NUMBER FORTY-SEVEN

Indians Drop Season Finale 35-20

The Haskell Indians finished the 1972 football season last Friday night falling to the Ballinger Bearcats 35-20, to finish in third place in District 6-AA. The Indians massed a total of 229 yards total offense in the contest to the Bearcats' 479. The Bearcats retained possession of the ball for 82 plays to the Indians' 58.

Jackie Young led the Indian rushing attack with 77 yards. Charles Alexander had 58, and Bobby Cobb had 30. Billy Jernigan led the Bearcat offense with 199 yards followed by Johnny Slaughter with 149, and

Frederick Snell with 77. The Indians received the opening kickoff and three plays later were forced to punt. On the Bearcats 4th play, Phillip Josselet recovered a fumble on the Ballinger 25 yard line. On the next play Bobby Cobb passed to Robin Colbert for the first score of the game. PAT was blocked.

Three minutes and 8 plays later the Bearcats had marched 72 yards for the only other score of the first period. PAT was good. Ballinger began a drive as the first period ended and marched 91 yards in 9 plays to

score in the opening minutes of the second period. Two point conversion was good. The Tribe failed to move the ball on their next possession and were forced to punt. The Bearcats again moved the football and marched 50 yards in 8 plays for the TD. PAT was good.

On the Indians next possession, Young carried the ball two times for a total of 51 yards, one of which was a 40-yard scamper in which he broke numerous tackles. Alexander carried the ball in from the one for the score with 3:55 left in the half. Two point conversion was good.

Ballinger came right back to move the ball 56 yards in 10 plays for the TD with 10 seconds left in the half. PAT was good.

The third period was scoreless until less than one minute left when Alexander rushed 13 yards for the Indian score. Two point conversion was no good.

On the first play from scrimmage following the kickoff, Jernigan broke for 80 yards and a TD. Two point conversion failed.

During the fourth period the Indians managed only 8 offensive plays and were held to 6 yards rushing and 9 yards passing. Cobb, Young and Alexander each had one attempt for a total of 11 yards rushing but losses of 9 and 2 yards evened the figure at 0. The 9 yard pass came on a first and ten call from Cobb to Colbert. Colbert also intercepted a Ballinger pass midway through the final period.

bert, Martin Randle, Phillip Josselet, Kenny Ivey, Tim Pringle, Randy Ivy, Jody Miekler, Coach Ray Sefcik; back row, Coach Bobby Dodd, Jackie Young, James McCoy, David Dodson, Charles Erwin, Frank Jircik, Danny Smith, and Coach Gary Davenport.

Country Comments by Clydene Comedy

Farmin' Filisopher sez had meant men to un-women. He would de men a lot smarter! CCC

Auditor Bill Reeves, ting my column last reed with me that the re getting beautiful all n. He also told me that ty wife, Doris, has a in full bloom in her an unheard-of thing e of year.

takes all visitors out to oddity when they call. ing up the strange be- of the plants at his Bill grew philosophical. "Ah, well, there's no g. Anything ration- a Republican can carry County!" CCC

ber of Commerce has put in many hours of careful planning to give this trade area the very best in top name brand merchandise at the very lowest possible prices. It's the merchants' way of saying, "Thank you for trading in Haskell; we appreciate your business."

And it is also the opportunity of this newspaper to say, "Thank you for subscribing," and gives us renewed interest in printing a better newspaper—with more news, and more pictures of the people and happenings in your home county. CCC

Most readers will receive this edition on Thanksgiving Day—it is our hope that when you read this column you will pause to remember all the GOOD things that people have done for you, and that has happened to you. Give thanks for your health, your friends, and—most of all—for your families who love you.

Remember that our Saviour died on the cross for our sins. All He asked us in return was to try our best to live as He would have us live, and that we forgive other people for their shortcomings, as they should forgive us.

Have a happy, happy Thanksgiving Day!

GED Tests To Be Given In Rule

General Educational Development tests will be given at Rule Dec. 2 at 8:00 a. m. in the High School Library.

There are five tests in the battery and if all are successfully completed the examinee will qualify for a high school equivalency certificate issued by the Texas Education Agency.

This certificate is recognized as a high school diploma for employment and in most instances for college entrance. A person must be at least 17 and out of school for one year.

No pre-registration is necessary but a \$10.00 fee is charged for the tests. Additional information may be obtained by calling the Superintendent of schools at Rule, 817, 997-4941.

4-H Awards Event Set November 27

The Haskell County 4-H Awards Banquet will be held Nov. 27th at 7:30 p. m. in the Haskell Elementary School, according to County Extension Agents, Max Stapleton and Barbara Elliott.

The banquet will honor Haskell County 4-H Club members who have earned awards based on their 4-H club records and work for the 1971-72 club year.

Carol Dudensing, daughter of Mr. and Mrs. Wallace Dudensing and Kyle Wilfong, son of Mr. and Mrs. Andy Wilfong will receive the Gold Star Award.

The Haskell County 4-H Council will be in charge of the program and special entertainment will be provided by Miss Patricia Arredondo, daughter of Mr. and Mrs. Felipe Arredondo of Haskell.

ATTENTION FARMERS

During the last half of November and December, some 60,000 farmers and ranchers will receive either a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service. Accurate estimates are of great importance to producers, providing an accurate picture of agriculture for each county and for the State of Texas. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for county and State estimates.

Haskell Foundation

The Haskell Industrial Foundation is inserting a Labor Survey in this newspaper for the purpose of gaining an idea of potential labor force for a Herman Marcus, Inc., plant to be located in Haskell.

The plant manufactures lady's apparel. If located in Haskell, the plant will employ from 60 to 75 people immediately, and possibly as many as 200 la-

Conducting Survey

ter on, if they find the right kind of people who are willing to work.

If you are interested in this type of employment, you are asked to fill out the application and mail it.

December 8 and 9, representatives of Herman Marcus, Inc., will be in the Community Room of Haskell National Bank, to interview applicants.

LESS THAN FOUR minutes after members of the Haskell Volunteer Fire Department began unrolling hose from the fire truck, flames in Deborah Brockinton's home were completely extinguished. All items inside the house and the inside walls were completely destroyed. L. C. Johnson, Ramond Andrada and Bob Dumas are shown holding the hose as firemen enter the house. (Staff Photos)

Cats Lose Game, Flip, District

Chillicothe Eagles defeated the Rule Bobcats in a district game at Chillicothe Nov. 17, throwing the 5-B into a three way tie with Chillicothe, Throckmorton and Rule. Winning the flip at Rule was Chillicothe. They present district 5B a-1B winner, Lometa, for the opening kickoff on the first play of the game the Eagles intercepted the ball and took possession. Near the end of the game a pass from Briles was good for 6 points and left on the clock. The Macias was good. In the second quarter, the PAT was no good leaving

line twice but lost scoring opportunities with fumbles. Recovering two fumbles for Rule during the second quarter was Roy Don Wilson and Lynn Dale Dudensing.

Chillicothe took the kick off at the half and marched 63 yards with the triple option. Then off tackle Randy Perkins scored for the Eagles and Eddy Turner made the two-point conversion good with 4:30 left on the clock to put Chillicothe in the lead 7-8. Rule received the ball but was forced to punt on downs. Chillicothe fumbled and Roy Don Wilson recovered the fumble for Rule.

Only score in the fourth quarter came on a 43-yard touchdown run by Freddie Hunter. The PAT was no good leaving

the score 7-14 with 36 left on the clock. Rule received the ball and carried to the 50 yard line. Pass from Briles to Hisey placed the ball on the 20 yard line. Next play was a pass which was incomplete and the next pass was intercepted by Chillicothe as time ran out.

Chillicothe season record is 6-4 and Rule's 9-1. In another district game Throckmorton defeated Rochester 23-6.

Gold Rush Day November 28

Farmcast

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

Call Prices Above Parity ... for cotton is 56.05 cents per lb. In other crops, wheat showed a gain of 21 cents compared to a month ago with an average price now at \$1.96 per bushel. Corn was up five cents at \$1.42 per bushel compared to a month ago. Grain sorghum also showed a nickel increase at \$2.16 average per hundredweight.

Stalk Destruction Deadline Is Nearing ... SAD Helo Is On The Way ... Turkey Time Is Nearing.

Calf prices, the Texas Crop and Livestock Reporting Service notes, are above parity by almost \$3 per hundredweight. Effective parity for calves is \$44.00; average market price in Texas is \$47.70. But only calves are above effective parity levels. All other farm prices remain below parity.

The all-products index of prices received by farmers and ranchers is 15 percent above a year ago; the livestock index is 20 percent above last year while the all crops index is four percent above last year.

Cotton showed the biggest decline in price of all other crops. The average cotton price in the state is 21.6 cents per pound. Effective parity for eggs is 56.8 cents one year ago. Effective parity

COTTON stalk destruction deadline is not far off for 44 north central and east counties. Stalk destruction deadline is Nov. 30. Officials urge farmers in those counties to destroy stalks as soon as possible. Recent rains throughout most of the area will keep farmers from getting into fields in the immediate future.

But when a break in the weather does occur and fields are dry enough to work in, farmers can through early stalk destruction reduce carryover of pink bollworms and other cotton insects. In other areas of the state, regrowth of cotton stalks is a problem, and such regrowth should be destroyed.

SAD but true, help is on the way. SAD is St. Augustine Decline and it has been found in lawns throughout the state. It is a virus disease of the grass, and there is no cure for it.

A new variety of St. Augustine Grass—Flori-Tam—should be available to the public soon, perhaps next year. The Texas Department of Agriculture is in charge of seed certification in Texas and has certified 17 producers who are now growing out 42 acres of the new variety. The grass is also resistant to chinch bugs and brown patch.

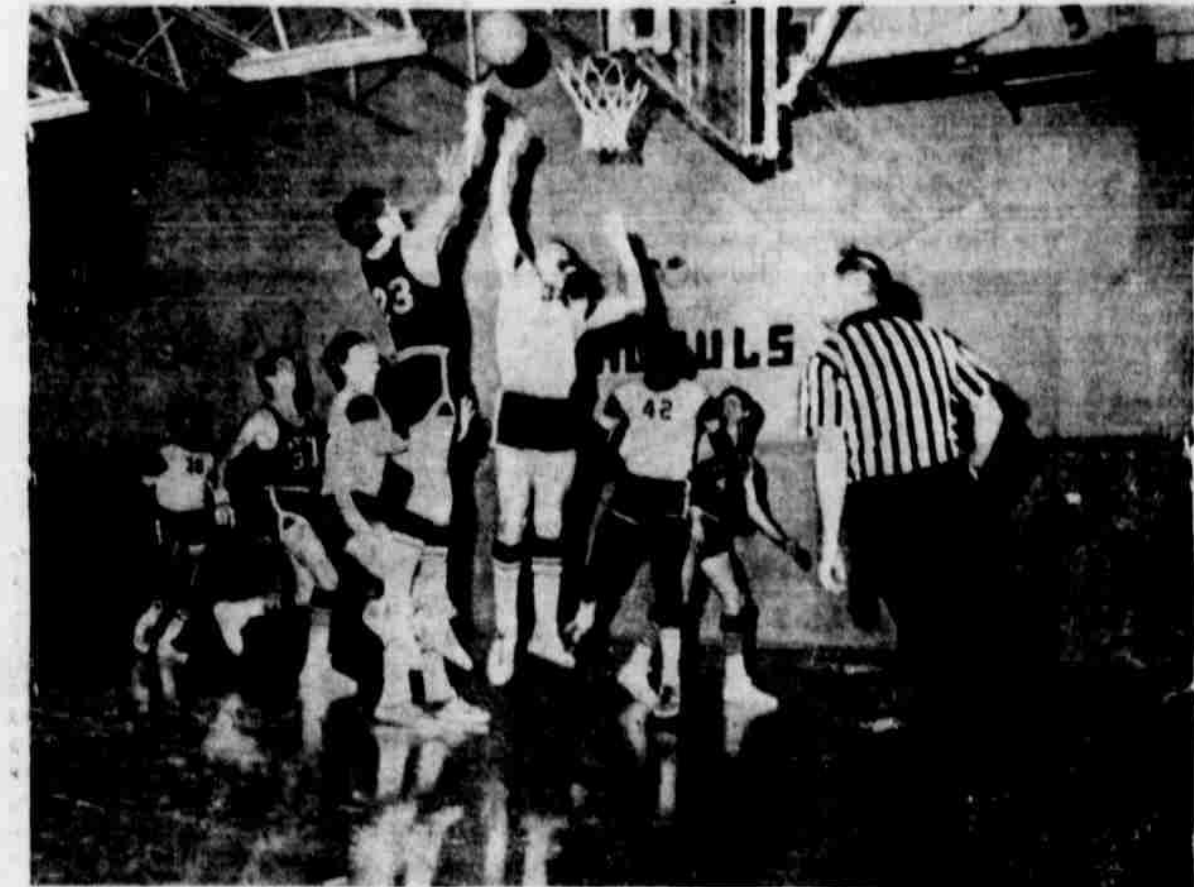

FULL impact of the new pesticide legislation signed into law recently won't be felt for a few years yet, but it will affect every Texan. Rules and regulations as they will apply to states will have to be studied and implemented. States will have a great deal of power in controlling the use of pesticides.

THANKSGIVING time is here and Texans can be assured of plentiful supplies of the traditional turkey. Special programs promoting and featuring turkeys produced in Texas will be aimed at consumers.

The turkey industry in Texas is cooperating with the Texas Agricultural Products—TAP—program to acquaint Texans with the quality of Texas turkeys.

BOBBY COBB RUSHES around left end for three yards and a first down early in the game last Friday night against the Ballinger Bearcats. The Indians lost the season finale, 35-20, finishing the season with 6-4 won-lost record. The Indians won three district games and lost two, to finish in third place in district 6-AA. Hamlin won the district with a perfect 5-0 record. (Staff Photo)

ROBIN COLBERT paced the Haskell Indians to a 67-29 victory over the Munday Moguls Tuesday night in Munday. Colbert lead the Indian scoring attack with 15 points. Surprising for the first game of the season, there were no body blocks, forearm, or trap plays during the game. The Indians practiced only once for the game after the completion of football season last Friday night. (Staff Photo)

Lions Hear Of New Industry

The regular weekly luncheon meeting of the Haskell Lions Club was held Tuesday at the Haskell Steak House with Lion President Joe Williams presiding.

Wallace Cox Jr. led the song session accompanied by Ellen Walling at the piano. Lion Jetty Clair gave the opening prayer.

Lion Darold Roberson, program chairman for the day, introduced Royce Adkins, Bob Beauchamp, Bill Comedy and Abe Turner who each told of recent developments in the Haskell Industrial Foundation's endeavor to locate a business in Haskell.

Beauchamp explained to the group how contact was made with Herman Marcus by a representative of West Texas Utilities Company.

Adkins, president of the Haskell Industrial Foundation, told of a meeting with Hank Dickerson, Industrial Realtors, and a tour of the Herman Marcus plant in Dallas. Representatives of the company stated their desire to locate the sewing plant in Haskell if ample labor was available.

Bill Comedy explained the labor survey, enclosed in this issue, and told Lions that it would be distributed in Haskell, Stamford, Hamlin, Aspermont, Knox City, Munday and Throckmorton. Representatives of Herman Marcus will be in Haskell December 8 and 9 in the community room of the Haskell National Bank to interview all interested persons.

Turner gave a financial report on Herman Marcus and stated that the company distributes ladies apparel nationally and is well financed. During the fiscal year ending July 31, 1972, the company grossed over 6.5 million dollars. They

TOMMY STEELE named Youth Director of First Baptist Church. Tommy is a graduate of High School and plans to attend Missouri University.

Adkins also stated representatives of the company might be as many as 200.

Cagers Take Three Straight

Of Man Winter is not the only one to change seasons in Haskell. Last Friday night the Haskell Indians played their final football game of the 1972 season and after only one practice session they opened basketball season, defeating the Munday cagers 67-29, Tuesday night in Munday.

Haskell also won the 'B' game, 36-33, and the girls game 63-40.

In the 'A' game, the Indians were led by Robin Colbert with 15. Tim Pringle and Martin Randle both had 12. Also scoring for the Indians were Jackie Young with 9, Bobby

Cobb with 7, Joe Kretschmer with 5, and Joe Miekler with 2.

Leading scorers in the girls game were Ronda Horn with 23, and Mary Ann Elliott with 19. Other scorers include: Shirley Abbott with 7, Margie Kretschmer with 6, Marsha Berry with 4, Pam Klose, and Rene Abbott with 2 each.

HASKELL LODGE NO. 241
The November meeting of Haskell Lodge No. 241 will be held November 26 at Irby Hall at 5:00 p. m. Officers will be elected during the business meeting. The entertainment committee has requested that all members bring food and drinks pertaining to Thanksgiving. Members are asked to bring a guest and visitors are welcome.

Callaway Named Farmers Union County President

Hollis Callaway of Weinert was elected president of the Haskell County Farmers Union Nov. 9, at the County convention held in the Haskell Steak House.

Other officers elected include: 1st vice president, Herbert Fischer of Haskell; 2nd vice president, Kenneth Lane of Haskell; and secretary-treasurer, Steve Alsbrook of Weinert. Members of the board of directors will be appointed.

Ron Knobel, regional manager of Texas Farmers Union insurance, spoke briefly about reasons for belonging to Farm Bureau. Knobel has been a member of Farmers Union since he was six years old.

Out going officers include: president, Willard Mullins; secretary-treasurer, Janice Pace O'Neal; Callaway and Fischer were already officers.

Haskell, Texas

Club Plans Meeting
The Christmas program will be at 4 p. m. Dec. 14, in the Haskell Presbyterian Church. The program will be presented by Mrs. Marilyn Jacobs, daughter of Mrs. T. W. Williams, and by Mrs. Minnie Lyles, both of Albany. It is entitled "Madonnas in Arrangements."
This program has been highly acclaimed, and the club is eager to have as many to attend as possible. Members have tickets for sale at \$1.00 each, or they may be purchased at the door.
Paper Mate Roul Bouli—the new pen holder . . . that's a hall! Only \$1.59 at the Haskell Free Press.

PEGGY ANN JONES

Engagement Announced

Mr. and Mrs. Carl E. Jones, formerly of Hamlin, announce the engagement and approaching marriage of their daughter, Peggy Ann, to James Michael Murphree of Arlington.
The prospective groom is the son of Mr. and Mrs. J. O. Murphree of Hamlin.
Miss Jones is a graduate of Hamlin High School and attended Texas Tech University. She is now attending the University of Texas at Arlington and is a sociology major. Murphree is also a Hamlin High School graduate and attended U.T.A. He is currently employed by the engineering division of the Texas Highway Department in Dallas.

Dynamic Women Appreciate U.S.A.

In keeping with the theme that a dynamic woman will do many things, last Thursday night's Progressive Study Club meeting concluded that she will appreciate America.
Mrs. Marvin Letz led the women present in the recitation of "The American's Creed" by William Tyler Page:
"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies."

The program continued with a composite sketch of American folklore, drawn in word and song. Mrs. Frank Martin read excerpts of lore showing the English and Negro heritage in American life. Mrs. A. C. Richardson, Mrs. Jodie Kennedy and Mrs. Doyle High, dressed in "folksy" costumes, sang songs indicating the broad scope of American folk music. The Eastern United States gave us "Pop Goes the Weasel," while "The Boll Weevil Song" can only come out of cotton country, but the melancholy heart of the negro and the cowboy is revealed in the spiritual "Steal Away to Jesus" and John Lomax's favorite cowboy lament "The Streets of Laredo," all beautifully done by the trio. Earliest American folklore, however, is best exemplified by an Indian love ballad set to the tune of "Old Smoky". The program concluded with the group singing "Home on the Range."
Mrs. R. C. Couch Jr. presided over a short business meeting. Everyone is reminded to bring gifts for the Goodfellows and the Vernon Hospital to the December 7th meeting in the home of Mr. and Mrs. Elbert Johnson.
Hostesses were Mrs. T. P. Barnett, Mrs. R. D. Williams and Mrs. Arlos Weaver.

Weinert Matrons Hold Thanksgiving Luncheon Meeting

The regular meeting of the Weinert Matrons Club was held Nov. 16 in the Community Center with Mrs. W. A. King presiding.
After a Thanksgiving luncheon, Mrs. King appointed the Christmas party committee with Mrs. M. W. Phemister as chairman, assisted by Mrs. V. C. Derr and Mrs. Henry Smith.
After answering roll call with their favorite Bible verse, the members gave a gift to be sent to the Vernon Mental Health Clinic.
The Thanksgiving tables were covered with white and centered with cornucopias filled with fruits and nuts and surrounded by fall leaves. Candles and pumpkins were also used with bronze chrysanthemums in crystal containers on each table. Mrs. J. W. Liles gave the invocation and 14 members enjoyed the salad luncheon.
The next meeting will be on Nov. 30 at 7 p. m. in the Weinert High School. The program will be on "Religion in the Home." Hostesses will be Mrs. M. C. Cunningham and Mrs. M. W. Phemister.

4-H NEWS

The Paint Creek 4-H fourth, fifth and sixth grades had their first meeting on 'foods and nutrition' November 17, in the Homemaking Building.
The meeting was called to order and new officers were elected including: president, Gina Fischer; vice president, Debra Wells; sec'y-treas., Kristy Dare; reporter, Linda Wells.
Members discussed and made posters on breads and cereal foods. After studying foods in this category members made plain pancakes and cheese-bacon pancakes.
Six members were present at the meeting.
Mrs. Gaston Tidrow's 4-H project club met in the court-house kitchen November 16th, and made Chili Mac's. Mrs. Tidrow called the meeting to order and members elected officers. They are: chairman, Kim Lane; vice chairman, Sonjo Tidrow; sec'y-treas., Kim Hale; and reporter, Janet Phillips.
Members discussed the importance of food and decided to name the group the Number One 4-H Group.

Rainbow Sewing Club Holds Dinner

The Rainbow Sewing Club met November 16 in the Methodist Church Annex for their Thanksgiving dinner.
Mr. Earl Livingood offered thanks for the Bountiful dinner and the privilege of meeting on the special day. Wendell Gideon opened the program leading the singing accompanied at the piano by Mr. J. F. Cadenhead, Sr. The Rev. H. O. Abbott, pastor First United Methodist Church, was guest speaker at the dinner. He told those present of the first Thanksgiving and how the day evolved into what we know it to be.
Mrs. Abbott and Mrs. Gideon sang two duets accompanied by Rene Abbott at the piano. Cathy Larned sang a solo accompanied by Angie Mullint who played the French Harp.
Mrs. W. E. Johnson read the poem, "The Old Kitchen Floor," and John Larned gave the dismissal prayer.

Entering the Stamford Hospital last Monday was Carl Davidson.

Mrs. Dollie Bewley of Wichita Falls is visiting this week with Mr. and Mrs. J. N. Cornelius and Tommy, and Mr. and Mrs. Richard Cornelius.

DPS Steps Up Litter Program

An intensified effort to prevent littering on the highways of Texas was announced today by Colonel Wilson E. Speir, director of the Texas Department of Public Safety.

Speir said DPS patrolmen in all uniformed services have been ordered to watch closely for motorists or other persons throwing litter on the highways or rights-of-way, and to take appropriate enforcement action.

State law prohibits the dumping or depositing of refuse, garbage, rubbish or junk on public streets, roads or highways. It is also unlawful to dump any sort of waste on rights-of-way, beaches, parking areas, or in inland streams or coastal waters.

Fines for littering offenses may be as high as \$200, and minimum fines of \$25 are provided in some instances.

Speir said the DPS made 841 littering arrests in 1971 as compared to 225 in 1960. Total pol-

Naman-Texas Farmers May Lose 37 Million

Texas Farmers Union President Jay Naman of Waco condemned the Department of Agriculture's decision on next year's cotton program as being "devastating" to Texas cotton farmers. In a statement released last Thursday, Naman said, "The decision by Secretary Butz to reduce cotton payments is the second of a one-two punch on the cotton farmer's chin. Mr. Butz landed the first blow with the announcement that the last year's low loan level would be extended for another year. He now adds insult to injury by depriving cotton farmers of 13 percent of their pay acres. This will be a knockout blow to many Texas cotton farmers."

Naman pointed out that the Department of Agriculture encouraged more cotton production and created the low price condition that now plagues the Cotton Belt. He said that USDA seems intent on putting soybeans and feed grain producers next year in the same predicament as cotton farmers this year.

"By removing the 20 percent set-aside, Secretary Butz is opening the door to the expansion in production of possibly two million more acres in soybeans on cotton acres that have been out of production. This will provide the incentive for southern and southwestern cotton producers to substantially increase their acreage in grain sorghum and corn next year," Naman said.

"If Secretary Butz had wanted to help cotton farmers, he would have increased the loan to a minimum of 28c a pound and announced a paid diversion program for cotton in place of the free set-aside. This would provide cotton farmers with some of the options now open to feed grain producers."

"Texas cotton farmers stand to lose in excess of thirty-seven (37) million dollars in reduced pay acres on cotton next year because of a decision by the Secretary of Agriculture."

"It is time for Congress to remove some of the discretionary power which Mr. Butz now has and uses so irresponsibly," the state farm organization leader said.

According to outgoing Haskell County Farmers Union President Willard Mullins, "the announcement of a 19 1/2 percent loan for 1973 is only 74 percent of the world market and 34 percent of the parity price."

Mullins also stated, "the payment plus the loan does not equal the cost of production according to USDA's own figures."

Hood Furrh

Funeral services for Hood Vince Furrh, 62, of Haskell, were held November 20 in the First Baptist Church in Haskell with Dr. Troy Culpepper, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mr. Furrh died November 19, in Rice Springs Care Home after a stay of about five days.

Born May 16, 1910 in Weirter, he was employed as a chef in several states after graduation from high school. He returned to Haskell in September of this year. He was a member of the Weirter Baptist Church.

Survivors include: one daughter, Mrs. Judy Westbrook of Napa, Calif.; three grandsons; three brothers, L. S. Furrh of Stamford, Stanley Furrh of Haskell, and I. N. (Ike) Furrh of Eloy, Ariz.; four sisters, Mrs. Floy King of Slaton, Mrs. Maye Holcombe of Haskell, Mrs. Clara Caddell of Plainview, and Mrs. Dove Furrh of Haskell.

Nephews were pallbearers.

China Marker pens, general marking crayons, Listo wax pencils for price-marking, available at HASKELL FREE PRESS

Cox, Hardin Coffield, M. C. Wilson, Ben Isbell, Joe B. Scrivner, Leonard Villareal, C. N. Taylor, J. W. Hawkins, Vernon Lusk, Bill Pennington, Lee McKelvain, Raymond Melton. (Staff Photo)

NOTICE THE STATE OF TEXAS COUNTY OF HASKELL

Notice is hereby given that a hearing will be held on the 16th day of Nov., 1972, at 10:00 a. m. in the County Court at the County Courthouse of the above named County in Haskell, Texas on the hereinafter named owner for an off-premises beer license and a package store permit. The substance of said application is as follows:

1. Type of license or permit: Beer Retailers Off-Premises License and Package Store Permit.
2. Exact location of Business: 6.2 miles south of Rule city limits on west side Highway No. 283, City of Rule, County of Haskell.
3. Name of Owner or owners: A. C. Denson, Rt. 3, Stamford, Texas 79553.
4. Assumed or trade name: Party Port of Rule, Texas.

Any person shall be permitted to contest the facts stated in said application and the applicant's right to secure said license or permit upon giving security for costs as provided by law.

WITNESS MY HAND this the 8th day of Nov., A. D. 1972. Mrs. Lee McKelvain, County Clerk, Haskell County, Texas. 46-47p

CAP Meeting

CAP Board of Directors will meet December 4, at 7:00 p. m. All members are urged to attend.

The neighborhood clinic will be held December 2, at 1:30 p. m.

CAP personnel will assist anyone interested in sewing or quilting. They are currently making plans for sewing classes and any interested person is asked to contact the center. Several quilts are now available at the center. They would make fine Christmas gifts.

CAP officials were very pleased with the results of the garden last summer and are currently making plans for another one and invite all interested persons to come by and register.

To Participate In Fall Concert

Alexia Mayfield, freshman from Weinert, will be participating in the Hardin-Simmons University's Fall Concert, Nov. 20 at 8:15 p. m. in Behrens auditorium.

Directed by James D. Cram, head of the department of applied music, the Concert Choir will be assisted by the Brass Choir. Bill Owens, assistant professor in brass and music education, is director of the Brass Choir.

Accompanists include: Barbara Carter, organist, who is a junior from Snyder; Cherry Barlow, percussion, who is a senior from Abilene; and Barry Dowell, string bass, who is a sophomore from Irving.

The accompanists will be playing in a jazz ensemble in which Dr. Cram will be pianist. According to Dr. Cram, it is a rather novel thing to combine jazz with a rather serious sacred chorus.

The final section of the program will be the cantata "Apparebit Repetina Dies" by Paul Hindemith assisted by the HSU Chorale.

Either-Sex Deer Hunts Valuable

AUSTIN — Texas Parks and Wildlife Department biologists are ready for the state's third experimental either-sex deer season.

The number of counties involved in the experiment has steadily climbed since the initial four participating counties in 1970.

The number jumped to 25 in 1971, and 53 counties are involved in either-sex deer harvests this year.

The need to harvest both bucks and does became apparent to wildlife biologists back in the 1940's when massive die-offs struck the Edwards Plateau whitetail herds. Deer simply reproduced themselves past the carrying capacity of the range and starvation trimmed the excess.

Biologists implemented censusing techniques in 1953 and obtained population estimates of the Texas herds that showed excessive deer.

Accurate population data provided the initial management tool and the first doe harvest was started in 1953.

A review of landowner use of doe permits from 1953 to 1970 indicates that only 50 percent of the permits were passed on to hunters.

This conservative approach to antlerless deer harvest prompted the department to start the present system of experimental deer "tags" in counties with an either-sex season.

Special tags were issued to landowners in unlimited numbers and the owner had complete control of the harvest.

The only requirement is that landowners obtain special identification tags from the department for issuance to hunters. These tags identify the deer as being killed within a designated county.

Such hunts have been held on the department's Kerr Wildlife Management Area near Kerrville since 1956. The area now has a herd composed equally of does and bucks. The experiment has shown that legal hunting pressure will not deplete a deer herd when adequate habitat and food is available.

Either-sex hunting reduces pressure on bucks and increases the food supply available for the remaining herd.

Since deer management may be compared with livestock management, it does not make sense to sell the best bulls and leave the immature animals to expand the herd.

Much the same applies to deer. The tags which are available in unlimited quantities are not to be confused with doe permits. Permits are issued in limited quantities based on an overpopulation of deer and the carrying capacity of the land in ratio to the proportion of land having surplus deer.

REVIVAL

The Haskell Church of God will hold a revival November 24-December 3. The Rev. Paul Judd of Rochester will speak at the Nov. 24-27 meetings, and the Rev. James Smith of Mineral Wells will speak at the November 28-December 3 meetings. The services will be held nightly at 7:30. Rev. J. W. Davis is pastor of the church, located on the Throckmorton highway.

CHAMBER MANAGER

Mrs. B. B. Gilmore has been named Manager of the Copperas Cove Chamber of Commerce. She has worked as secretary for the chamber for almost three years. The Gilmores owned the John Deere tractor and implement franchise in Haskell for 22 years prior to moving to Copperas Cove.

MEMBERS OF THE Haskell First Baptist Church are proud of the new steeple which was mounted on a 39 foot structure made of fiberglass and wood.

Winter Tire Tips Offered By Council

While millions of skiers look to the sky and think "snow," millions of motorists should look at their car and think "tires."

"Winter weather brings hazardous driving conditions to their peak," says Ross R. Ormsby, Chairman of the Tire Industry Safety Council. "Both the safety and the mobility of the driver and the car are put to the utmost test. Proper and well cared for tires will give a distinct advantage during the rough months ahead."

The Council offers these tips on winter tire care:

Consider the weather conditions you expect to encounter in your area, and make sure you have the proper type tires your car will need.

Check inflation regularly. Changing temperatures affect a tire's air pressure. For every 10 degree drop in temperature, a tire's pressure goes down one pound.

"Bald tires" — worn to a tread groove depth of 1-16 inch — are dangerous even when road conditions are excellent due to the possibility of sudden disintegration. For safety's sake get rid of them.

Winter tires deserve the same "break-in" period as do regular tires. It is recommended speeds not exceed 60 miles per hour during the first 50 miles of driving.

Deflating your tires in order to get additional traction in snow is an "old wives' tale." Deflating your tires means decreased traction in snow or ice.

"Caring for your car, and especially its tires, can mean a world of difference this winter, but don't defeat your purpose by driving carelessly," says Ormsby. "During tricky weather conditions, a good driver will

NUMBER FORTY-SEVEN

CONSERVATION NEW POINTS

Editorial Conservationist
J. C. YEARY, JR.

On Thanksgiving Day, I am thankful that we live in a nation that believes in the conservation of its natural resources to the point of allowing its people cost-share assistance to apply needed conservation measures.

Can you even begin to imagine what Haskell County would be like without the conservation movement? I can. I can picture fields abandoned from the production of cotton, maize, and wheat due to deep gullies and the loss of valuable top soil. I can visualize pastures without sufficient grass to feed our herds of fine cattle that we now have.

I can visualize mass movement of soil particles during a heavy wind storm. I can picture the sun blotted out at noon because of blowing soil. I can see long lines of hungry people standing in breadlines because their land did not produce. I can visualize closed businesses because there is no money to buy the necessary items to keep the family properly clothed, fed, and housed.

But I don't have to look this way. Because of the efforts of past and present men of vision, we have sound conservation programs that are aimed at preventing all these horrors I visualized.

I look into the future, this Thanksgiving Day, with a thankful heart, and I see beautiful fields, terraced and contour farmed, producing an abundance of products. I see lush grass and fat cattle grazing in the pastures. I see the sun in a clean sky, free of soil particles. I see thriving businesses with much activity.

And I am truly thankful to God, this Thanksgiving Day, for giving me the ability, knowledge, and the courage to labor for conservation of all natural resources.

Cotton Classing

MUNDAY

Sample receipts increased slightly as fair weather allowed harvesting to gain momentum in the area serviced by the Munday Cotton Classing Office, reports Sidney Ferrell, Officer-in-Charge. According to the USDA's Agricultural Marketing Service, harvesting is approximately 20 percent complete.

Quality statistics for the week ending Nov. 17, 1972, show little change from the previous week. Sixteen percent of the cotton was classed as Strict Low Middling (41), 51 percent Strict Low Middling Light Spotted (42), 16 percent Low Middling Light Spotted (32). Sixteen percent of the cotton classed was reduced in grade due to bark or grass. The staple length showed 19 percent staple 31 compared to 10 percent the previous week. Sixty percent staple 32 was up 4 percentage points from the last week, and 17 percent staple 33 was down 16 percentage points from the previous week.

The micronaire readings continue to be reasonably good with 73 percent reading in the desirable range of 3.5-4.9. 36 percent read 5.0 and above.

The Pressley fiber strength tests conducted by the USDA's fiber laboratory at College Station shows that the average strength remained about the same as the previous week.

Cotton markets continue to be fairly active with farmers offering moderately. Eighteen to 23.75 cents per pound was paid for most grades offered with staple lengths of staple 30 through staple 33.

The Munday Office classed 6,000 samples this past week bringing the season's total to 19,100.

42 with 31 staple, ranged from 18.50 to 20.75 cents per pound. Prices strengthened as the week progressed. Grade 32, staple 31 cotton sold for about 21 cents per pound. Buyers generally discounted cotton reduced in grade because of bark, by one-half cent per pound.

Rotarians Plan Turkey Shoot

Haskell Rotary Club members and guests met at the City Cafe at noon Nov. 16, with president Bob Philpot presiding for the luncheon meeting.

Sam Rosser, local Postmaster, was in charge of the program and he introduced Mr. Mel Layne, Customer Relations Officer of the Postal Department. Mr. Layne's territory covers a wide area of West Texas, including Midland and Odessa west and as far as Brownwood to the East. In his informal but interesting talk he discussed many of the problems related to the postal department and explained some of the reasons why the mail is not sometimes delivered as quickly as some people desire. He brought out the fact that the City of New York handled more mail than the entire country of England in a year's time and that the only remedy the postal department could come up with to solve the situation was mechanization and that it would probably take at least four years before it could be perfected. He also answered questions from those in attendance about 1st, 2nd and 3rd class mail. He explained that the department really made money on 2nd and 3rd class mail because there was not enough 1st class to keep employees busy for an eight hour period in some of the post offices.

The invocation for the meeting was given by H. O. Abbott and the song session led by Bob Herren with club pianist Rene Abbott at the piano.

Helen Mary Cadenhead and Ellen Walling were introduced by Rotarian Brooks Middleton as the only guests for the day.

In a short business session it was decided to stage the annual turkey shoot and a meeting of club members was called for 3 p. m., Nov. 24, at the vacant building just East of Pogue Barber Shop, to make preparations for the holiday turkey chairman of the project.

ABILENE

The U.S.D.A. Cotton Division Classing Office of Abilene reports 20,100 samples were classed in the week ending Nov. 17, bringing the season total to 47,500. Only 3140 had been classed at this time last season, reports B. B. Manly, in charge of the U.S.D.A.'s classing office.

The average grade of the cotton was some lower, compared to last week, caused mainly by bark in the samples. Average staple length showed little change this week. Twenty percent of the samples were in white grades; 69 percent, light spotted; and 11 percent, spotted. The predominant grades were 42 and 52 with 35 and 30 percent respectively. Thirty-four percent was reduced on account of bark.

Predominant staples were: 30 at 30 percent; 31 at 41 percent, and 32 at 19 percent.

Cotton continued to sell on the basis of quality, with the higher grade, premium micronaire cotton in greater demand. No reports of "hog-round" marketing were received. Prices for the predominant grade,

Let us show you HOW LITTLE IT COSTS to air condition your home!

CENTRAL AIR CONDITIONING

LIVE IN COMFORT... all through the home—all summer long

Cool comfort can be yours by simply adding a G-E space-saving, split-system to your central heating system. It's so easy and costs much less than you ever expected.

- Famous General Electric dependability.
- "Quiet-Action" refrigerant lines make hood-to hood and smooth.
- Tough enamel finish resists weather and corrosion.
- Exclusive split fin coil for a more efficient and quieter operation.
- Sealed-in Dual G-E Compressor.

Hadley To Announce Ft. Worth Rodeo

The smooth, rich voice of Tom Hadley will provide play by play action comments and scores during the 55th anniversary of the World's Original Indoor Rodeo held in conjunction with the Southwestern Exposition and Fat Stock Show Jan. 26 through Feb. 4.

"We are pleased to have been able to secure the services of this outstanding rodeo announcer," said W. R. Watt, Jr., general manager of the Stock Show and Rodeo.

With a wealth of information on both rodeo and its contestants, the Brady resident has conducted rodeo sportscasts for more than 30 years.

Reared on a ranch in Oklahoma, Hadley began riding and roping in junior rodeos when he was 10. During high school he roped and wrestled steers.

While a member of the basketball team at New Mexico A&M, he helped to form the National Intercollegiate Rodeo Association. He became the IRA's first recognized college steer wrestling champion, winning the title in 1949 at the Cow Palace in San Francisco when he was a college senior.

Hadley ended his active competition role in rodeo in 1953 and began devoting full time as an announcer, both for rodeo and horse shows. He makes about 300 performances a year, traveling close to 80,000 miles.

From Rule

VISITORS Mr. and Mrs. Jerry Neuman of Stamford, Mr. and Mrs. Carlton Allison and family of Abilene, Mr. and Mrs. Bob Matchett of Hereford and Mr. and Mrs. Joe Bob Whitworth of Sweetwater.

CEMETERY MEETING The annual board meeting of the members of the Rule Cemetery Perpetual Care Program, met at the Bluebonnet Cafe on Nov. 14 with approximately 20 members present. Presiding was Morris Neal.

The endowment trust fund was set up by the city council of Rule, as making possible a perpetual care program for Rule Cemetery owned and operated by the City of Rule. The idea of the trust fund was stimulated by the experience of the Cemetery Board which found that a plot is seldom ever provided for after the first generation has passed on, and in many cases, the maintenance does not last that long. Many grave spaces are going unkept at the present time. The financial report was read

and approved by the members. Anyone desiring more information on the Rule Cemetery Perpetual Care Program may contact any member of the board. Board members are: E. O. Morgan, Ed Verner, Mrs. Nona Norwood, Mrs. Lois Martin, Mrs. Helen Pinkard, L. W. Norman, Morris Neal, W. G. May and Joe B. Cloud.

Members serving on the council are Claud Norman, Bob Turner, R. O. Carothers, Ben Kittley, Buddy Lewis and Clyde Grice.

PHIL CLUB Christmas Tricks and Treats was the name of the program presented by Miss Annette Duncan, for the Rule Philadelphian Club at their meeting Nov. 16th in the Club House.

Mrs. Lonnie Martin, president, called the meeting to order and Mrs. John Greeson led the roll call and read the minutes which were approved. Mrs. J. B. Lawson reported correspondence from the state hospital in Vernon about the club adopting a person for a year. The club voted to adopt a woman for the year 1973, and also to continue to bring gifts for the hospital at their December

meeting which will be held Dec. 14. Members were reminded of the special Christmas program which would be by members of the Rule Kindergarten class, with their teacher, Mrs. Bobby Robinson. Following the program, members would adjourn to the Rest Homes in Haskell for Christmas Music. Mmes. A. D. May, Frank Campbell and J. E. Geer were appointed as a committee for the program. This was guest day for the club and guests were recognized and welcomed.

Members were reminded of the White Elephant Sale with the articles on card tables in the club house, which would follow the meeting. Proceeds would go to the club treasury.

Mrs. C. F. Norman gave the Federation news, telling of the Tattler family. A make-believe family and the various ways they helped or hindered a club. The program was then turned over to Mrs. W. S. Cole, director for the day. Mrs. Cole led the group in the pledge of allegiance, and then introduced the speaker, Miss Duncan, who is home economist for West Texas Utilities in Stamford. In a change of Christmas

colors, Miss Duncan had prepared a table with a purple cloth and showed several different Christmas gifts of food and told how they could be prepared and gift wrapped. A fruit cake and three different types of candy were shown and following the program, were sampled by members with coffee.

LIONS CLUB Guest speaker for the Rule Lions Club Nov. 13 was Chas. Clark of Stamford. Mr. Clark's talk and slides were of his recent hunting and fishing trip to Alaska.

Making the trip with Mr. Clark was Roy Weaks of Stamford and Whit Clark. They drove to Alaska August 13 and were gone a total of 21 days. The hunting season opened the 20th of August. They stayed at Susitna Lodge on the Denali Road, the road to McKinley Park. They hunted for 9 days and each one in the party killed a moose with over 55 inch spread and a trophy caribou. They also enjoyed fishing for arctic grayling, similar to trout and had good luck.

The slides shown of the country showed a wide variety of

beautiful scenery. The weather was unusually warm and they had not had a frost there at that time.

GIRLS BASKETBALL The dates for the girls basketball for district play have been released. Boys will not start district play until January. The dates are as follows: Nov. 28: Rochester at Rule Dec. 5: Rule at Paint Creek Dec. 19: Rule at O'Brien Dec. 12: Goree at Rule.

Girls and Boys Jan. 2: Old Glory at Rule Jan. 5: Rule at Benjamin Jan. 9: Rule at Weinert Jan. 12: Rule at Rochester Jan. 16: Paint Creek at Rule Jan. 19: Rule at Goree Jan. 23: O'Brien at Rule Jan. 26: Rule at Old Glory Jan. 30: Benjamin at Rule Feb. 2: Weinert at Rule.

Boys Only Feb. 6: Rochester at Rule Feb. 9: Rule at Paint Creek Feb. 13: Goree at Rule Feb. 16: Rule at O'Brien.

WCS LUNCHEON The WCS of the First United Methodist Church held their annual Thanksgiving luncheon in Fellowship Hall Nov. 14. Tables were decorated in a fall theme using leaves of the trees and a cornucopia filled with fruit. Special guest speaker was Mrs. Richard Ferguson of Seymour, district president of the Seymour district of the WCS. Mrs. Ferguson presented slides and commentary of her two trips to Europe with the showing of the churches and cathedrals of Europe and also the birthplace of the Methodist Church in England. The statures and stained glass windows in many of the churches and cathedrals were beautiful, especially the windows of Westminster in London, England.

Attending the luncheon was Rev. and Mrs. Loyd Futch, Mr. and Mrs. C. E. Franklin, Mmes. A. R. Eaton, Dr. Davis, Oswald Cole, J. B. Lawson, H. H. Hines, John Hisey, O. G. Lewis, Herbert Rinn, Rex Murray, Ollis Macon and Kristi Futch. Hostesses were Mmes. Morris Neal and J. N. Cornelius.

ART ASSOCIATION Mr. Ted Shelton of Brownwood was the guest speaker for the Brazos-West Art Association meeting Nov. 14. Mr. Shelton spoke of sand casting, and various types of wall hangings and sculpture work that he does. Also about his work with retarded children in the Brownwood Public School System, teaching them some of his work.

A report was given of the Bazaar held recently and members felt it was very good. They decided not to meet during the month of December, but will meet again on Jan. 9 at 7:00 p. m.

Hostess was Mrs. Ed Fouts and guests were Mr. and Mrs. Shelton.

AROUND TOWN Mr. and Mrs. Morris Neal visited over the weekend with Mr. and Mrs. Tom Richards of Palestine.

Mr. and Mrs. Carroll Macon of Mesquite recently flew in and spent the day with Mr. and Mrs. Ollis Macon.

Mr. and Mrs. Joe Ray of Rincon, N. M., visited over the weekend with Mr. and Mrs. W. C. Camp.

Mrs. Gray has returned home following surgery in the Stamford hospital.

Col. William Ables Jr., son of Mrs. Lelia Rose, is administrator of the government hospital in Madrid, Spain. Writing recently to her mother, Col. Ables spoke of Spain as a beautiful place to live and the people are very friendly.

Mr. and Mrs. Johnny Millwee of Lubbock visited with Mr. and Mrs. Herman Gray over the weekend.

Mr. and Mrs. Richard Alls and children of Sweetwater visited with Mr. and Mrs. L. C. Williams over the weekend.

Visiting last Sunday with Mr. and Mrs. W. C. Camp was Mr. and Mrs. Roy Allen of Brownfield.

Mr. and Mrs. Ben Kittley visited in San Angelo last weekend with Mr. and Mrs. James Barr. Mr. and Mrs. Charlie Davis are enjoying a fishing trip to Rockport this week. Visiting last Sunday night and Monday with Rev. and

Miss Linda Simpson and Mr. Bob Harris of Sweetwater attended the Dallas-St. Louis game in Dallas last Sunday, with the Sweetwater Jaycees.

Mr. and Mrs. Jack Anderson of Leuders, Mrs. Carl Hertel, Mrs. Richard Cornelius, and Mrs. Emma Raphael of Stamford, attended the wedding of Sherry Tredemeyer and Buck Labay in Austin last Saturday.

Here's to Your Health

Oily nose drops should be avoided. If the oil is inhaled into the lungs while sniffing, it can form a "pocket" in the lung tissue. There is no way for the lung to rid itself of the oily coating and so degeneration of the area sets in — surgery may finally be the only remedy. Aqueous (water soluble) nose drops avoid this risk and are preferred.
