Potpourri is made up of bits and pieces. Bits and pieces have come to my mind this week, but no one idea has worked its way to the forefront enough to be dominant.

So, I guess this column can be a potpourri of little thoughts this week.

It snowed...did anyone notice? Sure they did. And it was interesting to observe people's various reactions. Some folks were thrilled, others, hated the idea of snowfall. Didn't get enough to make the world a winter wonderland though, did we? Still, for those in favor of white as a decor, the weather report says there could be some more coming.

What we do have plenty of right now is...Mud...anyone who lives even remotely in the country is all too familiar with mud these days. All the rainfall has turned the world into a mire.

Our winter landscape is bare and stark...and very wet. Cows have "blackleg". No, not the disease, but a coating of mud from slogging around in pastures that contain ground more like jelly than soil.

How's this for a cheery little thought...If you make one decision an hour each business day, you'll stick your neck out 1,960 times in 1992!

Now that amounts to a whole lot of chances to foul up, doesn't it! And, most people have to make more than one decision per hour, I think.

Oh well, the only way to keep from making a mistake is never to do anything.

A rather disturbing fact...the average age of the American Farmer is now 58. By the end of this century it is expected to be 65!

Did anyone notice the spectacular sunset Monday night? While deep, almost threatening clouds filled the sky the sun made a final effort and painted the horizon with hues of deepest amber, red and orange. It was truly spectacular.

How many of those "New Years Resolutions" have already been broken? They surely are difficult to keep aren't they?

How's all of this for "bits and pieces". My brain jumps around as if it had jumping beans inside!

Well, hopefully by next week it will have settled into a more creative frame of mind. For this week, that's all folks!

Talco-Bogata School Board Considers Survey

The Talco-Bogata CISD Board of Trustees met in regular session Tuesday, January 14 at the Rivercrest High School Board Room.

They approved the minutes of the Dec. 5, 1991 meeting, accepted the financial report, tax report and approved payment of December bills.

The superintendent presented a report on bus maintenance costs and a proposal to contract certain services previously handled in the district's shop.

The board then heard of the Restructuring Survey that was mailed to households with registered voters in November.

As of 1:00 p.m. Monday, January 12, 1992, the following tally had been counted.

Option 1. To Combine 7th & 8th graders at Rivercrest and construct extra classrooms needed at Bogata 117 votes 20.17 percent.

Option 2.-Construct K thru 8th on

Rivercrest sites. 119 votes, 20.51 percent.

Option 3.- Combine the 7th & 8th graders at Talco and construct permanent facilities at Bogata-9, 1.55 percent.

Option 4. Combine 7th & 8th graders at Talco and renovate only classrooms needed with minimum cost to taxpayers, keeping 7th & 8th at Talco. 271 votes, 46.72 percent.

In the comment area of the survey, 64 indicated a preference to leave everything as is. The district mailed out 1,600 surveys and had 580 returned, (36 percent). No decision was made at this time.

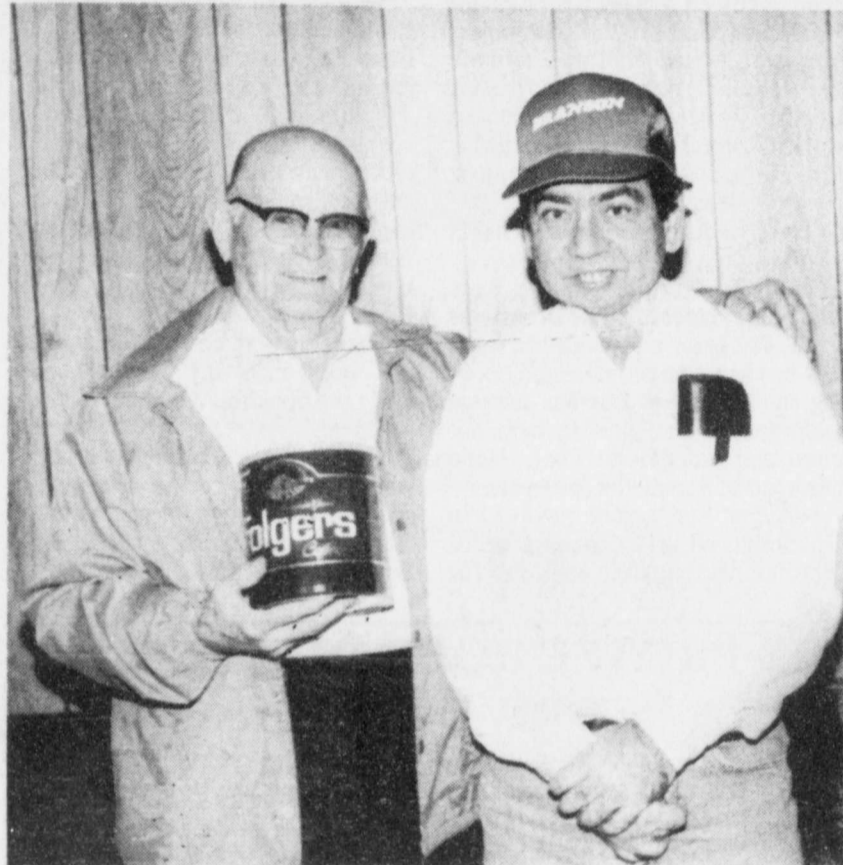

The high school principal, Ray Miller, presented a request for a policy change to allow band members and athletes to have the option for early dismissal if they were employed. The request was not granted due to a 3-3 vote on a motion to change the policy.

Reports were given by campus principals Ray Miller, Ben Tyler and Jimmy Lee, on the effectiveness of the "Zeroes Aren't Permitted" program.

The board discussed the election calendar for 1992 and by the official resolution called for a school board election on May 2, 1992 to elect two trustees. The positions up for election for a three year term are Position 2, currently held by Kip Stansell of Talco and Position 5 held by Rue Anna Bell of Bogata. The board also adopted a resolution to hold a runoff election on Saturday, May 23, 1992, if needed.

Members scheduled two meetings for board training and set Feb. 6, 1992 for the regular board meeting.

In final action they accepted the resignation of Ronnie Ross as teacher and coach effective at the end of the current contract.

Holt Announces Candidacy For Pct. 3 Commissioner

Mickey Holt of Sugar Hill has announced his candidacy for the office of Commissioner of Precinct 3, Titus County.

"I was born and raised in the Sugar Hill community of Titus County. My parents are W.D. and Shirley Holt of Sugar Hill. I am married to the former LaDanna Woolsey of Sugar Hill and we have three children, Stephenie 13, Jennifer 11 and Johnny 8.

"In running for Commissioner, I

consider it applying for a job, I don't intend to run down the other candidates or challenge their qualifications. I was always taught to take pride in a job and do the best I could. With that in mind, I believe I would make a good Commissioner.

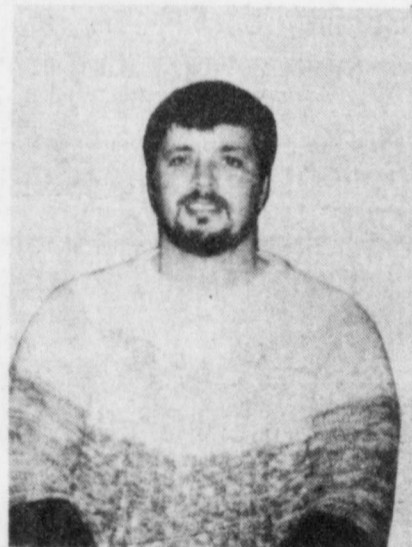

"My only promise is to have an open mind and listen and work for the people of Precinct 3 and Titus County. Your vote and influence would be greatly appreciated."

Contact Us If You Get A Notice And Have Already Renewed.

December was a very busy, very hectic month. We have mailed out cards to those people whose subscriptions come due at the end of December. However, we feel that due to a computer problem a few of the people who received notices may have already paid for their subscription for this year.

If you are one of these people, please let us know by writing to us at P.O. Box 98, Deport, Tx. 75435, or calling us at 652-4205. That way we can straighten out any problem we might have.

We appreciate your patience in this matter. December is when 3/4ths of our papers come due, and we can easily have made an error.

Girl Scout Cookie Sale Continues

Girl Scouts will continue taking orders for Girl Scout cookies through January 24, with delivery dates set for February 21 through March 5.

A new cookie, the Praline Royale, is making its debut this year. "This cookie is soft and chewy with a melt in your mouth praline middle," said Kristie Mills, volunteer council coordinator for the sale.

Other varieties include the old favorites, Caramel DeLites, Thin Mints, Peanut Butter Sandwiches, Shortbread, Lemon Pastry Creams and Peanut Butter Patties. The seven varieties will again be offered at \$2.25 per box.

Girl Scout cookies are made with 100% vegetable shortening, baked with no artificial colors or added preservatives, and are cholesterol free. "They are also delicious," said Mills.

Each Girl Scout will be selling cookies to help raise funds for activities such as camping, council wide events, and badge workshops, said Mills. Proceeds of the annual cookie sale help individual members and the local council meet their goals.

If you are not contacted by a Girl Scout for your order, phone the local cookie chairman, Donna Stewart at 632-4970 or call the council office in Paris at 784-0803.

Sunshine Club Meets

The Calvary Baptist Sunshine Club met Tuesday, January 14, being sponsored this month by the Friendship Class.

Bro. Brett Castle spoke to the group about salvation experience in life from Psalms 84. The group enjoyed dis-

cussing their baptism, where and when it took place in each one's life. Winning the door prize was Paul Miller, Sr. Celebrating a January birthday was Johnny Wright. Seventeen attended the meeting.

Men Turning 26 Are At Milestone

Men turning 26 years old in 1992 will be reaching an important milestone, according to the Selective Service System.

Beginning January 1, 1992, men who were born in 1966 and were required to register with Selective Service in 1984 will be turning 26 and will no longer be eligible for induction should a draft be reinstated. Selective Service does not have the authority to accept late registrations after a man reaches his 26th birthday.

Men ages 18 through 25, who have not yet registered, can avoid the risk of prosecution and loss of eligibility

by registering promptly at any local post office. Failure to register is a felony punishable by a fine of up to \$250,000 and up to five years in prison.

Those unable to register due to circumstances beyond their control, do not have to register until they are released. After release, they have 30 days in which to register. Handicapped men who live at home must register if they are reasonable able to leave the home and go into a public place. A friend or relative may help a handicapped man fill out the form if he is unable to do so himself.

Country Cooking

By Gerrie Bankhead

This week we are honored to have six of our local area Girl Scouts share some favorite recipes using Girl Scout cookies. These girls represent troops #84 and #98. From Troop #84 we have Dava Redus, a fifth grader at Blossom, daughter of Mr. and Mrs. David Redus. She has been a Girl Scout for the past four years. Her hobbies include basketball and baseball. Dava enjoys cooking and her favorite foods to cook are cakes, cookies and macaroni and cheese. Also from Troop #84 we have Ashley Cheney, daughter of Mr. and Mrs. Keith Cheney of Blossom. She has been involved in Girl Scouting for two years and is in the fifth grade. She enjoys basketball and softball. Also from Troop #84 is Jennifer Robertson, daughter of Juanita and Robert Robertson of Blossom. She is also a fifth grader and Jennifer enjoys cooking all kinds of foods.

Troop leader for their troop is Juanita Robertson.

From Troop #98 we have three first grade students. Hope Brem lives in the Blossom area with her mom and brother. She hasn't begun cooking in Scouts yet but has learned table setting. She likes to help her mom and grandmother cook. Hope has been in Scouts for two years.

Another first grader involved in Girl Scouts is Liz Robertson, sister of Jennifer. She has been in Scouts for

two years.

The third first grader is Lindsey Peel, daughter of Gary and Nancy Adams of Blossom. Troop leaders are Sabrina Little and Nancy Adams.

1992 marks the 80th birthday for Girl Scouts in America. Their theme is "Girl Scouts Care for the Earth".

Please note that all the recipes shared this week relate to this theme. Also, all boxes used this year are from recycled paper. The Girl Scout Cookie Sale began January 10 and will continue through January 24. Cookies will be delivered from February 21 through March 5.

There is a new cookie on the market this year "Praline Royale", that Irene Bryant, neighborhood cookie manager says will melt in your mouth. All the cookies are made from 100% vegetable shortening and have no artificial colors or preservatives and are cholesterol free. Other varieties include Caramel Delites, Thin Mints, Peanut Butter Sandwich, Shortbread, Lemon Pastry Cremes and Peanut Butter Patties.

The recipes shared by Girl Scouts this week show different ways of using the cookies. We hope you enjoy them.

If you have enjoyed the article, want to share a recipe or make a suggestion or request, please call 652-6032 or write to Rt. 1, Box 56C, Deport, TX 75435.

YOUNG COOKS and home-makers of tomorrow are sharing in this week's Country Cooking Column. (Staff Photo by Gerrie Bankhead)

Rain Forest Delite

1 1/2 boxes Caramel deLites, coarsely chopped
1 3/4 oz. pkg instant lemon pudding
2 cups milk
8 oz. prepared whipped topping

Prepare pudding with milk according to package directions. Chill. Fold whipped topping into pudding. Using two quart, plastic flower pot, put 1/3 of the chopped cookies in the bottom of the pot. Add 1/2 of the pudding mixture. Layer pudding with 1/3 of the chopped cookies; add remaining pudding and cover with remaining cookies. Chill. Garnish with a bouquet of silk flowers.

Glacier Mint Pie

1 1/3 cups Thin Mint cookies crushed
5 T. melted butter or margarine
1 qt. vanilla ice cream, softened
1/2 cup crushed peppermint candy
Crust: Mix crushed cookies with melted butter or margarine. Press into pie pan and chill.

Filling: Combine ice cream and crushed candy and spoon into crust. Cover and freeze until firm.

Praline Polar Parfait

1 qt. vanilla ice cream
12 Praline Royale cookies, crushed
chocolate syrup
whipped topping

Cover bottom of a pretty glass with crushed Praline Royale cookies. Add thin layer of vanilla ice cream. Repeat layering until you've reached the top of the glass. Top with chocolate syrup and whipped topping and garnish with cherry. Chill or serve immediately. Serves four.

Tropical Banana Split Pudding

1 lg. pkg. vanilla pudding
3 cups milk
3 medium bananas
1 box shortbread cookies

Prepare pudding according to package directions. Line bottom of 2 qt. casserole with shortbread cookies. Slice bananas lengthwise and lay on top of cookies. Cover with 1/3 of the pudding. Continue layering ending with pudding. Garnish with additional cookies. Chill.

Peanut Butter Hemispheres

1 box Peanut Butter sandwich cookies
1 bag regular or miniature marshmallows
milk chocolate candy bars
Take apart sandwich cookies. Microwave 1/2 of a large marshmallow or 3 mini marshmallows for 10 seconds or until puffed. Put puffed marshmallow and a square of chocolate on cookie and replace top.

Continental Drift Cake

3 oz. pkg. lemon gelatin
8 oz. pkg. cream cheese, softened to room temp.
1 cup sugar
1 tsp. vanilla
1 pkg. lemon pastry cremes, crushed
1/4 cup butter or margarine, melted
Crust: Mix cookies with melted butter, press onto bottom and sides of 9x12 glass baking dish.

Filling: Dissolve gelatin in 1 cup hot water, add cream cheese and stir until smooth. Chill until slightly thickened. Pour chilled, evaporated milk into medium bowl and whip. Add sugar and vanilla and blend. When gelatin is thickened, fold in whipped mixture.

Hurricane Patties

1 cup chocolate or vanilla ice cream
4 Peanut Butter Pattie cookies
1/2 cup milk

Put ice cream and milk into blender. Blend together. Add cookies. Blend until smooth. Pour into tall glass. Serve with a straw and spoon. For additional servings simply multiply recipe. Most blenders will only accommodate two servings at a time.

Fulbright News

By Betty Rodgers

Mr. and Mrs. Johnny Kerbow received word Saturday of the birth of a great-grandson born January 9 to Mr. and Mrs. Michael Kerbow of Santa Clara, CA. He weighed 7 lbs. and was named Austin Michael. Grandparents are Mr. and Mrs. J.W. Kerbow of Placerville, CA and great-grandparents are Mrs. Steele of Placerville, CA and Mr. and Mrs. Johnny Kerbow.

Betty Rodgers and Faye LaRue went to Medical City in Dallas Thursday to be with Melissa Arriaga, while her husband underwent surgery. He is back home and doing alright.

Gilbert and Melissa Arriaga had lunch Sunday with Betty Rodgers.

Good Neighbor Club Meets

Fulbright Good Neighbor Club met in the home of Mrs. Ethel Epps, hostess, on January 9.

Roll was answered with New Year's resolutions by six members. In the business session, existing officers were re-installed with the exception of Mrs. Vada Hoover, who was elected vice-president.

The hostess demonstrated a cro-

cheted duck filled with jelly beans. Members worked on a quilt which will be for sale when finished.

The club will meet with Beryl Miller as hostess on February 13.

Those attending were Vada Hoover, Marie Legate, Jimmie King Beryl Miller, Essie Kerbow and the hostess. The meeting dismissed with refreshments being served.

PJC Names Honor Students

The president's and vice-president's honors lists for academic achievement during the fall 1991 semester at Paris Junior College have been announced.

To be eligible for the president's list, a student must earn a 4.0 grade point average on a minimum of 15 semester hours. Those on the vice-president's list must earn a minimum of 3.5 grade point average on at least 15 semester hours and have no grade

lower than C.

Students named to the president's list from this area are Kristi J. Brooks of Bogata and Billy Floyd Craft of Blossom.

Named to the vice-president's list are Amy Milford, Amie Osborne and Kathy Upchurch, all of Blossom; Wendy Anderson of Cunningham; Charles Kennedy of Pattonville; and Danny Woodall of Deport.

Speed Detector To Be Used

The Texas Department of Public Safety soon will be using a hand-held laser speed detector in its traffic law enforcement efforts.

The laser devices cannot be picked up by conventional radar detectors and will make a significant impact on efforts to slow down Texas drivers.

The laser, which weighs four

pounds and is similar in appearance to hand-held radar units commonly used by law enforcement, was donated to the DPS by GEICO Insurance Co. The device transmits a narrow beam of infrared light instead of the microwave beam used by traditional radar units.

Rivercrest Stomps Chisum In District 17-2A Opener

By Rosie Jasso

The Rivercrest Rebels and Lady Rebels started district play the right way, with two victories over the Chisum Mustangs and Lady Mustangs on Friday night.

First district game jitters were typical of most players everywhere on Friday, but the Rivercrest teams conquered their jitters with no problem at all.

In Lady Rebel action, the ladies immediately jumped into defensive positions as the Lady Mustangs recovered the tip-off. The first points of the night were two free throws scored by Chisum. These were easily met by a three-pointer from Marian Green.

In addition, Krista Weatherall shot for four and Tiffany Parish for two. This brought an end to the first period, 9-5 in Lady Rebel hands.

The second periods scoring was

equally distributed between B.J. Thompson, Parish and Weatherall, who all hit four each. The intermission brought a 21-17 lead for the Lady Rebels.

z Revived during the break, Lady Rebs Lana Pirtle and Patches Raines scored two baskets apiece for a 29-27 lead.

Determined to become victorious, the Lady Rebs were unstoppable in the fourth period. A total of 20 points was scored bringing an end to a once close ballgame. Final score read 49-37 and a district win for the Lady Rebs.

In Rebel play, Reggie Alford took one free throw from the stripe as Chisum received a technical for hanging on the rim during warm-up.

Threes by Jerry Francis, Dean Tiffie and Eddie Williams in the first

stanza helped the Rebs pull ahead, 18-12.

Hot from all angles of the court, the Rebs scored 19 to Chisum's 5 in the second period. A score of 37-17 was posted at the halfway mark.

The third period brought strife by both teams, but Rebs Alford and Corey Gable couldn't be beat as they each hit six. Furthermore, the score was now 54-32, Rebs on top.

Rebel pace was never altered as they made 18 to Chisum's 15. Final score was 72-47, another Rebel win.

Four double-digit scorers for the Rebs proved their abilities on the court. Gable was at 17, Alford 16, Williams 12, and Eric Curties 10.

The Honey Grove Warriors are next on the Rebels list as Rivercrest travels there on Friday for games beginning at 4 p.m.

RIVERCREST JV girls played Chisum on January 10, winning 37-30 in overtime. High scorers were Michelle Giles and Ashley Ross. (Staff Photo by Nancy Brown)

Talco-Bogata JH/Freshmen Take On Cooper

The Talco-Bogata seventh and eighth grade boys and the Rivercrest ninth grade boys traveled to Cooper on Monday, January 13. The Rebel seventh graders won their game 57-14. High scorers for the team were Dru Denison, Alvin Savage and Jeff Savage. This young team may be State winners when they get there. The Rebel eighth grade team also brought home a win, posting 44 points over Cooper's 23. High scorers were Jay Hancock, John Davidson and Juan Torres.

The ninth grade boys took the court for a heartbreaking game. The team came back from being down 41-28 in the third quarter only to be defeated by one point. The final score was 53-52. High scorers for the team were Kyle Kennedy and Rodney Humphrey. Andy Speir and Jack Brown added two 3-pointers each for the team while Clint Franks, Sidney Hines, Steven Thomas, Jeremy Loggins and Chris Waller all played good defense along with scoring.

Talco-Bogata Little Dribblers Elect Officers And Make Rules

The Talco-Bogata Little Dribblers meeting was held January 9 at 7 p.m. at Rivercrest. President Sam Ellis called the meeting to order and officers for the coming year were elected. They are: president, Sam Ellis; vice-president, Keye Lee and secretary, Kip Stansell. Beginning play earlier was discussed, due to basketball running into baseball. Mr. Ellis is to check with Mr. Wade to see if playing earlier this year is possible. Applications to play went out January 13 and are to be returned to the schools by January 17. Children must have passed the last six weeks in order to play. The no pass, no play rule stands. Children that are six years old and are in the first grade may sign up to play. Children in fifth and sixth grades must not be over 12 years old.

There will be a \$5.00 fee to play for one child, if you have two children or more, playing fee will be \$3.00 per child. The January 17 deadline will be final, anyone not turning their application in by this time will not be accepted. Referees for the games and calling rules will be discussed at the next meeting. The days and times of games will be set at the next meeting also. Teams will be drawn January 18 at 10 a.m. at Rivercrest. Everyone is invited to attend and be part of this year's Little Dribbler program. Twenty-four attended the meeting.

Talking With Your Children

Reprinted with permission, National Education Association of the United States, Copyright 1987. Furnished by Talco-Bogata CISD

The Preschooler Talking with preschool children is often a frustrating experience—they do not think like an adult and so do not talk like an adult.

For a long time children do not have enough words at their command to express feelings adequately, even if they could express them as you would. So they use actions to replace words. Two-three or four year olds may deliberately do something forbidden, not so much because they want to be bad but because they want to see if you still mean what you said yesterday (or an hour ago). To react with "How many times must I tell you—" is to ask a self-defeating question. It is better to assure children that you do still mean it, for this is reassurance to them that the limits are still there to protect them.

The three to five year olds can begin to learn to talk about their feelings instead of acting them out. You can help by talking about your own

feelings. To preschoolers each emotion is separate: they do not realize that anger and love can exist together. So you might say: "I am very angry that you did this. I still love you, but I do not like what you did."

The Middle Years From the time children enter school until the onset of adolescence, their lives are much more relaxed than during the preschool or teen years. It is easy then for parents to sit back and enjoy the relative calm between two storms. But this is really the last opportunity to build a close personal relationship with your children before they start breaking away to adulthood and it should not be lost.

During this time children learn both independence and dependence. At the same time that they acquire the ability to do more things for themselves they are also learning when they can count on security and guidance from their parents.

Receiving praise for their accomplishments helps children to see themselves as worthy individuals. They will begin to form an opinion of themselves that reflects the opinion yo-

and such other adults as teachers—convey to them. Avoid downgrading about weaknesses; shun belittling terms such as "stupid" or "ridiculous". Talk proudly of their strengths and realistically about their weaknesses, and your children will adopt the same attitudes.

The measure of support, interest and time you give children at this stage will make the difference in whether they grow up with an attitude of self-confidence or self-doubt. The Adolescent Sometime around the early teen years, your child will begin to move from a child's adjustment to the world to that of an adult's. This is a difficult time for both parent and child, but the parent at least has the advantage of an adult perspective on the situation. The rapid physical changes—both internal and external—taking place in teenagers cause them to react emotionally to everything that happens. They are jubilant one minute and deeply depressed the next.

The problems may seem insignificant to you, but they are very real to teenagers.

PJC Announces Classes

A variety of continuing education classes will be offered January 21-30.

A LOTUS financial management course for small business will be held from 6:30 to 9:30 p.m. each Tuesday for three consecutive weeks beginning January 21.

Motivating your employees is a course offered twice on Wednesday, January 22. Participants will learn how to develop enthusiastic employees, manage with cheers not fears, develop quality conscious employees, communicate more effectively to develop harmony, detect negative

mood swings in your company and tap into your employees' creativity to solve problems and create a more profitable business.

A defensive driving course will be conducted from 6 to 10 p.m. Monday and Tuesday, January 27-28.

A business plan roadmap success course is scheduled from 6:30 to 8:30 p.m. each Thursday for four consecutive weeks beginning January 30.

For information on these and other continuing education classes, call 784-9447 or 784-9445.

Young Farmer Endowment Program Explained

By Paul D. Payne
The Texas Young Farmer Endowment Program is still weeks away from being in its final form, however, the initial rules have been approved by the Texas Agricultural Finance Authority, and they have been published in the Texas Register. During this 30-day comment program, individuals may make written comments. The program is not designed to assist existing full time operators, and in fact, an applicant cannot have generated more than 15% of their adjusted gross income from farming or ranching in any of the previous four years. If this definition of an

eligible applicant remains in the final program, then the vast majority of the individuals who have had questions on this program in the county would not be eligible.

As the program now stands, there will be two application periods each year. Application deadline for the first period would be the first Monday in October and the second would be the first Monday in April.

Let me emphasize that the above comments are "proposed" and not final. It could very well be that some of these could be changed as a result of the present comment period.

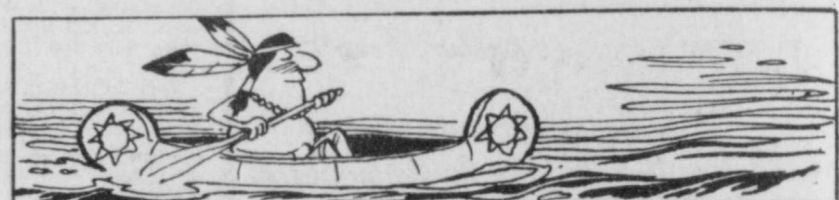

Social Security Notes

By Ray Hudson, Dst. Mgr.
The Social Security Administration is now seeking bids from both private and state vocational rehabilitation agencies to participate in a research project that will test ways to help people with disabilities enter or re-enter the workforce. The lessons learned will be used to improve employment opportunities for the 4.2 million people currently receiving disability benefits.

The current SSA bids for Project Network contractors seek private sector rehabilitation agencies to conduct a case manager contractor model

and state agencies to conduct a case management outstationing model that will place state vocational rehabilitation counselors in SSA field offices. SSA may award contracts to two bidders for each model.

In each, case managers will actively help participants develop individual employment plans and carry them out. They will see that the participant gets whatever services are needed for a work attempt, including education and training, job placement and on the job assistance.

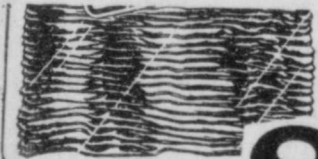

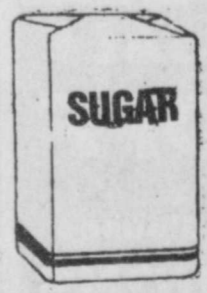

Nine of our states got their names from the rivers that flow through them—Minnesota, Colorado, Connecticut, Illinois, Mississippi, Nebraska, Ohio, Oregon and Wisconsin.
