Buehler, Mr. and Mrs. Herman Nauser, Pastor and Mrs. Joe Anloue, Mrs. Erma Lambert and Mrs. Mary Schrouder, Mr. and Mrs. Starnford, Mrs. Katie Goetz of Othello, Mrs. Oscar, Kautst and Lillian of Sagerton, Mrs. Alice Lewis and Mrs. John C. Ebsack and Mr. and Mrs. Delbert LeFevre and Jim.

Choir from Austin at the Our Redeemer Lutheran Church in Wichita Falls Thursday evening of last week. Mrs. Bill Smith of Sagerton and Mrs. Clinton Smith of Wichita Falls also joined the group. Peggy Clark, member of the choir, is on tour to points in Texas, Oklahoma, Kansas and Missouri.

Some of the Sagerton people going to Austin for the State Basketball Tournament last weekend were: Mr. and Mrs. Buster Tredemeyer, Mr. and Mrs. Joe Swafford and family, Mr. and Mrs. Melvin Bantz and Mrs. and Mrs. Joe Clark, and Mrs. Emma Rabbell.

Mr. and Mrs. Herbert Nierdieck and Melissa and Ernest and C. C. Bredthauer, all went to Houston last weekend for the wedding of the daughter of the former Irene Bredthauer.

Monday was a work day at the Sagerton Community Center, sponsored by the L.O.C. Home Demonstration Club and the Center's Committee with all the community helping. Some badly needed repairs were made and some cleaning done. The ladies brought dinner and it was spread all noon.

Mrs. Hilda Koch celebrated her birthday Friday night, March 10. Guests were: Mr. and Mrs. August Ender, Mr. and Mrs. Bill Vahlenkamp of Old Glory, Mrs. Clara Kainer, and Mr. and Mrs. August Angerman. Mr. and Mrs. Angerman and Mrs. Koch visited with Mr. and Mrs. Lonnie Kainer near Gordon, Texas Sunday.

MRS. BELLE SAGER

Mrs. Belle Sager passed away on the night of her 100th birthday, Thursday, March 9, at a nursing home in Quanah. Funeral services were held on Saturday, March 11, in the United Methodist Church in Chillicothe with Bro. Manuel Reynolds, pastor, and Bro. Marvin James of Munday officiating.

Mrs. Sager was the former Belle Caudie, a member of a pioneer family who came to West Texas from Grayson County and settled near Sagerton in 1890. She was a young lady when she came to West Texas and met William Sager

who came out in 1885. It was for Mr. Sager that the town of Sagerton was named. At that time the town was known as "Sageron," but was changed because it was too much like "Sager." Through his efforts the town grew and prospered when the railroads came through around 1904. The Sager family later moved to Truett and Chillicothe.

Featured speaker for the occasion will be Bob Murphy, a well known humorist, who is a practicing lawyer in Nacogdoches, Texas, and much in demand as a speaker with a down-to-earth philosophy.

One very important feature of the day's events will be the election of three directors.

Amendments to the Articles of Incorporation will be presented to the members for their approval. These Amendments pertain to the election of directors, the provision for membership in the Cooperative and for borrowing from National Rural Utilities Finance Corporation.

A major highlight of the day's activities will be the drawings for prizes, with a color television to be given away at 2:00 p. m. A barbecue lunch will be served at noon and entertainment provided throughout the day.

"We hope every member family of SEC will attend this year's Annual Meeting, to become involved in the business of their cooperative. We also extend a cordial invitation to all friends, here and in the area, to join us for this 33rd Annual Meeting," said Stenholm.

Lions Club Begins Drive For Glasses

Haskell Lions, with president Bud Pogue presiding, met in their regular noon session on Tuesday, March 14, in Haskell Steak House to hear a report of the Lions Club Board of Directors held earlier that morning. Secretary O. W. Tooley reported on plans to begin collecting old eye glasses and rims, to help with the Lions Club drive. A box will be placed at Haskell Free Press, the collection point for the glasses. Anyone who has old glasses they are finished with, is asked to donate them to the Lions Club.

In other board reports, he also reminded all club members of the Lions Club Mop & Broom sale, set for April 11th.

Prayer preceding the meal was given by Dr. Frank Cadenhead. George Fouts led the singing, accompanied by Ellen Walling at the piano. Darold Roberson introduced his guest, Dewayne Higbee. The club voted to donate \$100.00 to Mental Health and Retardation Center.

Gene Long was program director for the meeting, and introduced H. O. Abbott, who showed an entertaining film on the early days of air travel.

To Represent Haskell At TSTA

Alexander Sween, Haskell educator, will be an official voting delegate at the 93rd annual state convention of the Texas State Teachers Association on March 16-18 in the San Antonio Convention Center.

He is among the 1,390 TSTA local association members who have been certified as representatives to the 1972 House of Delegates, which will meet twice at the convention to discuss and act on proposed amendments to the TSTA Constitution and other business.

The official delegates are elected from the 459 TSTA local associations throughout the state. They are certified by districts on the basis of one delegate per 100 members or fraction of 100. Every local association is entitled to at least one official delegate.

With total statewide membership in TSTA at a record 146,800 this year, attendance at the convention is expected to exceed 10,000.

Featured speakers will be Glenn Olds of Kent, Ohio, president of Kent State University, and Max Lerner of Waltham, Mass., a professor of American civilization and institutions at Brandeis University.

Roy L. Sellers

Funeral services for Roy L. Sellers, 79, were held at 2:30 p. m. Thursday in Rule Church of Christ with John Greeson officiating, assisted by the Rev. Leonard Malone, pastor of the Rule First Baptist Church.

Burial was in Rule Cemetery under direction of Pinkard Funeral Home.

He died at 12:15 a. m. Wednesday in Haskell Memorial Hospital. He was born June 21, 1892 in Bell County and had lived in Rule 46 years. He married Elizabeth Hanks January 21, 1914 in Cisco.

He was a retired farmer and a member of the Church of Christ.

Survivors include the wife, two sons, George of Forestville, Conn., and Roy Jr. of Odessa; two daughters, Mrs. Keith Carnes of Monahans and Mrs. Preston Pointer of Spade; 12 grandchildren; 19 great-grandchildren; one great-great-grandchild; one brother, J. W. of O'Brien; one sister, Mrs. Maggie Jurdon of Aspermont. Grandsons served as pallbearers.

Cottle-King Plans Rodeo, Horse Show

The Cottle-King Livestock & Rodeo Association presents the 30th annual Horse Show, Old Settlers Reunion, and Rodeo, April 14-15, in the city of Paducah, Texas.

The Old Settlers Reunion will be held in the VFW Hall, April 14, with the registration to begin at 9 a. m. There will be a fine program for all and lunch will be served with awards going to the most deserving of the two counties.

April 14, Friday, registration will be held at the Jaycee Hut near the rodeo grounds for the purpose of registering for the halter classes to be judged at 12 noon by Carroll Williamson, Campiti, La. These are approved classes and trophies will be awarded to the first place winners in each class.

A true western parade will take place downtown at 5 p. m. with bands, floats, riding clubs, and other entries of interest for the enjoyment of one and all. Immediately following the parade you may like to join in on the fine chuck wagon meal to be served at the show barn near the rodeo arena. All riding clubs in uniform and bands will be the guest of the association.

A fine rodeo has been scheduled with Rusty Welch of Seymour, Texas, as the producer for this year's show. All events are to start at 8 p. m. each night of the 14-15. General admission, children 12 and under, 75 cents; adults, \$1.50; reserved seats, \$2.00. Rodeo entries open Thursday, April 13 and will close 12 noon April 14. (817-492-3613).

For your dancing and listening enjoyment, Billy Gray of Fort Worth will be furnishing the music to be held at the VFW Hall nightly.

Saturday, April 15, registration at the Jaycee Hut for the performances classes to be judged at 12 noon by Carroll Williamson. Trophy buckles will be awarded to the winner in each of these classes.

Rotary Club Elects Officers

In the regular noon meeting of Haskell Rotary Club, March 9, new officers were elected for the coming year. President C. A. Thomas presided and heard these officers elected: President, Bob Philpot; first vice president, Carl Anderson; and secretary-treasurer, Abe Turner. New directors are outgoing president C. A. Thomas, Bob Herren, Roy Wiseman and Andy Anderson.

Bill Comedy was in charge of the program for the day. He presented a film to the club entitled, "The Magic of Disneyland."

Potato Loses Its USA Popularity

The American potato has lost ground in its own country.

A marked drop has been noted in the per capita consumption of potatoes in the United States since 1950, said Mrs. Barbara Elliott, Extension County Home Demonstration Agent. Most Americans watch their calorie intake and mistakenly believe that potatoes are high in calories, she added.

Although potatoes contain considerably fewer than many other foods in the daily American diet, Mrs. Elliott explained. The calorie intake for a baked or boiled potato remains smaller than the intake for the same amount of avocados, lima beans, bran flakes, prunes, rice or sweet potatoes. Potatoes prepared without butter or cooking oil and served without gravy also have fewer calories than most fruits canned in heavy syrup.

Potatoes have been considered fattening due to their starch content. However, starch and other nutrients make up only 20 percent of the potato. The other 80 percent consists of water. "If potatoes were your only source of nutrients, they would provide all of the riboflavin, 1 1/2 times the iron, three to four times the thiamine and niacin and more than 10 times the vitamin C you need," Mrs. Elliott pointed. "Potatoes also contain many important mineral elements. In fact, a diet of whole milk and potatoes can supply almost all the food elements necessary for the maintenance of the human body."

Lengthy Agenda Faced By City Council Tuesday

Haskell City Council had a busy night Tuesday night as many interested residents met with them to formulate plans that would help our City in several areas.

First was a delegation from Haskell Chamber of Commerce, including president George Fouts, manager Rex Felker, and Mrs. Opal Adkins, Mrs. R. A. Lane and Mrs. Myron Biard. The group, in making plans for Hey Day, Frontier Days, and the Cotton Queen contest, wanted to work out with the Council, a place to have these events. A committee of Carl Anderson and Loraine Johnson from the council was appointed to work with Chamber members along these lines.

Pat Hale represented the Haskell County Fair Association, and discussed with the council the plans for putting either a concrete or an asphalt floor in the big show barn.

Frank Jenkins represented a delegation of Haskell Jaycees in their request to sponsor a six-week summer program for school children that would include volleyball, tennis, etc., with the City paying \$75.00 per week for supervisors, and the Jaycees furnishing the supplies for the program. The council approved the plans. Coaches Ray Sefcik, Gary Davenport and Bobby Dodd were also present to explain the success of such a program in other towns, and give the details on its organization.

In other council business, it was decided to borrow the money for the hangar at the City Airport, with the rental funds to pay it back. They also approved the calling of separate bids on another hangar, and a terminal building about 14x20 that would include two restrooms. Specifications on these may be picked up at City Hall.

April 24-28 was set as 'Clean-Up Week' in Haskell, an annual week set aside by the city for residents to make a concentrated effort to clean up places of business, residence, and vacant lots and other unsightly areas in town.

The City has received a \$45,500 airport grant from the State, plus \$22,644 grant from the Federal Aviation Agency, for a total of \$68,144, to be used at the City Airport.

Salaries of Mayor and Councilmen, agreed to stay the same at the last council meeting, are \$32.00 per month for the Mayor and \$5.00 per month for each council member.

Present for the meeting were Mayor J. Belton Duncan, Buster Gholson, Loraine Johnson, Carl Anderson, Bill Holden, and Jimmy Browning; and water superintendent Marvin Collins, City Attorney Joe Williams and City Secretary Ira Hester.

ital Notes Ceremony Unites Larned, Story

Miss Shirley Ann Larned became the bride of Danny Ray Story in a double-ring ceremony March 11 at 7 p. m. in the First Baptist Church of Haskell. She is the daughter of Mr. and Mrs. John Larned and his parents are Mr. and Mrs. Calvin Story of Eldorado, Okla.

Dr. Troy Culpepper, pastor of First Baptist, read the vows before an altar backed with an archway of greenery centered with hanging wedding bells. The archway was flanked with

arrangements of white gladioli and candelabra.

The bride, given in marriage by her father, chose a formal street-length wedding gown fashioned of white Chantilly lace over white satin. The square neck, hem and full fashioned long sleeves were of Chantilly lace, appliqued with seed pearls. An Empire waist was banded with white satin cord tied under the bustline in a tiny bow, and the lace back of the gown hung in soft, loose folds. She wore white peau de soie shoes. Her bouffant elbow-length veil was held by a pearl rope cluster, and she carried a bouquet of white roses centered with a white orchid.

Linda Pullman of Wichita Falls served the bride as maid of honor. She wore a street-length gown of red peau de soie, featuring puffed sleeves and a neckline trimmed in white lace. She carried a bouquet of white mums.

Soloist was Miss Mary Lou Story, sister of the groom, of Eldorado, Okla., who was accompanied by Miss Betty Kidd of Wichita Falls.

Monte Littlefield of Eldorado, Okla., served the groom as best man and Johny and Tim Larned, brothers of the bride, were ring bearers. Norman Story, brother of the groom, and Roger Skinner, his brother-in-law, were ushers. Both are from Eldorado, Okla.

Reception following the ceremony was in Fellowship Hall of the church.

The bride is a graduate of

Charles Swinsons Give Program On Russia To WSG

Mr. and Mrs. Charles Swenson presented their slides from Russia at the Wesleyan Service Guild meeting Monday night in the Fellowship Hall of the First United Methodist Church. Mrs. Clay Smith, president of the Guild, welcomed guests, Mrs. Elsy Eastland and Miss Jan Eastland, Mrs. R. S. Highnote, Mr. and Mrs. Jim Sloan, Ruby Wimberly, Mrs. Paul Josselot, and Mrs. O. W. Cox.

Mrs. Jewell Bynum gave an inspirational reading for the coming Easter season, the love-liest of the year.

Mrs. Carl Rastetter introduced Charles and Leatrice Swinson, who have visited Russia on a Progressive Farmer tour trip last August.

In a beautifully organized manner, Charles showed slides of Moscow and Tashkent, with the able comments of Leatrice. Tashkent is the far-east Russian city almost destroyed by earthquake in 1964. It is the richest cotton growing area in Russia. Charles confessed to being nervous during their stay in Russia, and on their return to New York, their party of 46 stood in the plane and sang "America, the Beautiful", spontaneously out of hearts of deep gratitude for this land of the free.

Mrs. Brooks Middleton and Mrs. Jewell Bynum were hostesses.

Packed House Views Spring Style Show

Spring flowers brightened every vantage point in Haskell Country Club Thursday night as the Spring Style Show got underway to a packed house at the Haskell Young Homemakers sponsored event. Standing room only was the name of the game, and the spring season was officially opened and women attending also showed up in new outfits for spring.

A delicious cold salad plate was served at banquet tables decorated with multicolored paper flower runners. Tiny thimbles holding a spray of straw flowers were plate favors, and members of Haskell Future Homemakers served. Giant daisies, butterflies, and paper flowers in vari-colored pots brightened the show room.

Mrs. Billie McKeever, president of HYH, welcomed the crowd; recognized the special guests, and introduced show emcee Jere Williams of Dallas.

Throughout the showing of Howard Wolf creations from Fincher's in Haskell, door prizes were awarded to lucky winners: Ruby Smith, Mrs. Virgil Hudson, Charles Henry, Ruth Ann Klose, Judy Brister, Jean Dunnam, Mrs. R. C. Couch Jr., Julie Ewing, Wynette Mullins, Peggy Lane, Jean Hale, and Evelyn Marr. Door prizes included two beautiful Howard Wolf dresses.

Haskell Young Homemakers models were Louise Thornhill, Vicki Josselot, Jean Hale, Judy Brister, Nancy Morales, Pat Gary, Mary Sorrels, Bettye McBroom, Bobbie Johnson, Janice Browning, June Hodgins, Sandra Guinn, Sandra Wallace, Janet Strickland and Mollie Moehler.

Haskell Young Homemakers express their sincere appreciation to everyone who attended, and to all who donated door prizes for the affair.

Magazine Club To Host Guest Speaker

The Magazine Club of Haskell is proud to be host to Mrs. Temple Driver this week, at their meeting at 3:30 p. m. Friday, March 17, at their club building.

Mrs. Driver, from Wichita Falls, is a graduate of Vernon High School and of Duke University. She is a member of the Wichita Falls Junior League and the Y.W.C.A. She has been named an Outstanding Member of the Southwest, and is a member of the Junior-Senior Forum at Wichita Falls.

She will be guest speaker at the Magazine Club meeting, and all members may bring a guest. Her topic will be "Tension and Unrest."

Soil Sample Tests At Garden Club

Members of Haskell Garden Club met in their regular meeting Thursday, March 9, at 3:30 p. m., with president, Mrs. Ed Fouts presiding. Eighteen members were present to finalize the club's plans for their big Spring Flower Show, set this year for April 29 in the community room at Haskell National Bank.

Mrs. M. E. Overton was program director for the day. She presented Mr. Tom Connally, vocational agriculture teacher of Paint Creek school, who in turn, introduced three of his FFA boys. The program was on soil analysis. Each member attending brought a soil sample from her yard, and the boys tested the samples. It was a very interesting program.

Mrs. E. L. Wycbe, Mrs. Bailey Guess and Mrs. Luther Burkett were hostesses, and served refreshments to those in attendance.

England Holiday Taken By Murphys

Mr. and Mrs. Truman Murphy, Jr., formerly of Haskell, now living in Denton, had a four-day vacation trip to London, England, recently.

The trip began from Miami, Fla. From there the couple flew by British Overseas Airways to England. Among the famous sights visited were Westminster Abbey, Buckingham Palace, the Tower of London, Parliament, and many others. The trip was concluded with a fabulous gourmet meal at the exclusive Victoria Hunting Club of London.

Sharon is the daughter of Mr. and Mrs. Bill Marr, Renee and Basil visited with their grandparents in Haskell while their parents were in London.

Truman Murphy works for Braniff International Airways in Dallas. He is working on his Master's degree and Sharon is also attending North Texas in Denton.

Heart Fund Drive \$2,021 Thus Far

Bob Philpot, chairman of the Haskell Heart Fund drive for

1972, reported a total of \$2,021.82 turned in thus far. Three areas in town have yet to turn in their donations, and the drive is hoped to be completed next week.

The donations include \$1,257.55 for the city of Haskell, \$571.87 for Rochester, \$78.00 for O'Brien, and \$114.50 for Weenert.

Haskell's fair share for 1972 was set at \$1,312.00. \$2,868.00 was raised in 1970 in the drive and it is hoped that this might be met this year. 76 deaths were due to heart defects in Haskell county last year, and each donation to this drive makes conquering many types of heart disease more possible.

3 Million Train Under GI Bill

Nearly three million veterans and servicemen trained under the GI Bill since the bill went into effect in June 1966, a Veterans Administration publication reveals.

The January issue of the information bulletin summarizes VA educational activities from Fiscal Year 1967 through November 1971.

Jack Coker, Director of the VA Regional Office in Waco, said the bulletin indicates 104,460 Texas veterans have trained in the agency's programs out of a total of 270,000 eligible veterans in the state.

Coker noted that nearly 1.2 million veterans were enrolled in VA educational programs around the country last November. Of that number, 67,955 took their training in Texas.

Other highlights of the information bulletin: The 1.2 million veterans in training last November were a 21% increase over the year before.

There were nearly 1.6 million GI Bill trainees last fiscal year, 31% more than the 1.2 million a year earlier.

An estimated two million persons are expected to participate in VA's educational programs this fiscal year.

Last November, 737,000 veterans were studying in college under the GI Bill—25% more than the 590,000 in Nov. 1970.

GI Bill trainees at all levels jumped 240% between Fiscal Years 1967 and 1971, from 468,000 to 1.6 million.

During the same period, vocational rehabilitation trainees (disabled veterans) increased

Student News

Lubbock — More than 1,071 students in the College of Education at Texas Tech University qualified for the dean's honor list for the fall semester, according to Dean Gordon C. Lee.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 point grading system.

The College of Education is one of six colleges and two schools at Texas Tech University, with a total fall enrollment of more than 21,000 students. The others are the colleges of Agricultural Sciences, Arts and Sciences, Business Administration, Engineering and Home Economics and the Graduate School and the School of Law.

Students recognized for their high academic achievement in the College of Arts and Sciences from Haskell are: Peggy J. Jones, 1104 N. Ave. E; Lynda K. Lane, 401 N. Ave. E; Jeannette N. Glass, 203 N. Ave. G; Vicki D. Thomas, 705 N. Ave. G; and Donna G. Nann, Route 2.

Abilene — Larry Hartsfield, son of Mr. and Mrs. H. H. Hartsfield, Haskell, has pledged Kinsmen social club at Abilene Christian College.

A 1971 graduate of Haskell High School, Hartsfield is a sophomore drama major. Minimum requirements for social club membership at ACC are 30 semester hours, one semester attendance at ACC and a 2.0 grade average out of a possible 4.0.

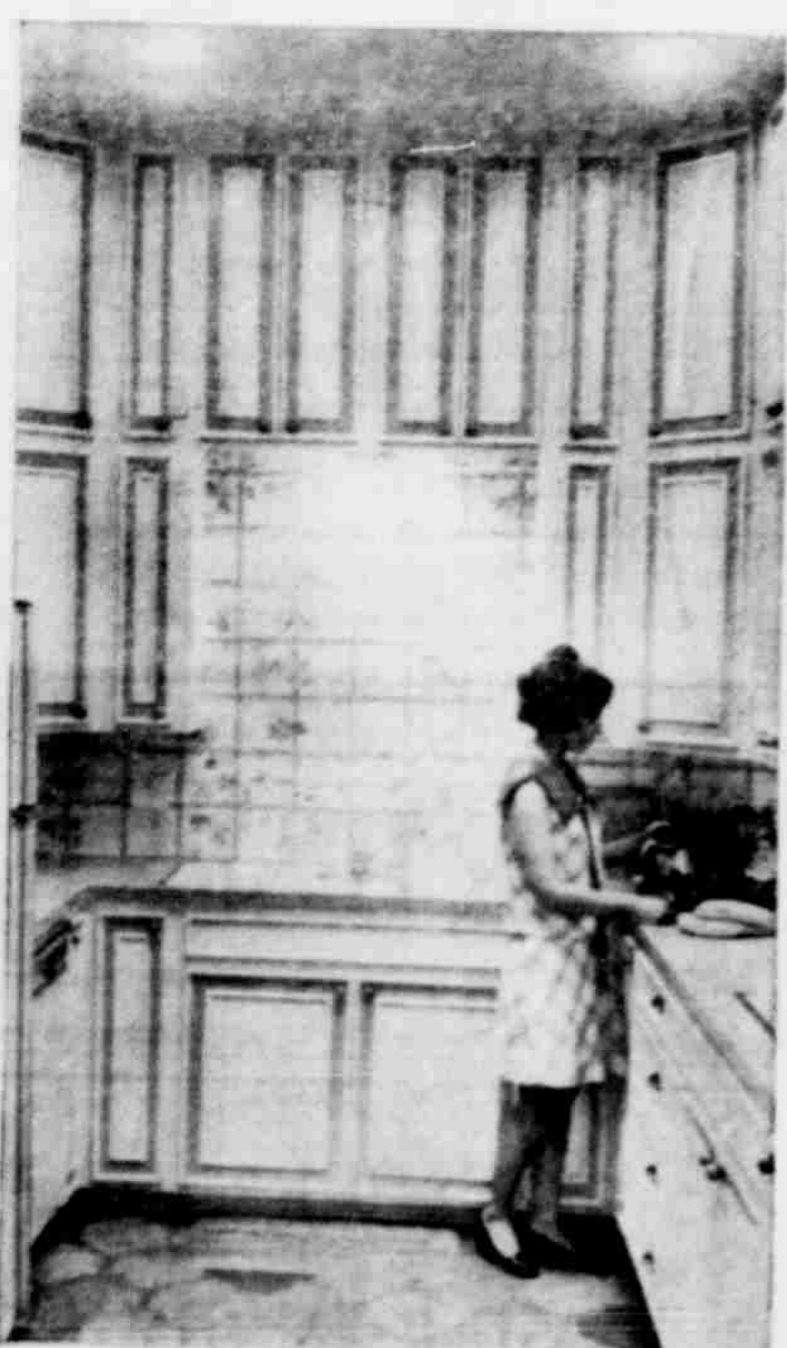

Waco — David L. Anderson, son of Mr. and Mrs. Carl Anderson of Haskell, has been named to the Dean's Distinguished Honor List for the fall semester at Baylor University. A grade point average of 3.80 on a 4.0 grading system, entitled him to the honor.

A student must be enrolled for not less than 12 semester hours to qualify. 256 students of the entire enrollment at Baylor attained this distinction during the fall semester. David was one of only 198 students, too, who made an "A" in all subjects for the semester.

Denton — Gail Lehrmann of Old Glory was among 1,050 named to the honor roll at North Texas State University last fall by Dr. Gus Ferre, vice president for academic affairs.

Some 186 students earned all "A's" to make the 4.0 honor roll during the fall semester, and 864 achieved the 3.5 listing, which includes those students whose grade average was midway between an "A" and a "B".

Miss Lehrmann made the 3.5 honor roll. She is the daughter of Mr. and Mrs. Clancy R. Lehrmann, Route 1.

SHERIFF'S SALE

THE STATE OF TEXAS) COUNTY OF HASKELL) NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable District Court of Haskell County, on the 3rd day of March, 1972, by Carolyn Reynolds, Clerk of said District Court of Haskell County, for the sum of Seven Hundred Fifty Three and 45/100 (\$753.45) Dollars and costs of suit, under a certain judgment, in favor of Geraldine Fouts Spain & Lois Fouts St. Clair Independent Executrices of the Estate of J. R. Fouts, Deceased, in a certain cause in said Court, No. 8765 and styled Geraldine Fouts Spain and Lois Fouts St. Clair, Independent Executrices of the Estate of J. R. Fouts, Deceased, vs. C. N. Branch, placed in my hands for service, I, G. T. Garrett as Sheriff of

Haskell County, Texas, did, on the 3rd day of March, 1972, levy on certain Real Estate, situated in Haskell County, Texas, described as follows, to-wit: All that certain lot, tract, or parcel of land situated in Haskell, Haskell County, Texas, being out of the S.W. corner of subdivision 130 of the Peter Allen Survey, abstract 2, described as follows: Beginning at the original S. W. corner of said subdivision 130: Thence east 140 feet; Thence north 140 feet; Thence west 140 feet; Thence south 140 feet to the place of beginning. and levied upon as the property of C. N. Branch and that on the first Tuesday in April, 1972, the same being the 4th day of said month, at the Court House door, of Haskell County, in the City of Haskell, Texas, between the hours of 10 a. m. and 4 p. m.,

by virtue of said levy and said Order of Sale, I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said C. N. Branch in and to said property.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Haskell Free Press, a newspaper published in Haskell County.

Witness my hand, this 3rd day of March, 1972.

G. T. GARRETT, Sheriff, Haskell County, Texas. 10-12c

NFU Holds Annual Meet

More than 2,000 delegates and guests attended the 70th annual National Farmers Union Convention which was held at the Rice Hotel in Houston, Texas, Feb. 28, through March 2nd.

Those attending the farm organization conference heard presidential candidates Hubert Humphrey and George McGovern attack Administration policies for agriculture.

Sue Hager On 4-H Council

Miss Sue Hager, daughter of Mr. and Mrs. W. H. Hager Jr., of Weimert, has been elected Chairman of the District III 4-H Council. The election was held at the Spring Meeting of the District Council on March 11, 1972, in Seymour.

She will preside over various District Council activities during the year and she will attend the State 4-H Council Workshop at the University of Houston in June.

Sue is an active 4-H member who has completed projects in beef cattle, leadership, money management, food preservation, foods and nutrition, clothing, citizenship, child-care, gardening, horse and electricity.

She represented Texas at the National 4-H Citizenship Short-course in Washington, D. C. and she also attended the Farm Bureau Citizenship Seminar in Austin. She is the 1971-72 Haskell County 4-H Gold Star Girl.

At Weimert High School she has been the Assistant Editor of the Annual Staff and was elected Most Popular Girl in 1972. She was class favorite in 1970 and was the 1970 Haskell Jaycee Rodeo Queen. In her livestock project, she received the county Showmanship award in 1971 and the District Steer Showmanship Award in 1970 and 1972. In the State Fair of Texas Showmanship contest, she won second.

After graduation from High School, she plans to enter Texas Tech where she will major in Home Economics.

Christmas Sleigh To Be Built Now

Haskell Retail Trade Committee members met Wednesday morning at City Cafe to make plans for the annual Christmas program.

Members attending were Mrs. W. A. Lyles, Mrs. Edith Wheatley, Mrs. Hardin Coffield, Mrs. Barney Frazier, Mrs. Viars Felker, Mrs. R. A. Lane, Mrs. Stanley Furr, Mrs. Opal Adkins, Barney Frazier, Loraine Johnson, Geneva Fouts, Buster Gholson, Wallace Cox, Jr. and Charles Thornhill. Others attending were chamber manager Rex Felker, Haskell Free Press publisher Bill Comedy, and Buster Shelton and Hubert Bledsoe.

The committee discussed plans for building a sleigh for the Christmas program that will hold as many as 40 children. It will be used during each Saturday's Christmas events, to take children for a ride with Santa.

Bledsoe and Shelton agreed to build the sleigh, and the Retail Trade Committee agreed to go into a two-year contract with them to use it during the Christmas season.

are commonly from one standpoint—that 'dirt' are compli- the children track in on their sources. Only shoes or that dust that seeps into the house on a windy day. Many of us are familiar with local soils as to

what they will produce—cotton, maize, wheat, etc. But how many of us really know our soils from the standpoint of what they are, how they are formed, what makes them different colors, why some are easier managed than others, why some absorb water faster than others.

Our Vocational Agricultural teachers are now engaged in training their students to judge land—recognize its differences and potentials. The students learn about structure, texture, permeability, soil amendments, and a host of other items in order to class the land according to its capability—what it can do. This training our vocational ag. students are receiving enables them to easily recognize soil from "dirt" and its potential value as the major natural resource of our Nation.

On March 23, the Board of Directors of the California Creek Soil and Water Conservation District will sponsor its annual Land Judging Contest. Students, along with their instructors, will gather at the Vocational Ag. building at the Stamford High School at 1:00 p.m. Teams of four students from each school entering the contest will be competing against each other for high point individual, and with other teams for first place team.

Grass identification teams will also be in competition at the same time. Students entering this contest will be required to identify 20 grass specimens; tell whether the plant is perennial or annual; cool season or warm season; native or introduced; decreaser, increaser or invader; and the plant's grazing value—good, fair or poor.

Individual awards will be made to the high five students in each contest, and to the three high scoring teams in each contest.

If your Ag. teacher hasn't mentioned these contests to you, ask him to make plans now to enter a team.

Driving Award To Seymour GT

General Telephone Company's Seymour Division has been awarded the Safe Driving award for 1971. The award was given to Harlan Jones, the division manager, by L. Gray Beck, president of General Telephone Co. of the Southwest, at the general staff meeting in Kerrville Feb. 15, 1972. The award is given annually to the Division or District having the best record in the prevention of motor vehicle accidents.

The Seymour Division employees and all shall endeavor to retain the award for 1972.

The award will be displayed in the foyer of the telephone business office in Seymour for six months and in the Fredrick, Okla., business office for six months to give employees in both sections of the division a chance to share the honor.

HISTORY OF FARMERS UNION

CHARTERED 1902—POINT, RAINS CO., TEXAS

(This is the 11th of 52 articles pertaining to goals and accomplishments since 1902, running every Thursday in the Haskell Free Press.)

1946—The Farmers Home Administration Act became law this day, and strengthening the Farm Security Administration program. This victory an effort of several years by Farmers Union to defend and retain the FSA.

1947—The right of farmers to market their grain cooperatively on the terms was sustained by the Minnesota Supreme Court in a case involving Union GTA.

1948—The first issue of the National Farmers Union Washington Newsletter published.

1948—Charles F. Brannan is confirmed by the U. S. Senate as Secretary of the man who was later to become inseparably associated with the direct support proposals of the Farmers Union.

1948—Commodity Credit Corporation was given a federal charter by a law on this day, for the "purpose of stabilizing, supporting and protecting farm and prices, of assisting in the maintenance and adequate and balanced agricultural commodities . . . and of facilitating the orderly distribution of agricultural commodities." This Act, supported by Farmers Union, spelled out the powers under which CCC has since operated.

1949—The first contingent of Farmers Union Washington bus trippers reached National Capitol. The Washington Campaigners trips continue to this day, although in some states the bus-trip has been supplanted by the Fly-In.

1949—A freshman senator from Minnesota, Hubert H. Humphrey, joins with others to introduce a bill to create a rural telephone administration as part of the RFA program, a step advocated by Farmers Union.

1949—The U. S. Senate approved the first International Wheat Agreement, a for orderly marketing in world trade sought by Farmers Union.

Wheat Growers Urged To Use Set-Aside Plan for 1972

Wheat growers in Texas have an opportunity to strengthen their own income and that of wheat growers nationwide through use of set-aside provisions of the 1972 farm program, according to Leo Witkowski. Witkowski urges all Texas producers to heed the appeal for program participation of National Association of Wheat Growers President, Gene Moos of Edwall, Washington.

Moos says, "Wheat growers should consider the long-range advantage to each individual producer and to the wheat industry if they sign up some wheat acreage in the new set-aside option in 1972."

Moos, who has 300 acres of winter wheat planted, says wheat producers who anticipate more than an average yield on wheat already planted will be tempted to gamble on

price at harvest time and not use the new U. S. Department of Agriculture offer to pay 94c per bushel for an average yield for up to 75 percent of a farm's domestic allotment. He has signed up to set aside 65 acres.

Moos emphasized that the 1971 wheat crop year will see a carry over of 900 million to 1 billion bushels of wheat and unless growers use the option to cut potential overproduction, they will be looking at a total carry over of about 1.3 billion bushels at the end of the 1972 year.

"If U. S. wheat growers will set aside 10 million acres that

average 30 bu. per acre, that would cut U. S. production about 300 million bushels in 1972 which is about the amount anticipated in excess of our needs," stresses Moos. He points out that if growers ignore the opportunity to use the voluntary set-aside to cut wheat production back to manageable carry over in 1972, then growers could think they won for the short-range but may face rigid wheat allotments and reduction programs in 1973 and 1974.

Wheat acres signed up for the set-aside program can be pastured or left standing to

prevent wind and soil erosion. Contact your ASCS office for complete details.

PAINT CREEK 4-H

Methods Growers May Increase Profits Shown In New Cotton Film

Texas Tech Dads Savings Bond Make Drive Plans Goal Set for '72

Raleigh, N. C. — Cotton Incorporated, the dollar-per-bale research and marketing organization of America's cotton producers, is distributing a new film which shows methods by which growers can increase profits from \$19 to \$26 per bale in harvesting, handling and ginning.

The film features a new rick connector for mechanically stacking seed cotton on the "turbow" and a new module builder which mechanically stacks it on pallets. Both machines are the result of recent research sponsored by Cotton Incorporated at Texas Tech and Texas A&M Universities.

Entitled "Increase Cotton Profit From Stalk to Bale," the film explains how producers can view the movement of cotton from the stalk all the way through the gin press as an integrated system.

It points out ways for a grower to alter complex economic factors which, between the time the crop is ready to pick until it reaches the cotton mill, determine the amount of profit he can pocket.

The film shows the rick connector, which a grower can buy for less than the price of two trailers, in actual field work, forming free-standing ricks which can be stored on the tarrrow until scheduled for ginning.

It illustrates methods of picking up the cotton by using a front end loader or a backhoe with a clamshell. Techniques for gaining greater utilization of trailers in the pickup operation are shown.

There are detailed demonstrations of the new module builder, developed in a crash program at Texas A&M University by researchers who are conducting three years of research into an order to help growers throughout the region where tarrrow storage on the ground is not practicable.

"We know the film will help persuade producers to analyze their entire harvesting, handling and ginning operations,"

said J. K. ("Farmer") Jones, manager of mechanization research for Cotton Incorporated.

"By doing this, especially by giving special consideration to cost factors, most producers can lower their stalk-to-bale costs by \$10," Jones said. "And some producers can save as much as \$24 per bale."

The film shows growers how to get the most out of their capital investment in existing machinery and future purchases, how to cut labor costs and save time while doing it, and how to avoid "trade off"—substituting new expenses for old ones, thereby nullifying financial gain.

It describes and illustrates ways by which ginners, as integral components of the stalk-to-bale system, can achieve new efficiencies in manpower costs and the length of their operating season to lower ginning costs.

The 26-minute color film may be booked by interested groups from Cotton Incorporated, Research and Technical Services Center, P. O. Box 18009, Raleigh, North Carolina 27609.

Improvement On Haskell Hiways

The Texas Highway Commission today approved the expenditure of \$773,800 for highway construction in Haskell County during 1973-74, announced District Highway Engineer J. C. Roberts of Abilene. He said a total of 4.1 miles in the county will be involved.

This work is a part of the 1973-74 Consolidated Highway Program for the two year period just authorized by the Highway Commission.

The following projects will be improved for the convenience and safety of the traveling public:

U. S. 380, 3.9 miles west of Rule, 0.4 mi., widen Double Mountain Fork of Brazos River bridge and approaches, \$453,200 construction.

U. S. 380, from Haskell, east, 2.7 mi., reconstruct grading, structures and surfacing, \$320,600 construction.

Lubbock — The Texas Tech University Dads Association has launched a drive to raise more than a quarter of a million dollars in an endowment fund for student scholarships.

Unanimous approval of a resolution endorsing the \$255,000 endowment project was a highlight of the Association's mid-winter business meeting at which the Tech Dads designated the fund as their contribution to the university's 50th anniversary celebration in 1975.

Interest accruing from the endowment fund is to be used for Dads Association scholarships, said Dads Pres. Mart G. Pederson of El Paso.

"The Dads Association," Pederson noted, "has long been distinguished for its leadership in the area of scholarships for deserving students. A program such as this will enable us to be much more effective in the future."

In a second resolution, the Dads Association also expressed its appreciation and commendation of the student body of Texas Tech University and approval of its department as one which has redounded to the good name of the institution and to their own credit as an agency which has made possible educational results of that high quality which comes only without distraction or interruption.

The parents' organization further resolved that "the Texas Tech Dads Association expresses its confidence in the student body on the basis of its past performance and appreciation of it as a mature and responsible agency contributing significantly to the growth and development of Texas Tech University."

More than 100 trustees of the association, along with officers and committee chairmen, participated in the annual orientation and planning session.

Trustees representing the Dads Association in Haskell and Jones counties are H. E. (Buck) Bland, Rt. 1, Haskell, and Dr. William J. Kemp, 1404 N. 1st, Haskell.

Does the Bible Say About GOD?

TEACHES...

"Before the mountains were brought up, or the hills were formed, and the world was created, thou art God." (Ps. 90:2)

"Whither shall I flee from thy presence? If I ascend up to heaven, thou art there; if I make my bed in hell, thou art there." (Ps. 139:7, 8)

"Great is our Lord, and of His power His understanding is infinite." (Ps. 147:5)

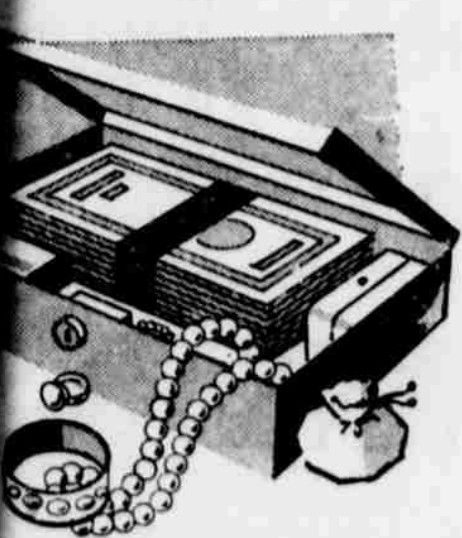

"The Lord is slow to anger, great in power, and will not at all acquit the wicked." (Ps. 103:9)

"The Lord is long-suffering to us-ward, not willing that any should perish, but that all should come to repentance." (2 Peter 3:9)

Mission Program Heard March 8

The Christian Missionary Society met March 8 in the home of Mrs. Patsy Cobb with 16 members present. The meeting was opened with a prayer by the president, Mrs. David Brockus. Plans for future meetings were discussed in a business session, one of which will be a salad supper and book review for the June meeting. Opening the program, Miss

Virginia Pitman led the group in several songs. Mrs. Jack Young brought the devotional entitled, "They Went Everywhere Preaching." Scriptures were read from the Book of Acts. She read the poem, "I Will Light A Little Candle." Mrs. Brockus presented the program, telling of mission points and missionaries in Belgium, Italy, Germany and Alpine Christian Mission. The missionary benediction was repeated in unison by the group and refreshments were served.

MRS. MELVIN RUEFFER
... formerly Ruby Mae Holder

Rueffer, Holder Vows Are Read

Miss Ruby Mae Holder, the daughter of Mr. and Mrs. R. H. Holder of Waco, and Melvin Edward Rueffer, son of Mr. and Mrs. Henry Rueffer of Weinert, were married in a double ring ceremony, Friday evening, March 3, at 7 o'clock in Columbus Ave. Baptist Church in Waco. The pastor, N. S. Draughon of Temple, officiated and Mr. Wallace Capp served as interpreter. White and pink gladiolus and candles decorated the altar area. Mrs. Alvin Schofield, sister of the bride, served as Matron of Honor, and Miss Barbara Holder, sister of the bride, served as bridesmaid. They were dressed in floor length gowns in shades of hot pink, wore white net headpieces, and carried bouquets of pink rose buds. Attending the bridegroom were Carl Rueffer, brother of the groom as Best Man, and Helmut Quiram as groomsman. Usher was Alvin Schofield. The bride, given in marriage by her father, wore a floor-length lace-trimmed white dress with fingertip veil. Pianist was Mrs. N. S. Draughon and soloist was Mrs. Don Johnston, who sang "Love Me Truly and The Lord's Prayer." Following the ceremony, a reception was held in the church parlor. After a wedding trip, the couple will be at home at 740 Westview, Waco, Texas.

Naomi SS Class Hosts Coffee For Mrs. Dewie Wester

The Naomi S. S. Class of the First Baptist Church had a coffee honoring Mrs. Dewie Wester in the home of Mrs. Bud Derr, March 10, from 9 to 10 a. m. Mrs. Wester, a resident of Haskell County since 1946, is moving to Olney, Texas to make her home. She moved to town 20 years ago. Mrs. Wester is a member of First Baptist Church and has been a faithful member of the Naomi S. S. Class for 20 years. Mrs. Wester is a nurse by profession and will continue in her work. A fellowship hour was enjoyed with refreshments being served. The class presented Mrs. Wester with a lovely going-away gift. Those present for the coffee were: Mmes. Pauline Derr, Aleene Wheatley, Katherine Schwartz, Edna Burnett, Nell Reeves, Nadine Sorenson, Nellie Collins, Vivian Roberson, Christine Bryant, Hassie Couch, Lillie Mae Clare, Ruby Mae Robertson, Ethel Lou Shelton, Elsy Eastland, Opal Adkins, the honoree Mrs. Dewie Wester, teacher Miss Betty Clanton, and one visitor, Mrs. Jo Tucker.

Irish Program At Rainbow Club

The Rainbow Sewing Club met March 7 in a regular meeting in Mother Johnson's home with the business of making plans for the Easter Parade, to be held the first meeting in April.

A song session of Irish songs were enjoyed by all, and the recreation carried out the Irish theme as well. Mrs. Livingood read an Irish story, and told about the Irish coming to America. Mrs. Larned explained the wearing of the green.

Mrs. Andrews drew the hostess gift. The recreation leader did some magic tricks and gave a quiz based on "Shamrock". Hostess, Mrs. Livingood served refreshments to seven members attending and the meeting closed with the singing of The Willing Workers song.

VISITORS

Visiting in the home of Mrs. Maggie Larned this past weekend were all her children and grandchildren. From Pasadena, Texas: Mr. and Mrs. Jack Davis, Mr. and Mrs. Wendil Jarman, Mr. and Mrs. Don Larned and girls, Mr. and Mrs. Mack Bagwell and children, Mr. and Mrs. Jerry Jarman and girls, Mr. and Mrs. Charlie Cickrell, Mr. and Mrs. Gary Myska and son, Mrs. James Davis and son; Mr. and Mrs. Donald Johnson of Spur, Mr. and Mrs. Arvil Jarman of Dallas. They were all here to attend the wedding of Shirley Larned to Danny Story.

Planting Dates Set To Control Pink Bollworm

AUSTIN — As harvesting of the 1971 cotton crop is ending in North West Texas planting of the 1972 crop in the Rio Grande Valley is beginning.

Noting this continuous process in Texas' most valuable crop, Texas Agriculture Commissioner John C. White reminds cotton growers that the fight to control the destructive pink bollworm should be equally unrelenting.

Commissioner White sets the planting and plow-up dates for cotton six zones of Texas, covering over 100 counties, as authorized under the State's Pink Bollworm Control Act. He urges all cotton farmers in those zones to observe the planting dates so that the pink bollworm can be more effectively controlled.

Some cotton has already been planted in the Rio Grande Valley where planting dates set by the Texas Department of Agriculture in Cameron County and parts of Hidalgo and Starr Counties are Feb. 1 to March 31. Other planting dates elsewhere include:

Feb. 15 to April 20 in the 13-county zone that reaches from Willacy County north through San Patricio and West through Starr, then north through Webb County;

March 5 to May 10 in the zone that reaches from Refugio north up the coast through Jackson and west through Maverick, then north through Val Verde;

March 10 to May 20 in the zone that reaches from Matagorda north up the coast through Orange County and west through Gonzales, then north through Washington;

March 10 to May 20 (same dates as above) in the 8-county zone that includes Guadalupe, Comal, Caldwell, Hays, Bastrop, Travis, Lee and Williamson Counties;

March 20 to May 31 in the zone in East and North Texas that reaches from Newton County north along the Sabine River through Panola and west through Burnet, then north through Hood County.

Pecos, Reeves and Ward Counties have no deadline for planting cotton.

A zone in the north part of

the Texas panhandle is free of pink bollworm infestation. Other cotton-growing counties in the State are not affected by the plant and plow-up dates set under the Pink Bollworm Control Law.

Sign of Good Breeding

Pioneer brand grain sorghum varieties have bred-in yield potential to help farmers get the most from their good management even in the face of adverse weather, insects, or plant disease. Also, the genetic inheritance of every Pioneer hybrid is unique. Each variety is bred to bring out the special traits necessary for maximum performance in the area where they are to be grown.

Your Pioneer dealer has many varieties bred to help Central Texas farmers turn in top yields. Some of these varieties are:
Pioneer brand 846: excellent drought resistance — good smut and MDM resistance — maturity in 157 days

Pioneer brand 848: excellent grain quality — short, strong stalks — good roots — excellent thrasher — maturity of 154 days — good resistance to smut and MDM

Pioneer brand 8417: new yellow endosperm variety — full, open heads — good standability — easy thresher — maturity of 157 days — good resistance to smut, MDM, and anthracnose

Pioneer brand 8681: new, early hybrid — maturity of 138 days — heavy, well-filled heads — short, strong stalks — good tolerance to head smut, MDM, and downy mildew

Pioneer brand 988: sorghum-sudangrass for pasture, greenchop, hay or haylage — fast regrowth — disease resistance — high feed quality — exceptional vigor under stress

Good year or bad year, you're better off with Pioneer.

Pioneer is a brand name; numbers identify varieties.

Former Haskellite Wins Coveted Award

Miss Wanda Dulaney, daughter of Mr. and Mrs. V. C. Dulaney of Haskell, and sister of Desmond and Bob Dulaney, has been selected for the top award given in the field of journalism in the City of Dallas.

The 1972 Matrix Awards, sponsored by Theta Sigma Phi, are presented annually to persons of outstanding talent, ability and achievement. Miss Dulaney, Director of Public Information with the American Red Cross in Dallas has won in the category of public relations. The national journalism society selects the winners from nominees in the highly competitive field, with the award the most coveted among journalists. According to Mrs. Jerry Porter, Director of Advertising for Dallas Federal Savings and Loan who was one of the judges, "Miss Dulaney was the unanimous choice among the stiffest competition possible in this year's consideration." Other judges included Ron Farrar, head of the journalism department of Southern Methodist University, Miss Graydon Heartsill, retired fashion editor of the Dallas Times Herald, and Mrs. Arch B. Swank, Jr., television broadcaster.

In other categories, the following were named: Nancy Richey Ranson, former Poet Laureate of Texas and Garden Editor of the Dallas News, for specialized departmental newspaper writing; Mary Alice Ficklen, free lance writing; Patsy Swank, TV writing; Lana Henderson, junior award, for success in less than two years of experience with the media.

The awards will be presented Saturday night at a dinner at the Braniff International, Inc. Hostess Cottage, with a champagne reception preceding the banquet. Over 500 persons are expected to attend the formal banquet where Mrs. Margaret Mayer, Washington Correspondent, will be speaker prior to the presentation of the trophies to the award winners.

Miss Dulaney was Executive Secretary of the Haskell County Red Cross for seven years, in the beginning of her 25 years with the organization. She came to Dallas in 1953 as secretary of the Public Information Department of the Dallas County Chapter and four years later was named director. Her job includes writing newspaper releases, radio spot announcements and interview copy, continuity for television coverage, scripts for slide series, films, programs, designing layout and editing annual reports, brochures, various art displays, coordinating major events and media contact. According to her co-workers, she is an expert in organization and in developing the full potential of other people, pushing them forward instead of herself.

Each year she coordinates the largest community gathering in Dallas, the Kickoff Luncheon at Memorial Auditorium for the United Fund of Metropolitan Dallas. This includes designing and distributing invitations, printed programs, working with all the mayors in Dallas County, over 200 service clubs, the selling of tickets, working with decorators and caterers and assisting with the program. Some 2500 attend the giant rally each year.

A veteran of disaster services, Miss Dulaney serves as a trouble-shooter, and is part of a special team which is sent to each area to set up communications between the Red Cross Chapter there and adjacent communities and to establish liaison between government and Red Cross workers. She covers stories about the people affected and the availability of the organization's services. Such assignments have included the Kansas-Missouri - Oklahoma - Indiana floods, Hurricane Audrey, Cameron, La.; Hurricane Beulah and Carla on the Gulf Coast of Texas; Hurricane Betsy, New Orleans; and the Dallas Tornado.

On behalf of the Red Cross, she attended the World Centenary Observance in Geneva, Switzerland; and has been a delegate to National Red Cross Conventions and Conferences in Atlantic City, N. J.; San Diego, Calif.; New York, N. Y.; Chicago, Ill.; St. Louis, Mo., and Charlottesville, W. Va.

the vanilla and black pepper, which the club has for sale. They discussed the trip Council is planning for members to go to Canyon, and visit the Texas Heritage show there.

Mrs. Henry Smith gave a program on a Leader Training meeting she and Mrs. Floyd

McGuire attended, on low calorie meals. She identified club members as VIP's, and pointed out the necessity of supplying our bodies with vitamins, iron and protein so as to have a healthy body. She listed the food a persons needs each day, and gave a suggested menu. The danger of crash diets and diet pills were stressed, and all members who needed to lose weight were reminded to check with their doctor before a diet plan was underway. The two women then prepared dishes of low calorie foods, and gave other recipes.

Mrs. Barbara Elliott showed a film on proper diet to ward off heart attack, and also talked on refinishing furniture to its natural wood. She gave the steps it takes to get this done, and a refinishing project will begin at the next meeting.

LUGENE LANE

(Week of March 9)
The Indian Band Concert went to contest Saturday, Mar. 4, at Sweetwater and brought home many fine results.

In band competition for UIL, there are three classes of music—I, II and III. A student may play a class III in UIL when he is a freshman but when he becomes a sophomore, he must play a II. When a solo or ensemble is played, it is rated from I-V. If a student plays a class II solo in UIL, excellently, he receives a I on it and therefore the following year he must play a Class I solo. The same solo may not be played again in UIL, even if a II-V rating is received, but another solo in that class may be played.

Those playing a Class I solo were: Helen Mary Cadenhead I, Susan Gilleland II, Linda Hartsfield II, Sandra Josselet II, Denise Roberson II, a quartet of S. Abbott, D. Tidwell, S. McAdoo, H. Cadenhead I, and quartet of C. Berry, P. Money, T. Thomas, A. Watson II, and the quartet of G. Barnett, E. Walling, S. Gilleland and L. Hartsfield II.

VA Questions And Answers

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—I am a veteran with an ordinary life National Service Life Insurance policy. May I surrender it for paid up insurance and still draw dividends?
A—Yes, but your dividends will be smaller.

Q—I am 100 percent disabled from service-connected injuries, and wonder if the Veterans Administration will treat me for a disability I suffered after leaving the service?
A—Yes, Veterans permanently and totally disabled from service-connected causes can be treated at VA outpatient clinics for nonservice connected disabilities. You should apply for treatment at the nearest VA office.

Q—Several years ago I elected to receive benefits under the new pension law when I exceeded the \$1,600 annual income limitation, resulting in termination of benefits under the old pension law. Now that income limitations under the old law have been increased, can I go back to drawing pension under the old law?
A—No. Once a pensioner has chosen benefits under the new law, he cannot go back to the old law.

Organizational Meeting Set

When the rural churches of America were founded, farm labor was almost totally done by hand and people were able to travel just four miles an hour. Today, mechanization has replaced hand labor and people travel 50 or more miles in the same hour.

With the introduction of mechanization, farmers replaced people with capital and began to export their young people. Farms began to increase in size and the resulting population decline began to take its toll on the rural social institutions. During the past 25 years in rural America, one person has left the farm every 25 seconds! Since 1968, the rural exodus has begun to slow down. In some places, the trend has actually reversed and rural areas are beginning to gain in population. Today, only half of the rural population are farmers.

The population increase today

in rural areas is generally taking place in towns within commuting distance of larger metropolitan areas. While many city people are looking for the 'good life' in the country, they will only move to areas that provide adequate opportunities for employment, education, culture and goods and services. The rural areas that will grow in the future are those that work hard to plan and develop their areas.

In order to do this, an organizational meeting for a Town and Country Conference has been set for 7:30 Friday night, March 24, in Haskell National Bank Community Room. All interested persons are invited to attend.
