Nichols Worth

By Nanalee Nichols

At the risk of sounding like an imbecile... (which I sometimes FEEL like) ...I want to express my thanks to everyone who ever "jumped on" me, "chewed me out" or expressed their displeasure with me for any reason what so ever.

Sound a little strange? It's really not when you think about it.

You see, a few days ago I was talking with four or five other self-employed business people.

And we were talking about the things we all sometimes do that make people angry with us...and how to avoid it. The REAL problem, we finally decided, comes when people DON'T express their displeasure...but instead refuse to do business with you, and even tell others about their bad experience.

Therefore, I feel we owe a debt of gratitude to those who have expressed their dissatisfaction.

When I'm told about a problem I can at least try and explain what happened, rectify the mistake or print a correction. Although I can't, obviously, satisfy everyone, I can surely give it my best shot.

In many cases, I think I've managed to make people understand that nothing was deliberate, or helped them to see why something was done the way it was.

But, when people are angry (and you don't stay in this business for fifteen years without making a few people angry) and won't tell us about it we can't do anything to make things better.

While it isn't a pleasant thing to be the object of someone's ire, I truly do believe it's better than being unaware that someone is furious with me!

The rest of the business people I was talking with wholeheartedly agreed with me.

It's impossible not to make mistakes occasionally, it's just going to happen. But sometimes we can do something about it...but only if we KNOW about it!

So, although I'm probably a little crazy to say this...give me a call and complain. You might be surprised how glad I'll be to talk to you!

Two Incidents Leave Three Dead

Two separate incidents, one a shooting which left one dead and the other a case of two bodies being hidden in woods left residents of the north eastern Lamar County-North Western Red River County area shocked and dismayed.

Wednesday, November 18 forty-five year old Richardson man, Dennis Dale Morrison was killed with a single gunshot to the chest after an argument with a neighbor near Post Oak Community.

A thirty-two year old Dallas man was taken into custody, but released without being charged as it appears that the shooting was in self defense. The case will go before the Grand Jury soon.

The incident began in mid-afternoon when Morrison, who has a cabin on property north-east of Post Oak, began burning off land to discourage deer hunting, according to Lamar County Sheriff's Department.

His neighbor and two others, were in a cabin about 100 yards into the woods, came out to see what was burning.

Reports indicate that the neighbors

have had "words in the past" and apparently both men came out armed with pistols.

Morrison, according to Chief Deputy Bob Carico, then threatened the other man and an argument occurred. Reports indicated that Morrison reached to where his gun was holstered at his back and was then shot by the neighbor.

The body was taken to the Southwestern Institute of Forensic Science at Dallas for autopsy.

In a much more bizarre incident two bodies were discovered Thursday afternoon, November 19 in the woods in Red River, northwest of Detroit.

Two Marion County residents have been charged with one count of capital murder each and are being held without bond in Marion County Jail in relation to the crime.

The two murders appear to be part of a drug deal gone sour.

Authorities have been looking for twenty-seven year old Charles Edward Warlaw since his parents reported him missing. He was last seen leaving the home of his girlfriend on

the 13th.

The other dead man was Cedric Darryl Baker, age twenty-nine of Daingerfield.

Texas Ranger Howard Dunham of Texarkana received a tip where the bodies could be found.

He contacted Ranger Eddie Almond.

Red River County Sheriff Bob Storey, Deputy John Penny and Ranger Almond went to a road about a mile and a half from Detroit. The bodies were in the woods, with leaves on the body and a small amount of brush cut and put over the bodies, according to Almond.

Early investigation indicates the two were killed on Lake O' the Pines at a private nightclub, and the bodies disposed of near Detroit.

Warlaw apparently had multiple gunshot wounds to the abdomen and Baker a single gunshot wound to the head.

The bodies were sent to Southwestern Institute of Forensic Science of Forensic Science in Dallas for autopsies.

Country Cooking

By Judy Screws

Mary, Dave and Julie Pirtle live on Roach Town Road in Bogata.

Mary's Boutique, a ladies' wear shop that Mary runs, adjoins their home. As I went through the shop and on into the main house, I could see that she has a very nice selection of clothing and accessories.

When I arrived, four year old Julie was watching her Saturday morning cartoons. Mary's grandparents, who live in Tucson, AZ, had just left for home. They have been visiting for a number of days and Mary expressed how much she had enjoyed their visit.

She has two sisters and a brother in Colorado and a younger sister in Missouri. Her father is also in Missouri. During their visit, she learned that her brother and one of her sisters would be moving to Dallas so she was pleased that they will now be closer.

Mary enjoys baking pies. She says that their favorite meals are Mexican food, and meals centered around roast beef. Dave enjoys beef, and he likes her pies.

I was pleased to see the assortment of recipes that Mary is sharing with us. The Mexican Chicken recipe was given to her by her sister-in-law, McLinda. Her mother-in-law, Winnie Faye Pirtle, copied the Sour Cream

Lemon Pie recipe from a magazine she was reading while they waited in a car lot in Dallas and they have all enjoyed it since. Mary's Pumpkin Bread recipe was left to her by her mother, Caro! Holden. I was really pleased to see the pie crust recipe, especially after I learned that it made six crusts and it could be frozen in the pie plates until needed.

Mary says that she enjoys working with crafts, but she also very much enjoys anything that takes her outside. She and Dave enjoy camping, and just going sightseeing.

The family attends the First Assembly of God Church in Clarksville, where Mary plays the bass guitar and sings. She said that Dave taught her to play the guitar when they first married.

As I think back over the conversation Mary and I had, I think I feel myself blushing. I sat and explained, at length, to poor Mary about low fat and low calorie recipes. She was so polite and even took notes.

The irony is that Mary is so nice and trim, and that it has been so long since I had a figure that it's just an occasional fleeting memory. Oh, well.

Have a super Thanksgiving, and please take care.

Sour Creme Lemon Pie By Mary Pirtle

1 cup sugar
5 T. cornstarch
4 egg yolks
1 cup milk
1/4 cup lemon juice
1 T. grated lemon rind
1/4 cup margarine
1 cup sour cream

Pumpkin Bread

16 oz. can pumpkin
1 cup oil
4 eggs
2/3 cups water
1 cup nuts
2 3/4 cups flour
2 t. soda
2 t. cinnamon
1/2 t. cloves
3 cups sugar
2 t. nutmeg
1 1/2 t. salt
1 t. allspice

Add pumpkin mix to dry, mix until well blended. Bake in bundt pan of 350 for one hour.

Pie Crust

4 cups flour
1 T. salt
1 t. baking powder
2 T. sugar
Stir with fingers well!!! Add 2 cups Crisco to dry mixture and make it mealy. In another cup, measure and mix together:
1/2 cup water
1 egg

Work into the dry mixture and roll out dough, place in pie plates. It makes six crusts. I put wax paper between each crust and stack in the freezer in pie plates. When I'm in a hurry, all that's left to do is the filling!

Mexican Chicken

Boil 4 chicken breasts until tender and de-bone. In another pan, saute in 2 T. butter an onion, green pepper. Add: 1 can mushroom soup
1 8 oz. jar picante sauce
1 can diced rotel tomatoes
2 t. chili powder
cricken breasts

Simmer until it comes to a boil. Layer a 9x12 baking dish with corn tortillas, cut in quarters. Pour over the meat mixture, add another layer of tortillas, then the remaining meat mixture. Layer with cheese, cover and place in 400 oven for 20 minutes.

MARY PIRTLE stands in the kitchen of her Bogata home. She is sharing some favorite

recipes with those this week in Country Cooking. (Staff Photo by Judy Screws)

Junior High Rebels Play P.E. Wallace

The Junior High Rebels seventh and eighth grade boys met the P.E. Wallace Cubs at Talco last Thursday.

The seventh grade team began the season with a most exciting game. The first quarter ended with the young Rebs behind 12-10 and the halftime score saw a one-point separation 23-22. Jody Nolen, Michael Allen, Bryan Giles, Courtney Huddleston, Jody Gray and Bradley Cecil pulled one save after another out for the team.

Third quarter action ended with the Rebs still behind 30-29. The boys were able to close the one point separating the two teams, ending the fourth quarter 42-42 and sending the teams into overtime. Michael Allen went to the board for the Rebels scoring 22 points; 10 of these in the fourth quarter and in overtime. Final

score was Rebels 47-Cubs 44.

The eighth grade boys took the court with an awesome disadvantage. Height! The Cubs were head and shoulders above the Rebels. Although the Rebels gave it their best and no one could ask for more hustle, the halftime score was 41-22.

Four of the Rebels tied for high score, Eric Martin, Andre Savae, Alvin Savage and Jeff Savage did not let the Cubs' size keep them from going to the boards. Dru Denison followed the four by only one point, also adding his share. Kyle Hines and Mitch Ellis also added points. The Rebels could and did make the steals, but just could not pull the rebounds down. The final score was 74-47, Mt. Pleasant.

Recent statistics from the Department of Labor show that telephone service is one of America's best values.

In the past five years, food and beverage costs have gone up over 23 percent, housing costs have increased 21 percent, and medical costs have skyrocketed over 45 percent. During this same period, the cost of telephone service increased by little more than 3 percent nationwide.

At GTE, we're doing our best to make your telephone service an **EXCELLENT VALUE.**

Rebels Impressive

With a packed gym, the Rivercrest Rebels and the Mt. Pleasant Tigers had a thriller Tuesday night. Mt. Pleasant had a blistering first quarter as they beat Rivercrest 65-54. Mt. Pleasant outscored Rivercrest 27-15 in the first quarter. After this quarter the Rebels repeatedly charged back.

The Tigers with their very deep bench strength continued to hold off the Rebels. Mt. Pleasant entered the game a very heavy favorite. However, after the game the Tigers were very fortunate to escape the Rebel Gym with a victory. The two teams will meet again December 1 at Brice Gym in Mt. Pleasant.

The Rebels were paced offensively by Deon Tiffie, 14 points and Eddie Williams 14 points. Eddie Williams also blocked 6 shots. Reggie Alford had 9 points and a very good rebounding and defensive game. Jerry Francis came through with 8 points, shooting 100% from the field. Shan-

non Richeson led the team in rebounding with 8 and had several key defensive plays. Clay Pirtle and Shawn Barker contributed very strong plays off the bench.

Coach Wood's comments were, "We were pleased overall with individual performances. We are trying to fit all of our talent into a smooth playing team. We are also trying to improve every game. We achieved some of our team goals and some we didn't. We will work harder to accomplish our season's goals."

The Rebels were to play Mt. Vernon Friday night. See article elsewhere in this paper.

Rebels 59-Mt. Vernon 40

The Rivercrest Rebels journeyed to Mt. Vernon Friday night and evened their season record at 1-1. The game was never in doubt as

the Rebels jumped out to a 24-7 1st quarter lead. At one time the Rebels led 39-13. Mt. Vernon never gave up and played hard the complete game.

Hot shooting by guards Deon Tiffie and Clay Pirtle paved the way for the Rebels. Reggie Alford had a very big night on the boards with 12 for the REBs. Eddie Williams had 8 points and four blocked shots. Although hampered by a groin injury, Jerry

Francis had a good game at post with 13 points.

Shannon Richeson, Shawn Barker, Mike McGee and Jeremy Belyeu had good support for the Rebels. Each of these contributed to the Rebs full court press and torrid fast break, as the Rebels continually out paced the Tigers from Mt. Vernon.

The Rebels were to have played Pleasant Grove Tuesday night J.V. and Varsity. Saturday, the Rebs will entertain Hughes Springs, last year's Champions of District 18AA. The Rebels have been playing before

packed gyms in their early outings. Come early and get a good seat for a very exciting night of basketball.

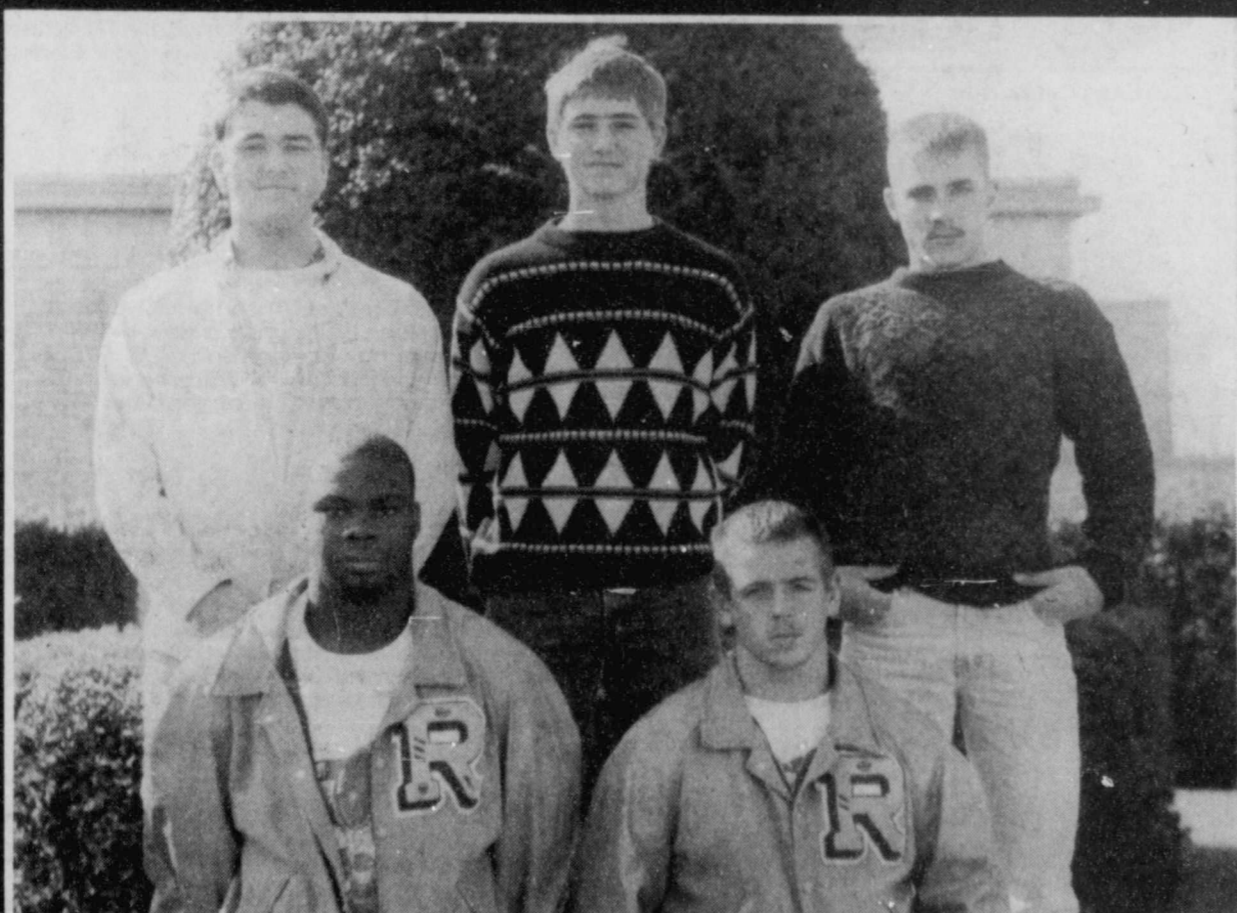

Coach Wood's comments on this game: "I like the large crowds and our boys really play hard. Mt. Vernon had one of the best crowds I have seen at their gym. We talk about boosting our young people and booster club, but what really makes a difference to our young people is for the gym to be full of supporting spectators. See you at the game Saturday night."

PUBLIC NOTICE

Contel of Texas, Inc. has filed an amendment to its application with the Public Utility Commission of Texas for approval of its Universal Emergency Number Service 9-1-1 tariff. The proposed tariff establishes rules, regulations and rates including the provisioning of the B9-1-1, C9-1-1, and E9-1-1 services; optional services, such as Selective Routing and Data Base Administration; additional services, such as Forced Disconnect, Called Party Hold, Emergency Ringback; Switched Access System; and Public Safety Answering Point Equipment.

Customers affected are either 9-1-1 districts or councils of government with 9-1-1 responsibilities. The application does not propose changes to emergency fees charged to end-user customers.

Twenty-three customers would be affected by the Universal Emergency Number 9-1-1 tariff, which would increase annual revenues by \$10,107.12, a 2.92% increase in the revenues generated by the contract rates of the current customers. Customers will have the option, however, of continuing the rates under their contract for up to one 12-month renewal term.

The deadline to intervene in this proceeding is December 24, 1992. Correspondence or any other communication regarding this matter should reference Docket No. 10929.

Persons who wish to intervene or otherwise participate in this proceeding should notify the Commission. A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0246 or (512) 458-0221, teletypewriter for the deal.

Lady Rebels Win One Of Two

The Rivercrest JV Lady Rebels met the Mt. Pleasant Tigers at Rivercrest on Tuesday, November 17 and held a 12-7 lead through the first quarter.

A long three point shot at the buzzer put the Lady Tigers in the lead 18-16 at the half.

JV Coach Ray Miller used this game to try his players abilities. Heather Holland and Jaime Swarts did a good job out front, stealing the ball and making the game move. Norma Jasso went to the boards to lead in scoring for the team, followed by Susie Moles. The Tigers came back with a strong third and fourth quarter of their own, winning the game 35-24.

The Varsity girls were not to be denied and thoroughly tamed the Lady

Tigers 45-27. What the Lady Rebs lacked in height, they made up in speed. Kathy Hinsley and LaQuita Norman went to the boards again and again, with Norman scoring 23 points; Hinsley scoring 11 and Michelle Giles and Konya Nickerson followed.

Foul trouble hit all the Lady Rebs hard, holding action down for LaTrisha Belcher and Ashley Ross. Shaunda Jones and Jennifer Bond filled in adding to the game.

On Friday, the Rivercrest JV girls, Varsity girls and Varsity boys traveled to Mt. Vernon.

Action began with the JV girls and at the half, they trailed 11-6. The third quarter ended 15-10, Mt. Vernon. Norma Jasso led scoring for the team while Jaime Swarts, Heather

Holland, Crystal Bell and Susie Moles all added points. The girls were unsuccessful in their last quarter efforts. The final score was 25-17 for Mt. Vernon.

The Varsity Lady Rebels began slowly on Friday night, ending the first quarter tied 8-8 and finishing the half with a two point lead 23-21. The beginning of the third quarter saw the ladies come to life.

LaQuita Norman led the team with 20 points followed by Chasity Hall, who had an outstanding night. Also adding points were LaTrisha Belcher, Kathy Hinsley, Ashley Ross, Shaunda Jones and Michelle Giles. Giles was lost to the team late in the game to foul trouble, but the Lady Rebs kept on pounding. The final score was 56-36.
