Nichols
Worth

By Nanalee Nichols

Some time ago I took a look at the origin of common expressions, and mentioned just how many of our common clichés or statements have their origin in horses as a means of transportation. "Putting the cart before the horse" "Settling into harness" and a host of others are rooted in the use of horses as a major means of transportation and strength.

Well, along the same lines, has anyone considered just how many expressions are related to growing things?

Farming, gardening, agriculture of some kind has always been the strength of this nation, and once again, our speech reflects it's importance.

Witness: "It's a long row that doesn't turn". (Anyone who has ever hoed up and down a long row, or driven a tractor down one knows exactly what that means!)

What happens when someone or something needs to be eliminated? It gets "weeded out", of course!

Ideas germinate. Seeds of doubt get planted. We even fertilize or nurture them.

We all "make hay while the sun shines".

We have to "pull together" yet another reference to plowing or pulling in harness with animals.

Taking the best and leaving the rest? We say someone is "skimming off the top," a reference to skimming the cream (the best part) off the top of fresh milk.

Again, we "milk something for all it's worth".

Gained weight? "Been out to good pasture" old timers say.

The grass is always greener on the other side of the fence refers, of course, to farm animals

their heads through the wire to get at grass outside their pasture.

We "nip things in the bud" instead of allowing them to develop.

We actually cultivate friendships, as if they were crops or precious flowers, not an inapt comparison at all!

Working from "can't see till can't see" certainly refers to a farmer's long days from the time it is just too dark to see in the morning to quitting when it gets just too dark to see at night.

A child blossoms, or is "cut down in the flower of youth".

We sow wild oats, we reap bad harvest or comment that criminals come from bad seed or stock.

We soak of love or attention as the thirsty soil soaks up rains.

The list seems almost endless, and the reasons are simple.

Nothing, no one, can escape the reality that growing things is what keeps each and every one of us alive.

Even the most long-time, city apartment dweller is aware deep down that food and raw materials are grown!

And as a nation founded in agriculture, we probably have more "growing" type expressions than any other.

So remember, the next time you feel like you have a hard row to hoe....the expressions has a very real, very rural background!

Wreck Kills Three, Injures Four

Three people died and one remains in critical condition following a two-vehicle accident last Wednesday, July 5, just outside of Deport.

The call came in at approximately 6:10 p.m. on U.S. Highway 271 South, about a mile northwest of Deport.

According to Texas Highway Patrol official reports, Willie Ray Abbott, age 61, of Rt. 3, Paris, was the driver of a 1986 Ford pickup, which was traveling northwest on Hwy. 271, when Jerry Mike Woods, age 32, of Deport, the driver of a 1977 Datsun car, which was traveling southeast on Hwy. 271, attempted a left-hand turn onto the Highland Cemetery Road.

Abbott's truck was unable to avoid the automobile. The pickup struck the car, and went airborne with a

portion of the right front quarter panel of the Datsun imbedded in the front grill of the pickup. The pickup then swung around and flipped, coming to rest on its top.

Abbott was killed, and his three passengers, Melvin Abbott, age 35, Larry Michael Smith, 54, and Eddie Darrell Archer, age 33, were injured. All three passengers were from Paris.

The Datsun then swung left and came to rest on the unpaved portion of the shoulder, about 68 feet from the point of impact.

Killed were Jerry Mike Woods, the driver, and a passenger, James Dewayne Seat, age 34, both of Deport. Critically injured was Sarah Avalos Gutierrez of Los Angeles, CA. Also killed were two dogs riding in the Woods vehicle.

Gutierrez had to be cut from the Datsun by the Reno Rescue Squad, using the jaws of life apparatus. She was taken to St. Joseph's Hospital in Paris, and later that evening was transferred by Careflight helicopter to Wadley Regional Medical Center in Texarkana, where she was still listed in critical condition, but alive, on Tuesday, July 11.

Deport Volunteer Firemen assisted at the scene and the Reno Rescue Squad was on hand quickly to administer help.

All three bodies were taken to Grant Funeral Home and the accident is currently under investigation by authorities.

THREE Dead, one in critical condition and three more injured was the result of this collision between a Ford pickup and a 1977

Datsun. Dead were Jerry Mike Woods, James Dewayne Seat, both in the car, and Willie Ray Abbott,

driver of the truck. (Staff Photo by Thomas Nichols)

Heat, Humidity, Fleas Welcome In Summer Months!

Summer has finally arrived after a late start, but seems to be trying to make up for lost time with heat and humidity.

The evening rains, however, seem to persist as heavy rains spotting the area keep the grass growing at an incredible rate, and make hay baling and row cropping difficult.

Because of the rains soy beans and milo are heavy and good, while vegetable gardens are suffering.

Many vegetables are sitting in heavy, muddy ground rotting, or with yellowing leaves.

Temperatures in the high nineties, accompanied by the humidity, make

work outside unpleasant.

The "dog days" are fast approaching, and dogs, cats and people are suffering not only from the heat, but from fleas and ticks, who positively thrive in the damp, muggy temperatures.

Fogging and spraying homes and yards, plus dipping or the use of flea collars is the only way to try and keep the insect pests from devastating a peaceful lifestyle!

Glorious sunsets, misty nights and brighter than usual flowers are pluses on the seasonal side, however.

Whether the abundance of rainfall

will cease later in July or August is, of course, yet to be seen.

If you don't mind buying a home that wastes energy, buying a home is easy. If your standards are higher than that, buying a home takes work — asking the right questions, finding the right answers.

The reward for that work is a home you can truly enjoy ... a home that's as functional as it is livable.

Deport High School Classes Have Reunion

The Deport High School graduating classes of 1934, 1935, 1936 and 1937 had a reunion June 24 in the school cafeteria.

A catered meal was served and the afternoon was spent reminiscing, looking at old photographs and taking pictures. Virginia Grant Kirkland was mistress of ceremonies, assisted by Reba Griffin Temple.

Teachers introduced were Raymond Keith Gardner and wife, Frances of Garland, Mac Webb and wife, Regina of Deport and Thelma Ladd Warren of Deport.

Thelma Warren gave the invocation and a moment of silent prayer was observed in memory of deceased members. Incidents of school experiences were told by different ones, causing gales of laughter by those present. Mrs. Lera Lawler won the door prize of a handcrafted welcome plaque. Other prizes given were to Hobert Loven for the least changed,

Helen Tidwell Fleming of Burk Burnett for the most grandchildren, Ruth Read Denison for the most children, Nim Hammond for the most great-grandchildren and Overton Perry of South Bend, Indiana for traveling the farthest.

A committee was named to plan the next reunion for 1992.

Those present besides those already named were Fay Rhodes Neal of Sherman; J.C. and Mildred Harvey of Idabel, OK; Janet Fagan Laine, Ft. Worth; Eloise (Crosson) and Ken Wright, Houston; Clara Stalls, Dallas; James and Ruth Jeffus Loven, Paris; Ruth (Read) and Paul Denison; Kathryn (Barnett) and Johnny Rainwater, Vernon; James and Anita Westbrook Perkins, Clyde Barham, Deport; Audrey (Nobles) and Sonny Pierce, Dallas; Jack and Vivian Hood, Detroit; Hobert and Minnie Roberts Loven, Deport; Pinky and Lee Griffin, Sulphur Springs; Russell and

Arlene Bird, Stone Mountain, GA; Nim and Lee Hammond, Ft. Worth; Lera Roach and Snooky Lawler, Lewisville and Ruth (Mitchell) Cheatham, Deport; Boyd and Clydell Westbrook, Mr. and Mrs. Earl Westbrook, John L. Starks, Paris.

Other guests were Helen Moore and Edith Fuller, Deport; Dr. Benny Fleming, Wichita Falls; Brucie (Bird) and Gary Salmon, San Antonio; Gene and Winnie Murrell, Kaufman; John and Nancy Aune, Garland; Ann Rhodes Roberts, Deport; Paul and Alice Wood.

Decorations carried out a Texas theme. The tables were covered in red checked cloths with arrangements of blue bonnets interspersed with small Texas flags. A red, white and blue arrangement centered the head table, a gift from Myrtle Singleton, in memory of Thurman Singleton of the class of 1935. The group adjourned with the Mizpah benediction.

Small Business Development Rep To Be At PJC

Beginning July 20, a representative will be available every third Thursday of each month at the Small Business Development Center to counsel with area small business owners interested in either selling to the government or exporting. The counselor will be available from 9 a.m. to 4 p.m. and you are encouraged to make an appointment prior to that day.

If your interest is government contracting, the counselor will discuss how to get on bidders lists, how to locate requests for bids and how to prepare a bid package. If you are not

certain the government purchases your particular product, a list of products is available for you to check.

If you are interested in exporting, the counselor can help locate those countries that are interested in purchasing your product and assist with paperwork necessary for exporting. Trade leads are available for you to look through to get an idea of what items are currently being sought by other countries.

To make an appointment, contact the Small Business Development Center at 784-1802. All counseling is confidential and free of charge.
