Rebelettes Take Second, Rebs Third In Tournament

By Britt Morgan

The 1981 Rivercrest Invitational Tournament was held this past weekend at Rivercrest High School. The Tournament was labeled quite a success by basketball coaches Frank Stubblefield and Wake Wood. "We had a good turnout for most of the games and overall good sportsmanship by the fans as well as the players," said Wood at the conclusion of the event.

The three day, double elimination tournament kicked off Thursday at 10 a.m. with the Rivercrest Rebels and Rebelettes playing that afternoon. The Rebelettes played the Delmar Eagles at 1 p.m. with the boys game following at 2:30 p.m. The Rebelettes handed Delmar a 59-42 loss and advanced to the semi-finals. Six foot five center, Veronica Howerton led scoring for the girls with 45 points. Others adding to the total were senior forward Jean Ann Norman, junior guard Rhonda Branch, and sophomores Nelda Anderson, Jackie Via, and Kim Reeder.

The Rebels added insult to injury by defeating the Eagles in the boys game 61-60 in a come-from-behind fourth quarter rally. Stan Wood, Bradley Moore, and John Hines all had 12 points for the Rebs with David Rozell adding 11 more.

Other games in the girls bracket included a 57-43 North Lamar victory over

Roxton, a 29-24 Honey Grove defeat over Prairiland, and a thrilling 63-62 Cooper win over Detroit. The boys bracket held equally close scores as Honey Grove defeated Prairiland 64-62, Detroit edged by Cooper 63-60, and Roxton pounded North Lamar 52-31.

Friday the Rebelettes advanced to the finals with a 49-46 over-time victory over the North Lamar Pantherettes. Senior Center Veronica Howerton again led scoring for the Rebelettes with 23 points with Jean Norman adding nine more. In the nightcap, the Rebels were defeated by Roxton 55-52 in another close contest. David Wisinger led scoring for the Rebs with 25 points while James Strickland and Bradley Moore added eight each. The win advanced Roxton to the finals and put the Rebs in contention for third place.

In the girls bracket for Friday, Honey Grove earned the right to play Rivercrest in the finals with a 46-38 win over Cooper who moved to the third place battle with North Lamar. Roxton defeated Delmar 60-47 and moved into contention for the consolation trophy with Prairiland who put Detroit out of the tournament with a 49-35 win. The boys bracket also placed Honey Grove in the finals with a 62-60 win over Detroit who moved in to play Rivercrest for third place. Prairiland boys also earned a spot for the consolation trophy by defeating

Cooper 69-44. North Lamar defeated Delmar 50-45 and placed their bid for consolation against Prairiland.

In Saturday's games Roxton girls won the Consolation Trophy by defeating Prairiland in an exciting contest 47-43. But Prairiland boys made up for the loss with a whopping 68-49 defeat over North Lamar for the Consolation honors. Cooper girls then defeated North Lamar 63-53 for the third place trophy. Then the Rivercrest Rebels took the court and quite handily gave Detroit a 59-39 defeat and walked away with the boys third place spot. Stan Wood led scoring for the Rebs with 20 points. David Wisinger put in 15 and David Rozell added another 13.

From then on it was Honey Grove all the way. Despite the 30 points that Howerton put on the board for the Rebelettes, it was not enough to hold off the Warriorettes as they defeated the Rebelettes 42-39 for first place. Others scoring for the Rebs were Jean Norman and Nelda Anderson. And in the final game of the tournament, Honey Grove boys took home the first place trophy with a 61-54 win over Roxton.

Veronica Howerton was the only player from Rivercrest to make the all-tournament team. For the three games, Howerton accumulated 98 points. For the boys team in three games, David Wisinger had 45 points, Wood had 35,

Rozell put in 28, and John Hines added 23 more. The coaching staff would like to thank the communities for the fine turnout of the tournament. Girls coach Frank Stubblefield commented that he is very pleased with his Rebelettes' performance. With only one returning starter and the majority of the team made up of sophomores, you can not expect a whole lot from a team at first, but Stubblefield said, "If we keep improving and the girls keep learning to work as a team, we will win district." Boys coach Wake Wood said after the tournament, "I believe we had a real good tournament. The teams were evenly matched and all the games were good ones. I feel our (Rivercrest) boys did a good job. We've only been practicing two weeks and with the Thanksgiving holidays off, we will not reach our full potential until later. But I think under the conditions we have a real fine ball club."

So the curtain has closed, the orchestra has finished the last bars of song, the applause has faded, and history has been made. The 1981 Rivercrest Invitational Tournament is over, but the thrill of victory and the agony of defeat still remain in the hearts of the players, coaches, and fans.

Bogata City Council Meets

The Bogata City Council at its regular meeting on Tuesday, December 12 will hear a report by Hayter Engineering of Paris of the results of the Sewage System Survey just completed,

according to Bogata Mayor John Worth Hood. The Survey was performed by Hayter, together with Gutierrez, Smouse, Wilmut & Associates of Dallas in contract with Hayter.

All-District Players Named, Honors Given

By Britt Morgan

The coaches of District 20-AA have met and the all-district players have been selected. Selected to the first team offense from Rivercrest were running back Jerry Merchant and for the third year, tackle Damon Ward. The players chosen for second team offense were center David Craig, guard Dudley Horton, tackle

Stanley Jessee, and end Scott Ward. Elected to first team defense were line-backer Merchant, lineman Tim Williams, and defensive back Stan Wood. Second team defense include lineman Damon Ward and defensive back John Hines.

Jerry Merchant was selected as the offensive and defensive most valuable player for his running and

blocking as a running back and his defensive management from the middle line backer position. James Strickland received honors as all-district punter for the third consecutive year. Coach Milford Groves said he was pleased with the selections, but feels that the district champion Rebels should have been recognized a bit more. "I guess its

because we performed as a team so well that no player stood out," Groves commented on the selections. The Rebels finished the season 4-0-2 in district play and represented the district in the bi-district contest.

have a nice weekend...

Player of the Year Jerry Merchant

Jr. High Starts Basketball

Bogata Jr. High started their season district play off well Monday night by capturing three wins from Sulphur Bluff at Bogata.

In the first game the B Boys won by a score of 18-12. The girls then won 32-18 with Donna Sessums and Jennifer Glass scoring eight points each. The boys then scored 46-25 with Tony Jasso with 25 points and Russell Rozell had eight.

They all played good ball and started the season well.

Church To Sponsor Contata

The Calvary Baptist Church will sponsor a Christmas Contata (A Joyous New Christmas) Sunday night following the childrens program at 6 p.m. December 13. Soloist will be Judy Stevens, Shirley Whitney and Barbara Brown. The Rev. Marion

Coon, pastor, will be the narrator. Jerry Russell is the program director. Mrs. Linda Wood and Mrs. Sandra Ingram will direct the childrens program (The Christmas Story). Following the contata there will be a church wide bar-b-que.

House Destroyed By Fire

Members of the Talco Volunteer Fire Department and the Mt. Pleasant Fire Department responded to a call east of Talco at approximately one o'clock Sunday afternoon December 6, where a house was reported to be on fire.

When the units arrived the house was reported completely engulfed in flames.

The lease house owned by Winchester Oil Company was occupied by Alfredo

Deleon, Pedro Vellela, Juan Deleon and Jesus Deleon, employees of the company. Alfredo Deleon was taken to the Titus County Memorial Hospital where he was treated for a burn to the foot and released.

The fire apparently started when an aerosol can exploded. The house and all contents including a billfold containing over one thousand dollars was a complete loss.

Rivercrest Loses Close Game To North Lamar

The Rivercrest Rebels lost Tuesday night to the North Lamar Panthers in a close game of 46-44 favor of the Panthers.

Coach Wood commented that "we were down eight to ten points early in the fourth quarter, but came back and really played good ball, catching up with 25 seconds to go using a 15 foot jump shot by John Hines."

Wood also commented that he thought North Lamar had played their best basketball game of the season. "They looked weak at our tournament but came together and really played ball Tuesday."

Ball control, the coach said, made the difference, with the Panthers refusing to get into a running game with the Rebels.

Also, the Rebels scored only 19 out of 70 from the field. Wood stated "This has got to be beaten. We know we

are going to get better on our scoring."

He mentioned that David Rozell is continuing to shape up, and that the rest of the boys are really hustling, but there is still a problem with timing. This, too, will be

remedied he affirms.

Rivercrest will be playing in the Mt. Vernon tournament this weekend, with the Rebelettes playing against Detroit at 10:00 Thursday, and the Rebels at 11:30.

Lodge To Celebrate 100th Anniversary

There will be a called meeting of Rosalie Lodge No. 527, A.F. & A.M. on Saturday night, December 12 at 7:30 p.m. in observance of

the Lodge's 100th Anniversary.

Refreshments will be served. All Master Masons are invited to attend.

Junior High In Tournament

The boys and girls of the Bogata Jr. High participated in a tournament at Winfield Dec. 3rd, 4th, and 5th. The Bogata girls defeated the Chappell Hill girls by a score of 26-12 to win the third place trophy.

Donna Sessums scored a high point of 14 points and RaNeil Burns followed with a score of four points. The girls appeared to play better than before.

The Bogata boys also defeated Chappell by a score of 41-39, and won the consolation prize. Tommy Jasso scored high with 22 points and Russell Rozell followed with eight points. All the boys played a good game and appeared to be making progress.

Both teams are looking forward to a successful season.

Christmas Is The Time for Greetings!

It's Christmas! Time to shop for gifts, decorate the house... and send out greeting cards.

Christmas cards are so much a part of the holiday tradition that it's hard to imagine a time when they didn't exist. Yet, it wasn't until 1843 that the first Christmas greeting card was designed by John Calcott Horsley, the English artist.

Since then, cards of all kinds have found their way into the postman's sack. They reflect the sender's taste and interests in many ways, as well as current trends. Today's comical Santa, for instance, is more apt to be riding a moped instead of a sleigh.

There are always many religious themes to be found in yearly card selections: the madonna and child, the wise men, manger scenes and the star of Bethlehem, are among the more pious subjects.

Then, there are the "cute" cards: amusing Santas, kittens and puppies, reindeer, and youngsters hanging up their stockings by the chimney with care, for instance.

Tips from the Florist

When ordering a flower arrangement from a florist in winter, it is best to be flexible in the choice of flowers.

Chrysanthemums, especially pompons, are usually plentiful in florist shops in winter; so are carnations. Both are suitable for almost any occasion. They are good keepers when water is changed and stems are trimmed daily. Snapdragons are generally a good buy, particularly if purchased fresh-cut at a greenhouse.

Fuel Saver

Pulling the shades at night not only gives you privacy, it also saves you fuel costs. The shades partially insulate the windows. They keep out the heat in the summer and the cold in winter.

Cut Off

Closing off rooms that are seldom used will cut heating costs. The door should be well-sealed against air passing over the threshold. If there's space for air to pass, add weatherstripping.

have a nice weekend...

Christmas Spirit Is One of Love

The spirit of Christmas—it is so many little things. Despite the commercialization of the season, we can still experience the true meaning of Christmas all around us.

It is receiving a greeting from someone thousands of miles away... just a card, but a warm reminder that friendship is one of the most precious gifts of all.

It is young voices raised in song at a convalescent home for the aged... with those wrinkled smiles and moist eyes conveying more than words ever could how appreciative the listeners are.

It is baskets of food and toys for the less fortunate of the community, lovingly put together by those eager to share of their abundance.

It is the newspaper boy's shy delight when an appreciative patron includes a holiday tip for faithful service throughout the past year.

It is being surprised by a neighbor with a batch of her homemade cookies.

It is the hours spent looking for that special gift for someone on your list—not an expensive gift, but just what he or she has always wanted.

It is receiving a handmade sweater or scarf, reflecting the hours of love and time spent in its creation.

It is the face of a child, listening wide-eyed to Mom or Dad reading a favorite Christmas story.

It is the gratitude in a shut-in's eyes, when visitors come to call during the holiday season.

It is the cheery "Merry Christmas!" called out by the busy service station attendant or grocery clerk.

It is the spectacular display of lights on homes on the block, placed for neighbors and passers-by to enjoy.

Christmas is sharing... caring... giving. It is, simply, the spirit of love.

YHT To Hold Progressive Dinner

The next regular meeting of the Rivercrest Chapter of Young Homemakers of Texas has been changed from Tuesday, December 15, 1981 to Monday, December 14, 1981 due to conflict. This meeting will be the Christmas Progressive

Dinner. Everyone should meet at 6:15 p.m. at the First Baptist Church parking lot. From there we will go to the first home. Each member is bringing a child's gift to be given to a needy family.

Guilty Plea Heard By Judge

On November 30, District Judge Henry Braswell heard a guilty plea and pronounced sentence as follows: Mickey David Thomas, a black male, was sentenced to five years in prison for possession of a forged instrument on November 6, and his probations for two

prior acts of forgery were revoked, all three sentences being for five years and running concurrently.

have a nice weekend...

Phone someone this Christmas.

This year, say Merry Christmas with a phone from GTE. We've got phones that say it the old-fashioned way, phones that take the modern approach, and phones that stand on their own two feet (and come with their own two ears). What's more, you can actually take these phones home, wrap them up and put them under the tree. So call your local General Telephone business office. For a gift that really communicates.

Holiday List Of Tips for Fire Safety

Every year, more than 650 Christmas trees catch on fire, according to the National Fire Data Center. These fires cause more than 40 deaths and 90 injuries, and damage is estimated at approximately \$5.1 million.

Don't let your Christmas go up in smoke. Protect your family by following these tips, which are part of the Burger King Fire Safety Program.

- Buy only a fresh Christmas tree—one whose needles are moist and soft. Stand it in a water-filled container to keep it from drying out.
- If you buy an artificial tree, be sure it is certified as flame retardant.
- Place the tree in a cool area. NEVER near a heater or the fireplace.
- Never set up electrical toys, such as trains, near the tree where sparks could ignite them.
- Check Christmas lights for worn wires and loose sockets.
- Don't leave the tree lights on at night or when no one is around to watch.
- Avoid sudden flare-ups in the fireplace which can be caused by burning wrapping paper or cardboard boxes.
- Always keep a screen in front of the fireplace, even when the logs are just smouldering.

Chuck: Did you know that Jesse James was a weight-lifting champion? Buck: I don't believe it. Chuck: It's true. I heard he held up two trains one after another.

Bogata Locals

Mr. Wayne Martin of Bellvue, Washington recently visited her parents, Mr. and Mrs. R.J. Holt.

Dr. Nancy Jones and Mrs. Mike Jones of Irving were guests of Mr. and Mrs. Doug Alsbrook during the holidays. They were all Thanksgiving guests of Mr. and Mrs. Wayland Norrell and family of Minter.

Mrs. Thelma Stewart has returned after spending sixteen days in Houston, Dallas, Shreveport, Lake Tahoe, Nevada and Calif. She was met at Lake Tahoe by a cousin Mr. and Mrs. Malcolm Cathcart. She was accompanied by Lanny Stewart. Her mother Mrs. Sam Brown accompanied her to Houston to visit with her daughter Mr. and Mrs. W.J. Mathena.

Early Christmas visitors of Mr. and Mrs. Earl Flenniken were their children and grandchildren Mr. and Mrs. Bill Flenniken, Scott and Tracy and Debra Flenniken of Waco and friend Lee Shamble of Houston; Mr. and Mrs. Boyce Flenniken, Cindy and friend Jimmie Ballard, Chester Flenniken, Michelle and Melanie, Mr. and Mrs. Boyce Flenniken and Blake and his fiancée Toni Cawley of Paris; Mr. and Mrs. John Allen, Zachary and Dustin of Rugby; Mrs. Chester Flenniken of Paris was unable to attend because of sickness. Mr. and Mrs. Dennis Lakin and children of Sherrerville, Ind. called to wish everyone a Merry Christmas. Gifts were exchanged.

Mrs. Gladys O'Neal of Cunningham spent last weekend with Mr. and Mrs. W.B. Powell.

Saturday guests of Mr and Mrs. J.N. Lee were her brother Mr. and Mrs. Alfred Buster of Wills Point, Mr. and Mrs. Edgar Rodgers and Mrs. Nellie Maths.

Mr. and Mrs. Ed Ford of Jefferson were Sunday visitors of Mrs. Ruby McClure.

Mrs. Elaine Burgess of Clarksville and Mrs. Jettie Minshew and Christine Baker visited the latter's sisters and families, Mrs. Nina Pybus and Mr. and Mrs. K.C. Yale of Fort Worth and Mrs. Burgess son, Jimmy Burgess and family of Grand Prairie and attended the Shriners Motor Corp Ball Friday night and made a shopping trip on Saturday to the reconstructed Forth Worth Stockyards.

Mr. and Mrs. Bud Green visited her brother, Clyde Roberts Sunday and Mrs. Roberts, a patient at Red River General Hospital. She was dismissed Monday and is at home.

Portents of The Season

If the sun shines through fruit trees on Christmas Day, it is a sign that the trees will bear much fruit.

A white Christmas pre-ages a prosperous year.

The number of mince pies you taste at Christmas indicates the number of happy months you'll have during the coming year, according to an old English belief.

Belva Jean Ward and Monte Ray Randolph

Ward-Randolph To Wed

Mr. and Mrs. Dean Ward of Bogata announce the engagement and approaching marriage of their daughter, Belva Jean, to Monte Ray Randolph, son of L.R. Randolph of Paris.

The bride-elect is the granddaughter of Mr. and Mrs. Ben Webb of Deport and Rufus Ward of Bogata. She is a 1980 graduate of Rivercrest High School and is employed at Colonial Coiffeurs in Paris.

Her fiancé, the grandson of Mrs. E. Lawson of Sulphur

Springs and Mr. and Mrs. Horace Adams of Bogata, is a 1979 graduate of Rivercrest. He is employed by Texas Utilities Generating Co. in Winfield.

The ceremony will take place at 7 p.m. Saturday, Jan. 23, at the home of the bride-elect's parents in Bogata.

No formal invitations will be issued. Friends and relatives of the couple are invited to attend the ceremony.

Weems-French Exchange Vows

Mrs. Iva Kilgore was in DeSoto for the weekend to attend the wedding of her granddaughter Gayle Weemes to Mark French. The bride is the daughter of Mrs. Dan Weemes of DeSoto and Buddy Weemes of Cedar

Hill. The groom is the son of Charlotte Dickerson of Mabank and Johnny French of Whiterock. The ceremony was performed Saturday night at the home of the Brides mother. They will make their home in DeSoto.

Focus on Christmas Season

Christmas is one of the most memorable celebrations of the year. It is also one of the most photogenic and Christmas photos and slides will be prized for years to come.

Take A Camera

When it comes time to buy the tree, take your camera. Trimming the tree can be good for a couple of rolls of film by itself. And then you'll want to shoot it at night with its lights on and the room lights off. That's when a Christmas tree is at its magical best.

You'll need to make a fairly long exposure to pick up the relatively dim tree lights and to give them a chance to illuminate the branches a little. Use ASA 400 film, a tripod and cable release, with the lens set at f/8 expose for 1/2 second and then from one to eight seconds in one second intervals. One shot should be right.

Other shots you can

make are of the gifts being wrapped, Christmas cookie baking, caroling and partying. Make sure you get a picture of the wrapped presents at the base of the tree.

When the wrappings come off on Christmas morning, be ready with your camera—particularly if there are kids in the house. There's nothing quite like the smiles, grins and wide-eyed looks of delighted surprise that accompany the opening of particularly appreciated presents.

Again if there are kids, get some shots of them playing with their new toys. Your last big shooting spree is most likely to be Christmas dinner, both during its preparation and during dinner itself. If you have a camera with a self-timer, get yourself into the picture.†

Here's a Christmas shooting schedule from the technical staff of Canon U.S.A. They say that almost any camera can document Christmas, but they suggest a 35mm single lens reflex such as the new AE-1 Program. It automatically selects both the shutter speed and lens opening, an arrangement that is ideal for quick candid shooting and that's what you'll be doing most of.

The Canon experts suggest you start several days before Christmas Day. Accompany another member of the family on a Christmas gift shopping expedition. A good shot would be Mom or Dad coming out of

Can You Survive A Respiratory Challenge?

When your respiratory system must cope with a challenge, whether you survive or die may depend on whether you smoke.

This information is from a newsletter of the New York Lung Association: "According to Dr. David J. Pierson, Director of Respiratory Therapy at Seattle's Harborview Medical Center, combined findings show that

smoking weakens the ability of the respiratory system to cope with a challenge."

The Yule Log

The ceremony of the Yule log is a festive tradition in many homes. The burning of the mammoth log began as a Scandinavian practice during the winter solstice. As the log burns, a prayer for light, warmth, and comfort is recited by members of the family.

PUBLIC NOTICE

In accordance with rule 052.01.00.043(a) of the Public Utility Commission of Texas' Rules of Practice and Procedure, Continental Telephone Company of Texas announces it has petitioned the Commission for increased rates to offset costs associated with a change in accounting for inside station connection costs.

The increase is the result of an order by the Federal Communications Commission, directing telephone companies to expense certain station connection costs in their accounting procedures. The increase in rates to result from the accounting change will produce an increase of less than one half of one percent in gross intrastate revenues of the Company. The increase will not affect monthly recurring charges but will be reflected as an additional element to nonrecurring service connection charges when a premise visit is required.

In a separate action, Continental Telephone Company has petitioned the Public Utility Commission to amend its tariff by adding a \$.75 service charge for each check returned to the Company unpaid due to insufficient funds. The new service charge is intended to offset costs of administering unpaid checks and will affect gross revenues by approximately \$35,000 annually.

The effective date of these rate changes will be based upon approval by the Public Utility Commission.

Save up to **50%** on heating with insulation.

You can lower your heating bill up to 50% by installing insulation in your attic. Your percentage of savings depends on the amount of insulation you have to start with. Adding enough insulation to meet the R-value requirements for your area can help slow down heat loss, so your heating unit doesn't have to work as hard. Whether you add batts, blankets, loose fill or foamed-in insulation, as long as they have the same R-value rating, they work equally as well. And insulation works just as well at keeping your home cool in the summer, as it does keeping your home warm in the winter. Just remember, insulation is the biggest energy saving step you can make with your home.

The Star of Bethlehem

In some countries, at one time, Christmas Eve celebrations did not begin until the first star had appeared in the heavens, in memory of the Star of Bethlehem.

There are many customs associated with the star: Tyrolean "star-singers" follow a star-shaped lantern as they go about caroling, and Swedish boys and girls follow a child carrying a large star.

CRC Circle M Takes Delivery Of Workover Unit

CRC Circle M, Inc., an operation of Crutcher Resources Corp., Houston, recently took delivery of a new workover unit, Rig 29, at its Kilgore yard and put it into service for Pennaol Production Co. on a gas well near Carthage. Paul Snelling, with CRC Circle M for eight years, has been named supervisor for Rig 29. Ronnie Dickerson, a CRC Circle M employee for six years, is crew chief. Fred T. Maxwell, president, says Rig 29 is a replacement for a smaller rig. The CRC Circle M fleet totals 26 workover units, one drilling rig and 12 vacuum tank trucks at yards in Giddings, Talco, Carthage, and Kilgore, Texas, company headquarters.

Rig 29 is capable of workovers to 16,000 feet and is a Crane Varrier Model 400 workover unit with 96-foot mast.

Rig 29 is capable of workovers to 16,000 feet and is a Crane Carrier Model 400 workover unit with 96-foot mast. Hookload is 215,000-pounds. The drawworks is powered by an 8V92 GM diesel engine. A JWS 300

National triplex pump is driven by a GM 6V92 diesel engine. The unit has a 220-barrel mud tank. Allied equipment includes a Cooper model 60 power sub and King

75-WP swivel. CRC Circle M performs oil and gas well completion, workover and servicing in East, Central and South Texas and North Louisiana.

Society To Hold Drawing

The Red River County Historical Society is sponsoring a Christmas drawing for a special gift donated by a former Clarksville resident, Harold Dysart, and his wife, Mary, now of Winnetka, Ill.

To be given away is a needlepoint pillow fashioned by Mrs. Dysart of pure Persian wool. The pillow was designed in Hawaii and required a summer of leisure time for Mrs. Dysart to complete.

Donations are being accepted by the Society in the amount of \$1 each by Historical Society members.

In Bogata, tickets are available at Gifts and Such or from Eleanor McCluer, Mary Lassiter or Mrs. Iva Hooker.

The drawing will be held on Dec. 19th at the Red River County Library.

with the state assuming responsibility for their education, plus their room and board.

Since then, the Vienna Boys' Choir has attracted youngsters from throughout Austria, including some illustrious names: Josef Haydn and Franz Schubert, for instance, were members in their youth.

Today, the choir travels throughout the world and reaches millions through the medium of television, besides. In fact, it would probably amaze the Emperor to see just how far his court singers have traveled from the chapel where they originally performed!

One thing has not changed since those days, however... the standard of excellence maintained by these young musicians.

Their fresh, young voices are especially welcome as they sing beloved hymns and carols for the whole world to enjoy at Christmas.
