Card of Thanks

It's not the things that can be bought that are life's richest treasures, it's just the little "heart gifts" that money cannot measure, that make friends, neighbors and relatives such a treasure.

The cards and flowers were beautiful, the phone calls, visits and prayers so thoughtful and appreciated. Priceless treasures are found in neighbors who mow yards (Wayne Alsobrook and Loyd Ford). We love each and every one!

Gordon Alsobrook & Family

Card of Thanks

The family of Rozell Morgan would like to express thanks and appreciation to all of our friends for the many ways in which they helped us in our hour of sorrow. The memory of your kindness will always remain with us.

Red River Haven Nursing Home Admission Policy

Two numbers that can save energy

By setting your thermostat at 78 in the summer and 68 in the winter, you can keep your home comfortable without wasting energy.

If you're tempted to raise or lower the setting, consider this: for each degree you adjust your thermostat, your energy use increases by about 6 to 8 percent.

For more ways to save energy with more common sense than dollars and cents, visit your TNP office for a free brochure.

Ladies Auxiliary Meets

The Ladies Auxiliary to the V.F.W. met on July 18 at the Post Home in Reno. There were 30 members present with Junior Girl President Kelly Pilip, present.

An initiation ceremony was held in which ten new members received the Ceremonial Obligation.

Katie Armstrong reported about 100 veterans were served and played bingo at the regular visit to the Bonham VA Hospital. There were three volunteers from the Post at attend and more volunteers are needed, the regular visit to Bonham is the third Monday of each month, meeting on the K-Mart parking lot at 6 p.m. Sandy Pilip reported that 21 patients were presented a gift. JoAnn

Faulkner reported on the Clarksville Nursing Home. Reports on Americanism was that 126 flags were placed in a cemetery. It was passed to present the American and P.O. W. Flag to the Medical Plaza Nursing Home.

It was announced that Frances Harrell, the District 12 President, will make her official visit to the post on August 15.

It was reported that 15 from the Post attended the called meeting of District 12 on July 16 in Mt. Vernon where a film on mammogram and drug abuse was shown. This meeting is to fill the requirements of State and National Programs.

The next meeting will be August 1 at 8 p.m.

Miss Ark-La-Tex Beauty Pageant Set For August 19

A Miss Ark-La-Tex Sweetheart Beauty Pageant will be held Saturday, August 19 at the Community Center/Wright Park in Gainesville, TX.

There are eight age divisions ranging from newborn to 20 years for the girls to compete in.

A queen and two alternates will be chosen, along with a Most Beautiful,

Best Dressed, Best Personality, Photogenic, Portfolio, Sportswear and Talent winner in each division. There are over 80 trophies to be awarded plus crowns, banners and special gifts.

The deadline to enter is Wednesday, August 16. For more information, contact Amy Crews Pickens, Rt. 1, Box 198D1, Simms, TX 75574.

Vocational Nursing Pre-Test Dates Set

Pre-test dates for the Paris Junior College Vocational Nursing program have been scheduled in Paris and Commerce, according to Sandra Chadwick, director of vocational nursing.

The pre-tests are required for admissions to the vocational nursing program at PJC. No fee or pre-registration is required for the pre-tests but students must be at least 17, have a high school diploma or GED before admission, and must be at the test center at the scheduled time.

The pre-test will cover reading and basic mathematics skills and takes approximately 90 minutes. Pre-test

participants will be notified of the results as soon as possible.

The pre-tests will be offered in Paris each Monday and Wednesday at 1 p.m. The tests will be given on the PJC campus in the counseling department. Those taking the test should specifically ask for the vocational nursing pre-test.

The pre-test will be offered in Commerce on Friday, August 4. The Commerce pre-test will be given on the East Texas State University campus in Room 301 of Henderson Hall.

For more information, call 784-9468.

ASCS News

By James B. Allcorn

How many times have you heard the boss come in and say, "I've got good news and bad news. Which do you want first?" Farm programs shadow both the good and bad aspects of our economy. When things are bad, they pour money into the farm sector to keep farmers farming. When things get a little easier, or the laws change, the helping hand becomes a deathgrip for those who didn't change fast enough or anticipate the future correctly.

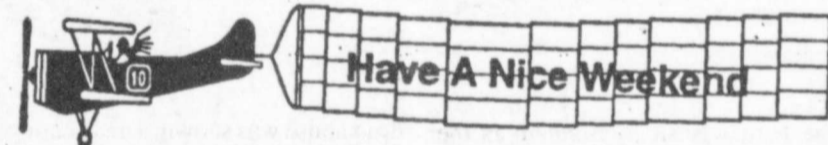

That's what we see happening now with ASCS payments. We knew it could happen anytime, we just hadn't seen it actually take place before. If you haven't figured out what I'm talking about yet, I'll be blunt. Some folks who received payments under the 1988 farm program will have to pay ASCS a part of the payment back. That is the bad news. The good news is that you don't have to repay it until after Christmas, December 31 to be exact.

Refund would have been repayable on July 31 for wheat, barley, oats, upland cotton, and rice and September 1 for corn and grain sorghum. However, President Bush's signature on the 1989 Dire Emergency Supplemental Appropriation provided for the postponement of this date to December 31.

Barley and oat producers who received advance deficiency payments have to pay money back at the rate of 30.4 cents per bushel for barley and 12 cents for oats. Their refund is due because the final 1988 payments for these crops are less than the payment they received as an advance payment from ASCS.

Then there are those folks who received both advance deficiency payments and disaster payments under the Disaster Assistance Act of 1988 for loss of production. They have to refund advance payments on part of their intended production for which they received a disaster payment. These refunds are set on a per bushel basis as follows: Wheat, 61.2 cents; corn, 44 cents; grain sorghum 43.2 cents; barley, 30.4 cents; oats, 12 cents; rice, 1.65 cents per pound and cotton at 6.4 cents per pound. Part of the refund is supposed to be forgiven for folks enrolled in the disaster program, but more on that later.

USDA hasn't determined the final payment rate for 1988 corn and grain sorghum producers, but it is expected that a refund will be required for corn but not grain sorghum. Notifications to affected producers will be mailed somewhere around December 1. Like I said, just in time for Christmas.

Keeping Healthy

What Is Your Cholesterol Level?

Like high blood pressure, a high cholesterol level is a major risk factor for heart disease and it, too, can be "a silent killer" because it usually presents no symptoms.

Following a diet low in fat and cholesterol is the mainstay of treatment for elevated blood cholesterol, and the physician may refer the patient to a qualified dietitian to design one especially for the individual patient's needs.

When the patient does not respond sufficiently to the diet, an effective cholesterol-lowering drug may be added. This may be a drug belonging to a group called "resins"—either cholestyramine or colestipol in powder—which is usually mixed with a liquid such as a fruit juice, large amounts of nicotinic acid, or probucol tablets, which physicians report are particularly well-tolerated by patients.

Everyone should know what his or her cholesterol level is and many physicians now routinely check cholesterol levels as part of the annual physical examination. In families where there is a history of heart diseases before the age of 55 they recommend that children be checked at an early age.

Ask About Our 1st Time Buyers Program

America's first railroad timetable was advertised in Baltimore's newspaper "The American" in 1830 by the Baltimore and Ohio Railroad Company. Trips were established between Baltimore and Ellicott's Mills, MD, a 26-mile journey that cost 75 cents. Passengers had to book round-trip passage because of a shortage of cars.
