

### Rotan Yellowhammers Here Tomorrow

## Indians Stomp Meek Merkel

**JACKIE YOUNG** is becoming quite a name in District 7AA and all around this part of the country for his running. The 5' 11", 170 pound, junior halfback of the Haskell Indians scored three touchdowns against Merkel Friday night, and you can bet Rotan has plans to keep a sharp eye on Number 37.

It wasn't raining Friday night in Merkel. The wind was fairly still and there wasn't one streak of lightning in the sky. And the Haskell Indian running attack on the football field resembled its old self. Shades of Charley Franklin.

The Indians amassed over 500 yards total offense, 463 of it over land, as they overpowered the Merkel Badgers in District 7AA grid action, 44-0.

Merkel was obviously outmanned. They couldn't mend a leaky defense and their quarterback, Steve Teaff, was so disgusted with either the Haskell defense or his receivers that he wouldn't even go to the pass with just minutes left and trailing by a bunch of points.

If the Indians could just play first quarters and then go home, they would be in cinch to win state. Friend, if you want to see some Haskell action, you better get a seat just as quickly after the kickoff as possible. Blink an eye and you've missed the first touchdown.

It took 24 seconds at Hamlin, 14 against Anson, and Friday night it seemed like forever, 44 seconds, before they got on the scoreboard.

On the first play from scrimmage, Frank Jircik broke through to wipe out Jerry Holmes, the Merkel halfback who was breaking out for a lateral. Jircik deposited Holmes back on the 20 yard line minus the ball. Bob Shea was on it for Haskell at the Merkel 19. Jircik tried the Badger line once, and then Jackie Young went off tackle 19 yards for the score. Together with the kick-

ed extra point and 44 seconds lapsed in the game, Haskell had the ball rolling, 7-0.

The next series for the Indians went for a 10 play-71 yard drive that climaxed with Bobby Cobb throwing a perfect slant-in pass to sophomore Randy Ivy diving into the endzone. Still, 4:57 remained in the first quarter and Haskell led, 13-0.

Included in that scoring drive was a spinning 20 yard run by Young, caught at the last second by Merkel's Billy Diltz, and a nifty bit of running on a 10-yard maneuver by Cobb.

On the following kickoff, Merkel's Holmes just about made it interesting. He sifted right through the Haskell charging wall and was on his way for greener pastures when Big Charles Erwin pounced on him from behind.

However the Merkel offense picked up the momentum and in seven plays was down to the Haskell 15 yard stripe. Teaff looked for Larry Hewitt in the right corner, down near the red flag and fired a sideline pass his way. Eric Whitaker stepped in from behind the receiver to make a quick interception, killing the Merkel drive—and their zeal.

**96 Yard Drive**  
From that point, the four-

**Who's A Good Indian?**  
**BOB SHEA**

yard line, the Indians drove 96 yards, 66 of those yards by way of Young, to score again. Cobb, from the two yard line Merkel, made a fine fake to the inside and pitched to Young going outside for a touchdown.

The Haskell defense was tremendous all night. On the next Merkel series, Erwin stripped Teaff of the ball again and Frosty Mayfield had it at the Merkel 43.

And there they were again threatening in Badger territory. The theory being, give the ball to Jackie and "Watch Jackie Run". Young took the handoff from Cobb on the 36, and following a good downfield block by Ivy, went in sailing for another score.

At band marching time Haskell was out to a comfortable lead of 25-0.

To completely whitewash a team, the defense has to play it's guts out every down. And this is what is becoming a characteristic of Haskell Indians, 1971. They aren't real big, Shea is the only one over 200 pounds, but son, they hit—and they hit hard. Merkel managed an even 100 yards of offense against Mickler-Mayfield-Dodson-Smith-Shea-Phemister-Erwin-Powell and crew.

Billy Cox returned to action this game and he was noted for moving like the B. C. of old. Cobb, Cox, and Young were in the backfield when the Indians moved for their first score of the second half.

Cobb moved 24 yards down to the Merkel 23, two plays later the little quarterback, who had his most impressive game to date, chugged 13 more yards to the Merkel 10. From there junior halfback Walton Wooten went on a stroll around right end to run the score up to 31 zip.

Eric and Ed Whitaker got into the action the next set of downs. With the twins moving like Charles F., the Indians travelled 86 yards in 8 plays, including a Cobb to Otis Riley pass for 12 yards, setting up a scoring plunge from the one by twin Eric.

## Rainfall Report

The weather, yes the weather, that cagey creature we all like to talk and guess about and sometimes we have to suffer through.

Doubtless by now, you know it was a wet month during October. The wind blew gusty on a few days, there were thunderstorms and funnel clouds sighted near about, and the farmers were beginning to wonder if they should join forces and commence to build an ark.

The rains came, day after day they came. Here in Haskell, weatherman Sam Herren recorded moisture on October 3, 8, 17, 18, 19, 22, 26 and 28.

The heaviest rainfall recorded was the October 3rd gusher when 1.41 inches of the wet stuff fell.

The city measured a whopping 4.24 inches for the month, nearly a full two inches more than normal for this month. The October normal rainfall in our city is 2.27 inches.

Take a look at the normal rainfall to this date and the amount of rain that has fallen thus far into 1971 and it's clearly visible why water is standing like lakes in some farmers' fields, 27.65 inches of rain has fallen on us for the first ten months of the year. More than seven inches over the average ten-month fall!

Herren also recorded the maximum temperature for the city during October as being 87 degrees on the 15th, and the minimum being 42 degrees on the last day of the month.

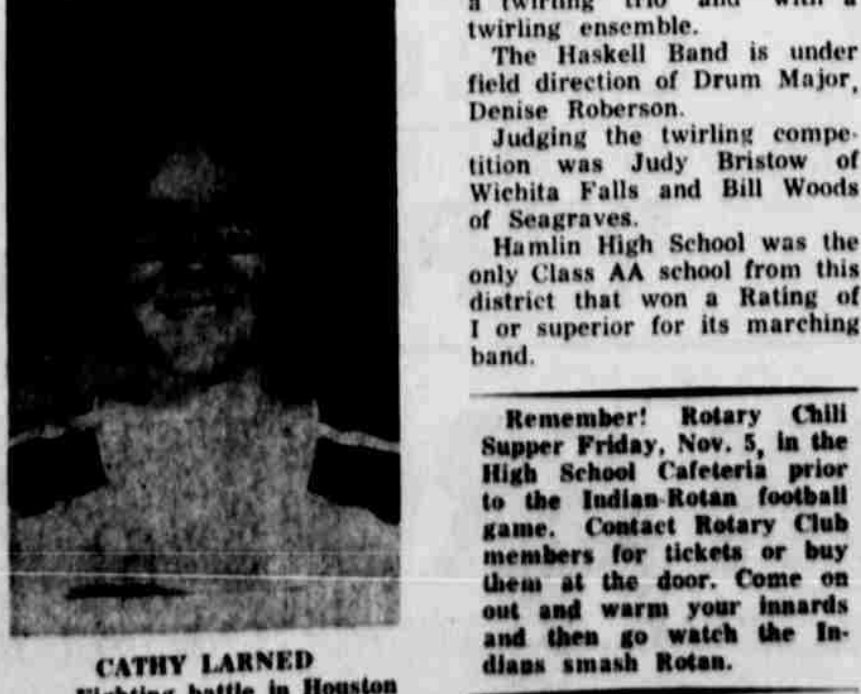

## Owens Seeks Second Term

Jimmy Owens has authorized the Free Press to announce his candidacy for re-election for a second term to the office of Tax Assessor-Collector of Haskell County.

Owens and his wife, Helen, moved to Haskell in 1958. They have two grown children, Bassett Owens, a banker in Lubbock, and Mrs. Beverly Owens SoRelle of Haskell.

He was employed for many years with Service Pipe Line before being elected to the Tax Assessor-Collector office in 1967.

Mr. Owens said he would issue his formal statement to the voters at a later date.

## New Mexico Man Seriously Hurt In Auto Wreck

A failure to make a curve leading into Weinert on Highway 277 has left a New Mexico man in satisfactory condition in an Abilene hospital and his car completely demolished.

The accident occurred around 10 p. m. Friday night, October 29, just at the south city limits of Weinert.

Highway Patrolman Skip Lane reported the car driven by Winston J. Lemmons, from New Mexico, was travelling north on the highway when he failed to make the curve. The Datsun automobile turned over approximately six times, knocked down a telephone pole, and came to rest on top of a natural gas meter.

Lemmons, who was taken to Haskell Memorial Hospital but later transferred to Hendricks Hospital at Abilene, was thrown about 75 feet from the automobile. He was taken to Haskell Memorial in serious condition by Holden-McCauley Funeral Home ambulance.

## Excellent Rating For Indian Band

The Haskell High School Marching Band received an excellent rating as it, and 21 other bands from this part of the state, marched in University Scholastic League judging at Pete Shotwell Stadium in Abilene, Tuesday.

The Band, under guidance of Band Director Wendell Gideon, marched about 1 p. m. Tuesday for judges Bill Dean, Odessa, J. W. King, Canyon, and Ralph Smith, Dimmitt. The judges gave the band a II rating, which is the same as excellent.

The band also featured seven twirlers in the twirling solo competition and, incredibly, all seven won a I rating, or a superior ranking. Clint Melton also did a twirling solo and was rated as superior.

The twirlers then teamed to win a superior rating in both a twirling trio and with a twirling ensemble.

The Haskell Band is under field direction of Drum Major, Denise Roberson.

Judging the twirling competition was Judy Bristow of Wichita Falls and Bill Woods of Seagraves.

Hamlin High School was the only Class AA school from this district that won a Rating of I or superior for its marching band.

## Fraziers Win Spain Trip

Have you ever thought to yourself, "Where was I at this time last week?", or "Where will I be at this time next week?" Most of us know where we were and where we will be. Barney Frazier last week was in his own appliance store. Next week, he and his wife will be in old Spain, thousands of miles from Haskell, and enjoying a royal tour.

Barney, who owns and operates Frazier's Appliances on the west side of the business square in Haskell, and his wife, Ramia Lee, will be taking the expense-paid week long trip for winning in this section of Texas the RCA contest which was based on achievements in purchases and sales of RCA products.

The trip will begin out of Dallas' Love Field Sunday morning when the Haskell couple boards a 747 jet to fly to New York Kennedy Airport. From there they and 139 other contest winners will transfer to an Iberia Airliner for the flight across the Atlantic Ocean.

The Fraziers got to work on winning this contest months ago. Mrs. Frazier commented last Monday, "We worked hard to win this trip, it certainly isn't just a pleasure cruise."

She made this comment while smarting from her smallpox vaccination that they had to take for the trip. "Would you believe this is the first time a small pox vaccination has taken on me, and I feel sick."

From Kennedy Airport the couple will fly to Malaga, Spain, arriving there Monday morning, 9:05, Spanish time.

## USDA Cotton, Feed Grain 1972 Programs Detailed

The major provisions of the 1972 upland cotton program follow those of the 1971 program by giving farmers the opportunity to make better overall use of their land in the interest of a balanced production of all crops, Secretary Hardin said.

The 1972 upland cotton program provides for a national allotment of 11,500,000 acres, a national average loan rate of 19.5 cents per pound, a preliminary set-aside payment rate of 15 cents per pound and a set-aside requirement of 20 percent of the farm base acreage allotment.

As for cotton production in 1972, each participating farmer will have the opportunity to plant the acreage he decides upon after study of the outlook for supply, demand, price and other factors.

To be eligible for loans and payments, cotton producers must set aside and devote to conserving uses an acreage equal to 20 percent of the farm base acreage allotment, plus the conserving base established for the farm. As in 1971, the set-aside acreage may be grazed except during the five principal months of the normal growing season but set-aside acreage must be protected against erosion, weeds, insect damage and rodents. In 1972, sweet sorghum again may be planted on the set-aside acreage and grazed, except during the five principal months of the growing season.

The national base acreage allotment of 11.5 million acres is apportioned to States on the basis of the acreage planted (including acreage regarded as having been planted) to upland cotton within the farm acreage allotment in the years 1966 through 1970, with adjustments in these acreages as required by law.

The allotment for Texas in 1972 is 4,885,568 acres.

The new program raises the feed grain set-aside to 25 percent of the base (20 percent in 1971), boosts set-aside payments (38 cents per bushel for grain sorghum (29 in 1971) brings barley into the feed grain program and offers farmers two new options to set aside additional acreage beyond the minimum qualifying 25 percent.

The feed grain program will work this way:

1. During sign-up, starting January 17, a farmer can decide whether to set aside a minimum 25 percent of his

## WARNING

Haskell Fire Chief Tom Watson has announced a warning to all citizens of Haskell, to refrain from going to fires. This is for your own safety. Traffic congestion at fires causes a dangerous hazard, not only to the onlooker, but to the firemen.

The Plectron radios installed at each fireman's home or business notifies them of fires. The whistle does not blow. So, when you see cars with their blinker lights on, these are firemen answering a call. Pull to the side of the road until traffic is clear, and DO NOT FOLLOW THEM TO THE FIRE. This warning will be repeated and tickets will be issued to people at fires who have no authority to be there.

### Willard Mullins Appointed Member Program Committee State Union

The state office of Texas Farmers Union has announced the appointment of a Program Committee to draft the resolutions which will be considered by the delegates at the 68th annual convention of the organization which will be held at the St. Anthony Hotel in San Antonio, Dec. 6 through 8.

The 17-member committee will assemble the resolutions adopted by the county affiliates of Texas Farmers Union into a proposed draft of the state program for consideration in San Antonio. County groups will be making their views known to the state organization in the form of county resolutions adopted at the local annual meetings.

The first meeting of the Program Committee has been scheduled at the Holiday Inn Southwest in Waco November 15 and 16. The committee will meet again prior to the convention on December 5 in an open hearing session to receive testimony from other organizations and individuals who wish to have their views heard.

Members of the committee include Willard L. Mullins of Haskell. He is a graduate of Haskell High School and Cisco Junior College and attended North Texas State University in Denton, Texas. His college major was education with some agricultural courses. Mullins is a Haskell County native and has farmed his entire life. He is currently active in several civic and social organizations. He is a member of the First Baptist Church in Haskell; is an active member of the Haskell Lodge No. 104 of the Independent Order of Odd Fellows; has served as Noble Grand for one term; is a holder of the Past Grand and Grand Lodge Degrees; presently a member of the Grand Lodge of the Independent Order of Odd Fellows of Texas. Mullins is presently working toward his Master's Degree in Masonry with the Haskell Lodge. Mullins has served as past county campaign manager for Sen. Ralph Yarborough. He is currently president of the Haskell County Farmers Union along with his farming activities which consists of 1600 acres of land on which he produces cotton, milo, guar and wheat.

### Community Clinic This Saturday

The Community Action Program wanted to remind those interested that there will be a Neighborhood Clinic Saturday, November 6, at 1:30 p. m. for children needing vaccinations, at the Community Action Center, 706 N. Ave. D East.

The Clinic is held the first Saturday of each month in the Center for all children over three months of age. There is no price or fee for the vaccinations.

CAP wants to urge all who possibly can to attend the next regular scheduled meeting of the organization, November 8. Some very important matters are to be discussed, and although only members of the Board can vote, anyone can be heard from the floor. Also, the Busy Bee Club will meet at the Center, November 11, at the regular time. The women of the Methodist Church sponsor this group.

### Haskell Doctor Renamed to Board

Haskell physician, Dr. James Frank Cadenhead, has been recently re-elected to a three-year term on the Board of Trustees at Hardin-Simmons University in Abilene.

Messengers at the annual session of the Baptist General Convention of Texas also named four new trustees to the H-SU Board.

Named to three-year terms on the H-SU Board are Gene Garrison, an El Paso pastor; W. B. Irvin, a retired Lubbock insurance executive; Jerold R. McBride, a San Angelo pastor, and Robert Everett Steakley, an Odessa rancher.

Those re-elected with Dr. Cadenhead to serve another three-year term on the board are: William Troy Armes, Littlefield auto dealer; Ed Connally, Abilene Oil Executive; Dr. Otis W. English, Lubbock surgeon; Oscar Fanning, Wylie pastor; Herbert Howard, Dallas pastor; Jim Jennings, Abilene businessman; Charles W. Logsdon, Abilene rancher; Ed Ponder, Sweetwater attorney and current chairman of the H-SU board; and D. M. Wiggins, Lubbock banker.

### Slow September For Bond Sales

According to a report received from County Bond Chairman R. W. Herren, sales of Series E and H United States Savings Bonds in Haskell County during September totaled \$15,511. Nine-month sales were \$83,121 for 38 per cent of the 1971 goal of \$220,000.

Sales in Texas during the month were \$15,465,128 compared to \$15,033,393 during September 1970. The January-September sales totaled \$152,382,599 with 84 per cent of the 1971 goal of \$181.9 million achieved.

Nationwide, purchases of Series E and H Savings Bonds totaled \$415 million — 18 per cent above a year earlier. Exchanges of Series E for Series H Bonds amounting to \$197 million were reported for the first nine months of 1971—8 per cent above those exchanged in 1970.

### Ruler Farms 12 Pound Yield

M. L. "Hap" Powell produced what he believed the biggest sweet potato crop on October 28, 1971. He earthed the sweet potatoes from his hobby garden and weighed the entire lot at 11 1/2 pounds.

The vine that Powell on has blooms in Morning Glory garden spot is growing in it. The tubers are 29 inches in length.

The Powells returned Stamford Cotton in 1970, where he has farmed for 43 years. They are to Rule where they den as a hobby. "Hap" has a lot of sweet potatoes forward to.

remains and then it'll be time for the big game. If everything goes according to schedule, being for Haskell to get by Rotan and Stamford (Hamlin Pipers) it will all be decided a week later in Stamford.

an upset or a Hamlin upset (and the Pipers a chance of beating Stamford as the Paint of thrashing the Dallas Cowboys), both District Haskell and Stamford, will be tied at 4-0 spot.

overlook the Rotan game here tomorrow night, for one reason, to win. They lost at Stamford they would like to claim a tie for second place in the district.

Tommy McAdams job, along with the other Indians to not overlook the Yellowhammers. Newspaper writers can look ahead. And second goes wrong. Ah, tis bliss to just sit on the feel the pressure of winning.

back to the subject . . . the Stamford Bulldogs, game.

five of eight compared to eight. But considerable. And the Indians important.

ple of young bulldogs who have ties towards the Pipers. Ricky coming on dog rusher. ned over 200 kel a couple he is defin- eaked with. ve to cope

with halfback Randy Leavitt, a Bulldog back that is right up in the top of the standings in 7AA scoring. And to add to that there's Mike McKeever, another good runner. They do like to run the ball with more runners like Bolin and Jones and Gary Marsh to add to their credit.

Haskell will try to equalize this running with a stingy defense. Over all the season, the Indians have the best record for allowing the fewest points in the district. Of course, Hamlin did sneak in a couple of

late touchdowns against the Haskell, but the game was out of reach and there was sort of that "We know we've got this game attitude", with a runaway score on the boards.

Nose guard Jim Bob Mickler has been the nucleus of the Indian defense this year and has stuck his head in the middle of a lot of pile-ups. Bob Shea and Frosty Mayfield have been outstanding all year. Danny Smith has probably made as many big plays as any Haskell defensive player this year, as has David Dodson. Smith and Dodson have been what I would call the most underrated defensive players in the district. They plug away and continually come up with good plays. But with guys like Mayfield, Mickler, and Shea around it is not hard to get a little over looked. Charles Erwin has made his share of crucial plays along with Sam Powell and Phil Josselot. Ricky Plemister must surely be counted when naming the best defenders in the entire district.

The Stamford game will surely be quite a challenge for these young men.

It will be the Stamford outstanding backfield against the Haskell stone wall. The outcome should be most interesting.

## P-C Loses, 48-20

The Pirates got raided again Thursday night when Benjamin and the Pierce brothers popped Paint Creek, 48-20.

The Mustangs put the game out of doubt early when they blasted a 14-0 first quarter lead and had gushed to a 34-8 lead by intermission.

Joe Galindo did get over with a two yard sneak for a Paint Creek touchdown and with Bobby Peiser's extra point boot, kept the Pirates from being shutout.

Danny Brueggeman recovered a fumble in the Benjamin end zone to get six more points for the Paint Creeks while a little later, Peiser went in from 15 yards out to close out the Pirate scoring.

The Pierce brothers accounted for most of the Mustang scoring with Jimmy scoring on two runs and a 10 yard pass from Steve Conner, while Billy scored on a 35 yard run and a 25 yard pass from Conner.

## Bulldogs Over Weinert, 70-22 For Seventh Consecutive Win

O'Brien had very little trouble disposing of host Weinert Thursday night in Six-man football action, taking their seventh consecutive victory, 70-22.

The Bulldogs are now 2-0 in District 5B standings while Weinert, who slipped by Paint Creek last week, drops to 1-1. Weinert has won three of six games for the season.

It's becoming a weekly thing for Louis Conn and Danny Del Hierro to rampage in the scoring column for O'Brien.

Conn, who usually plays second fiddle to Del Hierro in the scoring, came on strong against the Weinerts with three scoring dashes and a nifty 38 yard touchdown toss to Orlie Flores. Conn's scoring runs were for 16, 3 and 18 yards.

Del Hierro could only get his scoring from the five and one yard lines, but did add a 44 yard payoff pass to Arly Watson.

"Chargin'" Rayland Hayes scored for the Bulldogs on distant gallops of 16 and 45 yards as Weinert futilely tried to contain the Bulldog running game. Few teams have been successful in this venture this season.

Steve Figueroa also managed to add a five yard scoring gallop while Hayes tacked on six extra points.

Weinert wasn't whitewashed though. They put some points on the board despite the O'Brien defense. Felix Garcia brought a little life to the Weinert side when he picked off an O'Brien aerial and sailed 80 yards for a score. Garcia would

figure in another Weinert score later when he threw a pass to Billy Story for a 40 yard run-pass touchdown.

Jerry Sanders had a good night against the Bulldog defenders with a 45 yard touchdown run and kicking two extra points.

## Blakenship Wins Gun Club Trophy

W. V. Blakenship outshot Gary Sherrord of Idalou in a 25 bird shootoff for the Championship trophy and the new 30-30 Winchester Rifle in the Haskell Gun Club shooting on Sunday, October 31.

Blakenship of Guthrie and Sherrord were tied after the regular shooting for the handicap event title and were forced into the shootoff. Sherrord and Blakenship both had a score of 97 after regulation shooting.

Sherrord did take the Class B title while Gilbert Brooks of Electra took the Class A Singles.

Also announced was the coming Haskell Turkey Shoot to be held at the Haskell Gun Club, Sunday, November 21 at 1:00 p. m. The Haskell Jaycees will sponsor the Shoot and the public is invited to participate.

## Girls Suffer Court Defeats

The Rochester High School girls basketball team played Hawley Monday night October 24, at Hawley.

The girls were defeated in a hard-fought game, 56-37. At the end of the first quarter the score was tied 8-8. At half Hawley had the lead 22-19. In the third quarter Hawley rallied and came out ahead 38-27.

Susan Stegemoeller was high for Rochester with 24. Debbie Beauchamp followed with 9, while Cherri Lynn Townsend and Sharon Foster each had 2.

The Junior High team played Old Glory on Monday Oct. 24. They were defeated 34-22. High for Rochester was Mar-

## Ivey, Chavez Pace "B" Team In 34-14 Romp Over Knox City

While the Haskell Indians whose passing has looked exceptionally good for the team, connected with end Ollie Johnson for the next score, a play that covered 54 yards. Ivey finished the night with 170 yards through the airways, compared to the Indians 250 yards on the ground.

Probably one of the most promising players is a halfback, Francisco Chavez. A freshman with good running ability and a good pass receiver, Chavez is going to give somebody a good battle for a starting position next year on the varsity.

The youngster scored three touchdowns and gained 113 yards Thursday night as the "B" bunch waxed the Knox City "B" team, 34-14.

The first time the Indians had the ball they marched to the three yard line where Chavez went in for his first score. He scored again in the first quarter on a 39 yard rollout around right end and came right back to run for the two extra points.

Sophomore Kenny Ivey,

Tim Pringle sprinted left end for the fourth touchdown covering 24 yards. But the Ivey-Chavez tandem wasn't through for the night yet. They teamed for a 25 yard pass run play in the final quarter, together with Pringle running the extra point to make the final score, 34-14.

Coach Gary Davenport added that the team played good sound defense in the second half, holding Knox City scoreless after the break. He complimented Ricky Decker, Kippe Grand, Pringle and Ivey on their defensive efforts, adding that Ivey intercepted two passes during the game.

The "B" team will play at Rotan tonight at 7:30.

## Indians . . .

(Continued from Page 1, Sec. 1) zero, the defense was getting with the program. Erwin blindsided Merkel QB Teaff, causing him to cough up the ball at the Badger 32.

Cox came on to go three times into the Merkel line and with 7:28 left in the game, Billy fought his way into the Badger endzone from six yards out. And this time, he tacked on the extra point to make the outcome a beautiful, 44 nothing.

Finally, with just blinks left on the clock, Teaff went to the air. He hit Diltz with a last ditch effort pass and the ball popped into the air and who should be there waiting on it but Charles Erwin.

Jackie Young finished the game in the third quarter with 17 carries for 180 yards and three touchdowns.

## Bobkittens Again Finish Undeclared

The Rule Kittens finished out their 1971 football year Tuesday night by defeating the Rochester Yearlings 32-0, giving the Kittens an unbeaten seven-game season. During this season the Kittens had one touchdown scored against them, outscoring their opponents 170-6.

The rain and slick ball kept the Kittens scoreless Tuesday night all the first quarter, but early in the second, Leonard Rhoads broke around left end for 45 yards and the first Kitten score. The try for extra points by Johnny Menchaca on a quarterback rollout was good, making the score 8-0 in favor of the Kittens.

The Yearlings were unable to move after receiving the kick-off and on 4th down the Yearling punter fumbled the snap with the Kittens recovering on the Yearling 15 yard line. Two runs by Rhoads reached the 3 yard line where Menchaca swept right end for the score. The try for extra points by Wes Kittley was good, but a penalty nullified the attempt.

On the Yearlings next possession they tried a pass over the middle that fell into the arms of Rhoads who went to his left and returned the interception 35 yards for the Kittens' 3rd touchdown.

The third quarter was scoreless but, early in the 4th quarter after some good runs by Rhoads, Menchaca and Jimmy Macias, the Kittens moved down to the Yearlings 5 yard line. From this point Macias took a hand-off and went in for another score.

From the Kitten 35 yard line, Rhoads passed to Johnny Menchaca who took the ball on the 20 and raced into the end zone for the score. The game ended shortly after this and the season ended for the Kittens. This was the second year in a row for the Kittens to go undefeated.

## Steers Shutout By Graham JV 34-0

Rochester's Steers are still looking for a win, or maybe just a score, as they fell shut-out victims again, this time to the Graham Junior Varsity, 34-0, Thursday night.

The hapless Steers managed 13 first downs and 123 yards total offense, but couldn't move where it counted.

Kevin Able, the Graham JV quarterback, did most of the damage to the locals with two touchdown passes and scoring one himself.

Rochester held the JV to just a score a quarter, but Graham iced the win with two last period touchdowns.

### Easy Harvestime Feast

Reaping the harvest and delighting in fresh aromas from the kitchen are part of the nostalgia of autumn for most Americans. Sound out of reach today? Not at all! Fond memories linger on in a new and tasty casserole recipe developed in the Kraft Kitchens. But use of delicious, creamy Macaroni and Cheese Packaged Dinner makes the recipe strictly "today"—perfect for the busy cook getting children ready for school or welcoming guests after a favorite sports event.

Tuna fish and milk combined with the macaroni and cheese add extra protein nutrition to an already excellent source. Bread crumbs treated to fresh melted margarine and tangy Grated Parmesan Cheese top off the dinner with good taste and good looks.

You may add a favorite green salad or vegetable to round out the meal. But whatever your choice, this new macaroni and cheese delight promises to be the perfect modern Harvest Bake—long on flavor and short on time.

**Harvest Bake**  
1 pkg. Kraft Macaroni and Cheese Dinner  
1 7-oz. can tuna, drained, flaked  
1/4 cup milk  
2 tomatoes, chopped  
Kraft Grated Parmesan Cheese  
Fresh bread crumbs  
Parkay Margarine, melted  
Prepare dinner as directed on package. Add tuna, milk and tomatoes; mix lightly. Pour into 10 x 6-inch baking dish. Top with additional tomato slices sprinkled with cheese. Surround with bread crumbs tossed with margarine. Bake at 350°, 20 minutes. Makes 4 to 6 servings.

### Former Haskell Girl Announces Plans To Marry

Mr. and Mrs. Gene Shackelford Sr. of Stamford announce the engagement and approaching marriage of their daughter, Vickie Maurine, to Larry Dwayne Jones, son of Mr. and Mrs. L. D. Jones of Stamford. Shackelford is the former RR agent in Haskell and lived here from June 1963 until his transfer to Munday, August 6 of this year.

The bride-elect is a graduate of Stamford High School attended Southwest Texas State University and a graduate of Commercial College in Abilene. The future groom is a student at the University of Texas at Austin.

The couple will marry January 8, 1972 at the Central Presbyterian Church in Stamford.

### Weinert Couple Plan Wedding Date

CARON SUE GUESS

### State Librarian Consultant Here

Field consultant for the Texas State Library, Mrs. Vanita Rothell of Stephenville, was here for a meeting at the Haskell County Library, October 22, to offer assistance to the Library.

Two board members were present to meet with Mrs. Rothell. Those able to attend were Mrs. Edith Wheatley and Raja Hassen, County librarian, Mrs. Elsie McGee, was also on hand for the visit.

While in Haskell, Mrs. Rothell paid a visit to County Judge B. O. Roberson.

### Mrs. Gene Tonn In From Jersey

Mrs. Gene Tonn returned on Saturday from Longport, N. J., where she attended the funeral of her brother-in-law, retired police Captain James J. Jameson.

Mrs. Tonn had just returned to Haskell the first week in October after a five week stay with her sister, Miriam, in Longport, when she was notified of retired Capt. Jameson's death.

Jameson had been on the Longport Police Department for 40 years before his retirement. The Jameson's only son died in 1945 with polio. Mrs. Jameson, Mrs. Tonn's sister, is an accomplished artist and many of the Tonn's friends here in Haskell have seen her art work and paintings.

# DEATH NOTICES

## Cleatus Turnbow

Funeral services were held Sunday, October 31, at 3:00 p. m., in the Haskell United Methodist Church for Weibert farmer, Cleatus Emer Turnbow.

Mr. Turnbow died Friday, October 29, in Haskell Memorial Hospital after a lengthy illness.

He was born February 15, 1916 in Haskell County and was married to the former Mozelle Turner here in Haskell, December 25, 1934.

Rev. H. O. Abbott, pastor of the First United Methodist Church here, delivered the funeral message.

Surviving Mr. Turnbow are: his wife, Mrs. Mozelle Turnbow of Weibert; two daughters, Mrs. Jerry Shepard of Gallup, N. M., and Mrs. Randy Davis of Dallas; one sister, Mrs. Veda Drimmon, and three brothers, Woodrow, Alfred and Weldon Turnbow, all of Haskell, two granddaughters, Cindy and Andrea Shepard.

Palbearers for the service were Homer Jossilet, V. P. Terrell, Bailey Toiber, Bud Turnbow, Adell Thomas, and J. B. Dunham.

The Holden-McCauley Funeral Home had charge of the services.

## Virgil Hudspeth

Virgil Hudspeth, 59, died at 9:25 a. m. Saturday in the Knox County Hospital in Knox City after an apparent heart attack at his home Tuesday evening.

Funeral was held Sunday at 3 p. m. in the Church of Christ with Lucian Farrar, minister and the Rev. Glenn Granger, Baptist pastor, officiating.

Born Jan. 17, 1912, in Haskell

County near O'Brien, he had lived in Haskell County all his life. He was a member of the Church of Christ.

Survivors include one brother, Arnold of Rochester; five sisters, Mrs. Bertha Trammier of Knox City, Mrs. Virgie Willis of Long Beach, Calif., Mrs. Thelma Jones of Dallas, Mrs. Ruth Dozier of O'Brien and Mrs. Ruby Dunn of Weatherford.

## William J. Bragg

William Jesse Bragg, 93, died at 6:15 p. m. Wednesday in Stamford Memorial Hospital after a short illness.

Funeral was held at 10 a. m. Friday in the Kinney Funeral Home Chapel in Stamford with the Rev. Jack Southerland, Stamford Baptist pastor, officiating.

Burial was in the Lubbock City Cemetery, with graveside services at Lubbock at 2:30 p. m. Friday under direction of Smith Funeral Home of Knox City.

Born Nov. 4, 1877, in Parker County, he married Sue Marshall, June 29, 1905, in Rochester. She died in 1960. He was a retired farmer and rancher. For the past five years he had been living at the Stamford Inn. He was a resident of Rochester for 51 years before moving to Lubbock 11 years ago. He was a member of the Baptist Church.

Survivors include five daughters, Mrs. Robert Dorman of Houston, Mrs. George Tuessen of Las Cruces, N. M., Mrs. George Tobey of Albuquerque, N. M., Mrs. Ralph Caldwell of Lubbock, Mrs. John C. Bernard of Spur; one son, Mansell Bragg of Spur; 10 grandchildren and 11 great grandchildren.

ren; one brother, Moody, of Wisconsin.

## John Bearden

The First Baptist Church of Rochester was the site of the funeral services held Tuesday, November 2, at 2 p. m., for John Bearden.

Rev. Glen Granger officiated at the services for the 64-year-old Bearden, who died Saturday afternoon in San Antonio. Burial followed the services in Rochester Cemetery under direction of Smith Funeral Home.

Survivors are one son, John R. Bearden of Ed Couch, Tex.; one brother, Ben Bearden of Kingsland, Tex.; four sisters, Mrs. Myrtle Treadwell and Mrs. Kate Bradley, both of Amarillo, Mrs. Laverta Carver of Knox City, and Mrs. Virgie Bearden of Hobbs, N. M.; and four grandchildren.

## Long Inspires Lions Meeting

The Haskell Lions held their regular Tuesday noon time meeting at Felker's Restaurant with president Lion Bud Pogue presiding.

Lion Pogue read the letters he had received from the national association concerning the Lions international convention to be held in Mexico City.

Secretary Oscar Tooley read the gross and expenses the Lions had accrued during the big Pancake Supper held here October 22. Lion Tooley explained the tremendous increase in expenses this year compared to last year's supper, and gave the total gross amount for the 1971 supper as \$290.

Gene Long took the podium next to speak to the Lions on individual effort, and what is within each and how each individual can best reach his maximum capabilities.

Lion Long, an inspiring and enthusiastic speaker, gave several examples of people who reached what seemed like impossible goals by just giving extra effort and believing they could.

## Farm Bureau Resolution Committee Meets Wednesday For Preparations

AMARILLO—(Sp)—The 41-member Texas Farm Bureau Resolutions Committee will meet here on Wednesday, Nov. 10, to begin preparations for the annual TFB convention which will be held Nov. 14-17. Farm Bureau's grass-roots policy-making process on the state level will be culminated at the 38th annual meeting of the state farm organization at Amarillo's Civic Center.

The Resolutions Committee will meet prior to the opening of the state convention to com-

pile tentative resolutions that will be submitted to the voting delegates on the final two days of the meeting. The group must consider some 1,500 resolutions on scores of state and national issues sent in by the 206 organized county Farm Bureaus in the state.

The tentative resolutions which they will draft will embody the majority thinking expressed in the county recommendations on the various issues covered. Any recommendation sent in but not covered in the tentative resolutions may be brought up on the floor of the convention for consideration by the more than 900 voting delegates.

The delegates will amend, reject, or adopt the submitted resolutions. Those adopted which deal with state matters become TFB policy for next year. Adopted national recommendations will be forwarded to the national Farm Bureau convention which will be held in December in Chicago.

The Resolutions Committee is composed of three Farm Bureau members from each of the 13 districts in the state, plus TFB Vice President and Dist. 13 Director M. F. (Mike) Frost of McAllen, who will be chairman of the committee, and the chairman of the TFB Young Farmers and Ranchers Advisory Committee, T. J. Richards of Paducah, Dist. 3 board member, will be vice chairman, and Steve Lilly of Nacogdoches, Dist. 9 board member, will be secretary.

Committee members include Marvin Phemister of Weibert representing the Haskell County District.

## Good Meals On Your Food Dollars

Trying to stretch your food dollars yet serve appetizing, nutritious family meals?

Here are some ideas and marketing suggestions from Gwendolyn Glyatt, Extension consumer marketing specialist at Texas A&M University.

Watch food ads for good buys on chuck roasts. At retail store counters, look for best values on ground beef, boneless stew meat, liver, round steaks and various boneless roasts.

Fresh pork is frequently specialized this week. Pork values include Boston butt roasts, shoulder steaks, fresh picnic roasts, loin roasts, smoked hams and picnics.

At the poultry counter, fryer chickens remain an excellent bargain, with markets featuring specials on whole birds and parts. Eggs, also an excellent protein value, are plentiful. Grade A large eggs offer the most economy and quality for your egg money.

Apples are the big news in the fresh fruit market. October is the month when supplies are largest, the fruit is top quality and prices are moderate. Best buys are all-purpose Jonathans and smaller size Red Delicious. Texas juice oranges are also on the market in limited quantities, but harvest is progressing. Tokay grapes have attractive prices, while the white seedless grapes are a bit higher. Other economical fruit choices include bananas, avocados and pears. Although melon season is almost over, good quality honeydew melons are still available.

Best vegetable selections include carrots, cabbage, salad size tomatoes, yellow onions, potatoes, cooking greens and sweet potatoes.

The children of Mr. and Mrs. Norman Bevel were in town for the funeral of Mrs. Bevel's mother, Mrs. Bertha Turner, last week.

Those visiting with Mrs. Bevel while here for the services were: Mr. and Mrs. James Bevel and family of La Pryor, Sergeant 1st Class Jack Bevel of Fort Hood, Mrs. Roger Nielsen and Anne Patrice of El Paso, Mr. and Mrs. Jackie Harvey, Debra and Michael of Odessa, and Darlene Bevel of Seminole.

DON COMEDY

## Don Comedy Wins Journalism Grant

LUBBOCK—Billy Don Comedy, sophomore journalism major from Haskell, has been awarded the \$250 Doc Sellers Scholarship for the 1972 Spring semester at Texas Tech University.

Announcement of the grant was made Tuesday (Nov. 2) by Dr. Billy I. Ross, chairman of the Department of Mass Communications at Tech. Wayne Sellers of Palestine is donor of the scholarship.

Comedy, son of Mr. and Mrs. Billy M. Comedy of Haskell, is a graduate of Throckmorton High School and attended Cisco Junior College. He is majoring in journalism at Texas Tech with an emphasis in photography.

The scholarship is awarded annually to a male journalism student with at least sophomore standing who plans to make a lifetime career of newspaper work, Ross said.

### Hungry Today? Chili Tomorrow

Members of the Haskell Rotary Club and their guests met at the City Cafe at noon Thursday, October 28, for a luncheon meeting with president C. A. Thomas Jr., presiding.

Ira Hester, program chairman, introduced Miss Karen Pippin, daughter of Mr. and Mrs. Jack Pippin, as the entertainment for the day. Miss Pippin sang a medley of songs to the accompaniment provided by Ellen Walling, daughter of Mr. and Mrs. J. E. Walling, Jr., of this city.

In a short business session, R. C. Couch Jr., chairman of the club's forthcoming chili supper to be held at the High School lunch room preceding the Haskell-Rotan football game on November 5, passed out tickets to club members. The chili supper is an annual event sponsored by the Rotary Club and the proceeds are used to provide scholarships for Haskell students. The meal of chili, beans, dessert and coffee is a popular affair each year and everyone is invited to purchase a ticket and be present for the supper. Tickets are \$1.00 each and they can be purchased from members of the club or from Ira Hester at the City Hall.

Invocation for the meeting was voiced by Rotarian Eldon Anderson and the song session was led by R. C. Couch with Gail Barnett providing the accompaniment.

The guests were also introduced by R. C. Couch who recognized Mrs. Ira Hester, Nancy Middleton and Pam Colbert as being present for the meeting.

### Glenn Shelton Is Published

Glenn Shelton, page-one columnist for the Wichita Falls Record-News, has written a book based on 15 years of columns entitled "Groundhog Up A Tree". He illustrated it himself with cartoons.

Publisher of the book is Nor-tex Offset Publications, Inc., of Wichita Falls, a firm that has published a number of books for southwestern authors.

Shelton is well known over a wide area of North Texas and Southwestern Oklahoma for his daily "Hired Hand" column and for his public speaking.

He is from a family of journalists. His brother, Stan, is a newsman with the Corpus Christi Caller-Times, and previously was with the Toledo (O.) Blade, and the Daily Oklahoman. His brother, Bill, is a newsman with the Long Beach (Calif.) Independent Press-Telegram. Keith, a brother who wrote political news for the Dallas Times-Herald, is teaching journalism at North Texas State University at Denton.

"Groundhog Up A Tree" is Shelton's first book.

### Gospel Singers Hear Tomorrow

A well known gospel singing group will be in Haskell Friday night to spiritually entertain anyone wishing to come out and hear them sing.

Bill Mann and the Gospel Messengers will be at the American Legion Hall in Haskell, Friday night at 7:30.

Announcing the coming of the group and sponsoring their appearance is the Haskell Church of God, Rev. J. W. Davis, pastor.

### CONSERVATION VIEW POINTS

J. C. YEARY, JR.  
District Conservationist

"Wherever you live in Texas," says James E. Lewis, Wildlife Biologist for the Texas Parks and Wildlife Service, "you are probably within minutes of some of the finest sport available anywhere — Quail

most fleet-footed hunter. Lewis says that because of his unceasing movement, the blue quail is not quarry for the bird dog. The continual movement of the blue quail makes hunting them with dogs impractical and almost inhumane. When hunting "blues", two things should be kept in mind. They are fleet-footed and will take to the air only when persistently hounded.

Bobwhite can be found in all parts of Haskell County and in almost every available habitat. They depend on the quality of their habitat for survival. A constant food supply through out the year and ample cover for protection from natural enemies are absolutely essential —two qualities which Haskell County has abundantly.

In hunting this fall, obey all hunting laws that are in existence. Make it your business to know these laws. Take only your limit. Don't hunt from your vehicle. Above all else, have the land owner's permission to hunt on his property. Respect his property and livestock. Keep gates closed. And be welcomed back next hunting season. Practice hunting safety rules to the letter. The life you save may be your own.

And since I don't hunt, bring me a mess of quail now and then.

### LETTERS TO THE EDITOR

Mr. and Mrs. Comedy,  
Thank you for everything you did to make the Haskell Homecoming a "great big success" with everyone having "loads of fun."  
Sincerely,  
Artie May Burkett.

# Haskell Chamber Leaders Hear Plans for Town Improvement by J-Cs

A meeting of the Officers and Directors of the Chamber of Commerce was held at Felker's Restaurant at 7:00 a. m., Tuesday, November 2nd, with president of the civic organization, Elbert Johnson, presiding for the breakfast meet.

The meeting was begun with the invocation voiced by Abe Turner, after which manager Rex Felker read the minutes of the last meeting and presented the financial statement for the month of October.

A short discussion was held in regards to the feasibility of making a membership check of the roster sometime in December to attempt to secure additional revenue by signing up new members and also making a re-evaluation of the dues paid by present members.

Motion was made by Robert Philpot and seconded by Sue Fincher that additional circulars be printed relative to the annual Christmas Program and that the Boy Scout troop be paid to deliver them to neighboring towns. The motion carried.

Charles Thornhill, president of the Haskell Jaycees, was a guest at the meeting and made a short talk on the ambitions and desires of the Jaycee organization in regards to all phases of civic life which affected the residents of Haskell.

He stressed that some of their annual programs would be continued such as the Christmas Tour for Children, Sale of Christmas trees, work on the Christmas decorations for the city, and others. He also stated that regarding the town improvement plan which all organizations are participating in, under the leadership of the Progressive Study Club, that the Jaycees had some excellent ideas which they hope to put into use shortly after January 1st.

He and past president Doyle High have visited the town of Snyder to get ideas from individuals and organizations who participated in the overall plan which resulted in Snyder being rated a Blue Ribbon City.

He specifically asked that members of the Jaycees be invited to all meetings such as City Council, School Board, Chamber of Commerce and others to enable them to become better acquainted with the work that is currently being done and to offer their assistance where help is needed.

The revamping and remodeling of the Christmas decorations is currently being done by the Jaycees and a complete new look is expected when the lights are turned on Thanksgiving night.

Present for the meeting were: Elbert Johnson, Bob Philpot, George Fouts, Charles McCauley, Abe Turner, Bob Beauchamp, H. V. Woodard, Sue Fincher, Bill Comedy, Darold Roberson, Doyle High, Frances Lane, and manager Rex Felker.

## Tommy Mojica To Show Slides

There will be a special color slide showing of the people and churches in Spain at the First Baptist Church of Haskell this coming Sunday, Nov. 7, at 7 p. m.

Tommy Mojica, student at Hardin-Simmons University and Youth Director at the church, will show the slides. Mojica has only recently returned from Spain where he participated in a Christian missionary crusade throughout the country and part of France. He will speak of life today in that area of the world and specifically of the needs of the people.

The deacons at First Baptist had beforehand recommended the church pay most of Mojica's expenses which the church unanimously approved and secured the possibility of the trip. The public is cordially invited to attend.

Yes, There is A Miracle Valley. Guests in the home of Lee R. O'Neal over the past weekend were Mr. and Mrs. Robert O'Neal and son Norman from Tucson and Miracle Valley, Arizona, the Ray O'Neals and Robin of Nacona and Mr. and Mrs. Wilson Bean of Rochester.

# Bobcats Eke Out Win

The Rule Bobcats came from behind to score a touchdown in the 4th quarter to defeat the Throckmorton Greyhounds 14-13 in a district 2B game. This was the first district game for both teams.

The favored Bobcats wasted little time getting on the scoreboard Friday night. After making the Greyhounds punt after receiving the kickoff, the Bobcats set up show on their own 40 yard line. On the first play QB Ricky Lehmann dropped back and hit split end Art Briles on a 30 yard pass, moving the Cats to the Greyhound 30 yard line. Runs by Don Hisey and Bobby Anders moved the ball to the 20 yard line for a first down. Hisey then broke for 8 yards to the 12 and carried again to the 9. From this point Hisey took a handoff and followed Anders through the line for 9 yards and the first score. Hisey was stopped short for the extra points, leaving the score, Bobcats 6, Hounds 0. The score came with 7:18 left in the first quarter.

The aroused Hounds started playing good defense and using ball control to keep the Bobcats in bad field position the rest of the first quarter. The Hounds got a scoring drive going early in the 2nd quarter after Bobby Bundy returned a Larry Barbee punt 30 yards, to set the Hounds up on the 50 yard line. Short runs by Bundy and Johnny Jones moved the ball down to the Bobcat 21 yard line where the Hounds faced a 4th and inches. On the snap, QB Mike Weaver fumbled the ball, started to run but was stopped, then pitched back to Bundy who ran to the Bobcat 4 yard line, giving the Hounds a first and goal. On 4th down Bundy edged the ball into the end zone for the Hounds' first score. The try for extra points failed. The remainder of the 2nd quarter was played mostly near mid-field with neither team able to mount a sustained drive and the half ended, Rule 6, Throckmorton 6. At this point, penetrations and first downs were also even.

The Hounds began a time-consuming ball control goalward march in the 3rd quarter. Johnny Jones and Bundy did most of the leg work getting the ball down to the Rule 4 yard line setting up a first and goal. The Bobcat defense held for 3 downs and on the 4th down, QB Mike Weaver fumbled the ball into the end zone and after a wild scramble, Weaver recovered in the end zone for the touchdown. The try for extra point by Bundy was good, giving the Hounds a 13-6 lead with almost 2 minutes left in the quarter.

After making the Hounds punt early in the 4th quarter, Rob Kittley returned to the Bobcat 45 yard line but, a clipping penalty moved it back to the Bobcat 30 from where the Cats started their winning touchdown march. After Hisey hit for 2, Rob Kittley took a hand off, got outside and sped 40 yards before being knocked out of bounds. The Cats moved on down with Hisey going wide right and then wide left. The Cats got to the 19 where they were facing a third and 7. At this point, QB Lehmann faked the run and hit Briles for 9 yards on a curve in and the first down, making it first and goal at the Hounds' 9 yard line. On the first play Hisey took a quick pitch and ran wide to his right for 4 yards and the next play Hisey took a pitch out to his left and behind blocks by Anders, Macias and Stegemoeller, crossed the goal for the score. On the extra point try, QB Lehmann stepped back and waited for Briles to cut inside

the linebackers, then hit him with the important 2 point conversion pass, making the score 14-13 in favor of the Cats with 6:58 left to play in the game.

The Hounds fought back furiously in the remaining minutes but Gary Miller recovered a loose ball at the Bobcat 25 yard line to halt a serious drive with 2 minutes left in the game. The fine punting of Larry Barbee kept the Hounds at bay during most of the 4th quarter.

Fine defensive efforts were turned in by Barbee, Cole Turner, Roy Don Wilson, Garl Miller and Bobby Anders.

Rule will play Notre Dame of Wichita Falls on Saturday, Nov. 6, at 7:30 p. m. in the old Wichita Falls Coyote Stadium. This will be a non-district game. Rule will resume district play on Friday, Nov. 12, at New Castle and close out district play against Rochester at home on Friday, Nov. 19. Remember the time change. All games now start at 7:30 p. m.

## Boosters Urged To Be In Rallies

The Rule Booster Club met on Monday night, Oct. 25, at 7:30 p. m. in the Rule School Cafeteria. President Norris Anders called the meeting to order.

A fund-raising project was mentioned but after discussion, it was tabled for a later date. The Rule-Roby game was discussed and the film of the game was shown. The film was extremely good, in spite of the inclement weather. A total of 39 members were present. Ladies who are members of the Quatrback Club volunteered refreshments for the meetings and a vote of appreciation was given them.

Lynn Dale Dudensing, who was injured in the Rule-Roby game, has just returned from Lubbock, where the doctor said he would be out for three weeks.

Members were selected to sell tickets, carry the chain and take up tickets for the Rule-Throckmorton game.

Miss Linda Simpson, drill team sponsor, urged members to attend the pep rally held each Friday at 2:45 p. m. The public is also invited to attend the pep rally. The drill team does much to help boost enthusiasm and takes lots of time to present skits for the pep rallies and at half time shows.

Mention was made of the following week's game with Notre Dame of Wichita Falls, which will be played on Saturday, Nov. 6, at 7:30 p. m. in the old Wichita Falls Coyote Stadium. The stadium is located on the left of the main highway going into Wichita Falls. Remember, game time is 7:30 p. m.

Later in the week, Coaches appreciated booster club members, Norris Anders, Bobby Kittley, Ronald and Elvin Kinney, Tick Elmore, Sam Turner, Rook Wilson, James Lisle and the many others who hauled sand for the football field before the Rule-Throckmorton game to help take up some of the moisture.

## ROTARIANS MEET

Due to Monday, Oct. 25, being a holiday, the Rule Rotary Club met Friday, Oct. 22, in the Rule High School auditorium for a 40 minute film, showing the building of the Hoover Dam. Seventy-five percent attendance was reported.

Program chairman for the month of October has been Jerry Westmoreland. President of the Rule Rotary Club is Weldon Norman, vice president is Harold Woods and secretary-treasurer is N. S. Ousley.

Season standings at this date are Rule 7-0, Newcastle 4-3, Throckmorton 3-4-1, and Rochester 0-7.

# SAGERTON NEWS

MRS. DELBERT LEFEVRE

We have had more showers last week, but today, Monday, the wind is blowing good and the farmers are looking forward to "maybe" getting into the fields to harvest maize.

## Family Night

Next Monday night, Nov. 8, will be family night at the Sagerton Community Center, beginning with a covered dish supper at 6:30 p. m. Everyone come and bring a covered dish, enough for your family and a little more, and a dessert. Some of the ladies of the community who volunteered will be hostesses for the bread, drinks, cups, etc. There will be games for all ages. A special guest will be Mrs. Barbara Elliott our Haskell County H. A. Agent. Reports will be given by those who are heads of the special committees on community improvement and clean-up. So often we only get together as a community in times of disaster or sorrow; let's get together for the purpose of having a good time together!

The annual supper for the deer hunters was held in the home of Mr. and Mrs. Whit Clark at Rotan Saturday night, October 23. Those present were: Mr. and Mrs. J. W. Threet, Mr. and Mrs. Antone Tichelman, Mr. and Mrs. M. Y. Benton, Mr. and Mrs. Charles Clark, Mr. and Mrs. Joe Clark, Mr. and Mrs. Reece Clark, Mr. and Mrs. Roy Weeks of Stamford and Mrs. John Clark. They discussed their plans and left for their annual Colorado deer hunt on the morning of October 28.

The L.O.C. Home Demonstration Club will hold their monthly meeting at the home of Mrs. Delbert LeFevre, Nov. 9, and they will have a covered dish luncheon at 11:00 a. m., and after a brief business session they will go to Haskell for a special program given by Mrs. Lyles at 2 p. m. on table decorating for Christmas.

Mr. and Mrs. August Balzer returned home last week after going to Galveston for Mr. Balzer's check-up at John Sealy Hospital there. He got a good report and they came back to Lewisville and stayed the rest of the week with Mr. and Mrs. Larry Cornelson and Kathy, and saw their grandson, Doug Cornelson, leave for the Navy. He will take his training in Florida.

Mrs. John Clark and Mr. A. H. Tichelman left Monday on a little trip. Mrs. Clark went to spend a few days with Mr. and Mrs. Leslie Cobb and Randy in Midland, and Mrs. Tichelman went to McCamey to visit with Mr. and Mrs. Dan Humphries.

Guests in the home of Mrs. John Clark Wednesday of last week were Mr. Claude Clark of Logan, N. M., a former resident of this area, and Roy Clark of Stamford.

Mrs. Charles Clark and her mother, Mrs. M. Y. Benton, went to Big Spring Sunday to visit with Steve Clark, who attends Howard County Junior College there and with Mr. and Mrs. Eldon Cook and family.

Our sympathy is extended to the family of Mrs. S. G. Sellers who passed away Saturday at an Eastland Nursing Home. The family lived here in Sagerton several years ago.

Stitch 'n Chatter  
Mrs. Pete Kittley of Rule entertained the members of the Stitch and Chatter Club at her home Wednesday, Oct. 20. The 12 members present were: Mrs. Fay Gibson, Mrs. Etta Leach, Mrs. Mabel Mullins, Mrs. Mildred Jordan, Mrs. M. Y. Benton, Mrs. John Clark, Mrs. Mildred Kittley, Mrs. Ione Sheid, Mrs. Maggie Threet, Mrs. Louise Stegemoeller, and Mrs. Jack Kittley and the hostess. Plans were discussed for making quilts for the nursing home in Haskell.

Several from the community attended the Reformation Day Special Service at the Abilene Civic Center Sunday afternoon and enjoyed it very much.
