## Donations Top \$40,000.00 Mark

Donations to the Haskell Industrial Foundation continue to be received in an effort to finance a Herman Marcus garment plant in Haskell.

The funds will be used to finance a training program for prospective employees of the plant. Foundation officials are currently working with representatives of the Texas Industrial Commission to finalize plans for the training program.

Donations to the Foundation are almost \$20,000.00 short of the projected goal of \$60,000.00. All area merchants and residents are urged to make their donations at the Haskell National Bank or contact any member of the Industrial Foundation to make a pledge.

Donors during the past week include:

**MARCH OF DIMES**  
The annual March of Dimes drive in Haskell will be held March 12-19, according to Mrs. Pat Henry, chairman. Approximately 20 captains will solicit donations in Haskell.

## Blood Donors Top 70 Unit Quota

For the first time in four visits to Haskell County, the quota for the Red River Red Cross Bloodmobile was met on March 1. The bloodmobile received a total of 73 units of blood during the 4½ hours of donation.

During the last year, the bloodmobile has visited Haskell County three times and received a total of 128 units of blood. The first visit, May 23, in Haskell, the bloodmobile received 47 units, the second, also in Haskell held on September 19, a total of 45 units were donated and December 14, when the bloodmobile visited Rule, 36 units were donated.

Blood chairman Charles Thornhill said, "I would like to thank the people of Haskell County for making this worthwhile project successful."

At least one Haskell County donor, and probably more on this Bloodmobile visit, joined the ranks of Red Cross 'gallon donor'. As the cards were being filled in, one of the registrars recognized George Fouts as donating his eighth pint. All permanent records of the visits are kept on file at Wichita Falls, and when they are returned to the newspaper, probably more gallon donors will be recognized at that time.

Reaching the goal of 70 pints insures residents of Haskell County that blood will be available to anyone when the need arises. The bloodmobile will be in Rule May 31, and again in Haskell August 9. Plan now to give blood both of these days, who knows, your blood may save a life. Blood may be given every eight weeks, but not more than five times per year.

Donations were received from the following towns: Rochester, 5; Rule, 2; Weinert, 3; Paint Creek, 2; and Haskell, 70.

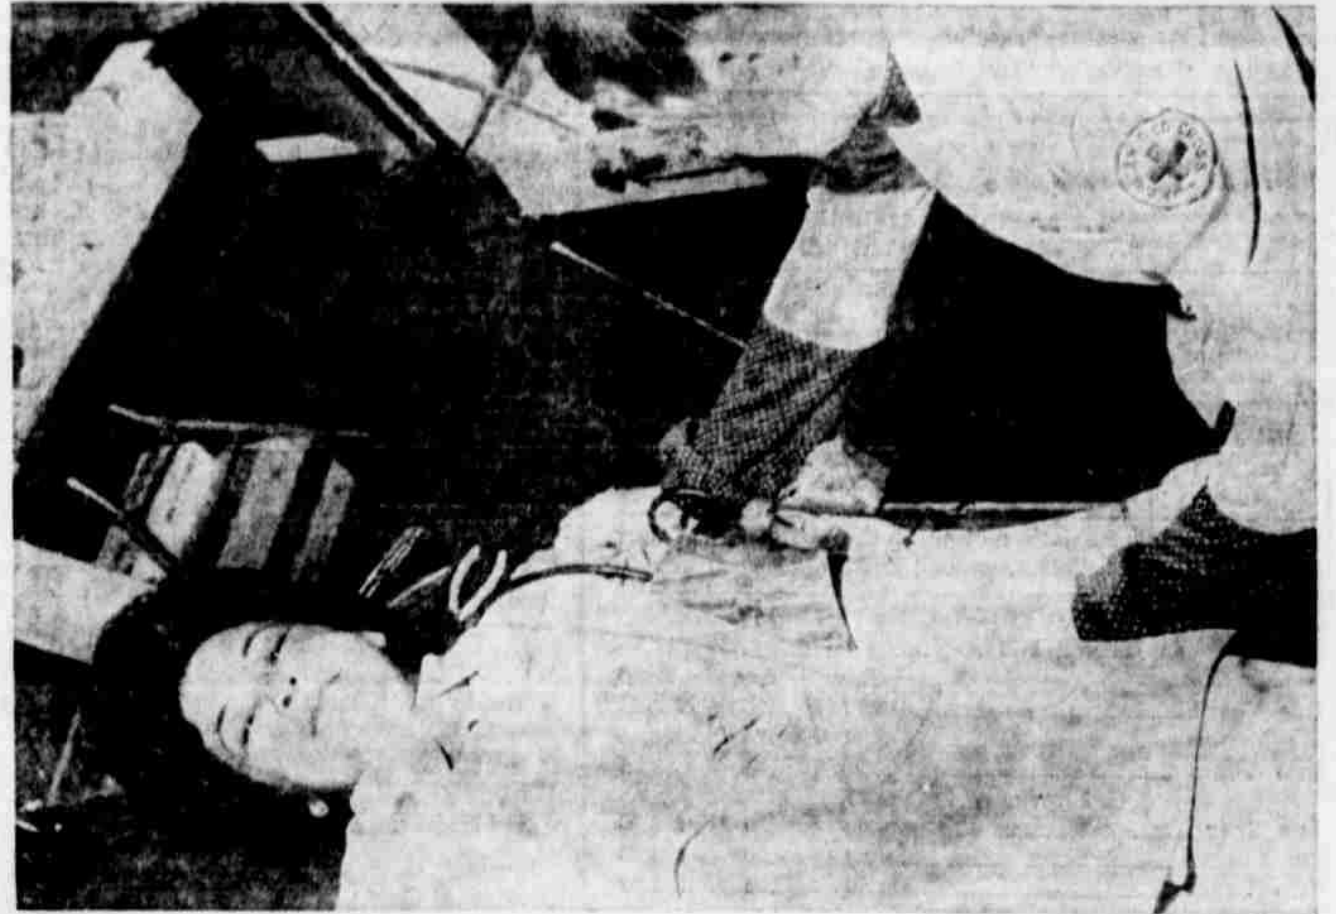

Donors last Thursday in order of donation were:

Ben Roberts, J. B. Kuenstler, James Bynum, Jean Kemp, James Franklin, Jerry Hester, Larry Gilbreath, Tommy Liles, Jake Dusak, R. D. Williams, Bobby Summers, Wyoma Lewis, Darel Anderson, Delores West, Reula Trevino, Gwynn Butler, Rose Coker, Gene Long, Ruby Martin and H. H. Hartsfield.

Also, Roger Sharp, Joe Galindo, Fay Outton, Fay Fowler, Gary Hawkins, Mable Turnbow, Don Comedy, Ouida Hise, Mary Moeller, Louise Force, W. P. Hise, Mary Howell, John A. Miller, Harlan Weinert, Pedro Amaro, Perey Baldeamar, Lupe Perey, Elton Klose.

And, John Blackstock, Terry Pringle, Olen King, Gayla Nanny, Bill Blankenship, Wilda Medford, Anita Medford, Jessie Couch, Jewel Ryan, Duward Gordy, Ruth Ezell, Minnie Turner, Chester Hodgins, Wallace Bird, Margaret Bird, Alma Soloman, Becky Richardson, Vergie Scheets, Charles Thornhill, Bob Grey, Lillian Hicks, and Viola Williams.

Also, Dale Loner, Billy Joe Swinney, Lester Hutchinson, Jenny Brazell, Lee McKelvain, Joyce Hawkins, Clifford Byrd, Hank Byrd, Don Lamb, Mona Smith, Al Arend, D. K. Smith, Amador Benavides, Clarence Butler, Wallace Cox, Wendell Gideon, George Fouts, Cleo Merchant, Elbert Johnson, Walter Overton.

COUNTY CLERK Lee McKelvain was one of 73 County residents who donated blood to the Red River Red Cross Bloodmobile March 1. Thursday's trip was the first time since the origination of the program that the goal of 70 units had been received. (Staff Photo)

## Annual Cattle Drive March 14

Plans for the 6th annual cattle drive and barbecue sponsored by the Haskell Livestock Auction have been finalized, according to James Powell and Pete Burkhalter, co-owners.

Local cowboys and cowgirls are invited to participate in the drive by having their horses and saddles at the Auction barn between 7 and 8 a. m., March 14. Riders will drive some 200 head of cattle, owned by Giles Kemp, six miles back to town

to a free barbecue. The barbecue will be served at 12:00 or whenever the herd comes in.

Powell and Burkhalter have sponsored five drives and they get bigger and better each year. During past years several dignitaries have been present for the drive and one never knows who or what to expect during the drive.

Mrs. Giles Kemp, Queen of the Cattle Drive, has been making preparations for the

drive for some time and says, "I can hardly wait!" Several other local cowgirls are also making plans for the drive.

The drive will leave the Kemp place that joins the Sagerton Highway and will be followed to the intersection of the Sagerton-Stamford Highway and then on to the Auction barn. If, after the cattle are penned, the cooks are not quite ready to begin serving, the riders will ride into town and circle the square to invite everyone to the barbecue. Trail drives create hearty appetites and if the cooks yell, "Come and get it!" you can bet the riders will dismount and line up for the meal.

Make plans now to ride in the old fashioned cattle drive and attend the free barbecue which Haskell Livestock Auction presents in appreciation to Haskell for supporting them in all their endeavors.

In conjunction with the drive, a special wheat field cattle sale will be held March 17. The special sale will be held for all cattle just off wheat.

## WTCOG Officials Attend Conference

Haskell County Judge B. O. Roberson, President of the West Central Texas Council of Governments and COG Executive Director Bob Gallagher returned Thursday night from Washington, D. C. and Minneapolis where they attended a conference of the National Association of Regional Councils. The conference began February 25 and lasted through March 1. While at the conference, they met with congressmen, senators, and governors from throughout the nation as well as numerous officials from various federal agencies. They also visited in the offices of Senators Tower and Bentsen and Congressman Omar Burleson. Over 1,000 state and local officials from 40 states attended the conference.

The primary purpose of the meetings was to discuss problems that face the citizens in the West Central Texas Region.

The uncertain future of such programs as rural and economic development, water and sewer facilities financing, housing, open space, and land use is causing great concern throughout the nation.

While the methods for continuing many of these programs is uncertain, there is an obvious awareness of the need for federal, state, and local cooperation if the needs of the nation are to be met.

The attempt by the Executive Branch of Government to reduce federal spending was generally applauded as being desirable. However, the determination of which programs should be given high priorities causes vast disagreement in Washington.

By emphasizing the needs of the cities and counties in West Central Texas, Judge Roberson hopes these programs which directly benefit the citizens of this region will be continued.

## LL Registration Slated March 13

Little League registration for the 1973 season will be held on March 13 at 7:30 p. m. in the City Hall, according to Gene Long, Little League president.

Parents must be at the meeting for their sons to be registered. It is not necessary for the boys to attend the meeting.

All boys between the ages of 8 and 12 are eligible to participate in the Little League program. Boys must be 8 years old by the first day of August of this year and can not be 13 by August 1 of this year.

## Over 900 Snakes In First Annual Show

Everyone who participated in the first annual Jaycee Rattlesnake Roundup last weekend deserved an award of some sort. Handlers, hunters, and spectators made it through the weekend without any snake bites, injuries or accidents.

Spectators viewed between 800-1000 snakes and ate over 200 pounds of fried snake during the two day show.

Barney Barnett and Bob Gallaway, professional snake handlers of Wichita Falls, gave handling demonstrations and educational lectures. Both handled western coachwhips (non-poisonous), cotton mouth water moccasins, broad banded copperheads, and western dia-

mondback rattlers. Approximately 20 members of the Texoma REACT Club, a citizens band radio club from Wichita Falls, accompanied hunters and guides to dens throughout the county to assist in any way needed.

In award presentations Sunday afternoon, Ralph Wall of Throckmorton received trophies for the largest, 64 inches, and the second most pounds of rattlers during the show. Tommy Matthews was awarded the trophy for the most snakes. Keny Tanner of Rule and Albert Cunningham of Abilene received the trophy for the smallest snake a 16 inch rattler. Jim Carden and Larry Darter of

Munday won a trophy for the most rattles on a snake with 16. Jaycee project chairman, Frank Jenkins and vice-chairman Don Comedy were both very pleased with all aspects of the show and wish to express their thanks to the many landowners who allowed hunters to hunt on their property.

Ray Howell did a fine job in securing permission to hunt from landowners and organized hunts very well. Ned Phillips and his assistants were on hand both days and manned the concession stand selling sandwiches, refreshments and fried snake. Other Jaycees who helped with the show as pro-

ject chairmen were Roger Sharp, Flea Market; and Charles Thornhill, killing pit. Special thanks to Lonnie Hise and Bob Raynes for their assistance in cooking the snake meat, and to Mr. and Mrs. Roy Fought for their help.

Saturday night, REACT members, handlers and Jaycees were treated to a dinner of barbecue chicken prepared by Frank Jenkins and Gaston Tidrow.

Jaycee president Ben McGee said, "We appreciate the help of everyone who participated in any way and hope the show was both beneficial and educational."

As evident as professional snake handler Barney Barnett gives a venom extraction to Jaycees first annual rattlesnake roundup. Barnett and his partner, Bob Gallaway, gave lectures with non-poisonous snakes, Cottonmouth Water Moccasins, Broadbanded Copperheads, and western Diamondback Rattlers during the two day show. Over 900 snakes were captured. (Staff Photo)

# DEATH NOTICES

## M. F. Martin

Funeral services for M. F. Martin, 76, retired cook of Haskell, were held March 4 in the Haskell First United Methodist Church with the Rev. H. O. Abbott, pastor, officiating.

Mr. Martin died March 1 at his residence in Haskell. Burial was in Willow Cemetery under direction of Holden-McCauley Funeral Home.

Born November 15, 1886 in Jacksboro, he married Isabel Gimlin on February 10, 1918 in Gainesville. They have resided in several Texas cities including: Burkburnett, Lubbock and Odessa. They came to Haskell in November 1970 from Port Jervis, N. Y. He was a member of the Baptist Church.

Survivors include: Mrs. Martin; two sons, Bobby L. Mar-

tin of Midland, and David Martin of Pottsville, Pa.; one daughter, Mrs. Eva L. Walker of Port Jervis, N. Y.; one brother, Roy H. Smith of Dallas; one sister, Mrs. Lillie Hanna of Waldron, Ark.; 13 grandchildren and 9 great-grandchildren. One son, M. R. Martin Jr., preceded him in death in 1965.

Pallbearers were Jerry Sorrells, Jim Alvis, Virgil Sonnemaker, J. B. Dunnam, Slover Bledsoe and Otis Matthews.

## Carolyn Wootan

Funeral services for Carolyn Celeste Wootan, 7, were held at 10 a. m. Monday in First Baptist Church at Stamford. Interment was in Highland Memorial Cemetery at Stamford, under direction of Cate-Spencer Funeral Home. The Rev. W. G. Perdue, pastor of the Sweet-

water First Baptist Church, officiated.

She was the daughter of Mr. and Mrs. Lesley Wootan of Sweetwater, and the granddaughter of Mr. and Mrs. John Wootan of 1105 N. 7th, Haskell. She died at 10:30 a. m. Saturday at her home.

Other survivors are one brother, Billy, of the home; and maternal grandparents, Mr. Mrs. Bill McClellan of Stamford.

## P. E. Bush

Funeral services for P. E. Bush, 80, retired farmer of Haskell, were held March 5, at Trinity Baptist Church in Haskell with the Rev. Kenneth Blair, pastor, and the Rev. Jesse Jones, Baptist minister of Haskell, officiating.

Mr. Bush died March 4 at Leisure Lodge where he had lived for about 2 1/2 years. Burial was in Rule Cemetery under the direction of Holden-McCauley Funeral Home.

Born March 7, 1892 in Brown County, he came to Haskell County in 1919 and settled five miles north of Sagerton where they were engaged in farming. He married the former Trudie Agnes Dugan May 4. They moved to Haskell several years ago. He was a member of Trinity Baptist Church.

Survivors include: Mrs. Bush; two sons, Cleo Bush of Rule and J. A. Bush of Plainview; four daughters, Mrs. Roy (Odessa) Copeland of Plainview, Mrs. Pat (Margie) Sellers of Sagerton, Mrs. Raymond (Earlene) Smith of Rule, and Mrs. Charles (Imogene) Billbrey of Abilene; two sisters, Mrs. H. E. Martin of Rule, and Mrs. Horace Snyder of Seymour; 18 grandchildren, and 23 great-grandchildren.

## Claude Thomas

Funeral services for Claude Thomas of Santa Anna, Calif., were held March 5 in California. Mr. Thomas died March 2.

He married the former Addie B. Brown of Haskell. The couple lived here for many years and moved to California in 1937. While in Haskell, he and a brother, Chock Thomas, ran a garage.

Haskell survivors include: three sisters-in-law, Mrs. Verdie Wilson, Mrs. Edna Fouts, and Mrs. Alfred Turnbow.

## 55 Convictions In Justice Court

Judge Hubert Bledsoe, Justice Court, Precinct 1, Haskell County, reports a total of 55 convictions for the month of February 1973. Fifty-five traffic and criminal cases were filed by the following law enforcement agencies:

Highway Patrol \$1,019.00; Game Dept. \$12.50; Sheriff's Dept., 1, six days in jail, resulting in a total of \$1,031.50 in fines and taxes of \$137.50.

## NEW POLICY

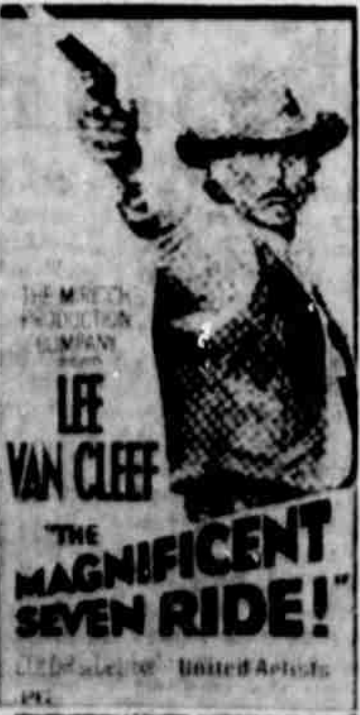

Effective March 15, Haskell Memorial Hospital will close its doors at 10:00 each night, according to Alfred Turnbow, administrator. An intercom system will connect both the front and back doors to the nurses station so that emergency patients and individuals can be admitted.

## COUNTRY CLUB

There will be a stag night this Saturday night at the Haskell Country Club. Tickets for the steak supper may be obtained by contacting Jim Ataway. The supper will start at 7:30 p. m. and members may bring a guest. Cost of tickets will be \$5.00.

## Check Equipment Before Going Outdoors

AUSTIN—Those first balmy days of spring are going to catch a lot of folks by surprise, according to Texas Parks and Wildlife Department officials.

The impulse will be to get outdoors and have some fun, but there's one hangup. Recreational equipment, especially boats, trailers and skis, are likely to be in miserable shape after a winter's storage.

A little preparation while the air is still frosty will put you on your way more quickly when the urge to go strikes.

An overall check into the seaworthiness of your boat should be the first order of business. Seams should be recaulked if the caulking is cracked, and a little extra fiberglass on those worn spots may save some misery later.

Check your fuel lines for leaks and loose connections. And then check your steering cables for evidence of chafing where they run through sleeves and around drums.

Safety equipment should also be checked. Running lights are always vulnerable to the ravages of time, so the wiring should be checked for shorts, and the bulbs should be checked for burn-outs. Make sure you have some extra bulbs on hand.

You say you've had those life jackets for a couple of years? Ask yourself, "Will these things save the lives of the ones I love?" Life jackets don't last forever. They mildew and eventually rot. The straps break or the material tears when you try to tighten the straps. If you have any doubts, spend a few bucks for new jackets and for your peace of mind.

Your fire extinguisher is probably due its annual check-up. Discharge mechanisms sometimes deteriorate through long exposure to dampness, and the contents may lose effectiveness as a result of wide variations in temperature, evaporation, chemical change, or age.

Don't forget that engine tune-up. What's the point of driving half the day only to find you can't get your engine started? Or worse yet, what could ruin a perfect day faster than being stranded in the middle of a lake with engine trouble?

Clean your gas tanks and start the year with new gas-oil pre-mix.

Then see to the care of the accessory items. Ski ropes should be checked, unknotted and neatly coiled. Skis have earned themselves a fresh coat of wax after last year's abuse, so don't begrudge them.

Now you're about ready for a carefree weekend, unless some forgotten detail fouls you up. That detail could be your trailer. The wheel bearings could probably use some attention. The least you could do is repack them with grease. And since wheel bearings are fairly inexpensive, new ones might be a good idea.

A burned-out wheel bearing on your trailer between here and there would ruin your weekend, plus part of the next week. Wheel bearings are notoriously hard to find on a Saturday afternoon.

Lubrication of all moving parts, including the coupler, winch and tilting mechanism, should make your day go more smoothly.

As a final test, hook the trailer to the car and check tail lights and brake lights.

Now you've given your boat and trailer the works. Step back. Do you feel right about it, or does some doubt linger in your mind? Trace the source of your doubts. Peace of mind will help your weekend outing immensely.

SENIOR MAIN DISH division winners in the Haskell County Food Show, held February 17 in the County Courthouse were: (l to r), Jan Allison, third place; Jami Barbee, first place, and Peggy Dudensing, second place.

## Susan Lewis Wins District Food Show

The District III 4-H Food Show was held in Childress, Saturday, with 110 girls entering. According to Thelma Wiggins, District Extension Agent, winners in the senior division were:

Susan Lewis, Haskell County; Janice Norwell, Hardeman County; Kristi Atwood, and Kathy Jobe, Young County.

These girls will represent District III in the state food show. The state show will be held in June just prior to 4-H Roundup on the campus of Texas A&M University.

Selected as first alternate to state in the show was Sandy Oliver in the senior bread and dessert division; Benita Jackson in the senior snack group; Jami Barbee received a red ribbon in the senior main dish division.

Junior winners of the District event were: Vanessa Hardwick, Fisher County; Tommie Brockman, Throckmorton County; Leona Raye and Betsy Thompson, Jones County.

Pam Hale received a blue ribbon in the junior snack division. A blue ribbon was also awarded to Lynn Weatherly in the junior main dish division. Also in the junior division, Joann Cloud and Kerry Kemp were awarded second places in their categories.

These girls do not participate beyond the district level.

Judges for the District Food Show were: Ms. Rhonda Cason, Mrs. Katherine Cawley, Mrs. Martha Chism, Mrs. Bea Eaton, Miss Jamie Escobar, Mrs. Beckham Guthrie, Ms. Louise Kinsling, Ms. Milla Perry, Mrs. J. R. Perry, Mrs. Andy Phea, Mrs. Van Dale Sparkman, Mrs. Walter Carl Taylor, Mrs. Garland Turner, Mrs. Edmond Ward, Mrs. Woodrow Wilson, Mrs. Rita Winters.

A program for parents was presented while the girls were judged. Mrs. Martha Harmon, with Lone Star Gas Co. from Abilene, and Mrs. Norman Brints, Area Economist-Management, presented the program on Food Costs and Use of Less Expensive Foods.

West Texas Utilities Company provided ribbons and banners for each division of the show.

Haskell girls were competing against 4-H girls from 18 other counties and won five places of eight that were awarded.

## Local Nurse Attends Seminar

Mrs. R. D. Williams, nurse at Haskell Memorial Hospital, recently completed a two-day nursing school in Denton. The school was sponsored by the American Heart Association.

Major topics during the first day of the school were the causes of strokes. Doctors, nurses and professors gave lectures and demonstrations and during the second day of the seminar, nurses were instructed in the care of stroke patients.

343 million postings of individual earnings were made by social security's records keeping office in 1972.

lers are presented upon request of various organizations who want to see a preview of the show that is presented in June. The Sampler is a segment from the Fandangle which places emphasis on the music and action of the songs from the show. Narration forms the introduction and background story. A minimum of stage props are used in the Sampler to focus the attention of the audience in the originality and creativity of the songs.

James Ball, director of the Fort Griffin Fandangle, states that the script has been written for the big summer show in June. Each year the Fandangle tells a different story, attempting to portray with each show various phases of pioneer life. The Fandangle is a show—a show filled with the vibrant spirit and the exciting action of the pioneer days it attempts to recapture. It is history set to music, for the Fandangle is largely a musical show, containing songs composed by Albany musicians.

The Fandangle is Texas' oldest outdoor drama and has been continuously successful since its beginning in 1938. The outdoor theatre has seats for 1600 people. All profits from one production are spent to make the next larger in scope

and more professional in look. From the first idea to finale, the Fandangle is a home town achievement, recapturing with theatrical charm the look and feel of the Old West.

The 1973 membership drive began this week. Memberships in the Fort Griffin Fandangle Association are available from the Fandangle office, Box 158, Albany, Texas. They cost \$25.00 for a regular and \$10.00 for an associate membership. Members of the association receive preference in seat choice for the summer show, in addition to other privileges.

The full scale Fandangle will be presented in Albany's Prairie Theatre on June 21, 22, 23, 28, 29 and 30. The Parade will be Thursday, June 21, at 6:00 p. m.

"It is time for all of us to roll up our sleeves and go to work." That was the main point of the Community Improvement Committee held at the Community Center Friday night of last week. Joe Clark, chairman, stated that we have only one month left before our record book is to be sent in for the District Contest. Leland Thane volunteered to be the photographer to take pictures for the record book. Anyone having pictures or articles concerning things done this past year in community improvement should turn them in to Mrs. Fred Kupatt as soon as possible.

Mr. and Mrs. Zenor Summers, beautification chairman, urge all residents to cleanup around your homes and businesses and vacant lots. New projects this year are: the Sagerton Library, a Youth Room at the Community Center, Monthly Musicals, more outside lighting at the Community Center, Adult Education Classes, Agricultural improvements, and work on the cemetery. Anyone wishing to help with any of these projects may contact Joe Clark, Lewis Corzine or Billie Kupatt.

Calvin Stegemoeller, youth representative, is anxious to organize adult and youth volleyball teams to play at the youth room or in the park.

The Sagerton park, which was cleared last spring, now has a name. It was voted to call it "Herman Baitz Park" at the Friday night community meeting, in loving memory by the heirs of Mr. and Mrs. Herman Baitz who are allowing the community to use the lots as a park.

Mrs. A. C. Knipping celebrated her birthday March 1 at her home. Guests were Edna and Walter Schaae of Stamford, Mr. and Mrs. Ervin Schaae of Paint Creek, and Mr. and Mrs. J. B. Toney and children.

### CHURCH CENSUS

## Indian Tracks

The Haskell Indian track team placed third in their division of the Bulldog relays held last Saturday in Spur. This was the first meet the Indians have participated in this year after the Rotan meet, Feb. 24, was cancelled due to bad weather.

Steve Harper placed 4th in the shot put with a throw of 37' 1/2", and 6th in the discus with a throw of 96' 7/8". James McCoy threw the discus 95 feet in the finals. Chris Love tied for 2nd in the pole vault with 9' 6".

Randy Ivy placed 2nd in the high jump with 5' 4" and 2nd in the long jump with 19' 9/16". The sprint relay team placed 4th with a 48.9. Team members include: Charles Alexander, Chris Love, Randy Pheister and Jim Pippin.

Charles Alexander made the finals in the 100 yard dash with 11.5 but did not place. In the 220 yard dash, Ricky Bird placed 6th with 26.6 and Charles Alexander made the finals but did not place. James McCoy placed 4th in the 440 yard run with 55.9. Martin Randal won the 880 with 2:08.3 and Ruben Martinez placed 4th with 2:09.2.

Kippy Grand placed 4th in the mile with 5:28.3 and Roy Klose placed 6th with 5:43.7. Randy Ivy won the 120 yard high hurdles with 15.6, and Kippy Grand placed 5th with 19.4, and Danny Hartsfield placed 6th with 19.5.

Randy Ivy won the 330 intermediate hurdles with 40.9 and Kippy Grand placed 2nd with 44.9. The mile relay team of Randy Ivy, Ruben Martinez, James McCoy and Martin Randle placed 2nd with 3:45.2.

The Indians finished the meet with 107 points for third place. Stamford won with a total of 140 points and Post was 2nd with 120.

The Indians will travel to Anson this Saturday for a meet beginning at 9:00 a. m.

RANDY IVY received the feather award this week for his performance in the Bulldog Relays in Spur last Saturday. Ivy was the high point man in the meet with 39 points. He was a Regional qualifier last year in the high hurdles, intermediate hurdles and mile relay. At Spur he finished second in the high jump, second in the broad jump, first in the intermediate hurdles and was on the second place mile relay team.

## Salvation Army Drive Planned

Charles McCauley, chairman service unit, stated Monday that Don Comedy will be the chairman for the 1973 Salvation Army drive.

The campaign will start on Wednesday, March 14, with a breakfast at City Cafe for all captains and workers.

The money raised during this campaign will be used locally to help the less fortunate to help themselves. This aid will be given in the form of groceries, clothes, shoes, utilities, medical aid or any other form deemed necessary by the local committee. In addition to local aid, part of the money will be used to support the following state agencies: Home and Hospital for unwed mothers, Rehabilitation centers for alcoholics, summer camp for boys and disaster services.

Comedy asks the aid of all people of Haskell County in the worthwhile endeavor and urged all volunteer workers to contact him in the immediate future.

In addition to McCauley, the local service units consists of: Bud Lane, treasurer; County Judge B. O. Roberson, welfare secretary; Harold Spain, Jim Sampson, Mrs. Luther Burkett.

Rev. Aubrey Headstream, members from Haskell; Dwight Gothard, member from O'Brien; Mrs. J. A. Mayfield, member from Weinert; and Eugene Bittick, member from Rochester.

15.1 million retirees and 11.1 million dependents and survivors were paid \$34.5 billion in 1972 by social security.

### Texas Forts Are Weinert Matrons Club Topic

Members of the Weinert Matrons Club met March 1 with Mrs. W. A. King presiding. Preparations were made for the Heart Fund drive and the club voted to donate \$10.00. Mrs. King was selected to be the club's voting delegate to the district convention in Abilene March 27-28. A work day was planned to make preparations for the convention.

Mrs. Phemister suggested the club sponsor an organization such as Camp Fire Girls, Girl Scouts, or Brownies, for the girls of Weinert. President King appointed Mrs. Phemister to inquire into the organization.

Program for the day was "Responsibility Concerned for Our Texas Heritage." Texas forts in this area were studied and the reasons why they were built, interest of towns nearby to rebuild the buildings, and their use in museums. Mrs. Phemister gave an interesting talk on Fort Concho, located near San Angelo. Mrs. Floyd McGuire talked about Fort Mason, located at Mason. Mrs. W. C. Winchester told about Fort Phantom Hill near Abilene.

Mrs. J. A. Mayfield told about Fort Griffin and the influence the fort had on Albany. She also discussed the "Fandangle" given each year by Albany residents. Mrs. W. B. Guess described things to be seen at Fort Belknap. She also told that Newcastle had furnished the upper story for a club house. Mrs. Guess also told of numerous things to be seen at Fort Richardson near Jacksboro.

Eleven members were served refreshments by Mrs. Henry Smith and Mrs. R. J. Rainey, hostesses.

## Moody, Kemp Engagement Told

Mr. and Mrs. Rayford L. Moody of 116 Sutton Place, El Paso, announce the engagement of their daughter, Patricia Sue, to William James Kemp, Jr., son of Dr. and Mrs. William James Kemp of Haskell.

The double ring ceremony will be held at 7:00 P. M. on May 26 in Western Hills United Methodist Church, El Paso, with Rev. Jack Wallace officiating.

Miss Moody's brother is Lt. Michael Ray Moody of Boston, Mass. She is the granddaughter of Mr. and Mrs. R. L. Moody of Holliday, Texas, Mr. Coff C. Conner of Archer City, Texas, and the late Mrs. Conner. She was graduated from Coronado High School and attended Texas Tech University where she was Class Secretary of Kappa Alpha Theta and also a member of the Tech Accounting Society. She is now a Junior Accounting Major at the University of Houston.

## Magazine Club Members Enjoy Texas Independence Day Program

"Our Changing Role in Adult Education", topic for the club program was a fitting presentation for the observance of Texas Day given for the meeting Friday, March 2, 1973. Mrs. Hill Oates, director, opened the meeting with a review of the song, "Eyes of Texas". Miss Nettie McCollum gave Reflections of Faith. Miss McCollum said that a lot of good things and a lot of bad things could be said of Texas history so she chose something good, appropriate to observe Texas Independence Day. She told of how the Heritage Society had saved the Driskill Hotel in Austin. Events and affairs that had taken place in this old building were intricately woven into Texas history. For her closing thoughts she gave J. Edgar Hoover's "Words of Faith in God."

Mrs. Arlos Weaver presented Mrs. Tommy Davis who conducted a panel on Adult Education. Those comprising the panel were: Mrs. Sammy Larned, Mrs. Billie McKeever and Mrs. Bailey Toliver. Mrs. Davis opened the discussion with the question, "Why Adults Go Back to School?". "What are Occupational Goals?". Each panelist gave her own reasons for continuing her education and each also explained her work in the educational field. Mrs. Larned said she hoped to be able to learn how to discern facts and opinions, separate truth from falsity, and the need

to learn how to apply common sense. Mrs. McKeever discussed her work in the Kindergarten area. She stressed how much learning becomes a part of the child. Learning is a habit!

Mrs. Toliver's reasons for continuing her education were many. One being she felt she could serve others and at the same time she became more involved in her own goals. When you help others you help yourself, Mrs. Toliver works with the Haskell-Knox Consortium. She gave a brief talk on the special Education program, this dynamic New Education program termed "Plan A". Mrs. Toliver said, "Changing concepts in Education, habitation and vocations have created a need for new approaches with children and youth. As a result the State Plan for special Education has been set up in an effort to meet these needs. Texas ranks among leading states in this program." Haskell is fortunate in being included as one of the five pilot school systems in Texas to work with this Plan A.

Mrs. John Rike presided over a short business session after the program. Reports were called for. Mrs. K. H. Thornton was elected as delegate to the district meeting in Abilene on March 28.

Hostesses for the afternoon were Mrs. Arlos Weaver and Mrs. R. C. Couch. They served coffee and cake as the members arrived.

## Albany Garden Club To Sponsor Fine Art Tour March 10 and 11

An exhibition of fine art will be displayed in three outstanding homes of Albany Saturday and Sunday, March 10-11. Sponsored by the Albany Garden Club, this exhibit has been arranged through the courtesy of the Baker Gallery of Fine Art of Lubbock. Over 100 paintings by 37 different artists will be displayed in the homes of Mr. and Mrs. C. E. Jacobs, Dr. and Mrs. T. W. Williams and Mr. and Mrs. A. V. Jones Jr., all of which are within very short walking distance of one another on Breckenridge Road. There will be three featured artists present both days, one at each home.

Jack Drake, wood carver from Carlsbad, N. M., will be featured in the home of Mr. and Mrs. A. V. Jones with a number of his wood carvings on display. Mr. Drake is a self-taught craftsman. In addition to his skill in carving, his unique coloring technique produces life-like feather detail. The Master Carving of two Audubon Warblers with Columbine Flowers, on loan to the National Audubon Society in New York, has given Drake nationwide publicity. A major exhibition of his wood carvings has been scheduled at the Smithsonian Institute in 1973. Mr. Drake will have for sale his new miniature hand painted metalloy quail along with his limited edition birds cast in bronze.

John Free, C. A. western sculptor and painter from Pawhuska, Okla., will be featured in the home of Mr. and Mrs. C. E. Jacobs. Free specializes in works showing cowboys, cattle and horses in action. His

ranch background gives his art superb strength and accuracy of what he depicts. Free is one of the few living artists that has the distinction of having a one-man show at the National Cowboy Hall of Fame in Oklahoma City. This year he was elected to membership in the Cowboy Artists of America. His work is in the permanent collection of National Cowboy Hall of Fame in Oklahoma City, Okla., the Gilcrease Institute of American History and Art, Tulsa, and other important collections.

Ronald Thomason of Weatherford, Texas, will be featured in the home of Dr. and Mrs. T. W. Williams. The application of his skill with either water-color or egg tempera is drawing considerable interest in knowledgeable art circles across the country. He has a story to tell, and the explicit strokes of his brush are creating a clearness of expression soon to establish him among American realist painters.

There will be an outstanding still life by Henrietta Wyeth, along with major works by Peter Hurd. In addition to the paintings there will be limited edition bronze sculptures by John Queen, Una Hanbury, Jim Hamilton, John Free and Jack Drake.

The Albany Garden Club in conjunction with the Art Exhibition, is holding their annual spring placement flower show, and their theme is "Do Something Especially Beautiful." The homes which have been opened as a showcase for the paintings will also be of special interest. The home of Dr. and Mrs. Williams is in the Western tradition with both antique and Chinese furnishings and appointments. The home of Mr. and Mrs. Jones is constructed on native stone with contemporary architecture and gardens. The Jacobs' home is in the tradition of the French Manor house with Oriental landscaping.

The exhibition will be open to the public between the hours of 3-5 p. m. both Saturday and Sunday. Tickets at \$1.00 each are available from any member of the Garden Club or at each of the three homes on the tour. Proceeds from the show will benefit the Albany Garden Club.

## Pamela Reeves Is Honored With Tea

Miss Pamela Elaine Reeves, bride-elect of Lacy Douglas Armstrong, was honored at an introducing tea March 3, in the home of Mrs. W. E. Armstrong, of 5130 West Fourth St., Lubbock.

Miss Reeves is the daughter of Mr. and Mrs. Bill Reeves of 504 North Seventh, Haskell, and the prospective groom is the son of Mr. and Mrs. Lacy Armstrong, 5403 28th St., Lubbock.

The serving table was laid with a white lace cloth, and centered with an arrangement of white snapdragons and Shasta daisies. Silver and crystal serving appointments were used. The party rooms were decorated throughout in the bride-elect's chosen colors of green and white.

Assisting in the house party were: Mrs. Sidney Alford, Petersburg; Mrs. Larry Alford, Slaton; Mrs. Gerald Bright, Petersburg; Mrs. Charles Armstrong, Dimmitt; Mrs. John Alford, Petersburg; Mrs. L. K. Baker, Denver City; and Mrs. Mary Gannaway, Brownfield.

## Seminar Slated At Faith Lutheran

There will be a seminar on Preparation for Death and Dying at Faith Lutheran Church on March 11 from 2:30 to 5:30. The seminar is designed to introduce people to the idea of making advanced preparations for their own death and for the death of loved ones.

There will be four speakers dealing with four different areas in which preplanning can be advantageous. J. Wayne McDermott, apprentice funeral director associated with the Holden-McCauley Funeral Home in Haskell, will discuss the funeral process, and what types of preplanning may be employed.

Bob D. Burnett, Knox County Attorney, will discuss legal problems associated with death, and what preplanning can do to ease legal matters. Dr. Robert Hurlbut of Abilene will deal with the sociological and emotional aspects of death. Rev. Joe Aalbu will discuss the worship service.

The seminar is open to the public and everyone is encouraged to take advantage of it. There will be time to ask questions of each speaker right after his presentation, and at the informal coffee hour following the seminar.

### CHRISTIAN CHURCH PGM.

The Gospelites, a singing team, will present a special musical program March 12 in the Christian Church. The program will take place at 7:30 p. m., and the public is invited to attend.

# Around Town

by CLYDENE

Haskell is sort of 'defrosting' after all the snow, ice, rain and bad weather we've had lately, and people are getting back to visiting and making plans for social activities that have been somewhat curtailed before.

**Mr. and Mrs. Henry Mann** of Clarendon spent the weekend in the home of their daughter, Mr. and Mrs. Abe Turner. Also visiting over the weekend was Ruby's sister, Mr. and Mrs. Gervis Kennard and Jennifer of Amarillo, and a few other people dropped in. The Turners had over 20 people for dinner one day, and enjoyed every minute of it.

**Francis and Shady Lane** and Mr. and Mrs. Dugan Starr shared a weekend visit of their two pretty granddaughters. Fran and Sara Starr, the children of Mr. and Mrs. Robert Starr of Abilene, visited in both homes.

**Thursday afternoon**, a group of Mrs. R. W. Herren's neighbors got together in the Jimmy Owens home to help Anita celebrate her birthday, and Anita ended a pretty full weekend of birthday surprises on Sunday. The neighborhood party consisted of Mrs. Owens, Mrs. W. O. Holden, Mrs. Joe Williams, Mrs. Wallace Cox, Jr., Mrs. W. T. Pryor, Mrs. Frank Jirick and Mrs. Nettie McCollum. That night, two carloads of friends took Bob and Anita to the Cliff House for dinner. Then the Herrens took Mrs. G. S. Mullino with them to Spur to visit more in the home of Mr. and Mrs. George Sloan. So Anita had an enjoyable three-day weekend before beginning her art instruction classes Monday evening, which will be a regularly scheduled event for her.

**Good news** at the Sam Herren home! Sam's nephew, Lt. Cdr. Read McCleary was in the group of POW's released Sunday. He had been in a Vietnamese POW camp for the past six years, and now has returned to his home in Old Greenwich, Conn.

**Hardin-Simmons University's** women's intramural basketball team from Behren's is graced with two pretty Haskell coeds, Gail Barnett, freshman student and daughter of Mr. and Mrs. T. P. Barnett, and Pat Harris, also a freshman, and the daughter of Mr. and Mrs. Henry Harris, both play on the team.

**Donald Love**, senior physical education student at Tarleton State College, will begin student teaching in March. Donald has been assigned to Stephenville High School as a physical education instructor, according to Dr. Bruce Craig, faculty adviser. Donald is the son of Mr. and Mrs. E. B. Love of Haskell.

**Mrs. V. P. Terrell** suffered a fall from a ladder at the home of her mother, Mrs. Carrie Josselot, last week that resulted in a broken vertebrae in her back. Mrs. Terrell is in room 5 at Haskell Memorial Hospital and is doing as well as can be expected.

**Mention 'Trail Drive'** to me and I think of two things—how stiff and sore I was after the first Haskell Livestock Auction sponsored drive here; and how luscious that barbecue dinner was, when we finally rode in to the auction barn!

**It's scheduled** here again next week, and riders from all over are invited. Bet petite Mrs. Giles Kemp has that horse groomed to perfection, and is ready to go. Don't know who has the most fun—Mrs. Kemp riding in it, or James Powell and Pete Burkhalter in sponsoring it. Don't miss it!

**Steven Livingood**, son of Mr. and Mrs. Homer Livingood of Haskell and a senior ministerial student at Hardin-Simmons University, is currently enrolled in an internship, in which

he will actually work with a minister in the Abilene area. The 'interns' learn first-hand the duties of a minister during the two hours of supervised training each week, and one hour of actual ministry activity such as counseling.

**Haskell Young Homemakers** will sponsor a style show March 23 at the Elementary School Cafeteria at 7:30 p. m. Fashions modeled will be from Lane-Felker in Haskell, and the show will include Spring and Easter fashions for teens, misses and young matrons. Tickets are on sale at Lane-Felker, and door prizes will be awarded at the show. Everyone is invited to attend.

**Staffers at the Haskell Free Press** enjoyed a visit from Mrs. Weldon Norman and her Old Glory school classes Tuesday afternoon. The students toured the plant, and watched the first of two press runs required to publish this edition. Students making the tour were Sherry Rhoads, Johnny Barrera, Jamie Wolsch, Kara Jones, Jami Pierce, Marcena Baldea, Silvia Castro, Alan Rhodes and Aleisa Cox. Mr. William Wright, their principal, also made the tour.

**The students** brought a sack lunch to Haskell, and in the morning, toured the Haskell Railroad Museum and saw the beautiful collection of items on display there.

**College students** took advantage of the beautiful weekend to come home for a visit with parents and friends, too. Gail Barnett came from H-SU in Abilene to be with her family, the T. P. Barnetts. Wayne Davis was home to see friends and visit with mom, Mrs. Tommy Davis. Bob Shea of Cisco Jr. College came in to see his parents, Mr. and Mrs. Bob Shea. Forrest Mayfield, Mr. and Mrs. Gary Mayfield and Jay, and Paula Mayfield, all students at Texas Tech, visited with parents, Mr. and Mrs. T. J. Brueggeman. The Gary Mayfields also visited with her parents, Mr. and Mrs. Wayne Adkins and shared that cute grandson, Jay.

**Bob and Sue Guess** enjoyed having son, Steve, home from Texas Tech, too, and Marilyn Fischer came home from Texas Wesleyan to visit with parents, Mr. and Mrs. Herbert Fischer. Denise Roberson came home for a rare weekend with parents, Mr. and Mrs. Darold Roberson. That's a long drive all the way from West Texas State!

**Bill Cox** came in from Tech to visit his parents, the Buford Cox's, and didn't we see Jack Smith, son of Mr. and Mrs. John Smith, in the choir at the Methodist Church Sunday?

**The Brooks Middleton** family had daughter, Nancy Kay, home from McMurry.

**JoNell Anderson** and a friend, Bill Trammell, both of Breckenridge, spent the weekend in the home of her parents, the Andy Andersons.

**Mr. and Mrs. Barney Frazier** were in Dallas last weekend to view the 1974 RCA Victor merchandise for their store, and they went to Abilene Wednesday night for a look at the new Whirlpool appliances.

**Old friends** and customers are delighted to see Mrs. W. A. Lyles back at the store this week. She had a little bout with the flu, and is pleased that it's all over.

**Alexia Mayfield** of Weinert will be soloist in a revival team from Hardin-Simmons University that will go to the First Baptist Church of Seymour, Indiana March 16-25.

**The First Baptist Church** revival ended Sunday evening, and every member we've talked to says it was a great experience. Special emphasis was placed on the beautifully-done

Saturday night special music program, but the messages and singing each day were enjoyed by all attending.

**Sunshine** brings on the fishin' fever in Texas, too, and a lot of people are trying their luck. Mrs. Tom Holland brought in an old and discolored clipping from the Free Press this week, though, that should inspire some of our fishermen to a better catch. Gist of the story was that her husband, Tom Holland, D. J. and C. G. Burson and W. K. Whitman all of the Midway community then, caught such a big catfish that they were afraid to weigh him! We quote the old news item: "The weight of the monster will remain a mystery because the boys feared for the safety of the counter or grocery scales in the attempt to weigh him." Who thinks they can top that one?

**A big group** of Haskell women enjoyed a weekend of skiing at Ruidoso over the weekend. Included in the trip were Janay Morrison, Brenda Casey, Judi Saunders, Dorothy Bishop, Sharon Crow, Jill Fanning and Linda Brown. And, would you believe? Snow had to be manufactured for the lower slopes up there...they needed some of ours...we've had the past month or so, don't you think? Janay said the higher slopes were fine...and everyone had fun.

**Majestic Kid** placed first in his race at Midland over the weekend, and Mr. and Mrs. Rovee Adkins and Mr. and Mrs. Wilda Medford flew up Sunday afternoon to see him run.

**Dr. and Mrs. T. W. Williams** are spending a part of this week at their home in Albany.

**Bill and Doris Peeves** went to Lubbock over the weekend to attend a party given for Pam there. Pam is engaged to Doug Armstrong, and friends hosted a party for them Saturday afternoon.

**Another group** of skiers who journeyed to Ruidoso over the weekend were Joe Fincher, Keith Everett, Andy Gannaway and Gary Cobb.

**Mrs. Ella Moeller** returned Saturday from a nice week's visit with her daughter, Mr. and Mrs. Gaylon Head of Lubbock.

**Ronald and Joan West** of Shreveport, La., visited in the Bill Comedy home over the weekend.

**Mr. and Mrs. O. L. Rland** of Yoakum are visiting Mrs. S. J. Redwine this week.

**Snakebusters** and people who enjoy visiting the rattlesnake shows filled Haskell this week. Huge crowds turned out both days to view the rattles, and take advantage of the flea market at the Corral building, and also the sidewalk sales and flea market specials in our stores over town. The weather was perfect for the weekend, and most were highly pleased with the turnout.

**Delving over town** during the two days of beautiful sunshine, you could see the results of many, many residents getting their yards in shape for spring.

**Mid Middleton**, across the way from our place, has completely cleared his lot; broken it and plowed it with a tractor, and already has a nice crop of onions put in. I tried to trade him a paint brush (Bill had me painting trim on a little house on the back of our lot) for some of those onions later

in the season, but Mid said he already had his crop contracted to a name-brand cannery, so I guess I'm out of luck there.

**If you have visitors**; go out of town for a weekend trip; or have your college students home for the weekend...call us! It's news...and subscribers want to know all the news of their hometown. Just call 864-2687 for Clydene...I'd appreciate it!

## Tax Questions And Answers

(This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.)

**Q) Each Christmas my employer gives me a turkey. Do I have to include the value of this gift in my income?**

**A) No.** If, to promote good will, your employer makes a general distribution of turkeys, hams, or other items of merchandise of nominal value at Christmas or another holiday, the value of those gifts is not income.

**However,** if your employer distributes cash, gift certificates, or similar items of readily convertible cash value, the value of such gifts is additional salary or wages.

**Q) My employer is transferring me to another state. What are the rules for deducting moving expenses?**

**A) In general,** your moving expenses are deductible if you satisfy certain distance and time requirements. The distance between your new place of work and your old residence must be at least 50 miles further than the distance from your old residence to your old place of work. Secondly, during the 12-month period immediately after your arrival in the general area of your new place of work, you must have worked full-time for at least 39 weeks. If you are self-employed, a different time requirement applies.

**For more details,** write your Internal Revenue district office and ask for a free copy of IRS Publication 571, "Tax Information on Moving Expenses."

**Q) Both my wife and I are having dental work done and I'm going to have a big medical expense deduction this year. Is there any way to get some kind of benefit for this now to help me pay some of the bills?**

**A) Yes.** You may be able to have your employer reduce your income tax withholding based on the larger itemized deductions you expect. Instructions for making this change are given on Form W-4. Ask your employer or your local IRS office for a copy.

**Q) The person I paid to fill out my tax return has not signed it. Should I make sure that he does?**

**A) Yes.** Anyone who prepares your return for compensation is required to sign it in the space provided. Spaces are also provided for the preparer's employer identification number or social security number, his address and the date he signs the return. If he refuses, you should print his name in the space provided.

## More Cows, More Milk . . . Fertilizer Use Increases . . . Broiler Prices Advance . . . Citrus Harvest Active.

Texas cows produced almost 5 tons of milk each during 1972. Total milk production in Texas this past year was up 4 percent from a year ago. Total milk production was 3,381,000,000 pounds.

The milk cow population also increased slightly from 355,000 in 1971 to 358,000 in 1972. Average production per cow herd, including dry cows, was 9,444 pounds in 1972, up 320 pounds from 1970.

But the nationwide average per cow production was 10,271 pounds. Total milk production throughout the nation during 1972 amounted to 120 billion pounds; this is 1.5 percent higher than the previous year.

**Fertilizer** use in Texas continues to climb. Total amount of fertilizers applied on Texas farmlands during 1972 was up almost 200,000 tons over 1971.

Types of fertilizer are divided into three categories: mixed fertilizer, primary nutrient fertilizer, and secondary and micronutrient fertilizer.

Mixed fertilizer utilized in Texas totaled 1,312,535 tons; this is up 11 percent from 1971. Primary nutrient fertilizer amounted to 1,200,733 tons, which is 5 percent above the 1971 use. Secondary and micronutrient fertilizer applied amounted to 1,100 tons which was down slightly from the 1971 level.

Amounts of fertilizers used in Texas during 1972 include: nitrogen, 712,135 tons; phosphate, 280,292 tons; potash, 112,045 tons.

Anhydrous ammonia fertilizer accounted for 39 percent of the nitrogen fertilizer used in 1972; ammonium nitrate accounted for 25 percent, and ammonium sulfate accounted for 14 percent while nitrogen solutions accounted for 13 percent.

Superphosphate made up 20 percent of the directly applied phosphate materials. Citrus harvest continues in the Lower Rio Grande Valley. Harvest of grapefruit is active, and moderate supplies of early and midseason oranges will be available this month.

Condition of citrus trees is good. Recent freezing weather caused little to no damage.

Broiler wholesale prices are jumping at almost unheard-of rates. The price recently jumped four cents a pound of the wholesale level, which is near the first time that has ever happened.

Reasons for the price increase include: The high price of red meat is causing consumers to buy more broilers, thus making the law of supply and demand react.

Bad weather in Georgia, a major broiler production area. As a result, prices to consumers for broilers will be at levels of 20 years ago. Until

recently, broilers have for the past several years been several cents per pound less than they were 20 years ago.

Production efficiencies of broiler producers as well as increased feed conversion are among reasons why broilers are at bargain prices.

**Cattle** on feed in Texas as of Feb. 1 totaled 2,215,000 head. This is 22 percent above a year ago, but one percent below a month ago. Nationwide, cattle on feed in the seven major states was 1 percent above a month ago and 8 percent above a year ago.

## Two File For City Council Post

City Councilman Loraine Johnson has filed for re-election in the April 7, City election.

Wednesday, deadline to file, at press time, the only other person who had filed was G. L. Kenney.

Councilman W. O. Holden who's term expires this year, has announced that he will not seek re-election. Holden has served on the City Council for four years and on the school board for 15 years.

## VEGETATION POINTS

Observationalist  
M. J. BERRY, JR.

Vegetation with drifts and hummocks of dust or sand. When the growing plants are cut off, the soil is likely to blow with the next high wind. Likewise, a field covered with drifts or hummocks of loose soil will probably blow seriously during the next windstorm. If high winds come frequently for several weeks or months, the soil blowing that started from a few fields may spread over an entire community.

For 3 years the vegetation and organic matter in the surface soil are usually exhausted. Then the soil starts to blow every time a high wind comes. All soil blowing does not start on cropland that is not suitable for cultivation, however. Sometimes it starts on good cropland that has been improperly farmed. Or it may start on rangeland that has been severely overgrazed, especially where sandy soils prevail.

When wind erosion once starts it tends to spread from field to field and farm to farm. The wind carries loose soil particles across field and farm boundaries. Where a soil particle strikes bare ground it blasts loose other particles which, in turn, are swept across the ground surface and cause still further erosion. The blowing soil particles may cut off tending, growing plants at the ground surface. Or they may cover both growing and dead

Tillage methods and cropping systems should be changed on many farms to reduce wind-erosion hazards. And better water-conservation practices are needed on many farms.

Stubble mulching and other tillage methods that leave crop residues on or near the ground surface should be used on all cultivated fields. Crop residues on the ground surface help protect the soil from the force of high winds.

For more information concerning wind erosion control contact your local Soil Conservation Service Office.

## Veterans Deal Financial Blow

Thousands of veterans and widows of veterans were recently dealt a financial blow through the reduction of their Veterans Administration disability and death pension payments. C. H. Herren, local Veterans Service Officer for Haskell County, states that his office has received numerous inquiries concerning these reductions. Many people contacted

his office after receiving a letter advising them of the reduction in benefits, while others became aware of the situation when they received their January 1973 checks, and found them to be for lesser amounts than for previous months. All such decreases were effective Jan. 1, 1973.

The local service officer advises that the reductions were the result of a 20 percent increase in Social Security benefits effective Sept. 1, 1972. Since the Congress adjourned in October without enacting any legislation which would change

the annual VA income limitations, the reductions in 1973 payments were necessary. Social Security benefit payments are counted as income, less a 10 percent deduction.

The Congress is again in session, and consideration is being given to legislation which would help in restoring the lost pension benefits to many veterans and widows. The Veterans Service Office will have information concerning any such legislation which may be passed by the Congress during the present session. It will be necessary for the Veterans Ad-

ministration to continue the reduced payments until action is taken by the Congress.

## '73 Savings Bond Goal Is \$240,000

According to Mr. R. W. Herren, Chairman of the Haskell County Savings Bonds Committee, the 1973 Savings Bond goal for the County is \$240,000. January sales of E and H United States Savings Bonds totaled \$6,069.00 for 3 per cent of the sales goal.

The 1973 sales goal for Texas is \$216.6 million. During the

month sales were \$23,926, 889 compared to January 1972 sales of \$19,365,593.

# News From Rule

**ROTARY NEWS**  
Speaker for the Rule Rotary Club at their noon meeting

Feb. 26 was Joe B. Cloud, Mr. Cloud was one of 95 farmers who made a two-day trip which toured a combine factory and a Farmall tractor assembly line of International Harvester farm works in Rock Island and East Moline, Ill.

The tractor assembly line is the longest assembly line in the world, and producing 126 tractors per day, it takes two days for a tractor to make the length of the line. Mr. Cloud spoke of the tractors being spray painted through a waterfall of water to eliminate the paint fumes and how the gasoline tanks were pressed by a press costing \$200,000. The cabs of the tractors seemed to fall into place and different kinds of tractors were on the assembly line. Each part is labeled for the certain kind of tractor. The minute a tractor is assembled the motor is started and the tractor is run until it is completely finished and off the assembly line. Mr. Cloud reported a very informative trip.

Leading the prayer for opening the program was John Greeson. Harold Woods accompanied by Rotary Sweetheart

Marcia Brass on the piano led the group in singing. Attendance for the month of January was reported at 92 percent. Program chairman for the month of March will be Ronnie Landis.

Guests present from Haskell were Abe Turner, R. C. Couch and Chief Escobedo.

### PINWOOD DERBY

The Cub Scouts of Rule will take part in a Pinewood Derby to be held for the Cub Scouts in this area March 25 at 2:00 p. m. at the Stamford High

School gym. This is the first time that a Pinewood Derby has been run for the Cub Scouts in this area. If a success, it can be an annual event for the Cub Scouts.

The Scouts will build miniature cars, about 7 inches long, and race them down a 40 foot track. The cars must be built from kits that will be provided by the Cubmaster John Greeson, and certain specifications must be met. The father and son can build the cars and the whole family can attend the race to help cheer their favorite car down the track to victory.

Ribbons and trophies will be awarded to the winners. There will be a registration fee of 25c per car and only one car per boy.

Mr. George Beall, a eubmaster from Sweetwater, is chairman for this event and his pack will furnish the 40 foot track and officials for the event. The boys are asked to wear tennis shoes or an old pair of sox. Street shoes will not be allowed on the basketball court.

### CONGRATULATIONS

Congratulations to Carol Dundersing and Dee Dee Dodd for receiving Honorable Mention for the Girls All-Area basketball poll. Carol was a forward for the girls team and Dee Dee a guard.

### KITCHEN SHOWER

Miss Linda Simpson, bride-elect of Robert Harris, was honored with an informal kitchen shower in the home of Mrs. Rex Murray, March 3. Receiving guests with the honoree were her mother, Mrs. Leslie Simpson, her grandmother, Mrs. E. B. Lusk, and her sister, Patti. Miss Simpson wore a purple and white mingled long skirt with a long sleeved purple blouse.

Guests registered on recipe cards which were given to the honoree. Miss Simpson opened her gifts and read the recipes which were attached to the gifts and then displayed.

Guests were served by Mrs. Ronald Hillard and Mrs. Tom Kutch from a table covered with a linen cutwork tablecloth and an arrangement of pink and red tulips with copper cookie cutters, in a copper bowl. Serving appointments were of china and silver. Approximately 30 guests registered. Hostesses were Meses. Rex Murray, Ronald Hillard and Tom Kutch.

### ENGAGEMENT

Mr. and Mrs. Rayberne Oliver announce the engagement of their daughter, Sammie, to Bobby Anders, son of Mr. and Mrs. Norris Anders.

Miss Oliver is a graduate of Rule High School and is presently enrolled at West Texas State at Canyon.

### FIELD TRIP

The eighth grade students of Rule enjoyed a field trip to Dyess Air Force Base, Feb. 28. Faculty sponsor, Mrs. Olga Taylor, and two other adults accompanied the students to Dyess, for the 4 1/2 hour tour.

The group visited the military working dogs section, a KC-135 stratotanker, the C-130 Hercules simulator, the base chapel and the noncommissioned officers open mess.

S.Sgt. Robert Northcutt, training NCO, Sgts. Terry Bryan, Joseph Zayden, Michael Berry, Henry Hunes and ALC Steven Covington presented and gave a demonstration on the sentry dogs used at Dyess.

A slide briefing on the chapel activities and a tour through the base chapel was given by Chaplain Col. Wayne L. Burkey, installation chaplain.

C. M. Sgt. Lynn Woolf, Sgt. Ralph Howard and ALC James Bronold assisted in giving the students a ride in the C-130 simulator.

Following the tour the class and sponsors enjoyed eating lunch in the NCO open mess. A very enjoyable and informative day was had by all.

Mrs. Ronald Hillard and Jarret, of Crosbyton, visited over the weekend with Mr. and Mrs. Rex Murray and Ed.

Mr. and Mrs. Paul Cornelius and Melissa, of Wichita Falls, visited with Mr. and Mrs. Vernon Mahler and Mr. and Mrs. J. N. Cornelius and Tommy, over the weekend.

### RULE WINS FIRST

The Rule Bobcats won first place in the Tarleton Relays held at Stephenville March 3rd, with a total of 98 points. Placing second was Mason with 81 and Ranger placed third with 73 1/2 in Div. I, in which a total of 18 teams, A&B schools, were entered.

The Bobcats mile relay team set a new record, 3:32.5. The old record was 3:36.5. Boys running in the mile relay were Andrew Bagley, Rob Kitley, Hal Hunt and Art Briles. Lynn Dale Dudensing also set a new record in the shotput. The old record was 47 feet and 6 inches. Lynn Dale threw the shot 48 feet, 7 3/4 inches. Tying the record in the high jump was Larry Barbee with a jump of 6 feet, 2 inches. This was a tie with Lilly of Lometa but Larry won on fewer misses.

In other field events, Don Hisey placed 3rd in the broad jump with a jump of 20 feet, 10 1/4 inches, and in the 120 high hurdles, placed 4th with a time of 17.1. Lynn Dale placed 3rd in the discus with a throw of 138 ft., 8 inches.

In running events, Rob Kitley placed first in the 880 run with a time of 2:14.8. Rob missed tying the record by 8 seconds. Art Briles placed first in the 220 with a time of 23.3.

Placing third in the mile run was Abel Gonaales with the time of 4:55.8. The 440 relay team of Hal Hunt, Rob Kitley, Jesse Macias and Art Briles placed 2nd with the time of 45.8. They were edged out at the finish line by 1 second by Mason.

# Rotarians View Harvester Film

The regular weekly meeting of the Rotary Club was held at the City Cafe at noon, Thursday with president Bob Philpot presiding for the luncheon assembly.

Rotarian Bill Comedy was program chairman for the day and he presented his brother-in-law, Mack Cason of Fort Worth, who is a representative of the Harvesters. Mr. Cason made a short introductory talk in regard to loss being suffered by farmers and ranchers in their present method of feeding operations of livestock. He explained that moisture loss of dry feeds ran sometimes higher than 20% and that Harvesters after much time devoted to research, had been able to cut the loss to as low as 2%. He also stressed that high moisture grains, if properly used inof food,

storage would add as much as 20% feed advantage by using this type of oxygen free atmosphere.

At the conclusion of his introductory talk, Mr. Hank Edwards of the High Plains Harvesters, showed a short film which was highly interesting and educational.

The invocation for the meeting was given by Bob Beauchamp and guests were introduced by Andy Anderson. They were: student guests of the Haskell High School senior class, Cheryl Bennett and Pam Klose. Also, Mrs. Bill Comedy and son, Don, guests of their husband and father, and out-of-town guest, Bob Harris of Sweetwater, and Desmond Dulane who began duties today as secretary of the City of Haskell.

In a business meeting, club members voted to raise the monthly membership dues to \$9.00 to help defray the expenditure of increased prices

It was also announced by president Philpot that the Haskell Club led the District for the month of January in attendance with a 98.97 average and that two 100 percent meetings were held in January.

**\$1,505.50 Collected In Fees In Feb.**
