51st YEAR No. 47

TALCO, TITUS COUNTY, TEXAS

By: Nanalee Nichols

It is Christmas this week. Last minute shopping, decorating and entertaining generally keep everyone busy at this, the end of the year, the culmination of the holiday season.

Few people ever achieve all they intend to for Christmas...but it is truly a time of the year when it is the thought that counts.

Christmas eve is, in many ways, as special as the day itself. Christmas eve is a time when many people have all or part of their family get-together, opening gifts and exchanging greetings and sharing together.

It is a time for family, and the closest of friends to visit, and a time when children are so anxious for morning that it drags on interminably.

Santa Claus is "out there somewhere" and every youngster wonders if he carries in his famous sleigh that special gift that he or she has written to ask for.

It is a time read the Christmas story, to listen to Christmas music on the radio, to go carolling.

Christmas eve is a time to remember too, perhaps with sadness those who are not here this holiday, or perhaps with smiles to recall Christmas of the past, when we were children.

Christmas is a holiday that comes down through generation after generation. Customs and faces change but the joy and pleasure remains undiminished.

Christmas eve should also be a time for recalling the origin of the season...the miracle of the Christmas story that has endured for two thousand years now.

Far away from here, in a land little changed from what it was so long ago, the little town of Bethlehem will dream through Christmas eve night...exactly as it did 1986 years ago when the startling events that set the world on the path to Christianity began.

This Christmas eve...remember the reason for the season.

Merry Christmas to all.

Last Week To Win Cash, Save Money On Subscriptions

This is the last week to renew subscriptions to the paper and save money, plus have a chance to win cash.

The sale will go off December 31, as will the contest.

The paper is on sale for \$2 off the usual yearly rate. A whole year of the paper only costs \$8 in Lamar, Red River and Titus Counties, \$10.50 in the state but outside those counties, and \$12.50 out of the state.

There has been no price increase in the paper rate for three years, in spite of increases in postage and supplies. Anyone renewing their subscription or a subscription for someone will automatically be entered in a drawing for \$50, \$30 or \$20 in cash.

Local news, photos, public information, savings and entertainment are all available through the

paper...which is truly your local paper...plus a television schedule, and now with that renewal you have the chance to win money.

If no renewal is desired simply mail the coupon on the ad appearing in the paper in marked "I do not wish to renew" and you can be entered without any purchase.

The cash will be presented during first week in January.

Renewal notices for December have not been sent out due to the volume, so it's a good idea to check on your subscription.

Blossom subscribers, the majority of whose subscriptions are due in January, are urged to subscribe in December to take advantage of the savings.

'87 Should Be A Little Better For Texas Farmers
Texas farmers and ranchers should see somewhat better times in the year ahead.
"Agricultural income next year may rise moderately over 1986 levels," said Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, the Texas A&M University system.
"Higher cattle prices and better cotton markets are the main reasons for the improved prospects."
Although grain prices will remain under pressure from too many supplies, government payments will support income, notes Anderson. Production expenses will be held in check by low rates of inflation.
Even though demand for grain will benefit from higher livestock prices, total feed usage is expected to decline, says the economist. As a result, combined domestic and export demand for feed grains and soybeans will be below production levels. However, stocks of wheat, rice and cotton are expected to decrease as use exceeds production.
The number of Texas farmers forced out of agriculture in 1986 due to financial reasons beyond their control is expected to exceed 2,800, says the economist. That number is up moderately from the year before and about twice the number two years ago. Heavy debt loads, low prices and low yields are the main causes forcing farmers to quit.

Merry Christmas
It is the season to buckle up... wherever you travel.

Rebelettes Open District With Win, Rebels Lose To Paris

By Stan Anderson
The Rebelettes opened their 1986-87 district season last Tuesday night against the Wolfe City Wolves, the same team that beat the Rebelettes by a 20 point margin in the Celeste Tournament. However, this time, the Rebelettes proved ready for the task. The Wolves opened a 13-2 lead dur-

ing the first quarter, only to have the Rebelettes storm back and outscore their opponents, 16-5 and tie the game at 18 points each.

The third quarter found both teams evenly matched as the Wolves managed only a two point, 26-24 lead going into the final quarter. Near the end of the fourth quarter, the Rebelet-

tes were down by one point. Rachel Smith had the opportunity to tie the game and even win it with two free throws. She connected on one of the two sending the game into overtime, but the Wolves reeled off seven unanswered points to take a 40-33 victory over the Rebelettes.

Friday night the Rebelettes traveled to Como-Pickton. The Rebelettes suffered through a dismal night from the field, connecting on only 30 percent of their shots. The Rebelettes trailed by one at the half, but pulled ahead later in the game and took a hard earned 41-36 win. Rebelette Cindy Thompson led the Rivercrest attack with 12 points. Lucinda Craig had 10 points, Barbie Rackliff had six points, Lori Alford had six and Rachel Smith had five, while Kim Clark had two.

Thursday night the Rebels hosted the Class 4A Paris High JV, a team that has averaged winning by 30 points or more per game and is undefeated.

The team fell victim to a smaller Rebel team as the Rebels posted a 53-51 win over the Wildcats. Friday night the Rebels journeyed to Paris to face the 4A North Lamar Panthers.

The Rebels jumped out to an early lead and never looked back as they coasted to a 70-48 win over the Panthers. Rebel forward Brad Anderson led all scorers with 16 points. Chris Anderson followed with 10 points and also eight other Rebel players got in the scoring column.

The Rivercrest teams will take a break during the holidays but will return to action Friday night at the Rivercrest Classic, a tournament featuring Saltillo, Harmony, Redwater and Rivercrest.

Rivercrest will face Redwater in the first round of play. While Saltillo and Harmony square off against each other also on Friday.

Community Service

We're neighbors' and hometowners and that means a lot. It means we know the community from way back — and the businesses and the people in it. Our future, like your own, is right here. No big city bank pulls the strings, or can siphon off deposits and earnings to some central headquarters — we're home-owned. When you make deposits here, we have that much more to lend out in our area for business expansion, consumer purchases, etc. And that means more jobs, more sales and a brighter economy. When you borrow, the products and services bought with your loan help to build a healthy volume of local trade, and that's a help to local employment, too. Think about it. Doesn't it make good sense to use your community independent bank for all your financial needs? Check our list of services below. We are here to serve you every way we can.

Our bank offers financial services (and many others):

- Savings Accounts
- Checking Accounts
- Personal Loans
- Auto Loans
- Boat Loans
- Appliance Loans
- Home Modernization Loans
- Real Estate Loans
- Commercial Loans
- Collateral Loans
- Banking By Mail
- Travelers Checks
- Safe Deposit Boxes
