Tips On "Shaping Up" Your Holiday Parcels

Aerobics instructors regularly remind their students to keep their tummies "tight" and "tucked".

The same advice applies to preparing holiday parcels for mailing.

All that's necessary is choosing sturdy cartons or boxes, and sealing them smoothly and tightly with theproper tape. Padded mailing bags work well for small items.

Don't wrap cartons in bulky brown paper or tie them with string or twine. The paper can tear and the twine can get tangled in our mailing processing equipment.

Using paper and string isn't necessary if you're using proper boxes or cartons. If you feel a need to wrap adn tie a box, that may be a signal that you don't think the box is sturdy enough to begin with. Get another one in-

Parcels should be sealed with a type of tape designed for sealing packages: pressure sensitive, nylonreinforced kraft paper or class-fiberreinforced pressure sensitive. Don't use cellophane or masking tapes

because they're not strong enough. Correct addressing is as important for parcels as for letters. If thebox has

been used before, be sure first to remove all old labels and addresses. The top of the package should show the name of the person to whom you're sending it, their house number and street and the apartment umber, if there is one. The last address line should contain the city, state and ZIP code, and be sure to use the ZIP code.

Your own return address and ZIP code should be in the upper left corner. Please use smudge-proof ink.

Preparing the inside of a package or box is as important as preparing the outside. The contents should be cushione dcarefully with crumpled paper, with foam shell or air-pocket padding that is commercially available. Don't leave any empty space in

Before you seal the package, it's also a good idea to enclose a slip of paper showing the name and address of the person to whom you're sending it. Although it doesn't happen very often, parcels can get damaged so the outside address can't be read.

Finally, if a package contains irreplaceable items, send it by registered

Rices Honored With Reception

Over 160 people attended the reception for Rev. Sam Rice and his wife, Margie at the Deport Presbyterian Church Sunday afternoon.

On display was the plaque given by the church to the Rices, who will be taking a post at the Itasca Church January 1. A register table was covered in a red cloth, and accented by a candle and fresh flower arrangement.

Tables with coffee, punch and a wide assortment of cookies were all trimmed with arrangements for the holiday season.

Poinsettias decorated corners of the building, and pine boughs and ribbons were hung throughout the building ..

BRAD GRIFFIN, center, received his Arrow of Light award recently from Jackie Holmes,

left and Jerry Taylor, right when the Deport Cub Scouts met.

Bradly Griffin Receives Arrow Of Light At Scout Meeting

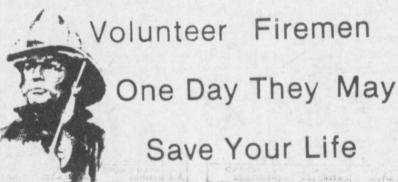

Cub Scout Pack 19 held it smonthly pack meeting Tuesday, December 6 at the United Methodist Church. Parents and guests were entertained by skits and den yells performed by the Tiger Cubs and Cub Scouts. Tiger Cubs received a set of paw prints each for group activities in which they had participated. Daniel Sepulveda made a trip through the Bobcat Machine to receive his Bobcat badge.

In a special ceremony, Bradly Griffin, son of David and Nita Sullivan, received the Arrow of Light. This is the highest award to be re-

ceived in Cub Scouts. Bradly then graduated into Boy Scouts in an outside archery ceremony. He was presented with an arrow on a plaque from the pack. Jackie Holmes, Scoutmaster of Troop 2, Paris and Dustin Holmes, Senior Patrol Leader of Troop 2, welcomed Bradly into the troop and presented him with the troop neckerchief and slice.

The Cub Scouts picked up their popcorn to be delivered an dreceived a pinewood derby car kit for their outstanding sales efforts.
