

And a sleepy "Howdy" on these cold mornings to all of our readers!

We hope everyone is enjoying Tricky Dick's latest gift to us, Daylight Saving Time!

Quite frankly, it doesn't make us as much difference as it once did for we enjoy the extra daylight on the other end of the day, but we also realize what kind of trouble it causes with small school children.

We were carrying our two girls to school in the darkness the other morning and our fifth grader, Emily, looked down the street toward the school and up over it one could see the great big moon still shining brightly through the darkness...Emily then spoke up and said, "Here I am in the fifth grade and already going to night school!"

We listened to some of the news programs out of Amarillo Monday evening and they had some good suggestions which we'd emphasize for our local students.

If you do walk to school, please wear some kind of coat or clothing with some bright material which would make it easier to see someone in those early hours around 8 a.m.

It is hard to spot the youngsters in the darkness and we know how it is for a kid to like to run and dart here and there.

We'd sure hate to get some youngster needlessly hurt because he or she wasn't seen by a driver.

XXXX

Our congratulations to Coach Fletcher and the Elkettes upon winning their 13th consecutive Girls Division title in the Stratford Tourney. This is a long record and we are sure it will be a long time before it is equalled again. Also congrats to Coach Brite and the Elks for winning third in the Boys Division.

All the Elks graduated last year and Coach Brite's crew had only junior varsity experience until this year. We feel they did an especially fine job on Friday night against Dalhart.

Also we understand John Vigil is a happy youngster. Seems John had the winning ticket for the used car which the Stratford Boosters gave away during the tourney. Sure, it wasn't a new car, but it had been put into topnotch shape and beats walking on these cold mornings.

XXXX

And we thought last winter was a booger! This past week has been one to remember. The temperatures were down below zero for three or four mornings in a row, one as low as eight below and we know it felt like minus 100. Finally began thawing a bit on Monday and got above freezing for the first time in over a week.

XXXX

One would think that after a week of snow and ice our illustrious city Mothers would do something, if wrong, concerning the state of the city's dangerous streets.

It has been one entire week since the snow stopped and the streets have been one heckuva mess.

We haven't said anything thinking surely the city would have the presence of mind to do something about them. But at noon Tuesday we sat in our driveway just off the intersection of 3rd and 287 and held our breaths as folks would head west, attempt to stop for the highway and slide right on out and sometimes across the road.

The city does have a couple of machines capable of breaking ice, and at this particular intersection a little sand would have done wonders for the past week.

XXXX

Commodity prices Tuesday showed wheat selling on local markets for \$5.20 per bushel, grain sorghum sold for \$4.05 per cwt and corn at \$2.71 per bushel.

## ELKS TAKE THIRD PLACE

# Elkettes Win 13th Consecutive Tourney Title

The Stratford Elkettes won their 13th consecutive Stratford Girls Tourney Championship with their downing of Sunray 51-37 in the finals in their division Saturday night.

The Elkettes led the contest all the way to record their 13th Girls Championship dating all the way back to 1962.

The Stratford Elks ended up in Third Place in the Boys Division after winning over the Hereford Junior Varsity 45-41 in their game earlier Saturday afternoon.

Dalhart's Wolves downed the Phillips Blackhawks to take Boys Championship honors in this year's tourney. The Wolves clipped the Hawks 66-52 with a "come from behind" effort.

Stratford's Elkettes jumped out to a 15-3 first stanza lead then led 30-14 at the half before Coach P.D. Fletcher began to substitute liberally and the girls went on to win over Sunray 51-37.

D'Lynn Brown and Cindy Stokes tied for high scoring honors in the game with 17 points each while Kelly Stone was high for Sunray with 12. Gina Bass hit for 12 for the Elkettes and Debbie Crawford got 5 points in the final game.

The Elkettes had downed Booker on Thursday 71-49 and Dalhart on Friday night 60-40 to

earn their way to the Saturday night finals.

The Elks opened Thursday night with a cliff-hanging win over the Booker Kiowas 33-28. Friday night the Elks fell to Dalhart by only one point 54-53 then won Third Place Boys Honors by downing Hereford JV on Saturday afternoon 45-41.

Recapping Stratford action at the Tourney, the Elkettes handled Booker 71-49 after trailing 15-13 at the end of the first stanza. The Elkettes began putting their offensive machine in high gear in the second and owned a 36-27 halftime lead then extended this to 56-35 at the end of three. Miss Brown lead the Elkettes scoring with 27 points followed by Miss Stokes with 25 and Phyllis Miller with 13. Julie Mills was high for Booker with 20 points.

Friday night the Elkettes bombed Dalhart 60-40. The Elkettes were paced again by Miss Brown who hit for 28 points in the game. Stratford led all the way 11-6 and 29-19 at the half, 35-27 at the end of the third and won by 20 points 60-40. Altha Crowell was high for Dalhart with 26 points.

The Elks opened with a win over Booker on Thursday night leading 8-5 at the end of the first but saw the game all knotted at 15 all at the half. The Elks

trailed 23-20 at the end of the third but came in with a big fourth stanza hitting for 13 and allowing Booker only five points to win 33-28.

Steve Barrett, Rick Howard, Steve Williams and Steve Keener all had six points for the Elks while Dean McQuilty was high for Booker with 9.

Friday night the Elks played their best game in the tourney only to lose by one point 54-53 to Dalhart.

The Elks were down 11-4 at the end of the first and trailed 24-14 at the half. They came on strong in the third to pull up within five points trailing 40-35 at the end of the third stanza. In the last quarter Stratford tied the score and went ahead by one late in the stanza but Dalhart regained the lead and with only seconds left and the score tied at 53-53 Jason Roberson for Dalhart got a one and one foul situation and hit the first shot to win the game.

Mark Beaty was high for Stratford with 19 while Rex McPherson for Dalhart was the game's high scorer with 22 points.

Saturday Coach Sam Brite's revitalized Elks downed Hereford JV to take third place boys honors in the tourney.

In this game the Elks led 13-9 at the end of the first and

24-23 at the half. The Elks led 34-29 at the end of the third and hung onto their lead to win 45-41. Beaty was high scorer with 18 points.

The final placings in the tourney saw the Stratford Elkettes win the Girls Division followed by Sunray in second and Phillips in third place while Hartley girls won Consolation honors.

In the Boys Division, Dalhart took Championship honors followed by Phillips in second, third place went to Stratford while Hartley took Consolation honors.

Texline Girls were awarded the Girls Sportsmanship Award and Hereford JV won Boys Sportsmanship Award.

The tourney had several closely fought ballgames this year with a total of four games won by only one point, three were won by less than five points and on Saturday morning the Texline Boys downed Booker in a contest which required four overtimes to determine the eventual winner. Ironically, the game was finally won by Texline after Jim Chapman hit a 50 footer at the buzzer to give his team a 54-53 decision.

The Stratford JV girls had to be roped into action to complete

brackets this year and wound up losing to Hartley girls in a thriller 31-28 and beat Texline's varsity girls 43-38. The Stratford JV were down 7-6 at the end of the first and trailed 22-13 at the half and again 30-24 at the end of the third but finally put it all together aided by Kim Cotney's sharpshooting at the charity line and won the game 43-38.

Miss Cotney hit 10 of 12 free throws in the last quarter for a total of 16 points in the game. Rhonda Fortenberry was high for Stratford with 17 points and Miss Qualls was high for Texline with 13.

Box scores of all the contests in the 43rd Annual Stratford Invitational Tourney are as follows:

[Continued on Page 2]

## TWO ELKS NAMED Elkettes Dominate All Tourney Team

Three Elkettes and two Elks were selected to the All Tourney Teams following the conclusion of the 43rd Annual Stratford Invitational Basketball Tourney held this past weekend at Stratford.

D'Lynn Brown, sophomore forward, Cindy Stokes, junior forward, and Melinda Zaricor, senior guard, were all named to the Girls All Tourney team from the Stratford Elkettes.

Two Elks named for the All Tourney team included Rick Howard and Mark Beaty, both juniors.

A complete list of all-tourney teams is as follows: BOYS ALL TOURNEY--Mark Beaty, Stratford; Rick Howard, Stratford; Rex McPherson, Dalhart; Jim Clayton, Dalhart; Marty Murray, Phillips; Mike Strickland, Phillips; Ronnie Jones, Sunray; Norman Smith, Hartley; Tony Hill, Texline; Dean McQuilty, Booker. GIRLS ALL TOURNEY--Forwards--Julie Mills, Booker; Susie Mason, Hartley; Jill Rankin, Phillips; D'Lynn Brown, Stratford; Cindy Stokes, Stratford; and Kelly Stone, Sunray.

Guards named included Becky Young, Dalhart; Janelle Stanley, Dalhart; Debbie Hulin, Hartley; Melinda Zaricor, Stratford; Jeane Keith, Sunray; and Tricia Gamblin, Sunray.

Members of the All Tourney teams were presented individual awards made possible by Southwestern Public Service Company and The Stratford Star.

Championship Trophies were donated by The First State Bank of Stratford and Stratford Grain Company. Second Place Trophies were donated by Smith Insurance Agency and King Equipment Company. Third Place Trophies were donated by Corral Ford and Bain's Exxon Service.

Consolation Trophies were donated by Plunk 66 Oil and North Plains Savings & Loan Association.

Sportsmanship Awards were donated by Elk Pharmacy and Empire Construction Company and Winning Coach awards were donated by C&E Paint & Body Shop and Brown's Meat Locker.

## Older Texan Group Gets Go Ahead!

Plans for organization of an Older Texan group for the purpose of providing an opportunity "to meet old friends and make new ones" received a go-ahead at a preliminary meeting held Sunday afternoon at the First United Methodist Church parlor.

Representatives from most of the clubs and organizations in the county were on hand for the meeting.

The first countywide meeting of the Sherman County Older Texans will be at the County Barn on Wednesday, January 24, beginning at 2 p.m.

All county and area residents 55 years of age and older are invited to attend this meeting.

If transportation is needed, interested parties should contact the Rev. J. Frank Peery at 396-2178 or 396-2013. Rev. Peery will then see that transportation is provided to the meeting.

As now planned the Older Texan group will meet at least once each month to provide recreation for elder citizens of the area.

The group is asking help from all area clubs and organizations to provide refreshments and programs for the future meetings.

All residents are urged to mark the January 24 date on their calendar if they are interested.

### TOWN TALK

Holiday guests in the home of Mr. and Mrs. Herb Folsom were grandchildren Kristi, Kimberly and Brian Green of Lake Charles, La.; Mrs. Jonna Miller of Collidge, Arizona; Fred Green of Amarillo; Mr. and Mrs. Stanley Folsom and children of Dumas; Mrs. Arthur Folsom, Mr. and Mrs. F.D. Brannan, Mrs. Elmer Hudson and Mrs. John Knight, all of Stratford.

NUMBER 2

## FUEL SHORTAGE FELT

# Trustees Vote Monday To Stay With Clock

Members of the Stratford Independent School District Board of Trustees voted unanimously to "Go with the clock" concerning the school time in relation to the new daylight saving time at their meeting held Monday night.

Supt. E.L. Bass said that the board was aware of the problems of the bus students and parents of smaller children, but to change the time of the

school program would result in so many more problems for the entire community the board felt they should retain the present schedule of beginning at 8:30 a.m.

As a result of the present energy shortage, the board out of the Seventh graders from participating in a tourney slated to be held at Spearman and

eliminated the Hereford Track Meet from the upcoming track program.

The matter of fuel for Busses has reached a critical stage although Supt. Bass was quick to point out that the present supplier, C&C Texaco has done everything in their power to supply gasoline for the school as needed.

The board felt that the elimination of those two trips for sporting programs would result in savings of precious gasoline, supplies of which are getting harder to secure. At the present time, C&C Texaco has made application for additional supplies of fuel for the school, but this request was denied. Darrel Cotney, manager of C&C has made an appeal concerning this denial, but no word has been received as yet.

"As a result of this shortage, the board feels that we should cut down use of busses when ever possible," Bass stated.

In other Business Monday night, the board approved the contract of Mrs. Jan Heiskell to replace Mrs. Dyane Hayes as special Reading Instructor at the Mary Allen Elementary School.

The board also approved the extension of Supt. Bass' contract for additional year at the meeting.

## Pinewood Derby Set Jan. 26

Cub Scouts will hold their annual Pinewood Derby on Saturday, January 26, in the high school gymnasium.

The kids for the Pinewood Derby have arrived and are available at a cost of 50 cents each from any Den Leader or from Cubmaster George Oakley at Sherman Implement Co.

There will be four divisions in the Derby this year consisting of 8 year olds, 9 year olds, 10 year olds and Dads.

All Cubs are urged to get their kits and have their racers ready on roll on January 26.

## Food Stamp Rep Here On Wednesday

All persons interested in making applications to participate in the USDA Food Stamp Program are urged to be at the District Court Room at 9 a.m. on Wednesday, January 16.

A representative for the Food Stamp Program will be in the Court Room for the purpose of accepting applications and helping any individual or family that think they might be eligible.

Sherman County Judge W.S. Frizzell Jr. said Tuesday that there has been a lot of false rumors concerning this program but everyone who thinks they may be eligible should make plans to meet with the representative on January 16.

## Spurlock Chapel Slates Revival

Members of the Spurlock Chapel church will begin their Spring Revival on Sunday, January 13 and services will continue through Friday, January 18.

Services will begin at 7 p.m. each night during the Revival. The Rev. Norman Grigsby of the First United Methodist Church of Dumas will be bringing the messages during the Revival.

All residents of the area are cordially invited to attend any, or all, these special services.

## Full Jail Result Of Drug Laws

Sherman County's jail has been full to overflowing as a result of the recent change drug control law said Sheriff Clois Vaughn this week.

Sheriff Vaughn and County Attorney Bill Dyess told The Star this week that since November 28, 1973, a total of 16 cases have been handled through their offices.

Of this group 11 cases have been disposed of by guilty pleas and the remainder are pending trial and out on bonds ranging from \$100 to \$2,000.

Fines resulting from the 11 which plead guilty ranged from \$100 to \$400 per offense and eight have resulted in jail sentences ranging from 30 to 45 days in jail. One of the offenders did receive a probated jail sentence.

Sheriff Vaughn and County Attorney Dyess stated they wished to make public the results of the changes in handling drug cases in Sherman County.

Sheriff Vaughn warns local residents that the laws have been changed to where offenders will be prosecuted and possible jail sentences and fines may result.

County Attorney Dyess stated that his office "will be very sparing in using probation in these cases."

SUNDAY MORNING CRASH--Two Stratford youths escaped death in this auto which hit a culvert then landed on a gas transmission line north of town about 3 a.m. Sunday. David Judd is in Dumas Memorial Hospital suffering from a broken back and internal injuries and the driver, Dirk Dowda, was treated and released at the Stratford Clinic following the crash.

## Two Youths In Wreck Early Sunday

A one-car accident early Sunday morning has resulted in one youth in critical condition in the Dumas Memorial Hospital.

David Judd son of Mr. and Mrs. Sonny Judd, is currently in the Dumas Hospital suffering from back and internal injuries as a result of the accident which took place about five miles north in the wee hours of Sunday morning.

Judd was riding in his 1969 Chevrolet which was driven southward by Dirk Dowda, 19, at the time of the accident.

The Chevrolet went across the highway, struck a culvert, became airborne and sailed about 75 feet in the air before coming to rest on top of a Southern Union Gas Company transmission line adjacent to the right of way.

The auto, which was owned by Judd, was a complete wreck. The motor was torn out of the car and parts stewn along a wide area near the impact point where the auto hit the culvert.

Dowda was treated and released at the Stratford Clinic while Judd was taken to Dumas where he is still being treated for his injuries.

The Phillip Billingsley family of Las Cruces, N. Mex. spent several days with her parents Mr. & Mrs. Arthur Judd.

\*\*\*

## Snow, Cold Plague Area This Week

Snow and cold weather plagued Sherman County and most of the Northern Panhandle area throughout all last week.

Snow fell on Sunday night, then continued falling all day Tuesday and Wednesday as temperatures dropped to below zero for three days in a row after the snowfall stopped.

All streets in Stratford and most area highways were coated with a slick icy film following the snow. Most downtown streets in Stratford still had from three to four inches of glazed ice on them at presstime.

Traveling around the local area was hazardous and several "fender-benders" were reported to officers over the weekend keeping all law enforcement agencies busy.

Luckily there was little of no wind accompanying the snow so drifting was kept to a minimum. However, cattlemen had their jobs cut out trying to feed and water cattle on pastures due to the low temperatures and snow cover.

TOWN TALK

## PREP BASKETBALL Junior Hi Teams Win 3, Lose 2

In Prep basketball action this week, the boys lost two games and won one against Dalhart.

The Seventh grade boys trailed 8-10 at the end of the first and were still behind 11-18 at the half. In the third quarter the score was still in favor of Dalhart with 15-24. Dalhart simply overpowered Stratford in the final quarter with a final score of 40-22. Toby Wisdom was high point for Stratford with 7 points while Ingham got 3 in the game and Olson, Chesmer, Wells, Hacker, Keener and Everett all got 2. Tyler was high for Dalhart with 15.

The Eighth grade boys came out on top with a final score of 14-19. The score at the end of the first had Dalhart with 4 and Stratford with 0. At the half, the Wolves were still in command with a score of 6-4. At the end of the third, Stratford pulled up to tie the score with 8 all. Stratford finally put it all together and pulled out ahead of the Wolves to beat them by 5 points. Ferguson was high point for Stratford with 7, followed by Johnson with 6, Howard with 4 and Keener with 2. Dalhart high scorer was Hayes with 6.

In Ninth Grade boys action, the score was tied at 8 at the end of the first. Dalhart pulled with a long lead of 27-14 at the half. Dalhart continued to lead 42-31 at the end of the third and won 58-42. Hudson led the scoring for Stratford with 13 followed by Harris with 12. Albert got 9 in the game while Stroud and Zaricor both got 4. Mathews for Dalhart sunk 17.

In girls action this week, both teams won over Dalhart.

The Seventh grade took an early lead with 8-2 at the end of the first and held their opponents scoreless in the second quarter to gain a lead of 16-2 at the half. At the end of the third the score was still in our favor with 21-12. Dalhart began pulling up in the fourth to end the score with 28-25 in Stratford's favor. Barrie DeJelison was high for Stratford with 16 followed by LaRonda Stacy

with 6. Valerie Mitts put up 3 while Glynda Beaty and Jean Ann Keener each got 2. Howell was high for Dalhart with 10.

The Eighth grade girls pulled into an early lead with 6-3 at the end of the first and 10-7 at the half. They pulled way out in front at the end of the third with a score of 16-7. The tables reversed when Stratford got cold and didn't put up one point on the fourth. Dalhart pulled up to a narrow margin, but Stratford managed to win 16-15. Brenda Hawkins was high for Stratford with 8 followed by Patti Pool with 6 and Patti Dietrich put up 2.

In his *Historia*, written in 1072, Adam of Bremen mentions the Scandinavian colonies in America, 420 years before Columbus.

## Gas keeps the Texas Rangers in the ball park.

Especially when it comes to their laundry budget. Because they depend on gas dryers to help get the job done fast. And for less.

Drying with natural gas is economical because it's used directly in the most efficient manner. And that conserves the natural resources we've got here in the Southwest.

Gas dryers are a hit at home, too. Because gas dries your clothes cleanly, quickly. Permanent press and delicate items come out fluffy - ready to wear without ironing.

For the fastest clothes drying in any league... do it with gas.

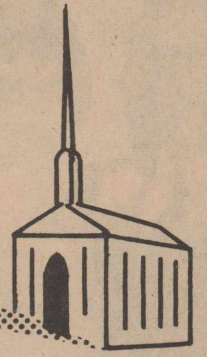

If you want the job done right, do it with gas.

SOUTHERN UNION GAS COMPANY

"Thou wilt shew me the path of life:  
in thy presence is fulness of Joy..."

PSALM 16-11

# HERE IS THE PATH

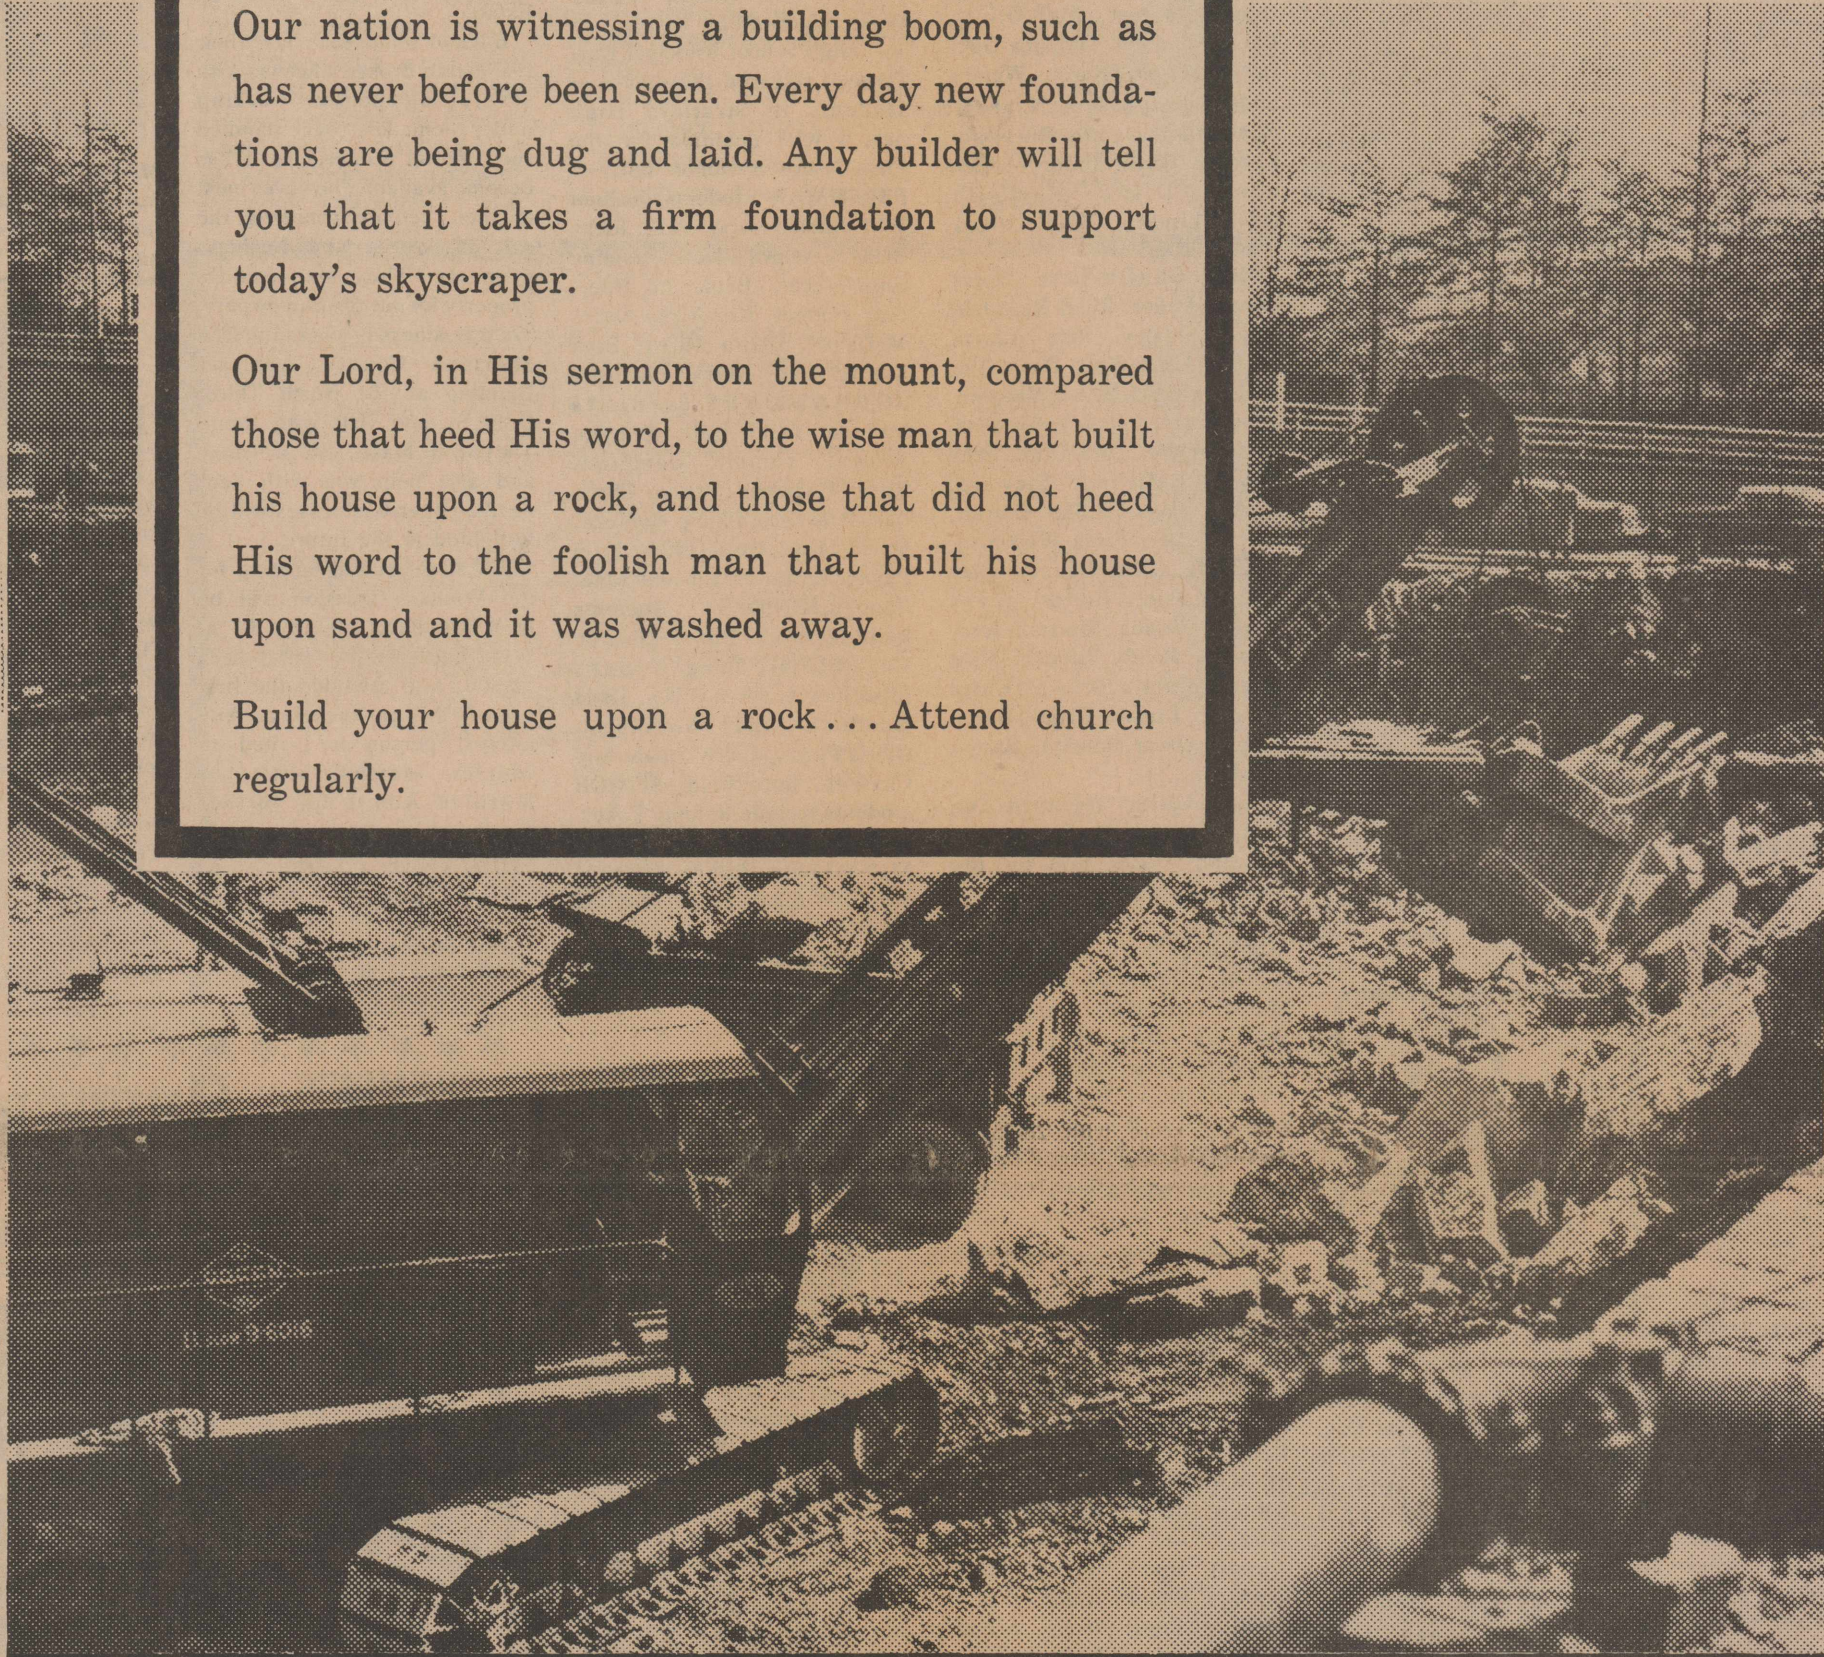

## FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

MR. AND MRS. JACK G. TIDWELL

## Elms-Tidwell Wedding Observed On Saturday

Marriage vows were exchanged Saturday, January 5 by Mrs. Nina Verree Elms of Kerrick and Jack Gaston Tidwell of Portales, N.M.

The setting was First United Methodist Church with the Rev. J. Frank Peery officiating. The bride wore a lamb polyester shirtwaist dress in a soft blue. It featured long puffed sleeves with a circle skirt. She wore matching blue shoes. Her drop diamond necklace was a gift of the groom. The bridal corsage was of white cymbidium orchids tied with bridal satin and pearls.

Mrs. Joe Zinser of Dalhart was her mother's honor attendant. She was attired in a white double knit dress with red accessories. Her single white cymbidium orchid was tied with

blue.

Best man was the groom's son, Jack D. Tidwell of Portales. Honored guests included the bride's mother, Mrs. Frances Harriman, Keyes, Okla., the groom's twin daughters, Mechile and Melinda Tidwell, and daughter-in-law, Mrs. Jack D. Tidwell of Portales. They wore white carnation corsages tied with blue.

Others attending were Mr. and Mrs. John Harriman, Mr. and Mrs. Dick Fry, Mrs. Nadene Badgley, Mrs. James Elms, Erwin Elms, all of Keyes, Okla.; Mr. and Mrs. Max Stephenson, Miss Beth Stephenson, Mr. and Mrs. Fred Hughes, Stratford and Mrs. Fred McDaniel, Kerrick. The couple will make their home near Portales.

## Methodist Women Set Self Denial Saturday

The call to prayer and self denial for women of the United Methodist Church will be held at 10 a.m. Sat. Jan. 12, in the church parlor.

This year's special offering will be divided into two aspects. Ministries to young children and teenagers and for ministries over seas for peace and justice.

Each woman is asked to bring a sack lunch and a nursery will be provided.

Den II met at the home of Mrs. James Spurlock. We had refreshments and the flag ceremony.

We made boats for war project. Our Pinewood Derby will be held Jan. 26.

Cubs present were Craig Sladek, Randy Mitchell, Daniel Harker, Johnny Pulliam, Kevin Robertson, Barton Spurlock, Brent Spurlock and Jerry Vaughn. Reporter, Jerry Vaughn

## Lieu Hoang Speaks To Study Club

"A Visit to South Viet Nam" was taken by members of Prospectus Study Club Friday when Lieu Hoang, American Field Service Student, spoke. He presented a slide illustrated talk on the customs and history of his country and some comparisons and contrasts between Viet Nam and America.

Lieu was accompanied by his American mother, Mrs. Dave McReynolds, who brought along several articles that had been made in South Viet Nam.

Mrs. Cone Donelson was hostess with Mrs. Don Dietrich assisting her.

Mrs. Alfred Pronger, president, conducted a short business meeting in which members were reminded that club reports are due to Mrs. Bill Reed before Feb. 1.

They planned to have a representative at the Sunday afternoon meeting for Older Texans.

A style show is being planned for this early spring, announced Mrs. Joe Pete Flores.

In addition to those mentioned, others present were Mesdames Van Dowda, Kenneth Kendrick, Johnny Summerour, E.R. Bell, Fred McDaniel, H.H. Caraway, Jim Taylor, N.W. Hudson, R.J. Hill.

Mr. and Mrs. Johnny Brannan are the proud parents of a daughter, Stephanie Gay, born December 18, 1973 in High Plains Baptist Hospital of Amarillo. Stephanie weighed 6 lbs. 9 ozs. and has one sister, Heather.

Maternal grandparents are Mrs. Priscilla Scago of St. Louis, Mo. and M.C. Seago of Brownsville, Tex.

Paternal grandparents are Mr. and Mrs. W.D. Brannan of Stratford.

## Semester Honor Rolls Announced At School

H.T. Galloway has announced the names of students of grades 1 through 4 for the Semester Honor Roll in the Mary Allen Elementary School. They are as follows:

**SECOND GRADE**-Lisa Harris, Donita Gibson, Lisa Wiley, Danny Barrett, Joel Olivias, David Aduddell, Ludivina Guel, David Meyer, Karen Waters, Scott Langham, Nannette Boardman, Jamie Burkhart, Kamala Ford, Jimmy Gillenwaters, Desiree Hayworth, David Limer, Albert Olivias, David White, Cara Brite, Jean Romero, Michelle Steward, Shawn Weiss, Phillip Everett, Janet Pleyer, Tania Wilson.

**JUNIORS students include** Gina Bass, Natalie Engelbrecht, Doug Everett, Mike Flores, Jerec Gilley, Dana Kendrick, Judy McAdams, Gloria Pleyer, Cindy Stokes and Charlotte Sutterfield.

**SENIOR students include** Rohny Baker, Alta Gross, Patti Jackson, David McReynolds, Laura Melton, Steve Williams and Melinda Zaricor.

\* This list may not be complete because several students have incomplete work.

by Paul W. Thurston  
Tomato lovers of America may rise up! Supermarkets are eager to give us the best possible tomatoes, yet many of those large, luscious looking red globes taste remotely like mealy cardboard.

Interestingly, this problem is brought about by a tomato committee which has lo' bled successfully to keep vine-ripened Mexican tomatoes off our tables so we will use more expensive, green (but gas-reddened) products from some Florida farms. It's all done by a Federal size requirement (demanding Mexican vine-ripened tomatoes be larger than the less tasty Florida product).

## CHAMBER COLUMN

For the many newcomers to Stratford a place to live is of the most importance. There is, as everyone knows a shortage of housing. The Chamber attempts to assist with this situation by listing available rental property and prospective renters. The problem is, the available property is almost nil and the prospects are many. For those persons interested in purchasing their own home, Stratford has available the services of Sherman County Real Estate. This business is a member of the Stratford Chamber of Commerce. It is owned by Bill and Selma Pendleton and has operated under its present name for the past 10 years. Prior to that time and since its establishment in 1910 the business was known as Sherman County Abstract and Real Estate.

Bill and Selma each have their real estate Broker's license with several salespersons working under them. They have handled some rental property as it has become available; however most of their activity concerns the sale of homes and business property. They also handle property for out of state owners. Their business is located in The Sherman County Abstract Building at 401 North Third. Drop by and visit with them. They will make you welcome and also help you with your needs. Other businesses will be hi-lighted in the future.

The first general meeting for the Womens Division will be held Monday, January 14 at noon. Cards will be sent to each person, who attended the first organizational meeting. Any interest person is invited to contact Martha Mitts or Marilyn Albert for further details.

Hot jewelry--the ruby was supposed to contain an unquenchable inner fire.

MAKE IT WITH WOOL--Merlene Williams, daughter of Mr. and Mrs. J.J. Williams is shown modeling the outfit which she made for the recent Make It With Wool Contest held in Lubbock for 4-H Club members.

**MONDAY**--Hamburger patties, creamed gravy, mashed potatoes, buttered whole kernel corn, hot rolls, butter, pineapple up-side down cake, milk.

**TUESDAY**--Bean burritos, Chili, tossed salad, peach cobbler, milk.

**WEDNESDAY**--Meat loaf, cat-sup, mashed potatoes, green beans, hot rolls, butter, sugar cookies, milk.

**THURSDAY**--Barbecued beef, tatter tots, cole slaw, dough-nuts, milk.

**FRIDAY**--Chicken, noodles, English peas, Cranberry sauce, hot rolls, peanut butter, fruit.

## Vanover Youth Loses One Eye

Russel Vanover, 4 year old son of Mr. and Mrs. David Vanover of Wylie, Texas, was shot in the eye in a B.B. gun accident. As a result of the accident, he is blind in his left eye.

A trust fund has been set up at Garland Bank and Trust, Box 1500, Garland Texas to help the family out with expenses. Donations may be made locally or given to Fern Gupton.

Russel is the grandson of Mr. and Mrs. Earnest Vanover and the nephew of Tommy and Mary (Gupton) Vanover.

## Cook of Week

**COOK OF WEEK**--Kay Ford is a native of Hollis, Okla., and moved here with her husband, Jerry, from Quanah. The Fords are in charge of the See More Cable TV Inc. They have one daughter, Kamala, 7.

### Hails From Hollis

Our cook for this week is Mrs. Jerry (Kay) Ford, who hails from Hollis, Oklahoma. Kay was raised in Hollis and lived there all her life, except for 2 years when they lived in Quanah while her husband was training for the Cable Technician job that he now holds in Stratford.

Jerry is the manager of See-More Inc. and Kay is the book-keeper for the company. The Fords have been in Stratford since May of 1972.

Both of the Fords were raised in Oklahoma. Kay in Hollis as we mentioned and Jerry in Altus, Okla. They met in Hollis when Jerry was working there for Rural Electric Co-operative. The Fords have a daughter,

Kamala, who is 7 years old. One of Kay's hobbies is sewing and she makes all of her clothes and the biggest part of her daughter's.

The Fords are members of the First Baptist Church, where Kay teaches a Sunday School class for 3 year olds on Sunday mornings. Kay is an active member of the church as she also has Mission Friends for 4 and 5 year olds on Wednesday nights.

Kay has given us some delicious sounding recipes and we hope you will enjoy them.

#### OATMEAL COOKIES

- 1/4 lb. butter
- 3/4 c. sugar
- 1 1/2 c. uncooked rolled oats
- 1 egg

Brown butter in skillet. Add the oats and brown. Cool. Combine egg and sugar and beat until foamy. Add to butter and oat mixture. Drop by teaspoonsfull on greased cookie sheet. Bake in slow oven 300 degrees for 15 to 20 minutes. Yields 2 dozen cookies.

#### SPEEDY SCALLOPED CORN

- 2 c. (17 oz. can) cream style corn
- 2 T. chopped green pepper
- 2 T. chopped onion
- 2 T. butter
- 1/2 c. undiluted Carnation Milk
- 1/4 t. salt
- few grains pepper
- 3/4 c. coarsely broken cracker crumbs

Combine corn, green pepper, onion, carnation, salt, pepper and 1/2 of the cracker crumbs in a buttered 1 quart casserole. Dot with butter. Top with remaining crumbs and bake in moderate oven (350 degrees) for 30 minutes. Allow to stand for 5 minutes before serving.

#### LEMON WHIP PIE

- 1 pkg. (3 1/4) lemon pudding and pie filling mix
- 2/3 c. undiluted Carnation Milk
- 1 T. lemon juice
- 4 drops yellow food coloring
- 2 t. grated lemon rind
- 9-inch baked pie shell

Prepare pudding mix according to label directions for lemon meringue pie. Cool in refrigerator, stirring often. Chill carnation in refrigerator tray until soft ice crystals form around edges of tray (10 to 15 minutes). Whip until stiff and add lemon juice and whip again. Add food coloring and lemon rind to pudding. Whip until fluffy. Fold in whipped carnation. Pour into pie shell. Chill until set, about 3 hours. Garnish with lemon twist and mint.

### Stratford Inc. Arranges For Equity Capital

Stratford of Texas, Inc., a Houston-based agricultural company, announced today that in 1973 it had successfully arranged for over \$18 million of equity capital provided by private, institutional, and public sources. The funds will be invested in cattle and feed to be placed in Stratford's feedyards under long-term contracts.

These funds, together with funds raised in prior years,

**PHONICS CLASS**--Members of Mrs. Irma Hackett's phonics class above include Tammy Thomas, Deborah Sheehan, Delores Sheehan, Melissa Williams, Danny Short, Kim Newburn, Joyce Melton, Glenda Williams, Obidio Gomez.

Phonics cannot be stressed enough. Every child must learn to read or he is doomed in our society.

By learning the sounds of our Alphabet, knowing the short and long sounds of the vowels, knowing the Consonant blend sounds (bl, cl, squ, sl, dr, spr, and many blends) we eliminate wild guessing of words and learn to sound them out. Dividing words into syllables and that each syllable must have a vowel is important and is learned in conjunction with the sounding out of words.

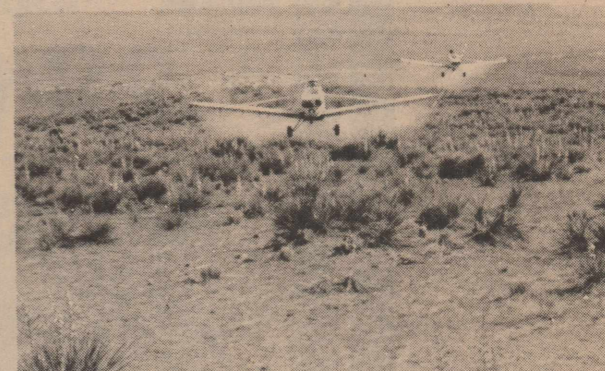

\*\*\*\*\* represent over \$35 million of equity in cattle feeding programs under Stratford's management. Additional bank financing of approximately \$70 million has also been secured in conjunction with the equity invested. The total funds of approximately \$105 million is sufficient to feed over 400,000 head of cattle a year in Stratford's feedyards.

Stratford's feedyard operations represent 30 to 40 percent of the total earnings generated by the company. The increased number of cattle to be fed under these long-term programs should assure maximum utilization of feedyard capacity in 1974.

# STATE CAPITAL Highlights AND Sidelights

by Bill Boykin  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Legislative leaders expressed optimism for success of the state Constitution Convention which opened at noon Tuesday (Jan. 8).

Planning committees have worked out a fast-paced 81-day schedule which may, or may not, hold up.

Optimists see at least a 50-50 chance of success, noting that of 12 constitutions offered voters in other states during the last 12 years, half were rejected, frequently on a single issue.

House Speaker Price Daniel Jr., projected presiding officer of the historic convention, the first since 1875, hopes to have committee hearings started by January 16.

Preliminary briefings by corresponding committees of the 37-member Constitutional Revision Commission will precede the committee hearings.

Daniel claims the convention, composed of 181 legislators, will be successful because delegates have a down-to-business attitude and are the best prepared group (thanks to work of the Revision Commission) ever to undertake such a task.

Such controversial issues as right-to-work inclusion in the constitution, legislative pay raises and appointive appellate judges, under Daniel's plan, would be submitted to voters as separate issues. That procedure, the speaker maintains, would prevent jeopardizing a largely non-controversial document because of a handful of hot potatoes.

Eight substantive committees and five procedural committees are proposed to handle the initial hearings and study starting next week.

**POLITICAL SEASON ON** — Major candidates are getting in place for the 1974 primary races.

Attorney General John Hill announced for a second term. Agriculture Commissioner John White announced for a 13th.

Gov. Dolph Briscoe revealed his plans (back in late October) to seek a second term.

Lt. Gov. Bill Hobby will be doing the same. Others already on the starting blocks include Railroad Commissioners Jim Langdon and Mack Wallace, Land Commissioner Bob Armstrong and Treasurer Jesse James (although some haven't announced formally).

Comptroller Robert Calvert remains a question mark. Whether or not he retires, former Secretary of State Bob Bullock is running for his office, and State Sen. Jim Wallace of Houston is a probable.

Republicans have fielded in the governor's race Henry Grover, Jim Cranberry, State Rep. Ray Hutchison and Odell McBrayer.

**SPEED LIMIT CHANGE DUE** — With President Nixon's signature of the nationwide 55 miles per hour speed limitlaw, Texas has no choice but to follow suit.

The State Highway Commission, under a new law passed in special session last month giving it authority to establish new speed limits to meet emergencies, scheduled a January 8 public hearing.

Result of the hearing was clear in advance: the limit will be lowered to 55 mph — probably enforceable by late January or early February.

The alternative: losing some \$240 million a year in federal highway assistance.

**AG OPINIONS** — political action committees have to report expenditures to influence elections, Atty. Gen. Hill held.

However, Hill said that determining whether such committees come under campaign reporting and disclosure law provisions is a question for factual determination in each case.

In other recent opinions, Hill concluded:

- A law requiring financial statements by public officials is constitutional, and district judges are covered.

- A county commissioners court may transfer surplus road and bridge funds into the general fund.

- A member of the Parks and Wildlife Commission is entitled to reimbursement for expenses for meetings which are not regularly scheduled.

- A person who spends in excess of \$200 per calendar quarter by paying another to communicate directly with a legislator would not have to register under the new lobby act.

- Texas Rehabilitation Commission can act on behalf of the state in entering an agreement with the Secretary of

Health, Education and Welfare to carry out provisions of the Social Security Act. The commissioner of TRC is the proper official to execute the agreement.

**APPOINTMENTS** — Gov. Briscoe appointed Ralph Durden of Corpus Christi to the Texas A&I University board of directors, succeeding William H. Atkinson of Kenedy.

Briscoe picked Edward Marquez of El Paso to be 65th district judge, replacing the late Judge Jack Fant.

Blake Allen of Corsicana was named by Briscoe to the Trinity River Authority.

Joe Sage of San Antonio was appointed chairman of a new permanent House subcommittee on military and veterans affairs.

Frank Hildebrand, Texas Tourist Development Agency executive director, is new first vice-chairman of the National organization of the U.S. travel industry, "Discover America Travel Organization."

**COURTS SPEAK** — U.S. Fifth Court of Appeals held the housing authority of Hidalgo County should not have been allowed to seize belongings of a migrant farm worker's wife

for non-payment of rent.

The state's authority to prohibit public use of the term "engineering" by unlicensed persons or firms was upheld by the Second Court of Civil Appeals in Fort Worth.

Texas Supreme Court approved Lipscomb County school trustees' plans to annex most of Lipscomb ISD.

**FOOD STAMP CARDS SENT** — Three hundred thousand needy Texans received cards authorizing food stamps for them early this month.

Welfare Commissioner Raymond Vowell, meanwhile, alerted his field offices to give special handling to stamps for the aged, blind and disabled whose federal assistance checks are late or incorrect.

Vowell said steps were taken to assure that none of these go without food stamps this month because they do not have cash for bonus stamps or because of errors or late deliveries of supplemental security income checks.

**SHORT SNORTS**

Internal Revenue has set up a toll-free long distance

line by which Texans in the southern half of the state can get guidance on their income tax problems. The number is 1-800-252-1000.

Texas Aeronautics Commission set a January 11 hearing on application of Trans Western Airlines to provide five DC-3 round-trip daily flights between San Antonio and Corpus Christi. On the same agenda, TAC will consider Southwest Airlines' request to suspend weekend flights between San Antonio and Houston due to fuel shortages. Another application, by Maverick Airways, proposes two round-trip flights daily between San Antonio and San Angelo.

La Raza Unida party apparently will place its main emphasis on local races this year, although it is also considering some statewide races, according to leaders.

## Religious Reflections by LOYCE BROWN

Where has the Time gone? I'm often asked that. So the other day I reflectively asked it again of myself. My considerations follow: "It isn't gone" anywhere! It just ceased to be! True, it passed. But then it was no more. And it is even spoken about in a dead tense. Yet the works that were done in it (present-tense happenings endure. Good or bad, they endure and will until the point in time when they are judged, burned, or honored. I once wrote a poem entitled "Time" for the first page of a College Annual. Here it is: Time, that Measured Certainly, whose Twin is Opportunity, silently is given. And as the Chiseled moments fly, tis ours to walk in perfect charity--Else judgement mounts." Because, to me, Time, having passed, seems to disintegrate, I attempt to define it in the Now. Time does exist Right Now and there is the same amount of it for everyone. Is Time an Intangible (like Faith) in its Existence? A point is coming after which it will be "no more"! What a tremendous measure of it could be spent reflecting on that one thought alone--"Time shall be no more." Time covers everything--growth, circumstance, happenings. Time is a measurement of Itself! The year before us is a piece of Time. What a gift it is! It is the Substance we are subjected into with Hope. Just think! A big hunk of the indefinable Treasure Time is, is elyting given all of us! Time, money, personality oh, so much is ours by His Grace! And the miracle is that they suddenly become ours to give back! Giving back "good" the stuff Time's made of our works. Is the secret, I've concluded, of having a "Happy New Year!"

LET'S COMMUNICATE  
TO THE LETTER! THE UNITED STATES TAKES FIRST PLACE IN THE AVERAGE NUMBER OF LETTERS WHICH EACH PERSON SENDS ANNUALLY. THE FIGURE FOR ONE CENT YEAR WAS 371.

### Wheat Growers To Discuss Key Shortages

The conflict between increasing farm output and declining supplies of fuel and fertilizer is likely to hang like a cloud over the convention of the National Association of Wheat Growers (NAWG) meeting in Omaha, January 13-17. Leo Witkowski, President of the Texas Wheat Producers Association, said about twenty-five Texans are expected to be among the anticipated five hundred wheat producers attending the 24th annual meeting at the Omaha Hilton. "The leadership of the wheat production industry will be trying to figure out if it is possible to increase production with fuel and fertilizer shortages," said NAWG President Ray Davis of Potter, Nebraska. The perennial problem of shipping a bumper crop of wheat to domestic and foreign markets will also be a key topic, Davis related.

### COUNTY AGENT'S REPORT

by Jim Allison

Sherman County 4-H had a Christmas Fun Night December 27 that consisted of a hayride and weiner roast at the Beaver. The crisp weather was ideal for the activity and everyone had a great time. Those attending were: Jack, Don and Kurt Harris, Glen, Joyce, Joel and Honey Hart, Chuck, Rhonda and Brenda Sutterfield, Jay, Judy and Merlene Williams, Sisty and Toni Vincent, Kyle Carr, and Ken Ingham, Stephanie, Lorie and Carrie Riffe, Leslie, Mike, Jeff Flores, David, Pam and Emily McReynolds, Susan and Clint Fesler, Pixie Stevens, Kristie Doshier, Marie Boardman, Brenda and Seve Wheeler, John Bass, Mark Keener, Jerry and Tommy Ewers, Tracy Hamilton, Jill, Jeff, and David Pronger and Max Christian.

XXXX

The Amarillo Stock Show and Rodeo will be held January 16-21 and Sherman County 4-H will have the following 4-Hers exhibiting there: Jim Ferguson, Tommy Cartwright, Wesley and Jeff Spurlock, Mark Keener, Maria Jurado, Blake Sladek, Duane Gillenwaters, Belinda Sladek and Joel Hart. Steer Judging will be at 8:00 a.m. Friday, January 18 and Swine judging will be at 8:00 a.m. Saturday, January 19.

XXXX

Anyone planning to exhibit Horse at the Amarillo Stock Show must have a statement accompanying the Health Papers stating that the horse or horses have been vaccinated for V.E.E.

\*\*\*\*\*  
needing these treatments can have Medicare. My daughter is only 14 and she has never worked. Is there any way she can be entitled to Medicare? A. Those who need dialysis or a kidney transplant can qualify for Medicare on their own social security record or on a spouse's record, or as a dependent child on his or her father or mother's social security record. If either you or your wife have paid social security, you should contact the social security office about Medicare for your daughter.

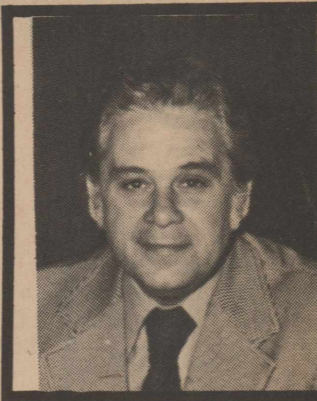

### GOOD PSYCHOLOGY

IF AT A PARTY YOU ARE HOSTING, THE JONASES START HAVING ANOTHER OF THEIR FIGHTS IN FRONT OF ALL THE GUESTS, YOU SHOULD INTERVENE GRACEFULLY. DON'T TRY TO DROWN THEM OUT, DISTRACT THEM. FOR EXAMPLE, YOU MIGHT ASK ONE OF THE JONASES ABOUT THEIR CHILDREN IN SCHOOL OR THE CONDITION OF THEIR CAR. ANOTHER PLEASANT WAY TO DIVERT THEM FROM THEIR SPAT IS BY OFFERING EACH A GLASS OF REFRESHING ICED TEA.

### ON WALL STREET

By BOB HILL  
Lentz, Newton & Co. Members,  
New York Stock Exchange

This involved a lot of phone calls, time and expense.

There is another important point I would like to make. I occasionally hear someone remark that the stock market is rigged, that "they" ("they" are never identified) can move the stock market up or down any time "they" choose. Don't believe it. The stock market is too large, too broad and involves too many people. It is not under the domination of a small group of individuals who, together, can make it go up or down. The stock market does look ahead about six months and it anticipates developments which will probably occur during that time. This is what baffles many occasional investors. They are puzzled when a favorable development fails to move a stock up in price, it may even go down. The market has been aware of the development and the price of the stock already reflects the fact, unless everyone is caught completely by surprise. There are few secrets on Wall Street and none for very long.

### Social Security News

Have you a question about social security? Address it to Robert H. Schaller, Branch Manager, P.O. Box 1292, Guyton, Oklahoma 73942. You will receive an answer in this column or by mail.

by Robert H. Schaller  
Q. I understand that Supplemental Security Income payments will be made by the Social Security Administration. Will these payments be made from the Social Security Trust Fund money?

A. No, part of Supplemental Security Income payments will be made from the Social Security Trust Fund. The payments as well as the cost of administering the program will come from Federal general revenue funds.

Q. I receive both a Veterans Administration payment and social security payments because of disability. Is it possible that I could be eligible for Supplemental Security Income payments?

A. If your combined Veterans Administration and social security payments do not exceed \$150 monthly, it is possible that you would be eligible for Supplemental Security Income payments.

Q. My daughter has a severe kidney condition and has to use a kidney machine three times a week. I have heard that people

One of the toughest facts for people to grasp about the stock market is its degree of liquidity. Folks just can't seem to understand the breadth and scope of the stock market; that at any given time when a person in one part of the U.S. is buying 100 shares of a stock, another person thousands of miles away, or perhaps in another brokerage office a block away, is selling 100 shares of that same stock for whatever reason.

We limit our concepts of organizations and activities by what we know or see personally in our own sphere. When, in my investment talks, I explain that at any given moment there are many buyers and sellers in an actively traded stock, listeners begin to comprehend just how huge, fast and accessible our stock market is. Just to give you an idea of the magnitude of the stock market, in 1972 the total volume of shares of stock traded on all registered stock exchanges in the U.S. amounted to a record 6.3 billion shares. That figures an approximate average volume of 26 million shares changing hands every trading day of the year just on the registered exchanges. The New York Stock Exchange and the American Stock Exchange together represented 89 per cent of that total volume.

In addition to these markets, there is the vast Over-The-Counter market which encompasses the third market trading of listed stocks (institutional investors are very active in this market), the corporate, government and municipal bond markets and the many common and preferred stocks traded OTC. The OTC market is a market between brokerage firms and is not confined to a single market place such as the New York Stock Exchange, but is limited in physical size only by the cost of long distance telephone calls. The development which has improved the speed and effectiveness of the execution of orders in OTC stocks has been NASDAQ (National Association of Securities Dealers Automated Quotation System). This system displays instantly on desk units in the trading rooms of NASD members, the market makers in a given OTC stock, the volume of shares traded that day in that stock, the prices at which transactions have taken place and the best markets in the stock at the moment with the names of the firms making those markets. It's quite a system and it has resulted in much greater efficiency in handling orders. Before NASDAQ, brokerage firms had to check at least three different market makers in a given stock before executing a buy or sell order so the customer received the best execution.

### Texhoma Sale Results

Last Friday was a cold day for a Cattle Auction in Texhoma. It was 13 degrees below zero, so due to the cold we ended up selling only 1856 cattle and calves.

Some representative sales were as follows: 4 WF Steer calves Av. wt. 347# at \$62.00 per cwt.; 8 WF Heifer calves Av. Wt. 333# at \$54.70 per cwt.; 10 WF Steers Av. Wt. 531 # at \$57.00 per cwt.; 51 WF Heifers Av. Wt. 537# at \$49.05 per cwt.

You can tell by the above prices that you shouldn't price your cattle in the country as no one knows today what they are worth or what they will bring. The demand for all classes is now very good. In our opinion, we have seen the low in the cattle industry for some time to come. We also predict you will see fat cattle considerably higher during February.

In 1926, a car was developed that washed clothes as it rode along.

### LEGALS

#### LEGAL NOTICE STATEMENT OF NONDISCRIMINATION

Rita Blanca Electric Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assured the Rural Electrification that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by the Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.
