Nichols  
Worth

By Nanalee Nichols

Well, we found out that the young men who stole our newsracks couldn't get into them without some extra help.

The culprits found the extra help in the form of axes off of the Deport Volunteer Fire Department trucks.

Then they threw them, as well as the newsracks, away.

They destroyed about \$450 worth of racks that belonged to us and to the Dallas Morning News. No telling what professional fire fighting axes cost.

They did all of this for about \$20...tops. It's not an unusual problem, it happens all the time.

What I can't for the life of me figure out is how come these kids are so very willing to lift a news rack set in a couple of hundred pounds of concrete, carry it off somewhere a little more private than main street, steal an axe and then proceed to beat and beat on it until they manage to break armored housing loose enough to get that fabulous few dollars worth of money out!

If asked to work for someone that hard it's a sure bet they would refuse!

Instead of working out and expending energy in after school jobs, or full time jobs, or athletics, these kids prefer to hang out and look for trouble to get into.

The problem is...what to do about it? How to prevent it?

The answer isn't supposed to be in making things tougher to break in...which is what we have done.

The answer is supposed to lie with parents.

Years ago I heard a story from a local businessman.

He said that the delivery man would leave off merchandise about a half hour before his store was open.

One morning he found that it was stolen, and later it was located, thrown away and ruined.

The thief was caught. But the young man's parents jumped on the merchant! They accused him of "just inviting someone to steal leaving that stuff out there".

That, folks, is exactly where the problem lies. Because if the people's values were where they should be that merchant should be able to leave his front door open and have everything in it safe!

Of course we all know that the world won't be that honest. But if parents don't try harder to instill honesty as a value in their kids then what can we expect?

An appreciation of what it is like to work to acquire something is necessary to understand what other people's property means to them.

A sense of right and wrong is necessary to keep from giving in to temptation.

And those values have to be begun early, early, early.

Please, parents, if your child is only a few months old, think about this. Then begin to teach him or her about honesty, truthfulness, and that there is a price to pay for wrongdoing.

It's the only way to cut down on the vandalism, theft and violence that seems to be so prevalent across this nation.

## Water Board May Dissolve District

By Melanie Wall  
Texarkana Gazette  
Reprinted With Permission  
From The Texarkana Gazette,  
Sept. 10, 1989.

Some Red River County Water District Board members want to eliminate their jobs.

By voting recently to add three propositions to the Nov. 7 ballot, board members in effect have set the table for dissolving the district.

Board President Don Cole said members decided to call for the board's dissolution because no agreements have been reached between the two largest potential customers, and because of ongoing controversy over who should finance the reservoir.

The propositions, if approved, would negate what voters approved by a slim margin in a September 1987 special election, Cole said.

Propositions scheduled to appear on the ballot, not necessarily in this order, are:

Proposition 1, calling for the dissolution of the district.

Proposition 2, canceling the district's authority to issue \$7.2 million in bonds.

Proposition 3, seeking approval of a tax not to exceed 10 cents per \$100 valuation to allow the district to pay off existing debts.

Cole said the \$7.2 million in general obligation bonds would have paid for construction of the reservoir.

In 1987, voters approved a maintenance tax of 3 cents per \$100 valuation. County residents will see that tax on this year's tax statements.

However, Cole said, during the past two years, the district has incurred debts of about \$70,000 in legal fees and election costs. A 3-cent tax would bring in about \$70,000 but about half that amount must be used to pay tax collection fees, Cole said.

If the tax of up to 10 cents is approved, Cole said the district will be able to pay off the remaining debts and dissolve in about a year. By law, the district must remain a viable entity until the debts are paid off.

Board member James Vaughan Jr. said he attempted to stymie the measure to dissolve the district by motioning to table the issue for further discussion. He said he thinks the decision is premature, but his motion died for lack of a second.

The board's final vote to put the

propositions on the ballot was 8-1. Vaughan cast the only dissenting vote. Cole said he has been hearing

complaints from both sides of the issue.

On one side of the issue, Vaughan said, are county residents who favor the tax the reservoir, "and they're not getting anything," but a tax.

On the other side are people who didn't want the tax to begin with, and now they have to pay it, Vaughan said.

Shortly after the 1987 election, George Marshall, Majle Jones and Leonard Spears filed a lawsuit contesting the legality of the special election.

The lawsuit was dropped in January 1988 but all three men were later elected to serve on the water district board.

Since then, financing the reservoir has been the major point of contention.

Initially voters agreed to finance the entire project through ad valorem taxes, Vaughan said. Potential customers that would use water from the reservoir include two water supply corporations and five cities.

## No Increase In School Taxes!!

There will be no increase in the tax rate for the Talco-Bogata CISD for the rate of \$1.00 per \$100.00 valuation, the same rate as 1988, by the

Year	Taxable Value	Tax Rate Per \$100 Value
1985	141,238,477.00	.89
1986	124,460,359.00	.89
1987	89,705,978.00	1.06
1988	88,296,207.00	1.00
1989	88,173,143.00	1.00

Board of Trustees on August 31.

Although there has been a decrease in taxable value of 40% from 1985 to 1989, there has been only an 11% increase in the tax rate.

## Ranch Rodeo Set For Sept. 30

The Bogata Rodeo Association will be hosting the second Ranch Rodeo held in Bogata on Saturday, September 30 at 7:30 p.m. at the Bogata Rodeo Arena.

The ranch rodeo, sanctioned by the Ranch Cowboy Rodeo Association, will be featuring top ranch teams from the Ark-La-Tex area, plus home town teams. Points won at this ranch rodeo will be counted toward the end-of-year championships in the RCRA. This is the first ranch rodeo held in Bogata that has been sanctioned for championship points and championships.

Four ranch events will be highlighted at this rodeo, calf branding, double-mugging, pasture roping and team penning. Judges for the ranch rodeo are Larry Garretson and John Hudson. Frankie Norwood of Cunningham will be the announcer for

the event. The Arigo Riders 4-H Horse Club will be providing concessions for spectators and everyone is urged to come early and bring a chair for a box seat.

Between 10 and 15 teams are expected to compete and teams scheduled to compete at this time are: Rockin' R of Lane, OK (two time World Champions); DT of Smithville, OK; W-Bar of Terrell, TX; Bar SR of Broken Bow, OK; and Rafter CD of McAlester, OK.

Entries for the ranch rodeo will open September 24 from 6 to 10 p.m. at 632-4500. Entry fees are \$200.00 per four man team.

Admission for the ranch rodeo is \$3.00 for adults and \$2.00 for children under 12. Bursar Food Store and Peoples National Bank of Bogata are co-sponsoring the event.

## Social Security Notes By Ray Hudson, District Manager Paris Social Security Office

The Department of the Treasury, in carrying out a Federal law, will require all Government checks to be cashed within 12 months of issuance or they will be cancelled. Presently, there is no time limit for cashing a U.S. Government check. Government checks issued on or after October 1, 1989, will contain a notation, "Void After One Year". This means that a government check issued on October 1, 1989 will be good until September 30, 1990 after which it will be canceled by the Treasury Department. Checks issued prior to October 1, 1989, will also be good until September 30, 1990.

A Social Security or Supplemental Security Income check which is not caused after one year of issuance will be canceled. The recipient will then be required to go to the Social Security office which authorized the original payment to request a second check. This will mean a delay in receiving payment. However, those who have their checks deposited directly into a financial institution will not be affected by the new law.

There are also time limits for claims on Government checks issued after the date of the new law. Any claim on a Social Security or SSI check must be presented to a Social Security office within one year from the date of issuance. If there has been a claim of forgery or unauthorized endorsement, the Department of Treasury will have 18 months from the date a check is paid by Treasury to begin funds recovery action (presently, Treasury has 6 years and 180 days to recover funds).

By significantly reducing the period for cashing checks, initiating claims against a check, and replacing Government checks, the Federal Government will greatly improve the financial management of its resources.

While the time frame in which to cash Government checks is affected, individuals do not lose entitlement to the payment of Social Security or SSI benefits.

For answers to questions or more information, contact your local Social Security office.

## Paris YWCA Will Host Tinsel 'N Tidings In November

The Paris YWCA will sponsor Tinsel 'N Tidings on Saturday, November 18 from 10 a.m. to 6 p.m. at the coliseum on the Paris Fair Grounds.

Approximately 34 artists will be present to exhibit their hand crafted items. Artists were selected upon the recommendations of the exhibitors committee and invitations were extended to artists based upon the quality and uniqueness of their work. Each artist will display a large variety of work with a controlled number of exhibitors having the same type of goods. Debra Ables, chairman states "we hope to provide Lamar County residents a unique opportunity to explore and shop for Christmas in a

festive and holiday atmosphere." People attending the fair will have the opportunity not only to shop for Christmas, but to have their gifts wrapped also. A Christmas bake sale will be held in conjunction with the Fair and Holiday breads, cookies, cakes and candies may be purchased as gifts or for personal use. The coliseum will be decorated for Christmas and area groups will be performing Christmas music throughout the day.

For those seeking more information please contact the YWCA at 785-5221 or go by the YWCA Office, 308 S. Main, Paris.

The YWCA is an agency of the United Way.

## Dr. Smith Chosen For Initiative Program

Dr. James W. Smith, principal of Rivercrest High School for the Talco-Bogata Independent School District is among 320 Texas elementary and secondary school administrators chosen by the Texas Education Agency to participate in the 1989-90 Texas School Improvement Initiative Program.

Established by Commissioner of Education W.N. Kirby, the Texas School Improvement Initiative is a statewide program in its second year of operation, designed to promote high performance standards of educational quality at the campus level.

To prepare the participants to accompany accreditation teams for on-site visits during the school year, a

summer training program is being carried out in Austin during the month of July for the principals and during the month of September for the superintendents and central office staff administrators.

The Correlates of Effective Schools Research emphasize instructional leadership, instructional focus, school climate, measurement, teacher behavior/high expectations and parent involvement.

Criteria for selection included recommendations by their superintendents, responses to questions related to instructional programs in their schools and school districts, and their philosophy on educational improvement.

## RSVP Voice

There is a crispness in the air this week. Days and evenings are cooler, football season is underway, school is back in session, fall is definitely here! The onset of fall also means it is State Fair of Texas time. The fair will run from September 29 through October 22. There is not a designated Senior Citizen Day at the fair this year, instead, older citizens may attend any time for a reduced admission fee of \$3.00. The Retired Senior Volunteer Program day trip to the fair will be Tuesday, October 10 and will cost each participant \$3.00 plus money for food during the day. We have reserved three vans for the trip so 42 members will be able to go. We will depart from PJC at 8 a.m. and return at approximately 5 p.m. If others would like to take a car and caravan with the vans to Dallas, they are welcome to do so. The vans fill quickly, so call 784-9439 to reserve your place for this fun day.

may sell their craft items by renting a table for \$3.00. Any RSVP member who is interested in reserving a space may pick up a registration form at the RSVP office or the YWCA office.

I just recently learned of a service that is available to senior citizens, a free legal hotline for older Americans. The hotline is operated by the Legal Counsel for the Elderly, a department of the American Association of Retired Persons. Residents can receive free legal assistance, regardless of income. Residents of Lamar and/or Red River County may call 1-800-444-9114 to reach the hotline in Texas.

My thanks to the following people who have been busy distributing posters to publicize the United Way Campaign: Mary Avery, Lois Finch, Mamie Morgan, James Oldham, Jess Osborn, Charley and Linnie Westfall and Woodrow Womack. RSVP is grateful to be associated with the United Way. Be sure to support the campaign in the coming weeks.

We need volunteers, call 784-9439 for details.

Fred Hildebrand of Houston is visiting this week with his parents, Mr. and Mrs. Clyde Mayfield and other relatives.

Robin Harville, Kyla and Jesse visited Saturday with her grandparents, Mr. and Mrs. M.E. Roach.

Mr. and Mrs. John Haynes and Micah and Alysa were Saturday supper guests of their parents, Mr. and Mrs. Clyde Mayfield of Clarksville.

Mr. and Mrs. William Rolin and Phillip of Longview visited over the weekend with their parents, Mr. and Mrs. Ralph Cawley and Mr. and Mrs. David Rolin of Cuthand.

Mr. and Mrs. Ed Williams and Mr. and Mrs. Granville Jones of Commerce were in Daingerfield Friday night for the Mt. Pleasant-Daingerfield football game.

Mr. and Mrs. Albert Harville were in Shawnee, OK the pasty weekend to attend the funeral of the "Bubba" Ellis, grandson of Mrs. Harville's sister, Mrs. Gracie Sanders.

Mrs. Albert Harville received word this week of a new great-granddaughter, daughter of Libby and Wayne Key and granddaughter of Carolyn and George Stegmann of Del City, OK. She has been named

Haley and joins her sister, April, of the home. She weighed 6 lbs. 3 oz.

Darlene Nichols and Patricia of Sherman visited over the weekend with her parents, Mr. and Mrs. Harley Scoggins and her grandparents, Mr. and Mrs. Homer Scoggins.

Mrs. Loree Roach was honored with a birthday party at her home Monday night, September 18. Attending were her children and grandchildren, Bobbie and Kristi Cawley, Mr. and Mrs. Don Roach, Ike and Cassie, Mr. and Mrs. Mike Williams, Mandy and Marla, Mikel and Micah Haynes, Robin, Kyla and Jesse Harville, Lana and Clay Pirtle and Mr. Roach.

Overnight guests of Mrs. Pauline Williams Friday were her grandchildren, Shawna Kennedy, Suzette Edmonson and Mikel and Micah Haynes.

Shawna Kennedy visited her father, Ricky Kennedy in Paris on Sunday.

Mrs. Frank Lipscomb of Dallas and her daughter, Judy Lipscomb of Zurich, Switzerland visited their mother and grandmother, Mrs. Iva Hooker on Tuesday.

Peggy Wood of Paris spent the day Saturday with Mary Lassiter.

**BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1989**

**PROPOSITION NO. 1 ON THE BALLOT**

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

**PROPOSITION NO. 2 ON THE BALLOT**

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

**PROPOSITION NO. 3 ON THE BALLOT**

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at any time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

**PROPOSITION NO. 4 ON THE BALLOT**

Senate Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

**PROPOSITION NO. 5 ON THE BALLOT**

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, and tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

**PROPOSITION NO. 6 ON THE BALLOT**

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

**PROPOSITION NO. 7 ON THE BALLOT**

House Joint Resolution 4 proposes a constitutional amendment that would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

**PROPOSITION NO. 7 ON THE BALLOT**

The proposed amendment will appear on the ballot as follows:  
 "Authorizing the members of a hospital district governing board to serve four-year terms."

**PROPOSITION NO. 8 ON THE BALLOT**

Senate Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

**PROPOSITION NO. 9 ON THE BALLOT**

Senate Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority to the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

**PROPOSITION NO. 10 ON THE BALLOT**

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

**PROPOSITION NO. 11 ON THE BALLOT**

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

**PROPOSITION NO. 12 ON THE BALLOT**

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the purchase of bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

**PROPOSITION NO. 13 ON THE BALLOT**

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment

**PROPOSITION NO. 14 ON THE BALLOT**

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

**PROPOSITION NO. 15 ON THE BALLOT**

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

**PROPOSITION NO. 16 ON THE BALLOT**

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts in a manner independent of the legislature."

**PROPOSITION NO. 17 ON THE BALLOT**

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

**PROPOSITION NO. 18 ON THE BALLOT**

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

**PROPOSITION NO. 19 ON THE BALLOT**

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature. The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment to authorize local governments to invest their funds as provided by law."

**PROPOSITION NO. 20 ON THE BALLOT**

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

**PROPOSITION NO. 21 ON THE BALLOT**

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

**PROPOSITION NO. 22 ON THE BALLOT**

The proposed amendment will appear on the ballot as follows:  
 "The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

RIVERCREST took a royal defeat from the New Diana Eagles last Friday night on their

home turf. The Rebels were handed a 26-0 loss but #32, Marcus Savage, compiled 62

yards on 18 carries. (Staff Photo by Gary House)

## Eagles Soar Past Rebels 26-0

**THREE YARDS.** Nine feet. That small parcel of turf and the inability of the Rivercrest Rebels to seize it during their initial possession probably spelled the difference between an upset win over a talented New Diana Eagle squad and the eventual outcome, a 26-0 blanking of the Rebels in their home debut. The loss places the Rebels at 0-2 for the '89 campaign.

The Rebels took the opening kickoff and methodically marched 85 yards to the Eagle 3-yard line. In controlling the ball for nearly eight minutes of the first stanza, the Rebels blended the plays to a smooth consistency, as quarterback Shane Beers completed four of his first five passes, and five first downs, including a 31-yarder to senior Jeremy Abshier to place the Rebels in the shadow of the Eagle goal line. But the heft Eagle defensive line, led by Matt and Mark Breland and John Cross, became stingy inside their 5-yard line, and forced a third down fumble which was recovered to end the Rebels most serious scoring threat of the contest. But two plays later, senior Marc Teel gave his Rebel offense a second scoring opportunity when he cradled the slippery bladder at the Eagle 15. However, the Eagle defense had by this time decoded the Rebel offensive strategy, and stonewalled the scoring threat. The Rebels would cross midfield only one more time in the duration of the struggle.

Rebel Coach Terry Giddens evaluated the momentum of the game in a different light. "The officials changed the tempo of the game," mused Giddens, making reference to a pair of calls which required discussion and held up the continuation of the game for several minutes. The first was an illegal equipment call against a newly-entering Rebel player, following the Eagles first touchdown, a 14-yard jaunt by scat back Rodney Jeffrey at 9:40 in the second period. The controversial call was made rather than a warning given, and resulted in a 15-yard penalty and a time out charged to the Rebels.

In the same quarter, the officials called pass interference against New Diana, then waved off the flag, ruling that the pass was uncatchable, even though the Rebel receiver touched the ball. "I don't like to bellyache," said Giddens, "but these two calls took us out of the game."

The Rebels offense broke down in the second half. For the night, the Rebels garnered 223 total yards, almost evenly divided: 119 rushing and 104 passing. Quarterback Shane Beers ws 6 of 21 passing for 81 yards, and was picked off once late in the game. Jeremy Abshier had four receptions for 62 yards. On the ground, Marcus Savage compiled 62 yards on 18 carries.

"Our defense played much better than the one-sided score indicated," observed Giddens. "New Diana mounted only one sustained drive for 73 yards; the other three touchdowns came on single plays of 46, 32 and 91 yards."

Jeffrey caught the defensive secondary napping 20 seconds before the half and caught a halfback pass from Kavonda Brown. Jeffrey also

scored on a 32-yard burst in the third quarter, following recovery of a Rebel miscue. The talented junior had a total of 142 yards on 18 carries.

The final Eagle score was a 91-yard run to daylight sweep by Roy Nelson. "We knew the Eagles were quick, and we failed to make the necessary defensive adjustments," said Giddens. Giddens praised the defensive play of the entire front line, but especially commended junior tackle Jesse Woods.

This week the Rebels face adjacent county rivals, the Mt. Vernon Purple Tigers, who stand at 2-0 and are fielding perhaps their strongest team in years. "These boys are big and bad," Giddens commented apprehensively.

The Purple Tigers present a dangerous combination of passing by Doyle Preston, and rushing by Noel Dunlap and Steve Gadlin, who should be well-rested for this encounter after being forced to miss last week's game against Hooks for disciplinary reasons. The two backs have combined for a total of 580 yards in two games.

"Our defense will be more adapted to play against Mt. Vernon, who runs an off-tackle game," said Giddens. "The linebackers and defensive line will key the play. It will be a tough, bruising game. Offensively, we have more capability than any Rebel team I've coached. We have the capacity to strike from anywhere in the field. Against New Diana, the boys didn't give up, they lost a step in quickness, probably because they fell behind."

Game time is 8 p.m. at Rebel Stadium.

**The Perfect Christmas Gift- Custom Handpainted Mailboxes!**

Handpainted mailboxes, no two ever alike. Think about a mailbox with your name, and a painting of a quarter horse, or other breed on it. Mares and colts, bucking horses, specific cattle breeds. Or try a mailbox with a specific dog breed, or even one with dogs and cats, or just cats. For the hunter in your life, how about a custom designed box with deer, elk or antelope, even a big bass! For gardeners there are boxes with dogwood, roses, tulips or almost any kind of bouquet. Birdlovers? Try a box with cardinals, hummingbirds or bluebirds on it! Whatever you want, I can probably do!

The perfect gift, or for yourself. Handpainted mailboxes in black, white or silver, sealed against the weather to last for years. Only \$30, contact: Nanalee Nichols, P.O. Box 24, Deport, Tx. 75435 or call 652-4205 or 652-5823 except on Fridays. Place Your order now!
