31. NO 38

HASKELL, HASKELL COUNTY, TEXAS, SATURDAY, SEPTEMBER 16. 1916.

WHOLE NO. 1587

## My Dear Sir

We make both ends meet, hats to shoes

If it's a suit---we have a value that will appeal to you. Priced at \$15 and \$17. None higher. And to you who are razor-keen for style, we urge you to make a round of comparison. We'll risk your judgment. We believe dollar for dollar we can give you more value than you will find at the other shop, but we'll leave it to you---just give us a look.

If it's a hat---we have it. Shapes for all heads. They're here in abundance and more to come in just a day or so. Prices too, at less than the "Charge-all-I-can-get" place asks.

And if it's a shoe---We!l we will just blindly guarantee the wear upon our "sole of honor" of our Howard & Foster shoes. They're the cream of value, the foundation of comfort, and for looks, well there are higher priced shoes in this town, but we would like to raise the blinds way up and let in all the light and put them side by side. Come to think about it, you try that. Look at all of 'em---if your feet could talk they'd tell you to, and more'n likely they'd insist on H. & F. shoes, too.

#### The Call of the New Season

Throughout our store is to be found the latest creations in Fall Wearing Apparel. You cannot buy too early. Just the suit, coat or hat that you want may be sold.

And just now we are showing all the new Fall garments in abundance. In high grade suits you will find here, garments that simplify elegance, simplicity and style. In the medium priced suits you will find sensible and serviceable garments that will look well and wear well.

Just here we call your attention to the following which have just reached us---a shipment of new skirts in the new styles of side and full plaits. Shown in the wide stripes and large plaids. A large shipment of waists in the most popular materials of silk, crepe de chine and georgette crepe. And a new shipment of fancy silk thread hose.

#### Presenting our new footwear for fall 1916

It is a recognized fact that we have the highest grade footwear in this part of the state. It will be more so after this season. For we have surpassed all previous records.

We are showing all the new styles in Kid boots of the highest grade in both button and lace. Two tone grey in kid lace. The new Havana Brown Kid in lace. the Imported White Washable Kid in lace and many others not mentioned here. We will take pleasure in showing you these new creations, they are quite different to anything ever shown before and the quality is unsurpassed, These same shoes are selling in the large cities at \$7 to \$14. Our price ranges in high grade boots from \$4 to \$8.

We take pains in fitting your feet with the proper shoe. That means something, too. The greatest secret of a good looking shoe is a perfect fit.

Two in One at the Price of One, Use Coal or Gas or Both in the Same Oven

The Twelve Months-in-the-Year Range The Round Oak Combination range is "twelve-month-in-the year" range, combining the comfort and economy of coal, cold or wood in the spring, summer, and fall, or gas during the warm summer.

It will not be necessary to start the furnace fires on a conrainy day when a light fire in the range will make the house entirely comfortable and with one-third the fuel.

In the winter months when the house is shut up tight, you will and with the use of coal or coke as a fuel, your home will be well ventilated and thoroughly comfortable.

How is This Accomplished?

By constructing this range of the very best material and build ing it with these suggested improvements, it has been possible to produce for you a range that will render a generation of service-supreme satisfaction.

Remember that this range has every convenience and advantage tage of an exclusive coal range and an exclusive gas range. does the work of both-it takes the space of one-it costs but little more than one.

We invite the opportunity to demonstrate this range to you.

MCNEILL Q SMITH

## Compare, if You Please

Our ready-to-wear and millinery with other lines and note the difference. This is no idle talk but the verdict of the largest majority of Haskell County's best dressers. The quality of all \$25, \$30 or \$35 suits are not the same; comparison is all we ask, and the verdict will be in our favor. Our line of dresses. suits and coats are lines you find in the cities. If you will take our garments in your own home and compare the quality, style and prices we will sell you your ready-to-wear and millinery sure.

#### Our Millinery Business is Steadily Increasing

Each season shows a gain over the previous one. Our milliner, Miss Julia Winn, has charge of this department, and has been instrumental in the big success of this department. Her constant association with the trade enables her to help you select the styles that are most adapted to each customer. If you are not our customer, give us a look; you will find a larger selection to select from than any house in Haskell.

Suits \$12.50 to \$37.50

Silk and Wool Dresses \$5.00 to \$35.00

Coats **\$5.00** to \$45.00

Everything new in Dry Goods, Shoes, Hats, Caps and Clothing, is ready for your inspection. We have a complete line now. Shop early and get the pick.

#### Oil Mill Most Modern In State

The Western Cotton Oil and Gin Co., will have, when completed, one of the most modern and up to date plants in the State. Since the fire in June which destroyed the seed and hull houses, rebuilding has been going on continually, and while they were at it, Manager Earl Cogdell, decided that the best would be none too good, and they built it from the best material, in the best manner, and installed nothing but the most modern machinery, not only in the new buildings but throughout the whole plant.

In the boiler room, a new 400 h. p. Murray boiler has been installed, which will give more power, and be more safe than the old boilers. The heaters, and all connections, pumps, etc. are all either new of have been thoroughly overhauled. Oil while be used for fuel.

The giant 250 horse power en gine was installed new last year, and needed but very little attention when it come to overhauling being amply powerful enough for all requirements.

The Press room machinery has been overhauled, and made complete by rebuilding and new parts.

In the mill room has been placed new, modern machinery, which will grind the meal finer, and better, and which will of course make better satisfied customers.

Upstairs have been placed new Murray ball bearing linters, and machinery in seperating is new.

The new 100x50 hull house has been completed. This is the only mill in the state equipped with the new blower method of handling hulls. The hulls are blown through a pipe from the mill to the hull house, and are loaded into cars in the same manner.

The seed house is said to be the best in the state with the excepof unloading cars has been improved upon, for instead of screw conveyors, the seed will be unloaded onto belts, which carry them into the seed house.

The mill has its own water and lightning system. Its water system is indeed complete, having a pressure of about 50 pounds, coming from a high water tower. Ten fire plugs surround the mill.

The six steel storage tanks for cotton seed oil were bought new last year. These have been repainted. They hold 9,000 gallons of oil each.

Seed is being unloaded in the seed house, and the mill will probably start running the last of next week.

Superintendent J. R. Sorrells, who is in charge of the mechanical parts of the mill, and who was it, came here about five months Miss Dessie Lee of Haskell spent ago from Abilene, where he has the week end with friends and rel- been Superintendent of the Continential Oil & Cotton Co. for the Miss Lizzie Davis is spending a past sixteen years. Mr. Sorroll his future home.

The patrons and employees of J. B. Whitaker and family of the Newson Gin were given a treat last Saturday night in the form of an oyster supper at the Merchant's Cafe. In all 113 dozen of oysters were eaten, and everyone seemed to enjoy themselves.

#### Alexander-Dwyer

A wedding of unusual beauty and interest took place at the Baptist church in Terrell Wednesday afternoon, Sept. 6th, when Miss Emmie Dwyer, daughter of Mr. and Mrs. F. J. Dwyer, became the bride of Mr. Fred Alexander of this place.

The church was attractively decorated with growing palms, ferns and cut blossoms.

A large concourse of relatives and friends of the contracting parties assembled to witness the ceremony which was impressively performed by Rev. W. H. Wynn, the beautiful ring service being used.

Mrs. C. M. Griffith sang as a tion of one, after which this prefatory number "Oh, Perfect x80 feet, and 50 feet high, and the sweet sentiment of the Dallas, and later for Haskell, ar-Has baffled walls, 20 feet high, song was wonderfully felt. #### An Appeal For Funds to the Democratics

Democracy is the rule of the people and is inherent in man and has cropped out in all ages. Four hundred years before Christ, Aristotle and others of his contemporaries pointed out its advantages, but ambitious men held the people down and lorded it over them.

Aristocracies, Oligarcies and Monarchies have risen and fallen, leaving their pathway stained with blood, and today history is repeating itself in the Old World, while we are crowned with peace, plenty Fix your aims early in life. They and happiness under democratic determine the road along which rule. Democracy has been the supreme ideal sought by good and If you expect the journey to be wise men in establishing correct one of pleasure and profit to your- relationship among men in society self and to others, if you expect to in commerce, and in government.

A great statesman after reading high. It is better to miss a high the history of all the great nations of earth said, "Democracy is the ashes of departed nations handed down to us in golden urns." votes have designated Friday, In the 18th century a systematic Nov., 10th, as Press Day at the form of democracy was promulgated by Rousseau and other wisemen of France. These men interpreted committee a week ago and pract- the feelings of the people and voiced a passionate desire in all, for the inalienable rights which kings and autocrats had withheld from them. These ideas, though first proclaimed in France as theories, were to find their first practers and their employers without ical interpretation and embodigross damage to the public on ac- ment in America. Thus France, count of the reserve supply which by her ideas, influenced the American colinies in their struggle tor self government, and as it by reciprocation the reflex influence of his paper to Arlington, Texas, there can be no reserve supply of the American democracy, encouraged the French Revolvtion, out of which, finally came the French Republic.

> The success of democracy in the United States has the real propelling force in securing recognition for the people, and in interpreting rights in the constitutions of society throughout the world.

Many times have I gazed at the great statue of the Goddess of Liberty in the harbor of New York, holding her torch to enlighten the world, Oh! How significant this attended preaching at Center statue is today as the world is looking to this great nation for a final solution of the great questions that have plunged them into the greatest war of history.

Democracy has been proven and triumphs over all other forms of government, as has been demonstrated by this grand government when the wicked beareth rule the people mourn."

After fifty years of wandering in the wilderness under Republican rule, a Moses has been sent to lead us out. Need I say that profound scholar, matchless leader, immaculate Christian, Woodrow Wilson.

There will be an immense slush fund made up by the Republican party to defray campaign expenses, so the Democratic party will be compelled to appeal to all patriotic democrats to contribute to a fund for sending out literature and speakers. As a member of the Democratic National Committee I will gladly receive and remit all contribution to the national treasurer, New York.

Respectfully, S. G. Dean, Postmaster

Some of our readers have asked us why we did not report the deaths and births of the county. This has been impossible for us to do on account of the physicians failing to report promptly. The law requires that a physician report deaths and births promptly to the county clerk, where a record is kept. In many cases they have failed to do this and a num ber of births and deaths have occured without any record made whatever.

#### Tax Rolls Show Valuation of Nine Million

#### Joe Bailey

Most everybody is picking cot ton in this part of the country. Cleve Lanham has been visiting Phillip Ulmer of the Plainview community the last few days.

Frank Stevenson of New Hope and Edwin Stevenson of Stamford were visiting in the Bailey community Sunday. Miss Lena Hutson returned

Saturday from Liberty where she had been visiting her brother for the last week.

Miss Pearl Shelton of this com munity left last week for Canyon to attend school.

Mrs. J. H Roye of this community left last Thursday for Floyd county, where she will visit her sister Mrs. Reagan for a few days.

Several of the young people Point Sunday evening.

The singing at the home of F. I. Green Sunday night was well attended and enjoyed by all.

#### Whits Chapel

A light shower fell in this community Friday evening.

Picking cotton is the order of the day with most farmers in this community.

W. A. Montgomery of this community moved to Post last Monday.

A few of the people attended the cream supper at John Blands Friday night.

A. J. Matthews and family visited his mother of the Whit community Sunday.

Dow Putnam visited in this community Monday night.

Mrs. R. Matthews has been real sick but is some better. Mrs. Davis's neice of Anson,

who has been visiting her for the past week returned home.

Jim Cox of the Howard community visited in this community Saturday night.

C. W. McCown's son from near Fort Worth is visiting them. He says crops are very short in that section of the country.

Two Girls.

A commission composed of seven bishops, seven pastors and seven laymen of the Protestant Episcopal church has agreed to eliminate the word "obey" from the marriage ceremony. They might as well have done it sometime ago, unless they have the groom to take the vow instead.

Tickets \$2.00 for adults and \$1.00 for children for season's tickets to Lyceum course.

> Sunday with Gordon Malcom and family of Weinert.

> Mr. and Mrs. McNeily and daughter were the guests of Mrs Abott and daughter Sunday.

I. W. Nanny of Mason left the home of his daughter Mrs. A. W. Griffin Saturday to visit his son and daughter of Haskell this week.

Blossom.

#### McCullough-Clements

Lee McCullough and Miss Hattie Clements were married at the home of the brides parents in the Myers community Sunday afternoon September 3rd. Rev. Little of Weinert officiated. A large number of relatives and friends witnessed the ceremony.

The groom is the son of Mr. and Mrs. G. C. McCullough of the Roberts community. The bride is the daughter of Mr. and Mrs. J. M. Clements of Myers. Both of the contracting parties are of well known and respected families in that part of the county and the Free Press joins their many friends in extending our very best wishes.

#### Brown-Sanders

Elmore Brown and Miss Hattie Sanders were married at the home of the brides parents, Mr. and Mrs W. O. Sanders in the Gilliam community on August 27th. Rev Read of Foster officiating. Both of the contracting parties are popular young people and they will make their home in the Gilliam community, The Free Press joins their many friends in wishing them much happiness and prosperity.

Prof. Williard Smith has contracted to teach the Hooker school seven and one-half miles community in the near future.

#### Stamp Tax Is Now Removed

When the new general revenue bill became effective Sept., 9th, business men throughout the country were relieved of stamp taxes which they had been paying since December 1, 1914, and which were to have continued until December 1 of this year.

The general revenue bill replaced the emergency bill stamp taxes and the internal revenue bureau has ruled that revenue stamps will not be required after today. Those were paid on telegraph and telephone messages, trolley seats and berth tickets, bonds, debentures, certificates of stock, transfer bill of sale, promissory notes, express and freight bills of lading, bonding instruments, conveyances, insurance policies, entry of goods, passage tickets, powers of attorney, protests, perfumery, cosmetics and chewing gum.

During the first seven months' operation of the emergency revenue law these stamp taxes yield more than \$23,000,000. These taxes are removed collectively and not under individual heads.

#### Vontress

Most everyone is busy picking cotton in this community at present. Cotton pickers are scarce and hard to get.

The shower of rain we had last week was a great help, but not enough to put out stock water. Some of our people have begun hauling water for their stock.

Martha, Fannie and Johnie Arent are visiting relatives near Stamford this week.

H. F. Haley and family made a trip to Seymour returning Tuesday. They report crops good on the sandy land, but not quite so good on hard land.

Walter Posey and Miss Lena Kilgore were united in matrimoney two weeks ago. We wish them a happy voyage through life's

our Convention Sunday and bring a well filled basket.

Work on the cistern at Vontress has been completed, and also a place made to keep the organ.

Blue Jay.

#### Majority for Culberson is Cut to 46,700

Senator Charles A. Culberson's official majority over former Governor Oscar B. Colquitt in the run-off race for senator will go down on the records as only 46,-700, though newspaper returns give the present senator a majority of 67,000 over his opponent.

The Democratic executive committee met at the Westbrook hotel in Fort Worth Saturday afternoon to canvass the returns and declare the result.

More than forty counties failed to make any reports at all, among them being McLennan, which, according to newspaper reports, gave Culberson a vote of 3,685 against 1,903 for Colquitt. A number of other heavy Culberson counties were among those which failed to report.

#### Methodist Church

The Missionary Society met Monday afternoon at four o'clock.

We had the first lesson in our new book, "South American Neighbors" conducted by Mrs. J. W. Fields. An interesting paper, "The Pan-American Building" was read by Mrs. Clarence Lewis. A very sweet letter from Mrs. Bell to our president was read before the Society Sept. 4th and greatly appreciated by all.

Mrs. Neathery has charge of the Missionary Voice for next Monday. Reporter.

Jesse Barton of Olney visited his old friend E. B. Hilliard of west of Rule the coming term Gauntt this week. While here and will move his family to that he made arrangements to move his family to this section.

T. H. Newsom had just moved Paul Zahn was breaking wheat his family from Haskell to the stubble with 2 rigs and he was Newsom Ranch. In addition to his other products he is selling cream to the Haskell Bottling

> We called on I, S. Grindstaff, one of the largest cotton farmers in his section of the county. He has out six bales.

> T. M. Poteet is getting along

We took dinner with Fred Monke and will tell more about him in another column of the paper.

J. P. Harrison had mobilized his cotton pickers for a rest on the front porch. He has sold ten bales of cotton and seed which brought him \$1000 He also got the premium bale at Weinert.

T. B. Trice has ginned 6 bales of cotton and is still yicking. He has some fine hogs.

shingling a barn at Mr. Trice. He s a good carpenter. We called on J. M. Clements and

Uncle William Meyers was

bales of cotton when we reached found that he had either lost a girl or gained a son, as his daughter had married.

> W. E. Wafford had out 6 bales of cotton and had gone to Haskell to the gin, J. C. Draper was helping his boys pick cotton.

We made our next stop at the home of C. W. McKelvain and met him for the first time. He is a good farmer and citizen.

We drove to the home of J. H. Cunningham and spent the night, a pleasure we enjoyed. He is breaking stubble and will soon be through plowing, and is getting along nicely gathering his cotton.

Bring Hunt your seed, you don't have to touch them for we keep a man on the stack to unload for the farmer.

#### Resumes Music Teaching

Mrs. H. R. Jones will resume her music teaching at the open ing of school Sept. 11th.

For the North Ward, at the residence of Mrs. Neal, (with ex- canvassed, and the results found Mrs. Neal's absence from town), Mondays, Wednesdays and Fri-

For the South Ward, at the residence of Mrs. Sims, Tuesdays and Thursdays.

Lessons will be given at home on Saturdays.

Tuition \$4.00 per month. Three lessons per week.

Will appreciate your patronage

Mrs. H. R. Jones. Strayed: From Goree, Texas,

Thursday, Sept, 7th, a black, five year old mare mule, scar on right fore foot, and scar on left hind foot. Finder please notify me and recieve reward.

Clyde Warren, Goree Texas.

If you are not bringing your seed to Hunt you are losing money. Everyone who brings us seed make money.

# UNT'S Store No.2

Monday, Sept. 18

We will offer any men's low cut shoes, patent gun metal or vici for just half price.

\$20,000.00 STOCK TO BE CLOSED OUT FOR WHAT IT WILL BRING!

We have decided to close out our Store No. 2 and when we say close out we mean an absolute close-out of the business. We have entirely too many goods and we have decided to begin right in the beginning of the season when you have bought none of your winter supplies, and sell you this entire stock for less than present wholesale prices. We have filled in on all lines that are short, and now this stock is second to none in Haskell.

Never in the history of Haskell County were the people offered an opportunity to buy their entire winter supply of dry goods, clothing, shoes, staples---in fact everythining, at such a saving as we propose to offer you.

#### A New Cotton Gin **Erected At Sagerton**

The Farmers' District Union debt and foreclosure. Gin Company at Sagerton is erecting a new cotton gin which will rank as one of the best in the county. The building will not be completed before next week, but they are already prepared to handle the cotton, the Civil Dock et in The machinery being in place. Their first bale was ginned Tuesday of this week.

Five 70-saw Continental gin stands have been installed and a Fairbanks-Morse 70 horse, crude oil burner engine will be used as the motive power. Mr. O. L. Darden, the efficient and agreeagle manager informs us that the capacity of the gin will be about 50 bales a day.

Negro residents fled Baylor county following the killing of Sheriff W. L. Ellis by Steve Brown a negro, on Aug. 6th. Since then there has been some discussion as to whether they would be permitted to return and a mass meet ing was called to determine the question. The meeting was called by some who favored their return. Those against the plan used campaign methods to get a crowd to the mass meeting. Handbills were printed and distributed throughout the county, messengers on horseback were sent to remote parts of the county and rural telephones used to summon voters from the more densely populated sections.
