What's In A Name

Thomas and I were talking the other day about football team names in the NFL. That led us to baseball team names and we recalled an old comedy routine done by a comedian called Gallagher. He used to point out the differences in football and baseball. Things such as "football is played on a GRIDIRON, baseball on a diamond". In football you get a penalty...baseball, you make an error".

Think about all the macho football team names...the Lions, Tigers, Broncos, Eagles, Vikings, Pirates, Redskins. Of course, there are a few not so "manly". The Colts aren't too macho. And can someone tell me what a Brown is, as in the Cleveland Browns? Or do I really want to know?

But compared to baseball names it's true, they go in for tough sounding titles.

Baseball has Cardinals, Sox, Orioles, Blue Jays, Rangers, Yankees and Braves. Not the roughest, toughest, meanest sounding names on the block.

I suppose that's fitting, since it isn't the contact sport that football is.

But then we come to hockey. Now, folks, hockey is a pretty rough game. I mean, there's plenty of blood to be seen on a bad night. Or do hockey fans call that a good night? Even I, who can't be called a sports fan by any means, enjoy watching the fast paced action of people on ice skimming along body checking one another.

And what do we have for names? The Maple Leafs, the Stars, the Mighty Ducks and the Wings.

So, obviously, names don't make the game!

Local business to celebrate 50th anniversary

The Welch Gas family is celebrating their 50th anniversary this November.

The company was founded in Naples, TX in October of 1949 by R.J. "Rube" Welch, with one bob-tail truck and driver. In the same year, George Welch Sr. started a propane business in Atlanta.

The business grew over the years, and in June of 1958, Hershel Welch opened an office in Bogata to serve the Bogata area.

That same year, June Stanley was employed to man the Bogata office. In 1980, the Bogata office moved to its present location and in 1987, offices were established in Clarksville

and Mt. Pleasant.

Today, Hershel and son, Wes, run and operate Welch Gas in five locations; Bogata, Clarksville, Mt. Pleasant, Daingerfield and the main office in Naples.

Not the same business, but part of the same family is Welch Gas operated by George Jr. and Mike Welch, Jana Welch Grandberry and husband, Tommy in our other locations; Texarkana, Atlanta, Linden and Douglasville.

During the Welch Gas family's 50th anniversary, prizes and certificates for free propane will be given away in a drawing the first week in November.

This week's cooks come to us from Blossom. They are members of the Blossom United Methodist Church and make up the Blossom United Methodist Men's Club.

The organization began on February 28, 1994 when Bro. Bob Smith was pastor. James Crawford was the 1994 and 1997 president with nine members. Mike Topliff served as treasurer and secretary and the late Ed Gardiner was reporter. The 1995 president was James Graham, 1996 president was Troyal Barker, 1998 president was Harry Allbright and Mike Topliff is the 1999 president.

The men raise funds throughout the year. They recently purchased a computer for the church, a safe and other needed items. The men enjoy cooking and show this by having several fund raising events

involving food each year. In September they hold their annual stew supper. This is free to the community but they raise funds by holding a auction of various items and also auctioning off baked items.

In February they hold a Pancake Breakfast and feed a large group of area residents who enjoy this event. On Easter Sunday after Sunrise Service for the community, the men prepare a breakfast for everyone who wishes to attend.

They have also worked during the Thanksgiving season feeding the needy and distributing food baskets.

This is a very worthwhile organization and everyone appreciates the work they do and we hope you enjoy their recipes and we will see you in the kitchen!

Dr. Watson's Rum Cake-Louis Ellis-this recipe uses a yellow cake mix with extra ingredients added for more flavor!

Broccoli Cornbread-James Crawford and anything James cooks is always good!

Tortilla Soup-this is another recipe from James Crawford and will be great on these cool evenings coming up!

Country Biscuits shared by **Roger Louis**-everyone can always use a good biscuit recipe to go along with a big pan of homemade gravy!

Sock-It-To-Me Cake from **Eddy McLaughlin**-this recipe is delicious and stays fresh for several days... if it lasts that long!

Stroganoff by **Michael Topliff**-everyone knows that everything that Michael cooks is delicious... so be prepared for a great recipe!

Smile

Smiling is infectious. You catch it like the flu. When someone smiled at me today, I started smiling too.

I passed around the corner, And someone saw my grin. When he smiled I realized, I'd passed it on to him.

I thought about that smile, Then I realized it's worth, A single smile, just like mine, Could travel round the earth.

So, if you feel a smile begin, Don't leave it undetected, Let's start an epidemic quick, And keep the world infected!

PLANNING FOR THE
MILLENNIUM

How Year 2000 Fraud works

The first thing a con artist often does is persuade consumers that Year 2000 computer problems will create havoc on our economy. They may describe frightening scenarios of banks shutting down, leaving account owners empty handed and unable to recover funds from their accounts or investments in IRAs and Certificates of Deposit.

Con artists may also warn about problems affecting other sources of income such as government assistance or investments in the stock market. Fearing the elimination of social security, Medicare, or their hard earned retirement dollars.

Common schemes con artist use to swindle money:

- * Convincing consumers that the dire predictions regarding loss of financial security due to Year 2000 problems are true.
- * Persuading consumers to invest in "special" or "secret" products, companies, or accounts that will generate tremendous profits.
- * Advising individuals to withdraw their money out of banks, credit unions, or other financial institutions and turn it over to them for "safekeeping"

Tips and warning signs to guard against fraud

- * NEVER give out account information or credit card numbers to someone unless you're certain they are trustworthy. Thieves can appear very sincere and friendly. And they can be very persuasive. All they need is your account number to empty all the money out of your account.
- * Don't enter into a deal if you're being pressured to act immediately.
- * Be wary of people posing as bank officials, police officers, or other government agents who ask you to assist them in an investigation or audit of your financial institution. You may be asked to withdraw cash or give out your account information. No legitimate official would ask a consumer to participate in this type of investigation.

NURSING HOME ABUSE
As for-profit corporations have taken over the nursing home market in Texas, the motivation to make bigger and bigger profits has slowly drained resources away from patient care. In fact, a GAO Report disclosed in a Congressional investigation in March of 1999 found that 40% of nursing homes (in California, Texas, Pennsylvania and Michigan), cited for patient abuse and neglect, were repeat offenders in recent years. As a result, Texas has seen a wave of injuries and deaths involving nursing home neglect and abuse.
If you, or your loved ones, have been a victim of nursing home abuse, you might have a claim against the nursing home for negligence. The Schmidt Firm is proud to announce its experience in cases arising out of nursing home abuse. For more information on our firm, please visit our website at www.schmidtlaw.com. Cooper Bulldogs sweep Rebels

The Cooper Bulldogs who are picked second of our district came to Rebel stadium on Friday night to make the Rebel-Bulldog football matches a clean sweep for Cooper.

On Thursday the Rebel Junior High and Junior Varsity traveled to Cooper to suffer losses of 31-0 and 54-12 and the Dogs took no prisoners on Friday night defeating the Rebels 55-0.

The one highlight of the game for the Rebels came when Clinton Cheatwood intercepted a Bulldog pass and

returned the ball 22 yards before being brought down. A usual strong Rebel defense simply could not control the line and the Bulldogs scored at will with their speedy running backs. Both the Rebels and the Bulldogs have yet to face the state ranked Paul Pewitt Brahams but on Friday, Oct. 22 the Bulldogs will meet the Brahams and will possibly know how the Rebels felt at their big loss to Cooper. The Rebels will travel to Prairiland to meet the Patriots. Go Rebels!!!!

The Rivercrest Rebel Band and Band Boosters will kick off their fall fund-raiser on Monday, Oct. 25. The group will be selling Precious Moments candles in various scents such as baked apple, honeydew and mulberry.

The candles will be \$6.00 each and all proceeds will go toward the Band Booster Scholarship Program as well as helping to pay for the various play-

ing festivals the students will be attending in the spring.

The fund-raiser will run for 2 weeks and will end on Friday, November 5, 1999. Your support will be appreciated. For more information or to place an order contact any Rebel Band student, Booster or Band Director, Clayton Taylor at Rivercrest High School 632-5204.

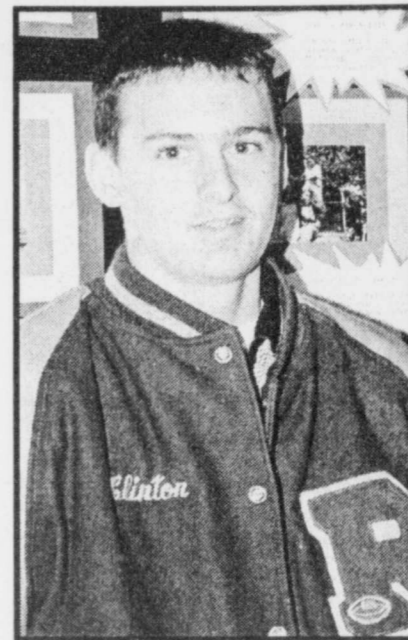

Rebel band attends marching contest October 9

On Saturday, October 9, 1999 the Rivercrest Marching Band traveled to Texarkana to participate, along with other bands from the Northeast Texas/Arkansas area, in the annual 4 States Invitational Marching contest.

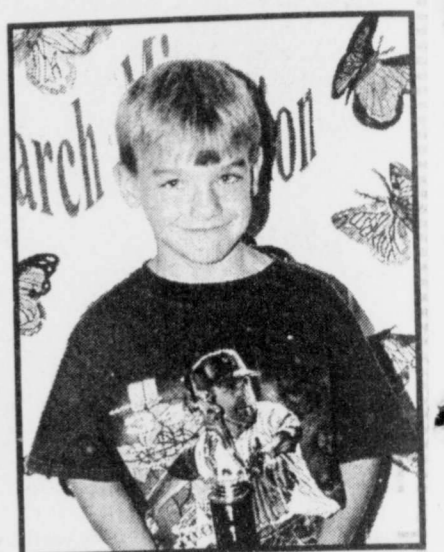

The band and percussion section made outstanding showings by receiving an Excellent rating for their performances. In addition, the Rebel Flag Corps as well as the drum major received Superior ratings. "I am so proud of the effort as well as the pride that the students have shown this season", director Clayton Taylor said. "All I heard from people and other band directors that I talked to on Saturday was how knocked out they were at the way the students performed their show. I take real com-

fort in the fact that these students, the majority of which are Junior High, can compete on the same level as many of the area Bands that only march High School students".

Attending and participating in the contest were Rebel Band members Kissern Munns, Cody Winniford, Kirk King, Stephanie Carroll, Cassie Perry, Justin Tucker, Jonandrea Crane, Pearl Ponthieux, Kristy Riffle, Danielle Varner, Heather Cox, Kristen Simmons, Kacey Van Deaver, Kerri Simmons, Melissa Waller, Jessica Forsyth, Nikki O'Donnell, Kacy Harper, Stephanie Carpenter, Mindy Riffle, R.C. Pitts, Misti Tucker, Keith Perry, Laurissa Borders and Linda White.

DR. PEPPER PLAY OF THE DAY-this week was made by Rebel, Clinton Cheatwood who made an interception and 22 yard run for the Rebels as they competed with the Cooper Bulldogs Friday night. Clinton is the son of Mr. and Mrs. Ricky Cheatwood of Bogata. Way to Go Clinton!!!! (Staff Photo Nancy Brown)

FIRST PLACE-Brady Kennedy earned a first place trophy in the baseball skills competition at the Titus County Fair recently. The competition included pitching, throwing and hitting. Brady is the son of Ricky and Kelly Kennedy of Rivercrest Heights. (Staff Photo Nancy Brown)

Rebel beauties compete at Rivercrest Oct. 12

The Rivercrest Rebel Band and Band Booster Club sponsored a Beauty Contest to determine the 1999-2000 Miss Rebel. The catch was all the entries were male. The ladies? were judged on evening wear, talent and their answers to questions chosen just for them. Serving as judges were Principal, Keith Brown, Counselor, Kay Kennedy and parent, Phillip Hinton.

Prior to the evenings activities a spaghetti supper was served in the school cafeteria. Guest enjoyed spaghetti, salad, garlic bread, tea and dessert plus the pageant for only \$4.00 per adult and \$2.00 per student.

Back stage was a busy place before the competition began. Rachel Case, Jill Foster and many others helped the entries with their make-up and hair do's and as the curtain rose Rebel Drum Major, Cassie Perry and Rebel Flag Corp. member Jonandrea Crane introduced the entries.

There was Glamorous Gail (Scotty) Goodwin, Krazy Kandy (Kirk) King, Teeny Tiny Tina (Luis) Torres, Terrific Tisha (Jason) Thomas, Hyper Heather (Jayme) Haley, Angelic Amanda (Coach Jeremy) Abshier, Princess Penny (Dustin) Perry, Extraordinary Emily (Justin) Exum, Outrageous Olivia (Coach Brandon)

Oats, Cutie Chrissy (Nathan) Crane, Wild Wilma (Jared) White, Cool Chelsey (Ryan) Case, Trusting Teresa (Justin) Tucker and Precious Paige (Keith) Perry.

The competition was fierce in the evening wear category. And in the talent category the competition stepped up a notch. Hyper Heather Haley performed to "Hit Me Baby One More Time" and drew tremendous cheers from the crowd; Extraordinary Emily Exum performed "Feel Like a Woman" and drew whistles and cheers from the crowd; Wild Wilma White, Cool Chelsey Case and Terrific Tisha Thomas performed a Dixie Chick tune and the leggy Wilma gave the crowd a peak while Cool Chelsey tossed her long blond hair and Terrific Tisha added a wiggle to her dance steps drawing a roar from the crowd. Angelic Amanda Abshier, Outrageous Olivia Oats, Teeny Tiny Tina Torres, Glamorous Gail Goodwin and Cutie Chrissy Crane performed the Chicken Dance and Cutie Chrissy added some wonderful break dance moves to keep the crowd cheering and the Red Hot Mamas band sent the crowd wild as they played Proud Mary and it was sung by Princess Penny Perry. Playing guitar were Trusting Teresa

Tucker, Krazy Kandy King and on drums was Precious Paige Perry.

The question and answer portion of the program left the contestants speechless on more than one occasion with such questions as "What would you do if you got a run in your panty hose?"

The judges decision was a hard one. Last year's Miss Rebel was called to the stage to crown the 1999-2000 Miss Rebel, Cutie Chrissy (Nathan) Crane who received a crown and trophy. Winning the evening wear competition was Extraordinary Emily (Justin) Exum who also received a trophy and winning the talent competition were the Red Hot Mamas, Precious Paige (Keith) Perry, Princess Penny (Dustin) Perry, Krazy Kandy (Kirk) King and Trusting Teresa (Justin) Tucker.

The Rebel Band members and Band Boosters would like to express their appreciation to everyone who participated and attended the event. A special thanks is extended to the young men who so bravely performed and to their coaches who got right in there and performed with them. The event raised \$457.00 after expenses. The proceeds will be used toward the Band Senior Scholarship for this year and to help send the Rebel Band to various competitions in the spring.

SWAYING THE JUDGES-votes in the Miss Rebel Beauty Pageant held Tuesday, Oct. 12 at RHS was Wild Wilma (Jared) White. Wilma who is well over 6 foot had a lot of leg to show. (Staff Photo Nancy Brown)

OUTRAGEOUS OLIVIA-(Coach Brandon) Oats showed a little leg as she? strutted her stuff in the Miss Rebel Beauty Pageant held at RHS on Tuesday, Oct. 12. Unfortunately, Olivia was not crowned Miss Rebel she was defeated by Cutie Chrissy (Nathan) Crane. (Staff Photo Nancy Brown)

EXTRAORDINARY EMILY-(Justin) Exum performed "Feel Like a Woman" for the crowd in the Miss Rebel talent contest. Emily really had extraordinary assets. (Staff Photo Nancy Brown)

ANGELIC AMANDA-(Coach Jeremy) Abshier was stumped during the question and answer portion of the Miss Rebel Beauty Pageant held Tuesday at RHS. It seems Amanda's favorite pastimes may be shaving her legs and painting her nails when she isn't coaching Rebel football! (Staff Photo Nancy Brown)

Cuthand youth enjoy trip Oct. 16-17

The Cuthand United Methodist Church youth took a trip on October 16-17 to the Metroplex area. The group shopped at Grapevine Mills Mall and Bass Pro Shop on Saturday then traveled on to Ft. Worth. Saturday night the group went to Glenrose to see "The Promise", a musical play about the life of Jesus. They stayed overnight in the home of Dennis and Joyce Purviance. On Sunday morning, the youth attended services at the Church of Burleson. Sunday night they went to a dramatization and real life ministry which was called "The Living Hell". This dealt with real life scenes and decisions that teens have to make in their lives and the consequences of those decisions. Attending and enjoying the trip were: Craig Eudy, Matt Simmons, Brodie and Beckie Belcher, Caressa Covington, Kayla Belcher, Chance Belcher, Zach and Jeremy Ward, Chris Cannon, Dale and Sara Alsop, T.J. Williams and Lonnie Sheffield. Sponsors for the trip were Jim and Stephanie Purviance and John and Kristi Purviance. The youth would like to thank all those who helped make this trip possible by buying raffle tickets and donating to the car wash. Special appreciation is expressed to Stewart and Sherry Williams and Dennis and Joyce Purviance.

PASf raffle reported successful

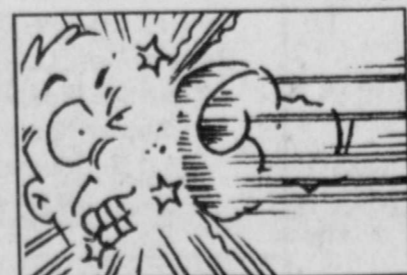

The Rivercrest Pan-American Student Forum recently held a raffle for a chance to win either a 3 CD player stereo or a 25" television. The group sold \$428.00 worth of tickets. Margaret Haynes of Rivercrest Heights was the winner of the stereo. Mrs. Haynes was so kind and thoughtful to the Spanish Club because when she was contacted about winning the drawing, she stated she did not need the stereo and would like to leave the money it would take to buy the stereo in the Spanish Club fund. The group would like to send a huge thank you to Mrs. Haynes for her generous decision and to everyone who participated in the fundraiser.

ICA testifies against Canadian cattle

Chuck Kiker, President of the Independent Cattlemen's Association of Texas testified recently before the International Trade Commission in Washington, D.C. The hearings before ITC were the result of a Countervailing Duty and Antidumping Duty petition filed last year by the Ranchers-Cattlemen Action Legal Fund and ICA against the Canadian cattle industry. "We are here because our industry is in great trouble and because dumped cattle from Canada, in excess of one million head and nearly \$1 billion dollars annually, are significantly contributing to our industry's troubles," said R-CALF President Leo McDonnell, Jr. Since petitions were filed last October, live cattle imports from Canada are down by more than 25% and prices in the market are up pretty strong. The U.S. Department of Commerce has issued a preliminary ruling in favor of R-CALF and ICA and has been collecting tariffs on Canadian cattle since July 1. The final ruling by the ITC is expected on November 8, 1999.

Bogata fourth graders enjoy annual egg drop

Bogata Elementary's Annual Egg Drop contest in fourth grade was held Friday afternoon, Oct. 15. Participants brought entries with these criteria: the egg had to be visible; weigh as little as possible; could not have a parachute and had to be raw or untreated. Nine entries survived the 25' drop. They belonged to Taylor Anderson, Colton Crawford, Kaylee McIntire, Aaron Rolan, Jordan Stafford, Ethan Tucker, Colby Horn, Jessica Thompson and Sarah Jean. First place went to Jessica Thompson;

FOOT
NOTES

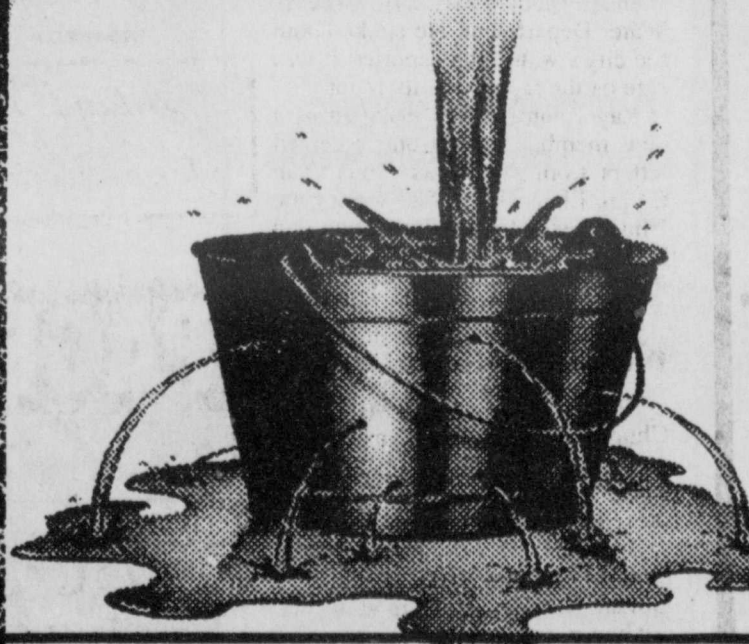

Dr. Austin Reeves

LEG LENGTH DISPARITY
Short-leg syndrome refers to an array of foot, leg, knee and even low back pains caused by one leg being shorter than the other. People are right and left-legged just as they are right or left-handed; usually, the dominant leg is the longer one. Frequently, the shortening is not in the thigh or shinbones, but in the area below the ankle, caused by a weakness in the foot. Once the podiatrist diagnoses this condition, he or she can correct the discrepancy with the use of heel lifts, arch supports or other orthotic devices. These corrective measures most often provide relief for the long-standing aches and pains this syndrome causes. The condition often exists in the absence of any symptoms.

If you would like to learn more about leg length discrepancy, the innovative technology now available in the practice of podiatry to treat a full range of foot problems, or if you have other questions regarding the care and treatment of your feet, we invite you to call us at DOCTOR'S FOOT CLINIC, 784-5585. Here we are continually updating our education, skills, procedures and equipment in order to better serve your needs.

OFFICE LOCATED AT
3605 N.E. LOOP 286, STE 1800
PARIS, TEXAS

P.S. Curiously, the symptoms are usually more pronounced in the longer rather than the shorter leg.

A person can donate blood every eight weeks

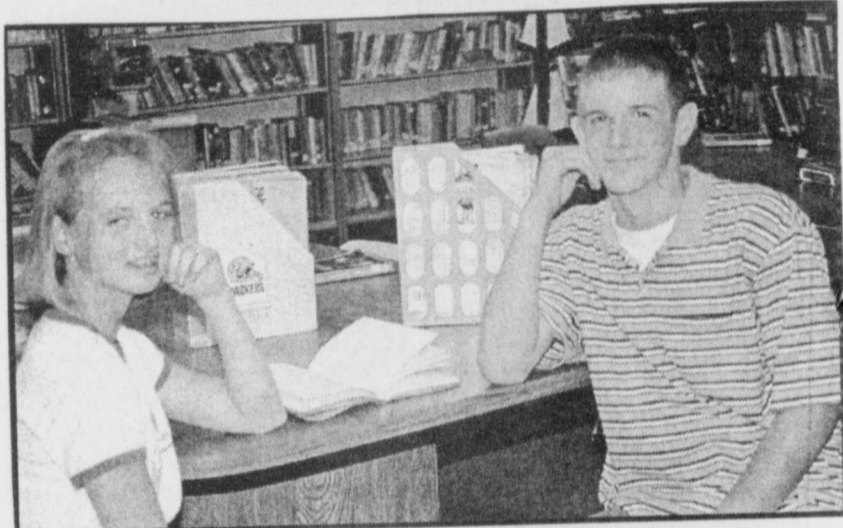

A person can donate blood every eight weeks. Also, there is no age limit to donating blood. A person must be at least 17 years old and in general good health.

Stewart Blood Center will never turn a donor away because of an adequate supply of their particular blood type. One unit of blood has a shelf life of only 42 days. Stewart needs to have a surplus of all blood types. Ideally, a three day supply of blood needs to be maintained in stock.
