53RD YEAR, No. 10

TALCO, TITUS COUNTY

Thursday, April 5, 1990

Worth

By Nanalee Nichols

It's palpable, it's intense and it's wonderful. Joy, the joy of springtime, is upon us.

Oh, sure, it got off to a false start or two...nice warm spring days, followed by nice cold winter ones.

Perhaps now it's here to stay. No matter, it's wonderful, joyous, beautiful, indescribable!

It is, in short, SPRING.

Have you ever met a person who didn't like spring? Have you ever met someone who honestly didn't find themselves in a good mood when able to be out in the great outdoors?

If so, they must be a rare...and sour, person.

From sunup (whenever that is...after the time change, who is for sure?) to sundown, and beyond, the days are glorious.

It's green again, gloriously green. The trees, like delicately thin ladies, wear a yellow-green ruffle on their limbs. The grass, juicy and hardy, keeps anything that grazes head down, chomping mouthfuls of the new, tender shoots happily.

Flowers, both wild and domestic, thrust forth in an abundance that is never seen at any other season of the year.

Spring isn't a season for subtleties. Spring is a season for shouts of joy, for trumpet-like proclamations of happiness.

It riots. It rushes. It dances. It also rushes by with eye-blink speed.

In its very exuberance it is fleeting.

Therefore, take notice. It will be over before we have time to fully appreciate it.

So take your glimpses now. Let indoor things slide...they will certainly be there later...and spring won't.

## People

### And Things

Remember the Little Dribbler games on Saturday at 9 a.m. Come and show your support for the Talco youth.

The Talco Junior High track team will compete in a meet in Mt. Pleasant April 12. Everyone is encouraged to come out and support the children.

The Talco Girls Softball team will be selling chances on a stuffed Easter Bunny, to be given away Monday, April 8. All \$1.00 donations will go to help the girls enter the Mt. Pleasant Dixie Girls Fastpitch Softball League.

Area residents have begun a petition for all interested persons to sign, requesting permission to fish at TU Electric in Johntown. The local lake has been closed to the public and area fishermen would love to see it reopened. To add your name to the list, contact Mr. and Mrs. Lester Watts at 379-6621 or Talco Mayor, Mike Sloan at 379-3731.

Plan to attend the Sugar Hill Trade Day Saturday, April 14. There will be a little of everything, crafts, tools, livestock, etc. Ladies softball tournament and Chainsaw Willie and his sculptures. There will be a drawing for one of the sculptures at 1 p.m. For information, contact Shirley Holt at 379-6352 or Johnny Mack Brown.

The Talco-Bogata CISD will meet April 10 at Rivercrest High School at 7 p.m.

If anyone has not received the 1990 Census form or has any questions, they should call 1-800-999-1990.

The Cub Scouts Den 4 in Hagansport are collecting donations for fire victims of the community. If you have items to donate, call 632-4598 in the evenings.

The 1990-91 official District for Football and Basketball in Region III consists of: Bogata, Rivercrest, Cooper, Honey Grove, Leonard, Paris, Chisum and Wolfe City.

## Wade Will Be New Talco-Bogata CISD Superintendent

Freddy L. Wade will assume the duties of Superintendent of Talco-Bogata CISD on July 1, 1990.

Wade states that he is looking forward to working with everyone at Rivercrest. He says he is very impressed with the school district and curriculum development and is enthusiastic about the Athletic Department and the school's competitiveness.

Wade feels he can be an asset to the community.

He is married to the former Vickie Slate, and they have two children, Wendy, married, age 27, and Jill, age 19, a student at Texas Tech University. He and his wife live in Pittsburg.

His interests include competitive sports, flying, fishing, hunting and skiing.

He has completed the requirements

for Administrator Certification at ETSU in 1974, has a Master of Education degree from Sam Houston University, a Bachelor of Science from Howard Payne University, an Associate Degree from Navarro Junior College and graduated from high school at Stark High School in Orange.

He has also completed numerous training programs related to his career.

He has served as Principal of Mt. Pleasant High School from January, 1975, through the present.

He was Assistant Principal there from August, 1973 to December, 1974. From 1970 to 1973, he was a Teacher-Coach at Dickinson High School and from 1969 until 1970, he was a Graduate Assistant Coach at Sam Houston State University. From

1967 until 1969, he was a Teacher-Coach at Channelview High School and from 1962 to 1965 at Drane Junior High School in Corsicana.

He has obtained experience in education and administration in a variety of ways, serving on numerous committees and being involved in service organizations, education seminars and other positions.

He is a member of the Texas Association of Secondary School Principals, where he is Chairman of Critical Issues Committee, and Kiwanis International. His honors include TSTA NEA local President, President of Mt. Pleasant Kiwanis Club, Region VIII ESC Special Education, and Regular Educator of the Year.

He replaces Superintendent Harold Cowley, who is retiring.

Freddy L. Wade

## Certificates Presented

Talco Principal Billy Joe Vickers was delighted to receive two certificates awarded to Talco Elementary School lately, from the State Board of Education. They should provide a crowning touch to his career of 33 years spent at Talco School. Vickers is retiring at the end of this school year.

The certificates were awarded for exceptional achievement on all sections of the Texas Educational Assessment of Minimum Skills (TEAMS) and for Exceptional Gain on the TEAMS tests.

Vickers has spent his entire 33 year career in the same building.

Born on July 23, 1931 in Rosalie, he married Wanda Rogers in 1951. They have one daughter, Tina Nolen, and a son-in-law, Randy Nolen, and one grandchild, Destry Joe Nolen.

Vickers is a graduate of East Texas State University, with a Bachelor of Science degree in Elementary Education. He began his teaching career in 1957 in Talco Independent School District as the Junior High Coach and Assistant High School Coach.

He spent 15 years coaching and teaching Science and Social Studies before giving up athletics and concentrating on classroom teaching.

In 1962, he received his Masters Degree in School Administration.

Upon retirement, Vickers wants to "rest, enjoy life and most especially spend time with grandson, Destry, and new grandbaby due in September."

Billy Joe Vickers

## Talco Honor Roll Pictures Left Out Last Week

Our apologies to the parents of the Talco Honor Roll students who opened up their Talco Times last week and found Bogata's honor roll students instead. It was an error committed by the Paris News press room, which prints the papers for us.

The page containing the Talco Honor Roll students was left off the press and Bogata's page was left on.

We failed, when we checked the newspapers before bringing them back for mailing, to notice that they made this error.

After the papers were mailed, the error was discovered.

We sincerely hope that our readers will be understanding about this mistake, and we are, of course, including the Talco pictures this week.

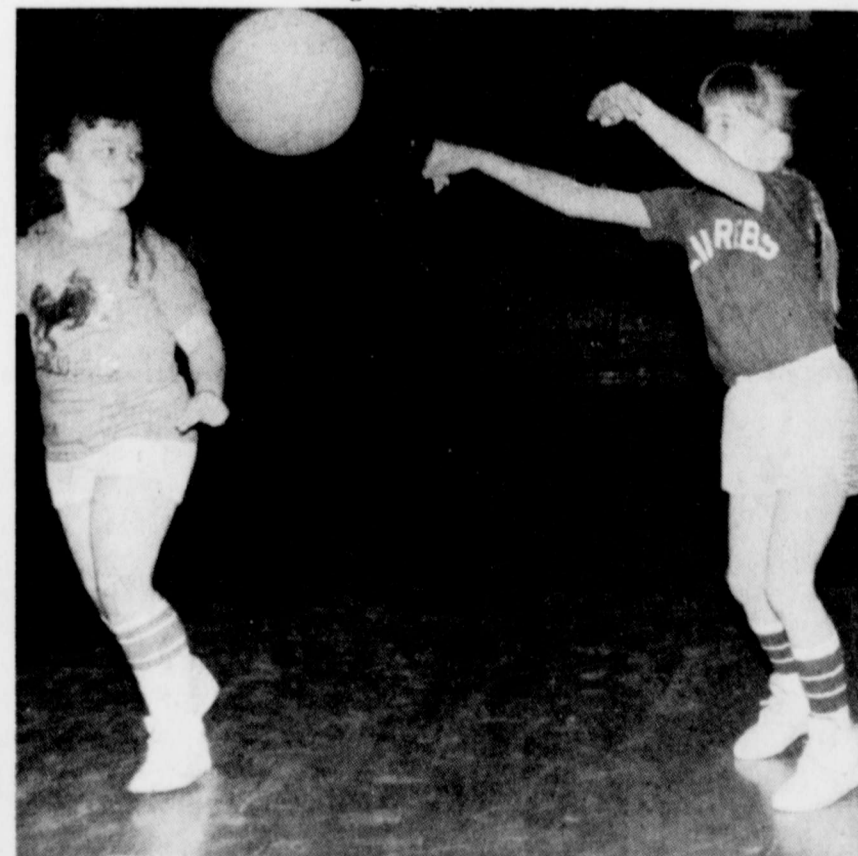

W.D. (Chainsaw) Willie Holt displays some of his chainsaw carvings. On April 7, Mid-Star Productions from Dallas will be filming a section to be shown on Collector's Choice, a cable television show. Mr. Holt is currently

working on a 10' totem pole for a man in Alaska. One of his carvings will be given away on April 14 at Trade Day at 1 p.m. (Staff Photo by Nancy Brown)

LISA CARROLL shows a handmade quilt, made by Mrs. Roy Ottinger. \$1.00 chances are being sold on the quilt and a ceramic eagle donated by Mrs. Nancy Smith. The drawings will

be held May 5. There will also be a ladies and mens volleyball tournament in Talco on May 4-5 with all donations going to the Talco VFD and Rescue Unit. (Staff Photo by Nancy Brown)

MAKEUP GAMES were played at the Talco Gymnasium on Thursday by Little Dribbler teams. The Eagles, coached by Patty King, won over the Bogata Chargers, coached by Sandra Campbell, 11-8. The Lil Rebs coached by Sam Ellis and Margaret Savage took an easy won,

26-4, over the Bogata Stallions, coached by Linda Piper. In the final game, the Bulls coached by Mary Jane Savage and Eddie Norman were defeated 11-4 by the Wee Rebs, coached by Keye Lee. (Staff Photo by Nancy Brown)

Kathy Williams represented Red River Haven in Austin at the State Health Care Association Volunteer Conference.

On Saturday night, the Clarksville Volunteer Band played for a dance at Red River Haven with 57 residents and visitors enjoying two hours of entertainment and refreshments.

Visiting their aunt, Mrs. Era Cockrell, from Ft. Worth were Mr. and Mrs. Arthur Harper and Mr. and Mrs. Edward Charles Harper.

Mrs. Earl Humphrey of Clarksville visited Friday and Monday with her aunt, Mrs. Neva Whitten.

Guests of Douglas and Kathy Williams were Sharon Weib of Lake Louise, Alberta, Canada and Judy Perkins of Calgary, Alberta, Canada. They spent Monday through Wednesday in Las Vegas and said Bogata was a very peaceful stop. They found everyone friendly. This was their first trip to Texas. Friday, Ralph Cawley

reated the ladies to lunch at Betty's Place. Afterwards they went to Paris and visited most all the stores in Paris and went to El Chico's. Eating catfish for the first time at the Fish Fry during their weekend visit, they spent Saturday visiting and shopping in Mt. Pleasant where Judy purchased a wedding outfit. They visited Juan T's before seeing the Outlet Mall in Sulphur Springs. Mary and Frank Joplin cooked breakfast for everyone on Sunday. Brandon and Kevin Williams gave a fast lesson on horseback

riding, since they had never ridden. They left for DFW around 2 p.m.

Letter To The Editor:

Letter to the Editor:  
These nice spring days remind me of a letter I should have written a year ago. It's about fishing at what used to be the old TPL Lake at Jolntown.

The plant has shut its gates to the fishermen, and after more than 3 generations of family fishing at the lake, it is now closed.

My husband has fished 20 years at the lake, as well as others in the family.

He knew men in their 80's and one 87-years old that fished there everyday. They enjoyed the exercise an having something to do, and the pride when they caught a (big one). There are a lot of people who don't have the meoy to buy boat and go the big lakes. This gave a lot of people the chance to enjoy bank fishing, plus the exercise it provided which I know gave the older ones more zest for life.

I think it's a shame that a big corporation would deprive the people in this community a nice place for exercise and enjoyment. I know some might take advantage and not clean up after theirself. Most of the time I never say any littering or any damage to the property.

If they didn't want to open it to the public completely. They could give permits to the local residents. I have seen families teach their young children the skills of fishing. That's a lot better letting them go to the lake, instead of just roaming the streets with nothing to do.

The lake just meant so much to the old and young. I just hate to see them not have this place to enjoy.

I know the lake is privately owned and has a right to close its gates. For years the people enjoyed this place and no harm was ever done. After all these years, I just don't understand. Why now?

# Bogata Homecoming 1990 Almost Here!!

Again, everyone is reminded of the Bogata Homecoming on Saturday, April 14.

Those attending will be entertained by some excellent local talent from different churches.

The meal will be served beginning at 5:30 p.m. in the grade school cafeteria by the hard-working Bogata

Lions Club.

The annual meeting and entertainment will begin at 7 p.m. in the gymnasium.

Everyone is invited to come and visit with friends and classmates and marvel at the way they have aged while you have maintained your youth.

The Pike family will have open house all day at their home across from the Bogata Clinic and invite all their friends and classmates to drop by and say hello.

Anyone needing information on the homecoming activities is asked to contact John L. Ragsdill at 632-4280 or Cornelia Stewart at 342-5302.

# Arigo Riders 4-H Club To Sponsor Coggins Testing For Horses

April 7, Saturday, is the date set for the Coggins (EIA) testing for horses, sponsored by the Arigo Riders 4-H Club. The charge, per horse, will be only \$10.00.

The testing will be held at the Bogata Rodeo Arena at 1:30 p.m. for anyone having horses that would like to take this opportunity to have them tested.

Dr. Lyle Nottingham from Lamar Veterinary Clinic in Paris will be the attending veterinarian at the testing. "There is not a vaccine for EIA," stressed Dr. Nottingham. "The only way you can find out is by testing."

Recent statistics show that in February, 1989, in Area IV (which includes Red River County), there were 96 cases of EIA. This year in February, there were 102 cases.

And, as of August 31, 1989, there were 484 EIA reactors found in the state of Texas, and most of those were found in Northeast Texas. Since September of 1989, 234 have been disclosed with 102 of these horses being in Area IV.

"State law prohibits any horse in the state being moved without a negative EIA test," said Dr. Nottingham. "You cannot take a horse across

the state line without a negative test, it is against the law." This law thusly prohibits horses being taken to horse shows or rodeos, and this includes local activities that people ride in only once a year! These horses, though they are not taken from their pastures but once a year, are not exempt from this disease.

"And please don't be fooled by the horse's appearance," Dr. Nottingham added. "The horse that looks healthy is just as likely to be a reactor. And the horse standing in the pasture that is retired, or never taken anywhere, is just as probable to be a reactor, and is more than capable of spreading the disease to other horses within your herd, or to an adjacent herd."

Recent university studies have concluded that EIA in horses is the same virus as AIDS in people. It is incurable, there is no vaccine to prevent it, and it is always fatal. And more than that, it is spreading, due to the fact that many people don't test, or won't test, because they are afraid of the results. The ONLY way to fight and wipe out the disease is for every horse owner to test every horse they own, and to accept the

results and comply with state law.

Only a licensed veterinarian can pull the blood necessary to make this test, and send it in to the state laboratory for testing, and the test is only good for six months.

EIA can be spread by flies, mosquitoes, and vaccinating needles.

Everyone is urged to take advantage of this service, provided by your local Arigo Riders 4-H Club. The cost for the testing on April 7 is less than if a horse is carried to a veterinarian's office.

Please help fight this disease among our equine friends. We are not doing any horse a favor by not testing. We are only prolonging the problem, we are not working toward the solution.

As statistics show, this area has the highest rate of EIA reactors in the whole state of Texas. Though the end result for an EIA positive horse is not something we want to think about, or something we want to face, our apathy to the disease is only making the problem worse, and is only proving to be a fate for many generations of horses of the future. This is a fate that we can help to eradicate, but it must be stopped now.

SHANA DODD, granddaughter of Mr. and Mrs. Grady Dodd of Johnthorn and Nadine Caldwell, recently won the grand prize medal for grades 1-3 for her entry in the Science Fair. Her project "Does My Town Have More Acid Rain Than Other Places?" had a collection of 27 rain samples from 15 different states. The project also won first place, Grand Prize ribbon and Grand Prize trophy at the City Science Fair at Garland High. Her written critique by the judge stated that he enjoyed her oral presentation and her knowledge of the subject. The project will be entered in the District Science Fair on March 31 at the Dallas Convention Center.

First Baptist WMA Meets

First Baptist WMA met in the church fellowship hall Monday night for their April meeting. Mrs. Jo Coil, president, presided over the meeting. Geneva Kelso voiced the opening prayer. Prayer requests for the sick and shut-ins were made. Mary Welch said the prayer. A card of thanks was read from former pastor's wife, Lola House. The group discussed ways to raise funds for WMA. "The Adoption of the Believer", Ephesians 1:3-6, was the title of the devotion brought by Joyce Alexander. The May meeting will be held in the home of Mrs. Lola House in Sulphur Springs.
