Worth

By Nanalee Nichols

Well, nature is teasing us again, it would seem.

Even the most devoted lover of winter is ready for spring.

Indeed, it seems that spring is here in a number of ways. The golden promise of the daffodil is beginning. Tiny buds are appearing on fruit trees (even though a little voice should be whispering "no, not yet"). The sun has appeared more frequently than it has in several months.

On the flip side of that particular tape is winter. Winter still prevails. Heavy frosts test those little yellow daffodils.

Gloomy gray clouds cover the sun some days.

And, oh, those cold temperatures!

That's the real problem. How on earth does the being or beings handling the weather controls expect us ordinary mortals to adjust to an eighty degree day, then a 32 degree day?

The blood thins and goes merrily playing along the veins on those warm days, only to have us awaken the next day to cold and bitter winds. (Yes, I know that's not really what happens).

But oh, my how the body shivers on those cold days after a warm one.

It seems so much harder to face those gloomy days when the memory of a glorious one is at hand!

Of course, all this whining and complaining doesn't change a thing.

And we all need to remember that all too soon we will be complaining about the heat!

But for now it surely seems as if spring is waiting in the wings, sticking out a figurative toe to test the winter waters and see if it's time to plunge right in, or wait a little longer.

I, for one, am ready for spring to take that plunge!

February Sales Tax Rebates Break Records

"Texas cities and counties will enjoy a tidy post-Christmas bonus, because this month's total local sales tax rebates are the largest in the state's history," Stat eComptroller John Sharp said today.

The Comptroller's office today mailed checks totaling \$177.4 million to cities and counties across Texas that collect the local sales tax.

"February's total rebates are always large because they include sales taxes collected by annual, quarterly and monthly taxpayers, but these broke by \$19.5 million the old record set in February of 1989," Sharp said. "That's an increase of 12.4%."

Reports filed by monthly taxpayers reflect sales made in December. "Christmas retail sales may not have been as bright as some folks had hoped, but the state's economy still looks good when compared to the nation as a whole," Sharp said.

Local sales tax rebate checks to cities increased 11.5% over last February's payment of almost \$144 million for a total of \$160.5 million.

Locally, Bogata received \$4,962.36 for a 19.46% increase. Clarksville received \$29,014.76 for a 1.47% increase while Detroit received \$1,854.92 for an 11.65% increase. Mt. Pleasant received \$150,593.88, for a 5.01% increase.

Talco received \$2,572.75 for a 4.67% decrease from the 1990 February payment.

Blossom received \$4,415.28 for a 26.18% increase.

Deport received \$2,919.64 for a 14.47% decrease over the 1990 payment for the same period.

Paris received \$357,424.65 for a 6.77% increase.

Checks to counties totaled \$16.9 million, up 23% from last February's checks of \$13.7 million. The hefty increase is largely due to more counties now collecting sales tax than did at this time last year.

Houston received the state's largest check of \$26.8 million. Dallas received the state's second largest payment of \$15.7 million and San Antonio received \$8.9 million and Austin received \$6.4 million.

Merchants collect the state and local sales taxes and send them to the Comptroller's office with their tax returns. The state retains its share and rebates cities and counties their local portion of the sales tax each month.

All city and county sales taxes must be approved by area voters. Most areas put the money in their General Fund and use it for local operations like fire fighting, maintaining roads and law enforcement.

FROM FT. WORTH to Bogata - Country life is agreeing with Harley and Brenda Scoggins, and they share some of their favorite recipes this week in Country Cooking. (Staff Photo by Gerrie Bankhead)

Country Cooking

By Gerrie Bankhead

Country Cooking is coming from the kitchen of Harley and Brenda Scoggins. They have been married for five years and have spent these in the Bogata area.

Having lived in Ft. Worth, Bogata is quite a drastic change for Brenda, though she loves the area. She says it's such a long way to go or do anything, though.

Brenda has four hobbies, cooking, making crafts, interior decorating and photography. She does all the daily cooking at their home and specializes in desserts. Harley enjoys cooking also, and specializes in smoking meats. Harley says that his mom taught him to cook when he was 12 years old, and that he was reared on red beans, fried potatoes, cornbread and tuna fish sandwiches.

Brenda doesn't work outside the home, but is a very busy lady. She has two children, daughter Erin and her husband, John Marston, children Whitney 4 and Courtney 2, of New Hampshire, and Chuck of Denton, who plans to be married in April. She has four step-children, Darlene, Mack, Sherry and Cindy. She also has one grandson, Thomas, 8, who is living with them this year to attend Rivercrest. Brenda is active with Thomas and school and the First Baptist Church in Bogata.

Brenda comes from a large family, she is the youngest of seven children and she says her whole family are good cooks and their traits have been handed down to her. She also contributes a lot to her 89-year old mom.

Both Brenda and Harley enjoy reading cookbooks, as they love to see where a food originated.

Brenda and Harley do a lot of entertaining. They have family and friends who visit and Harley's job brings guests in quite frequently. They also host open house with their home once a year.

She paints T-shirts and sweatshirts for her grandchildren and enjoys making padded photo albums and padded baskets. She has also created a fabric wall in the guest house that she is very proud of. She loves to decorate, as evident by the holiday themes she uses throughout the year in her home. She is a member of Beta Sigma Phi, which she is active in and has several ribbons that she has won at the Red River County Fair for her jellies, pickles and craft arrangements.

Considering herself an amateur photographer, Brenda loves to take pictures of scenery. They both enjoy traveling and throughout the years have collected over 90 coffee mugs from all parts of the United States and around the world.

Brenda is sharing a pecan pie recipe handed down from her mother, Lola Ppointexter, who is Mammaw to 23 grandchildren, 49 great-grandchildren and 9 great-great-grandchildren. She is also sharing an oil pastry crust recipe, banana nut bread, sour cream-cinnamon rolls and a sweet and sour cole slaw which is a combination of two recipes given to her by one of her sisters, Mary, and a friend, Pat Bush, and apricot instant tea mix recipe she received from a niece.

We hope you enjoy the recipes this week. If you have a feature suggestion, please call 652-6032 or write to Rt. 1, Box 67A, Deport.

Talco-Bogata Little Dribblers Meeting Held

The Talco-Bogata Little Dribbler coaches met Thursday, February 21 at Rivercrest High School to discuss several issues.

The No Pass-No Play rule came under discussion, when president Sammy Ellis opened the meeting.

Students failing at the time of sign-up were not allowed to pay their money or sign up. Some felt this unfair, but the decision was made and stands. Some of the reasons given for keeping the ruling, even though Little Dribblers is not U.I.L. or considered a school activity, was because when Little Dribblers was first introduced to the schools, the superintendent requested that this rule be followed, as it will be followed as junior high and high school students, and it gives the children incentive to work harder.

Teams must be drawn up and sponsors found, students joining after the six weeks would have to be fairly placed and more shirts would have to be bought. The various times a six weeks falls in the program has not been monitored. This will be considered for next year.

The next item discussed was the long schedule playing on Saturday only made. It left as was the play

would not end until May 4. This runs into too many other activities such as track season and baseball and softball seasons. The decision was made to play on Friday and Saturday to shorten the time but allow all games to be played.

The final games will be played on March 30. There will be a 3-point shot allowed in the fifth and sixth grade players. Children using foul language will be put out of the game. Home teams will provide referees, unless each team wants to provide one each.

Playing teams outside Talco or Bogata was discussed. It was decided not to do this until Mr. Wade was contacted to see about possible injury to a player, making the group responsible. There is no special insurance carried on the players.

At the meetings' close, it was agreed that some of the things discussed could be changed for next year, to make it possible for more students to participate.

Kip Stansell expressed his appreciation to those who attended and who take time to give the children and early understanding of basketball.

Boy Scouts Celebrate Blue & Gold And Receive Awards

The first Blue & Gold Banquet held in years in the Bogata community was deemed a huge success, with plenty of food and activities throughout the evening.

The highlight of the evening was Boy Scout Leaders vs. the Cub Scout Leaders in a ladies apparel race.

Dr. Robert White had the boys in awe with his tales and experiences in his Scouting career. He talked to several of the boys individually after the banquet.

Boy Scouts and Cub Scouts pre-

sented Rev. Bob Bush with a charter plaque for the Methodist Church.

Several of the boys received awards. Receiving awards in Webelos were Stefan Cannon and Derek Belcher, who received Bobcat Awards. In Den 1, Billie Jordan, Clay Elrod, Brandon Bell, Matthew Simmons, Pearis Abernathy, Luis Torres and Brandon Cantrell received Popcorn Patches. In Den 2, Clinton Cheatwood received his Wolf Badge, one Gold Arrow Point and Popcorn

Patch. Dale Alsup received his Wolf Badge and Popcorn Patch; Daniel Lee received his Wolf Badge, one Gold Arrow Point, four Silver Arrow Points and Popcorn Patch; Christopher Miles received his Wolf Badge, one Gold Arrow Point, four Silver Arrow Points and Popcorn Patch; Christopher Middleton received his Wolf Badge, one Gold Arrow Point, four Silver Arrow Points, and Popcorn Patch; and Cole Warren received his Popcorn Patch.

Seminar Details Veterans Benefits Information

A workshop to help Texas veterans, real estate professionals, and home repair contractors learn more about participating in the special low-interest loan programs available from the Texas Veterans Land Board will be held in Bonham on Tuesday, March 5 at 6:30 p.m. at the Sam Rayburn Research Center, Highway 82 West.

Hosted by Texas Land Commissioner Garry Mauro, the seminar is free and open to the public.

The Texas Veterans Land Board offers up to \$57,500 total low-interest loan package that enables Texas veterans to buy land, purchase a home and make home improvements. State-

wide, the VLB has made more than 130,000 loans to Texas veterans totaling more than \$1.67 billion.

Texas veterans can receive up to \$20,000 at 7.99% interest to buy five or more acres of land and they can also borrow up to \$20,000 at 8.5% to use toward the purchase of a home.

In addition, Texas veterans can receive up to \$17,500 at 10.5% plus FHA insurance, to make home improvements.

Eligible Texas veterans can use all three loan programs one time.

For more information, call 1-800-252-VETS.

Local Man's Uncle Helped Develop Patriot Missile

Bob Harrell of Jennings brought in a clipping concerning his uncle (his mother's brother).

Chester W. Byars, who died March 25, 1989, had a large part of developing the Patriot Missiles being used defend Israel and Saudi Arabia right now.

His widow, Bonnie M. Byars of Machipongo, Virginia says that it is so wonderful to know that he is still "helping to win the war" even though he is dead.

In a letter to the Harrell's she recalls that "Chet worked on the patriot from 1960 to 1967 when the largest government contract ever awarded to Raytheon Missile Systems was won. After that there was a lot of testing out at White Sands, N.M. and then it was put into production. I talked with one of the engineers last night, Art Franz, that

joined Raytheon Missile Systems Division in Bedford, Mass as project engineer on the Patriot surface-to-air missile, retiring as manager of the Systems Division.

Mr. and Mrs. T.J. Williams of Kilgore visited Mr. and Mrs. Tommy Easley and boys Monday and Tuesday.

Mr. and Mrs. Chuck Hanson and Angie Campbell of Mt. Pleasant visited Mr. and Mrs. Dewayne Wilson, Chrissy and Jamie Saturday. They watched Chrissy play in the Little Dribbler games at Talco.

Mr. and Mrs. Dale Grissom celebrated their third anniversary February 20.

Mr. and Mrs. Richard Pemberton of Texarkana visited Mr. and Mrs. Ricky Nolen, Julie and Jody and other family and friends over the weekend.

Mr. and Mrs. W.C. Fry enjoyed lunch in DeQueen, AR Tuesday. They also visited in Oklahoma on Thursday of this week.

The youth of the First Baptist Church and their sponsors have planned a trip to Dallas on Saturday, March 2. They will be going to Showbiz Pizza.

The Valentine Banquet held February 13 was well attended. Everyone met in the church sanctuary for a short worship service then were dismissed to the fellowship hall where they enjoyed a bountiful meal. R.C. Pitts and Meghan Sims were named King and Queen for the elementary group; Tony and Robin Sims, King and Queen for the adult group. Geneva Kelso and Joyce Alexander were awarded prizes for guessing the correct number of hearts in a glass container. Games were enjoyed afterwards.

Mr. and Mrs. Jerry Hood of Longview spent Sunday with his mother, Mrs. Ophelia Hood.

Social Security Notes

By Ray Hudson, District Manager

Most Social Security and Supplemental Security Income overpayments results from beneficiaries not promptly reporting changes that affect the amount of, or entitlement to, their checks. Failure to make a timely report can result in a penalty as well.

The single biggest cause of Social Security overpayments is beneficiaries not reporting, or under reporting, yearly earnings. Some benefits will be withheld if 1991 earnings will exceed \$9,720 for those who are 65-69 years old, or \$7,080 for those under age 65. This report must be made directly to Social Security by any beneficiary under age 70 whose earnings will go over these limits.

There are special rules that apply to disability beneficiaries including disabled widows and disabled adult children, who work. For these people any work must be reported, regardless of the amount of earnings. We need to know about any medical

improvement as well.

SSI recipients must report any change in their income and resources, as well as any change in living arrangements. As other income increases, the SSI check must decrease. There is a resource limit each year that must be carefully observed. A living arrangement change can also cause the SSI check to increase or decrease.

Other events that must be reported by all beneficiaries are: death or marriage of the beneficiary; a change of address; and a beneficiary who is no longer in custody of his or her representative payee.

We send a booklet about events that must be reported along with every benefit award letter. It is the beneficiary's responsibility to make these reports promptly in order to avoid overpayments and possible penalties.

You can make a report by calling your nearest Social Security Office.

Talco Little Dribbler Action

Talco Little Dribbler action began Saturday with the Talco Lil Rebs, coached by Sammy Ellis, in a first game showdown at the Talco Gym with the Talco Pirates, coached by Eva Whitney.

A very close and well played game saw the Lil Rebs win 8-4. High scorer for the Lil Rebs was Valerie Morgan, followed by Ryan Case and Keith Hines. The Pirates high scorer was shared by Jeremy Patterson and Jason Brown.

In the second game of the day, the Talco Mustangs, coached by Kip Stansell and Nicky Brown, met the Bogata Warriors. The awesome Mustangs took a 22-8 win. High scorer was Joey Taylor, followed by Coleman Brown.

At 12 noon, the Talco Spurs, coached by Nancy Brown, fifth and sixth graders met the Bogata Hoops, coached by Bernie Huddleston. A

slow beginning for the Spurs made a drastic change by the game's end. The final score was 29-12. High scorer for the Spurs was Jeff Savage, followed by Michael Deming and Kenny Rector. High scorer for the Hoops was Sonny Gibbs, followed by Courtney Huddleston.

In the final game of the day, the Talco Pistons, coached by Eddie Norman and Mary Jane Savage, met the Bogata Jammers, coached by Charles Hines. Both teams began play at an off-beat pace, but as the action picked up, so did both teams. Final score was 19-15. Pistons. High scorer for the Pistons was Alvin Savage, followed by Mitch Ellis.

The teams will play again on Friday, at 5 p.m. at the Talco and Bogata Gyms. Everyone is invited to come out and enjoy the local youth pplay ball.

SEVENTALCO Band students received Superior medals at the Harmony High School Solo and

Ensemble contest last Friday. Pictured are, back row, left to right: Eric Hall, Amie Haley and

Misty Deming. Front row: John Worthen, Tawana Sanders and Kenny Rector. Not pictured is Craig Combs. (Staff Photo by Nancy Brown)

MISIDENTIFIED-The Talco Times mistakenly identified #54 recently as Shane Rector. The Shooter, however, is Carl Antone, playing for the Talco Junio

High Boys Team. The paper's roster was not updated after a number change. We do regret the error (Staff Photo by Nancy Brown)

Computer Walk Plans Going Forward

With the help of responses from parents of school children, the Computer Walk program is going forward in the Talco School, with plans for the Computer Walk and Fun Day.

This event is not for charity. All monies received will be used to purchase computer equipment and software for the school. Intentions are to house the computer's downstairs for grades K-5 to use, provided enough money is raised.

A Computer Walk and Fun Day program will be beneficial to the school and fun and healthy for the students and staff. Parents are not

required to participate in the walk or fun day, unless they want to. Parents are asked, however, to assist your children in obtaining sponsors. Your child will be asking you, relatives and family friends to be a sponsor.

With 100% participation, the event could easily earn computers for the students to use in their classrooms.

The kick-off assembly will be held Thursday, February 28 at 10 a.m. at the Talco School.

The program will be fully explained to the students at this time. They will be getting sponsors and collecting

money beginning March 1 and ending March 8. All money and prize reservations will be sent in March 8. The Fun Day will be held May 2 with lots of activities and contests planned for the participants.

Information will be released as soon as it is available. Make plans for the entire family to support this educational program.

If anyone has any questions, please contact G. Wuest, Talco Principal, at the school.
