

**NICHOLS' WORTH**

By: Nanalee Nichols

My friends in England think I have taken complete leave of my senses... that's because I summarized the weather situation here over the past few weeks in a letter to them.

Only after looking back at what I had said did I realize just how totally bizarre it must look!

It reads like this: First it rained a lot, then it came six inches of sleet. We drove our usual 150 mile paper route on Wednesday in four wheel drive while the sleet fell so fast the defroster wouldn't melt it quick enough.

It stayed slick as glass for almost a week.

Then it came a warm spell and the temperature got up into the seventies... everyone went in shirt sleeves.

Then it froze again... down to about 15 degrees some nights, with the skies so clear it felt like one could see all the way through the Milky Way.

Then it snowed... big fat fluffy flakes that didn't stick because it melted too fast.

Then it rained.

Then it hit just-almost-freezing temperatures and snowed some more... but that didn't stick except in the shade.

Now it is bright and sunny and warm again.

No wonder the poor English ladies think I've gone mad... the weather has!

Only a Texan can truly begin to appreciate the vagaries of weather... because from one day to the next, we never know. It may come thunder storms, hurricanes, tornadoes, mild breezes, bright sun, torrential rains, gentle showers or hellish heat and drought from day to day.

In England the climate is always mild... they thought our May was intensely hot... what would they have done in July and August?

In England there is always plenty of rain, and winters are basically mild, although damp and rainy.

Texas weather must look might strange to them when I write to tell them what's going on.

That isn't the only thing that looks strange to them either. This Christmas one of the Christmas gifts we sent overseas was a calendar. It had ground hog day marked on it.

In the letter that arrived Tuesday Lee asked 'What in heaven's name is ground hog day? Do you hunt them, chase them or what? What is a ground hog, anyway. Here a hog is a pig... I do hope you aren't going to tell me that you chase down pigs to provide the winter's supply of pork? Please, please, fill me in on Ground Hog Day... I simply must know'

Letter of explanation will follow just as soon as this week's paper is out and I have time to relieve her mind that we aren't over here hunting down hogs!

## Talco Sunshine Club Meets

Sunshine club of Talco meets  
The Sunshine Club met at the Calvary Baptist Church in Talco Feb. 16 for their monthly luncheon. Eighteen guests were present.

The program was presented by Vince Blankenship, Youth and Music Director at the First Baptist Church in Bogata. Blankenship, twenty six years old, attended one semester at Texas Tech, studying architecture when he decided music was his calling. He then attended East Texas Baptist University where he studied music ministry. His architectural skills he learned in high school and college didn't go to waste, when the First Baptist Church burned in Bogata last year, he got to design the new church!

Blankenship played the piano and sang several songs for the group. A word game was played before

lunch was served and the winner, Ollie Jones, got to be first in line. After the meal a drawing for the door prize was held, Rachel Case drew. Thelma Davis won the prize of a Valentine Heart filled with candy. Each guest received aheart sucker.

Those that attended the luncheon were: Paul Miller, Rae Ann Miller, G.E. Pinkston, Elsie Weatherall, Rosa Lee Ottinger, Orva Lou Easterling, Josephine Mankins, Mollie Holland, Thelma Davis, Jim Davis, Ollie Jones, Wilma Fry, Juanita Aston, Mary Kelley, Mary McKelvey and Orvie Lee Patterson. Those serving were Tammie Case, Maxine Patton and Sue Miller.

The next luncheon is scheduled for the fourth Tuesday in March. All senior adults in and around Talco are invited and encouraged to come and join in the fun and fellowship.

## Local Sales Taxes Up

State Comptroller Bob Bullock on Friday sent checks totaling \$129.4 million in local sales taxes to 1037 cities that levy the one-percent city sales tax.

Bullock said this month's allocations increased by 3.4 percent over last year's February checks, a growth of \$4.3 million statewide.

"The growth in December's holiday sales is yet another indication that the state's recession has finally ended", Bullock said, "This increase in consumer spending is a statewide vote of confidence in our economy."

The widened tax base, authorized by the Texas Legislature last year, also contributed to the increase in allocations, Bullock said.

February's checks represent taxes collected by monthly filers in December and reported to the Comptroller's Office by January 20. This month's allocation also included year-ly and fourth quarter filers.

The largest allocation this month, \$22.1 million, went to Houston an increase of 10.47 percent. Dallas received the second largest check, \$14.7 million and increase of 1.4 percent.

Bullock also sent checks totalling \$59.6 million to the state's six metropolitan transit authorities, an

increase of four percent over February 1987 payments.

On a local level, Blossom was up 29.36 percent with a payment of \$3,978.21, and increase over last year's of 2,306.20.

Deport was up also, although not as much, with a 4.75 percent increase. Payment was \$2,672.45, compared to \$2,279.01 last year.

Paris increased 10.75 percent with a payment of \$313,386.79 compared to \$297,279.98.

Bogata received \$4,644.86 and increase of 13.18 percent over last year's \$3,850.97.

Clarksville received \$31,140.73, up 13.03 percent. Last years comparable payment was \$31,601.65.

Detroit was down slightly, with a 3.07 percent drop. Their payment was \$1,325.80 while last year's was \$1,343.89.

In Talco there was a 10.53 percent drop, Talco being an oil based economic area, is still feeling the "oil crunch". Their payment was 3,312.17 and last year's was 5,450.44.

Mt. Pleasant was down 17.76 percent with a payment of 142,659.22 compared to last year's \$179,588.65.

## Blood Donations Being Taken For Garth Ottinger

The Stewart Blood Bank Van will be in Talco Friday, Feb. 26 in front of City Hall from 2 to 6 p.m. The van will be set up to take blood donations in the name of Garth Ottinger to replace blood used during his recent surgery at Mother Francis Hospital in Tyler.

Ottinger suffered a heart attack at his home Jan. 15, and was air lifted

from Titus County Memorial Hospital to Tyler where he underwent open heart surgery. He used 25 units of blood during his surgery.

Donations of blood will help cover the cost of the blood used and will also help supply the blood bank. The Stewart Blood Bank has a critical shortage of blood and would appreciate blood of all types.

## Time To Fertilize Pastures

By Herb Brevard

Producers need to fertilize winter pastures as soon as conditions permit, says Dr. Sim A. Reeves, Jr., agronomist for the Texas Agricultural Extension Service. With all the wet weather during the past two months, nitrogen put on last year has either been leached or used by the plant.

In order to get additional growth from the forage as weather improves, additional nitrogen is needed. Reeves suggests applying at least 50 to 75 pounds of actual nitrogen per acre. This application should carry the plants to the latter part of March. If weather conditions continue to be normal, another application of nitrogen will be needed in late March or early April.

Clover should begin growing later this month as the weather warms. Hopefully, some clover pastures can be grazed by late February. The clover does not need nitrogen if the seed were properly inoculated prior to planting or if the clover is from reseeded.

## Patterson On Subcommittee

## Rebelettes Season Over, Rebels Keep Hopes Afloat

By Stan Anderson

Last week the Rivercrest Rebelettes and Rebels started winding up the 1987-88 season.

The Chisum Mustangs came calling Last Tuesday night at Rivercrest. The varsity Rebelettes faced the District-leading Mustangs and hoped to salvage a somewhat disappointing season with a win but the Mustangs had other plans. After one period of play the Mustangs led Rivercrest 15-10.

The Rebelettes managed to stay close in the second period by virtue of a 5 of 6 performance from the free throw line.

Rivercrest rallied 21-15 at the half.

The third period saw Chisum increase its lead by outscoring the Rebelettes 16-12 for a 41-33 difference heading into the final period. Chisum turned up the defensive pressure in the fourth quarter, while at the same time opening up their offense enroute to a 52-42 victory over the Rebelettes.

Amy Gladden led the team with 15 points, Rosie Norman followed with 10 and Cindy Thompson had 6. Rachael Smith and Kristi Stansell had

4 each and Kim Clark had 3 points.

The final contest of the evening pitted the Rebel varsity against the Mustangs. Rivercrest owned a half game lead over the Mustangs and both teams needed a win to get a firm grip on a playoff position.

The first quarter started off fast and fruious as the Rebels and the Mustangs matched each other basket for basket. Unil David Bush hit a hook shot at the buzzer to lift the Rebels over the Mustangs 19-17 after one period of play.

Rivercrest shooting cooled off some in the second period as Chisum raced ahead to take a 33-30 lead at the half.

Rivercrest exploded for 21 points in the third quarter, but Chisum answered the Reb outburst with a 21 point effort of their own. Chisum outgunned the Rebels until midway through the fourth quarter.

The Mustangs held a 7 point lead at the 5 minute mark, when the Rebs started a furious comeback effort. Rivercrest tied the game for the 10th time at 64 points each, but a pair of

Mustang free throws put the visitors on top.

66-64 for good.

Bradley Woods led the Rebels with 129 points followed by David Bush with 14. Marvin Anderson and Donald Combs had 11 and 8 points respectively. Jimmy Lewis and Scooter Brown had 4 each. Craig Savage and John Purviance had 2 apiece.

Friday night Rivercrest traveled to Cooper. The Rebelettes faced the Buldogettes for their final contest of the season. Early in the game the Rebelettes looked like they had already quit, as Cooper outplayed them for a 17-4 team. But the Rivercrest girls turned the tables on their opponents in the second period, outscoring them 16-7 to draw within 20-24 at the half.

The third quarter saw the Rebelettes offense sputter again while Cooper continued to put points on the board. Cooper led 39-27 heading into the final period. Rivercrest used the entire fourth quarter to gain on the Dogs and caught them with 50 seconds left in the contest on a Rachael Smith 3 pointer. That tied the score at 47 each. But Cooper managed to score twice more in the remaining time to win 51-47.

Rosie Norman led Rivercrest with 11 points, followed by Rachael Smith with 10. Cindy Thompson and Amy Gladden had 8 and 6. Tonya Hawkins and Kristi Stansell had 4 each and Kim Clark and Kristi Brooks had 2

each.

The Rebel Varsity hoped to keep their playoff hopes alive with a win over Cooper. The Bulldogs proved to be a worthy opponent as they outscored Rivercrest 19-17 in the first quarter.

Both teams poured in 21 points in the second quarter for a 40-38 halftime score.

The fast paced first half showed its effect on Cooper in the second half as the Dogs were too tired to keep pace with the Rebels. The Rebs took advantage of this and outscored Cooper 17-6 for a 55-46 lead heading into the final quarter.

Cooper made a comeback attempt in the final period, and even managed to pull within two points before the Rebels raced ahead for a 10 point 76-66 win over the Bulldogs.

Craig Savage led Rivercrest with 24 points. Bradley Woods finished with 17 points. Jimmy Lewis contributed 12 points and David Bush and Marvin Anderson had 7 each. Donald Combs and Scooter Brown had apiece and John Purviance had 2 points.

This week the Rebels travel to Wolfe City Tuesday and return home Friday to face Como-Picton. The Rebels can make the playoffs provided they win both games this week and Chisum loses to Honey Grove on Tuesday. This would tie Rivercrest and Chisum for second place and force another meeting of the two teams.

*In the 1950s in Red River County there were approximately 9 felony convictions per year. In the 1960s there were approximately 12 felony convictions per year. In the 1970s there were approximately 25 felony convictions per year. Since taking office in 1981 I have averaged approximately 75 felony convictions per year, and the number of persons in Red River County convicted of felonies per 10,000 population is higher than the comparable figure for 4 of the 7 Texas counties which border Red River County.*

money may be slipping

If you don't have weatherstripping, you're probably losing heated and cooled air through the cracks around your windows and doors.

Since you paid for that heated and cooled air, you're losing money — by paying for more electricity than you need.

Weatherstripping is fairly inexpensive, and you can weatherstrip your home in a weekend.

For a step-by-step brochure on weatherstripping, visit or call your local Texas-New Mexico Power Company office today.
