And things that go
bump in the night

For many and various reasons this year, (most of them to do with finances) Thomas and I didn't take a full week's vacation this year. Instead, we headed out for the Great Smoky Mountains to see the fabulous fall foliage there.

It is a beautiful place, the smokies, filled with gurgling waters, breathtaking vistas and trees that are truly magnificent.

We had rented a little log cabin tucked away in the woods. It was absolutely perfect, with a screened porch which overhung a mountainside, a gas log fire place, hot tub and everything else anyone could want.

That night, tired from the trip to Tennessee, Thomas and I went to bed early. He went to sleep immediately. Soon, I put down my book and turned out the light. Within a few minutes there was the sound of something banging outside of our cabin! I woke Thomas up, but naturally, he didn't hear it and went back to sleep. Just as I was about to drop off the thump came again. I laid awake awhile...and sure enough, here came this bumping sound again. I finally resorted to logic and realized that no one would break into the cabin that loudly, and over that long a time, and if they had been messing with the vehicle they would set off the alarm. I half way expected to find the trash can turned over the next morning by a bear. Of course, I should have known better (trip number 6 to the Smokies and still not hide or hair of a bear, but I'm not going into that again).

We spent the entire day in the park, enjoying the glowing fall foliage. That night we came in after a late evening meal. At bed time we followed exactly the same routine. Thomas asleep immediately, myself reading a while until I got sleepy enough to turn out the light.

Fifteen minutes later...BANG...something whammed down outside our cabin. I didn't even bother waking Thomas this time. Sure enough, in a little while I began to hear the shuffling, thumping noises again. Finally, I went on to sleep, trying to think about the tale of the "ghost bear" I had read in a newspaper that evening! If it's a ghost, it can't hurt me, right!

Next day I related my story of a second night of nocturnal noises. Thomas went out prowling around and discovered that something had built a large "probably raccoon sized" nest tucked away up under our front porch. Evidently this critter was silent until we became quiet, then it was time for him to rock 'n roll!

So, when I turned out the light for the last night's stay it was no surprise to hear the "ghostly" noises begin again. When we filled out our "comment" card Thomas did mention it would be nice not to have to share our accommodations with a stranger...then explained. Now I'm worried...I hope they don't trap him or kill him...after all, from his point of view we were invading HIS home!

"To Save a Generation of Young People"

"By rewriting our juvenile justice code and making it one of the country's toughest, we're sending our children this message: 'We love you, but discipline and love go hand in hand.'"

"We now have places to send violent juveniles and disruptive students."

"And the juvenile justice system has changed from one that says to young offenders, 'it's really not your fault' to one that says 'you are going to be held accountable for your behavior.'"

"As a result, the juvenile crime rate is down."

"There's more to do."

"We should give police permission and new technology to track gangs across county lines."

"Juvenile offenders caught with guns should get automatic jail time."

"And to focus on the 6% of juvenile criminals who commit half the juvenile crimes, we should hire more probation officers and pair them with police in high-crime areas to stop and search violent juvenile offenders on probation and parole."

Card Of Thanks

A special thanks to James Wood and family for the excellent care and arrangements they made for the services of our mother, Stella Wilkinson. It was very comforting to us for them to be in charge.

We grew up in Bogata during the depression years and there was a camaraderie there that people near and far would rally, on a moment's notice, to help its people. So to know it still exists today is outstanding and it's still a great place to call home.

Thanks, out love and appreciation to you all.

Rebel junior high and junior varsity defeated

On Thursday, Oct. 15 the Talco-Bogata 7th and 8th grade Rebels and the Rivercrest JV played host to the Cooper Bulldogs teams.

The evening began with the Rebel 7th grade and the Rebels were in trouble for players with only one sub on the side-line but the team gave their all. Michael Mills and Chance Belcher played good defense for the team in the quarter but the Bulldogs managed to score one time before the buzzer sounded.

In the second the Bulldogs scored early but the Rebels were able to stop the extra point attempt. Score 12-0. Cody Cheatwood, Jeffery Abernathy, Justin Tucker and Belcher had a good defensive quarter for the team and the Rebel while holding the Bulldogs to no more scores were unable to score themselves and the half ended with the Rebels down 12-0.

The third quarter began with a 52 yd. return by the Bulldogs. Justin Tucker made the stop preventing another score. John Shade made the stop on the Bulldog 1st and 10 that prevented yardage and on 2nd down the Bulldogs fumbled. Chance Belcher recovered for the Rebels. The Rebels drove downfield on carries by Tucker and Belcher but were forced to punt. The punt was blocked and the Bulldogs again scored. 18-0 Cooper. The quarter ended with the Rebels again trying to move the ball.

Early in the 4th quarter a Rebel pass was intercepted by the Bulldogs but they were unable to score and returned the ball on downs. The Rebels could not move the ball and were forced to punt. Although the punter was knocked down with his foot half way into the kick no penalty was called and the Bulldogs took over and scored with 3:12 left in the game. A two point conversion added points and the score stood 26-0. On the Rebels final drive they fought hard. Belcher completed a pass to John Shade and the Rebels had the best drive of the game going. With :18 seconds left the Bulldogs picked off a Rebel pass sealing the score at

26-0 Cooper.

The 8th grade took the field to face a large Bulldog team in size and number. The first quarter saw the Bulldogs score early and kick the extra point through. On the Rebels first possession Justin Exum and Zach Perry played good offense but the ball was lost on downs and the Bulldogs again scored. The extra point was not good and the score stood 13-0 Cooper. The Rebels could not move the ball and the Bulldogs again scored. The extra point kick was blocked by Ryan Newton with :34 seconds left in the first quarter. With :29 seconds left on the clock a Rebel pass bounced out of the receivers hands and into a Bulldogs hands for the interception. Cooper again scored and picked up the 2 point conversion. Score 27-0. On the kick off Zach Perry returned the ball to the 46 yd. line but a fumble on the next play gave the Bulldogs the ball Heath Hinton and Ryan Newton made good defensive plays that prevented yet another Bulldog score.

In the second quarter the Bulldogs scored yet again and Jeremy Ward blocked the extra point kick for the Rebels. The Rebels struggled to move the ball and contain the Bulldogs and the half ended 33-0 Cooper.

In the third the Bulldogs scored early and missed the extra point. Although the Rebels had been put through the wringer they continued to battle the Bulldogs. A run by Josh Cabell put the Rebels in scoring position and Zach Perry took the ball in for a TD with little time left in the game. The Bulldogs stopped the two point conversion attempt and the score stood 39-6 Cooper. Neither team was able to score in the final minutes and Cooper took the win.

The Rebel JV 15 strong met the Bulldogs with 42 players. In first quarter action the Bulldogs scored early but the Rebels denied them the extra point. On the kick off #3 returned the ball to the 25 yd line. A fumble recovered by the Bulldogs was carried to the Rebel 6 yd. line. The Rebs forced a fumble and Clin-

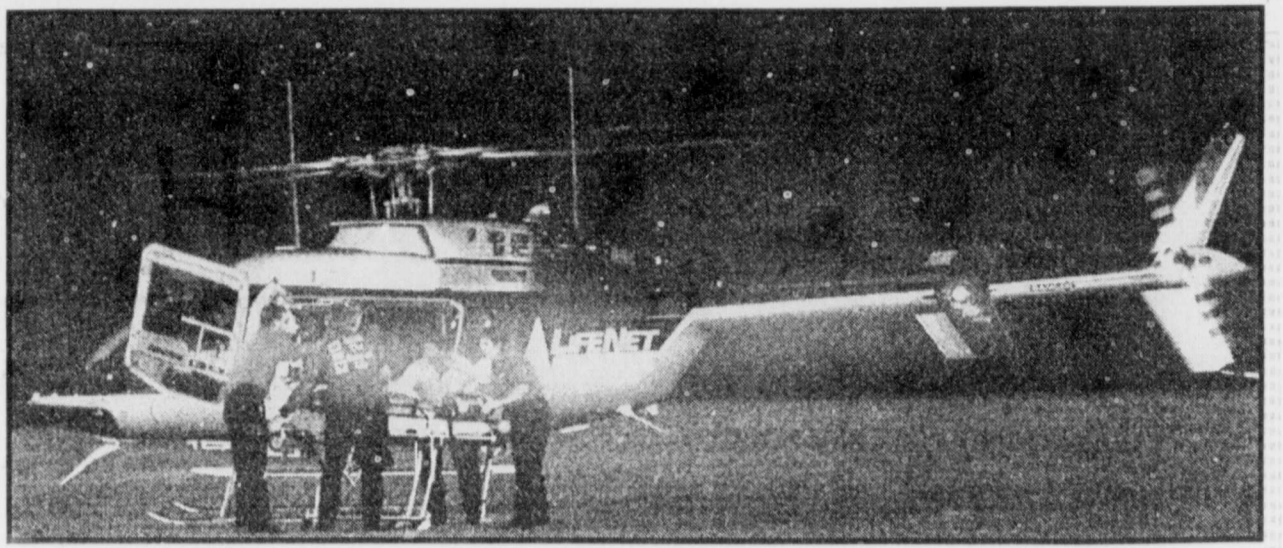

ton Cheatwood recovered for the team. The ball went back and forth on downs and with 2:07 left in the first the Rebels again fumbled and the Bulldogs took the ball in to score. The extra point was good and the quarter ended with the Bulldogs up 14-0.

In the second the Rebel drive ended on downs and the Bulldogs passed for another score. 20-0. The quarter saw both teams struggle and with 1:57 left in the half Nathan Carroll scored for the Rebels. The Bulldogs stopped the two point attempt and the half ended 20-6 Cooper.

In the third Joey Hanna struck new Rebel life with a good kick off return to the 37 yd. line. The Bulldogs stopped the drive and the Rebels returned the favor. This continued until there was 3:47 left in the quarter and the Bulldogs managed to score again. 26-0 Cooper. The Rebels next drive ended on downs but the Rebels recovered the ball on the punt sending them into the fourth quarter with the ball.

The Rebel drive ended on downs and Myron Ellis was injured on the defense and sidelined. Cooper was able to keep fresh players in throughout the game and the tired Rebels worked harder in this game than in any so far this season. With 4:13 left in the game the Bulldogs scored but were unable to add extra points. Score 32-6. Not willing to give up the Rebs drove in to score with :12 seconds left. The extra point was not good and the game ended 32-12 Cooper.

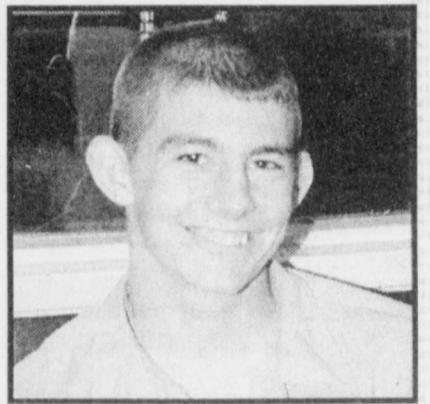

Myron Ellis who had been sidelined with a head injury was on his way with the help of the coaches, to the ambulance when he collapsed. Talco EMS members came to assist and following moving him into the ambulance decided to call for help. Life Net of Texarkana air lifted the injured player to Wadley Hospital where he was treated for a concussion. Myron is reported back at school and doing well after unintentionally giving his parents, teammates, coaches and Rebel fans quite a scare.

MYRON ELLIS- was air-lifted by helicopter from the Rivercrest football field Thursday night following a head injury he received during the game. He was taken to Wadley Hospital in Texarkana as a precaution due to low blood pressure and disorientation following the blow. He is reported back to school and doing well. Myron is the son of Sammy Joe and Velma Ellis of Talco. (Staff Photo Nancy Brown)

DR. PEPPER PLAY OF THE GAME-was made this week by Rebel Brodie Belcher. Belcher intercepted a Cooper Bulldog pass and returned it for 30 yards before being brought down. He also made a big yardage return on the kick off for the Rebels. Great job Brodie!!! (Staff Photo Nancy Brown)

Rivercrest loses 42-0 to Bulldogs

by Michael Noble

After a stunning win to open district play, the Rebels dropped their game Friday in a very rainy and muddy game, but the Rebels seemed to be affected more than their opponents, the Cooper Bulldogs.

On the first Rebel offensive play they fumbled and the Bulldogs scored. The next 2 Rebel possessions would end in the same manner resulting in 3 TD's for Cooper. The game continued to roll downhill from there.

The bright spots of the game came from an interception made by Brodie Belcher who picked up 30 yds on the steal. Aaron Martin also made some key defensive tackles for the Rebels. Michael Galloway and Chase Col-

ins also had a reception each for the Rebels.

Rivercrest looked like they were unprepared to play this game. I feel this was a wake up call for the Rebels and the team will step up and play a better game against the Prairiland Patriots next week. Although the loss was a set back the Rebels never say "never" and they are still in the running for a district playoff spot.

Friday, Oct. 23 the Rebels will host Prairiland at their Homecoming game. The queen will be crowned at 7:00 p.m. with the kick off following. Come out and show them support and enjoy the Homecoming activities. Go Rebels!!!!

Kids Under Construction met October 19 at Bogata United Methodist Church with 24 children and 3 adults present. They colored "Eating the Holy Bread" color sheets, heard the story about David and Saul in the cave, ate crackers and cheese and had cokes and practiced songs for the Thanksgiving Special.

KUC meets every Monday from 5:00 until 6:00 p.m. at the Bogata United Methodist Church.

It was in making education not only common to all, but in some sense compulsory to all, that the destiny of the free republics of America was practically settled.
