

Some seven months ago the writer started to put in a chain of stores in West Texas for the Industrial Transportation Co., the first one being opened to the public in Haskell February 7th, the second in Rule, April 17th.

From the beginning they have been a success until today we are doing the largest cash business of any store in the same line in Haskell County.

From the first there has been WISE men who said it would never be done; one went so far as to say we didn't have any store in Texas.

Some time ago the writer invited six of the leading citizens of Haskell County to be the guests of the Industrial Transportation Company on a trip of inspection. He picked men who had lived here for years, men who had made good, men whose word was beyond question.

Now would you rather believe them, or listen to some one who, for personal reason, such as not getting a job, or some other petty cause, will tell you it can't be done?

May the 29th we left for Little Rock, Ark., the executive offices of the Company spent a full day in going through the Packing Plant which is owned and operated by the Industrial Transportation Company, watching every department, every detail, and following the animal from the feed lot until it came out in the finished product of Ham, Bacon, Sausage, Lard, etc.

From the Big White Store at Pine Bluff we traveled back to the Wholesale House at Waco where carloads of goods were being unloaded, part of which to be shipped to our West Texas stores as soon as the distributing house at Stamford is ready. Ask any of the following if they are satisfied with what they saw, and their investment. By permission I refer to the following:

J. W. Mason, Mayor, Rule, Texas.

H. J. Leon, Farmer, Rule, Texas.

W. W. Kittley, Farmer, Rule, Texas.

J. E. Place, Farmer, Rule, Texas.

W. D. Norman, Director Farmers State  
Bank, Rule, Texas.

W. E. Welsh, Sheriff, Haskell, Texas.

## How Many Miles From a Cord Tire?

Men are everywhere telling remarkable tales about mileage from Miller Cords. But remember that mileage varies with conditions. Size and load, road and care affect it.

One man who has sold and watched many thousand Miller Tires says this: "I find that Miller's excel other tires in service from 50 per cent to 75 per cent."  
The Hudson Taxi Co. of Detroit reports a 15,000-mile average on rather heavy taxis.

**Tread Patented**  
Center tread smooth with motion cap, for firm hold on wet roads. Grooved to the road side tread with flat cap in dirt.

**Miller Tires**  
The Most Talked About Tire in America  
Cords or Fabrics Geared-to-the-Road

The Eldorado Stage Co. of Los Angeles, after long comparisons of 22 makes, say that Miller's excel all.

**Factory Tests**  
Miller factory tests, which are severe, last year showed a rear-wheel average of 15,000 miles on Cords. They proved that Miller's, with rare exceptions, outwore every tire compared. They proved the new Miller tread the best of all treads by 25 per cent.

Test one for yourself. It will give you new ideas about tire mileage. It will, in all probability, break all records on your car. Miller experts in ten years have done much to serve you. For your own sake, learn what they have done.

### No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 6c per bottle.

**The Quinine That Does Not Affect the Head** Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember it's full name and look for the signature of N. W. GROVE, Inc.

### To My Friends

Owing to the condition of my health at this time I feel it my duty to withdraw from the race for Commissioner of Precinct 3, and in doing so I wish to express my thanks to my friends for their confidence and hearty support I have received up to this day. My health has failed until I am not able to make a thorough canvass and if I should be elected I would not be equal to the duties of the office is the reason of my withdrawal. Yours very truly, J. S. BARNETT.

Uppermost in the minds of the Staff who produced the "Thistle" is this question: Now that this the first Haskell High School Annual, is printed and offered to the public, what are the people, those who said they were behind the good work, going to do about it? Will they make this first edition such a failure, financially, that the second volume, 1921, will not be produced?

We believe that it is neglect on your part that you have not already given us your order for a copy of the "Thistle". Do not delay. Only a few copies are left for those who have not told us to reserve them one. Hurry your order. With the few books left it will be "first come, first served" and those who delay will not be served! Do not blame us if you wait too long and can not get one of the books.

This hazardous undertaking of publishing an annual was ventured upon voted to boost it. The "Thistle", completed, is the result. Now let those who said they would support it show their colors. Get a "Thistle" and be loyal to your High School, the standard of which is raised 100 per cent in the estimation of the visitor when he is shown its first annual.

You business men who advertised, and you who have placed orders for the "Thistle"—you have done your part. We thank you! But—what of the 50 per cent of the students in H. H. S. who have not secured what is their own school record, and who pledged their support?

The "Thistle" can be secured at the Corner Drug Store—if you do not wait too long.

**Habitual Constipation Cured in 14 to 21 Days**

### FOREMAN SAYS IT SAVED HIS LIFE

Mahoney Never Expected to Get Out of Bed Again—Now Back at Work

"It was talked among my friends that I was going to die and I don't believe anyone ever had a much closer call," said James Mahoney, well-known foreman of the Richard-Nabstadt Construction Co., living at 22 East 15th St., Los Angeles, Cal.

"Closely following an injury to my back, my whole system seemed to give way," he continued. "There seemed to be a lump in my stomach and I could not eat a thing without intense pain afterward. My appetite left me completely and I got so weak I could not even lift my feet to go up the steps. I was in misery all the time and could not straighten up for the pain in my stomach. Then I became constipated and my kidneys began troubling me so I could not sleep sound at night. Before these troubles started I weighed a hundred and forty-five pounds but dropped off until I actually did not weigh but sixty-five, and if there was ever a living skeleton I was. I could hear my friends who came to see me say: 'Poor Jim! He can't last much longer,' and I had no hope of ever getting up. Finally I was told that nothing more could be done, except to operate and I was too weak to stand that."

"A friend urged me to try Tanlac and agreed to slip me a bottle, as my wife objected to anything but prescribed medicines. Well, to make a long story short, I soon improved so much that I quit taking everything but Tanlac and now I am back at work feeling as strong and fit as I ever did in my life. I weigh one hundred and thirty pounds and I haven't an ailment of any kind. My wife now thinks as I do that Tanlac is the greatest medicine in the world." Tanlac is sold by the leading druggists everywhere.

### You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS Chill TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chill TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.
