January, a time when many people suffer from "the doldrums" Without the breathtaking snows of colder climes, East Texans sometimes look at the landscape and believe that it is dull, gray and bleak.

But the beauties of this type of winter must be taken in small doses, not big gulps. Here are just a few of the things that can enchant at this time of the year:

The treasure trove of frost sparkling on millions of blades of grass. The wisping of smoke rising

from a cold plowed field as the temperature climbs. The eery appearance of fog

rifting over a hill or depression. The unthreatening warmth of the winter sun which is pleasant to the senses with the intensity of summer.

The night sky, a tapestry of stars and planets, the crisp silvery moon.

Again at night, step outside. The winter night is silent ... so silent. The insects and frogs and birds of warmer times are not available for the background orchestration we are used to.

The lonely, heart tugging sound of a flock of geese changing feeding grounds overhead.

The sunsets...oh!..the sunsets. Blazing in colors that cover the spectrum from turquoise to pink to red and orange.

The cloud formations that streakthe brilliant blue sky.

The melancholy drizzle of rain patering on a window glass while inside all is warm and pleasant.

The feel of a heated cup, filled with coffee, tea or cocoa on chilled fingers.

The sight of hay put down and cattle peacefully feeding.

State Comptroller Bob Bullock said Friday that the first city allocation of 1989 continues to show promising increases in sales tax rebates to local governments.

78th Year, No. 15

"Most cities, counties and metropolitan transit authorities can expect a little extra spending money for their 1989 budgets. That additional money can be put towards needed local projects or set aside for a rainy day," Bullock said.

Checks totaling \$64.1 million were Friday sent to 924 cities that collect local sales tax at either one or one and one-half percent.

The payments to the cities reflect 19.4 percent more money than was sent in the January 1988 allocation, Bullock said.

According to Bullock, the state's

six metropolitan transit authorities and one city transit department re-ceived \$29.9 million in rebates.

The increase in payments to the MTAs showed a 22.7 percent increase over the 1988 January payments.

Checks totaling \$6.1 million were also sent to 81 counties that collect the one-half percent county sales tax, Bullock said.

January's checks represent taxes collected by monthly filers in November nd reported to the Comptroller's office by December 20.

Locally, Blossom received \$1,488.11 for this period, compared to no payment in 1988.

Deport received \$628.75, compared to \$551.07 for the same period

in 1988, for a 14.10 percent increase. Paris received \$162,572.35 for a 16.58 percent increase over last year's payment.

Are you ready for some good news? If so, we encourage you to continue reading, because Contel has some news that could make you stand up and cheer!

Beginning in January 1989, Contel will kick off an ambitious program designed to improve service and lower rates.

It's a program that's made possible through 1986 Tax Reform Act. And the savings that Contel received are being passed on directly to you. It's a win-win situation and here's what we're going to do ...

• Offer total one party service. One party service will be available in all areas within three years. If you're currently a multi-line customer, you can soon receive oneparty service at a lower rate than what you would currently pay. You'll be notified when your area is about to convert to one party service.

• Lower your monthly phone bill. In your November and December bills, you should have received a decrease in your access line charge and a toll credit.

• Establish new flat rates. Once your area converts to one-party, mileage charges will be eliminated and a uniform flat rate for telephone service will be established. If you're a customer living outside the base rate area, your savings could be substantial.

10.1

 Establish a lifeline program. If you're a head of household customer with an income below the federally mandated proverty level, you may qualify for a credit on your Subscriber Line Charge. Look for details in your phone bill.

So that's the good news! And it's a situtation in which everyone wins. For you, our customer, it means lower rates, better service and improved equipment.

Look for further information on this new program in your phone bill and get ready to celebrate. Because with our new service plan, everybody wins!

# Roundball Roundup

**By Gary House** 

Basketball is not a game for the faint at heart. This axiom was proven last week in District 17AA play, as both varsity boys games in particular were the nail-biters which pivots on a single play. Girls action was inconsistent, as the Rebelettes faltered against Cooper but returned to form to defeat Wolfe City.

Varsity Boys

Determination and hustle produced two exciting wins for the remarkable Rebels last week, leaving them atop the standings in the District race with a 3-0 mark. Traveling to Cooper, the Rebels erased a 12 point fourth quarter deficit to earn a 65-63 victory, when senior Bradley Woods cooly hit a pair of free throws with six seconds remaining in the game. The win came because of a total team effort, including the coaching strategy. Reb mentor Wake Woods switched hi defense from a zone to a man-to-man one minute into the final quarter. Coupled with Cooper's decision to sit on their lead rather than attacking the goal, the Rebels managed to turn the tide of the encounter.

The Rebels returned to Johntown Friday night to face a Wolfe City squad which had beaten them 59-56 in the Celeste tournament. The Rebels revenged that loss with a 62-57 win, which virtually shut the door on

teh Wolves' prospect of post-season play, as they now sport a 3-2 district record. The Rebels remained unbeaten with a 3-0 mark, prior to facing Honey Grove (2-1) on Tuesday night.

The Rebels were on target early as they hit seven of eleven field goal attempts to build a 17-11 lead. But by the third quarter, the touch was gone, and Wolfe City took the lead only to see it vanish on a three point aerial from 35 feet at the buzzer by Jeremy Abshier. The game was tied at 46 with 5:25 to play, but the Wolves did not score again for three minutes, whil the Rebels consistence led them to a 12 point lead.

a .500 free throw mark, (15 of 30). The Rebs gathered 38 rebounds. Varsity Girls

The Rebelettes could do little right against the Cooper Bulldoggettes, in a lackluster 47-35 loss. The Cooper press, and Rebelette turnovers coupled with an ice cold shooting night 14 of 36 (38%) combined to give the Rebels their second district loss along with two wins.

Rosie Norman scored nine of her game high 11 points in the second half to keep the Rebelettes close, but the lack of offense, only eight points in the last quarter, led to their defeat.

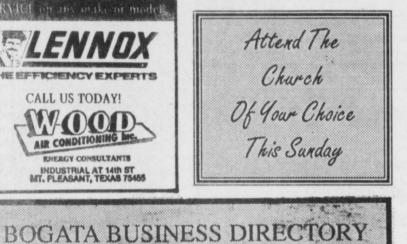

It was a much different Rebelette squad that took home court against the Lady Wolves on Friday night, The final quarter saw th eRebelettes break open a close affair to seal a 63-51 victory. The ladies played well to stretch a one-point first quarter lead into ten by halftime. The key was the relative ease with which the Rebel-

# Cookie Sale Continues

Girl Scouts in this area will continue taking orders for Girl Scout cookies through January 27. Seven varieties of cookies are available for \$2.25 per box. They will be delivered February 21 through March 7.

The annual cookie sale is a major fund-raising source for the council as well as individual troops. Proceeds form the sale support troop activities and council services.

According to Betsy Mills, cookie sale coordinator for Red River Val-

ley Council, the annual sale not only represents an opportunity for girls to increase troop funds, but also teaches them business skills and gives them experience in meeting thepublic. In addition, the girls who participate in the sale earn awards according to the number of boxes they sell

To order your cookies, contact a Girl Scout in your neighborhood or call the neighborhood cookie sale chairman, Mitzie Lowry at 632-5541 from 9 to 4.

HUDDLESTON'S GROCERY is expanding! Construction of the 3,200 ft. addition to Huddleston's Grocery is well underway. Owner Gary Huddleston also plans some remodeling for the store but says that the store will be open for business as usual during the remodeling. (Staff Photo by Mollie Williams.
