

Most Area Sales Taxes Increase

State Comptroller Bob Bullock Wednesday sent checks totaling \$54.8 million in local sales tax to 1,022 cities that levy the one-percent city tax.

Bullock said the 1986 payments to date were down .5 percent as compared to the payments to date in September of 1985. The decrease in August and September checks

amounts reflects a downturn in the Texas economy, he said.

Houston's check for \$8.6 million was the largest, bringing total payments this year to \$108.3 million, down five percent from last year.

Bogata received \$2,621.07 for this period's payment, for a 33.7 percent increase over the 1985 payments to

date of \$18,014.99, as compared to \$24,090.93 for this year.

Clarksville received \$11,974.69 for their payment this period, for a 5.38 percent increase over 1985.

Detroit received \$509.06 for a 10.73 percent increase over the 1985 payments.

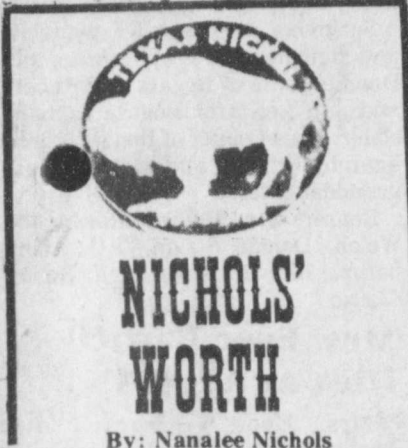

Mt. Pleasant received \$68,873.66, a 3.24 percent increase over last year's payment of \$67,291.46. Talco received \$978.86 for their payment this period, compared to a \$1,555.75 payment for the same period last year, marking a 15.99 percent decrease in total payments to date.

Blossom received \$927.80 for their payment this period, compared to \$856.08 for last year, with a yearly total of \$10,300.91 to date for a .52 percent increase over 1985.

Deport received \$557.54 for this period, a 3.18 percent increase over the 1985 payments to date of

\$10,247.12. Paris received \$145,493.73 for their payment for this period, for a 1.10 percent increase over 1985.

September checks represent taxes collected on sales made in July and reported to the Comptroller's office by August 20.

There are a number of things in this world that have come into common usage in the last ten or fifteen years or so, some worthwhile, some absolutely ridiculous.

One of the most valued, indispensable and least thought about, has to be the plastic trash bag!

The idea of an ode in praise of garbage bags was born as I tied off the top of yet another bulging container and casually heaved it out for later pick up, thereby removing from the kitchen any odors, liquid mess or problems!

Consider what trash cans used to be like. Smelly, dirty, with a permanent coating of coffee grounds at the bottom, just waiting to be bleached and scrubbed. Bleaching and scrubbing lasted until the first eggshell or spill had to be disposed of.

A paper sack inside the can helped a little, but nothing has ever been less worthy of trust than a damp paper sack!

Attic, closet or general cleaning has benefitted tremendously with the advent of the plastic sack.

When once as much time could be spent rounding up boxes and cans to hold all the junk thrown out, now one simply snatches up a roll or box of plastic bags and begins. No matter how much stuff is disposed of, there is a container for it.

Besides their more obvious uses, the handy things have some other graces. For those who attend football games, a couple of trash bags in the pocket provide wet weather relief. Three holes, one for head, two for arms, make instant raincoat. A bag spread on the blachers keeps dampness from soaking through. One over the head solves an umbrella shortage.

The same thing goes for hunters, fishermen or anyone involved in fall outdoor work.

They make Halloween costumes, roof "tents" for kids, protect shrubs and flowers from early frosts, and that doesn't mention leaf and grass clippings, storage for quilts and blankets, Christmas wreaths, ornaments, lights...the list is nearly endless.

Of course, they have changed since the first large, dark green prototypes.

There are now heavy duty, light duty, ten sizes, tie off with wire, tie off with plastic, tie off with a gathered neck of string, tie off with special tabs...they have, as everything in our society tends to, become quite sophisticated.

Still, no matter what size or color, I for one, maintain that the plastic garbage sack has been a true civilization in a world that sometimes seems fraught with de-civilizers!

State Fair Of Texas Set For Sept. 26-Oct. 26

The State Fair of Texas always offers a just-right combination of the old and the new, some crowd favorites that are brought back year after year, as well as an exciting array of first-time-ever events and activities.

The 1986 State Fair, set for Sept. 26-Oct. 26, will include the SMU-TCU football game, pig races, a Centennial Reunion Day and a number of special exhibits in its list.

With a theme of "Texas 150", this year's State Fair celebrates both the Lone Star State's Sesquicentennial and the 100th anniversary of the first state fair.

The Centennial Building will feature a 17,000 square foot exhibit from the People's Republic of China. The China Pavilion will contain a replica of the Great Wall, artisans demonstrating traditional crafts of the country, numerous items for sale and daily performances by "The Incredible Acrobats of China".

The National Aeronautics and Space Administration will present a

5,000 square foot exhibit, including a 6-foot rotating model of the Shuttle Orbiter and a 16-foot model of the organization's next major project, the Space Station. A 100 person capacity theater within the exhibit will show "Journey Into Space", a music video which highlights scenes from twenty-four shuttle missions.

Big Tex, the 52-foot tall talking cowboy who greets Fair visitors each year with a cheery "Howdy, Folks" is sporting a new look this year. Tex has traded in his familiar burnt orange shirt for a new Sesquicentennial version in red, white and blue.

This year's new fair attractions will join a traditional assortment which includes the Texas-Oklahoma football game, the western hemisphere's tallest ferris wheel, the 1987 auto show, daily entertainment and an array of rides, games and food.

Admission is \$5 for adults and \$2 for children ages 5 to 12. Senior citizens are free each Tuesday. Fairgrounds hours are 7 a.m. to 11:30 p.m. daily.

RUNNING-The Rivercrest Rebs made some good yardage against Mt. Vernon as ball carrier Joe Richeson runs with Number 19, Bradley Woods and Number 74, Jeff Rackliff, protecting him. (Staff Photo by Stan Anderson)

Rebels Shut Out By Tigers

By Stan Anderson
The Mt. Vernon Tigers invaded Rebel Stadium last Friday night, looking for their first win of the season and came away victorious in a sluggish 14-0 contest.

The Tigers won the toss, but were only able to muster seven yards in four plays. The Rebels were also unable to crank up their offense on their first possession and were forced to punt. Mt. Vernon took over and began to pound their way towards the Rebel goal. Nine plays later the Tigers struck paydirt, but missed the extra point attempt making the score six-0 midway through the first quarter.

On their second possession of the second quarter, the Rebels put together their first drive of the game. Good running by Amos Brown and Clint Stephenson and a diving catch by Marvin Anderson netted the Rebels two first downs before they were forced to punt. The half ended during the Tigers possession leaving the 6-0 at the half.

The Rebels received the second half kick off but only managed to lose yardage on their first three plays. On fourth down, punter Bradley Woods had his kick blocked, giving Mt. Vernon excellent field position. The Tigers wasted little time scoring and made the two point conversion making the core 14-0 early in the third quarter.

On the ensuing kick off, wingback Amos Brown went down with an ankle injury and was forced to sit out the remainder of the game. From here, the Rebels marched into the Tiger territory, picking up four first downs on the way.

Eleven plays later the Rebels had the ball on the Tiger 3-yard line with a first and goal. The Rebels tried four unsuccessful attempts to push the ball across the goal line, only to have Mt. Vernon take over on downs.

During the fourth quarter, the Rebels and Tigers were both unable to mount a scoring threat. Thus giving the Mt. Vernon Tigers a 14-0

victory.
The Rebels gained 85 yards total offense for the evening and had seven first downs.

The Rebels travel to Carlisle Friday night for a clash with the highly touted Class A school. Kick off is set for 8 p.m.

RICKEY DUSTIN Rector, son of Rickey and Melinda Rector of Talco, celebrated his third birthday with a party at his home Sunday, September 21. The table was decorated in red with balloons and fire engines. Those attending the party were PaPaw and MaMaw Brooks, Steven Brooks, Mr. and Mrs. A.F. Belcher of Talco, PaPaw Rector, Melissa Brooks, Daphne Black of Bogata, Shane and Kenny Rector of Paris.

Dear Editor:

The Bogata News is considered by us all as "our paper". Sometimes we forget who spends all the time putting it together and who pays the bills...we just call it "our paper".

I want to thank you for keeping the recent election and all other items of controversy open to the reader. Our neighbors don't do that, I don't like it, but then their papers are not "our paper".

I do want to say that I am very proud of Edd Hargett. He is one fine intelligent young man. I am pleased not only did Bogata give him the support for the State Senate that he received here in August; they added 52 more votes to that support in the September election.

Hargett kept the support that he received in all counties in the district in August. In the September election, his support increased in each and every county. Locally he also gained more support in Fulbright, Cuthand and Johtown as well as Bogata and Rosalie.

I know I can say for all of us who supported him: "we wish him well, and we all appreciate you for your fairness to him and to us in "our paper".

Thank you,
Frances Rozell
