

Dry April, Wet June, Keep Agriculture Off Balance

With the promise of heavy rains in sight, hay producers are keeping a "weather eye" to the hazy skies while meteorologists have flatly announced that "it will rain across Texas this week".

After the driest April ever recorded, it seems that June may turn out

to be more April-like rainfall wise, than has been recorded in many a year.

Although this area has so far escaped the serious flooding which has created havoc across much of the state, heavy rains have packed the earth and the combination of low

April and May rainfall and the late freeze have created some serious shortages.

Wheat producers have found their harvest yield reduced in some cases to marginally being worth the combining.

The late freeze combined with the

immediately following drought has damaged the heads so that they have little weight and few grains.

Soybeans and milo look, at this point, excellent, but cotton is requiring heavy poisoning. Insects, as anticipated, are heavy.

Home gardeners report skimpy

results with onions and early produce, but say that okra, tomatoes and beans and squash are doing well.

Hay producers have discovered that their first cutting is depleted, the grasses have height, but being thin. Most meadows are cutting out distinctly short of last year's average.

Whether the June rains will provide a remedy for this shortage remains to be seen.

In the meanwhile, cool night temperatures and humid days continue and the area continues to wait and see just how much rain will be dumped on them.

NICHOLS' WORTH

By: Nanalee Nichols

Money...everyone wants some, everyone has some...large amounts, or, more usually, small amounts.

After glancing through the Dallas paper the mother morning, I noticed all the amounts of money in the news stories. Contra money, bribe money, money that through scandal on TV ministers, money gained through drug sales...money, money and more money.

What really struck me was the realization that there are two KINDS of the stuff. There is the variety that is real, the amount of money in checking accounts, in billfolds and purses, in kid's pockets. There are the very real amounts it takes to pay off loans, run businesses, buy homes and property with.

Then there is the other kind...the kind that governments, politicians and that handful of BIG business know about.

The amounts range in the thirty million, ten million, five million range. The numbers are difficult to write down, we don't deal with them enough!

These amounts run big businesses, are used to influence people, buy the rich expensive toys, and help feed the starving.

Then there is the money that makes 30 million look small. Three BILLION dollars, multi-billion dollars...a bewildering figure that looks like a freight train full of zeroes when written down.

Can anyone truly conceive of that kind of money? No matter whether it is written in the paper or on the contract, some oil magnate signs...is it truly REAL to us?

A billion dollars can be spoken of, it can be written down, it can be seen at Ft. Knox in gold form...but for the average person it is a fleeting image, as illusive as mist.

The dollar a kid pays for a coke with is more realistic than that billion!

And perhaps that may be the problem...perhaps that is why this nation and every other has super-billion deficits...it just doesn't mean much because it isn't real.

It's only a thought...but, yes folks, to my mind at least, there truly are two distinct kinds of money...money and BIG money.

Contracts Awarded For Prairiland CISD Construction

Contracts for the construction of a new school cafeteria at Deport and to roof the large two-story school building at Blossom headed the order of business at the Prairiland Independent School District board meeting last Tuesday night.

Assistant Superintendent, Dr. Richard Nash, announced that Harrison Walker & Harper, Inc. had been awarded the contract to construct the cafeteria and classroom on the Deport campus.

The old cafeteria building was torn down last week, and construction will begin immediately.

Cost of the cafeteria and classroom will be \$231,484.00.

Key Roofing Co., Nash says, was awarded the contract for roofing improvements on the two-story Blossom school building at a cost of \$10,555.00.

The board, in further business, hired Wendy Bozarth as a reading instructor at Blossom and Rhonda Bangs as a homemaking teacher at high school.

Bids will be opened soon for the construction of four classrooms on the Blossom campuses as well.

Commodities Distribution For June

Lamar County Human Resources Inc. has announced the distribution locations for commodities during the month of June.

Cunningham: Friday, June 12, 10 a.m. to 1 p.m. at the Community

Center.

Deport: Wednesday, June 17, 9 a.m. to noon at the American Legion Building.

Blossom: Tuesday, June 16, 9 a.m. to noon at the Community Center.

Deport Cemetery, Not Dead But Needs Help!

By Ed Bryson

A passerby at the Old Deport Cemetery south of town was heard to remark recently, "Has Deport turned its back on the city's first graveyard? Has Deport pronounced the old burial place officially dead?" To which Ed Bryson, president of the Old Deport Cemetery Association replied, "No, neither. Deport has not turned its back. Deport has not declared it dead."

"Deport, in many ways, has turned its back to the old cemetery. Deport is helping keep it alive. So are many former Deport and area citizens."

And Edith Fuller, association secretary-treasurer, seconds that statement.

Deport city officials have supplied, at no cost, needed fill dirt for the grounds. The Deport Fire Department and American Legion have contributed work and funds. Deport

businessmen and others donated money for a chain link fence across the front to keep out wandering livestock.

Earl Gresham, Deport gin manager recently shredded a weedy, overgrown segment of the grounds. This is the second time Earl has responded to an emergency. Other individuals, including Karl V. Kimball and the late Marvin Nobles, have helped the cleanup cause in the past.

Right now, because of recent rains, more money and help are badly needed. It is time now for individuals in both Deport and distant places to help.

Please mail or make your donations to Ed Bryson, P.O. Box 362, Bogat, TX 75417, or Edith Fuller, P.O. Box 142, Deport, TX 75435. Or to the First National Bank in Deport in care of the Old Deport Cemetery Fund.

East Lamar Class Of '52 Plans Reunion

Plans are being made for the 35th year class reunion of the 1952 graduating class of East Lamar High School.

The date is June 27 with a reception beginning at 2 p.m. and a Dutch Treat dinner and entertainment at 7 p.m.

The class had eighteen members, and of these, one is deceased, Ray Bryant. Other members are Delbert Ballard, Mary Bryant, Wayne Clements, Ruth Day, Harold Eather-

ly, Wayne Fletcher, Dorothy George, Mary Golden, Virginia Kitchens, Nelda Merritt, Jimmie McDowra, Billy Oldham, Mary Skidmore, Jackie Stone, Wynonia Wilson and Wayne Williams.

Addresses are needed for Billy Oldham and Virginia Kitchens and

should be sent to Ruth Day O'Brien, 1501 Comanche Trl., Garland, TX 75043. Telephone 214-278-3605, co-chairman for the reunion. Wayne Clement is in charge of the dinner arrangements. Cards will be sent to each class member announcing location.

Deport To Begin Street Resurfacing

The Deport City Council met Monday night with the major order of

business being awarding a contract for street paving. David Buster was awarded the contract to pave three streets, Depot, Dewey and Hayes.

Depot will receive a new topping from Trail Street up to Dewey Street. Dewey going towards Hayes will be paved and all of Hayes Street down to Nobles Street will be resurfaced.

Work on the streets should begin within thirty days.

Under the heading of old business, the City Council voted to give J.D. Dennis ten more days to clean up the burned out trailer house located next to the housing authority on Beville Street. The burned out structure was cited during a HUD inspection as a health hazard.

The bills were paid, and minutes and financial reports approved.

Deport First Baptist Plans VBS

The First Baptist Church of Deport will be holding its summer Vacation Bible School on July 6-10.

There will be classes for all children, ages three years through the

sixth grade.

Anyone wishing to pre-enroll can contact the church or the pastor, Jim Spikes.

Mrs. Ronald Wayne Chappell

Brooks-Chappell Exchange Wedding Vows

Miss Staci Kay Brooks and Ronald Wayne Chappell were united in marriage Saturday evening, June 6 at 7 o'clock at the United Methodist Church in Bogata. The Rev. David Griffin of Aransas Pass performed the formal, double-ring ceremony.

The bride's parents are Dr. and Mrs. Earl Edwin Brooks of Bogata. She is the granddaughter of Mr. and Mrs. Travis Hale. The bridegroom is the son of Mr. and Mrs. Curtis Chappell of Sawyer, OK and the grandson of Mrs. Ila Chappell and Mrs. Nancy Morehead.

Guests were registered on the church lawn by Mrs. Pat Farr of Bonham and Mrs. Ken McIntosh of Mesquite.

Prior to the wedding, Mrs. Duane Glover, organist, of Deport presented selections accompanied by Miss Leslie Winn of Paris, Rick Shannon of Rome, GA and Clare Wylie of Austin as they sang, "Flesh of My Flesh". Mr. Shannon and Miss Wylie also sang "Always". Mrs. David Griffin of Aransas Pass sang "The Lord's Prayer" at the close of the ceremony.

The aisle to the altar was adorned with handmade rosettes of teal satin interspersed with azalea satin ribbons. The altar was banked with Victorian candelabras holding soft lavender tapers. A grouping of three arrangements of raspberry gladiolus, lavender spider mums and rose pink carnations added color to the setting. Ferns and palms graced the altar where the couple pledged their vows.

The bride was escorted by her father and given in marriage by her parents. She wore a gown of dry silk taffeta fashioned with a sheer sabrina neckline covered in imported Alencon lace and handsewn pearls and sequins. The princess styled gown featured a dropped waistline and bishop sleeves accented with pearls and a full skirt which formed a chapel-length train. The hemline was outlined in handclipped reem-broidered Alencon lace. A bustle effect was created by self fabric roses with a double swag edged in hand clipped lace. She carried a cascade of white roses, polished English ivy leaves and white lace interspersed with pearls. Her fingertip veiling was held with a bandeau accented with pearls.

Maid of Honor was Leslie Winn of Paris. Bridesmaids were Mrs. Joe Travis Kelsey, Miss Becky Brooks, both of Bogata and Mrs. Charlie Kimmey of Temple, sisters of the bride, and Miss Mary Fortner of Dllas, Mrs. Keith House of Canton and Mrs. Johnny Robertson of Memphis, TN.

They wore identically styled teal-length dresses of fuchsia taffeta featuring a deep vee neckline in front and back with double flounces forming the sleeves. Each wore a cummerbund and each carried a cascade of blue iris, purple statice, lavender roses and raspberry miniature carnations with polished foliage. Each wore fresh flowers in her hair.

Best man was Bill Flanagan of

Grant, Ok, brother-in-law of the bridegroom. Groomsmen were Gary Hess of Garvin, OK, brother-in-law of the bridegroom, Jackie Young of Harrah, OK, Kelly Flowers of Durant, OK, DeWayne Morris of Grant, OK, Jeff Morris of Grant, OK and David Glover of Dallas.

Ushers were Charlie Kimmey of Temple, Joe Travis Kelsey, both brothers-in-law of the bride, Casey Jeffery of Bogata and Jace Jeffery of Dallas.

The bride's parents were hosts for a reception at their home following the ceremony.

Members of the houseparty were Mrs. Bill Flanagan of Grant, OK, and Mrs. Gary Hess of Garvin, OK, sister of the bridegroom, Miss Amy Flanagan of Grant, OK, Melanie Strawn, Mrs. Kenneth Jeffery, Mrs. Donald Mankins, Mrs. Sonny Belcher, Mrs. Bill Buckman, Mrs. Morris Foster of Bogata, Miss Paige Collins of Dallas, Miss Sandy Simmons of Austin, Mrs. Randy Maynard and Mrs. Bill Gant of Paris.

Bird seed bags were distributed by Miss Jill Foster, Amanda Belcher and Katy Hre of Bogata and Kristen Blair of Palestine, Trudy Hess of Garvin, OK and Chay Robertson of Memphis, TN.

The bride is a graduate of Rivercrest High School and the University of Texas at Tyler.

The bridegroom is a graduate of Rattan High School and is self-employed.

After a wedding trip, the couple will be at home in Paris.

Mr. and Mrs. Curtis Chappell and Dr. and Mrs. Earl Edwin Brooks were hosts for an outdoor barbeque Friday evening at the Brooks home following the wedding rehearsal. Fifty guests attended.

Several showers honored the couple prior to their wedding.

Mrs. Bill Gant of Paris was hostess for a recipe shower on April 29. Guests brought appropriate dishes in which to cook their favorite recipes.

A lingerie shower was given on April 23 by Mrs. Justin Strawn and Melanie at their home in Bogata.

A miscellaneous shower was held May 2 at the home of Mrs. Sam Barnard in Bogata. Other hostesses were Mrs. Kenneth Jeffery, Mrs. Paul Wilson, Mrs. John Parrish, Mrs. Frank Stubblefield, Mrs. Ed Huddleston, Mrs. Howard Ed Bryson, Mrs. Don Roach, Mrs. Randy Maynard, Mrs. Donald Mankins, Mrs. A.L. Buckman and Mrs. Paul Reynolds.

Dr. and Mrs. Jack Troutt of Bogata and Mr. and Mrs. Russ Weiler of Paris were hosts for a couples barbeque at the Troutt home on May 15.

A brunch was held May 16 in the home of Mrs. Bill Buckman. Other hostesses were Mrs. Morris Foster, Mrs. Mark Hare and Mrs. Sonny Belcher. Bird seed bags were made.

Mrs. Johnnie Robertson, Mrs. Ken McIntosh, Mrs. Pat Farr and Mrs. George Gordon were hostesses for a kitchen shower in Clarksville on May 30.

A bridesmaids luncheon was held June 6 at the home of Mrs. Gayle Reeder in Bogata. Other hostesses were Mrs. Jck Garrett of Lubbock, Mrs. Robyn House of Canton and Mrs. Rusty Reeder of Bogata.

Pullen-Trapp Announce Engagement

MR. AND MRS. JAKE PULLEN of Hugo, OK announce the engagement and approaching marriage of their daughter, Laurie Ann, to Robert Lee Trapp, son of Mr. and Mrs. Elmer Trapp of Paris. The couple will be married at 7 p.m. Saturday, August 8 in the First Christian Church in Hugo. The Rev. Wayne Estus will officiate at the semi-formal ceremony. Miss Pullen is a teacher and coach at Crockett Middle School in Paris. Her fiancé is employed as a pressman at The Paris News.

Don't Let an Electrical Fire Be Your First Clue That YOUR HOME HAS FAULTY WIRING

You can prevent faulty wiring - before an electrical fire occurs - by following these recommendations from Texas-New Mexico Power Company. 1. Make sure the wiring inside and outside your home is installed and checked by a qualified electrician... 2. Install ground fault indicators - safety breakers - in your bathroom and in outdoor receptacles... 3. Have a qualified electrician check your home's wiring if lights dim when an appliance is turned on...

A large crowd attended the Sam Short reunion at the Pattonville Community Center on Sunday.

Visitors of Mr. and Mrs. Buster Crossland this week were Mrs. Ruby Ray of Blossom, Mr. and Mrs. J.T. Clark of Bonham, Carl Rollins of Paris, Mr. and Mrs. David Brooks of Reno, Mr. and Mrs. Buck Slaton of Halesboro, Stacy and Annette Crossland of Reno, Mrs. Carmen Eudy, Mrs. Margie Bogard, Keith Crossland and Mr. and Mrs. Kent Wright.

We extend our sympathy to the family of Austin Eudy. He died Wednesday at St. Joseph Hospital.

Mr. and Mrs. Buster Crossland attended church at the Church of Christ at Powderly on Monday night.

Word has been received of the death of Charles Wayne Humphrey of Dallas. He was the grandson of the late Mr. and Mrs. Phillip Humphrey. He graduated from East Lamar in 1963.

Oxygen

Depletions Occuring In Farm Ponds

Due to the hot, cloudy conditions in East Texas the past few weeks, oxygen depletions in farm ponds have increased, says Billy Higginbotham, fisheries specialist for the Prairie View A&M Cooperative Extension Program. Ponds most commonly affected by these conditions are those less than one surface acre in size that are being intensively managed for catfish production.

With high water temperatures, oxygen content is typically lower and fish need more oxygen this time of year due to an increase in their metabolic rates. The prevailing cloudy conditions limit oxygen production from phytoplankton by decreasing photosynthesis.

Higginbotham says a common sign of oxygen depletion is large numbers of fish swimming sluggishly at the pond's surface, particularly early in the morning. Emergency aeration techniques, such as running an out-board motor on a boat in the fixed

position, can mean the difference between correcting the oxygen depletion or losing the entire fish population.

While pondowners cannot do anything about prevailing weather conditions, they can lessen the likelihood of oxygen depletion by either reducing the pounds of fish to below 1,000 pounds per surface acre or by spot treating aquatic weeds rather than treating the entire pond.

Hornflies Building Up

By Hrb Brevard
Hornfly populations should build rapidly following recent rains, says Dr. James Robinson, entomologist for the Texas Agricultural Extension Service. Research data which Robinson has collected in East Texas indicates that the insecticide impregnated ear tags will cause resistance in the flies. However, the resistance level in flies the following spring is lower than in the previous fall. This indicates that newly attached insecticide impregnated ear tags will work the next year for a period of 10 to 16 weeks.

Robinson suggests putting tags in and dusting or spraying at the same time. If a fly population builds,

another dusting or spraying may be needed. However, after 10 to 16 weeks, the tags should be removed and if further control is needed, use a dust or spray.

Chinch bugs are becoming a problem in lawns of San Augustine and centipede. The infestations are usually worse in sunny, dry spots in the lawn. Damage symptoms include yellowing and eventual dying of the grass. Robinson says that several insecticides are approved for chinch bug control. Included are Aspon, Diazinon, Dursban and Oktanol. Follow label directions on all insecticides.

Camp Gambill Registration Set

Registrations for Camp Gambill are being accepted by the Red River Valley Girl Scout Council. The resident camp is open to all girls between the ages of 6 and 17. Camp sessions are held from June 14 through July 18.

The three day session, "Brownie Friendmaker", is designed for the younger camper. The short session gives girls an opportunity to sample camp life without being away from home an entire week, said camp director, Linda Woolston. Activities will include campcraft, swimming, arts and crafts, gardening and ceremonial campfires. This session will be June 28-July 1 and the fee is \$45.

Girls who are comfortable with being away from home and enjoy the outdoor life will want to attend one of the week long "Sampler" sessions. In addition to the above activities, these sessions will include badge work, cook outs, pioneer living skills and crafts, nature lore, conservation projects and boating. The sessions will be June 14-20, June 21-27, June 28-July 4, July 5-11 and July 12-18 and the fee is \$80.

Extended opportunities in campcraft and aquatic skills will be offered during the two week "Adventure" sessions, June 14-27 and July 5-18. The fee is \$125.
