Pallbearers were: Gentry Middleton, S. G. Cobb, Clifton Cobb, Jay Newcomb, Doyle Newcomb and Bill Chandler.

LABOR DAY

Most Haskell businesses will be closed September 4, in observance of Labor Day. The Free Press will remain open due to the nearness of publication day.

Cattlemen's Roundup Slated September 25

The Cattlemen's Roundup for Crippled Children, sponsored for many years by the people of the Big Country area, will again be held in three phases, to help support the West Texas Rehabilitation Center in Abilene.

The cattle sale is set for Sept. 25 at 1 p. m. at Ranchers and Farmers Auction in Abilene. The Horse Sale will be held at Abilene Auction, October 7 at 1 p. m.; and the Sheep and Goat Sale, held at Coleman Livestock Auction, is set for October 9 at 1 p. m.

James Powell and Pete Burkhalter, owners of Haskell Livestock Auction, are area chairmen for Haskell. They ask anyone wishing to donate an animal for the auction, to call or contact them. They will pick it up and sell it or haul it to Abilene Saturday, Leon Newton of Haskell donated a billy goat that brought a total of \$187.50 at auction, to start things off. Any donation for the auction will be sincerely appreciated.

Scrimmage Set In C-City Friday

The Indians travel to Colorado City tomorrow night to meet a strong AAA team in the second scrimmage of the season. The scrimmage which starts at 7:30 promises to be a hard fought battle and should get everyone in the football spirit.

Last Friday the Indians scrimmaged a tough team from Cohoma and according to Head Coach, Tommy McAdams, "made a lot of mistakes." "The mistakes came mostly from failure to read Cahoma's offensive set and not carrying out blocking assignments," McAdams said. There were no mistakes that cannot be corrected and the team looked a little better the last two series of plays.

McAdams said the team is well balanced and has good potential at almost all positions but a lack of depth could prove

to be costly in the event of injuries.

The Indians managed one score during the last series of plays and contained the Cahoma offense better near the end of the scrimmage.

With only about 20 players on the team some will have to play both offense and defense. Experienced talent from returning lettermen and several promising players have given the coaching staff hope for a good season.

DPS Expects 48 Deaths

Approximately 48 persons are expected to die on Texas streets and highways over the Labor Day weekend, according to estimates by the Texas Department of Public Safety.

The DPS will conduct Operation Motorcade from 6:00 p. m. Friday through midnight September 4. This will be one of four 78-hour holiday periods that will be critical for all motorists.

For the twelfth consecutive year the Haskell Jaycees will participate in the Texas Jaycees sponsored Labor Day Rest Stop. Main purpose of the rest stop will be to provide tired motorists rest and refreshments in an effort to avoid the predicted 48 deaths on Texas highways.

The rest stop will be open Friday and Saturday nights from 8:00 p. m. until 6:00 p. m. and Monday from 8:00 p. m. until midnight. Soft drinks, coffee and cookies will be served to an expected 150 persons from about ten states.

Program chairman Wayne Young, has things well under way and expects another successful rest stop this year. Major C. W. Bell, DPS Region 5 Commander, said that all available uniformed patrolmen will be put into action for maximum enforcement of traffic laws. Major Bell said, "Each driver should drive defensively at all times." Major Bell suggested that each individual practice driving friendly—the Texas way!

Collision Results In Fatality

A car-truck collision two miles south of Rochester on Texas Highway 283 August 23, resulted in the death of Oleta Lois (Sissy) Allcock, 18, of Rochester. The accident occurred at 3:00 p. m. and Miss Allcock died at 4:20 in Haskell Memorial Hospital from head injuries received in the accident.

According to Texas Highway Patrolmen Jim Barrett and Leslie Cheyne, both of Throckmorton, who investigated the accident, both vehicles were traveling north when Miss Allcock, driver of the car, attempted a left turn into the private

driveway of her home. The collision occurred as Raymond Dale Sewell, of Lubbock, driver of the truck, attempted to pass Miss Allcock. Both the bobtail truck and the car were extensively damaged.

Funeral services for Miss Allcock were held August 25, in the First Baptist Church in Rochester with the Rev. E. E. Pitts, pastor, and the Rev. Floyd V. Bailey, pastor of the Four Square Church in Knox City, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Born April 25, 1954, in Fort Knox, Ky., she was a waitress at the Haskell Steak House.

Survivors include: mother, Mrs. Jeane Snow of Rochester; father, Harvey Allcock of Fort Worth; one brother, Harvey Allcock Jr., of Abilene; two sisters, Shelia Jeane and Teresa of the home; maternal grandmother, Mrs. Velma Hatfield of Rochester; paternal grandmother, Mrs. Josie Allcock of Fort Worth. She was preceded in death by one brother, Terry Dean Allcock.

Pallbearers were: L. W. Cook, Guy Cook, Kent Richardson, Darrell Strickland, Jay Strickland and Charles Robertson.

164 Attend First Textile Seminar

164 civic leaders from 59 Texas towns attended a seminar in Sweetwater last Thursday to learn more about getting a textile industry to their own. The seminar, first in a series, was sponsored by the West Texas Chamber of Commerce, Texas Industrial Com-

mission, and the Sweetwater Chamber of Commerce.

Attending from Haskell were: Bob Philpot, Loraine Johnson, Bill Comedy, George Fouts, Rex Felker, Abe Turner, and Dr. T. W. Williams.

Presiding over the long seminar was Harry Clark, vice president of the First National Bank of Midland and chairman of the Industrial Development Committee.

The seminar consisted of several industry speakers, group discussions, and several films. Repeatedly brought out by the speakers as a major selling point of West Texas is the abundance of natural resources. Panel leaders also pointed out that the enthusiasm of business leaders in the community is a valuable asset in attracting industry.

Among things listed by the panel leaders as musts to have any kind of industry locate in West Texas are: good people to work, day's work for a day's pay, honesty, patriotism and religion. Civic leaders must sell the town and convince industry of the town's ability to make a profit.

County Enrollment Down 34 Students

Public school enrollment in Haskell County, 1,650, is down 34 students from the 1,684 registered during the first week of school last year. Only two schools did not show a drop in enrollment, Haskell Independent School District, with 791, and Rochester ISD with 218. Both Haskell and Rochester had the same number of students register for the last two years.

Weinert Rural School District had a loss of 15 students with a total enrollment of 90 this year and 105 last year. Paint Creek Rural School District had 91 students register this year and 96 last year. Rule Independent School District enrollment was down five students with 325 this year and 330 last year. Carney Independent School District (O'Brien) had an enrollment of 135 students which is 9 students less than the 144 registered one year ago.

Booster Club Has 120 Members

The Indian Booster Club met Monday night and viewed the film of the scrimmage with Cohoma. The coaching staff gave a report on the team and condition of players.

In a short business session members decided to purchase two speakers for the south end of the football field. The coaches have ordered a Hydroculator which is used to treat injuries with wet heat and a wet-dry vacuum cleaner for the field house.

The booster club now has about 120 members and any interested person should contact any member of the club to join.

NEW LANDFILL PROGRAM at the City Dump is now in full swing. The trench, 300 feet long, 30 feet wide, and 10 feet deep, was built so that the City would meet recent State sanitation requirements. A second trench for brush and trees is now complete. The trenches should last from six months to one year.

DEATH NOTICES

Bobby Jack Price ice was the Rev. W. H. Long, of San Antonio, and Dr. Troy Culpepper, pastor, First Baptist Church, Haskell.

Graveside services for Bobby Jack Price, 39, of San Antonio, were held August 23, at Willow Cemetery under the direction of Holden McCauley Funeral Home. Officiating at the service was the Rev. W. H. Long, of San Antonio, and Dr. Troy Culpepper, pastor, First Baptist Church, Haskell.

Mr. Price died August 24, in a San Antonio hospital after suffering an apparent heart attack.

Born September 6, 1932, in Palacios, he was a graduate of Haskell High School and McMurtry College. He was principal of the Eisenhower Middle (junior high) School in San Antonio and had been assistant coach at MacArthur High School. Mr. Price suffered a heart attack in 1968 shortly before he was to become head coach at MacArthur and was transferred to administration. He became junior high school principal this year.

He coached two years at Lincoln Junior High School in Abilene and two years with the junior varsity at Abilene High School.

Survivors are his wife, Mary Beth, a former Haskell resident, one daughter, Julie Beth; one son, John David, both of the home; his mother, Mrs. W. L. Price Sr. of Haskell, two brothers, W. L. Jr., of Corpus Christi and Doyle of New Jersey; three sisters, Mrs. Leon Rosenzweig of New Orleans, Mrs. John H. Reynolds of Bowie and Mrs. H. B. Grayson of Houston.

Pallbearers were: Abe Turner, Bailey Toliver, Buddy Lane, Hoe Bill Fox, Ez Corley, Nat Gleaton, Harold Brinson and Anthony J. Constanzo.

2/LT. JAMES R. PERRY
A&M Graduate

Perry Receives Commission

During recent ceremonies in the Student Senate room of the library on the Texas A&M campus, Cadet James R. Perry was commissioned as a 2/Lt. in the United States Air Force.

Lt. Perry received his Bachelor of Science degree in Animal Science.

While at A&M, Perry was a class officer, yell leader for two terms, staff officer, and executive secretary for the Southwest Conference Athletic Association.

He spent three weeks during the summer of 1971 at Fort Walton Beach, Fla., undergoing cadet flight training and began pilot's training that fall at A&M. He received his private pilot's license in November and continued in this field throughout the school term.

Lt. Perry will report for active duty October 24, at Webb AFB, Big Spring, where he will begin training as a jet pilot.

Before reporting for active duty Perry will visit Colorado, Nebraska, Virginia, New York and Arkansas.

He is the son of Mr. and Mrs. J. R. Perry of Paint Creek. Mr. and Mrs. Perry and daughter, Milia, attended the commissioning ceremony. Mrs. John Gannaway and Julie and Anita Thigpen also attended the ceremony.

Travis Burson of Madrid Spain and Dan Burson of Arlington visited in the homes of Mr. and Mrs. C. E. Tidwell and Mildred Kennemer over the weekend.

Joe Ray Smith

Funeral services for Joe Ray Smith, 41, of Fort Worth, were held August 22, at the Holden-McCauley Funeral Chapel with Dr. Troy Culpepper, pastor of First Baptist Church in Haskell, officiating. Burial was in Willow Cemetery under direction of Holden-McCauley Funeral Home.

Mr. Smith died August 27, in the Veterans Hospital in Dallas where he had been for about two weeks.

Born March 14, 1927, in Sagerton, he served in the U. S. Army during WWII and lived in Fort Worth after his discharge. A member of the Baptist Church, he lived in Haskell from 1935 until he began service in the Army.

Survivors are four sisters, Mrs. Ann Yarbrough and Mrs. King Russell, both of Kilgore; Mrs. Rebecca Cummins of Hurst, and Mrs. Margaret Stanley of Dallas; and one brother, Frank Smith of Hurst.

Pallbearers were: Clifton Cobb, Arthur Watson, Jesse Dean, Gene Campbell, Durward Campbell and Larry Gilliam.

The Center was started with Easter Seal funds 10 years ago by the Texas affiliate of the National Society for Crippled Children and Adults. It still gets help from Easter Seals, as well as from United Fund, but according to Scott, it's the Cattlemen's Round-up that makes this one of the best rehabilitation establishments in the country.

Cindy and Dana Alderman of San Antonio have returned home after spending the summer with their grandparents, Mr. and Mrs. W. B. Guess.

Amendments

(Editor's Note: This is the 4th in a series of articles to be published by the Free Press to give voters an explanation and analysis of amendments to be voted on in the November 7th General Election. Also included will be arguments both for and against the amendments.)

AMENDMENT NO. 4

This proposed amendment to the constitution would add a section to authorize the 63rd Legislature to establish a constitutional revision commission. The commission would report its recommendations to the legislature not later than Nov. 1, 1973. Members of the 63rd legislature would then be convened in January 1974 for the purpose of drafting a new constitution or revising the current constitution for submission to the voters of Texas.

ARGUMENTS

FOR: There is a real need for more workable basic law such as that of the proposed amendment, which would require less periodic revision.

As the legislature has always been entrusted with the function of proposing constitutional changes, the legislative body is the logical choice for responsibility in the preparation of a new or revised constitution.

AGAINST: Constitutional reform cannot and should not be effected through an entirely new document, which is one of the alternatives open to the convention.

Constitutional revision is not a legislative function and should not be delegated as such a constitutional convention should stem from the people and if the State of Texas needs a new constitution or a thorough revision of this basic law, then members of the convention should be elected by the people and subject to them.

AMENDMENT NO. 5

The proposed amendment to the constitution would permit the legislature to grant property tax exemptions to disabled veterans and to their surviving minor children. This proposal is permissive in that it does not itself grant a tax exemption but gives this authority to the legislature should it choose to do so.

ARGUMENTS

FOR: Persons disabled in the military service of the United States deserve to be compensated for their sacrifice, and the tax exemptions proposed by this amendment would be a token appreciation from the people of Texas.

The tax relief which may be granted under the proposed amendment is subject to strict limitations. Only property taxes are affected, and in no case may the value of property exempted exceed \$3,000. Thus any decrease in property tax revenues collected by the taxing authority would be negligible.

The proposed amendment is permissive, leaving the necessary details of administration to be spelled out by the legislature, which could also revoke the exemptions granted should the need arise.

AGAINST: The compensation of disabled veterans is a federal rather than a state responsibility. Generous benefits

are already available to disabled veterans, and the state should not be deprived of income necessary to provide state services to all Texas citizens just to benefit a few. School districts and local governments depend heavily on property taxes for revenue, and granting the tax exemptions proposed to disabled veterans would further dry up the source of income.

Granting tax exemptions to individuals as proposed by this amendment would establish a bad precedent. Adoption of the proposed amendment could be but the beginning of continuing attempts to exempt certain persons or classes of persons from taxation in direct conflict with the intent of "equal and uniform" taxation.

DPS . . .

(Continued from Page 1, Sec. 1 as traffic fatalities involved the unlicensed driver.)

It is the fervent hope of the DPS that Texans, and out of state motorists, will enjoy this American tradition of celebrating the Labor Day weekend in a sensible, safe manner. Let's prove the statisticians wrong by keeping the actual death count way below the estimated 48 lives predicted to be lost. This responsibility is in the hands of those behind the wheel.

Safety Suggestions

Below is a list of rules to drive by, in order to celebrate Labor Day next year.

1. Don't mix gasoline with alcohol.
2. Use seat belts. Your chances of survival in a major accident are five times greater when you are buckled up.
3. Slow down, drive according to the traffic, weather, vehicle condition, and your own physical condition. Lives lost do not make up for the small amount of time you think you save!
4. Obey all traffic laws. They were ordained by Texans to keep the Texas motorist safe and alive for all times!

If this weekend is accident free, then we'll all celebrate Labor Day in '73!

JOE A. CLARK
Flooded Riverbottom

Flooding Caused Bottomland Havoc

Recent flooding on the Double Mountain Fork of the Brazos River in western Haskell County caused severe damage to bottomland pastures.

Joe A. Clark of Sagerton is pictured beside drift that caught on a tree in his Coastal Bermudagrass pasture. Deep sandbar deposits laid down by the flooding waters of the Brazos River, as well as about one inch of silt deposits will require some extensive work to rejuvenate the Bermudagrass as well as native grasses.

Fences, pasture, any other objects not secured were washed away. Several producers river have reported livestock.

Rejuvenation can about by digging and a light fertilize. Deep sand bars will scattered or drain allow Bermudagrass through the deposits. According to J. C. strict Soil Conservation jvention work should just as soon as the dry enough to allow be done. Grazing and frost. Yearly be either discing to a bare minimum the bermudagrass opportunity to make a prior to going down.

Young Women of America

Young Women of America for 1972. The announcement of the Outstanding Young Women of America Program was conceived—and is today guided—by leaders of the nation's major women's organizations. Serving on the program's Board of Directors are the national presidents of women's clubs, headed by Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

In November, the 1972 edition of OUTSTANDING YOUNG WOMEN OF AMERICA will be published. The volume, to be distributed nationally as a reference publication, will include special introductory messages by U. S. Rep. Martha Griffiths

Stenholm Named To Board Of Texas Electric

Charles Stenholm, manager of Stamford Electric Cooperative was elected to the Board of Directors of Texas Electric Cooperatives, Inc., during the state organization's 32nd annual meeting in San Antonio. The Stamford native has served as manager of the electric cooperative since 1969 and before that time he held the position of member service director. He will represent 14 cooperatives in the Rolling Plains and Southwest Texas area on the state board. Following his graduation from Texas Tech in 1962, Stenholm

was a vocational agriculture teacher and executive vice president of the Rolling Plains Cotton Growers Association before joining the Stamford Electric Cooperative staff. He and his wife, Cynthia Ann, have three children.

Country Club Hosts Best Ball Tourney

According to Jim Attaway, Haskell Country Club manager, a 36-hole best ball partnership golf tournament will be held at the club, September 3 and 4. There will be no starting times for the first round of the two-day tournament and starting times for the final round will be announced after first round results are tabulated. An entry fee of \$20 has been set for each team entering the tournament and golf merchandise will be awarded to winners in each flite.

Cummins Reunion Held At Salado

The children, grandchildren, and great-grandchildren of the late Dr. and Mrs. D. L. Cummins gathered at the Stage Coach Inn, Salado, on the weekend of August 18, 19, 20.

Those attending were: Mrs. Artie Bell Berry of Fort Worth and her daughter, Mrs. Anne Patton of Houston; Dr. A. P. Pumphrey and wife, Davie Maude, with their children and grandchildren of Fort Worth; Dr. E. M. Regen and wife, Le Verne, with their children and grandchildren of Nashville, and Dickson, Tenn.; Mrs. Lucy Garno of Harrisburg, Pa.; D. L. Cummins and wife, of Belton and their son, David, and wife of Temple; Martha Meadors of Haskell and Mrs. George Meadors and daughters of Munday.

Besides visiting, entertainment was a barbecue dinner

and a square dance at the home of D. L. Cummins Friday night. The following day, the noon meal was enjoyed at the El Cha Cho Mexican Restaurant in Temple. The evening meal was the family dinner at the Inn. The program consisted of the early family history by Mrs. Cummins which was brought down to date by La Verne Regen. Music was furnished by David Regen and was of a humorous nature, telling of funny events that had happened to the various members in childhood.

Since the family never meets at Christmas, the Sunday meal was a Christmas dinner. After 'good-byes' were said, all were homeward bound except Mrs. Lucy Garno, who came to Haskell to visit her sister, Mrs. Yettie Meadors and family.

23 Participate In Trap Shoot

The Haskell Trap Club hosted 23 shooters August 27, at their regular monthly shoot. Ideal conditions made the competition stiff and scores high.

Winners in the singles event were: Class A—W. E. Wooten of Haskell; Class B—John D. Richardson of Abilene; Class C—Pauline Dodson of Graham. Winner of the handicap event was Brooks Gilbert of Electra who won a shoot-off with Ned Ward of Aspermont after both shot a 92x100. Doubles winners were: Class A, Wooten; Class B, James Dodson of Graham; and Class C, Randy Denson of Stamford who won a shoot-off with Brooks Gilbert. High overall was Wooten with 29x300.

The next scheduled shoot of the Haskell Trap Club will be September 3, with the program consisting of 100 handicap targets. The winner will receive a new Remington model 870 trap gun. Following the handi-

ca will be the annual dove hunt. The dove hunt, held the first weekend in September, is open to any shooter and non-trap shooters are invited to participate. The handicap event will begin at 10:00 a. m. and the dove hunt will be held at 1:00 p. m. Trap shoots are held regularly the last Sunday of each month at the trap field located 1 1/2 miles north of the courthouse.

MRS. STEVE WAYNE SAFFEL
... formerly Mary Lee Alexander

Alexander, Saffel Repeat Vows

Mary Lee Alexander and Steve Wayne Saffel were united in marriage August 25, in the Haskell Church of Christ with the Rev. Bob Connel, minister, officiating.

The bride is the daughter of Mr. and Mrs. Alfred Grand of Haskell and the groom's parents are Mr. and Mrs. Wayne Saffel of Rule.

Given in marriage by her stepfather, the bride wore a decollete gown of ivory silk organza that drifted into a Chapel train appliqued with

embroidered Alencon lace bouquets and garlands centered with clusters of frosted pearls. The cropped sleeves were shaped of hand-tucked organza. A peau de ange pearled lace bandeau hat held her Chapel length English illusion veil.

Matron of honor was Mrs. Charlene Williams, sister of the bride. Pat Nausley and Tammy Peiser were bridesmaids. Dawn Herring was flower girl and Ricky Herring was ring bearer.

The attendants wore empire

styled floor length gowns of polyester crepe with high rounded neckline and puff sleeves. The matron of honor and flower girl wore green. Bridesmaids wore yellow. Each carried a long stemmed yellow rose.

Vance Saffel was best man and ushers were Mike Peel and Dennis Grand.

A reception was held in the Community room of the Haskell National Bank.

The bride is a graduate of Pains Creek High School and Mary Meek School of Nursing. She attended Cisco Junior College.

The groom is a graduate of Rule High School and the Abilene Fire Academy.

Following a wedding trip to Corpus Christi, the couple will live at 1925 Highland, Abilene, where he will be employed by the Abilene Fire Department, and she will be employed by Hendrick Memorial Hospital.

38 HD Members To Participate In Tour

Thirty-eight Haskell County Home Demonstration Club members will be participating in an educational and recreational tour to Dallas on Thursday, August 29, 1972.

The club members and guest will leave Haskell by Charter bus at 5:00 a. m. and have breakfast in Mineral Wells. The tour will visit the restored Millermore Mansion. The mansion is located in the first City Park established in Dallas. The mansion was built of cedar and oaks in 1855.

The group will tour the Biblical Art Center where America's largest original religious paintings of the Miracle of Pentecost is located. The painting took eight years to complete and it is presented with sound and lighting.

The club members will also attend a demonstration on educational recreation items at the Lee Ward Store in Irving.

At the conclusion of the tour, the group will visit the Lion Country Safari.

The tour is sponsored by the Haskell County Home Demonstration Council.

MRS. CHARLES RAY HERREN
... formerly Pamela Dianne Bradshaw

Herren, Bradshaw Wed In Dallas

Pamela Dianne Bradshaw and Charles Ray Herren were united in a double ring ceremony August 26, in Perkins Chapel at Southern Methodist University with the Rev. Pete Robertson officiating.

The bride is the daughter of Mrs. John Woodruff Sr., of Bridgeport and Mr. Ray Edwin Bradshaw of Tyler. Parents of the groom are Mr. and Mrs. Clinton H. Herren Sr., of Haskell.

Given in marriage by her father, the bride wore a gown of white silkened organza. The empire bodice was appliqued with stripings and flowers of white Venise lace. The circlet neckline was petaled with white silkened organza and in-

terspersed with Venise florals. Full blown sleeves were striped with Venise flowers and accented at mid length with 3-dimensional florals and organza petals. A similar trim reappeared on the wrist cuffs. The untrimmed organza skirt was slipper level in front while back fullness formed an attached Chapel length train.

A train length mantilla of imported Chantilly lace and illusion was accented with scattered Venise lace flowers. The headpiece caught to the veil was a silkened organza Cameo lot cap outlined in Venise lace and centered with a silk bow with floral trim.

She carried a cascade of white roses, white pixie carna-

tions, stephanotis, glamelias with white lace ribbon trim, white glamelia lift out corsage.

Mrs. Phil Baird, sister of the bride, was matron of honor. Bridesmaids were Misses Holly Bradshaw, Mary Beth Early, Peggy Weaver, and Nancy Hitchcock. Miss Angela Herren was junior bridesmaid. Attendants wore blue veil styled in an empire A-line silhouette. A deep V formed of white lace insertions and groups of tucks extended from the shoulder to waist both to the back and front of the bodice and was framed in double white lace ruffles. The Victorian collar of blue veil was attached to the top and bottom with narrow Venise edging. A narrow satin ribbon bow appeared at the waist. Slightly blown sleeves came to lace trim, tucked, wrist cuffs framed in a wide lace ruffle. The slipper level skirts were slightly gathered.

Short blue veils caught to Cameo caps of white eyelet threaded with blue satin ribbon accessorized the gowns.

The junior attendant and flower girl wore dresses styled like the bridesmaids.

They all carried bouquets of mixed spring colonial daisies, mini pink carnations, yellow poms, and babies breath with mixed streamers.

Kirk Alan Baird was ring bearer.

Clinton H. Herren Jr., brother of the groom, served as best man. Dr. Robert Herren was groomsmen and ushers were Messrs. Paul McKay, Riley Couch, Tommy Perry, Bob Quinn, Forrest Silva, Bill Ratliff, and Walter Felker.

The Chapel was decorated with spring arrangements of pink glads, yellow and white killian daisies, status and mixed flowers in urns atop columns. Altar decorations included two large fern mounds, aisle carpet, the kneeling bench and a pair of branch candelabra. Pews were marked with white bows.

The reception was held in the Hilton Inn in Dallas.

The bride is a marketing major at North Texas State University and will graduate in December. She is a member of Alpha Phi Sorority, a Theta

Chi Sister, and Theta Chi Sweetheart.

The groom is a 168 graduate of Haskell High School where he was a member of the All State football team. He graduated from North Texas with a degree in marketing and was a member of Theta Chi Fraternity.

Following a wedding trip to Paradise Island, Bahamas, the couple will reside at the Preston Park North Apts., #2056, 12826 Noel Rd., Dallas.

The rehearsal dinner, hosted by the groom's parents, was held in the North Park Inn, in Dallas.

Shower

A baby shower, given for Mrs. Jerry Kreger, was held August 24, 1972, at 8:00 p. m. in the home of Mrs. Danny Josselot.

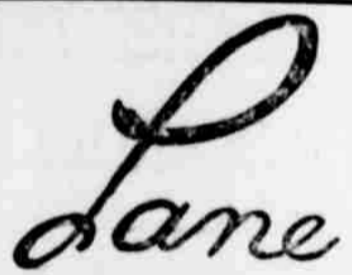

The serving table was covered with a white cloth and the centerpiece was made of colorful baby blocks. Refreshments were served to the attending guests by Muriel Nanny and Vicki Josselot.

Baby games were played and then gifts were presented to the mother-to-be.

Hostesses for the shower were Mrs. Danny Josselot and Mrs. W. O. Nanny.

FOREIGN ASSIGNMENT

Mr. and Mrs. Durwood Miller and Leann, after living in Tehran, Iran, have had an extended visit with Mr. and Mrs. O. M. Matthews. Joyce and Leann have left to join Mr. Miller in Dubai, Trucial States, Saudi Arabia. He is employed by an oil company and the Millers will live there during his foreign assignment.

LEGAL NOTICE

AN ORDINANCE LEVYING A TAX AGAINST DOGS, REQUIRING THE OWNERS OF DOGS IN THE CITY OF HASKELL TO HAVE SUCH DOGS VACCINATED AGAINST RABIES AT LEAST ONCE EACH YEAR, REQUIRING DOGS TO BE TAGGED, PROHIBITING THE RUNNING AT LARGE OF DOGS IN THE CITY OF HASKELL, PROVIDING FOR THE DESTRUCTION OF DOGS RUNNING AT LARGE, AFTER NOTICE TO THE OWNERS THEREOF AND FOR THE DESTRUCTION OF RABID DOGS; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH PROVIDING A PENALTY AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HASKELL, TEXAS:

Section 1: That there is hereby levied and assessed against each dog, male or female, within the City Limits of the City of Haskell, Texas, an Annual Tax of \$1.00, which Tax is to be due and payable on the first day of July of each year and it is hereby made the duty of the owner or keeper of any dog, male or female, to pay over to the City Tax Assessor and Collector, the said Tax on or before the first day of July of each year. The Tax shall run from July 1st of each year to July 1st of the ensuing year, and any part of such year shall be deemed and considered the entire year.

Section 2: It is hereby made the duty of the owner or keeper of each and every dog, male or female, in the City of Haskell, Texas, to have such dog vaccinated against rabies, at least once each year, provided however, that such dog must have been so vaccinated within one (1) month of the date of the payment of the Annual Tax provided for in Section No. 1 hereof.

Section 3: That it shall be the duty of the City Tax Assessor and Collector to provide suitable metal tags for such dogs, on which is stamped a special number for each dog, upon which such Tax has been paid, and also the figures showing the year for which the same has been paid, and which metal tag shall be securely attached to a collar around the neck of such dog, and shall be kept securely attached to said collar at all times during the year for which said tax has been paid. Each person owning or keeping a dog, male or female, within the limits of the City of Haskell shall apply to the City Assessor and Collector for a tag, and upon the payment of such Tax and the presentation of a certificate showing that said dog has within one (1) month of the date of application for the tag been vaccinated against rabies, the City Tax Assessor and Collector shall supply to each applicant the tag hereinabove provided for, and no such tag shall be supplied unless the application is accompanied by such certificate.

Section 4: It shall be the duty of the owner or keeper of any dog, male or female, in the City of Haskell, Texas, to procure a duplicate tag in the event the original tag is lost or destroyed, and such duplicate tag shall be issued by the City Tax Assessor and Collector, upon the application of any person who has complied with the provisions of this Ordinance, and upon the payment of 25 cents for the cost of issuing the duplicate tag.

Section 5: It shall be unlawful for any person to permit any dog, male or female, to run at large in the limits of the City of Haskell, Texas, and it shall be the duty of each owner or keeper of a dog, male or female, in the limits of the City of Haskell, to have such dog on a leash or in the care and custody of some responsible person when the animal leaves or is allowed to leave the property of such owner or keeper; and it shall be the duty of the Chief of Police or any City Policeman, to impound any dog, male or female, running at large in the limits of the City of Haskell, Texas, and to destroy the same, provided, however, that reasonable notice of the intention to destroy such dog or dogs shall first be given in person, or by publication in a newspaper published in Haskell, Texas, before any such dogs are destroyed.

Section 6: The owner or keeper of any dog, male or female, impounded by the City of Haskell, Texas, shall have and be allowed five days, after notice as provided in Section 5 hereof, within which to redeem or claim said animal, subject to a charge of \$1.00 per day for the bearing of such animal.

Section 7: The Chief of Police or any City Policeman of the City of Haskell, Texas, shall have the right to destroy any rabid dog, or any dog found in the streets or alleys or any public place of the City of Haskell, Texas, which manifests a disposition to bite.

Section 8: It shall be unlawful for any person to willfully remove from any dog, a collar or tag, without the permission of the owner or keeper of such dog.

Section 9: Any person violating any provision of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed \$100.00 dollars.

Section 10: All Ordinances and parts of ordinances in conflict herewith are hereby expressly repealed.

Section 11: The fact that there is no Ordinance properly regulating the running at large of dogs in the City of Haskell, Texas, creates an emergency, requiring the suspension of the rules requiring the reading of all Ordinances on three several days, and such rules are hereby suspended, and this Ordinance shall take effect and be in full force and effect immediately upon its passage, approval and publication, and it is so Ordained.

Passed, approved and adopted by the City Council of the City of Haskell, Texas, this 22nd day of August, 1972.

**LETTERS TO
 THE EDITOR**

Dear Mr. Comedy:
 May I thank you for the generous use you have made of the public service advertising on the Texas Travel Trails which we offered you earlier this year. We have received a significant number of requests for the Trail pamphlets from your valued family of readers. Hopefully, they are using them to explore the fascinating byways that the routes open up. Your assistance in helping more Texans enjoy holiday travel "at home" means a great deal to them. And to us. Gratefully,

**Mrs. Cobb Attends
 Cancer Meeting**

Gemie Cobb, Secretary of the local unit of the American Cancer Society, attended the 27th annual meeting of the American Cancer Society, Texas Division at the Adolphus Hotel in Dallas, August 23 and 24, as a delegate. The meeting gave an overall picture of the work of the American Cancer Society and demonstrated that portion of the work carried on in the various committee meetings at the Division level throughout the year. It was pointed out that a main thrust of the program is volunteer leadership. Education on cancer is to be stressed this year through the schools, radio and TV broadcasts. Houston will be the site of the annual meeting next year.

CONSERVATION VIEW POINTS

District Conservationist
J. C. YEARY, JR.

Conservation Service education. Almost all SCS work is provided through arrangement with our local California Creek and Wichita Brazos Soil and Water Conservation Districts.

Your SCS staff at Haskell, consisting of J. C. Yeary, District Conservationist; Jim Boykin, Soil Conservationist; and Harry Koehler, Conservation Technician, can provide technical advice, planning help, publications, simple exhibits, slide talks of local interest, and the like. If you are planning an outdoor conservation classroom or conservation work on the schoolground, the SCS conservationists can and will provide

you with basic soils information, help you plan and lay out the project, and can work with school teachers, leaders, and resource people from other agencies to develop the area.

Why does SCS emphasize outdoor conservation classrooms? All the models, books, overhead projector illustrations, or movies in the world cannot duplicate the teaching effectiveness of real soil, real water, a real tree, or a real bird.

How can conservation education be tied in with various subjects? Here are some of the ways:

Biology—studying the web of life, all sorts of flora and fauna, laying out a natural trail, planting trees or grass.

Chemistry—testing soil, testing pond water, applying needed minerals.

Mathematics—contour mapping, measuring slope and elevation, estimating tree heights, surveying terraces.

Social Studies—studying the effect of resources on standards of living, on nations, how some resources are protected by law, how we lose freedom by abusing natural resources.

Vocational Agriculture—Conservation planning, surveying contour lines, building conservation measures, planting seeds or plants, pruning, etc.

Arts and Crafts—landscaping, using natural materials for decorations, drawing or painting outdoor scenes, leaf prints and flower arrangements.

Shop—building displays, conservation markers, walls, walkways, bird houses, feeders, outdoor teaching facilities.

Home Economics—studying how food is produced, conservation and nutrition, source of clothing, shelter, pure water, etc.

Language Arts—Writing articles, poems, and songs based on observations and reactions to the total scene of the outdoor classroom.

The SCS will be glad to assist you if you or your school is planning an outdoor classroom. Suggest that the principal apply for aid from the local soil and water conservation district. The district officials can usually be contacted through the SCS district conservationist, or they can be contacted in person. Your local District officials are: W. L. "Knott" Ballard at Rochester, L. M. Patterson at Weinert, Elmer Boedeker at Sagerton, and R. V. Earles at Paint Creek. Such help is available for

"FARMER POWER" WITH FARMERS UNION

CHARTERED 1902—POINT, RAINS CO., TEXAS
WELCOME ALL THOSE TO OUR CAUSE WHO WOULD JOIN IN THE FIGHT FOR THE PRESERVATION, WITH DIGNITY, OF THE FAMILY FARMER AND RURAL COMMUNITY.
(This is the 35th of 52 articles pertaining to goals and accomplishments since 1902, running every Thursday in the Haskell Free Press.)
(If you are interested in knowing more about Farmers Union and/or service programs available through Farmers Union)—Fill out the form below and MAIL to or CONTACT Farmers Union.
SEPTEMBER 1971

FU—Dechant expressed support for wage and price freeze in meeting with President Nixon but deplored the lack of controls on interest rates, profits, the 10% surtax which increases farm machinery prices and will possibly hurt our foreign trade, stressed that farm profits must be the first segment allowed to rise due to the low parity ratio since the depression in the 30's.

FU—requested restoration of a 10% investment tax credit to be applicable to both new and used equipment up to \$25,000.00.

FU & T—requested program changes for 1972 for feed grain and cotton. Feed grain proposals were a corn loan of 1.35 per bushel (Grain Sorghum-comparable level), diversion with payment, three year storage under loan with these stocks not to be released at less than 100% of parity.

Cotton—Recommended 11.5 million acre pay base, 10% mandatory free set-aside with an additional 10% of the cotton allotment diverted at a payment of at least 5¢ per pound. Asked that Secretary use his broad powers to set the cotton loan at a minimum of at least 24¢ per pound.

FU—supported legislation for rural development. Bill would reorganize the FHA and strengthen its loan and grant programs to farmers.

FU—succeeded in getting a hearing on cuts made by the Administration in the school lunch program. Program provides cheap balanced meal for low-income school children and uses up surplus, price-depressing commodities.

Livestock Directory Published... Milk Production Down... Screwworm Regulations Changed... Cotton Harvest Picks Up Momentum...

Could you tell the difference between an AngGal and a Spots? Would you know a Dutch Belt if you saw one; how about a Groties, or a Hackney? All these are breeds of cattle, hogs or horses. They're listed in the Livestock Directory published by the Texas Dept. of Agriculture.

In all, there are 29 different breeds of cattle, three breeds of goats, 11 breeds of horses, nine breeds of sheep, and 10 breeds of swine from which to choose. More than 2,500 breeders are listed in the directory.

The largest single group is Hereford Breeders with a total of 420 listed; second largest in the cattle category is Charolais with 307 breeders listed.

Cattle breeds listed in the directory are AngGal, Angus, Beefmaster, Brahman, Brangus, Brown Swiss, Charolais, Char-Swiss, Chianina, Dutch Belt, F-I, Galway, Guernsey, Hereford, Holstein, Jersey, Limousin, Longhorn, Maine Anjou, Murray Grey, Polled Hereford, Red Angus, Red Brangus, Red Poll, Santa Gertrudis, Shorthorn, Simmental, Sussex and Groties.

Goat breeds are Angora, Dairy, and Spanish.

Horse breeds are American Saddle, Appaloosa, Arabian, Hackney, Paint, Ponies of America, Quarter, Shetland, Thoroughbred, Welsh Ponies, and Mini-Mule.

Sheep breeds are Columbia, Corriedale, Deboillet, Delanie, Dorset, Hampshire, Rambouillet, Southdown, and Suffolk.

Swine breeds are Berkshire, Chesterwhite, Crossbred, Duroc, English Large Black, Landrace, Hampshire, Poland China, Spots, Yorkshire.

MILK production in Texas during July totaled 266,000,000 pounds. This is two percent below the July, 1971 production and one percent below the previous month.

Milk production per cow averaged 750 pounds during July. This is 15 pounds below a year earlier and 10 pounds below the previous month.

Nationwide, July milk production is two percent more than a year earlier. Milk production per cow averaged 861 pounds.

Screwworm regulations have

been modified to give farmers and ranchers more time to get their animals inspected before shipment.

Livestock producers now have 72 hours in which to have livestock inspected and certified free of the parasites before being shipped interstate from the screwworm-infested areas of the Southwest. The time allowed for this previously was 24 hours.

Screwworms continue to be completely out of control throughout the state, and the only relief will come when freezing weather arrives.

Cotton harvesting is picking up momentum throughout the southern half of the state. Early stalk destruction can reduce insect infestation for the next crop year.

The first of a series of stalk destruction dates for the state is August 31 in the lower Rio Grande Valley.

However, cotton producers are urged to destroy stalks just as soon after harvest as possible.

Sagerton..

School is starting all over and the grandchildren who visited with their grandparents in the community are all back home.

The F. A. Ulmers met the Winston Ulmers from San Antonio at Brady Sunday and took Brad, Paige, and Mark to them after they had spent the week here. Mr. and Mrs. Harvie Jordan took Anita and Lee, their grandchildren, home last weekend. The Elmer Boedekers had their grandchildren, Martha and David Rice, from Carrollton with them a week or two.

Mr. and Mrs. Larry Cornelison and Kathy of Lewisville visited with the August Balzers last weekend.

Mr. and Mrs. M. Y. Benton and Mrs. Charles Clark went to Big Spring last weekend to visit with Mr. and Mrs. Steve Clark and Mr. and Mrs. Eldon Cook and daughters.

Mr. and Mrs. Tullie Herring Alice Lewis and Mrs. Emma of Amarillo are visiting Mrs. Lammert in Stamford while on vacation. They are former residents of this community.

Word was received here of the death of a former area resident, Mrs. Clara Tidwell, who lived in Arlington. She is survived by her husband, J. L. Tidwell, and two sons and five daughters. Six of the children attended school here in the 40's when they lived East of Sagerton in the Vernon community.

The annual Community Dove Fry will be held at the Community Center Saturday night, Sept. 2. Everyone is asked to come and bring a covered dish of vegetables or salad and a dessert and a few doves if they are hunters, if not, come anyway, because there will be plenty of birds. Mrs. Alice Lewis asks that those that have birds to be cooked bring them at least an hour early so that they can be cooked by 6:30. This annual affair began out on a tank dam, but lately has been held in the Community Center, but the birds are still cooked out-of-doors in deep fat, and somehow they just taste better cooked that way.

Mrs. Herman Nauert and her mother, Mrs. Mary Schronerstedt of Stamford, were at Victoria visiting the Brian Goelkes and their brand new son, Mrs. Goelke is the former Faye Nauert.

Mr. and Mrs. A. C. Knippling are visiting their children at West Columbia.

Guests gathered in the J. A. Hertel home Monday evening of last week to wish Mrs. Hertel a "Happy Birthday." Present were: Mr. and Mrs. Fred Schronerstedt, Mr. and Mrs. Otto Schaake, Mr. and Mrs. F. A. Stegemoeller, Mrs. Alice Lewis, C. E. Stegemoeller, Mr. and Mrs. Melvin Baitz and family, all of Sagerton, and Mr. and Mrs. Kenneth Hertel and family of Hamlin, Mr. and Mrs. Bill Hertel and family of Stamford, and Mr. and Mrs. Ted Hertel of Munday.

Mrs. Elmer Boedeker is visiting in Carrollton with her daughters and their families.

Sagerton will have a library located in a room at Summers' Merchandise. It is an extension of the Stamford Library and the Summers have consented to keep it in their building. Books may be checked out just as they are from the Stamford Library.

of the Stamford Library and the Summers have consented to keep it in their building. Books may be checked out just as they are from the Stamford Library.

Mr. and Mrs. Fred Kupatt and Kris and Kraig will be going on an all-expense paid trip to Six Flags the weekend of Sept. 8, with expenses paid by the Elanco Company. Sept. 8th, a party will be given in honor of the Kupatts and several others, sponsored by the Elanco Co.

Mrs. John Clark attended a birthday party in Aspermont in honor of Mrs. H. E. Carr, formerly of Old Glory on her 92nd birthday Friday. She now lives at the Anson Nursing home.

Mrs. Joe Clark, Mr. and Mrs. Ray Clark of Abilene and Mrs. Emma Raphael of Stamford attended the opening services at Concordia College in Austin Sunday where Peggy Clark will attend again this year.

Word was received that Joe Ray Smith, who lived here as a little boy, was found dead in his bed at the Veterans Hospital in Dallas. He lived in Fort Worth. His body was brought back to Haskell for burial.

Rochester

STEERS SCRIMMAGE The Rochester Steers traveled to Roby, August 25, for a scrimmage. Roby won the scrimmage 2 touchdowns to Rochester's one.

This was good practice for the Steers as everyone got to play. They looked good and everyone at the scrimmage is really looking forward to a good football season.

September 1, the Steers will host Roby at Rochester at 5:00 p. m. for another scrimmage. The Steers will really be out to win this one so everyone be sure and attend.

The Steers first game is with Knox City, September 8th at 8:00 p. m.

LIONS CLUB

The Rochester Lions Club had a dinner, August 24 at 8:00 p. m. The club invited the presidents and secretaries from the area clubs. They also invited their wives. Around 90 people attended the dinner and meeting.

The Rochester FHA girls prepared the meal for them in their homemaking class. Eight of the girls served along with their sponsor, Mrs. Louise Chambers. The tables were set with yellow roses and the Lions Club emblem on white.

COMMUNITY SUPPER

Rochester will have its Community Supper August 31, at the City Park. Everyone in the community is invited to come and bring some food. All the teachers will be announced, along with the football boys, cheerleaders, majorettes and drum major for High School and Junior High. Everyone make plans now to attend and just visit around with your neighbor.

WASHINGTON
"As it looks from here"
OMAR DURLSTON
Congressman
17th District

WASHINGTON, D. C.—When plain old common sense prevails in the congress, it's something to write home about. This occurred a few days ago when both the House of Representatives and the Senate rejected a Section in the Foreign Assistance Act of 1972 which would have re-imposed an embargo on chrome ore from Rhodesia.

A brief review of the history of sanctions against Rhodesia may be helpful. (The original policy of our Government was discussed in this space on May 22, 1969.)

In 1965 Rhodesia declared itself independent of Great Britain's colonial control. England requested the United Nations to impose economic sanctions

against its former colony. A resolution to this effect was adopted in the U. N. in 1966.

By executive order, President Johnson, in early 1967, committed the United States to abide by the U. N. action. All trade between our Government and Rhodesia came to a halt.

Since Rhodesia furnished practically all chromite to us, we had to turn to the next largest source of supply, the Soviet Union.

As we became increasingly dependent on Russian ore, the price rose to over 200 percent—from \$27 per ton paid Rhodesia to \$80 per ton.

In October of last year the Congress adopted an amendment to the Military Procurement Bill which lifted the embargo on Rhodesian chromium. The Act became effective on Jan. 1st of this year.

In May of this year an effort was made in the U. S. Senate by those who favor the embargo to re-impose sanctions but it was defeated. The House

has now acted likewise.

Following the lifting of the embargo in January of this year, Russia's chromium prices dropped to an average of \$44 from \$80 per ton, as a result of breaking the Soviet's monopoly, which we ourselves helped create.

In the meantime, a number of other industrial nations ignored the action of the United Nations and continued to purchase chromium from Rhodesia. Japan, Germany, France and Italy bought chrome ore at prices less than half of that which our producers were forced to pay to the Russians. It also gave these nations a further advantage over the United States in that the consumers in this Country were paying a higher price for stainless steel products of all sorts. (Chrome is a necessary ingredient for all steel products.) The inflated Russian price of chrome is estimated to have cost American steelmakers over \$20 Million annually more than they

would have spent had they been allowed to purchase at world market prices. These costs are necessarily reflected in the price of U. S.-made steel products but not added to foreign produced goods of the same kind. Chromium is also classed as a strategic material and since 1939 has been designated for stockpiling for use in our national defense. All this at a time when we were supposed to be fighting inflation. In addition, such an action contributes to our deficits in the balance of payments.

Not only has Russia exploited her position as a prime supplier but our dependence on the Soviet Union for this critical material creates an adverse effect on our national defense needs.

The embargo on Rhodesian chromium has served the interest of no one except Russia and foreign steel producers.

On May 22, 1969, this column gave the real reason for our complying with the sanctions

placed against Rhodesia by the United Nations Resolution. Would anyone suppose that many of the nations which supported this action did so out of any love for Great Britain and its colonial policies? The real reason for the embargo was because of Rhodesia's racial policies, known as apartheid, meaning "separate" or "apart" of the races.

Here to Your Health

In an injury emergency — call a doctor if possible, if not, get a trained first-aidier. Keep the injured person lying down — cover to keep him warm. Don't move the injured person unless necessary to remove him from further danger. Moving can aggravate the injury — it is better for the untrained person to leave the injured alone.

Every Piece of Furniture in Store on Sale!

84 years ago this September a young man named Burwell Cox, 17 at the time, left his hometown of Evansville, Arkansas, and headed for the wide-open spaces of Western Texas. He made his first stop in the town of Throckmorton where he lived for a few weeks before definitely deciding that thirty-five miles west in Haskell was where he would drive his stakes and settle down.

His first occupation after arrival in this city was sheepherder in association with a brother, C. F. Cox, who arrived in these parts at an earlier date. Other types of employment including ranching were followed for the next few years until April 24, 1905, when Mr. Cox formed a partnership with three other men, W. L. Cason, J. F. Jones and T. B. Russell to establish the Hardware and Furniture Firm of Jones-Cox and Company.

Jones-Cox & Company has served Haskell County for 67 years with four generations of Coxes, Burwell Cox, Wallace H. Cox Sr., Wallace H. Cox, Jr. and John W. Cox, part-time employee.
