Many people don't particularly care for June. After all, the freshness of April's promise of green to come has long since worn off, and the glorious new blooms of May are fading fast.

June, most of all, seems to be humid and hot. Sometimes smotheringly hot and humid.

But, in spite of the heat, June is a month of natural wealth.

The trees are in full glory, without the ragged edges they bear later in the summer.

The grass grows so fast it's almost unbelievable, while roadsides still proliferate with flowers...black eyed susans, cone flowers and more.

The birds are busy, raising families of frizzy little ones so ugly it's difficult to think that within short weeks they will take to the air as graceful and heart-stopping as their parents.

Martins and swallows, mockingbirds and jays, they fly to and fro, feeding their young and performing a public service in the form of insect control.

The air, although it may feel like breathing water, is still so full and fabulously loaded with the smells of rich growth that it feels good.

Garden harvests are coming off, with their promises of age old comforts. Whether it be a tomato plant in a small yard or a half acre "truck patch" the food grown by one's own hands still has a better flavor.

Cattle are slick, fat and sassy, while cats and dogs have finished shedding out and have taken up their lazy summer ways.

Fishermen seek the shade and keep on hoping.

Summer storms brew up in power and majestic, piling snow white thunderheads one upon another like mounds of angel ice cream.

Skies have blue tints so royal the finest royal families can only look at them with envy.

June is a beautiful time, a month of promise and praise to summer time.

Hot, yes, humid, undoubtedly, but still, a beautiful season for those who will enjoy it.

## The Rodeo Is Back In Town!!!

By Scott Denny

Well rodeo fans, it's time to wipe the dust off your saddle, get Trigger up out of the pasture and trim his feet, hook up to the trailer and pull into Bogata for the annual Bogata Rodeo and Frontier Days.

The Bogata Rodeo Association and Wing Rodeo Company have teamed up to produce another action-packed three nights of rodeo performances on June 27-28-29. This year's rodeo is sanctioned by the Cowboys Regional Rodeo Association and is co-sanctioned by the Central Rodeo Association.

The Bogata Rodeo Association officers for 1991 are Mike Williams, president; Eddy Denny, vice-president; and John Ragsdill, secretary-treasurer. The directors for 1991 are James Lawson, Ray Byers, C.R. Williams, Jim Branch, Todd Denny and Raymond Knight.

The Wing Rodeo Company, owned by Jerald and Joan Smith of Bogata, bring award-winning style that we are familiar with and appreciate. Wing

Rodeo Company wins many awards for their rodeos and rodeo stock. In 1990, they were voted the Stock Contractor of the Year in the C.R.R.A., as well as receiving the Bucking Bull of the Year and Saddle Bronc of the Year awards for their livestock.

Performing this year, other than the many cowboys and cowgirls, are bullfighter Rodney Hayes of Linden, TX and Brother and Vicki Taylor of Wimberly. Vicki is a trick rider and Brother has dog acts and horse and mule tricks. This duo has been performing together for 12 years.

To kick off the festivities, there will be a parade at 5:00 p.m. on Thursday, featuring Kennedy's Sausage Hitch and the local faces of the people we all know. Another parade will be Saturday at 5:00 p.m.

Each night the rodeo begins at 8:30 with a "Grand Entry" of cowboys, cowgirls, friends and family. Later in the program each night there will be

a calf scramble for the youngsters with a prize of \$10 nightly.

Thursday night is dedicated to Hub Whiteman and there will be a drawing for a \$100 savings bond given in memory of Hub by Mrs. Whiteman.

There is \$2,800.00 in added money to the seven championship events this year at the Bogata rodeo and a belt buckle will be given to the All Around Champion Cowboy.

Tickets to the rodeo are available at Huddleston's Grocery, Peoples National Bank, The Movie Shoppe and Buckman Drug Store in Bogata. Prices are \$3.50 advance for adults, \$4.00 at the gate. Children 6-12 tickets are \$3.00.

Next Saturday night will mean one more year until our local rodeo will be back in town. So everyone take out your hats and polish your boots and come on down to the Bogata Rodeo for a great time and to see those familiar faces you haven't seen since last year.

## Frontier Day Is Fast Approaching!!

The Bogata Rodeo and Frontier Day are fast approaching and the Bogata Lions Club has been working extra hours to make this the best Frontier Day ever.

Festivities commence at 7 a.m. sharp on Saturday, June 29 at the Community Center with a free pancake breakfast, cooked by none other than the Contel phone boys. At 8 a.m., the Dunking Booth will open with Sonya Moore Hammond sitting on the pedestal. Participants for the Dunking Booth are: Hammond, Lore Bush, Harvey Slawson, Deborah Moore, Krista Weatherall, Mary Childers, Tiffany Parish, Melanie Strawn, Eddie Barker, Susie Moles, Keitha Gillis, Amy Hervey and Susan Tabb.

Beginning at noon, "Bent Country" featuring Wade White will strike up and play until 2:30. Also at 12 noon, the Pig Scramble in the mud will be held, but this year the winner has the option to keep the pig!!

For the interest of all on-lookers, the Red River Valley Antique Tractor Club of Paris will have their old tractors on exhibit and will also operate a grist mill and antique haybaler throughout the day, and participate in the parade at 5 p.m.

And let's not forget the third annual Registered Duck Race at 1 p.m. There will be only 300 quackers in the race, and they will swim for the finish line at 1 sharp. Anyone wishing to purchase a thoroughbred duck should call David Rozell at 632-5617 or any Lions Club member.

Donnie Lewis is in charge of the arts and crafts again this year. Anyone wishing to have a booth, call Donnie at 632-5387. There will be plenty of food and drink, sponsored by the Lions Club and local churches.

Franzes Rozell has been deputizing officers and getting a posse together to corral all the hombres that frequent Frontier Day. Marshall

Rozell says that there is no one too tough for her deputies and she encourages everyone to come by and fill out an arrest warrant for that special person.

The Saturday parade begins at 5 p.m. at the north end of town, and everyone is welcome to participate in the parade, featuring antique cars, antique tractors, and the Kennedy Sausage Stagecoach.

Parking for Frontier Day is reserved in the field north of the Community Center. Hopefully, weather allowing, a portion of the new part can be used to park cars. So, if it isn't raining, you can use the new entrance on FM 909 to park for the all-day festivities.

Everyone is invited to come out and have a fun filled day, that includes something for the whole family.

## Talco-Bogata School Board Discusses Projects, Policies

When the Talco-Bogata CISD School Board of Trustees met in regular session on June 11, Supt. Freddy Wade announced that the tax report showed 93.88% of the 1990 taxes have been collected as compared to 92.76% of the 1989 taxes collected at this time last year.

The Board discussed the policy for administrators at school related functions as well as the policy on conduct of school personnel. No action was taken on these two policies at this meeting.

Sever summer maintenance projects were discussed with the largest being the improvement of the deteriorating track at Rivercrest High School. Cracks have formed both lengthwise and crosswise from the base of soil. The cost for the repair of the track is roughly estimated in the \$70-75 thousand dollar range.

A motion to designate a smoking area for personnel was made. Each campus will issue a designated area for this purpose.

An important matter was discussed about the cost of grade restructuring and the appropriate action needed. At this time, Talco-Bogata CISD is in the planning phase concerning needs facility-wise for all campuses for the next five years. Four different plans or options will be presented to the taxpayers for a poll. Hopefully, the taxpayers will express their opinion through the poll and give the Board some idea of what they prefer. An important note is that a final plan will not be formulated until the poll is returned.

The State Legislature recently passed the County Education Bill or what is known as the "Robin Hood Bill". The bill attempts to equalize funding for school districts across the state. County Education Districts have been organized and the districts will be responsible for levying a county-wide tax of \$.72/\$100 evaluation. The County Board carries out the functions of levying taxes, collecting taxes and distributing the money to the school districts. Local boards will

still levy a local tax and the CED must meet the first of July. The projected figures show that Rivercrest will lose money due to the new bill. Mr. Wade assured the Rivercrest Board that this loss of money will not adversely affect the operation or the quality of the schools. Jerry Russell was appointed to the County Education Board.

Several proposals were discussed about salary increases for the non-certified personnel. The non-certified personnel include instructional aides, secretaries, tax collector, maintenance and cafeteria personnel, as well as bus drivers. The Board voted to grant salary increases to non-certified personnel.

The Board elected to participate in the National School Lunch and Breakfast Program of which Mr. Wade signed the agreement.

In personnel matters, the resignation of Lola House, elementary teacher at Bogata, was accepted. Two new teachers were hired, recommended by Mr. Wade, Deborah Kay Hudson and Cheri Diane Tubb. Both teachers are subject to assignment of position at Bogata Elementary. Veda Kay Ross was hired as tax collector, filling the position vacated by Virginia Spencer.

The Board went into executive session from 11:20 p.m. to 12:10 a.m. and in open session accepted the resignation of Board member, Tommy Corbell, effective immediately. The Board went into executive session again, come back into open session at 1 a.m. with no action being taken. The meeting adjourned at 1:08 a.m.

Board members present were Jerry Stansell, Kip Stansell, Eddie Brown, Ricky Franks and Buford Hervey. Absent were Tommy Corbell and Mollie Williams.

The next regular meeting will be at Rivercrest High School at 7:30 p.m. on July 9. The public is cordially invited to attend and be acquainted with the operation of the school system.

## Country Cooking

By Gerrie Bankhead

Country Cooking is coming to you this week from the kitchen of Lucy Fowler of Cunningham. Lucy grew up, went to school, and graduated from Cunningham and this is where she has spent most of her life. After 53 years of marriage, she lost her husband about a year ago and has since then tried to rebuild her life.

Lucy and Willie Joe had four children: a daughter, Barbara and husband Delano Dunlap of Mesquite. They have three children, Steve, Jim and Pam and they have two grandchildren, Lauren and Megan. A son, Talma and wife Margaret of Pattonville and they have one child, Melanie. A daughter, Carol Dorsey of Cunningham and she has one daughter, Jennifer. A son, Michael and wife Delores of Mesquite and they have two children, Kristi and Mandy.

Lucy has been a member of the Cunningham Baptist Church in Cunningham for 58 years.

Among the favorite hobbies of Lucy's is quilting, crocheting, gardening, fishing and going to granddaughter Jennifer's baseball games about twice a week. One of Lucy's previous thrills was getting in the kitchen and cooking up something good for her family. Since Lucy lives alone now she doesn't do this too often. She still enjoys this when family members come in to visit.

Lucy likes to crochet bedspreads, afghans and doilies. She gives most everything away to her children and grandchildren. Last Christmas Lucy gave every member of her family a quilt she had made. Already this year she has quilted 15 more. Lucy says that quilting is something one does, only if you really like it. It is hard work and is very time consuming. Lucy has sold quilts to the public and

if anyone is interested, just call her. This year Lucy is cutting down on her canning of vegetables and fruits. It's such hard work. She does have a garden, but on a smaller scale.

Lucy always loved to fish. She would get in a boat and really enjoy fishing. She doesn't get to fish much anymore but it is a sport she really enjoyed.

Lucy has worked mostly at home. The few years she lived in Dallas, she operated a small shop where she sold fabric. She continued this business in Cunningham for a few years after they returned here to make their home.

The cabbage slaw recipe Lucy is sharing came from a paper article about three years ago and she has certainly enjoyed it. This recipe is very timely since cabbage is almost ready in the gardens. The recipe for the Heavenly Salad came from a friend, Pat Norwood, about a month ago. Pat served it at church and Lucy really liked it and asked Pat for the recipe. The Pear Preserve Cake recipe came from an article in a local paper a few years ago. This cake and the Heavenly Salad Pie are shown in the picture.

The Heinz Sweet Pickles are very delicious. There are a lot of steps to this recipe but it is definitely worth it. She has used this recipe about 20 years. It is very different and she hopes you enjoy it.

During the next few weeks I am enclosing a recipe for diabetics and cholesterol watchers. I hope you enjoy them.

If you've enjoyed the article, request a recipe or have a recipe to share or suggest a feature, please call 652-6032 or write Rt. 1, Box 67A, Deport, TX 75435.

LUCY FOWLER of Cunningham is shown with a cake, pie, jars of pickles, etc. which she is sharing the recipes this week in Country Cooking. (Staff Photo by Gerrie Bankhead)

## Familiar Faces

...By Nancy Brown

One of the most familiar faces in this area is that of W.D. Holt, also known as Chainsaw Willie.

Mr. Holt is a lifetime resident of Sugar Hill. He and his wife, Shirley, have been married for 36 years and have raised three daughters and two sons and have 13 grandchildren.

Mr. Holt has been in the logging business since age 14 with his dad harvesting timber, and at 16 he started running a chain saw.

At age 51 he started his unique chainsaw art quite by accident in April of 1986, when he was just seeing what he could make with his saw.

He began by attending Canton Trade Days monthly and several other arts and crafts displays.

Since 1986, Mr. Holt has been interviewed by several television stations with his unusual art objects, some of which are Rick Rowe's Notebook, KTBS TV Channel 3, Shreveport; Joan Hallmark's Proud of East

Texas, KLTV Channel 7, Tyler; Bob Phillip's 8 Country Reporter, WFAA TV, Dallas; KCBD TV Channel 11, Lubbock; and KAMC TV, Channel 28, Lubbock, and newspapers including The Chicago Tribune, Dallas Morning News and the Ft. Worth Star-Telegram. He has recently been contacted by Channel 6 News for an interview.

On June 14, a group from the antique car club of El Paso visited in Sugar Hill to see his art and to watch him create one of the pieces. The oldest car in the group was a 1907 Locomobile, and the newest was a 1915 Cadillac.

His sculptures range from a horned toad that will fit in the palm of your hand to a full-sized Indian chief and he often donates a piece of his art for worthy causes.

Willie Holt has certainly put Sugar Hill, Texas on the map.

CHAINSAW WILLIE is pictured with an Indian figure he has crafted with his trusty saw and a piece of

wood. W.D. Holt is featured in Familiar Faces this week. (Staff Photo by Nancy Brown)

## Talco Resident Tours New Mexico

Nadine Caldwell of Talco, her sister Irene Johnson of Dallas and granddaughter, Shana Dodd of Garland have returned from a tour of New Mexico.

A visit with relatives in Crossroads was the highlight of Shana's trip. She saw the old adobe house on her great-great-grandparents homestead and enjoyed riding horses, swinging and climbing on the gates.

Other points of interest were Carlsbad Caverns, White Sands, Old Town and other historical places in Albuquerque. Santa Fe offered many historic points of interest and Irene found that green chilies are put in the

gravy.

In Taos, the Pueblo Indian Reservation was visited for several hours. The Travelers Inn sponsored an Indian dance where the two Indian boys, ages two and four, stole the show. They chose Shana as their partner in a dance by both Indians and visitors. While in Taos, the Rio Grande Gorge was a point of interest. From Taos, the drive through the mountains to Red River was not Shana's favorite. She did enjoy seeing snow on the mountains, but a cold wind and rain hurried the Texans home to 90 degree weather.

## Beware Of Scams That Could Call Loss

The scene, the home of an elderly woman. The doorbell rings and a pleasant looking young woman is at the door. She reports that she has had car trouble, and has a repair truck on the way, but since it is hot, can she please have a glass of water.

The elderly lady goes to the kitchen and gets her one, with the younger

woman trailing behind her. She is never out of sight, thanks the lady politely, and leaves.

It is only a little later that the victim realizes that someone else had come in and taken her purse while her attention was engaged by the woman wanting a drink.

It's only one version of a scam that it is easy to fall victim to.

Refusing someone a drink of water is just unthinkable. However, latching the screen or door while going to get it isn't!

The story above did not take place in this vicinity...but easily could have, and it is suggested that it might happen in this region.

Such vicious, cruel scams take place particularly at the first of the month when many retirees receive their checks.
