By Nanalee Nichols

I suppose it's been a while since I crawled up on the old soap box and really began a lecture. (My grandma always said I should have been a lawyer or a preacher, I liked to talk so much).

Over the years I've heard a lot of lectures that we shouldn't fly...not only in big commercial airliners, but most especially in those little bitty two seater planes.

I've been painted pictures of gloom and doom when we flew gliders, and when we took up white water rafting...well! Going down in caves, up in balloons, out on the ocean, all seem to be things that are considered dangerous.

On insurance policies they ask questions about "hazardous" hobbies or pursuits such as rodeoing, hang gliding, scuba diving, all those things that most of us think of as dangerous, and life threatening. And they are, there's no doubt about it, the chances of getting hurt or killed doing these things DOES exist. It's more dangerous than sitting home watching television...that's a fact.

But the single most dangerous thing ANY of us do is go out onto the highways in an automobile!

Now, I know lots of folks are going to disagree with me.

But each and every one of us has lost a friend or family in an auto accident. Each and every one of us knows people who have been badly injured in wrecks.

I counted it up the other day...between Blossom, Pattonville, Deport, Bogata and Talco in the past five years I have been to accidents that claimed the lives of fifteen people. Several of those were children or teenagers.

We long ago lost count of the number of wrecks that tore vehicles up without seriously injuring the occupants, or even lost count of the accidents in which people were badly hurt, but survived.

Every day, across this nation more people die in auto accidents than in a massive plane crash! But because the body count isn't presented all at once, and we never hear a national total, the impact isn't so great.

I know that driving is a necessary, and pleasurable part of life. I know we have to do it...and on't have to indulge in dangerous hobbies...but the odds are still in favor of car accidents getting us instead of one of those other pursuits!

Lots of folks aren't going to agree with me that seat belts help. But I've never seen a dead person in a seat belt...and I've never seen but one live one that was hurled out of their vehicle. Yes, I know that seat belts can't save everyone...but they do help...especially in preventing injuries in less serious accidents.

But even more helpful is responsible driving. And that's what my whole point is... that we ALL need to drive more carefully.

Check twice before passing, make sure there's enough room. Look very, very well before pulling out. Don't turn off or onto roads without making sure there's enough room, or that it's clear...we all know the rules. We just don't always follow them as carefully as we should.

Defensive driving is important too. There an old line about "here lies Joe, he was right, but he's just as dead as if he were wrong"...that's the whole idea behind defensive driving, watching out for the other fellow.

Please folks, don't add to the horrendous statistics about car wrecks...drive carefully, courteously, defensively...and lets all stay alive!

Intense Storms Dump 4.5 Inches Of Rain On Area Tuesday Night

In a year noted for severe thunder storms, the area suffered one of the worst so far Tuesday night. According to an official rain gauge 4 and one half inches of rain fell in Deport, four of those inches in one hour. Similar amounts were measured at Bogata with Talco coming out a little lighter, and Blossom about the same.

Lightning had power out for as little a time and thirty minutes in

some places, but out for six hours in others, and Texas New Mexico Power Company had linemen working as fast as they could replacing burned out transformers, lines and resetting thrown switches, all the results of a tremendous electrical display.

Several large trees succumbed to high winds, and water was over roads in places that it doesn't normally get over, prompting the highway depart-

ment to be out directing motorists through or around the deeper areas.

Damage to gravel roads and driveways was severe as the runoff carved new paths through them, and fields suffered some damage from the pounding rains.

Speculation as to whether this trend towards an extremely abnormal summer continue, but only time will tell whether more of these intense thunder storms are in store.

Dog Dipping, Vaccination Clinic This Saturday

The Deport Kiwanis Club dog dipping and rabies vaccination that was scheduled for July 15 was postponed because of rain, and will be held this Saturday, July 22 from 8:30 a.m. until 12 noon, weather permitting.

The dipping and vaccination will be held at Dr. Sam Kelsey's clinic on Highway 271 in Deport.

This year the club sponsored proj-

ect will be conducted one weekend only.

The cost of the service will be \$3.00 each for the dip and \$4.00 each for the Rabies vaccination. The dip and vaccination will be conducted under the supervision of Dr. Kelsey.

Everyone is urged to bring your dogs for this service. Be kind to your pet and help the Deport Kiwanis Club with it's community projects.

Local Sales Tax Shows Upward Swing

State Comptroller Bob Bullock said Monday that local sales tax rebates across the state continued to climb this month, increasing by 12% over last year's July payments.

"National economic indicators seem to be showing a slowdown, but the trend in Texas remains upward," Bullock said. "Our diversifying economic base should ensure that we continue to do well."

Bullock added that Texas' economic growth is becoming apparent in almost every sector of the economy.

"Oil and gas, construction, banking and real estate appear to have bottomed out. And some of the areas in Texas that lagged behind in economic growth are beginning to show

signs of improvement," Bullock said.

Rebate checks totaling \$68.7 million were sent Monday to 939 cities that impose local sales tax at either one or one and one-half percent, Bullock said.

Houston's allocation of \$11.2 million was the largest in the state. Dallas' check was the second-largest, with a payment of \$7.6 million, Bullock said.

The state's six metropolitan transit authorities and one city transit department received \$34.5 million, an increase of 16.1%, according to Bullock.

Blossom received \$706.85 for this period, for a 19.69% increase over last year's payment for the same date. Deport received \$635.52 for this

payment for a 21.91% increase over last July's payment.

Paris received \$158,391.97 for a 7.27% increase.

Bogata received \$1,412.58 for a 9.28% increase over last July's payment while Clarksville received \$4,001.70 for a 2.19% decrease.

Detroit received \$688.60 for this period, marking a 34.38% decrease from last year's payments to date.

Talco received \$1,347.24 for a 19.96% decrease. Mt. Pleasant received \$83,998.29 for a 10.31% increase.

July's checks represent taxes collected by monthly filers in May and reported to the Comptroller's office by June 20, Bullock said.

Deport VFD Discusses New Truck

The Deport Volunteer Fire Department met in regular session Monday night with Dept. Chief Duane Glover and Dept. Sec. Charles Foster reporting to members about their recent trip to Van Buren, AR where they met with representatives of Wilson Fire Apparatus, Inc. to discuss the purchase of a new grass fire truck for the department.

The committee, consisting of Pres.

Dana Norman, Chief Duane Glover and Sec. Charles Foster, plan to meet with other fire truck designers in the near future to discuss the department's needs before bids are taken and a new truck will actually be ordered.

The committee is working to obtain the very best fire truck and equipment available today with the money that has been raised through dona-

THE DEPORT Volunteer Fire Department manned a rest stop for cyclists participating in last Saturday's Bastille Days, sponsored by the City of Paris. Sherry Hudspeth, a registered nurse

from McCuistion Hospital in Paris and husband, Tommy, also helped in the effort. The stop was one of several along the 100-mile route from Paris to

Biardstown to Rockford to Minter to Deport, then back to Paris. (Staff Photo by Thomas Nichols)

SECOND OF TWO! This was the second of two three-car pile-ups that happened in the past week in Deport. This one occurred Sunday, July 16 in front of A&R Short Stop in Deport. Involved in the mishap was Doris

Simpson of Deport, four minors from Paris and Deport and a parked Suburban belonging to Ruth Ann Allen of Milton. No injuries were reported by (DPS Officer Larry Mathews. (Staff Photo by Thomas Nichols)

Deport To Hold Clean-Up Days

The City of Deport will have dumpsters for special clean-up days on July 28-30.

These dumpsters will be available to dispose of whatever trash, larger

items or garbage that Deport citizens may need to dispose of.

Only Deport citizens will be allowed to use these dumpsters.

FIRST OF TWO-this vehicle was one of three severely damaged in an accident in front of Quickie Superette last Thursday morning. No injuries were

reported in the accident, which was the first of two three-car accidents to occur in Deport last week. (Staff Photo by Nanalee Nichols)

Nixon-Ewing Vows Exchanged

Mary Marta Nixon became the bride of Brad Lane Ewing of Greeley, Colorado in a formal candlelight ceremony Saturday, June 10 at 7 o'clock in the evening at the First United Presbyterian Church in Greeley. The Rev. Steve Stager officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. James B. Nixon of Greeley. She is the granddaughter of Mr. and Mrs. James P. Loven of Paris and a niece of Mr. and Mrs. Gary Nixon of Deport. The bridegroom is the son of Patricia Ewing of Lakewood, Colorado and Garry Ewing of Greeley.

Vocalist Joey Cairo sang "Just You and I" during the candle lighting ceremony. He also sang "Always and Forever", "How Great Thou Art" and "The Lord's Prayer".

The bride was escorted to the altar and given in marriage by her father. She wore a formal gown of white tulle. Sprays of re-embroidered alen lace graced with seed pearls circled the bateau neckline and extended down the front and back of the gown, long fitted sleeves came to deep points over her hands and enhanced the molded bodice. Her train was cathedral length.

Her fingertip illusion veiling fell from a band of seed pearls and white satin ribbons. Her bridal bouquet was a cascade of white gardenias surrounded by shower of white roses, stephanotis and satin ribbons tied in love knots, carried atop a white bible. She wore pearl diamond post earrings, a gift of the bridegroom. She also wore her mother's single strand of pearls.

Susan Wurts of Greeley was maid of honor. Bridesmaids were Mrs. Jerry Kielian of Greeley and sister-in-law, Mrs. Bryan Ewing of Greeley. The attendants wore long taffeta formal dresses with V-shaped backs with a

bow tip back. The maid of honor wore fuchsia and the other attendants wore lavender. They carried bouquets of tropical fuchsia, lavender, pink and violet flowers.

Gina Lane and Paul Nixon of Deport, the bride's cousins, were candlelighters. Carissa Ewing of Greeley, niece of the bridegroom, was flower girl and the ringbearer was Andrew Jorgenson of Greeley. LaNell Lane of Saginaw, cousin of the bride, attended the guest book and Cori Jorgenson of Greeley, was the gift attendant. Bryan Ewing, brother of the groom, served as best man. Groomsmen were Peter Wilson of Las Cruces, NM and Richard Aron, of Boulder, Colorado.

Ushers were Todd Guthmann, Edward Aron and Jim Jorgenson, all of Greeley.

Following the ceremony, a reception was held at the Greeley Country Club with dinner and dancing.

After a wedding trip to Maui, Hawaii, the couple will make their home in Greeley.

The bride graduated from University High School and attended Aims Community College in Greeley. The bridegroom also graduated from University High School and from Aims Community College. He is attending The University of Northern Colorado in Greeley.

The bride and groom are both employed at One Hour Martinizing and Nu-Way Cleaners in Greeley.

The groom's mother and grandmother were hosts for a dinner at Potato Brumbaugh's Restaurant on Friday evening following the wedding rehearsal.

The bride was honored with several showers and parties prior to the wedding. Also, Mr. and Mrs. Art Meyer, Greeley, hosted a luncheon the day of the wedding.

Pattonville Home Extension Club Mets

The Pattonville Home Extension Club met June 28 at Juanita Russell's home.

Glenna Harper brought the meeting to order by leading the T.E.H.A. prayer and pledge of allegiance to the U.S. flag and the Texas flag.

Everyone answered roll call by telling what their favorite home appliance is. Ruth Johnston brought the program on natural resources and community resources. The question is what is the largest living thing on earth? None of the members thought of the answer, but it is a tree and of course trees have lots of resources for us. It was very interesting.

Mrs. Hoover showed a dress she had made and Mrs. Russell showed a quilt she had quilted.

Letter To The Editor

Dear Nanalee:
 I appreciate you letting me express my thanks for the many who have responded to the annual plea for maintenance to be used at our local cemeteries.

The response has been satisfying and allows current maintenance to continue through this season. Verbal and written response to these requests vary from hurting remarks to heartwarming compliments...but the end result is what it is all about and the cemeteries are looking very good.

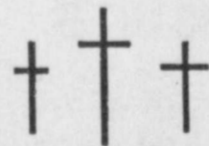

Thanks must go also to the Deport Kiwanis Club. This year again on two Saturdays, they donated their Saturday, their time, their energy and their equipment to complete the trimming of the largest shrubs. This is a job that could

not have been completed without their help by two people in a two-year time period. I must not forget to thank Johnny McLemore for his time, energy and equipment...his interest is truly appreciated.

My dream is to continue "begging" and hopefully vesting a fund for each of the three cemeteries so they will be maintained long after our efforts are forgotten.

Melba G. Ladd
