## SHOOTING AFFRAY AT

Fred Gray and Onle Laird were both seriously wounded in a shooting affray on South Swenson street, Stamford, about 3:30 Sunday afternoon. It is reported that the participants were in cars when the shooting occurred. Gray was using a pump shot gun loaded with No. 4 shot while Laird used a 45 caliber pistol. It is said that both fired six shots and the car Laird occupitd was riddled with shot from the shot gun. Gray was hit twice, in the side and in the knee. Laird received a charge of shot in the face and head. It is thought by eye witnesses that he was probably struck with two charges from the shot gun. B. J. Howell, in an attempt to stop the shooting was hit by a ball from the six-shooter on the elbow, inflicting a very painful wound. Both young men were in a very serious sondition at the last report and no cause for the deplorable tragedy is as yet known.

### A REQUEST

The commissioners court has very sindly called the attention of the city government to the fact that there was an eyldent lagging or dragging in the growth of our citizens' CITY PRIDE. During the busy business days and for other reasons not known to us perhaps, there has been gradually cut across our court yard lawn several path ways resembling horse trails in the brush. They report that wires have

been put up time and again to stop the passage but it is now evident that fence break cattle are hard to turn. We are sure that the roar would never cease if the trees on the court yard were cut down-then why "walk down" the

We ask your respect and consideration of this request for by so doing you will be instrumental in advancing and encouraging your personal as well as cour CITY pride.

Keep on the sidewalk, please,

Respectfully, R. C. COUCH, Mayor,

TREE TRIMMING TIME IS NOW This is the time of year to trim all trees and it is also the time to set out trees to beautify your home and the streets of the city. Quite a number of trees have been trimmed very nicely and more than 20 trees were put out at the Baptist Parsonage which will add much beauty and comfort to the pastor's home. The trees along the streets should be trimmed high enough to allow people walking along the side-walk not to come in contact with the branches with their headgear, which is very unpleasant to the pedestrian, and might inflict injury to an eye or disfigure the facial complexion. Let's make Haskell attractive by doing the little things necessary at the right

### Practical Suits In Smart Designs

Although this selection of new Spring Suits has been on display but a very few days, we are more than satisfied with the many comments made by our customers upon the superior quality of the materials and excellence of the designs.

If you have not been here to see them, now is a good time to come. Even though you may not be ready to buy, it will give you an opportunity to see what will be worn this Spring and Summer, and help you to guide your selection when you do choose your new Spring outfit.
