

# Local Sales Tax Figures Increase

State Comptroller Bob Bullock Friday sent checks totaling \$115.2 million in local sales tax to the 1,010 cities that levy the one-percent city tax.

Houston's check for \$17.7 million was the largest, bringing total payments this year to \$141.1 million,

up four percent from last year. Dallas' payment was \$13.4 million for a 1985 total of \$104.7 million, a 13 percent increase.

San Antonio received \$7.4 million, pushing 1985 payments to \$52.7 million, up 14 percent over last year.

Locally, Mount Pleasant received \$137,651.61 for a 9.47% increase over last year while Talco received a payment of \$3,202.18, making the 1985 payments to date total \$22,361.84, showing a 2.23% increase from last year's payments.

Blossom received \$1,454.75, marking an 11.42% increase over the 1984 payments for the same period. Totals to date are \$12,662.64 for Blossom.

Deport received \$1,635.25, a 12.56% increase over payments last year of \$8,619.55. 1985 payments to date total

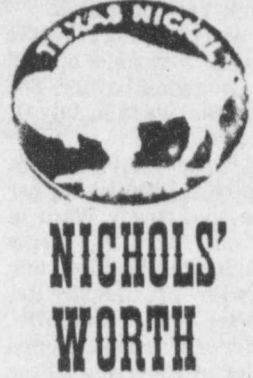

\$9,701.85.

Paris received \$248,686.95, an 8.41% increase over last year.

Bogata received a check for \$3,149.75 for an 8.39% increase over the 1984 payment of \$2,781.24. Total

payments to date are \$22,786.75.

Clarksville received \$25,796.81 for a 4.19% increase over last year while Detroit received \$1,187.70 for a 36.40% increase over last years total of \$5,884.44 to date.

On Saturday, a friend commented that the pools on our hill were low. On Sunday morning, they were overflowing.

It has, to put it mildly, rained. It has rained, rained, then decided to rain some more. It does this every fall. This fall it actually waited until later before it started in.

Cotton and beans were harvested, lots of land laid by. It hasn't been too cold either. By the time this is read, it probably will be cold...if those weather predictors are correct.

And that cold snap is going to find various little things in bloom or bud that shouldn't be. Because Mother Nature has been caught "out" this time.

First it got cold, then it slowly warmed up until things were around eighty degrees last week. That and the abundant spring-like moisture has prompted pansies, iris, nasturtiums and various other plants to begin to bloom. Some bois d'arc trees are actually trying to bud out a little. Some fruit trees are putting buds on.

Folks report daffodils and narcissus putting out their pre-bloom greenery. And when that cold spell hits, the poor things are going to think it was the shortest darned summer they ever experienced!

And what of poor human-kind during all this? Naturally, he is trying hard to adjust, too. His blood, thickening for winter, thinned back down during hot weather. The temptation to get out proved hard to resist. Now that mankind is all set with some deep internal knowledge that spring feels imminent, it will turn cold. And we won't be a bit ready. Although we had partially adjusted earlier this fall, it will take a complete overhaul again. Most of us will be colder than usual, bodies acclimatized to warmer weather, than stricken with an icy blast.

And we, like the flowers, are likely to think it was the shortest darned summer ever!

## Rebels Drop Tough Bi-District

By Diana Eudy

The Rivercrest Rebels played a hard ballgame Friday night in Mt. Vernon against the Quitman Bulldogs. The Bulldogs took the victory 35-0 in bi-district competition.

The Rebel team wasn't supposed to get into the playoffs at all this year. They deserve a lot of credit for their performance during the season. Freshman quarterback Bradley Woods made an impressive start in his high school football career. He showed he could run the ball as well as complete passes. The Rebel defense has also done a tremendous job this year in containing their opponents.

The Quitman Bulldogs ranked sixth in the state, proved to be just too good Friday as they scored time after time. The team did have some problems with the Rebels, however, as they forced fumbles and intercepted passes. Bradley Wood sintercepted one pass in the Bulldog endzone to prevent a Quitman score. Wade Smith also made an interception in the final period to stop a Bulldog drive. The Rebels forced three fumbles by a team that doesn't usually make them.

Rivercrest came closer to scoring on the Bulldogs than any team they played this year. The Quitman boys had to stay on their toes all the way through to keep from making costly mistakes.

Jeery Belcher and Clint Stephenson were called on time after time to carry the ball. They gathered respectable yardage figures. Fumbles and penalties hampered the Rebels early in the contest. The rain-soaked field added to the Rebs problems Friday night.

A costly fumble on the Rebel 22 set up the first Quitman score with 7:21 left in the first period.

Bradley Woods got off to a good start on their next drive with the aid of a roughing the kicker penalty by the Bulldogs. He completed two passes to Tony Jasso and completed

a 23-yarder to Chris Anderson. Clint Stephenson made a good run gaining 39 yards on the play. The Rebs failed to make the first down and turned the ball over on the one.

The Bulldogs with the aid of two long pass completions, put another score on the board with 7:11 remaining in the half. Their extra point kick was good for a 14-0 lead.

The Rebel defense tightened up and closed off the Bulldog ground game. The two team spunted the ball back and forth for the rest of the first half. Quitman ran one punt back for a touchdown, but it was called back because of an illegal block by the Bulldogs.

The halftime score stood at 14-0. Quitman added another score with the help of a 29 yard quarterback keeper by Raymond Peek. Two plays later the Bulldogs carried into the endzone. The extra point was good for a lead of 21-0.

Bradley Woods proved he was just as valuable on defense, as he pulled down an interception in the endzone to save a Quitman touchdown. The Rebels took over on the 20 but had to punt the ball away as the Rebs passing game couldn't connect with the receivers.

Wade Smith pulled down an interception early in the fourth period to give the ball back to the Rebels. The Rivercrest squad couldn't get things going against the tough Quitman boys, however, and were forced to punt the ball away.

The Bulldogs went into the endzone again with 6:36 left in the game. They led 28-0 following the extra point kick. They scored one more time with 3:17 remaining to bring the final tally.

Terry Giddens, head coach for the Rebels, allowed some of his younger players to get some playoff experience during the final period. The Quitman coach, however, left his starters in for most of the game, despite his large lead.

## Talco VFD To Have Shoot

The Talco Volunteer Fire Department will hold their annual Turkey Shoot Saturday and Sunday, November 23-24 from 1 to 5 both days. The cost for shooting will be \$2.50 per round. The shoot will be at the Talco football field at the Talco School. There will be several categories to choose from: Shotgun Skeet, Shotgun Still Targets, Pistol Targets, 22 Rifle Targets, Women's Pistol Targets, and a Women's .22 Rifle Target. There will be no ammunition furnished at the shoot site. On Sunday, November 24 at approximately 3 p.m.

there will be a drawing for a 30/30 rifle. The price for a chance on the rifle is a \$1.00 donation to the fire department.

All proceeds from the Turkey Shoot and the raffle go to the purchase of a new fire truck for the Talco area. Everyone in the area is invited to attend and try their luck at winning a turkey. Also come out and support the Talco Fire Department. Donations of any amount will also be accepted at the Turkey Shoot.

## Titus County Extension Agent Receives Award

Mrs. Huella T. Campbell of Mt. Pleasant, Titus County Extension agent-home economics, was awarded the prestigious Texas Superior Service Award in ceremonies Nov. 12 at Texas A&M University.

Dr. Zerle Carpenter, director of the Texas Agricultural Extension Service, presented the award, one of 24 given to Extension individuals and teams.

Campbell was recognized for outstanding leadership ability and professionalism in creating an effective

indepth family health program to help Titus County citizens improve their individual health.

Campbell conducted a March Into Health program with the cooperation of the local Pilot Club and the University of Texas - M.D. Anderson Hospital. Although other areas of health were included, the program focused on cancer education. This marked the first time that staff members of the hospital participated in a health program in a rural area outside the greater Houston area.

## Straight Talk

from Texas-New Mexico Power Company

**Why did TNP Employee Sammie Redwine inspect her Christmas lights?**

Now that the holiday season is fast approaching, make sure you have done everything possible to have a safe holiday by inspecting all of your Christmas tree and holiday lighting. It is quite common to save holiday lighting from one year to the next, so rather than assume that everything is always alright, make it a standard practice to inspect all holiday lighting each year.  
TNP Employee Sammie Redwine carefully inspects all of her holiday lighting for worn or decayed insulation, cracked or broken bulbs and receptacles. She even inspects the electrical connections. When it comes to holiday lighting, if in doubt—throw it out. It is much better to replace old or worn out holiday lighting than to take a chance of spoiling the holiday season with an accident.  
For more information on holiday lighting safety, be sure to call our office. Helping you have a safe holiday season is just one more way we are...

TNP Employee Sammie Redwine knows inspecting her holiday lighting will help prevent electrical accidents during the holiday season. For more information on holiday lighting safety, call our office.

**Letter To The Editor:**  
 We, the Junior High Football Coaches, would like to thank each of you for your support of our football program. We would especially like to thank all the mothers who made the sandwiches, cookies and provided the cokes for us on all of our road games. We think that you will agree with us when we say that this is a great group of boys to work with. As coaches, we would like to say that you can be proud of each boy for his hard work, dedication and sportsmanship throughout the football season. Again, thank you for your support.

**Telephone Company Gives Gift To Library**

A three hundred dollar check from Continental Telephone Company of Texas is the most recent gift received by the Red River County Public Library in its current drive for

private support. "We've also had major gifts from private individuals," said Pat C. Beadle, President of the Library Board of Trustees. "We usually

respect the privacy of individual donors, but I think a substantial gift from a public utility is legitimate news," Beadle said. "It shows a real interest in the community."

**Freeman In Honor Society**

Doug Freeman, a 1983 Mt. Pleasant High School graduate and a junior at the University of Oklahoma, has recently been initiated into two National Honor Societies, the Gamma Chapter of Sigma Gamma Epsilon and the Golden Key.

The Gamma Chapter of Sigma Gamma Epsilon is the only national honorary society representing both students and scientists who have achieved academic excellence in the Earth Sciences. He was also elected Secretary-Treasurer of the Gamma Chapter.

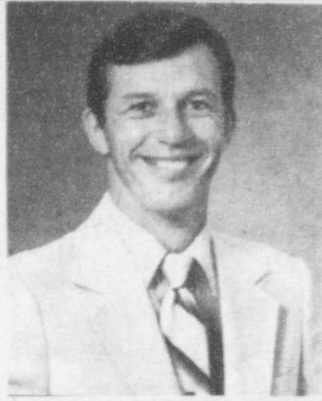

The Golden Key is a national academic honors organization made up of students who have excelled scholastically. No more than the top 15 percent of juniors and seniors enrolled at the university are eligible.

Doug is the son of Mr. and Mrs. Don Freeman of Mt. Pleasant and the

grandson of Maxine Topping of Bogata and Mrs. A.C. Jones of Mt. Pleasant.

Continental Telephone, serving the Bogata, Detroit, Bagwell and Negley areas, provides telephone service to some three thousand Red River County households.

### Pictures, Stories Still Needed

If your family has been in Red River County several generations, you may want to write a history of each generation. The same 500 words and one picture free applies for each

story. The pictures will be returned to you. There is always room for error. This being true, you might want to have a copy made if the picture is only one of its kind and could not be

replaced. We will have someone at the County Library a day or so making copies for a small fee.

The Society has some skilled volunteers who will check our histories for the proper punctuation and spelling so don't let that worry you.

Some suggestions to consider for your story:

1. Your birth: when, where, parents, surrounding circumstances and conditions.
2. Your childhood.
3. Your brothers and sisters.
4. Your school days.
5. Your courtship and marriage.
6. Settling down to married life (your home, work, in-laws, etc.).
7. Your children.
8. Your civic and political activities.
9. Your church activities.
10. Your favorite sports, hobbies etc.
11. Special celebrations.
12. Your plans and hopes for the future.
13. Your ancestors (impressions of parents-grandparents etc.).
14. Never underestimate the effect your story may have on unborn generations. It could help them through their trial and tribulations and will definitely be a precious treasure to them as well as to your friends and family now.

NOTE: I, A and An are free words, a hyphenated word counts as two words, initials count as one word.

INDEX: The book will have an index of each name mentioned in the book. Please make an index of your history stating both maiden name and married name such as: Smith, John-Smith, Betty-Jones, Betty---- (Someone may not know who Betty Jones married and would like to find her story in the book).

The deadline date for getting your stories in is January 15, 1986. Please get busy now...The book can't be complete without your history.

Your material may be mailed to or any further information ask of: Johana Weaver, 600 S. Walnut, Clarksville, TX 427-3159; Bertha Gable, 506 N. Walnut, Clarksville, TX 427-3992; Frances Rozell, Box 127, Bogata, TX 632-5752.

### DRT Meets At Daingerfield

The Daughters of the Republic of Texas Anson Jones Chapter met in Daingerfield November 6 in the home of Mrs. W.O. Irvin, Jr. with Mrs. Jerold Turner as co-hostess.

The meeting was opened by Mrs. W.A. Giles, Jr., president, with the Pledge of Allegiance to the American and Texas flags. The roll was answered with a Thanksgiving quote. Business of the group was taken care of.

A very interesting and informative program was given by Mrs. Herman Young on her recent trip to Austria, Switzerland and Italy.

Members enjoyed delicious refreshments served from a beautifully appointed table.

The next meeting was announced for December 4 in Pittsburg in the home of Mrs. Raymond Reeves.

#### GLASGOW OAT BARS

- 1 can (20 oz.) Dole Crushed Pineapple in Syrup
- 1/4 cup sugar
- 1 tablespoon cornstarch
- Dash salt
- 1 tablespoon butter
- 2 teaspoons grated orange peel
- Oat Crumbles

Four pineapple, including syrup, into saucepan. Boil rapidly 10 minutes to reduce syrup. Blend sugar, cornstarch and salt; stir into hot pineapple. Cook, stirring, until clear and thickened. Remove from heat, stir in butter and orange peel. Cool. Prepare Oat Crumbles; spoon half into a 13 x 9-inch baking pan and press down firmly. Cover evenly with pineapple mixture. Sprinkle remaining Oat Crumbles over top; press down lightly. Bake in a 375° F oven 20 to 25 minutes until lightly browned. Cool before cutting. Makes about 2-1/2 dozen bars.

Oat Crumbles: Combine 2 cups all-purpose flour with 1 teaspoon baking powder, 1/2 teaspoon salt. Add 1-1/4 cups packed brown sugar, 2 cups uncooked quick oats and 1 cup softened butter. Blend until crumbly.
