Well, inflation has ruined yet another beloved tradition. Actually, it was ruined a number of years ago...I've just gotten around to noticing it!

It's a sad thing that almost all vending machines and pay phones now require quarters, and not because it empties the pocket-book faster, either.

Think about it...how many songs and rhymes have been written that use the word "dime" in them.

Want some examples? Well, the old Jim Croche song had a line "Operator, I want to thank you for your time...and you can keep the dime". Just how would it have worked if the song had to run "Operator, I want to thank you like I oughter...you can keep the quarter" Nope...I don't THINK so!

"I love rock n roll, so put another dime in the juke box baby" just won't work with quarter substituted.

The old song "On Broadway" just won't work out with "and all you've got is one thin quarter". It takes DIME to rhyme folks!

Somehow the tender lyrics in love songs wouldn't sound just right with verses like "I guess I loved her sorter...so I spent my last thin quarter" or "I'm gonna spend a quarter just to tell the world I got her".

There's a country song about "Two dollars in the juke box and five dollars for a bottle". Obviously this seven dollars is supposed to last all night long...well folks, you can't keep the juke box playing long on \$2 and you can't get a bottle for \$5!

Now -a- days raining pennies from heaven probably wouldn't amount to enough for people to bother picking up!

What do you think would happen today if someone tried "Long distance information, give me Memphis, Tennessee, help me find the party that tried to get in touch with me. I do not have the number but I know who placed the call, cause my uncle took the message and he wrote it on the wall".

In the first place, the operator would immediately start inquiring "do you have a credit card sir?" Then, without a doubt, money would start coming in to that picture before the operator would do ANYTHING!

"Buddy can you spare a dime" just isn't relevant anymore. Good grief, it won't even buy a cup of coffee.

Yes, inflation has played havoc with the song writing business.

And short of renaming the quarter to something that would rhyme with love, or heart, there doesn't seem to be a remedy for the situation.

So we just have to say goodbye to the old songs about broken hearts being mended with a dime phone call and look forward to a time when things will more than likely take a dollar.

Uhoh...think about THAT. Just what rhymes with dollars...lovely words like "holler" "smaller" "taller".

Let's see "I called her up with my last dollar, just to tell her my heart was getting smaller" because she makes me cry and holler". Oh no, I don't think I can stand this!

Stray Dog Becomes Symbol Of Town's Togetherness

By Nanalee Nichols

He's kinda wide at the shoulders and narrow at the hip, and everyone knows you don't give no lip...to Little Red. Red has a wonderful personality. He guards the bank from prowlers, and he welcomes strangers to town only after careful investigation.

He leads an active social life, and has a host of friends.

Occasionally he gets a little loud mouthed and irritating, but there's nothing malicious about him...it's sheer high spirits.

No one knows what his real name is, his nickname comes from the bright reddish hue of his hair.

There are "reds" in almost every little community across the country. He's a phenomenon peculiar to business districts small enough that residents wave at everyone, regardless of whether they know them or not.

Red is Deport's Town Dog.

A medium sized shorthair, his ancestors may have included a hound (witness the ears), beagle (look at the body shape) and who knows what else.

Having been hit by cars several times, his hips are a little narrow, and his shoulders have developed to make up for the weakness. He has some mauling scars, and a pronounced limp.

No one knows exactly when Red showed up on main street in Deport, but it's been several years now.

When he first arrived he was in serious shape, crippled and starving.

Jane Swint, an employee of First National Bank of Deport, took pity on him and began to bring him food. Soon the other girls at the bank joined in, taking turns bringing dog food, and he was fattened up.

Brenda Watson, Glenda Watson and Eva Brooks along with Jane, all see to it that Red doesn't miss any more meals.

Carlos Ladd, the local insurance agent, began bringing Milk Bones for him to add a little variety to Red's life.

Across the street at the local grocery store the handouts began to come in too. Down at the Deport Times he was given special treats such as cake or cookies. Next door at the drug

store people began to take notice of the little dog. C.G. (Bud) Nobles makes sure that Red always gets his vaccinations, especially for rabies.

In return Red began to guard the bank, barking fiercely at strange dogs that came up, sleeping under the deep porch there.

He makes a daily round of all the local businesses, pausing to "whoop, whoop, whoop" in response to someone's cheery "Hello red dog, how ya doing today".

Last winter there were several bitterly cold nights. No one had to tell Red what to do. He left main street and trotted down to Mike Francis' house, several blocks away. Mike always gets Red his flea collar for the summer. Somehow, the crafty canine seemed to know that there would be a nice, heated back porch to sleep on

when the mercury dropped below 20 degrees. But as soon as the temperatures were a little warmer he was right back on main street, keeping his vigil.

When his shoulder was slashed by a bigger, tougher dog he went to Mike again. For several days he was content to lie on the porch, being fed milk and food, until the cut healed. Then he limped back downtown!

He doesn't ask to be petted a lot, just an occasional pat on the head.

Once or twice a non-dog-oriented person has made some comment or another about him...only to wish they had kept their mouth shut. Almost every person in every business is willing to jump to Red's defense!

Red Dog doesn't mind not having one specific home, he seems happy instead of consider all of downtown his domain.

He makes his rounds, takes his guard duty seriously, and brightens almost everyone's day.

A little stray with ribs sticking out, and object of pity, he has now become the town mascot.

The bank employees claim him as their dog...and he is. But he also belongs to everyone who slips him a treat, or smiles at his noisy response to the spoken greetings people extend him.

Red Dog is a phenomenon of the small town, and there must be millions like him scattered from one end of America to the other...the Town Dog...spelled with capital letters and symbolizing the spirit that knits little communities together.

MORNING TREAT-Carlos Ladd gives "Red Dog" the local mascot, a treat every morning. Ladd is one of a number of people who see to it that the dog gets

proper food, vaccinations and shelter. In return, the little fellow guards downtown fiercely. (Staff Photo by Nanalee Nichols)

Pre-TASP Test Dates At NTCC Announced

Students without previous college credit who plan to enroll this fall at Northeast Texas Community College are encouraged to sign-up for one of the Pre-TASP testing dates according to Michael Dennehy, NTCC's Director of Counseling.

"The purpose of the Pre-TASP test is to determine a student's current skill level in reading, writing and mathematics," said Dennehy. "The information will be used by academic advisors to determine any need for remedial assistance in basic skills prior to the student's attempting college level coursework."

Test dates are August 1, 7, 9, 14, 15, 16, 17, 18, 21, 22, 23, 24, 25, 28, 29, 30 and 31 and September 1, 5, 6, 7, and 8.

There is no charge for the Pre-TASP examination and students may call the Counseling Center at NTCC at 572-1911 to schedule a time.

"While the Pre-TASP test is unofficial and may not be used to satisfy the state mandated TASP test requirement, the test is used for local placement purposes. It does not exempt students from completing the official

TASP test prior to the completion of 15 semester credit hours," Dennehy added.

Card of Thanks

It's not the things that can be bought that are life's richest treasures, it's just the little "heart gifts" that money cannot measure, that make friends, neighbors and relatives such a treasure.

The cards and flowers were beautiful, the phone calls, visits and prayers so thoughtful and appreciated. Priceless treasures are found in neighbors who mow yards (Wayne Alsbrook and Loyd Ford). We love each and every one!

Gordon Alsbrook & Family

Card of Thanks

The family of Rozell Morgan would like to express thanks and appreciation to all of our friends for the many ways in which they helped us in our hour of sorrow. The memory of your kindness will always remain with us.

Two numbers
that can save energy

By setting your thermostat at 78 in the summer and 68 in the winter, you can keep your home comfortable without wasting energy.

If you're tempted to raise or lower the setting, consider this: for each degree you adjust your thermostat, your energy use increases by about 6 to 8 percent.

For more ways to save energy with more common sense than dollars and cents, visit your TNP office for a free brochure.

Paris Rodeo Opens August 2

The Paris Rodeo and Horse Club will be sponsoring professional regional rodeo at its best beginning August 2 at the Paris Fairgrounds Arena. The rodeo will run August 2 through 5, Wednesday through Saturday evenings at 8 p.m. and will feature championship cowboys and cowgirls within the 7-state region of the Cowboys Regional Rodeo Association, sanctioning rodeo association for the rodeo.

And this year is extra special for the Paris rodeo, it is the 30th anniversary of the rodeo and special entertainment has been planned as part of the celebration.

On Wednesday evening, August 2, Mason Dixon will be performing live at the rodeo. This popular recording group, who have gathered many fans in the northeast Texas area, will be performing their current and past hits for rodeo fans. Mason Dixon consists of Jerry Dengler, Rick Henderson and Frank Gilligan and their show is fully self-contained with lead guitar, bass, drums, full keyboards, synthesizer and rhythm guitar. The group also provides full sound and lights and their own production crew. They promise to give rodeo-goers a great night of entertainment.

And on Thursday evening, August 3, new singing sensation Garth Brooks will be on hand to sing his latest country-western hits for the audience. Brooks, a 26-year old Oklahoman, is the most recent neo-traditionalist to emerge on a major recording label and has one of the voices that gives a deeper, heartfelt understanding to mere words and

melodies. From his initial single, "Much Too Old (To Feel This Damned Old)", a rodeo song with much broader implications, to the thoughtful love song, "If Tomorrow Never Comes", Brooks voice rings as true and pure as the wind whistling across the Oklahoma prairie.

Along with the special entertainment scheduled for the Paris rodeo, the audience will be thrilled and chilled with professional rodeo action and livestock, as the Wing Rodeo Company of Bogata will be producing the 1989 version of the rodeo.

The Wing Rodeo Company has been touted nationally for excellent bucking stock and has had its bulls and horses featured at every major rodeo across the United States. The Wing Rodeo Company has been producing rodeos for 22 years and brings a wealth of knowledge in rodeo production to Paris for its anniversary celebration. The Wing Rodeo Company is the 1988 Stock Contractor of the Year for the Cowboys Regional Rodeo Association and was also awarded the Bucking Bull of the Year, Bareback Horse of the Year and Saddle Bronc Horse of the Year honors last year.

The annual Queen and Princess contest will also be a part of the week's activities, as the new Queen and her court will be crowned during the rodeo.

The Paris rodeo is being co-sponsored by Radio Station KOYN and everyone is invited out each evening to enjoy rodeo action and fine entertainment, all in the same place.

TONYA HAWKINS, left, and Jerilyn Russell, right, accepted a \$100.00 donation from Donald O'Donnell, center, a representative of the Bogata V.F.W. Post #8187, on behalf of their team, to help defray expenses when going to Salem, Virginia next

week to represent Texas in the World Series National Finals Dixie Softball Tournament. The girls team, the Dixie Debs, won the state championship and will represent the state at the Nationals. (Staff Photo by Keye Lee)

Avery Frontier Day Begins

The annual Avery Frontier Days celebration gets off to a good start Friday, August 4 at 5 p.m. The Lions Club will serve up wagon train vittles in the form of a barbecue dinner with all the trimmings. Mr. and Miss Frontier Days and the Frontier Babies will be presented on the main stage at 6 p.m. while the cowboys show off their beards at 7 p.m.

A brand new sewing machine will be given away to a lucky entrant in the Style Show at 7:30 p.m. Pay only \$1.00 to enter, wear your best frontier frocks, and join in the fun.

Saturday morning kicks off with a 5K run at 7:30. Register for the Horse Show and Peach Cookery at 8 a.m. and watch the parade at 9 a.m. Avery's own Mr. and Mrs. Herbert Medford will act as Grand Marshals and other Avery senior citizens will be honored.

Frontier gals will go crazy over the

30 or more Arts and Crafts booths while the kids enjoy activities at the Kiddie Corral. There will be cow chip throwing, chicken flying, calf scrambles, sack races and many more activities.

There will be antique cars, museum quality farm implements, saloon shows and all the good food. There will be a chili cook off, beans and cornbread, hamburgers, hot dogs, tacos and lots of goodies to satisfy the sweet tooth.

The Celebrity Donkey Race begins at 3 p.m. with local radio and TV personalities riding the ring.

Black Bart and his gang will attempt to rob the First State Bank in Avery at 10:30 and 2:30. Look for John Law and Billy Justice to ride in with guns smoking during the shoot out. The "Hanging Tree" is waiting for justice to be served.

Finish the day with a street dance from 9 to 12, with the Southern Seven Band.

Vocational Nursing Pre-Test Dates Set

Pre-test dates for the Paris Junior College Vocational Nursing program have been scheduled in Paris and Commerce, according to Sandra Chadwick, director of vocational nursing.

The pre-tests are required for admissions to the vocational nursing program at PJC. No fee or pre-registration is required for the pre-tests but students must be at least 17, have a high school diploma or GED before admission, and must be at the test center at the scheduled time.

The pre-test will cover reading and basic mathematics skills and takes approximately 90 minutes. Pre-test

participants will be notified of the results as soon as possible.

The pre-tests will be offered in Paris each Monday and Wednesday at 1 p.m. The tests will be given on the PJC campus in the counseling department. Those taking the test should specifically ask for the vocational nursing pre-test.

The pre-test will be offered in Commerce on Friday, August 4. The Commerce pre-test will be given on the East Texas State University campus in Room 301 of Henderson Hall. For more information, call 784-9468.

NTCC Enrollment Shows Increase

A four-year comparison of enrollment figures at Northeast Texas Community College shows a steady increase since the college began operations in 1985.

NTCC has shown a 23% increase in enrollments in college credit classes in the four year span according to Phil W. Ebensberger, Dean of Admissions and Registrar.

"We served a total of 4,190 students during that first year; while this year, September through August, the college enrolled a total of 5,150 students."

"Most colleges in the state have experienced a 5 to 10% increase in enrollment over the last five years, so obviously we are excited about our numbers," said Dr. Jerry Wesson, Executive Dean of Student Services at NTCC.

"Even though we are experiencing a steady increase, our enrollment should be gin to stabilize in the next couple of years," Wesson added.

"During the four year span, 3,586 students, 49%, entered NTCC as high school graduates with no previous college credit. The percentage of women enrolled continues to increase from 62% of the student body in 1985 when 2,589 females enrolled. This year the figure was 3,343 women enrolled or 65%," Ebensberger continued.

He said students are enrolling for more semester hours each year increasing by 43% over the four years from a total of 24,204 semester hours in 1985 to 34,562 this year. College transfer courses are the most popular courses with speech showing an increase in enrollments of 230% since 1985. Theatre class enrollments have increased by 203%, biology, 156% history, 111%, mathematics, 93%, government, 88%, sociology, 86%, English, 60% and art, 57%.

The number of students earning certificates and degrees has increased dramatically in the past four years, from 47 students who participated in the first commencement program in 1986 to 136 who participated in the 1989 program.

Michael Lee Attends Postgraduate Young Leaders Conference

Michael Lee, Rivercrest High School graduate, was among 350 students from around the country chosen to participate in the Congressional Youth Leadership Council in its 1989 Postgraduate National Young Leaders Conference held on August 1 in Washington, DC.

The scholars were selected for this honor based on demonstrated academic achievement, leadership and citizenship.

Theme for the conference was "The Leaders of Tomorrow Meeting the Leaders of Today". Throughout the six day conference, the scholars met with key leaders and newsmakers from three branches of government, the media and the diplomatic corps.

Michael was also given the opportunity to meet with Senator Lloyd

Bentsen and Senator Phil Gramm and Representative Jim Chapman or members of their respective staffs. Culminating the National Young Leaders Conference was the Mock Congress in which the scholars themselves assume the roles of United

States Representatives by debating, lobbying and voting on proposed National Service Legislation.

The National Young Leaders Conference is sponsored by the Congressional Youth Leadership Council which was founded in 1985. The Council is a non-profit, non-partisan educational organization committed to recognizing outstanding youth and providing them with a "hands-on" civix learning experience in the nation's capital.
