Letter to the Editor

Dear editor:

The Noah Project-North would like to thank all of the participants in our Christmas Tour of Homes this year!

We heard so many compliments about the beautiful homes and buildings. We sincerely appreciate the following people that so willingly opened their doors for many of us to see and enjoy.

These included Sheena and Chris Crosson, Encore Visions/Drive, Christye and Andy Gannaway, Meg Case at Smith Family Funeral Home, Brenda and Darryl Goetz, and the Goetz/Guess remodeled home.

The tour is one of our fund-raisers and it was really successful! We appreciate all of the citizens that came to our tour also. You really

make a difference to the ones that come to us for help. Thank you because we could not do it without your support.

NOTICE TO THE CITIZENS OF WEINERT

The Texas Commission on Environmental Quality (TCEQ) has notified the City of Weinert water system that the drinking water being supplied to customers has exceeded the Maximum Contaminant Level (MCL) for Nitrate. The U.S. Environmental Protection Agency (EPA) has established the MCL for Nitrate at 10 mg/L, and has determined that it is a health concern at levels above the MCL. Analysis of drinking water in your community for Nitrate indicates a level of 22.8 mg/L.

Infants below the age of six months who drink water containing nitrate in excess of the MCL could become seriously ill and, if untreated, may die. Symptoms include shortness of breath and blue baby syndrome. You do not need to use

an alternative water supply. However, if you have health concerns, you may want to talk to your doctor to get more information about how this may At the present time we are

currently looking into ways to correct this problem. An engineer has been hired and is awaiting approval for a filtration system. If you are pregnant or have an infant under six months included in this public water system as a customer, we have made arrangements with local grocery store in Haskell (Modern Way) so that you may get bottled water at the City of Weinert's expense. Please go by Weinert City Hall to pick up ID card before charging water. If you have any questions

or would like to know if you are currently being served as a customer of this public water system please feel free to call or contact the City Secretary Patricia Horan, c/o City of Weinert, Box 248, Weinert, Texas 76388 at 940-673-8223.

Maidens basketball

Maiden defense too much for Lady Tigers

Defense played a key role on the road in the Haskell Maiden's 44-29 victory over the Anson Lady Tigers. Haskell outscored Anson 25-8 the first half and had the game under control from that point forward to move to 16-5 overall and 3-1 in district.

The Maidens had a well balanced offensive scoring attack on the night. Jacie Klose led all scorers with 14 points followed by Reagan Hadaway with 11, Kenzie Shelton 8, Crissy Bassett 5, Destiny Pierce 4 and Katie Newberry 2. Leading the team in assists were Hadaway with 3, Klose 2, and MyKaylee Wilhite 2. "Offensively the girls did a good job not turning the ball over. However, I think we need to do a better job with our shot selection at times," Haskell head coach Blake Eddleman said.

Haskell's man to man defense made it extremely tough on Anson throughout the majority of the game. The Maidens held the Lady Tigers to 16 points heading into the fourth quarter. "I thought the girls did a very good job applying our man to man principles against Anson. The team understands that defense is vitally important to our success and that we must value each defensive

Haskell JV 32 vs Anson JV 16 Maidens drop close one to Lady Lions

Last Friday's District 9-1A girl's basketball game between the Haskell Maidens (16-6, 3-2) and the Albany Lady Lions (14-5, 3-2) was a great game for the fans and extremely intense to the very end. But it was a disappointing outcome for the Maidens, as they were outscored 10-5 by the Lady Lions in the fourth quarter and ended up losing 44-42 in a close one.

"We were all very disappointed about giving up our lead and losing to Albany in the final few minutes of the game. We just need to do a better job in the future of handling that kind of pressure late in the game and learning from that experience. Experience Haskell 10 17 10 5= 42 is life's best teacher and I Albany know the kids will learn from it moving forward," Haskell head coach Blake Eddleman

"I think you have to

give Albany a lot of credit especially down the stretch. They did a very good job with their shot selection and hit some big time freethrows late in the game," Eddleman added. The Lady Lions shot 64% compared to the Maidens 36% from the free-throw line in the game.

The Maidens were led by Junior Reagan Hadaway. She had a double-double finishing with 16 points, 13 rebounds, 3 assists, and 1 steal. Other leading scorers on the night were Destiny Pierce with 9 points, Jacie Klose 9, Kenzie Shelton 4, Alye Stewart 2 and Crissy Bassett 2. Klose had a team high 6 assists followed by Hadaway with 3. "Offensively, we did a good job breaking their press and not turning the ball over. We just need to take better shots and shoot a higher percentage from the field and free-throw line the next time we play them," Eddleman said.

Leading the team in rebounds was Hadaway with 13, Pierce 10, Shelton 6, and Bassett 4. Hadaway and Klose led the team in steals with 1 each. "Overall, we knew it was going to be a close game and that Albany would battle to the very end. I was very proud of the girl's preparation leading up to the game and their effort throughout the game. We understand the mistakes we made and we will learn from them moving forward," Eddleman said.
