would do so.

call them?

It's Always Been A Slow Week, So Let's Look Back!

By Nanalee Nichols

As any editor can tell you, whether an editor to a big city daily or a small town weekly, this week, the first week in January, is the absolute slowest week of the newspaper year.

The big Holiday rush is over...the world seems to hang in a little bit of "limbo" without much going on as the old year is phased out and the new one hasn't quite geared up yet.

Looking at my tables full of copy I realized that I didn't have many news stories...lots of local news about who visited whom...but not much "hard" news. Advertising is slim this week too. It's just the way things are.

So I decided to sit down, dig out some back issues of the papers, and do a column on "Backward Glances" into the past both far and not so long

Back in 1983 Prairiland had taken second place in the Leonard Holiday Tournament, The Deport Housing Authority (Glover addition) was underway, and the Blossom Senior Citizens were gathered for hot meals, games and exercise.

A fog which had started to freeze had left a frost-like cover over trees, bushes and roof tops.

Sue Scudder of Blossom had said her New Year's resolution was to not make any more peanut brittle be-

cause she burned her hands on the last batch...but then again, she said that wasn't too bad because Bill had taken her out to eat three times.

Martha Glover had said that "I didn't make any New Year's Resolutions so I can't break any!"

Floy Francis and Billy Joe and son Mark had purchased Ship's grocery and remodelled it. It was known as Francis' Food Store.

Bethel Baptist Church was to hold a dedication for it's new sanctuary. The church was 106 years old and had had five sanctuaries during this

A quick note was printed that 27 years before on Jan. 4 the cafe and drug store located at the south end of town had burned to the ground.

January 7, 1943-Deport and Blossom Schools had re-opened after the

Lamar County banks showed a 34 per cent increase in deposits. Cpl. Dick Burden had visited his

father, W.F. Burden. Thirty-five Lamar County Offi-

cials had been sworn in. Lightning had struck the chimney on a rent house belonging to J.W. Weddle of Byrdtown, cutting a line down the middle of the chimney about

four feet, causing half of the cut por-

tion to fall to the ground.

It was said it looked as though the brick had been cut with a saw!

Don Norrell of Minter advertised for a boy's pony that had disappeared from his home. Ten days later, Wayland, Don's son, found his pony in a deep ditch half a mile from the house. It had attempted to get over a wire fence and had become tangled. The cuts were badly infected, and the pony had been ten days without food or water, but it was reported to be doing fine and nearly healed.

Dr. Stephen H. Grant had for the second straight year officiated at the birth of the first baby born in Lamar County. He was Coy, son of Mr. and Mrs. George Leonard Miner.

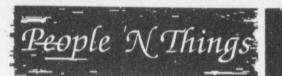

And article told about new rubber boats for "fighting yankees" (American soldiers in World War II)

A Food For Victory Meeting was set for Cunningham School.

Mulch of the paper was devoted to promoting the sale of War Bonds, letters from servicemen, and news of servicemen.

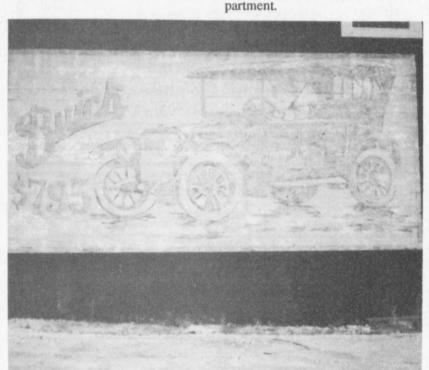

The U.S. Government had continued it's school lunch program but dropped their food stamp program for low income people.

North East Texas Motor Fright was providing the area with efficient, fast transport for goods.

Commodities will be distributed at the Cunningham Community Center from 9 until noon on Tuesday, January 12, 1993.

The Broadway Junction Band will play on Friday, January 8 at the Pattonville Community Center at 8 p.m. A concession will be provided. Proceeds go to the Pattonville Community Center and Volunteer Fire De-

OLD SIGNS-these signs in Northeast TExas are painted onto the sides of brick buildings. To tell you how old they may be, the car ad reads "Buick,

\$795!" and the other one features genuine kid leater button shoes for \$1.50! The photos were taken by subscribers Audrey and B. Scott, one time Deport

WRECK-Monday afternoon this accident occurred just west of Deport on Hwy. 271. According to DPS Trooper Don Watson, the driver of the 1 ton flatbed truck, which was attempting to make a left hand turn into W&W Feed Store was driven by Scott Edward Ward

His passenger, Rachael Gail Ward, was treated and released from the hospital for minor injuries. Striking the truck was a tractor-trailer rig driven by Joseph Ulysse LaFrance of Quebec Canada. The one ton truck was loaded with feed, which was scattered all over

the north side lane. Both vehicles wound up in the ditch on the north side of Hwy. 271 with heavy damage. The north side of the highway was blocked for at least an hour by the trailer of the tractor-trailer rig. (Staff photo by Nanalee Nichols)

Country Cooking By Judy Screws

As we entered the home of Carol and Jennifer Dorsey, the aroma of freshly baked Lemon Pudding Cake filled the air. We had a piece while it was still warm. Carol said that she was given the delicious cake recipe, as well as the Pumpkin Pie recipe by her mother, Mrs. Lucy Fowler. Carol teaches Reading and Science in grades 6-8 at Deport School, where Jennifer is in the fourth grade.

After attending PJC and El Centro Junior College, Carol went on to ETSU to receive her MS degree. She then taught in the sixth grades at Pearl C. Anderson, Roger Q. Mills and James Madison Schools in Dallas. She had previously attended Roger Q. Mills as a student.

When she decided to move to thi part of the country, Carol moved to Cunningham, but has since purchased a home in Deport.

She said that it is more convenient for he since she and Jennifer both need to be near Deport School. They still attend the First Baptist Church in

Cunningham. Carolrelaxes by reading and working in the yard. She also enjoys Jennifer's praticipation in the Little Dribblers. She says that her favorite things to cook are cakes, cookies and casseroles. She especially enjoys most Italian dishes and Jennier's favorite food

in the whole world is pizza.

Carol becomes very enthusiastic when she talks about her work as a teacher. She loves being around children and measures her worth as a teacher by the progress of her students. By being involved with Reading and Health classes, she is able to address more of today's issues and hopes to make a difference in the lives of the children.

Carol's Peanut Butter Bar recipe is one of Mary Ann Moreland's and the Pie Crust was Dorothy Richey's.

The cake was good, the hospitality was warm and the visit was very pleasant.

Have a good week!!

Lamar County Pecan Show Winners Selected

Charles Ramsey of Telephone and Jubal Orchard of Garrets Bluff had the champion entries in the Lamar County Pecan Show which was held last week in Paris. There were 66 entries in this year's show, according to David Ferguson, chairman of the County Fruit & Nut Committee. The committee had the overall responsibility for the show.

Dr. Galt's Wichita entry took top onors in the commercial division. It ad an outstanding edible kernel percentage of 60.58 as well as weight (53.76 pecans to equal a pound). The reserve entry in this division was a Cheyenne variety produced by Roy Bunch of the Marvin/Jenning Community in Lamar County. In the 1991 County Show, Bunch's Cheyenne took the top award. The Cheyenne is not a large pecan (58.63 nuts to equal a pound) but has an outstanding percent edible kernel and color.

In the Classic Division, Telephone pecan producer, Charles Ramsey, had the champion with a Grazona. This variety is one developed by the O.S. Gray Nursery. It is round in appearance similar to the Burkett variety. It was one of the hneavier show entries (38.21 nuts to equal a pound). Roy

Dr. Jabez Galt of Mt. Vernon, Buster of Caviness took the reserve honors with his Success entry. This is an old variety that can be found in many yards and orchards in the Red River Valley area. Buster's entry was an outstanding variety representative.

> In the native division, there were 27 entries. Selecting the winner was very tough for the judge, John Cooper, County Extension Horticulturist from Denton. However, an entry of Jubal Orchard took the top award. It was the largest nut in the native division (62.77 to equal a pound) and had an edible kernel percentage of 53.7. The second place native was grown by Nora Landers of Paris while Edna Dale Kerley of Biardstown had the third place native.

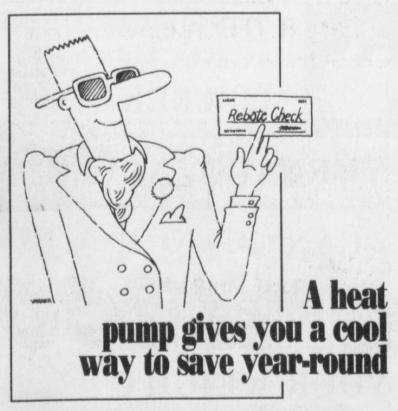

Alfred Arnold of Sumner exhibited the smallest native pecan as it took 194.64 of them to equal a pound. Twenty of the county winners have advanced to regional judging.

Class winners are as follows: Cape Fear - Ramsey; Caddo - Ramsey; Cheyenne - Bunch; Choctaw - Galt; Desirable - Galt; Kiowa - Galt; Mahan - Les Webb; Maramec - Galt; Mohawk - Logee; Shoshoni - Galt; Sioux - Bunch; Stuart - Webb; Barton - Logee: Gracross - Galt and other varieties - Dick Logee.

Satellite Horse Short Course Offered

by Paul D. Payne

The Texas Agricultural Extension Service and Texas A&M University is offering a Satellite Horse Short Course beginning January 25 and concluding on April 28. The program will originate at the University of Kentucky and will be aired on Mondays and Wednesdays during that time period from 5:00 P.M. to 6:30 P.M.

The following topics will be covered: Nutrition, Reproduction, Health and Disease, Hoof Care, Exercise, Physiology, Facilities, Records and Management. There will be two segments each day. The first to be aired from 5:00 to 5:15 P.M. is "Art & Science of Equine Production." This is a detailed study of the anatomy and physiology of the horse. It can be taken for college credit. There are fees and application forms to be completed if one wishes to take it for credit.

"Horse Production and Management" is the second program aired beginning at 5:48 P.M. This will be a practical applications course for producers and users. There are no fees for either of these courses unless one is taking the one for college credit.

If you have either a C Band or KU Band satellite, you can pick up the programs at no charge in the state of Texas. The following is the satellite information needed to access the program: C Band ASC 1, Channel 16, 4020 mhz. Time in -4:45 - 5:00 P.M. to assure receiving signal.

Should you need additional infor-

Seed Potato Order Once we get past the Christmas/

New Year holiday season, time seems to zoom by and it will be Irish potato planting time before one realizes.

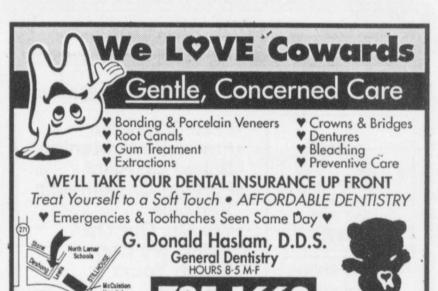

Would you be interested in planting some of the Yukon Gold or Viking Purple varieties that have really looked promising in Jerry Holmes' demonstration garden for the past two years?

They have not been available in area seed stores, so the County Fruit & Nut Committee will be putting together an order for these two varie-The committee will not be making a dime, just providing a service with the hopes that one or both of these varieties will be what gardeners need. You will need to place your order with the Lamar County Agent's Office prior to January 15. Cost \$6.25 for a 2 and 1/2 pound package of each. This includes freight. We must have your check at the time of ordering. We hope to have the potatoes here by February 14, but the arrival date depends on the freezing

Obituaries

Muriel E. Jackson Dies January 5

Muriel E. Jackson, 91, of Deport, formerly of Mountainside, NJ, died Tuesday, January 5 at Deport Nursing Home.

A memorial service will be held at 11 a.m. Saturday, January 16 in Grays Funeral Home, Westfield, New Jersey. Burial will be in Fairview Cemetery of Westfield.

Mrs. Jackson was born June 30, 1901 in Brooklyn, New York, a daughter of Robert E. Lincoln and Alice Millicent Moore. She married George H. Cowie, Jr. in 1925, who died in 1937. She later married Walter C. Jackson in 1951 and was preceded with his death in 1974. Mrs. Jackson attended Newark Normal School for a teaching certificate. After receiving a B.A. degree in Education from Neewark Teachers College, she taught Science for many years as well as being active in a number of naturalist organizations and garden clubs in New Jersey. She was a member of the Westfield Presbyteian Church for over 40 years and the First

Presbyterian Church of Deport. Surviving are a daughter, Jean Morrisey of Barre, VT; a first cousin, Harriet Bownman of Florida; three grandchildren, Marilyn Crawford of Deport, Robert Rose of Barre, VT and Jonathan Rose of Colorado Springs, CO; and five great-grandchildren. She was preceded in death by a brother, Robert R. Lincoln in

Whitneys Honored

On Golden Anniversary Russell and Mary Helen Whitney

were honored on their 50th Wedding Anniversary Monday, Jan. 4 at their home at Minter with a surprise dinner and celebration.

This was hosted and attended by their children, Peggy and Kenneth Risinger, Johnny and Cathy Whitney, their grandchildren, Chance Whitney, Staci and Chris Whitley, their great-granddaughter, Jayci Whitley and Mary Helen's sister Billie R. Pirtle.

1992 Christmas Newsletter From Fred & Joy Allen

Season's Greetings to family, friends and churches!! Here's wishing each of you a very Merry Christmas.

We are pleased to send this newsletter again this year, our 22nd year to do so! We will try to bring you up to date on some of the things which have happened during the last year.

We arrived in Ft. Worth, TX on December 14, 1991, for a five month furlough. We stayed in the lovely missionary residence provided by Handley Baptist Church, Ft. Worth, where we served from 1961-66. It was a great blessing to renew fellowship with many friends there and to meet new members of that fine

One of the rich blessings of furlough was to speak in many churches, sharing from our own experiences about what God is doing in Zambia and surrounding countries and in our lives. We received much encouragement as we shared with churches and individuals.

Another great blessing which we received on furlough was to welcome our fourth granddaughter into our family. Rachel LaRue was born to Randy and Dana on March 17 in Abilene, TX. Rachel now joins Sarah, 5 and Katie, 3 to form the Allen Sisters Trio. Gary, Barbara and Emily, 2, are still in west Ft. Worth and doing well, especially now that Barb has found an injection which has relieved her facial pain. We praise God for that. They are very active in First Baptist Church, Benbrook. Valerie lives in Arlington and is active in Fielder Road Baptist Church, working with the Girls in Action. She recently organized in Dallas a 10th Anniversary Reunion for her graduating class from Rift Valley Academy, Kenya. Bruce is still in San Antonio where he is active in the music ministry in Trinity Baptist Church. We thank God for our children and their families.

After a whirlwind 5 month furlough, we returned to Zambia on May 7, feeling a deep sense of peace as we stepped off the plane, knowing this is still whee God wants us to serve. However, Fred became ill with malaria, hepatitis and a bronchial infection after a music-youth conference in the "bush" and was in bed for three weeks. However, thanks to the prayers of many people and God's healing power, he slowly recovered and returned to work in late June. Twenty-five people accepted Christ as Saviour and 26 made other decisions for Christ at that conference.

In July, Joy and her staff of Bible Way

Correspondence School said goodbye to Joseph Mulizwa, who took an early retirement after 25 years with Bible Way. His leaving was a great loss, because he was the longest serving employee with Bible Way in teh whole world! Bible Way has spread all over the world, the lessons having been translated into many languages, and thousands coming to know the Lord through these studies. Bible Way continues to reach people all over Zambia with Bible lessons through the mail. Over 167,000 Zambians have studied the first book, "Who Is Jesus", and more than 30,000 have accepted Christ as

A highlight of our first six months back in Zambia has been the enthusiasm of the children of our seminary students who form the two children's choirs which Fred leads. Each Thursday afternoon when Fred's car approaches at rehearsal time, they come running from the student village, singing choir songs to the top of their voices as they come to help carry the music equipment.

We ar eenjoying the fellowship of Ng'ombe Baptist Church where we moved our membership after visiting there in July. They had recently moved into their new building which they had built themselves in the shape of a cross. Funds from the Lottie Moon Christmas Offering assisted them with the roof. However, the floors were dirt, the windows and doors were not complete and all but 12 of the 60 in attendance sat on the floor. As we returned home we agreed that God was leading us to join there to assist where we could. We joined, met their leaders, made a few suggestions, and now God is richly blessing us and the church as we serve together. Last Sunday 132 were present, 18 made decisions, their five choirs sang, 8 were baptized in our new baptistry, which was filled with water carried by the ladies and by Fred with his vehicle, using a barrel and several containers, we observed the Lord's Supper and most people had new benches to sit on which we built together. More benches are being added

We were saddened at Dr. R. Keith Parks' retirement in October a President of the Foreign Mission Board. We pray

each week. Joy meets with the ladies each

week and is enjoying the fellowship and

mission studies with them. Now we hope

to call a seminary student as part time

pastor in an effort to reach many more for

for God's guidance in the selection of a replacement who is equally committed to missions around the world and for a smooth transition.

Pray for a good rainy season this year in Zambia and this area of Africa. We are now in the worst drought of this century, and many people are suffering because of crop failures and lack of adequate water supply. Over 350 died in Kitwe last week from cholera partially because of impure water. We have just received our first moisture since late February. Thank you,

Pray also for President Frederick Chiluba and his staff as they lead Zambia toward a greater democracy and a free enterprise system of government. Presently, many are complaining that prices ar etoo high and that the more than 100% inflation rate and 35% income tax is too much to handle. We are praying for patience on the part of the Zambian people until conditions improve and they are able to realize more benefits from breaking away from the previous socialist

Just last month seven new missionaries were appointed to serve in Zambia. They are to arrive in March, 1993, and after completing their language requirements, will serve with us in Zambia. We praise and thank our Heavenly Father for calling them, and for their willingness to leave families, churches and friends to come and help us. We have been shorthanded lately because of some missionaries transferring to other assignments and others being on furlough. We needed this boost! Now, if we can just manage to avoid burnout while doing several jobs.

We deeply appreciate the help of Gail Smallin, P.O. Box 948, Idalou, TX 79329, for typing and distributing this newsletter for us. Please send her address changes

Thanks to each of you for your contin ued prayers for us and our work. As you celebrate Christmas this year, please give generously to those who are less fortunate; particularly those who are starving in Somalia and Sudan, and to the Lottie Moon Christmas Offering for Foreign Missions, in order that we may be able to continue our ministries. May God bless you as you serve Him in your respective places. We would love to hear from you

Sincerely in Christ, Fred and Joy Allen,

After

Shirley Anderson Is New Red River County Auditor

Shirley Anderson has been selected as the Red River County Auditor.

The selection was made by Judge Webb Baird and Judge Leon Pesek. Jude Pesek said "Red River County

was most fortunate to have received so many applications from qualified persons for the position of County We had (Judge Baird and Judge

Pesek) had a difficult time in picking the one who we feel was the most qualified.

We feel that our appointment of Mrs. Shirley Anderson will give to Red River County a qualified, expe-

rienced person who will bring professionalism to that office.

Mrs. Anderson and her husband.

Bill live in Fulbright.

They have three sons: Stanley and his wife Lasca have two children, April and Amber and they live in New Orleans, Louisiana; David and his wife Toni have two daughters. Taylor and Callie and live at Bogata and Bradley, who lives at Fulbright with his wife, Rena.

Mrs. Anderson has lived in the area all her life.

She was employed at the First National Bank, Bogata for eleven years and at Community National Bank in Detroit for seven years.

Mrs. Anderson says that "I will endeavor to do the very best job I can for the people of Red River County and am looking forward to the job".

Shirley Anderson, **Red River County Auditor**

Drug Money Seized

On December 24 at 10:39 a.m. a Depatment of Public Safety trooper and assisting Franklin County deputies seized \$15,900.00 in drug related currency. Trooper Scott Lee, Texas Highway Patrol in Mt. Vernon stopped a vehicle for failing to signal a lane change, and, after obtaining written consent to search the vehicle from the two white male occupants, discovered the money.

A drug dog which was brought to the scene alerted to the odor of narcotics on the currency and the two suspects later signed statements that the money was drug related.

Trooper White was assisted by Franklin County Deputy Shay Patterson and Sheriff Charles J. White. Since no narcotics were actually discovered in the vehicle, no arrests

were made.
