Worth

By Nanalee Nichols

Nights in December. Something very special, but seldom appreciated.

While the months of summer are soft and pleasant, or even stifling hot, few people ever spend enough time out of doors during the months of winter to appreciate the great beauty that is there for the taking during Christmas season.

Winter nights are dark with a darkness almost touchable.

Or, they are flooded with a moonlight so gloriously liquid that it brings a catch to the throat.

Or, December nights are so star filled that it looks like glitter sown on a velvet field of darkness.

They have a depth, a fascination, a presence very much different from nights in other seasons.

Of course their temperatures can be a hindrance to appreciation.

With bitter cold winds or simply sharp winds, a good December evening can send the most intrepid adventurer scurrying for the shelter of a warm hearth.

On other nights it is so still that it seems one should hear the breath of God sighing in and out.

Those nights are beautiful beyond belief, and worth a pause between car and back door to appreciate.

To highlight them even more there is the excuse of getting out to see the Christmas lights.

A perfect compliment, the variety of light displays and designs pierce the cold winter air with cheer and promises of the coming Christmas holiday.

So bundle up some evening, perhaps even load someone not usually able to get out after dark, and take them for a ride to see the lights...and the beautiful winter nights!

The Spirit Of Christmas Embodied In Silent Giving

Nanalee Nichols

Their deeds are legion, the good they do untold. Every community has them. For want of a better word they can be called "Silent Givers".

While most people make their donations to charities or events openly and publically, these people prefer to remain virtually anonymous in their good works.

Frequently they are not wealthy people, but those who have limited means. Out of these limited means, however, they choose to set aside a portion for helping those who are in need.

Sometimes these donations aren't even monetary in nature. Instead they are donations of time, of sympathy, or attention.

Everywhere are those silent givers who spend the night with neighbors after a death...or keep vigil with them while awaiting word of a fateful struggle to survive. They hand out kind words, little attentions, bright

smiles to the lonely.

Silent givers quietly leave food with the hungry, clothes with the needy, sympathy with the grieving.

They give checks or cash to community funds, the Salvation Army, or church charities, specifically requesting that their names not be used.

In one town at Christmas some poverty stricken family finds a box of clothes and food on their doorstep Christmas morning...with never an indication of who left it.

In another town the head of the community fund is simply asked "how much do you need this year?" The only stipulation the giver makes is that the donation remain anonymous.

In every small town things "appear" paid for by those who shun publicity and the limelight.

They truly seem to heed the admonition of the Bible, Matthew 6, "Take heed that ye do not your alms before men, to be seen of them:

otherwise ye have no reward of your Father which is in heaven.

Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward.

But when thou doest alms, let not thy left hand know what thy right hand doeth:

They are special people, indeed, these silent givers who strive to make this world a little better through their efforts.

Dedicated to a principal as old as Christianity itself, they give and serve, not for personal glory, but from a sense of responsibility and the desire to help.

No personal thank yous can be extended, for they are largely unknown. But they are a reminder to us all of true goodness, and they embody the real spirit of Christmas.

and, beginning in January, a horoscope and crossword puzzle on a regular basis.

There will be NO OTHER SALE next year...and if postage continues it's upward trend an increase some time in 1991 may be necessary...so take advantage of this sale NOW!

Look for ads located in this paper, clip it out and send it in...and you might even win cash. If you don't wish to subscribe just clip the coupon and enter the drawing anyway. You do not have to be present to win.

Country Cooking

By Genie Bankhead

"Country Cooking" this week concludes the recipes shared with us from Mutt and Odell Harvey's kitchen.

The recipes could all be included in your Christmas baking.

Thanks to Leah Smith Carrell of Grandview for her letter this week. She is sharing her Peachy Fruit Salad recipe with us.

I am also including a helpful hint I heard last week that you might want to try. Stuff your turkey with grapes and bake as usual. This gives the meat a great flavor.

I've had several people tell me they are making their own cookbook with the recipes from this column. I am doing this also. One thing about it, our book will have the best of everyone's recipes in it.

Mrs. Houston Pettit of Bogata would like to have the recipe for Salmon Loaf. If you have this recipe, please send it to me and I'll share it with her and the readers.

We hope you enjoy the recipes this week. If you have a feature suggestion, please call 652-6032 or write to Rt. 1, Box 67A, Deport.

An early holiday present from TNP:

electrical safety advice

Before you deck the halls, remember to use care around electricity indoors and outdoors.

Here are a few safety reminders:

- When hanging outdoor lights and decorations, use care with ladders or anything else that can come into contact with a power line.
- Don't use 120 volt lighting on a metal tree.
- Never place electric lights on a dry, brittle tree.

For more information, call or visit your local TNP office.

Rebels & Lady Rebels Dominate James Bowie

The Rivercrest JV girls and boys and varsity boys and girls traveled to James Bowie on November 27 with the JV girls beginning the winning streak for the Rivercrest teams, leading 15-8 at the half.

Latrisa Belcher was unstoppable, scoring 20 points. Konya Nickerson sunk two baskets for four points, while Ashley Ross, Marion Green, Misty Taylor and Keitha Gillis all added two points.

The group totaled 12 team fouls and brought home a 36-17 win.

The JV boys took the court next to continue the winning streak. Reggie Alford was high point man with 20 points. Dean Tiffie ran a close second with 16 points, while Brad Ingram had eight, Brandon Williams scored seven, Mike McGee made five and Eddie Williams had two points. The final score was 58-8, Rebels favor.

The varsity girls had a hard act to follow, but took an early hold on the game. By halftime, the score was 34-10, Lady Rebs. Krista Weatherall was

high scorer with 17 points, Tiffany Parrish popped the net with 11 points and Jerilyn Russell had ten points, Kristie Eudy, Katy Ross and Patches Rains each had six and B.J. Thompson and Lana Pirtle added two points each. The team had 14 team fouls, but brought a 61-25 win home.

With three winners ahead of them, the varsity Rebels began with very aggressive play. The Pirate team struggled to get the ball past mid-court. Leading scorer for the Rebels was Eric Curtiss with 16 points, Kevin House ripped the net for 13, while Corey Gable added 12, Galen Logan 11, Jim Purviance 8, Tony Sanders 7 and Ronald Simmons, Jerry Francis, Jesse Woods and Chad Kuhl all had four points each. Halftime score was 54-12. A relaxed and happy Rebel bench entertained the crowd while watching their teammates play. The team committed 14 team fouls. All the Rivercrest teams had total control to dominate the James Bowie Pirates.
