Next Sunday is Easter. Thinking about Easter invariably brings back memories of "Easter Dresses" in childhood.

Do youngsters today still get that special spring outfit that they wear for the first time to church that day?

I recall going with my mother and grandmother to look for that Easter dress. It seems to me now that it usually took a whole afternoon.

There were colors to be considered, sizes to be tried on, and styles to ponder over.

That was back in the fifties, when little girl's clothing had gathered skirts and dozens of stiff petticoats. Just getting into and out of those dresses took time!

At last the dress would be found that was the right color, size and price.

Let's you think the shopping trip was over though, just reconsider.

That shopping trip had just begun!

Along with the dress had to go new shoes. And for me, at least, that could be a royal battle.

Shoes feel good first, look good second in my book. The female members of my family felt that my priorities were mixed. Also, those shoes had to last for a while as "Sunday, dress up shoes".

So it was try on, fuss, walk around the shoe store, and finally, after lengthy debate, purchase a pair of little patent leather shoes.

Still, however, the shopping spree wasn't finished.

Now came accessories. First a hat, or at least a little flower-bedecked comb or headband.

Again with the try ons and looking! Of course, selecting the hat was more difficult than the dress, because it had to color coordinate with the dress.

Finally I would find something that caught my fancy, that mother considered appropriate, and that grandmother didn't find too radical.

That only left gloves, socks with lace or a tiny flower, and sometimes, a little patent leather purse!

It's taken me years to realize that being the only girl with three older brothers meant that I received more attention about Easter outfits than other youngsters with sisters may have.

But I did realize that Easter Sunday, when I went into the church in my brand new dress with all the little touches, that I felt so good! Each year I felt a little more grownup.

I heard all the lectures about pride, and how Easter wasn't just for new clothes. And somehow those new clothes just seemed to compliment the season, as if they, too, marked a new beginning.

It was a special time, and I hope today's kids can feel just as special.

Local Sales Tax Reports Show Ups, Downs

State Comptroller Bob Bullock on Monday sent a late Christmas present to Texas cities, counties and MTA's by way of checks totaling nearly \$225 million in local sales tax allocations.

"The cities alone got a 12% increase over last year's checks, and 8%, more than half, is due to higher sales during the holidays," Bullock said.

Bullock added that about \$670 million was deposited in the state's coffers because of the strong returns, and state lawmakers could put the unexpected extra \$150 million towards planning the 1990-91 budget.

"The growth in collections from the broadened tax base has evened out now. That means these increases are a direct result of a stronger economy and greater consumer confidence," Bullock said.

Checks totaling \$145.1 million were sent Monday to 1048 cities that collect local sales tax at either one or one and one-half percent.

The state's six metropolitan transit authorities and one city transit department also received \$66.9 million in rebates, a 12.3 percent increase over last year's payments.

According to Bullock, a total of \$12.7 million was allocated to 81 counties that collect the one-half percent county sales tax.

Blossom reported a 31.41% increase with a check for \$3,739.59, compared to \$3,978.21 for the same period, with a total to date of \$5,227.70.

Deport received \$2,873.25, compared to \$2,672.45 over last year for an 8.64% increase.

Paris received \$317,455.85 showing a 6% increase over the payment in 1988.

Bogata received \$4,080.67, for an 8.16% decrease over a \$4,644.86 payment in 1988.

Clarksville received \$33,811.37 for a 13.42% increase while Detroit received \$1,559.14 for an 11.33% increase over 1988 payments.

Talco received \$2,648.37, marking a 29.33% decrease over last year's payment of \$3,312.17 with a 1989 payment to date total of \$3,734.93, compared to \$5,285.31 for last year.

Mt. Pleasant received \$143,892.17 for a 5.44% increase over 1988.

Comptroller Bullock said Friday that March's city sales tax rebates, which reflect sales made in January, were up by an average of 27% statewide.

"Although consumers usually slow down their spending in January, this is a good sign that the state's economic engine is running strong and

steady," Bullock said.

Checks totaling \$61.7 million were sent Friday to 888 cities that collect local sales tax at either one or one and one-half percent. Bullock said that's an impressive gain over last year's March payments to cities, which was just \$48.6 million statewide.

Bullock added that 26 cities that began collecting an optional half-percent local sales tax in January received their first payments with this month's allocation.

Bogata received \$1,611.49 for a 20.37% increase, compared to no payment for the same period last year.

Clarksville received \$12,979.88 for a 10.77% increase. Detroit received no payment for this period, and no payment for the period in 1988.

Blossom received \$983.23 for a 37.54% increase over last year's payment of \$537.48.

Deport received \$771.67 for a 32.58% increase over no payment last year while Paris received \$134,404.37 for a 10.28% increase.

Mt. Pleasant received \$64,802.88 for a 5.26% increase.

Talco received \$763.59 for this period, for a 29.61% decrease over last year's payment of \$1,105.91.

Forty Degree Drop In Temperatures Welcome In Spring!

By Nanalee Nichols

As it has for the past month, the weather pulled another bag of tricks open, showering first warmth and sunshine, then thunder, lightning and sleet, plus a fair dose of rain on the entire area Tuesday morning.

After several days of warmth, then a windy, chilly Saturday and Sunday, Monday dawned with highs of 82 degrees. At about 5 p.m. that same afternoon, though clouds rolled in and the wind came up, sending lightly clad people scurrying for jackets and warm socks!

The thermometers that had shown

eighth degrees the day before, plunged into the forties, showing a good 40 degree difference overnight.

Made to feel colder after the warmth, the weatherman capped it off with deluges of sleet and heavy rain Tuesday.

Although temperatures are predicted to climb back to 65 or so, even the feels cold after the balmy temperatures that preceded the first day of spring.

As one youngster said, "I thought this was supposed to be SPRING break?"

NEW ZEALANDER Goes Country! Colleen Duffy of Auckland, New Zealand, who is currently studying in the U.S., and is a teacher, was in Deport Saturday with LuAnn Sparks. A city girl, Colleen delighted in trying on overalls, stetsons, boots and ended up in this cham-

brey dress, with red boots, big hat and an enormous belt buckle...just for fun "What a country" she laughed! She reports that she loves Texas and may even consider becoming a U.S. Citizen. She has already become an unofficial Texan! (Staff Photo by Nanalee Nichols)

Chuck Wagon Gang To Appear In Mt. Pleasant

The Chuck Wagon Gang, who have been one of America's best selling artists for more than 52 years, will appear in a special concert at the Mt. Pleasant High School Auditorium on Friday, March 24 at 7:30 p.m. Also appearing will be The Calvary Boys of Tenaha and Mt. Pleasant's own Highland Heirs Quartet. Ticket information may be obtained by contacting Waylon Moore at 572-5251.

The Chuck Wagon Gang's close knit harmony and blending of melodies have become a part of Americana as apple pie. Current members are Roy Carter, his sister, Ruth Ellen Carter Yates, cousin Pat McKeehan, Harold Timmons and Debbie Trusty.

The original Chuck Wagon Gang was formed in the early 1930's by D.P. "Dad" Carter and consisted of himself, his son, Jim, and daughters Anna and Rose. For over 40 years,

the famous Chuck Wagon Gang recorded for Columbia Records, an unparalleled accomplishment in the gospel music industry, and at one time, they earned the distinction of being the second highest best selling American artist on the label. The group has sold over 30 million records.

They have appeared in Carnegie Hall, the Hollywood Bowl, the Grand Ole Opry and on thousands of concert stages across America. They have been included in the Smithsonian Institute's Classic America recordings. They were the first gospel group to record on a major label the now standard gospel song, "I'll Fly Away" and have made other gospel songs into standards through the years.

The group now records for Associated Artists, with Jack Eubanks producing their records.

Bill White Attends Marine Memorial Ceremony

Bill White, Marine Corps veteran of World War II, attended a memorial ceremony at the Marine Corps Memorial at Marine Military Academy on Thursday, March 16.

The World War II Marine Corps veterans solemnly dedicated a time capsule containing the names of 7,600 Marines who died on Iwo Jima from February 19 to March 16, 1945.

The ceremony marked the 44th anniversary of the capture of Iwo Jima by U.S. Forces.

Cemetery records prepared by the 3rd, 4th and 5th Marine Divisions, as well as by the U.S. Air Force, were used to make up what is believed to be a complete list of Marines who died on Iwo Jima.

The 4th Division Association organized and sponsored the program. A service with prayers for those who died on Iwo Jima was held in the MMA Chapel before a ceremony to place a special 4th Division wreath by the plaque that covers the capsule containing the list of names.

Members of the Inspector/Instructor staff of the Marine Corps Reserve Center in Harlingen provided a firing squad in conjunction with an echo bugle ceremony provided by MMA.

Mrs. Dewey Norman, whose husband had spearheaded the 4th Division Association effort to place the time capsule with the names of the Iwo Jima dead, placed the wreath.

A proclamation honoring the 44th anniversary of the capture of Iwo

Jima issued by Harlingen Mayor Bill Card, who had been a member of the 4th Division, was read.

Three World War II trainer aircraft from the Rio Grande Valley wing of the Confederate Air Force provided a flyover during the wreath-laying ceremony.

The MMA Corps of Cadets marched in a parade afterwards. The MMA band, color guard and drill team also performed.

The 4th Division was in combat only 63 days, but during that time it suffered 17,722 casualties, some wounded more than once. Of those, 3,298 were killed or died from wounds.

The 4th Division participated in four major battles: Roi-Namur, Kwajalein Atoll, Marshall Islands, February 1, 1944. The battle lasted 24 hours, 15 minutes with 190 killed and 547 wounded; Saipan, Marianos Islands, June 15 to July 9, 1944, 25 days, 1,076 killed, 4,905 wounded; Tinian, Marianos Islands, July 24 to August 1, 1944, nine days, 290 killed, 1,515 wounded; Iwo Jima, Volcano Islands, February 19 to March 16, 1945, 26 days, nine hours, 1,809 killed, 7,292 wounded.

The Marine Corps War Memorial at MMA is the original fiberglass mold of the Iwo Jima Monument, the statue at Arlington National Cemetery in Washington. The statue was donated in October, 1981, by Felix de Weldon, the sculptor.

Class Of 1939 To Hold Open House

Edward Moore, Jr., Virginia La Verne Pike, Doris Elaine Pittman, Burrell William Proctor, Alfred Glenn Puckett, Loretta Rodgers, Cecil Rogers, Fay Setzer, J.A. Scarborough, Mabry Scarborough, Edith Smiley, Otho A. Sumrall, Doris Tatum, Dessie Vaughn, Ruth Wright, Billy Ray Whitten, Adelaide Marie Williams.

The world has turned around exactly fifty times, Since we graduated from Bogata High School in 1939. Our hearts were young and full of hope. In those depression years when it was difficult to cope. Yet 50 years have passed like a flash. When we were so young in that 39 class. We each have gone our separate way. To our place in destiny after that Graduation Day.

When we said, "Tonight we launch, Where shall we anchor", We had thoughts of law or medicine or maybe a banker. Our colors of blue and gold and the Depot clashes, And Coach Hatcher's happiness when we gave them a thrashing. We were 34 proud seniors as high as the moon. When we graduated from BHS that second day of June. Where has the time gone and what can we say.

Class members include Richard Bass, Luther Eugene Bell, Eunice Grant Brown, J.W. Childers, Mildred Lee Cooper, Hugh Riley Forester, John Nowlin Gibson, Bernice Ruth Griffin, Frank Habern, Jr., Leona James, Estelle Jeffery, Raymond A. Jennings, Carl Willis Jones, Melvin Jones, Aline Marie Kahl, Sam H. Latimer, Lorene Morgan, Frank served.

This is the 50 year reunion. Everyone come and make this a wonderful time for renewal of past friendships and associations and remembering how it used to be.

Frank Habern has written a poem that appropriately describes our feelings over the past 50 years.

To account for our aspirations we had on that day. Have we fulfilled the dreams we had back then. When we faced the world that was boiling within. Hitler's war in Europe changed many of our lives. Some joined the service and barely survived. But the spirit of our schooling at BHS, Was one good reason we gave it our best. And now as we gather to reflect on the past. To come to Bogata and our high school class. We think of our lives in the past fifty years. And for those who are not here we dry our tears.

For they too would have enjoyed seeing their high school friends, But, alas, time and eventualities dictate what might have been.

So rejoice that some of us are together again, To enjoy our high school reunion and visit with our friends. And we pray that God will take of His time, To bless our senior class of 1939.

SYMBOL of the season-Dogwood is an age-old symbol of the Easter season. Legend says that the dogwood tree used to be a large, strong

tree, and that the wood of the cross was made from it. Because of the tree's distress over this, it was made to grow too small for such a use

ever again, and the cross-shaped blooms are touched with "blood" to serve as a reminder to all. (Staff Photo)

Red River County Junior Livestock Show Is Saturday

The annual Red River County Junior Livestock Show will be held Saturday, March 25 at the Legion Park Fairgrounds in Clarksville. 4-H and FFA members from Northeast Texas and surrounding areas will be exhibiting livestock and competing for awards.

Breeding beef, market steers, breeding sheep, market lambs and dairy animals will be checked in and begin showing at 10 a.m. The Red River County Market Lamb Show, which is restricted to Red River County 4-H and FFA members, will begin at 9 a.m. with a check-in time of 8 a.m. The top market lambs will

be sold by auction at 12 noon. Anyone desiring a top quality lamb for their freezer should be present at the auction.

Rabbit and poultry divisions will also be judged. Rabbit entries will be checked in at 10:30 a.m. and be judged at 12 noon. Poultry entries will be checked in at 9:30 a.m. and be judged at 10 a.m.

Entry numbers are expected to be up from last year and visitors should expect to see some of the best animals in the area exhibited. A concession stand will be on hand to provide drinks and food for everyone attending.

April Is Child Abuse Prevention Month

"It should not hurt to be a child," yet the Texas Department of Human Services annually confirms more than 50,000 cases of child abuse and ne-

glect. While families most at risk are those where parents are troubled by alcoholism, drug abuse, marital strife, low self-esteem and joblessness, child abuse crosses all socio-economic lines and ethnic groupings, according to Virginia Brock, County Extension agent in Red River County.

She said that skills for parenting are not inborn but require constant development by the parent during the childhood-adolescent period. Most parents genuinely love their children, but find themselves caught in situations beyond their control and do not know how to cope.

Because many Texas families tend to be mobile, they may not have family resources or stable friendships to provide external support. They also may lack basic child development information which helps them develop reasonable expectations of children's behavior at different ages and stages.

There are a growing number of community resources available to parents. Groups such as the Texas Agricultural Extension Service, local churches, school and medical centers offer parenting education classes and special programs.

Nine of our states got their names from the rivers that flow through them—Minnesota, Colorado, Connecticut, Illinois, Mississippi, Nebraska, Ohio, Oregon and Wisconsin.

The Allen brothers, land speculators who founded Houston, encouraged Sam Houston to establish the capitol of the new republic in their own town. Houston "was, predictably, enchanted with the idea of a capitol city named after himself." The Allen brothers even promised to build the capitol at their own expense, so Houston City was named capitol of Texas in late 1836.

The first boatload of goods headed for Houston was brought up Buffalo Bayou in January 1837 by New Orleans merchant Frank Lubbock. He missed the site entirely and continued upstream until he ran out of bayou. He backtracked until he found the landing, which turned out to be a narrow path leading up the bank. When the first legislature convened in May, 1837, the capitol was still unfinished and carpenters lashed tree branches to the roof for shade.
