Could we settle on a mode?

The weather, the weather, the weather! Of course, weather is always a favorite topic, but this year's has provided more conversation than usual!

I don't know about you guys out there, but I am definitely ready for spring.

As everyone knows, there was very little winter. I had petunias blooming that had been on the porch all winter. I had hollyhocks that were six feet tall and gorgeous.

For weeks everyone kept saying "It's going to come a big freeze" but it never happened. Finally, when everyone decided perhaps it wasn't going to come it came. Boy, did it. Temperatures in the lower twenties, the weather turned bitter, windy and just plain cold.

My petunias shrivelled up, my hollyhocks fell over and my daffodils and narcissus were truly sad. Cannas, always a warm weather plant, were sticking tentative feelers up above the ground into the warmth when they were turned into black wilted stubs.

Humans and animals alike crept around shivering in misery. The sounds of geese heading northward became the sounds of geese scrounging around for food while they waited for warmer weather.

It was nasty. Really nasty, and it was March!

Then, it warmed up just enough to start raining. Whether the additional warmth was worth the additional damp is strictly a matter of preference.

Of course, Monday the wind began to blow. Really blow, hard enough to blow down power poles, wind chimes, barn roofs!

Now, it's back to spring time again, with fifty degree temperatures, things greening back up and the world looking more normal.

However, the fruit trees, wild plums, all blooming things look brown and miserable. It's a cinch that there won't be much of a local fruit crop!

While we always have a cold snap in spring, this one went a bit beyond the usual.

And, whether it can be blamed on El Nino or not, I'm ready for spring time in all it's true glory. Of course, there is the little matter of our Easter cold snap that always comes!

High winds down power poles

Gary Petty of Texas New Mexico Power Company reports that high winds on Monday, March 16, caused power outages that lasted for various lengths of time.

Winds blew down two power poles, one at Bagwell and one in Johnstown. Outages were outspread from Talco to Blossom.

Talco-Bogata school board sign up nears completion

Sign up for the Talco-Bogata school board was to end on March 18, 1998. The open positions on the board are Position 2 which was previously filled by Kip Stansell and Position 5 which was previously filled by Charlie Hines.

At print time three had signed up for the Position 2 from Talco and one for Position 5 from Bogata. They are for the Position 2 at Talco, Bruce Case, Robert R. (Randy) Hollis and Jimmy Via.

Bruce Case is a lifetime resident of Talco and is the son of Buster and Sis Case also of Talco. He married the former Tammie Hare and the couple have two children, Ryan, a Sophomore at Rivercrest High School and Rachel, a Talco 7th grade student. Tammie is employed at the Talco School as a Junior High girls coach and History teacher.

Bruce is a 1973 graduate of RHS and a 20 year employee of Texas Utilities. He and his family are members of the Rivercrest Athletic Booster Club and are active in supporting all activities at the schools. His hobbies include playing golf and working with computers. Bruce said, "I am interested in seeing that the children in the Talco-Bogata school district receive the best education possible. Our children are the most important assets of our communities and they depend on us to provide them with the best teachers, latest technology and safest learning conditions possible".

Robert R. (Randy) Hollis has lived in Talco-Bogata CISD since 1979. He graduated with a Bachelor of Science degree in Agri-Business from McNeese State University in the fall of 1979. Randy is a self-employed cattle rancher. He is mar-

ried to the former Sherry Baker and the couple have two children, Shelly, who is a Freshman at Rivercrest High School and Robyn, who is an 8th grade student at Talco. Sherry is a homemaker and works along with Randy in all areas on their cattle ranch.

Randy is an active member of the Talco EMS and Volunteer Fire Department. He currently serves as Assistant Chief on the VFD and serves as Chairman of the Board for the Talco Housing Authority. He is the Girls Director for the Talco Baseball/Softball Association and serves as coach for the 13-14-15 year old girls team. Randy said, "I am interested in helping to keep the tax rate down as low as possible and in providing the best education possible for the students of the Talco-Bogata schools".

Jimmy Via is a lifetime resident of Talco. He is the son of Mr. and Mrs. James Via and is a 1980 graduate of Rivercrest High School. He graduated from East Texas State University in 1985 with a Bachelor of Business Administration degree, majoring in Business Management. He is the co-owner, operator of Via Well Service Inc. in Talco.

Jimmy and his wife Lisa and children E.J., Brandi and Amber recently moved back to Talco after living in Mt. Pleasant for several years. Lisa is a Second grade teacher at Talco School and the children are all students at Talco Elementary. The family attend the Calvary Baptist Church in Talco, are members of the Rivercrest Athletic Booster Club and Jimmy coaches the Rivercrest PIPS, Talco T-Ball and Talco Little Dribblers. Jimmy said, "I believe that a

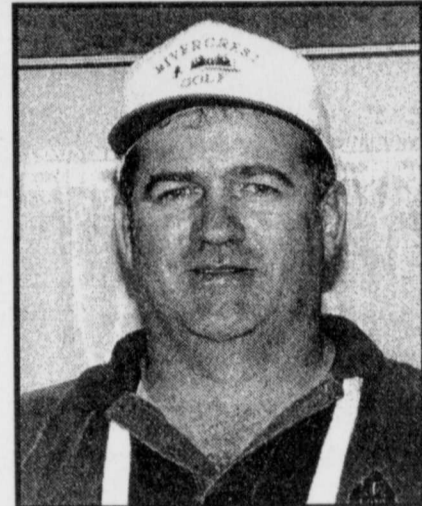

firm strong education will be the key to our future. Every child deserves the best education possible and I would like to have the opportunity to work toward keeping education at its highest level for each and every student in the Talco-Bogata system".

At print time one had signed up for the Position 5 from Bogata, Charlie Hines.

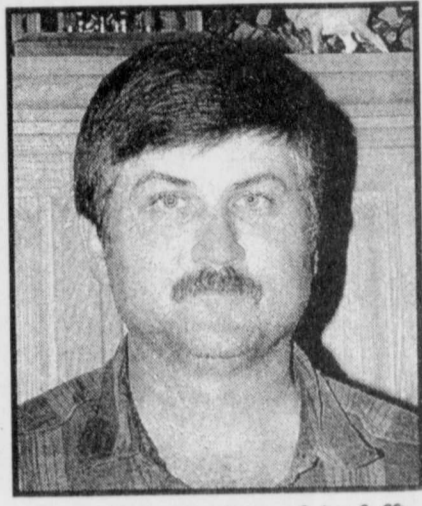

Charlie will be seeking re-election to Position 5 on the board after serving for the past three years in the position. He is a lifetime resident of the Talco-Bogata district. Charlie and his wife, Mary, have two children, Sidney and Charla. Sidney is a graduate of Rivercrest High School and is attending college at Texas A & M at Commerce. Charla is an 8th grade student at Bogata Junior High. Mary is a registered nurse and is employed at Sulphur Springs.

Charlie and his family are members of the Rivercrest Booster Club and he serves as President of the Talco-Bogata Little Dribblers along with coaching the Jammers, boys basketball team from Bogata. The family are active in school, church and community functions in both Talco and Bogata. Charlie said, "It has been a pleasure serving on the board for the last three years and we as a board have seen some difficult as well as good times. I feel at the board has some difficult times ahead and I would like to be a part of making these important decisions. My first concern is for the students of the district and the education they receive and the tax payers of the district and how best to protect their interest while providing education".

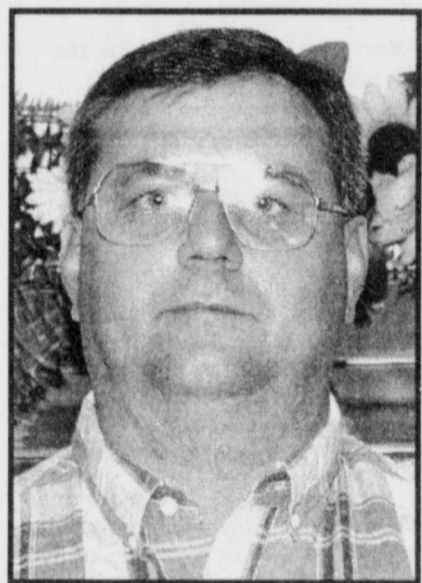

Everyone is encouraged to come out and vote in this and all elections.

Homecoming ticket response outstanding

According to this year's Bogata High School Homecoming Committee (The class of 1962) advance ticket sales-reservations, have been much higher than they had anticipated. Be sure to send your reservation in as soon as possible. Of course, if you aren't able to make advance reservations, there will still be tickets on sale at the door. The important thing is that you come on out and enjoy seeing former friends, classmates and teachers. If you don't feel like you can make it in time to eat the bar-b-q dinner between 5:30 and 6:45, just come on out at 7:00 p.m. and enjoy the program and visiting. The program should be outstanding with the Sweet Adelines performing. There will also be special awards and a

special teacher dedication.

As of right now the only class reunions we have been told about are the classes of 1941, '42 and '58. If your class is planning a reunion, please let us know as soon as possible.

Please mail your advance reservations to or call for more information: Martha Bryson, P.O. Box 851, Bogata, TX 75417, Phone 632-4057, Betty Brown, P.O. Box 141, Bogata, TX 75417, Phone 632-4430, Billie Pirtle, Route 1, Box 232, Bogata, TX 75417, Margie Walker, Rt. 1, Box 189-C, Bogata, TX 75417 or Nancy Clayton, 105 Foggy Glen, Highland Village, TX 75067, Phone (972) 317-3295. Advance reservations must be received by March 27.

Log jam study receives funding

U.S. Congressman Max Sandlin successfully secured funding authorization for a study on the eight mile long Sulphur River log jam. The study, which would be conducted over 12 months by the U.S. Army Corps of Engineers, will focus on the

impact of the log jam on local land-owners and the environment and determine the benefits of a clean-up.

The log jam is located on the Sulphur River near Hagansport, about 45 miles from Lake Wright Pattman.

Commodities will be distributed March 24 from 9 until 11:30 a.m. at the First Baptist Church on North Main Street in Bogata.

On March 20 the Talco-Bogata Junior High Track & Field team will travel to Alba-Golden for competition. The meet will begin at 3:30 pm.

Teen Day of Prayer to be observed

National Teen Day of Prayer will be Friday, April 3 at Bogata Assembly of God.

Prayer times will be 11:00 to 11:30 a.m., 11:30 to 12:00 noon and 12 noon to 12:30 p.m.

Lunch will be served after each prayer time in the fellowship hall.

Everyone in the community is invited to participate in these prayer meetings.

The Red River Valley Dixie Youthboys league will hold a coaches meeting on March 22, 1998 at the Marris Chapel Church in Rugby beginning at 2:00 pm. All Red River Valley boys coaches are encouraged to attend this meeting. Plans and rules for the coming season will be made. For information contact Keye Lee, league secretary.

There will be an Umpires Clinic for all Dixie Girls Softball umpires or those wanting to become Dixie Umpires on Sunday, April 5, 1998 at the Bogata Community Center beginning at 2:30 pm. All interested parties are invited to attend.

COOK OF THE WEEK is Betty Barber of Detroit. She is the manager of the Detroit High and Elementary cafeteria.

Country Cooking

By Liz Irwin

<http://www.1starnet.com/tp>

Our cook this week is Betty Barber of Detroit. She is married to Jackie and they have been in the Detroit area since 1979. They have two sons, Randy and Danny.

Betty enjoys going to the ballgames, any sport, and watching the kids. Detroit has had a super basketball year this year and they have really enjoyed watching the teams advance.

Betty is also manager of the Detroit High School and Elementary School cafeterias. It keeps her busy ordering and making sure the kids have tasteful, varied and delicious meals. Along with this Betty also works on the weekends at the Blossom Cigo.

She loves to cook and is like everyone else though, time does not always allow her to as much as she would like.

Zippy Cheddar Crisps sounds like a recipe that would be good with a bowl of stew or red beans or just hot out of the oven!

Pie Filling Pound Cake uses a yellow cake mix with fruit pie filling and chopped pecans.

Beef and Corn Casserole is a concoction of ground beef, onion, pepper, tomatoes and all the other good stuff and cover with frito's and cheese-scrumptious!

Picante Sauce #2 has the taste and texture of Pace picante sauce and great on everything!

Special Potato Soup is for those of you who like a good potato soup recipe.

Banana Pudding Cake-This recipe has to be good because it has bananas and instant pudding in it along with chopped nuts.

OPPORTUNITIES

War is not a subject that is easily hidden. We have different terms used to define the subject, but the casualties remain. It's been said:

"Leading a family through the chaos of American culture is like leading a small patrol thru enemy occupied territory."

What is being done to keep families from being a casualty in the battle of life? We are living in a war zone. Look over your shoulder and you will see a sniper taking aim at your son or daughter. No one has all the answers as to solving the problem. But to recognize the problem is to anticipate victory. That victory is in Jesus Christ.

Bogata Methodist Women hear speakers

The Bogata Methodist Women met Wednesday, March 11, in the Fellowship Hall. Fourteen members and guests were present.

Mary Kathryn Cotten introduced the speakers, Dub and Charlotte Mallory, from the Talco Church of Christ. They presented an interesting and informative program, discussing their native American heritage.

Several familiar Choctaw words were introduced and their meanings given. It was also interesting to learn that many of our towns and cities have Indian names.

Several theories concerning the origin of the American Indian were presented. The Mallorys explained that before the coming of the Europeans, some early Indian tribes were very advanced in mathematics and horticulture.

An interesting display of Indian articles were displayed and discussed;

a flute, a rain stick, feathers, a peace-pipe, picture story, recipe books and others.

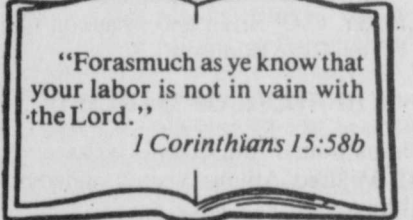

The Mallorys were dressed in the traditional dress of the Choctaws, bright solid colors with Diamond-back rattlesnake design on braid trimming. The early French explorers had an influence on the Indian dress.

A humorous story about the courtship and marriage of a young Indian maiden was read by Mrs. Mallory.

They referred to the present day Indians living in Oklahoma; their government, schools, businesses, hospitals and how they are preserving their heritage.

Their International Benefit Pow Wow will be held April 18 in Mount Pleasant.

The business session was postponed until the April meeting. The meeting closed with the dismissal prayer.

Red River County Roots

This week's query is from Karen Banta, 1459 Gamay Road, Livermore, California 94550. She is researching her great grandparents, Henry Watt Barnes (September 30, 1870-September 20, 1935) and Omata Inez (Proctor) Barnes (May 20, 1875-October 8, 1958). Both are recalled to have been buried in Tyler, but the name of the cemetery is not known. They reportedly lived in Red River County and in Avery for a time. She would be interested in hearing from anyone connected with this Barnes family.

If you would like to write to Mrs. Banta, please do so at the above address. If you have a query you would like to have placed in this column, please send it to the Red River County Genealogical Society, P.O. Box 516, Clarksville, Texas 75426

Kristen Harville
 KristenHarville celebrates birthday

Kristen Harville celebrated her second birthday Saturday, February 28, 1998. Helping her celebrate Saturday evening were her parents, Jeff and Kelley Harville, and her brother, Jacob, and David, Robyn and Candace Stansell of Mount Pleasant. They all enjoyed hamburgers and all the fixings and a Barney birthday cake. Kristen received phone calls and gifts from all of her grandparents on her birthday.

On Sunday, March 1, Kristen was given a party at the home of Drue and Billie Pirtle. Along with the hosts, her parents and brother, those attending were Robin, Kyla and Jesse Harville of Bogata and Vance and Micki Pirtle of Daingerfield.

THANK YOU!!!

Dear Supporters,
 Thank you for all your help and votes in the county judge's race in the March 10th election! The results of that election show that most of the voters in Red River County want a much needed change in the position of county judge.

PLEASE!
 Help to get the vote out for me in the runoff on April 14th!!!!

Sheila Bell Scholarships available at Texas A&M University-Texarkana

Are you interested in attending Texas A&M University-Texarkana (TAMU-T) this fall?

If so, a college scholarship may be available to you.

A gift of \$30,000 from Sheila Bell will provide scholarships ranging from \$250, to \$1,500 per year for new TAMU-T students enrolling this fall.

To qualify, the person must be a new transfer student with no previous course work at TAMU-T. The student must enroll for either an undergraduate or graduate degree or a certificate program. TAMU-T is an upper level university with courses starting at the junior level.

The applicant must complete an admissions application. Undergraduates must enroll in a minimum of six semester hours at TAMU-T or, if a graduate, must be enrolled in a minimum of three semester hours.

Undergraduates must have a minimum 2.00 cumulative Grade Point Average (GPA). Graduates must have a minimum 3.00 cumulative GPA. Graduates seeking only teacher certification must have a minimum 2.00 cumulative GPA on the last 60 se-

master hours of bachelor's course work or 3.00 GPA on all graduate level course work. The applicant must have all official transcripts from prior colleges sent to the TAMU-T admissions office by April 1. The applicant must be a U.S. citizen (or eligible U.S. citizen) and not be in default on a Title IV educational loan or owe an overpayment on a Title IV educational grant.

Deadline to apply for the scholarship is April 1.

The Sheila Bell Scholarship is available to Texas or out of state students. In addition, students from Arkansas and Oklahoma may attend TAMU-T at in-state tuition rates.

Applicants for the Sheila Bell Scholarship are encouraged to apply immediately.

For more information on the scholarship opportunity, applicants should contact the TAMU-T financial aid officer, Marilyn Raney at (903) 223-3060 or the university's recruiter Toney Favors at (903) 223-3061. To write, the address is TAMU-T, P.O. Box 5518, Texarkana, TX 75505. The university's internet address is <http://www.tamut.edu>.

The fee is \$10 per girl and all girls are invited to attend. For more information contact Johnny Swarts at 379-2191 or Nancy Brown at 379-4445.

Texas Businesses and Homeowners file property tax renditions

State Comptroller John Sharp has reminded businesses and property owners of the April 15 deadline to file their annual property tax renditions to ensure that the value of their property is fairly assessed for their local property tax bills.

"State law requires business owners and operators to submit an annual report to their county appraisal district listing any taxable property that the businesses owned or managed as of January 1, 1998," Sharp said.

"While the law requires businesses to render or report a list of their property with the option to give their opinion of their properties' value, this can also be advantageous to homeowners who want to give their opinion of their homes' values," Sharp said.

Property owners who had property damaged by a storm, flood or fire during the past year, such as the tornado that touched down in Jarrell, may file a special decreased value report that could lower their final tax bills. "If improvements haven't been made to the damaged property by January 1, 1998, you should let the county appraisal district know to do an inspection of the property to note its current condition," Sharp said.

"Property owners who render are in a better position to exercise their right as taxpayers. They ensure that the appraisal district has their correct address so they receive any notices of any actions that affect their property or tax bills."

If the tax collector cannot deliver a tax bill because of an incorrect or old address, the property owner is not only responsible for paying the taxes, but also for any late payment penalties that may be due, Sharp added.

If someone other than a property owner, owner's employee, or owner's affiliated entity files a rendition, the rendition must be notarized.

Anyone who owns or manages income-producing personal property as of January 1 is required by state law to render with their local appraisal district. An exception is a business that receives the freeport exemption for managing cotton stored in a warehouse.

"Business must report their inventories, furniture and fixtures, machinery and equipment, and other tangible personal property by filing this annual report," Sharp said. "Appraisal districts use the reports to set property values. If a property owner doesn't submit a report, the chief appraiser estimates the value."

A property owner may request additional time to file a rendition or report from the chief appraiser who may grant an extension through April 30. The owner must demonstrate good cause for an extension to be granted. The chief appraiser must grant owners of property regulated by the Public Utility Commission or the Railroad Commission an extension to April 30 to file reports and may extend the deadline another 15 days if the owners request it in writing and show good cause.

On the renditions, property owners can record their opinions of their property's value on January 1, 1998. By stating their opinion, property owners make sure the appraisal district sends them a notice, usually in April or May, before placing a higher value on their property. This notice allows property owners the time to gather information to protest the appraisal if they believe the appraisal district's value is too high.

If more than one appraisal district appraises a property, the property owners should render in each appraisal district office. One appraisal district may appraise a property for county tax purposes, while a neighboring appraisal district may appraise the same property for school taxes if the school district is in both counties.

Taxpayers may contact the county appraisal district office for the rendition forms, or they may call Comptroller's property tax hot line at 1-800-252-9121.

Protect your rights!
"Render" your taxable property by April 15th.

A "rendition" is a report to the appraisal district that lists all the taxable property you owned or controlled on January 1st of this year. The rendition form is available at your local appraisal district office...or you may draft a similar form.

Who must file a rendition?
You must fill a rendition if you own tangible personal property that is used to produce income--such as the inventory and equipment used by a business.

Are there any advantages to you?
The advantages of filing a rendition are:
*You give your opinion of your property's value. If the appraisal district believes the value is higher, it must notify you in writing of the higher value and explain how you can protest that value to the appraisal review board.

*You record your correct mailing address so your tax bills will go to the right address. If your bill is mailed to the wrong address, the law still holds you responsible for paying your taxes on time or paying extra charges for late payments.

*You can also file a "report of decreased value" to notify the appraisal district of significant depreciation of the value of your property in 1997. The district will look at your property before assigning a value in 1998.

What's the deadline?
The last day for filing 1998 renditions is April 15. Call your appraisal district for the last date the rendition may be post-marked, if mailing. You can get an extra 15 days if you ask for it in writing by the April 15 deadline.

Where do you file?
File renditions with your local appraisal district at:

NUTS & BOLTS

A couple of weeks ago we found it necessary to call 911 for the first time. We were scared out of our wits and didn't have any idea what to do. I don't know about most folks, but I feel sure they are the same way we were and that in an emergency any first aid or CPR training that they have had is immediately forgotten. All I could do was yell at my husband to wake up. I shook him and punched him a couple of times, but those procedures are probably not in any instructions manual for what to do in an emergency.

I was amazed that in a matter of three or four minutes the Bogata Volunteer Fire Department Rescue Squad was knocking on our back door. They came right on in and took care of business. They were professional and kind. They were polite and well trained. It didn't seem to matter to them that they were working in a narrow hallway with poor lighting. I was astonished to see what all they can do before the ambulance arrives. I, for one am grateful to know that such a well trained group of young people makes up our Volunteer Fire Department and Rescue Squad.

During the brief period of time they were caring for my husband

they used several types of medical equipment and supplies. These supplies and the equipment they use are very expensive. They must have training to use all of the equipment. Some of the classes they attend to learn how to better take care of patients and victims of accidents are many miles from home. The classes are not free and neither is their transportation. These people are a very necessary part of our community. We are so fortunate to have them. Please don't wait for an organized fund raiser to help them keep this work going. When you go to the bank to cash your check, donate what you can to The Bogata Volunteer Fire Department Rescue Squad. The ladies at the bank will know which account to put the money in. If you don't like to go inside the bank, use the drive-through. If you know some of the people on the squad, I'm sure they would be happy if you just hand them a check. A big donation is not necessary. Just do the best you can. You won't regret it. It could be your husband or child they are seeing about next time. Please help make sure they have all the training and equipment they need.

Hot checks continue to be a problem in our county. My office makes every effort to collect hot checks. The procedures to follow are set out in laws as given to me by the legislature and they are as follows:

The check must be presented to the bank of payment, even if you know it will not be honored, and stamped by the bank as to the reason for dishonorment.

You must send written notification to the check writer informing him or her of the reason the check was not honored. The written notice must be sent certified return receipt requested. The following sample letter sets out the information which must be included:

Dear Mr. Doe:

Your check #0000 dated February 28, 1998, in the amount of \$000.00 given for the toaster you purchased on the same date has been returned by the State Bank marked "insufficient funds" (or account closed).

You have ten (10) days from today's date to bring payment in cash, cashier's check or money order for the amount of the check plus a \$00.0 charge for handling, or this matter will be turned over to the Prosecutor's Office.

Sincerely,

Merchant

Be sure to keep a copy of this letter. If after 10 days from receipt, the check has not been paid, you must personally bring it to this office with the following:

1. The original check with bank flag or notation showing the reason it was not honored.
2. The signed return receipt from the certified letter or the letter (unopened) marked refused or unclaimed.
3. The name of the person who accepted the check and who can identify the maker.
4. Specific identification of maker, such as driver's license number, date of birth, and physical description, such as race and gender.

Bogata VFD Fire Report

The volunteers were very busy for the month of February 1998. The department responded to two grass fires, two structure fires, nine automobile accidents, eight medical calls, two falls and one fire standby for a fire at Talco. This totals seven fire calls and eighteen fire responder calls.

The department would like to notify the residents that two new back boards were purchased for the department with the money raised at the Granny and Grandpa Basketball games. Also a large portion of the money raised has gone to purchase one air pack, which is used by firefighters when they enter a building that is on fire. The City of Bogata has matched this by purchasing a second air pack. These new purchases will greatly ensure the security of patients as well as the firefighters.

Hosts needed for homecoming

Hosts for the 1999 Bogata homecoming are being sought.

If your class, family or group would like to take this job, please notify one of this year's hosts.
