The girls varsity cross country team is headed for the State Cross Country meet and this will be their third trip in the past three years.

The girls team qualified for state after having placed second at the Regional Cross Country Meet in Lubbock last weekend. They placed second with 78 points behind Nazareth first with 48 points. Placing third, and also eligible for state, was Slaton with 137 points. Abernathy competed with 1-A, 2-A and 3-A cross country teams from all over the region.

Those on the team and going to state are Holly Shafer (8th high individual at Regional with a time of 13 seconds flat), Stacey Kelley, Dinah Neve, Johnnia Harrell, Liz Lopez, Amy Pettit and Gina Salinas. Going as alternate will be ReGina Powell.

The State Cross Country Meet will be held this Saturday on the Southwestern University campus in Georgetown.

Girls cross country coach Phyllis Jones stated that all of the girls on the team have been giving excellent performances at meets this year. "They have also been working very

hard at workouts during the week to prepare for each meet," Phyllis said.

"We came in second behind Nazareth at District and Regional and one of our goals will be to catch Nazareth at Georgetown. But we will also have to watch for Frisco. They are the returning state champs," Jones added.

The Abernathy Girls Cross Country Team won state in 1979, placed sixth in 1981, third in 1982 and will be seeking another state title this weekend.

## Boys Cross Country Team 7th

The boys varsity cross country team placed seventh at Regional. Placing first was Boys Ranch, second Muleshoe and third Lockney.

"IN THE PALM OF THE PLAINS" VOLUME 62, NO. 52 THURSDAY, NOVEMBER 10, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

## Light Voter Turnout On Election Day

Election Day is always considered a very important day, but in Abernathy it was apparently considered very low-key as evidenced by the light turnout of local voters.

In Voting Precinct 9 alone, which is the portion of Abernathy in Hale County and the surrounding area in Hale County, only 132 of 1,100 registered voters filled out ballots in the election. Only 12 percent of the eligible voters were concerned enough to vote on the 11 proposed constitutional amendments, all of which will affect them either directly or indirectly in the future.

Voters of Precinct 9 seemed to favor all of the proposed amendments except for one, amendment number 8. The results of the election

were as follows for Precinct 9:

	For	Against
Amendment 1	107	21
Amendment 2	96	29
Amendment 3	109	22
Amendment 4	105	23
Amendment 5	104	24
Amendment 6	110	19
Amendment 7	101	25
Amendment 8	53	72
Amendment 9	100	23
Amendment 10	97	29
Amendment 11	101	26

By Wednesday morning, it looked as if all 11 proposed constitutional amendments would be passed statewide by Texas voters, except for two, amendments 8 and 10.

Antonio Salcedo following a dispute over payment after Salcedo dug a ditch for Nesbitt. Salcedo later filed felony charges against Nesbitt, according to police reports.

An 18 year old Mexican American female was arrested October 25 for theft. She was charged with theft after a diamond ring, missing from the Moreland residence, 1614 Ave. J, and a gold necklace, missing from the Attebury residence, 901 Velray Drive, were found at her home, according to the Abernathy P.D.

The two minor accidents in October involved a collision between Jason Harris and Ruby Attebury at the 400 block of 7th Street, and a collision between Carol Morales and Randal Stillwell at the 1600 block of Ave. D. No one was injured in either accident.

## Local FFA's Attend National FFA Convention

A group of local students accompanied by Gerald and Rita Kelley left Monday for Kansas City, Kansas to attend the National FFA Convention. They will be gone all week and will return Saturday.

Students making the trip were: Randal Stillwell, Phil Vandygriff, Dan Evans, Chad Kelley, Bill DuBose and Melissa Hagstrom.

Melissa Hagstrom will be competing in the public speaking contest.

# Burglar Caught Breaking Into Don's Chevrolet

**FRIDAY IS VETERAN'S DAY**, a very special day in America as it is a day in which we honor and recognize the sacrifice and service of 29 million living veterans and millions of other veterans who have served and died in military uniform.

Originally designated on November 11th to commemorate the end of World War I in 1918 and the signing of the Armistice on the "11th hour of the 11th day of the 11th month", Armistice Day was redesignated Veterans Day after World War II to honor U.S. veterans of all wars. In 1968, the federal observance of Veterans Day was changed to the fourth Monday in October. In 1978, it was returned by Congress to the traditional date of November 11th.

**IT HAPPENS AN AVERAGE** of about once every 4 or 5 months a roll of film accidentally gets exposed to light before being developed. This is what happened to the Octoberfest roll of film we had taken. Therefore, we don't have any pictures to run of this event. If anyone else has pictures of Octoberfest to share, bring them by or give us a call...we would like to run them.

**EVEN THOUGH** there is not much drilling for oil and gas going on around Abernathy, there is in the Lubbock area.

A total of 2,883 drilling applications were processed by the Railroad Commission in October. Of these applications, 126 were for the Lubbock area (District 8A), 106 of the applications were filed for drilling in the panhandle (District 10).

This does not mean that there is an oil field buried below this entire region, but there are some scattered pockets. Many of the holes drilled are found to be dry. Unfortunately, most of the holes drilled around Abernathy have been found to be dry...no oil, gas or any other minerals worth extracting from the underground cavities.

We can still hope that there are other oil pockets, such as the Anton-Irish field, around Abernathy which have not been discovered yet.

**ON A PICTURE CUTLINE** of the freshman football team last week, it should have read Brandon Houston and Corey Riddles, rather than Randy Houston and Cory Rennels. Sorry about that Brandon and Corey.

**WITH THE** start of school there invariably comes the flood of school jokes and this year has been no exception.

We heard a couple the other day and they have to be shared.

**Teacher:** "Can you give me a sentence with the word 'officiate' in it?"

**Pupil:** "A man got sick from a fish he ate."

**Boy:** "I made a hundred in school today, Mom."

**Mom:** Good! What did you make it in?

**Boy:** "Well, I made a forty in reading, thirty in spelling and thirty in arithmetic." (From the Slatonite-Brad's Pad)

The Abernathy Police Report revealed that a burglar was caught in the act of breaking into Don's Chevrolet November 3 at 10:12 p.m.

Abernathy Police Officer Johnny Clayton spotted Albert Wayne Watts, of 405 Ave. K, Abernathy after Watts had reportedly broken out a window on the south side of the building and was attempting to enter it. Watts was arrested and charged with burglary of a building with intent to commit theft, according to the Abernathy Police Department. This offense is a felony.

### October Police Report

In October, the Abernathy Police Department issued 10 citations and made 15 arrests. Only 2 fender benders occurred during the entire month.

Of the 15 arrests, 2 were for aggravated assault with a deadly weapon, 3 for public intoxication, 2 for

DWI (both misdemeanors), 1 carrying an unlawful weapon, 1 possessing stolen merchandise, 1 disorderly conduct, 1 criminal trespass, 2 resisting arrest, 1 evading arrest and 1 for theft.

The possession of stolen merchandise arrest involved a 54 year old Mexican American male when \$86 worth of gloves, previously stolen from Allsup and Pay-N-Save, were found at his residence October 5. The man was only charged for possession of the gloves because it could not be proved that he took them, according to police reports.

The unlawful weapon arrest involved a 19 year old Mexican American male October 21 at the Abernathy-Tulia game. The "quick release" type knife was taken from the man during the game, according to the Abernathy P.D.

A warrant has been issued and arrest is pending on a local white male

accused of having less than 4 ounces of marijuana at his residence, which is a misdemeanor. This occurred October 23, according to the P.D.

Jerry Adams, of 711 5th Street, was arrested for assault with a deadly weapon when on two separate occasions he reportedly pulled a shotgun and pistol on his daughter. His daughter stated that on October 11, Adams pulled a double barreled shotgun on her and threatened to kill her and himself, and October 14, he pulled a pistol on her and told her to get out of the house. Adams was arrested shortly after and charged with aggravated assault with a deadly weapon, according to the P.D. This is a felony offense.

Paul E. Nesbitt, of 1203 13th Street, Abernathy was also arrested for aggravated assault with a deadly weapon in a separate incident. It occurred October 23 when Nesbitt reportedly pulled a gun on Sergio

## AHS Band Rates A II At UIL Contest

The Abernathy High School Band rated a II Wednesday, November 2 at the UIL Marching Contest, Region XVI, at Jones Stadium in Lubbock.

The band basically used the halftime format it has presented at most football games this year.

In preparing for the competition, the AHS Band marched in the South

Plains Fair Parade and in the Texas Marching Festival, both held earlier this year. A clinic was also conducted by Jerry Starkes to prepare the music to be used at contest.

In order to receive a first division rating, the band not only had to march well, but play well. By judging standards, playing and sound is 60

percent while marching is only 40 percent of the total.

The band is required to have two first division ratings in order to get to go on a spring trip to Colorado. Besides this contest, the band will have a chance at first divisions in both concert and sight reading contests this spring.

## Iota Tau Chapter Holds Administrator's Banquet

Iota Tau chapter of Delta Kapp Gamma held its annual administrator's banquet in the president's dining hall on the Wayland Baptist University campus Tuesday.

Special guests were husbands of members and school administrators from

Abernathy, Floydada, Hale Center, Lockney, Petersburg and Plainview.

A fall decoration theme of reds and golds was accented by the use of pumpkins, stuffed birds, leaves and nuts. Hostesses were Mmes. Dell Brown, Leon Kendall and William Perry.

Mrs. Cecil Golden presided and Mrs. Dan McClellan gave the invocation. Mrs. Don Williams, introduced Mrs. Gene Owen who presented a humorous program on her favorite excerpts from Erma Bombeck.

Mrs. Owen began her remarks by stating, "A sense of humor is important for everyone. Be able to laugh at yourself and enjoy life." She then selected different topics covered by Mrs. Bombeck and quoted her.

Quotes included, "Be forgiving. I forgive my husband for not being Paul Newman a long time ago. One size fits all. Of what?

People with small wrists tire easily."

Mrs. Owen shared excerpts about television commercials, wedding anniversaries, children and the inequities of women. "Many men are living beyond their means if a housewife should be paid over \$18,000 a year for the job she does."

She concluded her program by repeating Mrs. Bombeck's philosophy of life. "If I had my life to live over again, I would have waxed less and listened more. I would never have insisted the car windows be rolled up on a summer day because my hair had just

been teased and sprayed. I would have invited friends over to dinner even though the carpet was stained the sofa faded.

"I would have eaten popcorn in the 'good' living room. There would have been more 'I love yous,' more 'I'm sorrys,' more 'I'm listenings' but mostly, I would seize every minute of life, look at it and really see it, try it on, live it, exhaust it and never give that minute back until there was nothing left of it."

The meeting was adjourned with the singing of the Delta Kappa Gamma song led by Ruth Fulton of Abernathy.

## Another One Of AHS's Young Artists...

This weeks Abernathy High School young artist is Tracy Nichols. Tracy is a senior this year and the son of Bonnie and Earl Nichols. Tracy has been in Art for two years and made the following statement about this class. "I like art lab because I can sit and paint what I want to paint at my own pace."

Art Teacher Georgia Bartlett made the following comments about Tracy's artistic ability: "Tracy painted several paintings last year, so he really is able to paint at a faster

pace and with less help this year. His color perception is greatly improved along with more brush control and technique expertise. His paintings are ones in which he can be justifiably proud. I enjoy helping Tracy with painting. He is very teachable."

### Library Says "Get Into Books" During Book Week

Book Week is November 14-20 and the Abernathy City-County Library wants children and especially young adults to "Get Into Books" and find friends. Books are guides, like Virgil in Dante's "Divine Comedy." "They guide us,

at our own pace, through the horrors of Hell, the trials of Purgatory and the rewards of Paradise", quote from Richard Norton, editor-in-chief of In The Wind, newsletter of the West Texas Library System.

- NEW BOOKS AT THE LIBRARY**
- The Abernathy City-County Library has recently received the following new books.
1. Finding Your First Job - By Sue Alexander.
  2. Cracker Barrel Comments - by Allan Dale.
  3. The Healing Hart - by Norman Cousins.
  4. Will Rogers -- The Cowboy Who Walked With Kings - by Cathereen Bennett.
  5. Wyatt Earp -- U.S. Marshal - by Stewart H. Holbrook.
  6. Be Your Own Chimney Sweep - by Christopher Curtis.
  7. The New Age Baby Name Book - by Sue Browder.
  8. Frontier Living - by Edwin Tunis.
  9. Buffalo Bill - by Matthew Grant.
  10. Pecos Bill Catches a Hidebehind - by Wyatt Blassingame.
  11. Pecos Bill and the Wonderful Clothesline Snake - by Wyatt Blassingame.
  12. Pecos Bill Rides a Tornado - by Wyatt Blassingame.

### New Deal Bible Class Has Costume Contest

Mr. and Mrs. John Ford and Mrs. Lillie Belle Kramp gave the children of the New Deal bible class a wiener roast at the New Deal Clubhouse Saturday evening, October 29.

The children dressed as bible characters and were very original with their costumes. Prizes were given on the basis of their originality and why they chose their particular costume.

Jean Looney was dressed

as Ruth; Jason Looney as Moses; Flor Ortiz as Mary Magdalene; Donice Voyles as an angel; Frances Ortiz as Rhoda; Paula Perez as Mary the mother of Jesus; Paula Akers as a Jew; Marilyn Askins as Pharaoh's daughter; Carolyn Askins as Miriam; Rendi Looney as Queen Esther; Will Funches as Joseph; Abigail Ford as Queen Esther; and Jonnie Ford as Abigail.

The prize winners were Flor Ortiz, Paula Akers, Jason Looney, and Will Funches.

In addition to those who came in costumes were Robert and Chuck Hartless and Angelina Guerra. After eating, Tim White-

### Iota Tau Recognizes Ret. Teachers

The Abernathy members of IOTA TAU chapter of Delta Kappa Gamma hosted a tea for retired teachers of the area, November 8 in the CVAE homemaking building.

Delta Kappa Gamma is a women's education sorority. The chairman in charge of this project was Mrs. Betty Cagle. Jan Montgomery, CVAE/Homemaking teacher was the chairman of the refreshment committee.

The entertainment was provided by Barry Tilley (Grandpa Jones) and then the teachers had a sharing time, where they told some memorable moments of their past teaching experiences.

Mrs. Cagle stated that this project is the first of many projects by the group that will be of service to the community.

### Ortiz Selected Mr. FTA At Plainview

Tony Ortiz of Abernathy won the honor of being selected Mr. FTA Thursday, November 3 at Wayland Baptist University in Plainview. Malena Gough and Marilyn Vieregge are his sponsors.

Tony will get to compete in Austin in the state contest of Future Teachers of America February 16 and 17. The winner will receive a \$1,000 scholarship which will be used to further their teaching education.

ner (teacher of the class for one week in August) directed the children in several games.

The party was closed by Mr. Ben Simmons, giving each person present a Gideon New Testament.

**THE TERM "ACID RAIN"** was first coined more than 100 years ago by a British chemist, Robert Angus Smith, says the National Wildlife Federation. In 1852, Smith observed that as skies over Manchester became increasingly dirty, the rain became increasingly acidic. It wasn't until the mid-1960's however, that acid rain became a focus of scientific study around the world.

### Lakeview Locals

By Mrs. Norman Matthews

Brother Nave was the featured speaker last Wednesday night, November 2 at Lakeview Methodist Church. He was accompanied by his daughter, Jennifer of Petersburg.

Mrs. Rex Blankenship and Mrs. John George of San Diego, California visited their aunt, Mrs. S.M. Harrison. They all went to Burnett and Wichita Falls visiting relatives this week.

Mrs. Earl Booth of Hobbs, New Mexico visited her sister, Mrs. Oleta Gilmore, last weekend.

John Amnott, a student at Tech, visited his parents the past weekend and they went to visit Mrs. Amnott's parents in Plainview, Mr. and Mrs. Harry Sinclair.

Mr. and Mrs. H.N. Meadors returned home from Longview and Kilgore. They visited their son and family, Mr. and Mrs. Mickey Meadors in Longview and Mrs. Meadors sister,

Mrs. Jewel Biggs in Kilgore. While in Longview they visited Mr. Meadors brothers, Mr. and Mrs. Raymond Meadors. They visited their nephew, Earl Meadors, in Dallas before they returned home.

**Young Homemakers Preparing For Arts And Crafts Festival**

The Abernathy Chapter of Young Homemakers will have several items in their booth this year at the Abernathy Arts and Crafts Festival.

The first item will be fresh packaged pecans. These pecans will come in packages of 1 1/2 lbs. They are available in halves or pieces at \$5.75 per bag.

In addition to the pecan sales, they will have various homemade baked goods. There will be cakes, cookies, pies, bread and candy.

They also will have denim potholders. These are handmade, cut and designed in shapes of denim cut-offs, with calico patches and prairie skirts with lace and eyelet trim.

These cute potholders were handmade by the members of Young Homemakers and the HERO Chapter of FHA.

The Young Homemakers organization is for women 18 to 35 years of age interested in developing skills and gaining inform-

ation on new and improved methods of homemaking. They meet each month on the second Monday with new and exciting programs that appeal to the interest of Young Homemakers.

**HERO/FHA To Share Booth With Young Homemakers**

The HERO/FHA organizations of the CVAE-Homemaking class will share a booth with the Young Homemakers at the Abernathy Arts and Crafts Festival.

Members will have Christmas ornaments and

other handmade articles as well as candies and cookies for sale.

Proceeds will be used to help pay for members who earn the opportunity to attend the area and state meetings.

**This and That**

By Helen Wade

This is the time of year you don't know what to wear in the morning. The day may be nice and warm, or it might be raining before the day is over.

Now the weather man tells us a blue norther is in store for the South Plains area. I think most people are ready for a freeze, but not really ready for winter weather. I don't like the cold, bad winters myself.

Mr. and Mrs. Robert Totty spent several days with Carolyn in Houston last week.

The trees are pretty this time of year. We saw several trees in fall colors of yellow, orange, gold and brown in the path of the Red River bridge crossing

as we were traveling north to visit our son and family. Some of the oak trees are turning in parts of town too.

I was reading in Monday's AJ that meat prices are lower now. It is a good time to stock up on meat for the winter. More cattle and hogs are being marketed because of the summer drought. This increased supply has resulted in lower prices.

According to the article, steady to slightly declining prices for red meat are expected from October through December.

This is good news for consumers with the holidays coming up and more company expected.

**Total Home Health Care Available To Hale Residents**

Patients discharged from hospitalization, yet requiring intermittent professional nursing care and treatment now have an alternative to the full time attention of a nurse. Total Home Health Care, Inc. has been established to serve residents of Hale, Floyd, Swisher, and Lamb counties with skilled nursing service in the home. Nursing services will be provided following the medication and treatment schedule prescribed by the attending physician. This allows the patient the benefit of nursing care administered by a qualified professional, and convalescence in

comfortable, familiar surroundings.

Services provided by the attending nurse include: blood pressure, pulse, respiration, and temperature check during each visit, I.M. or I.V. injections as ordered by a physician, dressing changes, catheter and ostomy care, and any other special treatments ordered by the patient's physician.

In addition to these services, the attending nurse may aid in patient care through teaching and assistance in such areas as diabetic care, nutritional counselling, and other special care of homebound or bedridden patients, and general patient care management. Physical therapy may also be provided when

ordered by a physician. Personal health and hygiene aids are available when required.

Services provided by Total Home Health Care, Inc. are payable through Medicare, Medicaid, Veteran's Administration, insurance, and personal payment. Attempts will be made to locate alternative assistance for patients not qualified under Medicare, Medicaid, or one of the other payment plans. It is the policy of this agency to accept referrals and qualified patients regardless of race or national origin.

Total Home Health Care, Inc. offices are located at 410 Broadway in Plainview central to the four county service area. For information, phone 806-296-2767.

**"The Potter"**

Barry Tilley, Pastor Assembly of God

...Thou art the Potter, I am the clay. Mold me and make me, after Thy will, while I am waiting, yielded, and still...

The words of the beautiful hymn so wonderfully expresses what has become my lifetime prayer.

The words are more than companions of musical melody. They are the words that show we must remain in the Craftman's Divine hands.

The molding process begins when we at last realize that we, of ourselves, can never shape ourselves into the ideal vessel.

We have many ideas of what we would like to be. But, until we place ourselves on His Potter's wheel, and allow Him to make us to become what He created us to be, our lives will be constant confusion.

And the molding process never ends. Each day is a new occasion for Him to add to us further design and

structure.

Our best day will be the next one, because tomorrow God will have molded us more into His image than we were the day before.

What a comforting joy to realize that when I am totally given to Him, I can trust Him fully, knowing that He isn't going to disappoint me or let me down. But He's making me more and more into what He wants me to be; more and more like Him.

I'll see you in church Sunday. God bless you.

## Hance Critical Of 1984 Cotton Program

U.S. Rep. Kent Hance (D-Texas) today criticized Secretary of Agriculture John Block's plan requiring a 25 percent acreage reduction program for 1984's upland cotton crop, saying the plan encourages overproduction and could be a burden on the 1984 budget.

"Although Secretary Block said we have made progress in bringing cotton supplies into line with demand," Hance noted, "his latest plan will attract only limited participation from cotton farmers."

"Farmers believe that higher prices for their crops are on the way," Hance added, "and the Agriculture Department's announced cotton program will encourage farmers to plant row to row and fence to fence. If they do that, we will be faced with a surplus carryover and lower prices, and any benefits of the Payment-In-Kind (PIK) program will be lost."

Hance said the USDA

needs to provide an incentive for American farmers to participate in a set-aside program.

"If the farmers do not participate in large numbers," Hance added, "it is quite possible that a deficiency payment of 26 cents a pound will be made to all farmers in the program. The impact on the federal budget would be staggering."

Hance pointed out that a plan calling for a 15 percent mandatory set-aside with an additional, but optional, 15 percent "Plant for PIK" paid diversion has drawn the support of the Texas Association of Cotton Producers Organizations (TACPO). The producer steering committee of the National Cotton Council also supports a plan requiring a 15 percent set-aside with an additional paid diversion program. However, the producer steering committee did not set a specific set-aside percentage for the paid diversion. The commit-

tee supports an option that would limit carryover to approximately 4 million bales.

"The 'Plant for PIK' program supported by TACPO gives farmers the option to set aside an additional 15 percent of their base acres," Hance

**COTTON USE REPORT-ED:** Domestic textile mill use of cotton in September was at an annual rate of 6 million bales, according to the National Cotton Council.

This was a 2.7 percent below the August figure but 16.1 percent higher than the level a year ago.

Although September use did not match the strong August rate, it compares favorably with results for June and July, the Council says. Moreover, September's consumption exceeded

said. "Farmers would not produce cotton on this additional acreage, but would be eligible for the loan price on the established yield of the idled farmland they diverted. Additionally, farmers would retain ownership of the cotton and could sell it at their discretion."

"Under this proposal," Hance pointed out, "the farmer is encouraged not to overplant, and the burden on the budget is lessened dramatically."

the January rate by 7.9 percent.

Cotton's share of total fiber use slipped to 22.5 percent, compared with 24.1 percent in August and 23.1 percent in September, 1982. On the cotton system spindles, cotton's share settled at 60.3 percent, following a 61.1 percent mark in August and 60.5 percent a year ago.

**EXPORT SALES REPORTED:** Sales of cotton for 1983-84 delivery increased a net 88,200 running bales during the week ended October 20, according to the National Cotton Council.

South Korea was the top buyer with 23,400 bales. Other major buyers were Indonesia, 21,300; and Japan, 10,700 bales.

LUBBOCK, Friday, November 4, 1983

One thing the U. S. cotton producer does not need in 1984 is cotton acreage and production that will add to the carryover and depress prices as happened in 1981 and 1982.

But that is exactly what has to be expected if one realistically evaluates probabilities under the announced 1984 cotton program.

That is the opinion of officials at Lubbock-based Plains Cotton Growers, Inc. who made initial calculations based on what happened in a similar program in 1982 and then looked at what they call a more realistic scenario.

"Either way," they say, "we come up with an increase in year-end stocks on August 1, 1985."

The 1982 program required participating farmers to idle 15 percent of acreage bases as a condition of eligibility for program benefits. There was no penalty for failure to participate, thus the 15 percent reduction was "mandatory" only in that non-complying producers had no access to the loan, disaster or deficiency payments.

# Antelopes Blank Dimmitt 21-0, Tie For Third In District

The Abernathy Antelopes put out a great effort to win their final game of the season against Dimmitt and did so handily 21-0. This put the Lopes in a three-way tie with Friona and Tulia for third place. Abernathy, Tulia and Friona all have 2-3 records in district. Littlefield is the district champ with a perfect record of 5-0 and Muleshoe second with a 4-1 record. Both of these teams will move on to the playoffs. The Antelopes capped-off a very competitive season in one of the toughest districts in the state with a 5-5 record. This is a great accomplishment for a team who only won one game last year, ending up 1-9. And the Lopes completed their season as winners with a big victory over Dimmitt. In this game, the Lopes were highly successful on the ground with 158 yards. Coupled with 46 in the air, this gave the Lopes a total of 204 yards offense. Dim-

mitt found some room on the ground as well rushing for 171 yards, but passing for only 13, for a total output of 184 yards offense. The Lopes also made more first downs with 13 on the night to Dimmitt's 10, and 3 penetrations (which all led to touchdowns), to Dimmitt's 1 (which ended when the Lopes made a goal line stand on their 3 yard line). Leading rushers for the Lopes were Ross Bradley with 19 carries for 64 yards, Jamie Mansanales added 35 yards on 11 carries and Billy Cooper 22 yards on 3 carries. One of the area's leading receivers, Randy Houston, made 3 receptions in this game for all 46 passing yards for the Lopes. On defense, Danny McDaniel was in on 15 tackles, Rene Vecchio 11, Randy Houston 10, David Kemp 9 and Ross Bennett 8. Having another good punting game was Bill

DuBose, punting 5 times for a 40 yard average.

### Game Highlights

The Lopes capitalized on Dimmitt mistakes throughout the evening. The first mistake Dimmitt made was a 5 yard punt from deep in their own territory. After the short punt, the Lopes got the ball on the Dimmitt 21 yard line. In the next 4 plays, the Lopes carried the ball down to the Dimmitt 3 yard line, and on the next play, Ross Bradley

slipped into the end zone for the first TD. Wade Wesley hit the uprights and the Lopes were on top late in the first quarter 7-0. The tough Lope defense completely stopped all of Dimmitt's drives in the first quarter and continued on with this trend through the second quarter. Before half-time, the Lopes stopped one of the drives when Danny McDaniel hit Dimmitt's quarterback, he fumbled, and Ricky Rodriguez recovered for Abernathy. But the Lopes did not score in

the second quarter and it was still 7-0 at halftime. The game remained deadlocked in the third quarter as neither team could get close enough to score. Then, in the fourth quarter, Ross Bradley came up with an interception on the Dimmitt 28 yard line and ran 13 more yards before being tackled on the 15. From the 15, Bradley, who is the leading scorer on the year for the Lopes with 48 points and 8 touchdowns, ran it in on the next play for his second TD of the evening. Wesley made the PAT and the Lopes went ahead by 7 more, 14-0. Dimmitt made their third mistake of the evening on their next drive in the final quarter. This time Ricky Rodriguez decked the Dimmitt quarterback while Ross Bennett recovered the football deep in Dimmitt territory. The Lopes took over on the 23 yard line and 4 plays later, Billy Cooper plunged into the end zone from 1 yard out for the final TD of the night. Wesley was perfect as he hit his third consecutive PAT and the Lopes took a commanding 21-0 lead. Dimmitt made one final attempt to score in the final minutes of the fourth quarter, but the Dimmitt drive ended when Sammy Galloway intercepted a long bomb pass.

Littlefield	10-0, 5-0 Playoffs	THE SAYING, "rain is good for fishing," is true, says National Wildlife's Ranger Rick magazine. Insects may be knocked into a lake or stream by wind or raindrops, which brings insect-eating fish, such as bluegills, to the surface, where it's easier for people to catch them. Raindrops also break up the smooth surface of the water, making it harder for fish to see people fishing.

## JV Lopes Win 2-0 Defensive Struggle

The JV Lopes won the biggest defensive struggle they have faced this season winning by only 2 points, scored by the Lope defense on a safety. The game was played last Thursday evening here. The strangest thing about the 2 point victory was that the Lopes racked up 32 yards passing and 250 rushing, for a total of 282 yards offense on the night. The low scoring was due to the Lopes losing a fumble and being intercepted 2 times. Dimmitt's JV did a good job offensively as well with 186 yards total offense. Two of the Dimmitt drives were stopped when they fumbled. Since neither offense could control the ball, the defense was forced to score and they did in the fourth quarter. Defensive safety Mike Givens tackled a Dimmitt runner in the end zone for the 2 point safety that won the game. Making the yards on the ground for the JV Lopes were Gilbert Salinas-53 yards on 11 carries, Todd Johnson-60 yards on 10 carries, and Keston Prince-47 yards on 9 carries. Making receptions for the JV Lopes were Dan Evans, 1 for 13 yards, and Mike Givens, 1 for 19 yards. The JV Lopes ended their season with a record of 3-6.

# 8th Lopes Finish Season On Winning Note, 42-20

The 8th grade football team finished the 1983 football season on a winning note by running over Dimmitt last Thursday 42-20.

And running over Dimmitt is just what the 8th Lopes did with 290 rushing. They tacked on another 60

yards passing for 350 total yards offense and one of their best offensive performances of the year.

The 8th Lope defense held Dimmitt to only 190 offense. Dimmitt's touchdowns came on scoring runs of 40, 25 and 16 yards.

Abernathy's scoring attack was led by Ricky May, who made 3 touchdowns and 2 extra points, and Irvin Dunn with 3 touchdowns and 1 extra point. The first TD was made when Ricky May ran in from 30 yards out. May also added the extra point.

May made the second TD as well on a 14 yard run. This time Irvin Dunn made the extra point.

Irvin Dunn did the honors on the third TD with a 9 yard scoring run. Ricky May added the extra point. Dunn also got the next TD on a 40 yard reverse. Quarterback Givens then connected with Dewayne Young for the extra point.

May broke loose and ran 40 yards for the next TD and the extra point attempt failed. The final TD was made by Irvin Dunn on a 60 yard pass play from Quarterback Givens.

Coach Ray Ater mentioned several outstanding players: on offense-Givens, Dunn, Young, Garcia, Bigham, May, Shafer, Hannel, Knight, Pearson, Konstantakos, Aguirre and Rodriguez. And on defense-Hannel, Healy, Aguirre, Konstantakos, Pearson, Cano, Knight, Vandygriff, Lopez, Shafer, Parker, May, Bigham, Garcia, Young, Dunn and Givens.

When discovered in 1781, the planet Uranus was named George in honor of King George III of England.

## Booster Club News

The Booster Club met Monday night for their last regular meeting before basketball season.

The varsity boys football team were the guests and the senior players were introduced and a brief history of their football

careers was given. Everybody enjoyed the film of the Friday night victory over Dimmitt.

The Booster Club would like to invite everyone to come watch the girls and boys basketball games on Tuesday and Friday.

Anyone who would like to have their name listed as a basketball booster in the Caprock Tourney next Program can contact Don McKenzie or Betty Smith for more information.

## 7th Lopes Fall Short Of Dimmitt 12-24

The 7th Lopes were defeated by Dimmitt 24-12 in their final game of the season last Thursday.

The entire game was a struggle for both teams as the 7th Lopes garnered 85 yards passing and 61 rushing for 146 yards total offense, to Dimmitt's 191 yards offense.

The 7th Lopes scored on an incredible pass play from Quarterback Miller to receiver Blaine Cox. The pass play was good for 75 yards and a touchdown.

The second Lope TD came on a 10 yard pass play

from Miller to David Macias.

Coach Ray Ater praised the following outstanding players: on offense-Miller, Rawlings, Cox, Martinez, Ruiz, Gainer, Soto, Hood, T. Garcia, J. Garcia, Young, Olivas, F. Garcia, Douglas, Lamb, Shuey, Barcheers, Knight, Hagstrom, Palacios, Guzman, Macias and Avalos; on defense-Miller, Ruiz, Gainer, Soto, Hood, T. Garcia, Young, Olivas, Douglas, Shuey, Hagstrom, Palacios, Ortiz, Guzman, Macias and Avalos.

## Houston And Mansanales Ranked In Top Ten

Randy Houston and Jamie Mansanales were listed as two of top ten area 3-A players recently in the Lubbock Avalanche Journal. The players are rated due to their individual performances (stats) compared to other individual performances of 3-A players in this area.

Randy Houston was ranked ninth in the receiving

category. Up to the Dimmitt game, Houston had caught 15 passes for 215 yards, averaging 14.3 yards per catch. He also caught 2 TD passes.

Jamie Mansanales was ranked tenth in passing. Up to the Dimmitt game, Mansanales had completed 38 of 80 passes for 543 yards and 6 TD passes. He has only been intercepted 6 times during the season.

### McCune Presented 35 Year Service Award

A long-time employee of Southwestern Public Service Company in Abernathy received a service award at a dinner at the Lubbock Country Club Tuesday, November 1.

Harold Drew McCune was honored for 35 years service to the Company and its customers.

Southwestern Public Service honored 92 of its Southern Division employees at the dinner. The 92 have served a total of 1,650 years.

Bert Ballengee, president and chief operating officer

of the Company, presented the service awards.

This year, Southwestern recognized a total of 385 employees in four states who have served a total of 5,805 years.

Southwestern Public Service primarily provides electric service to a population of more than one million in a 70,000-square-mile area of the south plains and Panhandle of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle, and southwestern Kansas.

### 4-H Food Show

4-H'ers will match food-and-nutrition expertise against each other in the Hale County 4-H Food Show, Saturday, November 12 at the Ag Center in Plainview.

Approximately 50 youth will compete in senior and junior divisions, according

to Mrs. Melissa Long, County Extension Agent.

The schedule is as follows: 9:00-9:30 Participant Registration, 9:30-12:00 Judging-Mother's Program, 12:00-12:30 Public Viewing, 12:30 Tasting Bee and 1:00 Awards.

## Area Events

### FREE MODELING AND SELF-IMPROVEMENT WORKSHOP

The Cinderella Girl Scholarship Program is sponsoring a free self-improvement and modeling seminar for young girls between the ages of 3-17 years old in the Lubbock area.

The seminar is being held in conjunction with the "Cinderella Day" activities scheduled for Saturday, November 12, 1983 at the Lubbock Civic Center Holiday Inn, 801 Avenue Q. The seminar is designed to offer the young ladies of the area training in good, grooming, poise, personality projection and self-confidence and will be taught by a staff of the nation's leading experts on modeling and self-improvement.

Girls attending the three hour seminar, which will be held from 9 a.m. to 12 p.m., will have a chance to meet the 1983 Texas State Cinderella Girl Royalty along with some of Cinderella's favorite animal characters who will be on hand to add fun and laughter to the Day's festivities.

Following the modeling seminar will be a spectacular Cinderella Girl Extravaganza presenting the local Cinderella Girl overall, beauty, talent and Photogenic girl winners from Lubbock, Borger, Amarillo, Pampa, Childress, and Plainview. For more information about making reservations for this special event contact: Betty Wall (806) 799-5175. There will be a nominal registration fee of five dollars.

### FAMILY PLANNING CLASSES IN LUBBOCK

The Couple to Couple League will teach a series of four monthly classes on natural family planning at the Catholic Family Services building located at 123 north Avenue N in Lubbock. The classes will start Tuesday, November 15 at 7 p.m.

The C.C.L. certified teaching couple is Louis and Alma Lopez of Abernathy. The Couple to Couple League is national non-profit interfaith organization dedicated to providing information on natural family planning.

The method taught by C.C.L. is the sympto-thermal method, a system of fertility awareness in which several symptoms of female fertility are used for the greatest reliability. This method in actual practice can achieve an effectiveness at the 99 percent level, a rate comparable to that of the Pill and the I.U.D. but without the harmful side effects and abortifacient functions associated with these artificial methods.

For further information and pre-registration contact Alma or Louis Lopez at 298-2674 or Petra Pitts of Catholic Family Services at 765-8475.

### COMMISSIONER OF EDUCATION TO SPEAK IN LITTLEFIELD

Raymon L. Bynum, Commissioner of Education for the State of Texas, will speak in Littlefield November 17 at the Lamb County Ag and Community Center at a 7:30 p.m. meeting sponsored by District 14 of the Texas PTA and the South Plains Area PTA Council.

Administrators, school board members and parents in the West Texas area are invited to the public meeting according to Mrs. Merwyn Igo, Plainview, District 14 president. The area-wide meeting is being held in conjunction with American Education Week, November 13-19.

Mrs. Warren B. Tynes, Waco, State Board of Education member and president of Texas PTA, will also speak at the meeting.

Mr. Bynum will present information on the direction in education brought about by recent legislation and is expected to speak to proposals of the Governor's Select Committee on Public Education.

Mrs. Tynes will also speak on the activities of the State Board of Education and cooperative efforts of the Texas PTA and other educational organizations.

A reception honoring Mr. Bynum and Mrs. Tynes will be held at 7 p.m. preceding the public meeting.

### LUBBOCK SYMPHONY ORCHESTRA AND IRENE GUBRUD TO PERFORM

The Lubbock Symphony Orchestra, William A. Harrod founding conductor, will present the November concerts "A Night at the Opera" Monday and Tuesday, November 14 and 15, beginning at 8:15 p.m. in the Lubbock Civic Center Theatre. These concerts will include operatic highlights featuring the Lubbock Symphony as well as guest soprano Irene Gubrud.

Tickets are now being sold for the concerts and are priced at \$10 and \$12. Additional ticket information may be obtained by calling the Lubbock Symphony Office at 762-4707 or by going to the Office located at 1721 Broadway.

### WINDBREAK SEEDLINGS NOW AVAILABLE FOR 96 WEST TEXAS COUNTIES

Farmers and ranchers in 96 West Texas counties can now purchase low-cost conifer seedlings, for use in planting windbreaks around their fields and farmsteads, thanks to stepped-up production by the Texas Forest Service's West Texas Nursery in Lubbock.

In its fifth year of operation, the West Texas Nursery has increased its production to the point where it can offer seedlings to 27 additional counties for the first time, making a total of 96 Panhandle and other West Texas counties served.

Now is the time to write for applications and make arrangements to pick up the 6- to 12-inch seedlings. They will be distributed at pick-up points in eight different cities during February and early March.

West Texans interested in planting trees for homestead, field, feedlot or wildlife windbreaks, should write for seedling applications: West Texas Nursery, Texas Forest Service, Rt. 3, Box 216, Lubbock, Texas 79401, or call (806) 746-5801.

## Letters To The Editor

Dear Editor:

I would like to thank everyone who helped make our Octoberfest a success. All of the booths were terrific.

The individual booths were presented by Coralie Cox (Farm Bureau), Lions Club, Farmers Tuco Gin, Young Homemakers, Eastern Star Ladies, and Cub Scout Den 4. Thank you for taking the time for our children.

Those people helping with the Chamber sponsored events were: Hoppy Toler, Clayton Enger, Ken Moreland, Y.F. Snodgrass, Jan Montgomery, Diana Phillips, Donna Ryan and Dilene Cox. The Baptist Church let us use their P.A. System and Struve Implement brought a flat bed trailer for our use.

We also appreciate the Abernathy Fire Department, and especially Oliver Shadden. The use of the Fire Dept. facilities is also appreciated.

The merchants who donated prizes were: Pinson's Pharmacy-five bottles of cologne; Struve's Dept.

Senior-division entrants are ages 14-19, while junior-division youth are ages 9-13.

This year's theme is "Rustle Up A Dish".

For the contest, each 4-H entrant will compete in one of four classes, including main dish; fruits & vegetables; breads and cereal; or nutritious snacks and desserts.

Dear Editor,

Due to the recent turn of events in the farming areas of our trade territory, the future looks bleak. We are almost overwhelmed by the drought, the early freeze and the devastating rains and hail.

However, as we look at these events, we can see a ray of hope, a bright spot, a silver lining beneath the cloud. There is for every business an opportunity to reach out and enlarge its market potential among our hard hit rural neighbors.

Traditionally, businesses that are not directly agriculture-related, fare better in times of poor farm economy than they do in times of economic prosperity of the farmers. This is due to the fact that they no longer can travel around the globe and buy their consumer products wherever they might happen to be. They cannot afford to travel freely, so they will shop close to home to get the maximum out of their dollars invested. This means that business people have a double barreled opportunity. They can help their hard-pressed friends and neighbors by showing them they really care and make loyal customers once again out of them.

No man is an island. We neither live to ourselves or die to ourselves. Everything we do has an impact upon someone around us.

Since human beings desire to belong, or desire to be in the company of other human beings, we tend to trade where there are other people trading. In short, I do not like to dine alone in a restaurant. I do not like to gas-up my car in a station with no other customers there. I do enjoy the hustle and bustle of, say, Christmas shopping, football games, and other activities that many others are involved in.

I have said that to say this, "When a merchant advertises, promotes and markets his product, and draws into his place of business great crowds of people, others will likewise follow if for no other reason than to see what is happening." Therefore, should that customer have a pleasant experience, enjoys the hospitality shown, and feels the price is right, he will be back for more of the same type of treatment.

An opportunity exists just now to reach out a helping hand to our neighbors and make our goods and services available to them at a price they can afford.

Grocers and other merchants in Abernathy can undercut the Lubbock merchants by moving double stamp day back to Saturday and by more merchants being open on Saturday to serve the customers.

The Abernathy business community has an intrinsic value in that it is accessible with little travel to most rural families in its area. It has the basis for being a

strong central market area. The structure is there. Peoples Ceramics is a territorial distributor for Duncan Ceramics and people from three of four states come there to shop for molds, greenware, slip, and other ceramic supplies. Yes, I have talked to ceramic shops in Amarillo, Wellington, Childress, Hollis, Vernon, Lubbock, Crosbyton, Ralls, Floydada and other areas that journey to Abernathy for those supplies and paints for their own ceramic shops.

Incidentally, for those that are fraught with anxiety, working with ceramics is an outlet for frustrations and anxieties. An hour of work on a ceramic piece is worth more than five hours with a psychologist and gives a much greater satisfaction because the progress can be seen.

As a business man promotes his business and expands his horizons, he can literally accomplish the same thing. He can see the progress he has made.

Oh, it is easier to say, "I can't make it," and fold, than it is to bear down and make our businesses work.

In order to get maximum results in greater business

opportunity, Abernathy, through creative thinking and innovations will devise a way to get the traffic off I-27 and into downtown Abernathy. It may take a road block or a skillfully engineered promotional program, but it can be done. Strange, a few years back, some merchants even complained about the highway through town and that it needed to be moved to go around town. Where are their businesses now?

When a town, such as Abernathy, really decides to take affirmative action to promote their town and businesses, something good for the entire town always happens. Closer relationships and stronger emphasis upon the entire towns business community and its continued prosperity and success.

Through a strong positive mental attitude, planning strategies, and affirmative action, Abernathy can and will grow.

Or merchants can operate like Bell Telephone Company-service gets sorer and sorer, service is already exorbitant for value received and they want more. The choice is up to

the individual business.

Thanks,  
Pete Looney
