

Fisher And Burns To Be In Judge Runoff

The contest for Lamar County Judge will require a run-off as election results came in Saturday night, leaving incumbent Brady Fisher with 31 percent of the vote, candidate Robert A. (Bob) Burns with 49 percent of the vote, and Ray Spencer with 20 percent. Only a little over one-third of the county's registered voters went to the polls.

Fisher commented Monday morning that "I want to thank my friends and supporters in helping with this campaign. Obviously, I have a

vigorous challenge ahead for us for the next month. I'm the underdog...but then, I've been the underdog before. We'll give it our best effort and hope the public will respond to that and select the candidate that they believe is the best qualified for the job."

Burns read a statement after the Saturday night results were in, but apparently has an unlisted telephone number and was unavailable for comment Monday morning.

Ray Spencer was unavailable for comment, due to business reasons.

Linda Sudduth received 4,038 votes to 3,981 for opponent Brenda Baird to capture the Lamar County Clerk's office.

Both of the commissioner's races ended in run-offs, Precinct 2 and Precinct 4. In Precinct 2, Maxie Wofford and Ronald Dockrey will oppose one another, and Commissioner James C. (Dode) Wheel and Victor

Easterwood will battle for the Precinct 4 position.

County Treasurer Latricia Miller and District Clerk Tommie Duke were re-elected in their unopposed races.

Lamar County went along with the rest of the state in supporting Gov. Mark White, White carried the county by 2,586 votes. Don Crowder was second with 2,339 and Briscoe third with 1,251.

Lamar County went with incumbent Lt. Governor Bill Hobby; incumbent Ag Commissioner Jim Hightower; John Sharp for Railroad Commissioner; Oscar Mauzy for Place 1 Supreme Court; Jay Gibson for Place 4 Supreme Court; Rusty Duncan, Place 1 on Court of Criminal Appeals.

A total of 8,278 votes were cast in the Democratic Party Primary.

On the Republican ballots, voters

supported David Davison for Lieutenant Governor; Roy Barrera Jr. for Attorney General; M.D. Anderson Jr. for Land Commissioner; Bill Powers for Agriculture Commissioner; Ed Emmett for Railroad Commissioner; Charles Ben Howell for Place 1 Supreme Court; John L. Bates for Place 4 Supreme Court and Bill Clements for Governor.

NICHOLS' WORTH

By: Nanalee Nichols

Thomas and I have visitors until the 16th of May. They flew in from London, England last week. We are all having a wonderful time, in fact, we plan on letting them write the column next week.

There are, of course, some definite problems in communication.

Biscuits, for instance. A biscuit to us is a bread, best served with gravy or butter and jelly. (By the way, a jelly is what we call Jello...what we call jelly they call jam.)

To them, a biscuit is what we call a cookie.

Desserts are sweets...and tea, to them, means only one thing...a properly prepared cup of hot steaming tea, laced with milk and often sugar.

Only Russians, they smile, take lemon in their tea. Our passion for iced tea eludes them completely. They keep asking for tea in restaurants, and I keep calling the waitress back to specify HOT tea for them.

They look with something akin to tolerance at our single measly tea bag and slices of lemon, then send for the cold milk. Coffee, they say, is presented with hot milk...hot tea with cold milk.

I'm proud of myself. I think I've acquired a new skill. I've learned (or at least they are being polite enough to let me think I've learned) how to make a genuine English "cuppa".

One first takes a tea pot, preferably earthenware, and sets it out while water boils in the kettle. Boiling water is then poured into the pot to heat it, while the rest of the water continues to boil. We don't have a tea cozy around our place, they make do with wrapping a towel about the pot. When the pot is warmed, one puts in a spoonful of tea for each cup desired, plus one for the pot. (No one has explained to me what the pot does with it!) Boiling water is poured over and the entire pot is allowed to "infuse". Of course, to us, that is brew!

The cups are set out on saucers, and milk is added BEFORE pouring tea into the cup. Then the sugar is dish-ed out and the entire liquid stirred carefully.

Surprisingly, the stuff is good, even to one who grew up on iced tea without any sugar at all.

The only thing that keeps dodging MY grasp is how they can drink it after coming in from the sun! They, of course, can't understand how we drink that weak, watered down stuff over ice.

I keep wondering if the whole thing didn't come back about the Boston tea party...I've determined not to do things like the British anymore!

At any rate, if my lessons in scone making turn out well, and I can learn to create cucumber sandwiches, I may very well open a genuine English Tea Shop, how would THAT be for a daring business venture?

Fisher And Parker Host Seminar

Lamar County Judge Brady Fisher and Sheriff Jim Parker recently hosted a Crime Victims' Seminar at the Lamar County Courthouse.

The seminar was attended by area law enforcement officers, prosecutors, judges, commissioners, and others involved in the criminal justice system.

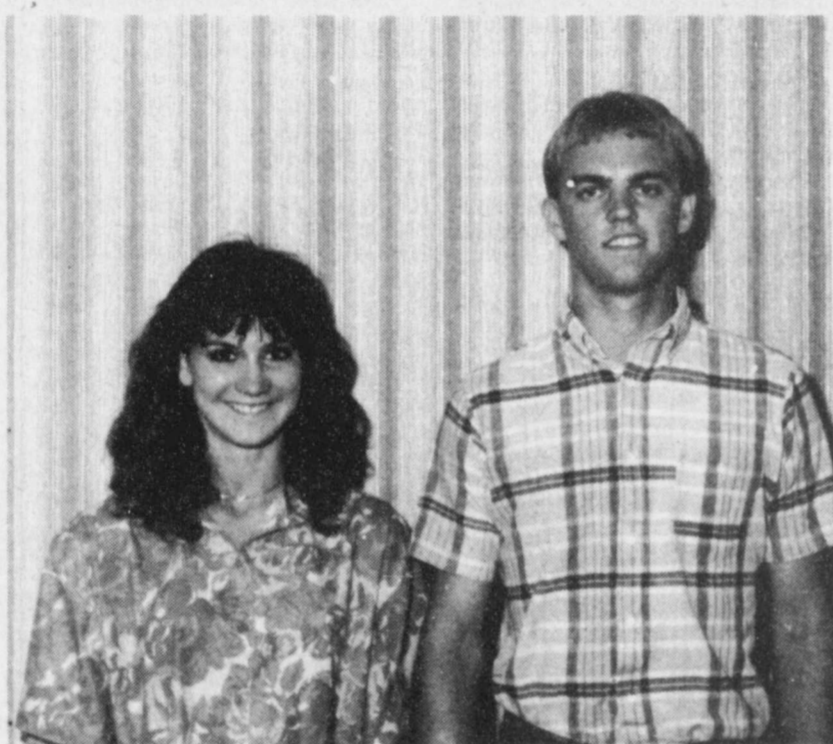

Staff from the Texas Attorney General's Office provided the infor-

mation and materials. They advised the audience of the state's program for providing assistance to victims of crime involving personal injury. They highlighted the background of the program, the procedure for application, and recent changes in the controlling statutes.

County Crime Stoppers Pays First Reward

Lamar County Crime Stoppers Inc. is preparing to pay out its first \$1,000 reward.

On Thursday, the Lamar County Grand Jury indicted Jerry Lee Burns, 23, of Pattonville, for the mid-February burglary of Bill Kennedy's Furniture and Designs. Burns, a former employee of the store, was arrested Friday morning.

The information that led to Burns' arrest and indictment came through an anonymous tipster who called the Crime Stoppers hot line after learning authorities were looking for more information on the offense.

The tip came in on Tuesday after the area radio stations and newspapers publicized information

about the incident through Crime Stoppers Crime of the Week program.

Paris Police Investigator Karl Louis said Burns had long been a suspect in the case, but until the additional information was received, "we could never nail him down".

After Burns was arrested, police recovered a number of the items taken in the burglary.

Weekly, Crime Stoppers publicizes an offense and asks persons with knowledge about the case to call in anonymously to report the information. If the information comes within a week after the case is publicized, and the information leads to an arrest and indictment, the tipster earns \$1,000.

Pats Stretch Record To 11-0

The Prairiland Patriots traveled to Daingerfield Tuesday afternoon and stretched their perfect district record to 11-0 as they defeated the Tigers 5-0.

In the top of the first inning, Joel Ballard got the Patriot offense rolling with a one-out single over third base. After Scott Scudder advanced Ballard to third on a fielder's choice, John Dusenberry hit a single to left to score Ballard and give Prairiland a 1-0 lead. Then, Heath Kennedy hit a single to center field to score Jeff Morrison, who was pinch running for Dusenberry and Prairiland led 2-0. The inning ended on a Chris Sparks groundout and the Patriots led after half an inning 2-0.

With Scott Scudder pitching for Prairiland and a pitcher on the mound for Daingerfield, runs proved to be few in the game. However, in the third inning, the Patriots got an insurance run. After Ballard grounded out, Scudder hit a single to center field, stole second, and advanced to third when the Tiger catcher threw the ball into centerfield. Then, after Dusenberry got out, Kennedy stroked a single to left to score Scudder and give the Patriots a 3-0 lead. The run, Kennedy's second to be driven in, was the final run of the inning.

In the fourth inning, Craig Burns led off the inning with a walk. After Mike Blackburn and Mike Connot hit into force outs, Ballard hit a single to left field to score Connot with the help of a few Tiger miscues. Then, Scott Scudder hit a double to right field to score Ballard with the fifth and final run of the game.

Scudder pitched yet another masterpiece as he yielded only two hits over seven innings. With Daingerfield just trying to make contact with the ball, Scudder had a low game for him with seven strike outs. All of the other 14 outs were infield outs with Scudder and first baseman Mike Blackburn teaming up for some good plays. Heath Kennedy led the Patriots in hitting going 3 for 3 with a walk and Ballard and Scudder each went 2 for

4. Lady Friday afternoon at Prairiland, the Patriots swept their second game against the Bears in 1986 with a 7-2 victory in front of numerous fans.

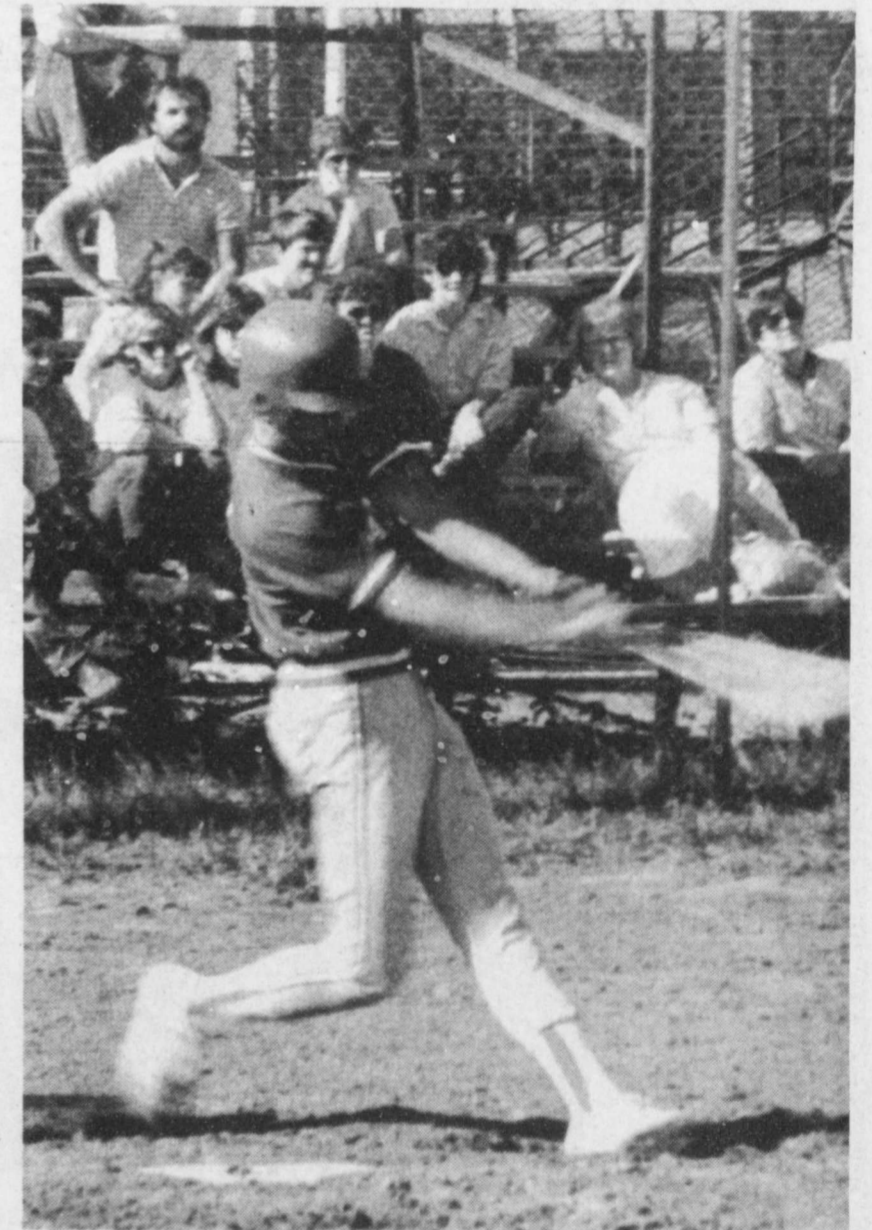

Joel Ballard started off the first inning with a one-out walk and came around to score the first run of the game when Scott Scudder followed with a single to left. After Dusenberry walked and Kenney reached on an error, Sparks singled in Dusenberry for the second run of the game. Then, Tony Duncan came through with a single to drive in Kennedy and Sparks for the final runs of the inning.

Neither Scudder, who was pitching for Prairiland, or the Mt. Vernon hurler gave up another run until the bottom of the third inning. After Scudder flew out to right, Dusenberry walked and his pinch runner, Jeff Morrison, stole second and moved to third on a Kennedy-hit ball. Chris Sparks followed with an infield single to score Morrison and the Patriots led

5-0. The final Patriot runs of the inning as well as the game came when Duncan followed with a double to right centerfield to score Kennedy and Sparks with the 6th and 7th Patriot runs.

Mt. Vernon's only two runs of the game came in the fifth inning. Sandwiched between three Scudder strike outs in the inning was a batter hit by a pitch and a two-out homerun which scored the hit batter as well as himself. However, the Purple Tigers offense could not score again in the game and they fell to the Patriots 7-2. Scudder got 15 strikeouts enroute to the win and Duncan went 3 for 3 at the plate with four runs batted in. Other hitting stars for the Patriots were Scudder, who went 2 for 2 with a walk and Sparks, who went 2 for 3.

The next Patriot game will be a 5 o'clock encounter with the DeKalb Bears in DeKalb on Friday before closing out the home games with a 4:00 game with Paul Pewitt on Tuesday.

BATTING and Pitching, plus everything else right! The Prairiland Patriots remain undefeated in district competition

baseball, as they roll on towards what they hope will be yet another District Championship. (Staff Photo by James VanDeaver)

Allen Resigns

Prairiland head football coach Mike Allen has resigned to take a job as head football coach and athletic director at Lexington High School in Lee County.

Allen compiled a 9-11 record as the Patriots' head coach during the past two seasons, which included a 6-4 record during 1985, the best record for a Prairiland football team ever.

Lexington is a Class AA school which finished with a 5-5 record in 1985 and a 6-4 record in 1984. The War Eagles reached the state quarter finals in 1978.

Prairiland FHA Members Attend Meeting

Representatives of the Prairiland Future Homemakers of America Chapter attended the 1986 state meeting along with 7,000 members and advisors from Texas "FHA

HERO: A Texan Tradition" theme of the meeting held in Dallas Convention Center, April 25-26. Attending from Prairiland were Mandy Graves, president; Traci

Daugherty, fourth vice-president; Kaye Jones, Parliamentarian and Sandra Graves, advisor. Members celebrated the state's sesquicentennial and the beginning of the association's 41st year. Keynote speakers and presentations by FHA highlighted the two day conference. Interest sessions on elderly, leadership skills, nutrition, self-improvement, computers and employability were held.

The business of the Texan Association was conducted during the House of Delegates session Friday evening. Recognition of the proficiency events and installation of the 1986-87 state of-

ficers climaxed the Saturday evening session.

Mark Hardy, youth director of Immanuel Baptist Church spoke to the Prairiland FHA in April. He spoke on dating and picking your marriage mate. He explained three kinds of love eros, phile and agape. Mark also played the guitar and sang a couple of songs for the Prairiland FHA.

The next activity for the Prairiland FHA will be their annual pizza party in May.

BASKETBALL awards at Prairiland High School, given last Friday at the annual banquet, went to Deana Watson, Most Valuable Player in girl's basket-

ball; Scott Scudder and Joel Ballard, who shared Co-Most Valuable Players honors in boy's basketball. (Staff Photo)

Appreciation Dinner For Buyers Upcoming

By John R. Senter
AT long last we have finalized the plans for the Junior Livestock Show buyers Appreciation Dinner.
It will be Tuesday, May 20 at 7:30 p.m. at the Paris High School Cafeteria.
In an effort to minimize costs for this event, the association has asked that: the steer and broiler folks bring a dessert; lamb exhibitors bring cole slaw; pig exhibitors bring potato salad. We are expecting about 300-400 people for this event, so it is important that each of us do our part.
I have picked up all the photos and have them ready for you to come by and pick up at your earliest convenience.
You will need to do three things before the banquet and they are all super important. Pick up and frame your buyer's photo. Prepare your particular, needed dish and call the buyer of your animal and make sure to remind and invite them and their family to the banquet.
This show and sale could not survive without the help that 4-H and FFA receives from the buyers. Let's make sure they know we appreciate their support.
On May 1, the County Council met to discuss summer plans and elect next year's officers. The officers are: president, Shannon Clinkenbeard; first vice-president, Gina Satcher; second vice-president, Brian Payne; secretary, Keith Preston; treasurer, Kristi Mashburn; reporter, information chairman, Mendy Norwood; Parliamentarian, Jesse Sandes and past chairman, Melissa Payne.
This is a super group of officers and the coming year should be great. All these folks will take office September 1 of this year and when that happens, 1987 could be the best year Lamar County 4-H has seen.
If you see these folks, them congratulations!
