

# Rebels Suffer Loss To Mt. Vernon Tigers

The Rivercrest Rebels suffered a resounding loss 28-0 to the Mount Vernon Tigers Friday, Sept. 20 in Tiger Stadium.

Fielding freshman quarterback Jimmy Lewis, the Rebels could never muster a successful offense and took some hard hits from the heavier Tiger defense.

The Tigers took their first points in

the first quarter, when a Rebel fumble was recovered on the Rivercrest 18 yard line. Five plays later the Tigers scored.

The second Tiger score came with 27 seconds in the half, when a Tiger punt dropped on the three yard line, was touched by a Rebel, and was recovered in the end zone for the touchdown.

The Tigers scored again on their first drive in the third quarter, which began on their own 38 yard line. Nine plays later the Tigers were in the end zone again, but were unable to convert the extra point. Another scoring drive began in the third quarter on the Rivercrest 45 yard line. The extra point attempt was good. A 30 yard field goal in the

final seconds of the game brought the final score to 28-0.

A fumble recovered in the second quarter by Sammy Sparger led to the Rebel first down in the second quarter, highlighted by a seven yard effort by Clint Stephenson.

The Rebels crossed the down marker again in the third quarter, when Jerry Belcher plunged through

the Tiger line for an eight yard gain. The passing arm of Charley Martin was put into action late in the fourth quarter, and he connected twice with Chris Anderson, once for 11 yards and once for 33 yards.

The Rebels will play Karnack at Karnack at 7:30 p.m. Friday, Sept. 27.

Everybody needs a front porch...it makes cloud watching a whole lot easier. But front porches aren't absolutely necessary to the cloud observation field...it can be achieved from lawn chairs, automobiles (try not to get too involved if at the wheel), hay meadows or just about any place out in the open.

Clouds are things that most of us don't pay too much attention to. They turn really dark and gloomy and we expect it to rain, but other than that we don't notice too much.

But they are absolutely beautiful. Their variations are as myriad as a rainbow. There are the huge fluffy wispy clouds that look carefree. There are thunderheads so brilliantly white with the sun shining on them, that they bring a tug to the heart.

There are dancing, swirly clouds that are called "mare's tails" that sweep the vivid blue of the sky like brooms.

There are the tiny, almost lonely little puffs that cross a solitary summer sky like straying sheep. Oh, there are so many, many kinds of clouds.

The creator used his best artistic sense on the sky. The blue, from the pale pastels of one day to the almost painful brilliance of another, is the perfect counterpoint to clouds...the perfect setting to exhibit them.

And clouds can't become boring, because they are an ever changing pallet of shapes and sizes.

Spend just a little time watching them scurry by on a windy day, or a lot of time watching them build and change on a still day.

They are relaxing, refreshing and provide insight into the world around you.

In a society where it is all too easy to lose touch with the earth and sky, the rhythms of nature, cloud watching will put you back in touch!

## NTCC Enrollment Larger Than Expected

Enrollment in college credit courses for the 1985 fall semester at Northeast Texas Community College totaled 1395 students, according to figures released this week by the Office of Admissions and Records.

"This far surpassed our projections and we are indeed grateful to the residents of our community college district comprised of Camp, Morris and Titus counties, for their tremendous support during this, our initial semester," commented NTCC President, Dr. Wayland DeWitt.

A breakdown of the final figures indicates NTCC enrolled 993 freshmen, 126 sophomores and 167 students above sophomore standing. Women outnumber men with 934 females enrolled compared to 461 males.

Sixty-four percent of the students are over 26 years of age with 888 numbered in this category. Two hundred eighty-seven students are between 20 and 25 years of age and 220 students are under 20 years of age.

Sixteen different counties and three states are represented in the student body with 45 percent of the enrollment living in Titus county, 23 percent in Morris county and 14 percent residing in Camp County.

Two hundred eighty-three students are listed as full time, enrolled for at

least 12 semester hours. Of this group, 50.7 percent are enrolled in academic or Associate of Art degree programs and 44.9 percent are enrolled in Technical-Occupational programs. The remaining 4.3 percent are not classified with the majority of the students in this group enrolled in developmental type courses.

Almost 21 percent of the students are enrolled in at least one computer science course with 287 students taking at least one course in this discipline. Students enrolled in at least one English course total 279 and 227 students are taking at least one mathematics course.

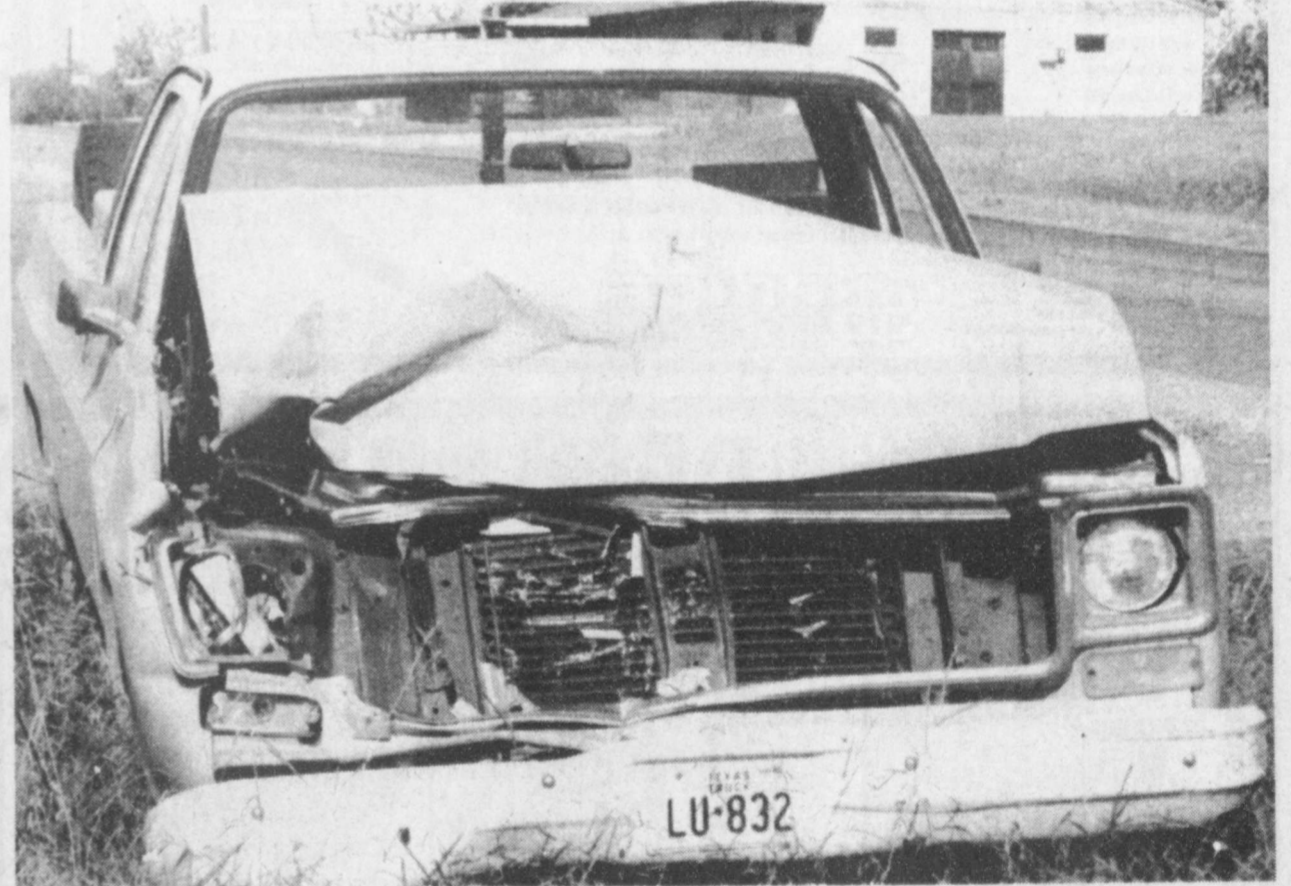

Fifty-two percent of the students, 724, indicate previous college attendance. Students entering college for the first time as high school graduates number 514, while 115 students entered with high school G.E.D. Thirty-two students were admitted on individual approval.

Students attending evening classes number 713 and account for 51 percent of the enrollment while 682 students are classified as day students.

NTCC received a total of 1725 applications for the fall semester and the 1395 enrolled represents an 81 percent enrollment factor.

# FOOTBALL CONTEST

WIN FIRST PRIZE \$12

WIN SECOND PRIZE \$7

WIN THIRD PRIZE \$5

## RULES OF THE GAME

CLIP OUT THIS PAGE AND MARK YOUR CHOICE OF WINNERS OF THE GAME THAT APPEARS IN EACH OF THE ADS ON THIS PAGE.

Do not guess the score, just the winner. If you predict a tie, so indicate with the word "Tie" written across the ad.

GUESS BOTH THE WINNER AND THE SCORE FOR THE GAME MARKED "TIE-BREAKER". THAT APPEARS ON THIS PAGE.

Tie-breaker game winner will be counted with other games but tie-breaker game score will be used only to break ties among contestants, with the game winner first, margin of victory second, total game points third and total points by winner fourth. If still tied, the prize money will be divided equally.

Fill in your name, address and phone number (if any) and either mail or bring this page, or a reasonable fac-

simile of the list of games, to either The Deport Times or The Bogata News.

Entries brought to either of the newspaper offices, must be in that office no later than 5 p.m. Friday of this week. If mailed, entries must be mailed to either The Deport Times, P.O. Box 98, Deport, Tex., 75435; or The Bogata News, P.O. Box 306, Bogata, Tex., 75417. All mailed entries must be mailed in time to arrive with the Saturday morning mail.

It is requested that only one entry per person be submitted. In event of more than one entry from a contestant, that person will be eligible for only one prize in that contest week.

Everyone eligible except employees of The News-Times newspapers and their families. Decision of judges will be final.

Mr. and Mrs. William Joseph Horn

**Horn-Holybee Exchange Vows**

Miss Lisa Renee Holybee became the bride of William Joseph (Bill) Horn in a 2 p.m. ceremony August 3 at Cana Baptist Church. Bro. Don Maiden, pastor of Cana performed the double ring service.

The bride is the daughter of David Holybee of Burleson and Nedra Spencer of Arlington. Parents of the bridegroom are Mr. and Mrs. John W. Horn of Burleson.

Decorating the nuptial scene was a three piece brass candelabra with 45 candles in the shape of a fan. A unity candle completed the wedding scene.

**Preventing Heart Attacks**

Conclusive evidence that  
reducing elevated blood  
cholesterol with a choles-  
terol-lowering drug and diet  
can prevent heart attacks  
and death from heart disease  
was presented recently by the  
National Heart, Lung and  
Blood Institute (NHLBI).

The study was the largest,  
longest and most closely  
monitored to date of choles-  
terol and its relationship  
to heart attacks. Directed  
and funded by the NHLBI at 12  
U.S. medical centers, the  
Lipid Research Clinics Trial  
demonstrated that combin-  
ing the cholesterol-lowering  
drug, cholestyramine (Ques-  
tran), with a moderately low-  
fat diet, reduced heart at-  
tacks by almost 20%.

The NHLBI scientists es-  
timate that if Americans  
would reduce their blood  
cholesterol levels by 25%,  
this would eventually lead to  
a 50% reduction in the in-  
cidence of coronary heart dis-  
ease.

The study participants  
were 3,806 men between the  
ages of 35 and 59, but the  
NHLBI believes that the re-  
sults are also applicable to  
both men and women of all

# Davidson, Skidmore, Scudder Collect Football Money

Entries into the football contest this past week doubled over the first week's. But the first place winner didn't

change! Mike Davidson of Pattonville missed four and said that Mt. Vernon would win 26-0. He collected \$12 for his efforts.

In second place was Timothy Skidmore of Paris, who missed four and picked Mt. Vernon at 18-12.

Scott Scudder of Blossom missed five games and guessed perfectly the Mt. Vernon-Rivercrest score at 28-0.

Joe T. Kelsey of Bogata missed five games and selected Mt. Vernon to win 35-0.

Andrew Cox of Bogata missed five games and said Mt. Vernon would win 12-6.

Margie Skidmore of Deport missed five games and said Mt. Vernon would win 12-6.

Three people all guessed the 28-0 score on the tie breaker, James Wood, Scott Scudder and Lisa Johnson.

James Wood of Bogata was the only person to pick Baylor over USC correctly.

Winning teams from last week were: Mt. Vernon 28-Rivercrest 0; Linden-Kildare; North Lamar; Arkansas; Miami; Georgia; Maryland; Notre Dame; Pittsburgh; Dallas; Prairiland; Union Hill; Alabama; Baylor; Washington; Nebraska; Texas; Giants; San Diego; Indianapolis.

## Scouts Have Camp-Out

The Bogata Neighborhood Girl Scouts enjoyed an overnight camp out at Camp Gambill in Paris September 20. There were five troops who participated with the Daisy troop coming Saturday morning at 10 a.m.

Troop 32 was in charge of the flag ceremony which was held Saturday morning.

Each troop did different things some went on hikes, some played with Jed, the earth ball, and troop 32 had a surprise birthday party for Ashley Ross Friday night and all the troop got to swim this year.

The troops were responsible for preparing their own meal some were prepared on griddles, one pot meals, foil dinners and one troop prepared their dessert in a hole in the ground. If it can be cooked, the Bogata Girl Scouts know how to cook it.

The leaders attending this year were Anaya Phillips and Mary Belcher for the Daisy troop. For the first grade there were Molly Williams and Kathy Alford, for the second grade Kay Griffin, Vicki Tabb and Rue Anna Bell, for the fourth grade Kay Ross and Paula Spier, the sixth grade leaders were Dee Crayton and Linda Eilers and Alice Ann White for the 10th grade troop.

Everyone had an enjoyable but tiring time and are looking forward to next year.
