"Mr. and Mrs. A.B. Cee had lunch with Mr. and Mrs. D.E. Fef on Sunday."

"John and Sue Smith drove up through Oklahoma Saturday to see the fall foliage".

"Mable Jones has been ill, but is home and doing better".

These little items are called "locals" or "Local News" and they are the heart and soul of a community weekly newspaper.

Very often, people don't call in their news items about visitors for a meal, or just a porch-sitting evening spent with good friends because they feel these things are not "important" enough to put in the paper. At times some people are even a little embarrassed when they call and want to put in something.

So, let me try to explain about "locals". While we report events and major happenings in the community, locals are just as important. Not only to us, but to many others. Each of our five papers have numerous subscribers and readers...and many of those readers find that reading about their friends and neighbors keeps them in touch with the life going on around them.

For the elderly, reading about people they know, or the children and grandchildren they know offers them the chance to keep up with life in their home town...or what was their home town. Often they can no longer be out and about as they once were, and these locals are very important to them.

For the hundreds and hundreds of readers that live away from here locals keep them aware of old friends, relatives and acquaintances. They write to tell us over and over that the paper is their "Link From Home".

For young families visits to grandma and grandpa, aunts and uncles or just friends are carefully clipped out and pasted in scrapbooks.

It is amazing how many homesick young people in the military or on a job far from home subscribe to their home town paper.

In short, your local news is important to so many people.

Please, take the few minutes it takes to call in your local news to the correspondent for your area, or to call it direct to your local paper office, or even mail it to us.

Unlike daily papers we welcome small news items, engagements, weddings, births, unusual stories, pictures...whatever you have! And, we don't charge for them, either. Please help this paper to provide that much needed touch of home and community most of us need. There will be many people who will appreciate your efforts.

Dr. and Mrs. Nada Srikumar Are Welcomed To Bogata Area

Meet some of your newest neighbors, Dr. and Mrs. Nada Srikumar, who have moved into the Ward house at 315 North Main Street, Bogata.

Dr. Nada, as he prefers to be called, will practice medicine here, at the Bogata Medical Clinic on N. Howison Street, and is phasing in under the guidance of Dr. Brooks.

Dr. Nada, who was born in the island nation of Sri Lanka, we used to call it Ceylon, has just completed an intensive three year residence at the Woodhall Medical Center in New York, qualifying him as a specialist in internal medicine. He took his M.D. degree at the University of Colombo in 1990. Like Dr. Brooks, who learned of his record and invited him to come here, Dr. Nada will be associated with Red River General Hospital.

Mrs. Nada, whose friends call her Dashina, grew up in a suburb of Boston, and like her husband is of Sri Lankan ancestry. She recently graduated from California State University

at Northridge with a degree in Electrical Engineering. Although nearby employers already beckon, Mrs. Nada says her first priority is to set up her new home. The Nadas have already been furniture shopping, and have been "camping out" in their new home.

"For the present," she says, "I want to become better acquainted with the Bogata community and with my husband." The Nadas were married earlier this year.

After finishing residency at Woodhall, Dr. Nada could have chosen to practice in a big city environment or in Sri Lanka, but they decided they might prefer life in a small town. "People here have been wonderfully welcoming and kind to us," say both the Nadas.

They will be in Bogata for at least two years. We hope they will like our town so well they'll become our neighbors for life.

At the November 3 meeting Mary Colflesh and Alfred Puckett will be in charge of feeding the group.

Shirley Vickers presented a financial report.

The mid Winter Lions Conference will be held in Paris January 20, 21, and 22.

A tentative date, December 15, was set for the Christmas Party.

A discussion was held on the numbers and tiems a week the building should be cleaned and also a larger deposit for use of the community center was discussed.

The meeting was adjourned.

October 29 Is Designated Trick Or Treat Date In Bogata

Bogata Mayor Mildred Eudy, after conferring with school officials and in an effort to make it easier on parents, teachers, and residents, and prevent confusion, has designated Saturday, October 29, 1994 as the official date youngsters should make their Trick or Treat Rounds.

Since the knocking on doors to receive a "Treat" so as not to leave a "Trick" is a child's activity, it is suggested that only the very young participate in this activity. These youngsters should be accompanied by at least one adult and should wear clothing which is noticeable in the

dark. "Trick or Treating" should only be done in one's own neighborhood, or at the homes of close friends. Parents should check each and every "Treat" in the bag, and where possible should make every effort to dispose of the goods acquired by "knocking" and replace with goodies which they know are safe and possibly healthier choices.

In the last few years many Church groups and other organizations have begun providing a party or activity at which the children may receive their treats, making it unnecessary to knock on doors.

FEATURED COOK THIS WEEK is Midge Foley of Deport. She is married to Pastor Tom Foley who is the pastor for the First Presbyterian Church of Deport. (Staff Photo)

Country Cooking

By Liz Irwin

Midge Foley is our featured cook this week. She is married to Tom Foley, who is the pastor of First Presbyterian Church of Deport. Midge is one of our fellow employees at the paper and a sweeter and kinder person you will never find. She always has a smile on her face for everyone and a kind word. We have recently learned that they will be leaving after the first of the year to Atlanta, Georgia area. Supposedly, these two are going into retirement. This is hard to believe, as they are like the "Energizer Bunny", they keep going and going and going!

Midge's recipes this week are for diabetic dishes. Tom has just recently been diagnosed as a diabetic (2 a 2 does not require insulin) and

their eating habits have been changed somewhat. He can't have sugar, sodium or fats for starters, so their recipes have to be modified somewhat.

They have four children. Three married with families and a son living in Japan, Tim Foley. The oldest is Steve Foley, he and his family reside in Atlanta. A daughter, Donna Draeger, lives in Traverse, Michigan with her family. Kitty Thrower and her husband live in Stone Mountain, Georgia.

Midge is a delight to work with and we will miss her very much around here. This is to let her know, we are still thinking of ways to try and keep her here with us. Good luck in your journeys, Midge and Tom!

Orva Lou Easterling Dies October 23

Orva Lou Easterling, age 78 of Talco, died Sunday, October 23 at her residence.

Spanish Rice
1 1/2 cups chopped onion
28 ounce can of tomatoes
1/2 cup finely chopped green pepper
1/2 teaspoon salt
dash of ground cloves
1 bay leaf
1 cup uncooked long-grain white rice
Spray a 3 quart microwave dish and cover with vegetable-oil spray. Add onions, tomatoes, green peppers, salt, cloves and bay leaf. Cover and cook with the microwave on HIGH for 1 minute. Stir and then continue cooking on MEDIUM for 4 minutes. Stir in the rice, recover and return to the microwave. Cook on MEDIUM for 10 minutes, rotating the dish and stirring every two minutes.

Delightful Rice Pudding
2 cups skim milk
2 eggs-slightly beaten
1/3 cup granulated sugar replacement
1-1/2 teaspoon vanilla extract
1/4 teaspoon cinnamon
1/8 teaspoon nutmeg
1/2 cup quick-cooking rice
1/3 cup raisins
Measure the milk in a 1 quart microwave or glass measuring cup. With the microwave on HIGH, cook for 5 minutes or until hot. Combine the remaining ingredients in 1-1/2 or 2 quart microwave casserole or bowl. Stir to mix; then blend in the hot milk. Cover with a lid or plastic wrap. With the microwave on LOW, cook for 12 to 15 minutes or until set. Allow the pudding to rest 5 minutes before serving.

Meat Loaf
1 beef bouillon cube
1/2 cup boiling water
2 slices bread-crumbed fine
1-1/2 pound 85% lean ground beef
2 medium eggs-beaten
1/2 cup chopped onion
1/4 cup chopped celery
2 teaspoons Worcestershire sauce
1 tablespoon catsup
Preheat oven to 350 degrees. Line a shallow 8-inch baking dish with foil. Dissolve beef bouillon cube in boiling water in a large bowl. Add all other ingredients except catsup and blend well with a fork. Turn onto foil in pan and with hands shape quickly into a 6 by 4-1/2 by 2 inch loaf. With the dull edge of a knife make a criss-cross pattern across the top; spread catsup on top. Cover loaf with a tent of foil that does not touch the top. Bake for 45 minutes. Remove foil; bake uncovered, for another 45 minutes. Remove from oven and cool in pan for 2-3 minutes before serving. Using this molded method instead of loaf pan allows the fat to drain from the loaf, whereas a loaf pan retains the fat.

Light and Lemony Cheesecake
1-1/2 cups low-fat cottage cheese (or part-skim ricotta cheese)
2 teaspoons grated lemon zest
1 envelope unflavored gelatin
1/4 cup freshly squeezed lemon juice
3 eggs-searated
1/2 cup skim milk
Artificial sweetener equivalent to 8 teaspoons sugar
1 teaspoon vanilla extract
1/4 teaspoon cream of tartar
1 graham cracker crust(see below) berry sauce(see below)
Press the cottage cheese through a sieve into a bowl. Stir in lemon zest. Sprinkle the gelatin over the lemon juice to soften it; set aside for 5 minutes. Combine the egg yolks and milk in the top of a double boiler. Cook, stirring until the mixture thickens. Remove from heat and stir in gelatin mixture until dissolves. Add the sweetener, vanilla extract and strained cottage cheese to the yolk-gelatin mixture. Refrigerate, stirring occasionally, until partially set. Beat the egg whites with the cream of tartar until stiff peaks form. Fold into the gelatin mixture. Pour into the prepared Graham Cracker Crust. Chill about 4 hours until firm. Serve with Berry Sauce if desired.

Graham Cracker Crust
3/4 cup graham cracker crumbs
3 tablespoons melted margarine
1/4 teaspoon ground cinnamon
1/4 teaspoon freshly grated nutmeg
In a mixing bowl or food processor, combine the crumbs, margarine and spices. Mix or process until well blended. Press into the bottom of a 9-inch pie plate. Use as is or bake for 10 minutes in a 350 degree oven and cool before using.

Berry Sauce
1 cup berries-unsweetened
1 tablespoon freshley squeezed lemon juice
liquid artificial sweetener equivalent to 12 teaspoons sugar
Puree all of the ingredients in a blender or food processor. Strain through a fine-mesh strainer to remove any seeds. Store in a tightly covered container in the refrigerator or freezer.

Hog Killin' And Pork Sausage

In last week's Country Cooking" column, we asked if any one had an old fashioned recipe for seasoning for pork sausage. We received several interesting recipes. One was from from a lady, I'm not sure of her name. She said that it brought back fond memories to her of long ago, when "hog killing time" was a big deal to their country farm.

She relates that she began looking for a recipe that she could share with Mr. Marris that belonged to either her parents or grandparents. She said that they had moved out of their lives taking so much information that they wish they could remember.

Old timers used to say when they had a killing frost and ice, it was time to butcher the hogs. That usually happened in November, not so today. The winters are not cold enough to preserve the meat. Their place was the center for all the neighbors to come and bring their hogs to be cleaned.

It was a barn raising and they were all there to eat the noon meal. A group of hungry men could eat a mountain of food. This was a part of life they knew. It was a good life with no frills. It was called plain living. Below is her recipe.

Pork Sausage
Use any combination of lean meat not used otherwise.
10 pounds of lean pork
1/4 cup salt
2 teaspoon black pepper
2 teaspoon red pepper
1-1/2 tablespoon sage
Run through sausage grinder. Pack in small clean sacks and hang in the smoke house next two recipes were submitted by Mary Jackson of Paris and she said that these recipes were used by the late Melvin Jackson and parents, Albert and Alma Jackson.

Pork Sausages
12 pounds of meat
3 tablespoons salt
3 tablespoons black pepper
2 tablespoons sage
1 teaspoon red pepper
Mix on meat and grind.
This recipe will care for 1000 pounds of fresh pork.

Pork Sausage
25 pounds of fine salt
4 pounds of sugar
9 ounces black pepper
9 ounces red pepper
Put preparation in tub. Rub meat good with mixture. Next morning, put on the remaining mixture.
Let us know, Mr. Marris if these recipes helped you and are what you need.

The Rivercrest Rebel Junior High Squad overwhelmed the Prairiland Patriot Junior High last Thursday 22 to 8. The young rebels take on the Cooper Bulldogs Thursday night at Rivercrest. (Staff Photo)

Rebel JV Defeats Patriots 8-2

The Jr. Varsity Rebels were able to get back on the winning track Thursday night against the Prairiland Patriots, with a final score of 8 to 2.

The Rebel offense kept the Pat defense on their toes by using both the air and ground attack. Clint Gage was able to put the Rebel TD on the board and Nolen the extra two.

For most of the contest it was a defensive battle. The field was well worn after the first games and the ball was hard to control.

The Patriots' only score came from a Rebel safety.

The Rebels continued to pound on the Pats, and Rebel fans went their feet when Justin Smith went racing into the end zone for what should have been an extra six. The TD was called back because of an illegal block, and the clock took away any chances for the Rebs to score again.

Despite the threat of rain, the Rebel fans enjoyed a great night of football.

Prairiland Jr. High Falls To Rebels

The 8th Grade Rebels were eager for another win and were able to defeat the Patriots 22-8.

Chad Holland and John Ross were able to return to the Reb lineup and, with the rest of the team, went to work early on the Pats. The first quarter found the Rebs in control and on top 8-0. On a John Ross TD run and extra two made by Will Nowey, the Rebs were up by 16 in the first half of the game.

The second half was no different

than the first, for the Rebels were in control until the final horn. Bobby McLeod was able to put the finishing touches to the Rebel score. The Rebs were up by 22.

The only score for the Pats came with a Reb mistake, giving them a safety and then on a TD run.

The Rebel defense was helped by key plays made by Jeremy Jones, Will Nowey, Chad Holland, Kevin Williams and Jerry Cruz.

Rebel 7th Graders Lose to Prairiland

The 7th grade Rebels took to a muddy field against the Prairiland Patriots Thursday afternoon. The young Reb offense kept control of the ball the entire first quarter. They were able to score on a run made by quarterback Cody Wolfe. The extra point failed but the Rebs were on top 6 to 0.

The second quarter found the Rebels still in control of the ball, but a Rebel pass was intercepted to give the Pats their first possession. Before time ran out in the quarter, the Pats were able to go ahead with a TD and a two-point conversion.

The second half of the contest was to be the downfall of the young Rebs,

with the Pats putting another 8 on the board.

The Rebels tried on several occasions to put the ball into the end zone, but with the wet field conditions, the ball was hard to hang on to.

The final score was to find the Rebs taking the loss 6 to 16.

The Rebel offense, led by Cody Wolfe, J. C. King, and Paul Billingsley, worked hard for the Rebs as well as the offensive line.

The Rebel defense, led by Bryan Cannon, Mitch Jean, Josh Jones, Ryan Case and Paul Billingsley, made many key plays.

The Rebs will meet the Chisum Mustangs on Thursday afternoon.

Lady Rebs and Rebels Have Good Crosscountry Runs

The Rivercrest Lady Rebels and Rebels Cross Country runners participated in the District meet held at Prairiland on Monday, October 24.

Lady Reb Jana Weatherall crossed the finish line for a second place. Rebel Jack Brown finished in first place with a time of 16:39. The girls ran 2 miles over hill and dale while the boys had a 3-mile trek.

Also participating for the Lady

Rebs were Amber Spencer, Sara Stanley, Norma Jasso. The Rebels were Chris Waller, Jeff Savage, Kyle, Kennedy, Jay Hancock and Tee Green.

The Rebel team won first place and qualifies for Regional competition at Arlington November 5th.

Coaches Keith Brown and Terry Hill were well pleased with their runners.

Rivercrest Takes Trip To See Othello At PJC

By Emily Spencer
On October 20, the Rivercrest Gifted and Talented members and some Rivercrest drama students went to see the PJC production of *Othello* by William Shakespeare. The PJC cast did an excellent job of performing this drama about jealousy, hatred, and wrongful trust. Vince McGill portrayed an outstanding Othello, and was sensitively supported by Kelli Clement as Desdemona, who, incidentally, sang beautifully. Cassio was played by Michael Skotnik and Roderigo was

played by Michael Foster; their performances were superb. Rivercrest students who attended the performance were: Angie Elliott, Amanda Franks, Kristi Hines, Bonnie Phillips, Sara Stanley, Dustin Wolf, Dru Denison, Eric Martin, Lindy Penn, Lindy Phillips, Amber Spencer, Maria Torres, Marla Williams, Josh Belcher, Carey Gable, Norma Jasso, Paty Lazoya, Elizabeth Scott, Karen Williams, Amy Allison, Daniel Connell, Misty Deyling, Eric Hall, Windi Mears, Michael Noble, Misty Rodden, Andy Speir, and Emily Spencer. The group left for the production at 8:10 a.m. and returned to Rivercrest around noon. Everyone enjoyed the opportunity to see the play and the next production, which will be in Texarkana, is eagerly anticipated. The students are all grateful to Mrs. Russell and Mr. VanDeaver for sponsoring the trip, and to Mrs. Tabb for driving the bus.

Talco-Bogata First Graders Take Field Trip

The first grade classes of Talco and Bogata recently visited the Southwest Dairy Museum in Sulphur Springs. They watched a video of The Milk Cow, and heard a skeleton on wheels tell about the importance of calcium in the diet to make healthy bones. They watched an antique cream separator take the cream out of the milk, then participated in making butter.
 Due to rainy weather, Mrs. Martha Hare arranged lunchtime inside the bays of Fire Station # 1. The firemen were very glad to share their building

and to give the group a surprise tour of the fire station as well as a film of Smoky the Bear Fire Safety. They demonstrated their equipment and gear and blew their sirens and flashed their lights too. Mrs. Hare then provided ice cream for all to complete their trip. Teachers, Mrs. Ross, Mrs. Hudson and Mrs. Moles, and Principal Bill Mabry enjoyed the opportunity to let students experience study outside the classroom for their farm unit and fire prevention week.

Immunization Clinic Scheduled

The Texas Department of Health, Public Health Region 4 & 5 North office, announced plans today for the continuation of the on-going immunization clinics for all children needing immunizations.

The clinic will be conducted at the Texas Department of Health, 1300 Highway 37 north, Clarksville. Hours are 8:30 a.m. until 11:30 a.m. and 1:00 p.m. until 4:00 p.m., Monday through Friday. Parents may call the clinic for an appointment for their child, (903)427-2851, or arrive on a walk-in basis.

The Health Department emphasizes that this clinic is available to all preschool and school age children beginning at two months of age. Immunizations offered include Measles/Mumps/Rubella, Oral Polio, Diphtheria/Tetanus/Pertussis and Tetanus/diphtheria. The Haemophilus Influenzae type b vaccine is also available to medically eligible children between the ages of 2 months and 60 months. The pneumonia vaccine is

available to all high risk patients meeting income guidelines. All children must be accompanied by a parent or legal guardian. Parents are reminded to bring the child's immunization record and Social Security number if available. The Tetanus/diphtheria vaccine is available to medically eligible adults. Should the parent or legal guardian have questions, please contact the above noted field office staff.

Bogata Locals

By Judy Screws

The York sisters and brothers met Saturday in the home of Mrs. Dixie Stringfellow for lunch. Other than Dixie, they are Lucille Childers, and Nadine Rhodes of Johtown, Edna Earl Dodd of Bogata, Kenneth York of Abilene, and Betty Puckett, of Denton. Other visitors during the day were Jan McCuller of Mt. Pleasant, Doug Hawkins, Jackie and Anita Couch of Bogata, Mark Hawkins of Johtown and Vicki and Dee Tabb of Miro.

Jerry and Gerlyn Gray were in Dallas over the week end to visit with their daughter and son in law Jennifer and Rusty Reeder.

Kenneth York of Abilene is here for several days visiting in the home of his sister, Dixie Stringfellow, and visiting other relatives. Visiting them Sunday afternoon were Lucille Childers of Johtown and Toni combest of Pittsburg. Monday visitors were Buddy and Ellen Stringfellow; Dan and vicki Tabb, Billy and Kaley Stringfellow, and Casey York.

Ruby Legate was taken to Dallas last week for a Cornea Implant, by her sister and husband, Mr. and Mrs. Al Kelley of Lake Tawakoni.

Betty Puckett of Denton, spent the week end with Mr. and Mrs. M.J. Dodd. Having lunch with them Sunday were Kenneth York, and Dixie Stringfellow. Dixie and Kenneth visited with Lucille Childers in Johtown Monday afternoon and visited Nadine and Grady Rhodes Tuesday.

Sunday evening dinner guests of Jerry and Gerlyn Gray were Jessica and Danny Hines, Judy, Harold, and Heather Holt.

Mrs. Joe Roach of Mt. Vernon

visited her grandmother, Ruby Legate, last Saturday night.

Last week Mrs. Clara Lowe's sister, Margaret Davis of California visited with her and other local relatives.

Carol Baker of Mt. Pleasant and Chrystine Baker were in Clarksville Tuesday to visit their mother, Ruby Corbell at the Regency Nursing Center.

John Pybus of Grand Prairie, visited his aunt, Chrystine Baker, Saturday and Sunday. They visited Ruby Corbell at Regency Nursing Center Sunday.

Richard and Sandra Liddell of Dallas, visited her mother, Lucille O'Donnell over the weekend.

Mary Margaret Vaughan received word that her aunt, Eleanor Taylor of Ft. Worth died. She and her daughter, Mary Lynn Horn attended the funeral Saturday, October 22.

On October 15, Charles, Jenae, Joshua, and Crissa Fast of Lampasas spent the week end with Jenae's parents, Joe and Frances Lee and her brother Adam Lee. They enjoyed the Talco School Fall Festival where Crissa won a cake in the cake walk.

Sunday lunch was Charles' famous grilled fajitas. They had to go back right after lunch. Josh and Crissa said "Hi" to all their friends. They will be back for Thanksgiving.

Visiting Pat and Billie Lindsey over the weekend were their daughter, Patricia Edmunds of Jacksonville, Florida and Priscilla Farib and daughter Stacy of Albuquerque, NM, their nieces, Darlene Crites of Bells and Cindy Scoggins of Euless.

Sam Speir of Greenville was injured in a car accident but has been released from the hospital and is home now recuperating.

Ladona Couch

Ladona Couch Is Honored

"Winnie the Pooh" was the theme of the birthday party which honored Ladona couch on Saturday, October 22, at the home of her great-grandparents, M.J. and Edna Earl Dodd. Others attending were her parents, Trenton and Patti couch; grandparents, Jackie and Anita Couch; great grandparents, Jack and Ruth Couch; aunt, Tresa Couch; and Aaron Capps, all of Bogata. Also attending were Clint and Melanie Tidwell and daughter, Marley of Summer.

Ladona received many nice gifts. Birthday cake, ice cream and punch were served and pictures were made. Everyone enjoyed celebrating Ladona's second birthday.

The opposite of a correct statement is a false statement. But the opposite of profound truth may well be another profound truth.
—Niels Bohr

MR. MABRY HONORED—Mr. Bill Mabry was honored by the Bogata Faculty and staff recently on boss's day. The cafeteria was filled with students hav-

ing a "perfect attendance" coke party. When Mr. Mabry returned Happy Boss's Day was sung and he was given a gift certificate, cards and a tray of sweets.

Letters to The Editor

This is an open letter to Parents, Teachers, and Administrators which was received by Pam Hinson, Manager of the Bogata School Cafeteria, and which she wants to share. Anyone with questions should contact Mrs. Hinson-Parents, Teachers, and Administrators: Studies have proven that good nutrition is critical to student achievement. That is why it is important for school meal programs to be available to all students to provide quality, nutritious meals at a reasonable cost.

The menus are prepared in accordance with federal guidelines. A USDA approved lunch provides and average one third of the recommended dietary allowances while the breakfast programs provide approximately one fourth of the day's nutritional requirements.

The school meals, including those adults purchase, are prepared and served as non profit items. Federal funds are received for every student meal served. The amount of reimbursement paid per meal depends on the economic need of the student. Students may receive meals free, at a reduced price, or at a price that is less than the cost of the preparations of the meals. Adult meals are not subsidized. The price for these meals must be based on the actual cost of the meal produced. This is why the cost of a meal is slightly higher for adults. Federal regulations prohibit program funds from being used to lower the price for adult meals.

Portion sizes are also mandated by the federal government. Adults are often served food in the same quantities as specified for middle and high school students. Since the school meals are designed for students, meals and food items are planned to meet their needs and preferences. Teenagers require nutrients for growth and for maintenance of body size and functions, while adults need nutrition for maintenance.

Meals are planned and food items purchased well in advance. If classes or entire grades are scheduled to take field trips, please contact the food-service department so preparation adjustments can be made.

Some schools use a system called offer vs. serve. In this system, federal regulations state that a child may choose as few as three of the five items served. It is good to teach students to make healthy choices like lowfat milk or broccoli, but teachers cannot make the choice for the child.

Please contact the Child Nutrition Program for additional information, Pam Hinson, Lunch Room Manager.

A Proclamation By Bogata Mayor

Whereas, the need for efficient, cost effective health care is of primary importance to all citizens of our community, and

Whereas, prescription and non prescription medication is recognized as a vital element in effective health care, and

Whereas, nearly two billion prescriptions are dispensed annually with one of three Americans receiving no information about these medicines before they take them, and

Whereas, due primarily to a lack of information on the part of patients, approximately one half of all prescriptions are used incorrectly, contributing to prolonged illness, avoidable side effects, unnecessary hospitalizations, and even death, and

Whereas, the local pharmacists of our community are the recognized professionals who specialize in the proper use of medications, and

Whereas these professionals are dedicated to increasing communication about prescription medicines thereby improving the health of all Texans, including those in the city of Bogata, Texas,

Now, therefore, I, Mildred F. Eudy, Mayor of the city of Bogata, Texas do hereby proclaim the week of October 23-29, 1994 as Texas Pharmacy Week in Bogata, Texas, and call upon all citizens of our community to observe this important week by conferring with their pharmacist concerning the proper use of all medicines prescribed to them.

In Witness Whereof, I cause the Official Seal of the City of Bogata to be affixed this 24th day of October, 1994.

Signed Mildred F. Eudy Mayor

Bogata Elementary Second Grade Students Study Spiders

Second grade students in Sandra Stockton's and Stacy Spencer's classes have completed a unit about spiders. After learning many interesting facts about spiders, the children created three dimensional spiders. They also wrote spider acrostics to demonstrate their knowledge of spiders. Here are a few samples of the children's work by R.C.Pitts.

SPIDERS are big and small
People get bites from spiders.
Insects are food to spiders.

Some are not harmful
Plastic spiders are't real
In my Grandma's yard there are spiders
Dark places are where spiders usually live.
Real spiders are neat
Spiderlings are what baby spiders are called.

Nuts & Bolts

By Judy Screws

I don't have much appreciation for drive by shootings but I absolutely love drive through eating, and drive through banking, and drive through laundry pick ups. We have in the past used a drive through pharmacy. And utility companies in many towns have drive through windows so you can pay your bills without getting out of the car. The drive through mail drop box is a stroke of genius, as is a drive through convenience grocery store I saw in Arlington where you drive in and tell them what you want, runners get it before you reach the second window where you pay and receive your purchase. I even saw a drive through mortuary in a movie one time but of course it was supposed to be funny and in a weird sort of way it was.

These conveniences show just how automated our lives have become. I don't know if they have made us lazier or if they have caused us to be able to get more things done than we were able to previously.

We have access to most of our accounts (banking, credit card, etc..) since they come with an 800 number for us to use 24 hours a day. With these we can find out at any time of the day or night what we owe, how much we need to pay, or how much money we have in the bank or don't have in the bank. All we need is our little PIN.

Answering machines, call waiting, and call forwarding have caused us to be able to answer the phone whether we are at home or not, we can stop one telephone call and talk to someone else for a minute while the first party is on hold, and we can forward our calls to another number and nobody will know whether we are at home when the phone is answered or not.

What will we have next? I think I like the idea of drive through Doctor's offices and hospitals. Well, it's a thought. Twenty years ago would you have believed all this?

Rivercrest Has Anti-Drug Week

Rivercrest High School has been observing Red Ribbon Week, to campaign against drugs.

On Monday it was "Turn Your Back on Drugs" day and clothing was worn backwards.

Tuesday it was "Watch Out for Drugs" and students wore watches...lots and lots of watches.

Wednesday was "Give Drugs the Boot Day" and western attire was the order of the day.

Thursday was Drugs and Life Don't Match, and clothing was mismatched.

Friday was "Don't Do Drugs-No Sweat" and sweat suits were the costume of choice.

Bogata Students Build Pueblos

Mrs. Kennedy's third grade class in Bogata Elementary has begun a unit of study over the Indians. Last week they made Pueblos. Each student was given a list of items needed to make a pueblo and the adobe clay used to cover the pueblos. Each child gathered the necessary supplies which included salt, flour, and boxes of various sizes to make individual

pueblos. They began their project by taping the boxes together, then by mixing the salt and flour they made adobe, or clay to cover the outside of their pueblo. Once dry, the pueblos were painted brown. The project was enjoyed by each student and was a perfect inside activity for the rainy days last week.

BUILDING ADOBE HOMES-Children in Mrs. Kennedy's third grade at Bogata display their adobe houses they built. Students participating are: (not in order) Jeffery Abernathy, Brittany Brown, John Brown, Alex Davidson, Timothy English, Jason Jones, Kyla Harville, O.W. King, Brent Middleton, Frankie Nettles, Kristin Simmons, Stephanie Williams, and Justin Tucker. (Photo by Judy Screws)
