Worth

By Nanalee Nichols

The television is full of the news about boatloads of Cubans coming over to the United States right now. It has prompted me to saddle up my "high horse" and gallop away.

This country is founded on the principal of immigration. Except for Native Americans, every single one of us is descended from some nationality (or most likely multiple nationalities) that came to this country from another country. Some of our forebears came escaping religious or political persecution. Some came simply looking for a better life, or as an adventure. Some came as indentured servants, a condition similar to slavery. Others came as slaves. Still others (though not nearly so many as in Australia) came over as criminals.

After the United States had gained its independence and steam ships hastened that long ocean journey, a huge flood of immigrants began to seek a better life upon these shores.

A few of these immigrants came with money enough to establish themselves comfortablymost of them didn't.

No, many of our ancestors came over with absolutely nothing except the desire to work hard and achieve a better life for themselves and their families.

I have no problem with anyone from anywhere in the world immigrating here, BUT, there is one simple fact I think we have overlooked somewhere along the way.

Our constitution mentions life, liberty and the pursuit of happiness as basic rights. Notice the word "pursuit" ... that doesn't mean that things will be handed out-but that they must be sought!

Somehow it has come to pass that immigrants must be granted food, shelter and medical care without having to work for it.

That I disagree with. I'm not saying they don't need some care when they first arrive, but they don't need to swell our already huge welfare rolls any further. I knew a man from Mexico who came to Texas and worked hard to become an American citizen, raise and educate his children and achieve a good lifestyle. He was disgusted by immigrants who came, took from this nation and did not, to quote him "learn to speak this country's language, become an American citizen and work hard".

If I moved to another, I would expect to have to learn the language, work hard and learn to follow the laws of that nation....why should it be any different here?

We are supposed to PURSUE the American dream...it isn't supposed to be delivered to us! Brand me as old-fashioned, bigoted or un-understanding...but I've had my say and am unsaddling my high horse now.

A Letter To The Editor...

Dear Editor:

The recent vandalism of Bogata Cemetery must be stopped and the person(s) responsible must be punished to a degree that further temptation to do it again would cause second thoughts. The damage to the lattice work can be, and has been, fixed with a sizable amount of cost, and the monuments that were turned over are in the process of being repaired and uprighted, yet the mental anguish that it causes cannot be measured in monies.

This is certainly not the first time vandalism has occurred, but each time it gets a little more serious and damaging and the end must come to this terrible act.

Our family has started a reward fund and we hope individuals, organizations, businesses, etc. will join in. With a large enough reward we feel someone will come forward.

If you wish to be part of this, write a note to Bogata Cemetery Reward Fund, Box 417, Bogata, TX 75417. Send no money. The Red River County Sheriff will handle getting the monies to an informant and until there is an arrest and conviction, your name will only be on a list that will be contacted for the amount you desire to donate.

Just send your name, address and phone number and the amount you wish to donate to the Box 417 address. Should there be an arrest and conviction you will be contacted by the cemetery association to forward the amount you had pledged.

Folks, let's get serious about this and put an end to senseless vandalism in Bogata.

Council Approves Tax Rate, Trash Pickup Increase

The Bogata City Council met on Monday, September 12 at 5:00 p.m. with Mayor Eudy, members Harbison, O'Donnell, Ramsey, Anita Couch, Secretary, Burress, and citizens Jerry and Gerlyn Gray and Dr. E.E. Brooks.

Mr. Harbison opened the meeting with the invocation.

The first item of business was reading the public hearing notice on the John and Mikel Haynes property.

The proposed 1994-95 budget was then heard by the Council.

Minutes of the previous meeting and all current bills were presented and approved.

The Council will conduct a public hearing to discuss the TCDP program application.

A sewer line with an easement across Jerry and Gerlyn Gray's property was discussed. Gray's concern was if the easement would damage the property since the line would run near the house, boat shed and trees. The Council stated that no damage would be caused to the property.

Dr. Brooks addressed the Council on the possibility of a nurse practitioner at the Bogata Clinic. Medicare will pay for a portion of the fees. It was noted that a doctor would be available November 1, with Red River General Hospital paying the salary. Dr. Brooks is to bring a resolution to the next council meeting.

The second public hearing order on the Haynes property was discussed and will be approved at the next Council meeting.

The Council considered a resolution authorizing submission of a

TCDP program application. It was approved unanimously. The Council also gave consideration to Gary Traylor and Associates as the firm to handle the TCDP grant.

The budget for the year ending September, 1995 was approved.

The tax rate was unanimously set at .4469 per \$100.00 valuation.

The Council discussed a decision on the GTE proposal, to receive expanded toll free calls. They decided not to send their ballots in.

A street light was discussed at 6th SW Street. No action was taken.

The Council approved the purchase of an air compressor.

It was discussed who is to buy the toilet tissue and paper for the City Park restrooms. The Council will contact the Bogata Lions Club and ask them to share the cost with them.

The Texas Municipal Retirement tax rate was discussed, phasing in the rate increase over a three year period or paying the increase all at one time. The approved rate is 4.52.

The Council discussed dump trucks.

In the last item of business, the Council voted to increase the garbage pickup service charge as follows: business, from \$10.78 to \$12.04; residential, from \$8.39 to \$9.04. The rate increase will become effective October 1. This rate increase was made effective due to the rate increase that was passed on to the City by Waste Management Company.

With no further business, the Council adjourned.

School Pictures Will Be Taken This Week

School pictures will be taken at Rivercrest High School on Wednesday, September 14; at Talco Elementary and Junior High on Thursday, September 15; and Bogata Elementary and Junior High on Friday, September 16.

Students are urged to be in school on the day set aside for school pic-

tures in order to have pictures for the yearbook. Every student is asked to have his/her picture taken for the yearbook. Pictures to be purchased will be on a pre-pay plan. Each student received a flyer envelope with prices from which to choose the package or packages each wants.

Letter To The Editor:

Bogata Mayor Mildred Eudy has expressed concern that residents understand the need for the price increase on trash pickup services.

"Before we began using Waste Management Company, we checked every land fill and trash services within a 100 mile radius. All of them were higher than Waste Management," Mayor Eudy.

"Here is a letter from the Waste Management Company, explaining their price increase that I would like the Bogata citizens to read", she continued.

Dear Ms. Eudy,
Attached please find a letter from the City of Mt. Pleasant, concerning the price increase at the Mt. Pleasant landfill. As you know, the Federal E.P.A. enacted the first Federal Landfill Regulations as part of the Resource Conservation and Recovery Act passed by Congress in 1991. These E.P.A. Regulations, known as E.P.A. Sub Title D, became law on October 9, 1993.

The regulations require that all new landfill pits constructed after that date, must be in full compliance with all sub Title D guidelines. We were fortunate that Mt. Pleasant had

enough space available in an existing pit, to continue to accept waste at the old rate of \$5.20 per cubic yard in 1993. That pit is now near capacity, and a new Subtitle D pit must be constructed.

The cost increase to \$7.50 per cubic yard still remains competitive with other landfills in the area, but Mr. Rick Chafin, City Manager of the City of Mt. Pleasant indicated he would be more than willing to explain to your city council the reasons for the increase.

I have also attached a copy of our proposed rate sheet for your city, indicating the residential and commercial rates that will be necessary due to the increased disposal costs and C.P.I.

I apologize for the size of the proposed increase, and I also would be more than willing to attend any meeting with your staff or council to explain the calculations.

Thank you very much for your understanding.

Sincerely,
Jim Carroll

Sunday Celebration Set At First Assembly Of God Church

The First Assembly of God Church in Bogata, Hwy. 271S, invites the public to a Sunday Celebration with Robert Delatorre at 11:00 a.m., September 18.

Delatorre's ministry began in the early 1960's with a group named The Galileans. In the late '60's, the Galileans signed a major recording contract with Word Records giving them international exposure. They traveled with such groups as The Happy Goodmans, The Rambos, Andrea Crouch and many others.

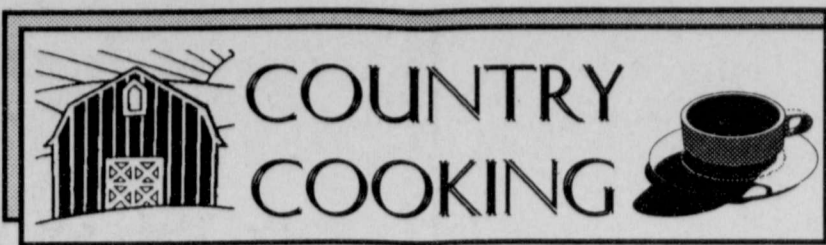

In 1970 the group received the prestigious Dove Award from the Gospel Music Association Committee. In the latter part of the 1980's, the

group disbanded with each member going to different phases of ministry.

Robert is now a full time evangelistic ministry, singing in camp meetings, conventions, crusades and churches of various denominations. With a new, fresh anointing, he incorporates the Word of God with his singing in English and Spanish.

He and his family have made Calvary Temple in Irving their home church for 12 years. He is also part of Pastor J. Don George's Evangelistic Team as the soloist in all Latin American Crusades.

Minnie Lee Shands is our featured cook this week. In case you didn't notice, there is no picture. Yes, she is camera shy and refused having her picture printed. I have been on her for several weeks to do an article about some pear recipes. There seems to be an abundance of pears and apples this year. Pears can be used in many different recipes. There are pear pies, cobblers, jellies, jams, preserves and many, many more ways of preparation. She is sharing her Pear Honey and Pear Relish Recipe. Along with these, she has also added her Jalepeno Jelly, Black Russian Cake and Honey Bun Cake. Minnie Lee loves to cook and take

to the elderly and shut-ins. If she had the resources, she says that would be the thing that she would like to spend her time doing. Cooking and doing for others.

She does a lot of food preservation in canning and freezing vegetables and fruits. She has a small garden in her back yard that keeps her busy.

She is married to Hershah Shands and they have lived in the Red Oak community for over twenty years. She is a member of the Blossom Church of God. They have two children, Linda Hicks and Jerry Farris.

We hope you enjoy this week's recipes and will see you next week.

TRAVEL TIPS
 By Marlene Pendleton, C.T.C.

It's awful hard to think about Skiing when the temperature is 95 degrees out, but we have our new brochures in for the 1994-95 winter season and as usual we have some good buys. If you're planning on skiing over Christmas or Spring Break book NOW...this space goes fast.

Crested Butte is offering free ski lifts from opening at Thanksgiving up until December 16th. If you want some good, inexpensive skiing try that. Crested Butte is one of my favorite places. Call the galls at Paris Travel. They have all skied.

A couple of weeks ago I vowed to keep up with this column on a weekly basis and already I'm having to break that. I'm having some surgery and will be out for a few weeks. So, I will start the column again when I'm back on my feet.

When I was telling Nanalee Nichols of my surgery and the rare blood type I had it wasn't 15 minutes until she had called back with a couple of donors! I was most touched by the generosity offered to a complete stranger. You'll never know how much that raised my spirits. I just want to say to all you caring people out there "I love you too".

Bogata Book Club Holds Regular Meeting

The Bogata Book club met in the home of Miriam Stephenson on September 8, 1994 with 17 members present. Two new members were welcomed; Mary Ruth Miller and Minnie Lee Rowden. Mrs. Brenda Scoggin's letter of resignation was accepted.

Club president, Gale Hervey, opened the meeting. The collect and Pledge to the Flag was led by Juanita Sparks.

Roll call was answered by "What my association with Texas Federation of Women's Clubs means to me." Mrs. Sparks introduced Betty Puckett, who gave a History of The

Bogata Book Club.

Mary Ann Williams read a paper on accomplishments of the Federation.

The guest speaker was Key District President, Mrs. Ouida Guest from Atlanta. She gave an interesting talk on Federation Duties.

The minutes were read and approved. Reports from committees were heard.

The new yearbooks were distributed. The club dismissal was repeated and refreshments were served.

WWII Group Holds Reunion, Locals Attend

By Charles Wilkinson
The 376th Heavy Bombardment Group Veteran's Association held its annual reunion in Austin this year. Jean and I left the farm at 10:15 on August 31st for Austin and arrived at the Double Tree Hotel, where the reunion was held at 3:30. After registering they got settled and went to the desk to see if any of my former crew members had arrived.

The son of our bombardier was registered. I had been looking for our bombardier for several years. I learned this past winter that he was deceased. So, I had corresponded with his son and he was interested in meeting some of the people that his dad had flown with, so he was invited to join our organization. I called the room and the son, Robert came down to the lobby. I did not need to look at his name tag to know who he was as he looked just as I remembered his dad looking 51 years ago. We had a nice visit.

Wednesday evening we had a get-acquainted Patio Party. Finger food, drinks, strolling guitar player, the works!

While Robert and his wife and Jean and I were enjoying the party, the engineer from our crew and his wife came in. They had just arrived. They joined us. Their names are Fred and Janet. When the party broke up the six of us walked around the corner to a Mexican restaurant and ate. Then we adjourned to our room for a real serious bull session and drinks.

Thursday morning we met in one

of the hotel's banquet rooms for a free breakfast. The six of us sat at the same table. After breakfast we boarded a bus for a tour of Austin. We visited the LBJ Library, The Governor's Mansion and the Capitol Building. The Capitol is undergoing renovation, but we did see the new underground part. Then back to the hotel where Jean and I ate lunch.

Thursday evening we went to the Ranch Oaks for Dance Across Texas. had a buffet meal, then returned to our hotel room where the six of us continued our bull session and party. We were joined by the widow of our copilot, Jo Ann and three guys from our squadron. The session got pretty lively...in fact, there might have been a few lies told!

Friday morning the seven of us met for the free breakfast. We were pretty well on our own until noon. We met in the hospitality room where we looked at each other's pictures of long ago. There were over 400 of us registered for the reunion. Our group was the 376th. By Wednesday night, when they quit registering we had registered 376 guests. I thought that interesting.

We had a luncheon at noon on Friday. Our speaker talked about the Smithsonian Institute is treating a part of our history, especially the Pacific War and the place in history of the Enola Gay, the B-29 that dropped the first Atomic Bomb. According to our speaker it amounted to rewriting history to make us the villains!

It was very disturbing.

Robert, the Bombardier's son, and his wife had to leave just after the luncheon to attend a family reunion in St. Louis.

Late Friday the navigator of our crew, Cliff and his wife Peggy, registered.

Friday night we gathered in the hotel ballroom for a comedy review and live music, Esther's Follies.

Afterward our crew and wives went to a nearby restaurant for dinner. Then back to our room to continue our bull session.

Saturday we met for breakfast again. Then we were on our own for most of the day.

Saturday afternoon Lynn and Nancy, our son and his wife, registered. Saturday night we had a dinner dance. Also had an outstanding humorous speaker.

MAfter the dance we adjourned to our room for the last bull session of the reunion.

Sunday morning Jean and I loaded our things ready to leave. We went to the Memorial Breakfast. This is a very emotional occasion, especially for me.

After the breakfast we drove over to Fredricksburgh. There we ate lunch, visited the museums, some of the shops and other places of interest. Then we drove to Brady and spent the night. Monday morning we were very lazy and didn't leave the motel room until 11:00 a.m. Visited and antique shop and then came on home as two tired but happy old people.

Rebs Take Homecoming Victory Over Union Grove

By Tammie Case
The Rivercrest Rebels had a lot to celebrate Friday night with a Homecoming victory over Union Grove. Chesley Baird taking the opening kickoff, put the Rebs into scoring position. After eight plays, Rebel running back Juan Torres took the handoff from quarterback Carey Gable into the end zone. The Rebels failed to make the extra point, but still were on top. The Union Grove Lions tried to take the ball into the end zone, but the Rebel defense under the senior leadership of Clint Franks and Kevin English held strong.

The second quarter started out slowly for the Rebs and turned over the name of the game. During the second quarter the Rebels were turned the ball over three times and Union Grove one.

Before the half ended, Chris Waller turned on the after burners to score another Rebel touchdown from 59 yards out. The Rebels failed to make the extra point, but the half ended Rebels out 12-0.

The second half of the game opened with the Lions ready to play ball. They drove down field 54 yards to score their first points and made the

extra point. The Rebs came on to the field under the direction of Tee Green and with Rodney Humphrey, put the Rebels on the scoreboard again. The Rebels failed to make the extra point but were up by 11 points. The third quarter ended with the score 18 to 7 in favor of the home team.

The fourth quarter had Rebel fans glued to their seats. The Lions scored, putting them only five points behind. The Lions tried desperately to score, but turned over again played a key part in the outcome of the game. With time ticking away and the Lions in possession of the ball, the Rebel defense held tight. The clock was showing 33 seconds left in the game when the Rebel defense recovered yet another fumble.

Keeping the ball in bounds and letting time run out, the Rebs held on to put their first victory under their belt.

The Rebels had key plays made by: Clint Franks, La Dar yl Savage, Kevin English, Jody Ottinger, Josh Belcher, Juan Torres, Tee Green and Chesley Baird.

The Rebels will take on Alba-Golden away at 8:00 p.m. this coming Friday night.

Junior Varsity Rebels Win 12-8 Over Union Grove

The Junior Varsity Rebels were impressive Thursday night as they clashed with the Union Grove Lions.

The Lions scored in the first quarter and were able to make the two point conversion to put the Lions on top eight to zero. The Rebel offense took to the field under quarterback Jody Nolen. With twenty-two seconds left in the first quarter, Nolen went to the air and found Michael Allen to put the Rebs on the scoreboard. The second quarter was a defensive battle for both teams, but the Rebs also had penalty trouble. The first half ended with the Lions on top by eight to six.

The second half proved to be all Rebels. The offensive line was able to give Nolen the protection needed

for the Rebs to march down field. Nolen again found Allen to put the Rebels ahead by four points.

All during the night the JV Rebel defense seemed to dominate the Lions. The Lions threatened to score but the defense held tight once more. In the closing seconds of the game, Michael Allen proved to have good hands again, by saving the Rebel victory with an interception. The Rebels took home the twelve to eight victory.

Key plays were made for the Rebels by Clint Gage, Charles Cruz, Jody Grey, Mike Deming, Jerrod Guest, Michael Allen and Jody Nolen.

Come watch these young Rebels play football!

Junior High Rebels Lose 6-0 To Union Grove

The Rebel Junior High Football team started their season Thursday night with a devastating loss to the Union Grove Lions.

The Eighth grade team, under the field command of Chad Hollands tried but failed to put the Rebs on the scoreboard. Defensively the Rebels held tight and kept the Lions from scoring until the last nine seconds of

the ballgame when the Lions went to the air. The Lions scored on the pass but failed to make the extra point.

The game ended with the Lions taking a six to zero victory.

Key plays for the young Rebels were made by Joey Taylor, Shane Crabtree, Aaron Martin, Gary Cruz, John Ross and Bobby McLeod.

Area Resident's Son To Practice In Mt. Pleasant

George Robert Smith, Jr., M.D., will be in Mt. Pleasant, practicing medicine after completing his medical training, his residence and teaching other resident doctors.

George is the son of George and Jean Smith of Bogata.

This summer, Dr. Ronald Van Buskirk invited him to practice internal medicine together at the Mt. Pleasant Clinic located on FM 1402.

Patients won't need a referral from a general practice doctor before calling Dr. Smith for an appointment.

He and his wife, Lisa, are both graduates of Rivercrest High School and their three children now make their home in Mt. Pleasant.

Internal medicine includes adults and adolescents over 12 and covers

pulmonary and endocrine systems, gastrointestinal disorders, hypertension, heart problems, rheumatology and infectious diseases.

Smith finished in the top fourth of his class at University of Texas Southwest Medical School in Dallas and did his residence at Presbyterian Hospital in Dallas. He served as chief medical resident his third year and accepted an invitation to serve on the faculty at the Presbyterian Hospital Medical Residency Program.

Dr. Smith will be available for consults in the intensive care unit and other nursing units at Titus County Memorial Hospital, but expects his primary emphasis to be on private practice.

Our yard sale was well worth the time. Everyone was so good to donate and to shop with us. We had lots of left overs and plan to have a repeat sale soon.

Our sympathy is extended to Amos and Betty Spencer and their family in the loss of her mother.

Our best wishes for a full recovery goes to Jean Smith and Geri Knowles. Happy birthday in September to Audrey Gillis, Steve Knowles, Delene Tabb and James Minshe.

A History Of Bogata Book Club

by Roberta Anderson

On the second Monday morning of each month at 8 a.m. the Ladies Fellowship Group meets at Melba's Place in Bogata for a Dutch treat breakfast. All ladies in the area are invited to attend. It is a non denominational group.

Bogata First Baptist Church has Mother's Day Out every Tuesday 8:30 a.m.-4:00 p.m. For more info call 632-5218.
The monthly Community Prayer breakfast is held the first Tuesday of each month at the Bogata Community Center at 7 A.M.

The original Bogata book club (Bogata Book Nook Club) was formed November 13, 1941, by a group of eight women. They were Mrs. C.P. Allen, Mrs. Eddie Stancyk, Mrs. Robert Rhea, Mrs. Lennox Hudson, Mrs. Alvin Wood, Mrs. Carol Leeper, Mrs. Lynn Wilcox and Mrs. J.A. Castleman.
Their objectives were to study things of interest in the Club as to their social and educational needs, which has led to much individual improvement and civic interest. It is the purpose of the club to continue to broaden these Ideals. (1960-61 year-book)

dent the first year. Two meetings were held monthly and books were reviewed. The sponsorship of the Girl Scouts in Bogata was an important project at that time.

The Bogata Nook Club name was changed to the Bogata Book Club when the Club joined the General Federation of women's Clubs in 1945. Mrs. Dumpy (Laura) Barnard was president at that time.

The Bogata Book Club will be entering its fifty third year of service in our community as a literary club. There are eighteen active members who meet monthly to study literature, fine arts and current topics.
