

Local Sales Tax Shows Improvement

State Comptroller Bob Bullock Friday sent checks totaling \$53.2 million in local tax payments to the 1,017 cities that levy the one-percent sales tax.

Houston's check for \$8.4 million was the largest, down three percent from last year's payment of \$8.6 million.

"Statewide payments are up three

percent over last January's checks. However, a short holiday shopping period since Thanksgiving and an early cutoff in processing tax returns may account for some cities showing lower payments," Bullock said.

Locally, Talco received \$1,099.18 for this period, a 47.19% increase from last year's payment of \$746.76. Talco's

payments to date total the first period figure.

Bogata received \$1,161.35 for this period, a 25.97% increase over the payment for the same period last year of \$921.96.

Clarksville received \$1,177.61 for their payment this period, for a 8.29% decrease over the 1985 payment for

the same period.

Detroit received \$733.78 for a 26.52% increase over the 1985 period of \$579.96.

Blossom received \$703.02 as net payment this period showing a 28.50% increase over the 1985 payment of \$547.10 for the same period.

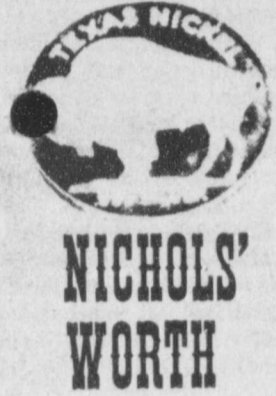

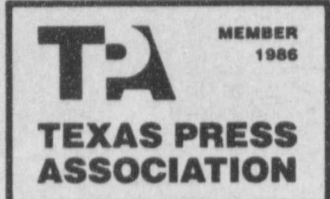

Deport received \$563.65 for the

period, marking a 10.04% increase over the 1985 payment of \$512.24.

Paris received \$115,481.65 for the period, showing a 5.84% increase over the 1985 payment of \$109,105.01.

January checks represent taxes collected on sales made in November

and reported to Bullock by December 20.

We saw Halley's Comet the other night. It wasn't terribly impressive, except for the knowledge that it won't be back around again after this spring for about 75 years!

We drove out on a hill south of town, where there are no lights. The thin slice of new moon had already vanished. The only lights were a few miles off your headlights.

It took a while to find. The process of turning on a light, trying to memorize the star patterns of the constellation just above the comet's location, then turning off the light and letting eyes adjust took awhile.

But, eventually, we found it, low to the horizon, and burning with an orange light that was very different from a star.

Okay, Halley's Comet has been duly noted. But the side benefit from comet watching was unexpected. For the first time in a while, we noticed the stars.

The nights aren't too cold, a coat takes care of it. The skies are so clear, the Milky Way practically jumps out of the sky. Jupiter glistens like a jewel, and the big and little dipper are easy to pick out.

Take a moment, step away from our ever-present artificial lights and look up...it's worth it!

Rebels Take Win After Four Overtimes, Rebelettes Win

By Diana Eudy

The Rivercrest Rebels had no idea when they left for Maud, Texas on Friday night that they would have to play four overtime periods before claiming a two point victory 64-62. The game proved to be a game of coaching strategy as well as the ability of the players themselves.

Rebel Coach Wake Wood gave the credit for the win to the players saying, "I believe the reason we won was the players kept playing to win. They never gave up even when three of our starters fouled out. The substitutes came off the bench and made the difference. The kids had their minds made up and were thinking positively."

Tony Jasso was high-pointer with 22 and Brad Anderson hit for 16. Russell Rozell was in double figures with 10 points. Tony Jasso played the final minutes of the game suffering leg cramps. He managed to hold on and finish out the game.

The Rebels trailed 9-4 at the end of the first period of play. Charley Martin and Tony Jasso each hit for two points in the first period. Both teams racked up 14 points each in the second quarter to bring the halftime score to 23-18, a five point Cardinal lead.

Rivercrest cut the Maud lead to three points in the third quarter. The Rebels scored 14 points to the Cardinals' 12. Jasso hit for six, Rozell and Brad Anderson each added four.

The Rebels hit for 16 points in the fourth stanza and allowed Maud 15.

With two seconds remaining on the clock, a Maud Cardinal stood at the free throw line with a tied score. One shot would do it, however, the point was missed! The first of four overtimes was on!

Russell Rozell and Charley Martin had fouled out of the game in regulation play and the Rebels would lose one more starter to fouls before the overtimes were completed. Brad Anderson drew his fifth in overtime play.

Rivercrest had come from behind during most of the overtime play. Maud would get the two point advantage and the Rebels would have to overcome it. Which they did again and again. Tony Jasso scored six points in the overtimes, Chris Anderson hit for four, and Brad Anderson, Wade White and Kenneth Kelley each hit for two.

The Maud post, 6'9" Shawn Davis, led his team in scoring with 35 points. Scoring for the Rebels were Tony Jasso with 22, Brad Anderson with 16, Russell Rozell with 10, Charley Martin and Chris Anderson each with six, and Wade White and Kenneth Kelley each with two.

The Rebelettes captured the tough district game against the Maud girls 43-40. Donna Sessums led her team with 12 points for the evening.

Rivercrest trailed at the end of the first quarter, 13-9. Kelli Anschutz scored four, Rachel Smith hit for two, and Donna Sessums added two free throws, and Misti Foxworthy hit one

free throw.

The Rebelettes took a narrow lead at the half 21-19. Barbie Rackliff and Donna Sessums each hit four points and RaNell Burns and Cynthia Thompson hit two each.

Rivercrest held a three point lead at the finish of the third period 28-25. They added seven points to their opponent's six.

The fourth quarter brought everything together as the two teams battled it out for the win. The Cardinal girls hit for 15 points and the Rebelettes answered with 15 of their own to hold their three point lead for the victory.

Scoring for the Rebelettes were Donna Sessum with 12, Kelli Anschutz, RaNell Burns and Rachel Smith each with six, Barbie Rackliff and Cynthia Thompson each with four, Misti Foxworthy with three and Lori Alford with two.

Rebelet Coach Danny Buchanan commented, "Our district may go right down to the wire this year. Currently we are 4-2 in district, one game behind Harleton and Karnack but we play both of them this week. These will be two of our toughest games this year. The girls are working hard. We have a solid team where our substitutes can come off the bench and do a good job of playing and holding their own. Our girls are fairly small, it is hard for us to rebound against the taller girls in our district."

H. Drue Pirtle Resigns From School Board

The Talco-Bogata Board of Trustees met in regular session Tuesday night, covering several items of business, among them the resignation of H. Drue Pirtle as a trustee.

They discussed the roof on the Talco building, and agreed to obtain more information about the situation before any decisions are made.

They decided to set the building insurance deductible at \$5,000, which will save about \$5,000 in premiums.

A discipline management plan was adopted.

April 5, the first Saturday of that month, was designated as a trustee election day, with boxes at Talco and Bogata schools.

The resignations of Lou Ada Watkins as Bogata school secretary and Clarice Vaughan as cafeteria supervisor were accepted.

The contracts of Harold Cowley, superintendent, was extended

through the 1988-89 school year.

A portion of the meeting was held in closed session, and after that Drue Pirtle turned in his resignation, presenting the board with a letter explaining that he was leaving the post in order to run for Commissioner of Precinct 1 in Red River County, effective January 14, 1986 at 11 p.m.

Payment of bills, budget report and tax adjustments were approved.

Neighborhood Grass Fires Plague Area

The volunteer fire departments through the area have been answering from one to three fire calls a day, with nearly all of them being grass fires.

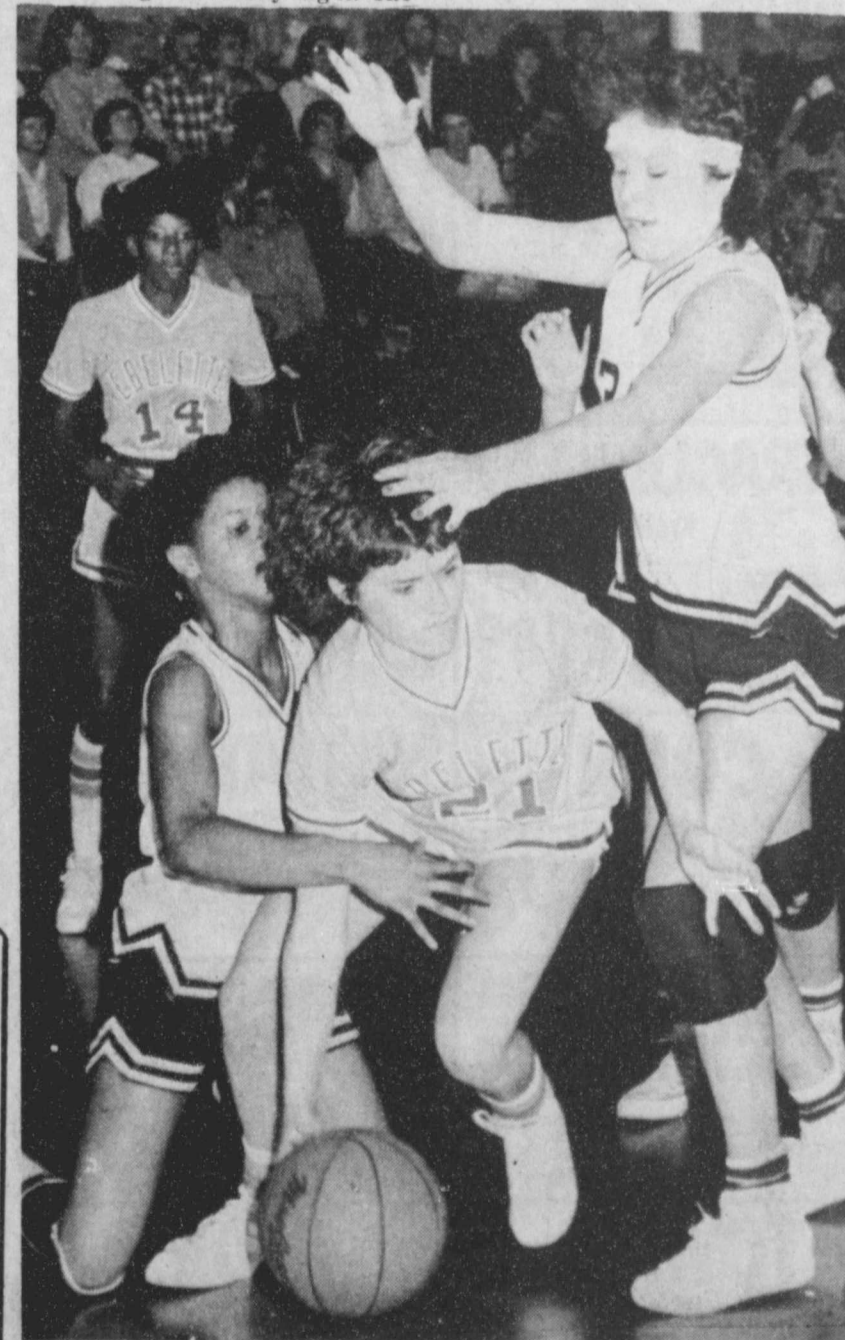

Several of the fires have burned off

acreage in large amounts, threatening houses and outbuildings, and generally been a problem.

For this reason, people are urged to discontinue outside burning unless it is constantly watched. They are reminded that the frost-killed grass is

highly flammable, and cigarettes or matches carelessly dropped can start a fire easily.

Please, exercise extreme caution in burning, and try to cut down on the number of grass fires the fire department must respond to.

DONNA SESSUM battled for a rebound against two Lady Cardinals Friday night in Maud. Sessums managed to claim the ball and

dribble out to set up another play for the Rebelettes. Rivercrest won the district clash 43-40. (Staff Photo by Diana Eudy)

If you smell gas, here's what to do.

You can't smell gas in its natural state, so Arkla adds a distinctive odor to make leaks easier to detect. Natural gas is clean, safe and efficient, but, if you smell gas in your home, there are certain things you should do.

If the odor of gas is light, the source of the leak is probably one of your gas appliances. Occasionally pilot lights will blow out, so first check each of these. While you're doing that, make sure each of the burners of your range and oven are turned completely off. In most cases, these two checks will solve the problem.

If the odor grows stronger and you can't locate the source, here's what to do:

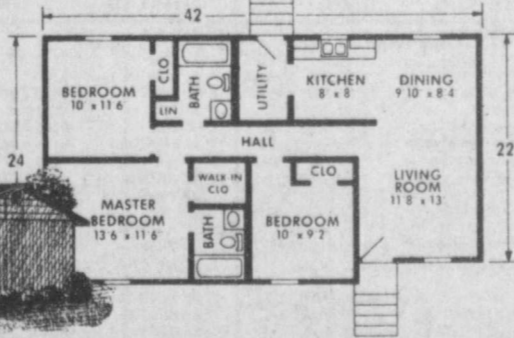

- ventilate your home by opening all windows and doors. Doing this will prevent a concentrated build-up of gas in your home.
- extinguish all open flames. Don't use matches. Don't turn on light switches or use electrical or battery-powered equipment that might create a spark.
- get out of your house and call Arkla from an outside phone. Wait there until our service representative arrives.
- If you know where your meter is located, turn off the gas to your home by using the shut-off valve at the meter.

Tear this out and keep it in a safe place for future reference. Natural gas has an excellent safety record, and by following these suggestions, you can help keep it that way.

Moore's Return From Winter Vacation

Mr. and Mrs. Rufus Moore returned home for New Years from a month long trip to Virginia with her son, Mr. and Mrs. Jimmy Jackson.

The trip began December 3 when the group of four left Bogata at 5 a.m. The route was through Louisiana, Mississippi, Alabama and Georgia, South and North Carolina into Virginia. In route, a tour was made of the P.T.L. Heritage in Charlotte, NC. This was a very interesting place to see. While in White Stone, VA, a day was spent in Williamsburg, VA. This brought back lots of memories from history books.

From Jimmy's yard large ships could be seen going in and out, large groups of swan frequented the shallow water in the bay. One weekend was spent in Washington, DC where lots of picture taking was done.

On December 16 the four went to Boston, Massachusetts to the home of Mr. and Mrs. Moore's grandsons, Jay and Jeff Jackson. More sightseeing was done

including a trip to Cape Cod to Plymouth Rock. Snow partially covered the Rock but the date "1620" was still visible. Christmas day was spent in Belingham, Mass. with granddaughter and family, Robin, age 2, great-grandchildren Becky and Matthew. There was snow covering the ground and cold for Texas folks.

December 26 the return trip to White Stone, a short drive through New York City where it made a person realize how fortunate you were to be in a small town. There were lots of "street" people, some sleeping near walls and on benches, some digging in garbage bins. December 28 the journey home started, across Virginia into Bristol, TN, Knoxville, Nashville and Memphis, across Arkansas and into Texas on December 29. From the swamps of Louisiana, the cranberry fields of Massachusetts, the rice fields of Arkansas, Bogata still looked better. "Be it ever so humble" etc. certainly applied here!

Red River Industrial Foundation To Meet

There will be a regular annual meeting of the shareholders of the Red River County Industrial Foundation at the office of the Clarksville Chamber of Commerce in Clarksville on Monday, February 3 at 2 p.m. for the purpose of the election of directors

Talco Girl On Dean's List

Forty-one students enrolled during the 1985 fall semester at Northeast Texas Community College were named to the college's first Dean's List, according to Dr. Carolyn Branch, NTCC's Dean of Instruction.

"We are extremely pleased that our initial Dean's List included 16 students who maintained a 4.00 average and 25 students who earned a grade point average of between 3.50 and 3.99. We believe this has a very positive effect on our entire student body as it represents 14% of those students who were eligible for the Dean's List," stated Dr. Branch.

Locally, Dean's List members include Shirley Whitney of Talco.

To qualify for the Dean's List, a student must have been enrolled in at least 12 semester hours and earned at least a 3.50 grade point average on a 4.00 scale.
