

Nichols
Worth

By Nanalee Nichols

Have you ever considered the card table?

Give long and deep thought to this rather bizarre creation of mankind.

To begin with, I'm not sure I've ever actually seen a card table used for the purpose of playing cards.

I've seen them fill in as extra dining tables, for games of dominoes and "42", and as serving tables. Card tables are excellent for displaying garage sale items, for serving as bazaar sales tables, and for bake sales on small-town main streets.

Card tables are wonderful when draped with a big cloth. They can be playhouses, forts, space ships or hiding places for children.

They come in a pretty standard size, but may have flowered, checkered, wood-grain or variously colored top surfaces.

There is one very, very odd thing about card tables.

Have you ever seen a new one? Have you ever seen a sturdy one?

I know that in stores they can be found...in catalogs they abound, shiny and new, and sturdy as can be.

But I have never, ever seen one.

No, the ones I have seen are devious, sneaky, downright possessed with evil!

They have a maximum of three functioning legs...usually only two do what table legs should do.

The other leg (or two) is rigged so that they will NOT lock. Instead they wobble and wait, patiently until at the most inconvenient moment they collapse!

They trap those sitting at them. The hurl food, items and liquids in all directions.

After wrestling them back into table-shape they will stoically sit (or is it stand?) there, biding their time until folks have managed to relax a little. Then, hatefully, they will give a gleeful shudder and WHAM, down they will fall again.

Sometimes some very deft person will manage to grab the collapsing side, holding it up until efforts can be made to stabilize things once more!

As well as this collapse technique, most of the card tables I've known have a nasty habit of pinching fingers. My Grandmother Jeffus, a devotee of "42" had four of these monsters. As a child I could help get ready for a party and end up with blood blisters and bruises from the card table's unexpected "teeth". Sometimes they even managed to wrestle me to the ground and pin me down!

But, I digress. Back to my original question...have you ever seen a sturdy, non-collapsing card table? If you happen to actually own one, you are a fortunate soul, indeed! For myself, if anyone tells me they have a reliable card table...well, I'd like just to come visit and take a look at it...cause it's a cinch I've never seen one before!

Rodeo Association To Meet

TALCO Seventh Grade Career Skills class enjoyed a tour of

Talco State Bank Tuesday, Oct. 19. Shown here is Jo Anschutz

speaking to the students. (Staff Photo by Nancy Brown)

Students Visit Talco State Bank

The Talco seventh grade Career Skills class, taught by Kelly Stansell, visited the Talco State Bank on Tuesday, October 19.

Bank employees had prepared thoroughly for the students' visit and each job position and the requirements to have that job were explained to the class. The tour was given by Jo Anschutz, Carla Jones, Gena Gage, Ginger Jones and Rusty Jones.

The positions were lobby teller, drive-in teller, note teller, secretary/receptionist, new accounts, proof operator, loan officer, auditor, security officer, president and cashier.

Each job was described to the students and the class was encouraged to ask questions.

In the president's office, class member Courtney Jones was chosen as Bank President for a day. She sat in President Rusty Jones' chair as he described his job to the class.

The class was served refreshments before returning to school. They also received a coin purse and pen from the bank.

Mrs. Stansell hopes to take the students to other local businesses as part of learning career skills.

Sugar Hill Community Plans Fundraiser For October 30

The Sugar Hill community meeting was held Tuesday, October 12 at 7 p.m. with president, James Taylor, opening the meeting. Minutes were read and approved and the treasurer's report was given.

Broseco Ranch donated a tin building to the group and on Saturday, local men went to take the building down, acquiring the needed tin for an awning to be built.

The group discussed the telephone operations in the area and signed a petition to get calls to Mt. Pleasant at a set rate not to be over \$5.00 a month for Talco to Mt. Pleasant calls. The fee would probably be between \$2.50 and \$3.50 a month and would save the Talco community residents dollars. Several of the community residents are in the Mt. Pleasant school district and the local business is done largely in Mt. Pleasant.

Discussion on finishing tearing down the old school rooms was held. The group will finish the work and burn the things not needed.

The next item discussed was a Volunteer Fire Department for the Sugar Hill area. Insurance is extremely high and hard to get for the

persons in the area. The Talco and Cookville Fire Departments will meet with area men at the next meeting and give details of how to begin forming a fire department.

The Forestry Service may be able to help the group get a fire truck.

The meetings were set for each first Tuesday of the month. The group will hold a fundraiser on October 30 beginning at 4 p.m. with a carnival, including Witches Brew (stew), being served. A Spook House, games for smaller children and bingo will be part of the evening's entertainment. Anyone interested in helping is encouraged to contact James Taylor, Zoenetta Hawkins or any community member.

The next meeting will be November 2 at 6 p.m. due to the Fire Department visits. Everyone is encouraged to attend this important meeting. Next year's officers will also be elected at this meeting.

Beginning with the December meeting, a pot luck supper will be served with game of 42 or other games played afterwards. Thirty-eight attended the meeting.

Talco Announces Increase In Trash Pickup Rates

The City of Talco has increased the rates for trash pickup services.

The charges will be \$8.20 per month, plus tax for residential customers, \$34.70 plus tax for 2-yard

dumpsters and \$41.30 plus tax for 3-yard dumpsters.

These rates were effective as of October 1, 1993 and will appear on the next statements.

Talco Fall Festival Is This Weekend

The Talco PTO Fall Festival is this Saturday, October 23. At 5:00 p.m. a meal of turkey, dressing and all the trimmings will be served at the cafeteria. Cost will be \$3.50 for adults and \$2.50 children ages twelve and under. Hot dogs, chili dogs, nachos, frito pies will also be available.

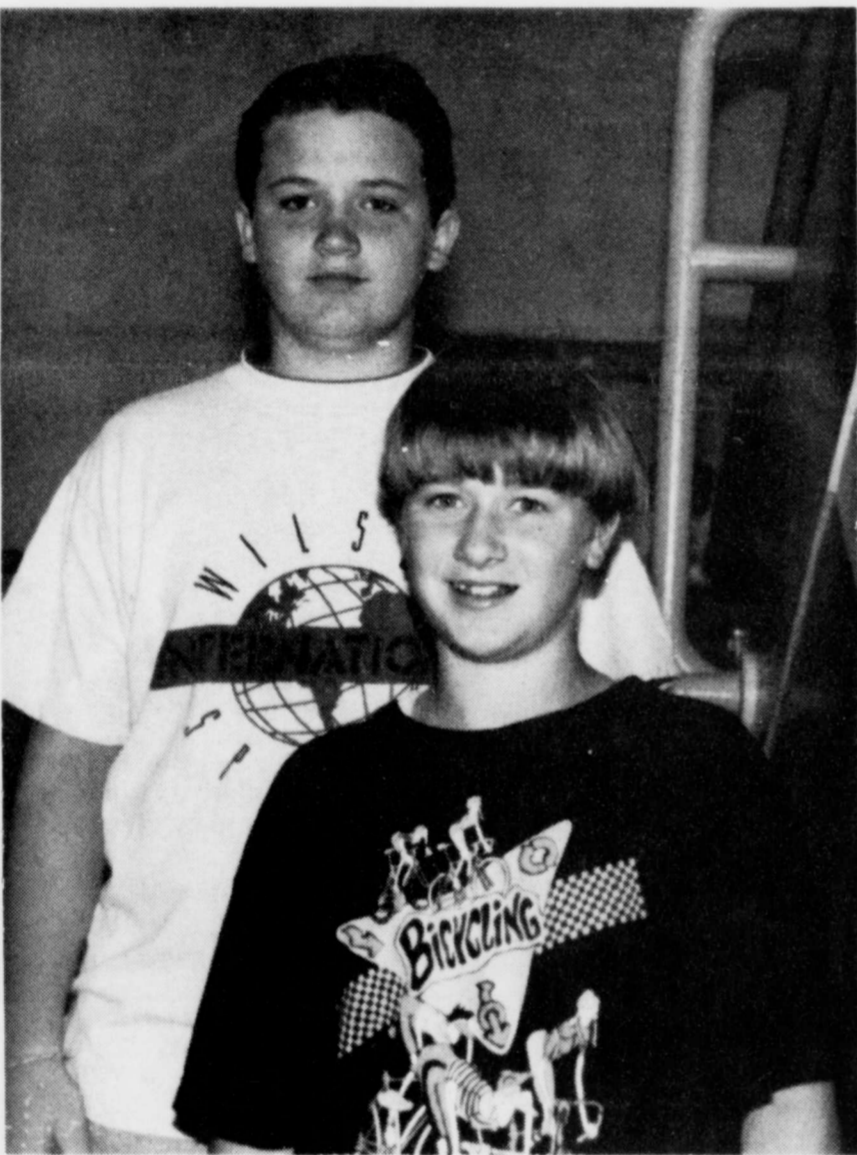

At 7:00 a "Spirit of Mardi Gras" parade will be held at the Talco School Auditorium. All children are invited to dress in costume and participate in the parade.

After that the coronation will be-

gin. Highlight of the evening is the crowning of the kings and queens.

Chances for two \$100 Walmart gift certificates will be available until 7:00 p.m. The winners will be announced at the end of the coronation. A carnival will be held in the gym at 8:00 p.m. with Bingo in the cafeteria at 8:00 also.

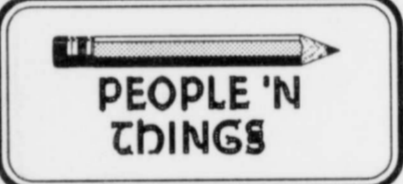

Everyone is invited to come out and enjoy a good, fun filled evening with proceeds going back into the school programs.

Talco Seventh Grade Prince & Princess Courtney Jones & Nathan DeVane

Talco Eighth Grade Princess Amber Forsyth

All preschool age children and up are invited to wear your Halloween get-ups and join the "Spirit of Mardi Gras" parade at the Talco Fall Festival on Saturday, October 23. The parade will be held shortly before the coronation at 7 p.m. All participants will receive a candy prize.

The Fall Festival Carnival ticket pre-sale will be held all day Friday, October 22. Tickets will be five for \$1 only on this day.

Rivercrest FFA students will be selling sausage, ham, bacon and turkeys on October 12-27. If interested, you may contact any FFA student or Craig Ingram at the school.

Tuesday at 7:30 is pool playing time at VFW 8187 in Bogata. Thursday at 7:00 is "42" night, and every Saturday at 1:30 is Bingo playing time.

A Senior Citizen's Bazaar will be held Saturday, November 6, at Elderberry Center, in Clarksville. 9 a.m.-2 p.m.

Bogata PTO will sponsor its annual Harvest Festival Saturday, October 30th. 11:00 a.m.-2:00 p.m.

The Sugar Hill community will hold a Carnival with Witches Brew (stew), bingo, spook house and other games beginning at 4 p.m. on October 30. Everyone is invited to come out and enjoy the evening.

Talco Kiwanis Meeting To Work On Spook House

The Talco Kiwanis Club is sponsoring the Spook House at the Harvest Festival at Talco School Saturday, October 23. All Kiwanis members and interested people who would like to help are asked to come to the school on Thursday, October 21st at 5:00 p.m. to begin working on the project.

Area receives Over 11 Inches Of Rain.

Our pools overflowed, our ground no longer cracketh, our dirt roads are muddy! The rains came down...and down...and down.

After a number of good rains over the past few weeks it settled in to serious water distribution.

From 7 p.m. Monday night, Oct. 18 until Wednesday morning at 7:30 a.m. 11.15 inches of rain fell, according to official weather recording records. This amount will vary slightly from town to town.

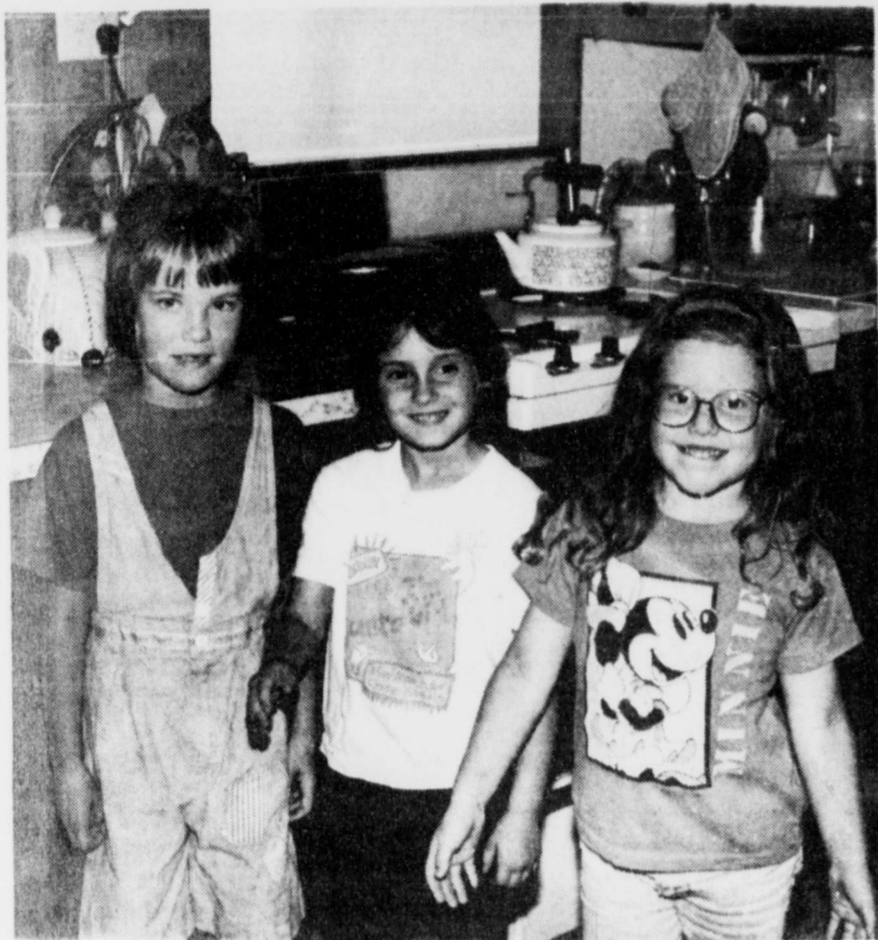

Some roads were closed due to high water, and area ranchers no longer have to worry about livestock bogging down at ponds.

The rains came, and, at last weather report, aren't quite finished yet.

I.L. (Lawson) Hearron will celebrate his 90th birthday this month. A party in his honor will be on Saturday, October 23 in the Fellowship Hall of the

Talco Assembly of God Church from 2:00 until 5:00 p.m. All friends and acquaintances are invited to attend (Staff Photo by Nancy Brown)

CLOVER KIDS-Kristi Smith, Rae Ervin, and Dori Somerville are the featured cooks in this week's cooking column. (Photo by Judy Screws)

Country Cooking

By Judy Screws

This week we are continuing with our Mid-Way 4-H kids. Last week we did the Juniors, and now we have the Clover Kids. The Clover kids who were at the Carpenter residence last week for photographs were Kristi Smith, Rae Ervin, and Dori Somerville. Ashlee Harvey was unable to be there, but we have a little information on her and a recipe. There were two Junior Kids, Leah Martin and Kali Harvey, who didn't make it for the picture, but have since given us their write ups and recipes so we'll be slipping those in as room permits.

Kristi Smith has been active in 4-H for 3 years as a Clover Kid. She is the daughter of Buck and Terri Smith and is in the 2nd Grade at Detroit Elementary. Kristi is an active member of the Detroit First Baptist Church and participates in the summer softball program. She enjoys her family and friends and collects postcards, stamps, and rabbits. The young lady enjoys the Clover projects but looks forward to becoming an older member so she can compete at County and District levels. Kristi gets a lot of encouragement from her sister, Heather. The recipe she is sharing with us is "Dirt".

Rae Ervin is a first grader at Detroit Elementary School. Her parents are Ricky and Amber Ervin. Rae enjoys swimming, riding horses, and roller skating. Her hobbies include reading and playing games with her little sister, Britney. Her favorite food is pizza and she has been a member of Mid-Way 4-H for 2 years. Rae's recipe will be a Casserole.

Dori Somerville is beginning her 2nd year in 4-H as a Clover Kid. Dori's projects are food and nutrition,

and the dress revue. Dori is a 1st grader at Detroit Elementary. She enjoys riding her bike and playing with sister, Lisa. Dori's recipe is Spider Web Cookies.

Ashlee Harvey is the daughter of Boyd Harvey and Roseann Caddell, and is a 2nd grader at Clarksville Elementary. Ashlee has been a Mid-Way 4-H member for 2 years. Her hobbies are reading and painting. She also enjoys swimming, riding horses and riding her bike, and her favorite food is pizza. Ashlee's recipe will be Super Kiss.

Leah Martin is a Junior whose picture we don't have but we can tell you about her and give you her recipe. She is 11 years old. She likes biking, and going to school and playing outside with her friends. Her favorite food is pizza and this is her 1st year in Mid-Way 4-H. Her recipe will be a Pecan Roll.

Kali Harvey is the other Junior who will be sharing her recipe and a little bit of info about herself so we can get to know her better. I wish we had a photo, but maybe next time around we'll get everybody. Kali is a 5th grader at Clarksville Elementary School. Her parents are Boyd Harvey and Roseann Caddell. Kali enjoys swimming, riding her bike, and spending time with her friends. He hobby is talking on the phone. Kali has been a 4-H member for 2 years at Mid-Way. Her favorite food is Pizza and the recipe she will be sharing with us is Caramel Roll.

Please note that I am spelling Mid-Way correctly this week.

I hope you enjoy the recipes and your week.

Obituaries

Mattie Rucker Dies

October 17

Mattie Mae Rucker, 85, died Sunday, October 17 in Deport Nursing Home.

Graveside services were held at 2 p.m. Tuesday, October 19 at Rosemount Cemetery in Commerce under the direction of Wood Funeral Home of Deport.

Mrs. Rucker was born November 10, 1909 in Summit, MS, a daughter of L.J. and Ida Hawkins Coney. She married Noel Rucker December 16, 1923. He died December 23, 1984. She lived in the Jordan community of Hunt County most of her life and was a member of England Grove Baptist Church there.

Surviving are a daughter, Dorothy Renfro; four grandchildren, Glenda Love of Paris, the Rev. Bobby Renfro of Roswell, NM, Larry Rayshell of Memphis, TN and Debra Chavoya of Rowlett; five great-grandchildren; a brother, Lowell Coney of Gainesville; and a sister, Mary Loven of Pittsburg.

Melba Pickens Dies

Services for Melba Dean Pickens were held Wednesday at 2:30 p.m. in Ft. Sam Houston National Cemetery.

She was the only daughter of Johnnie A. Dean and Clemmie Amanda Ellis Dean, descendants of pioneer families of Red River County, born April 18, 1926 near Detroit. She died October 4.

She married James W. Pickens, Jr. on September 10, 1946 in Las Vegas, Nevada.

Besides her husband, she is survived by her daughter, Deanna Pickens McCollum of Houston; brothers and families, James Dean of Bagwell and Edwin Dean of Paris; a brother, John Robert Dean was killed in the Korean Conflict in 1950; a sister and brother-in-law, Col. and Mrs. Howard D. Rant; aunts and uncles, Grace Ellis Huddleston of Paris, Lillie Dean Crawford of Leonard, Agnes Dean Brown of Atlanta, GA, Margaret Dean Drake of Lafayette, CA, Oliver Dean of Detroit; five nieces; six nephews; fourteen grandnieces and grandnephews; and a host of cousins.

In lieu of flowers, the family requests contributions be made to the Santa Rosa Hospice.

Card of Thanks

I want to take this opportunity to thank several students at the Prairieland High School for helping to unlock my car on Monday, October 11 after I had inadvertently locked the keys inside. I do appreciate your help very much.

Louise Preston

Card of Thanks

Thank you for the concern and love shown to me during my stay in the hospital.

God bless you,
Tana Guest

Fulbright News

By Betty Rodgers
652-6051

Mr. and Mrs. Noble Cross of Plainview visited Ethep Epps Cisco and also Mrs. Ballard Holley of Clarksville.

Betty Rodgers attended the gospel concert at First Baptist Church in Paris Saturday. Her daughter-in-law, Shelley Rodgers, was a member of the choir.

Melissa and Gilbert Arriaga were in Dallas over the weekend to visit his parents. His father is ill.

Mr. and Mrs. Randy Story of Show Low, AZ, Rhea Epps and Dalton and Loreen Epps had lunch with Ethel Epps.

Monte and Shelley Rodgers had supper Sunday night with Betty Rodgers.

Dickie King of Paris visited his mother, Jimmie King Saturday morning.

Mr. and Mrs. Randy Osburn and girls of Midlothian and his mother, Kay Osburn of Paris had lunch Saturday with Jimmy King and came back Sunday and attended church with her and had lunch there.

Jimmie King and Bro. and Mrs. Clark attended the Red River Valley Associational meeting at Clarksville Monday.

Anthony Burks of Ft. Worth, Venita Oldfield of Midway, Lavyn Cisco of Sulphur Springs, Geraldine Joslin of Garland visited Fay Gandy Saturday. Geraldine and Lavyn are daughters of Mr. and Mrs. Silas Gibbs of the Mt. Erie community. Anthony was here to research his ancestors, the Hollands and Ramond and Ruby French and daughter Dorothy.

Other visitors of Faye were Betty Rodgers, Lloyd Cavender, Gilbert Arriaga and Tony, Dan and Terry of the Metroplex. Marion Mitchell, James Wood, Betty Crook of Mt. Pleasant, Kathy Watson of Detroit.

Friends who have visited Seneca Cowan of Detroit in Baylor Hospital say he is doing fine and hopes to come home next week.

Brad and Rena Anderson, Lucy Lawson of Bogata brought goodies to Fay Gandy recently.

Celebrating birthdays in Fulbright are Lloyd Cavender and Mark Mitchell.

Last Tuesday, Pamela Varbouna, Sara Lee, Juanell Campbell, Judy Nutt ate at Lonesome Dove in Deport. Alby Gail Clark was unable to visit because of a sorority meeting.

A Casserole by Rae Ervin
2 lbs. ground beef
1 onion
1 pack noodles
1 can mushroom soup
1 can tomato paste
1 1/2 cup water
1 tsp each salt, pepper, chili powder
1 can whole kernel corn
1 small jar green olives
Cheese for top
There aren't any instructions but I'm just guessing that you brown the beef and drain it, saute' your peppers and onions. Cook noodles according to directions on package. Mix ingredients together with seasonings. Put in a large casserole dish. Bake for about 30 minutes in a 350 degree oven. Sprinkle grated cheese on top and bake for 10 more minutes. Slice green olives to use for a garnish on top. You could probably put the olives in the mixture before cooking if you'd rather.

Mini Cheesecakes by Regina Cherry
12 vanilla wafers
2-8 oz. packages cream cheese softened
1/2 cup sugar
1 tsp vanilla
2 eggs
Line muffin tin with foil liners. Place one vanilla wafer in each liner. Mix cream cheese, vanilla and sugar on medium speed until well blended.

Angel Food Toasties by Robbie Somerville
1 (6.85 oz) Pillsbury Lovin' Loaf Angel Food Cake Mix
1/2 cup water
1/2 cup chopped almonds
Heat oven to 350 degrees. Combine cake mix and water at low speed until moist. Beat 2 min. at high speed. Fold in almonds. Pour into ungreased 9 inch square pan. Bake at 350 deg. for 20-30 min. Turn pan upside down on rack, cool completely. Remove from pan. Cut into 1"x3" bars. Place 2 inches apart on ungreased cookie sheets with long cut side of bars down. Bake at 350 for additional 3-5 min. or until cut sides are toasted. Immediately remove from cookie sheets; cool completely. Store in loosely covered container. 24 bars. For thinner bars use 13X9 in pan

Spider Web Cookies by Dori Somerville
12 chocolate wafers
1/4 cup Pillsbury Vanilla Frosting Supreme
For each spider web cookie, pipe frosting on tip side of cookie in spiral pattern starting from center. Using toothpick and starting at center of cookie, draw lines outward through frosting 12 cookies. A resealable plastic sandwich bag is good to use for piping frosting on cookies.

Rebels Drop Game To Bulldogs 20-12

October 15, the Rivercrest Rebels traveled to Cooper to face the Cooper Bulldogs. Captains Juan Torres and Jody Ottinger chose to receive, after winning the coin toss. Bulldog Bruce Greene kicked off to the awaiting Rebels, who promptly returned the ball to their own 35 yard line. Unable to reach a first down despite an incomplete pass to #11 Matt Childres and a hand off to #22 Clay Pirtle, Elliott Pogue punted possession of the ball to the Bulldogs. A hand off to #22 Tory Neal gained 1st down yardage but no more than that, because of a team block by Matt Childres and Shannon Richeson. The next play resulted in a fumble recovery by Rivercrest. Two carries by Matt Childres and Joe Grissom failed before a Rivercrest time out, and two carries after by Joe Grissom and Juan Torres failed, but the next play resulted in a T.D. by Juan Torres. The

extra point was no good. The few remaining minutes were uneventful except for penalties which included face mask call against the Rebels and an illegal procedure call against the Bulldogs. At the end of the 1st quarter the Scoreboard read Rebels 6, Cooper 0.

The second quarter began with the Rebels 2nd down and 11 to go. After handoffs to backs Matt Childres and Juan Torres, Elliott Pogue punted the ball away to the Bulldogs. Bewildering the Bulldogs after only one play, # 11 intercepted a pass giving possession of the ball back to the Rebels. Once again Pogue was forced to punt. Unable to get 1st down yardage because of tackles by Rodney Humphrey, Joe Grissom, Matt Childres, and Clay Pirtle, the Bulldogs had to relinquish possession of the ball to the Rebels. Tee Green

was forced into a quarterback keeper, but a holding penalty against the Rebels blew that. The score at the end of the 1st half was Rebs 6, Bulldogs 0.

After the halftime break and play resumed, Matthew Moody, #65 for the Bulldogs ran in for a T.D. The field goal was good for one point. The ball changed possession rather quickly from then on. The Bulldogs scored yet another touchdown, but failed on the extra point. At the end of the 3rd quarter, the score was Rebels 6, Bulldogs 13.

The fourth quarter held another T.D. for the Bulldogs and 1 extra point. For a minute there the Rebs got a handle on it and ran in a T.D., but the extra point was not good, and they were not able to regain those lost points. The final score was Bulldogs 20, Rivercrest 12.

THE RIVERCREST varsityboys lost to a powerful Cooper Bulldog team last Friday, but played hard. (Staff Photo by Nancy Brown)

Rebel JV Takes Win From Cooper Bulldogs In Exciting Game

Rebel Junior Varsity took a big win over the Cooper Bulldogs last Thursday night.

They began the game kicking off to the Bulldogs. Clint Gage, Darryl Savage, Michael Deming and Shane Rector made it clear they were on the field to win.

After the first 4 downs the Rebels took the ball. Mitch Ellis, Chesley Baird and Darrell Savage moved into Bulldog Territory only to be held out of TD country.

Rebels Jason Giles and Todd Barker did a good job on the Rebel defense. The Rebs regained the ball only to be forced into the punt situation. The Bulldogs made the first score of the game with one minute 35 seconds left in the first quarter.

They added 2 points making it 8-0 Cooper.

In the final play of the 1st quarter Rebel fans felt officials were missing face mask calls. At the beginning of the second quarter Rebels Michael Deming and Chesley Baird gained yards to move the Rebels downfield. A pass from QB Carey Gable to

Alvin Savage put the Rebs on the board. Chesley Baird picked up the 2 point conversion to tie the score at 8-8.

With 8 minutes and 3 seconds left in the second quarter kicked off to the Bulldogs. Mitch Ellis, Todd Barker, Darrell Savage, Jason Giles, Shane Rector, Robert Hubbard and Michael Deming again made the Bulldogs aware of themselves. The dogs moved slowly downfield to score again with a TD + 2, making it 16-8 Cooper.

Following 4 downs the half time buzzer rang. Cooper opened the 3rd, kicking off to Rebel Receiver Alvin Savage. The fired-up Rebs moved swiftly downfield where Michael Deming carried the ball in for the TD. An incomplete pass to Chesley Baird ended two point hopes, with it 16-14 Cooper.

Darrell Savage kicked off to the Bulldogs who were again reminded the Rebels came to win by Baird, Jason Sears, Savage, Ellis, Hubbard, Barker and Deming.

Todd Barker recovered a Cooper fumble on the 17 yard line. Deming

and Baird again became Rebel powerhouse, moving the ball forward. Baird scored the TD with the two point conversion picked up by Alvin Savage, making it 22-16 Rebs.

The Bulldogs' next possession of the ball saw them score plus 2, tying it up at 22-22.

On the kickoff a Rebel fumble returned the ball to the Bulldogs. With 5 minutes 22 seconds left the Rebs regained the ball. A QB sneak by Carey Gable carries by Michael Deming and Gable on the sneak again scored for the Rebels. Baird picked up the 2 point conversion making it 30-22 Rebels. With three minutes and 35 seconds left on the clock Darrell Savage kicked off to the bulldogs who returned the ball to the 45 yard line. The Dogs battled through the Rebels defense to score with 42 seconds left on the clock! 28-30.

After a Cooper Timeout Michael Deming made the stop preventing the two point conversion! The Rebels covered the Bulldogs on-side kick and QB Gable simply covered the ball to kill the clock.

Rebel Junior High Loses To Bulldogs In Close Game

The Junior High Rebels lost to the Cooper Bulldogs 14-8 last Thursday night.

The young Rebels met Cooper at Rivercrest on Thursday, Oct. 14 at 5:30 p.m. Serving as captains were: Jody Nolen and Jody Gray.

They lost the toss and the Bulldogs elected to receive the ball.

On first and ten the Bulldogs began their drive downfield. Dustin Wolfe made key tackles, helping stop the Bulldogs drive.

A fumble by the bulldogs on the 15 yard line was recovered by Derrick Belcher on first and ten a Rebel fumble returned the ball to Cooper, who from the 11 scored.

An incomplete pass gave them no two point conversion leaving the score at 6-0 Cooper.

The Rebels controlled the ball into the end of the second quarter when the Bulldogs took possession. A loss

of yards and penalties forced the Bulldogs punt. Nathan Thomas signalled for a fair catch and was hit. The Bulldog penalty left the Rebels on the 18 yard line.

Michael Allen sprinted the ball in for a TD. Quarterback Jody Nolen picked up the two point conversion on a keeper, making it 8-6 Rebels.

In third quarter action Rebel Jason Freelen recovered an on-side kick. A Rebel fumble returned the ball to the bulldogs on the 3rd down. Rebel defensive players Jared Guest, Dustin Wolfe, Jody Gray and Derrick Belcher did a great job holding the Bulldogs back. A completed pass moved the Dogs to the 12 yard line. Jared Guest came through the line for a Quarterback sack. Michael Allen broke up the pass and Aaron Martin made a single tackle, holding the Bulldogs short.

The third quarter ended with the

Rebels in possession of the ball.

In the fourth quarter the Rebels had the ball and Jody Nolen with the bootleg gained yards and Nolen with a Quarterback Keeper picked up the first down. Rebel luck ran out though, on a fumble on the 47 yard line recovered by Cooper. John Ross did a good job for the Rebel defense together with Jared Guest who forced the Bulldogs to a 4th down and long.

The Bulldogs completed a pass that gained them a touchdown. They picked up the extra two points, making it 14-8 in favor of the Bulldogs. With one minute and 25 seconds left in the game Michael Allen received the ball, a reverse play and personal foul moved the Rebels down to the Cooper 47 yard line only to be lost to a fumble.

With 42 seconds left the Rebels burned their time out but could not regain the ball, leaving the final at 14-8, Cooper.

Talco-Bogata Board Of Trustees Meet After Tax Hearing

The Talco-Bogata CISD Board of Trustees met Monday night, October 18. A public hearing on the tax revenue and state revenue for the 1993-94 school year was held before the meeting.

In regular meeting a motion to approve Budget Amendment 001 was carried unanimously. The board approved the purchase presented by Johnny Gable, from the State Successful Award money. Motion carried unanimously.

Motion by Sandra Ingram, seconded by Eddy Brown to approve the Financial Report as presented was carried unanimously.

The financial report was approved as presented as were payment of bills, minutes of the previous meetings, cafeteria and tax reports.

Alvin (Scooter) Parish was nomi-

nated to the Red River Appraisal Board.

A unanimous decision to purchase a 53 passenger bus was made.

Superintendent Freddy Wade is to prepare a list of items to be auctioned off.

Motion by Ricky Franks, seconded by John Ward, to set \$1 as the 1993-94 M&O tax rate. Motion was carried.

Offenhaus & Company's bid for insurance for the 1993-94 school year was approved.

A discussion was held about the bleachers in Rivecrest gym and a special meeting was set for Monday, October 25th at 6:00 p.m. to discuss options with a contractor.

The roof on the Agriculture building was discussed and Superintendent Wade was asked to get several

quotes on cost of repairing the roof.

The board discussed the long range plan for the school. Mr. Wade presented information concerning the cost of moving buildings. The information concerning the repairs for Talco building was not complete.

The board studied the cafeteria cost analysis report. It was the consensus of the board to make necessary changes to get the cafeteria out of a deficit.

The principals presented information on their vending machines.

The board was presented an auditors report to study. The auditor will meet with the board at the November meeting.

Board went into executive session at 10:40 p.m. and reconvened at 11:10 p.m.

The board adjourned at 11:15 p.m.

GOSPEL CONCERT-The Voyagers will be performing at The

Ripley Memorial Baptist Church in Mt. Pleasant October 23.

Southern Gospel Concert To Be Presented

Tommy and Sharon Mayo's Liberty Gospel Outreach and the Ripley Memorial Baptist Church of Mt. Pleasant will present in concert one of America's finest Gospel groups, Homeland Recording artists on the Welcome Home label, the Voyagers, of Little Rock, Arkansas, Saturday night October 23 beginning at 7 p.m.

The Voyagers have traveled all across America and have shared the stage with some of the elite in gospel music such as the Cathedrals, Kingsmen, McGruders, and many others. Their music ministry is exciting and uplifting as their style ranges from the traditional, Southern Gospel as well as the light contemporary Christian music of today.

The Voyagers seek to bring glory and honor to the Lord Jesus Christ and they are very sensitive to the needs and desires of their listeners and fans everywhere. Their stage personality and testimony will bless your heart and uplift your spirit. Their current national release, "I'll Take

His Word", is being well received by gospel music lovers all across the country. Group members include Carl Holler, Michael Hodges, Steve Williams, and Kayla Morrison.

Also appearing will be the Wolfes, of Mt. Pleasant, bringing their own special ministry in song. They share testimony as to what God is doing in their lives and relate it to the music that they sing. Group members include husband and wife, John and Annita, and their two daughters Deedy Boyd and Denise Sanchez.

There will be no admission charge. However, a love offering will be taken and door prizes are to be given away during the intermission. So plan now not to miss the opportunity for a truly rewarding experience of worship in song through the singing of the Voyagers and The Wolfes. Tell and bring a friend. Everyone of all faiths is encouraged to attend. The church is located at 2760 North Jefferson Across I-30 2 miles on the right. For more information call 572-8241.

10-17: Sidney Trapp.

Plan Ahead For Mailings To Faraway Places

Local postmasters serving the four states of Arkansas, Oklahoma, Louisiana and Texas have a quick quiz for postal customers.

What's the connection between October 1 and Christmas? No, October 1 wasn't the date to start thinking about doing your holiday shopping.

If you're sending a gift by surface delivery, the least expensive way to someone in Australia, Africa or Southeast Asia, that's the date the parcel needed to be in the mail to assure delivery before the holiday.

The October 1 mail by date was the first of a number of deadlines or suggested mailing dates for packages and cards being sent to civilians and U.S. military personnel in foreign countries.

The earliest mail by date for military parcels is October 12 for those going by surface delivery to servicemen and women stationed in Europe, the Far East or Australia.

Other suggested surface mailing dates for military parcels range from mid-October through late November, depending upon the destination. For surface delivery of civilian parcels, the latest date is November 1, to Europe, the Caribbean and Central and South America.

The fastest choice is two-day express mail military service to most

APO and FPO addresses in Alaska, Hawaii, Iceland and the Caribbean. The same rates apply as for domestic express mail service. They start at \$9.95 for up to eight ounces; \$13.95 for up to two pounds and \$15.95 for three pounds, with a 70-pound weight limit.

In addition, regular express mail international service provides expedited delivery in 96 countries.

Postal customers have a choice of several other services that are between express mail and surface mail speed and cost. These include Parcel Airlift Mail-PAL parcels go by air to a gateway airport in the United States, then overseas by air on a space available basis Regular Parcel Post rates are charged, plus an air service fee ranging from 35 cents to \$1.40, based on weight.

SAM packages should be mailed by dates in early and mid-November Regular Parcel Post rates apply.

With Priority Mail, packages weighing from 12 ounces up to 70 pounds receive the same handling as first class mail to any APO or FPO address, suggested mail by dates for both priority mail and civilian International Air Parcel Post range from November 21 to December 9, depending upon the destination.

The most wasted day of all is that on which we have not laughed.

—Sébastien R.N. Chamfort

Barbi Schafer Honored At Shower

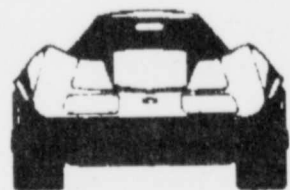

Barbi Rackliff Schaffer was honored with a pink and blue shower on Monday, October 11 at the home of Zoenetta Hawkins.

The table was decorated with Teddy Bears and balloons. Pastel

colors were carried out in decorations.

Guests were served cake, mints, nuts, strawberry water, coffee or coke. Sixteen guests attended. Barbi received many nice gifts.

October Is National Fire Prevention Month

The winds of winter carry one of the deadliest seasons for home fires. Woodstoves, fireplaces and alternative heaters are often necessary to fight the cold, but if not used properly they can become fire hazards. The increase of fires during the winter months is particularly ominous for the state of Texas, which ranks among the nation's top states in fire deaths.

The need for fire safety information is critical. Fire kills close to 5,500 people in the United States every year -- more than all other natural disasters combined. October has been deemed National Fire Prevention Month.

The United States Fire Administration (USFA) has issued the following recommendations to reduce the number of fire-related deaths this winter:

Alternative Heaters
Use space heaters in well-ventilated rooms.

Place heaters where they will not be knocked over easily and away from curtains, furniture and other items that burn.

Plug heaters directly into wall sockets, not into extension cords.

Unplug heaters when they are not being used.

Woodstoves and Fireplaces

Use seasoned wood and protective screens at all times.

Clean interiors, hearths and chimneys yearly.

Sleep Safety Practices
Never smoke in bed.

Use only electric blankets approved by testing labs.

Don't run cords under beds or trap against walls.

Safe Cooking Practices
Don't leave the stove unattended while cooking.

Keep clothing, curtains and other fabrics away from the stove.

Make sure the stove is off and all small appliances are unplugged before going to bed.

USFA also aims to reverse a trend toward a complacent attitude about smoke detectors. "Nearly 86% of homes in the United States have smoke detectors -- the problem is with people maintaining them," said USFA Assistant Administrator James Coyle. "It's tragic to see so many deaths occur in homes where firefighters are able to look right at the wall or ceiling and see the detector in plain view, only to open it and find the batteries missing or wires disconnected."

The best way to ensure the effectiveness of the detectors is to test the batteries monthly and change them at least twice a year. A working smoke detector doubles a person's chance of surviving a fire.

USFA has representatives available in the following areas of expertise:

- Home heating fires;
- Cooking fires;
- Wildland fires;
- Arson; and
- National and local fire death and injury statistics.

Five Texas firefighters were killed in the line of duty in 1992. They will be honored at the National Fallen Firefighter Memorial Service, on the grounds of the National Fire Academy, October 10, 1993 in Emmitsburg, MD. The firefighters are:

- Lupe Guerrero, Menard Volunteer Fire Dept.
- Rebecca Ann LeClaire, Brazos County Precinct #4
- Jeffrey G. Osmum, Crowley Fire Dept.
- Tommy A. Parker, Mineral Wells Fire Dept.
- Roberto Valdez, Laredo Fire Dept.

Jones Graduates From Basic Training

Air Force Airman David L. Jones has graduated from Air Force basic training in San Antonio.

During the six weeks of training, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Jones is the son of John R. and Karen W. Jones of Talco. Jones is a 1993 graduate of Rivercrest High School.

Airman David L. Jones

The Talco State Bank Enjoyed Conducting A Tour Of The Bank With Seventh Grade Career Skills Class from Talco School. They Salute These Young Leaders Of The Future

Talco State Bank President Rusty Jones lets Courtney Jones sit in his office chair as the Talco Junior High Career Skills Class toured the bank. Teacher of the class is Kelly Stansell. Bank employees answered questions and explained each bank employee's position and duties. Conducting the students were Jo Anschutz, Carla Jones, Gena Gage, Ginger Jones and Rusty Jones. Talco State Bank salutes these young students and their intelligence and enthusiasm.

PJC Drama Department To Present "Merchant Of Venice"

The Paris Junior College Drama Department, under the direction of Ray Karrer, will present Shakespeare's "The Merchant of Venice" on October 21, 22, and 23 at 7:30 p.m. in the Theater for the Performing Arts on the PJC campus.

Performances on each of the three nights will begin at 7:30 p.m. All seats are reserved and tickets can be purchased in Room 205 of the PJC Student Center between 8 a.m. and 5 p.m. weekdays, or by calling 784-9402. Student tickets are \$3.50 and adult tickets are \$5.

Those who are well acquainted with the history of "The Merchant of Venice" know that for more than two centuries after Shakespeare's death, the play was often used as an anti-semitic device in which Shylock was portrayed as a villainous infidel whose greed and machinations were fueled by his hate of all Christians and, therefore, deserving of the worst of fates.

"In 'The Merchant of Venice,' Shakespeare gives us some of his

most eloquent words. But, masterfully, he provides us with wonderful moments of comedic relief," said Ray Karrer, director of the production and speech and drama instructor at PJC.

Accompanying the larger plot are the subplots of Portia being wooed by various suitors, Lorenzo seeking the hand of Shylock's daughter, Jessica, and the clownish Launcelot Gobbo's relationship to all.

"Together, these elements have brought modern audiences back to the theater again and again to witness and enjoy this masterpiece of the stage," Karrer added.

Special matinee performances of the production for area high school students will be held on October 21 and 22 in the theater. Special ticket prices will be available for these student groups by calling 784-9242.

The play will be performed for Clarksville High School students on October 29, and plans are being made for a public performance in Clarksville; date and time to be announced later.

Texas Agricultural Extension Service Briefs

By Robert Burns

Too many Texas third graders do not have the most elementary understanding of natural resources and wildlife issues.

Sixty percent of students surveyed thought the white tail deer is an endangered species. The truth is there are 4 million white tailed deer in Texas alone. The species is far from endangered or even threatened. But a recent survey of 1,964 Texas third graders did not have a clear understanding of what "endangered" means.

A 4-H team hopes to assuage the typical third grader's lack of savvy of wildlife and environmental issues. Throughout this fall and next spring, plans to install computerized teaching modules in elementary schools across the state are part of an ongoing

4-H enrichment program. Using computer drive animated and still color photography, printed lesson plans and hands on displays, the module's design should make it easier for a teacher to incorporate the program into an elementary science curriculum.

The program is partially funded through an Extension Service grant. Other philanthropic institutions helped out with grants, including International Paper Company, the Dallas Ecological Foundation, the Texas Wildlife Association and the Texas Forestry Association.

The module is scheduled to be at one elementary school district per week in Bowie, Rusk, Msarion, Nacogdoches, Gregg, Kimble and Llano counties.

PJC Homecoming Planned For November 5-6

Two days of activities, sprinkled with special events and opportunities to renew old friendships, are scheduled for Paris Junior College's 1993 Homecoming on November 5-6.

The 1943 PJC graduating class will hold its reunion and its members will be recognized. A parade, awards luncheon, basketball games and lots of opportunities to visit old friends will give everyone attending something to do.

Quida Edmiaston Black of Temple, hostess for the 1943 graduating class reunion, said she and co-hosts Dr. Harold Hunt and Dr. Jack Troutt are looking forward to the homecoming weekend.

Kicking off Homecoming 1993 will be a tribute to Distinguished Alumni and President's Club members in the J. Emory Shaw Recital Hall of the Henry P. Mayer Music Building on Friday.

The annual Dragon Hall of Fame induction ceremony and reception will be held from 7-9 p.m. in the Harold Hunt Physical Education Center.

Closing out the Friday activities will be a bonfire to be held at 10:30 on the south campus.

Saturday will begin with a parade gathering at 9:30 a.m. in the Hunt Center parking lot and beginning its route to downtown Paris at 10 a.m.

Saturday evening begins at 6 p.m. with the Lady Dragons basketball team playing Carl Albert College in the Hunt Center. The PJC men's game follows. The crowning of Homecoming Queen will be held at half-time of the men's game.

A dance will be held in the Student Center following the game for students. The dance is sponsored by the African American Student Union and the Student Government Association.

Vernon Harville Surprised On Birthday

When Vernon Harville returned from Church Sunday he was met by a whole house full of family ready to help him celebrate his 76th birthday. Vernon and Wootie live in V. Thedford Homes so in order to surprise him, it was necessary to park cars at Thomas Park and on side streets so he would not know they were there. When the Harvilles arrived, lunch was prepared, and everyone was being quiet in their small apartment. Vernon is especially partial to the squirrels which play around the neighborhood, so the huge birthday cake was decorated with a squirrel and acorns.

Joining in the festivities other than the honoree and the hostess, his wife Wootie, were: Morris and Donna Harville, Duke, Denise, and Jerica Harville, of Henderson, Stan Harville, of Conroe, Bo and Neva Dell Harville, Jeff, Kelley, and Jake, of Bogata, Robin, Kyla Jo, and Jesse Harville, from Jothtown, Larry and Kristi Harville, of Lewisville, Brandi and Curtis Harville, of Mesquite, and Trey Johnson, from Ft. Worth. Brian Harville, of Jothtown, was unable to come for lunch, since he had to work, but after he got off work, he came and visited with his grandparents.

Upon Request, We Are Publishing This Story Again "Little Green Snake" Forever

This story is definitely worth sharing...and stealing. Well, not stealing exactly, since it was borrowed, from the Honey Grove Signal-Citizen, who borrowed it from the Pottsboro Press, who borrowed it from somewhere, etc., etc.

The original was credited to John Crawford, and here it goes.

It seems this customer was explaining why he was in the hospital. Said his wife had brought a bunch of pot plants and hanging baskets into the house to keep them from freezing, and it happened that a little green snake had hidden himself in one of those plants, and it got carried inside.

When the snake warmed up, it came slithering out of the plant pot and went under the sofa. The fellow's wife saw it and let out a great scream.

He happened to be taking a bath at the time, but he leaped out of the tub and ran naked to see what his wife was screaming about.

His wife told him a snake was under the sofa. So, he got down on the floor to look for it, and here came his dog and cold-nosed him from the rear.

He thought it was the snake and fainted.

His wife thought he'd had a heart attack and called an ambulance. The attendants rushed in and loaded him on the stretcher and started carrying him out.

About that time the snake came slithering from under the sofa, and the ambulance men saw it and dropped the stretcher and broke the fellow's leg, and that's why he was in the hospital.

Well, with her husband in the hospital with a broken leg, and a snake under her couch, the wife went next door to enlist the aid of a neighbor who had the reputation of an outdoorsman, having camped out with the Cub Scouts last summer.

His wife was at the grocery store, and he volunteered to corral the snake.

Armed with a rolled up newspaper, he took a few swishes under the couch and declared that the snake had vacated the premises.

"Thank goodness," declared the

woman, plopping down on the couch. As her hand dropped between the cushions, it brushed a small scaly skin, which she immediately realized was her snake.

Screaming, she fainted dead away on the couch as the snake slithered quickly back to the floor and underneath the couch.

Realizing that something needed to be done, the outdoorsman drew upon his meager first aid knowledge and remembered a demonstration of mouth-to-mouth resuscitation he'd seen.

So, he pushed the woman's head back into the proper position, and just as he started the first breath, in ran his wife, carrying a sackful of canned goods she had in her arms when she heard the scream.

Seeing her husband mouth-to-mouth with the neighbor woman on the couch, she immediately slammed the heavy sack of cans across the top of his head.

The crash and scattering cans brought the fainted woman up with a start.

When she saw the neighbor lying on the floor, and his wife bending over him, she was sure he was snake-bitten and ran to the kitchen for a bottle of medicinal whiskey which she started trying to pour down the poor fellow's throat.

His wife, beginning to regret hitting him with the sack, was subdued but did manage to wrestle the whiskey bottle away from the other woman, sloshing some on both of them in the process.

About that time, two policemen, summoned by a neighbor who had also heard the scream and crash, walked in. After a sniff of the whiskey aroma from the man and both women, the officers listened politely as the two women, talking at the same time, explained about how a snake caused it all.

The policemen left with the ambulance that took the still-unconscious husband and his sobbing wife away to the hospital, leaving the first woman with a very scared little green snake hidden far back under her couch.

Postal Service Adjusts Management Structure

In moves designed to strengthen day to day customer relations and future competitiveness, Postmaster General Marvin Runyon announced adjustments to his management structure. In the realignment, Runyon named five senior vice-presidents, noting that this newest executive title represents scope of responsibility and not a new reporting layer.

At the time of restructuring last year, the Postal Service had 24 officers and the adjustments announced bring the total to 25 officers.

Michael J. Riley is the new Chief

Financial Officer and senior vice-president, and William J. Henderson will be Chief Marketing Officer and senior vice-president. Henderson moves to his new duties from the position of Vice-President, Employee Relations. Mary S. Elcano, Samuel Green, Jr. and Peter J. Jacobson also will serve as senior vice-presidents. Elcano is the Postal Service's General Counsel.

The changes place more definition between the Marketing and Customer Service and Sales role in the organization. Marketing primarily will be product and business development, while the Customer Service and Sales function will focus on the day to day customer needs. In the field, the Sales staff will report to the Area Managers of Customer Services.

To recognize the contribution and value of the Controller position, Runyon upgraded it to the vice president level. M. Richard Porras will continue to serve in that position. One other vice-president position is establishing reporting to the Postmaster General, vice president, Legislative Affairs. The position will be filled in the near future and will have responsibility for working with the U.S. House of Representatives, the U.S. Senate and the Executive Branch.

Save Hot Water Cost Without Switching To Cold Showers

A water heater fueled by propane could save the average Texas family nearly \$200 a year compared to the cost of heating water electrically, while at the same time benefitting the environment and creating jobs in Texas.

That's the message of the Railroad Commission's new newspaper and radio advertising campaign that kicks off statewide this week. The campaign is part of the Commission's legislative mandate to educate Texans about propane's benefits as an environmentally beneficial alternative fuel.

Commission studies show the initial expense of installing a propane-fueled water heater is no higher than other types, but the return on investment is much faster. According to Chairman James E. (Jim) Nugent, fuel-cost savings recoup the initial purchase price in about two years. "That's about a 50% annual return on investment," Nugent said, "which is considerably more than you get at the bank." Assuming typical delivered costs of 82 cents per gallon for propane, savings over the ten-year life of the water heater could total more than \$2,000, Nugent added.

A major reason for propane's economy is its efficiency compared to other methods of energy production. More than two-thirds of the energy generated by oil- or coal-burning electric utility companies literally goes up in smoke, and is therefore lost at the source. Propane, a clean-burning primary fuel, is nearly 2 and 1/2 times as efficient, delivering 87% of its energy directly to the burner tip.

Propane is widely distributed and readily available throughout Texas. "More than a third of the nation's propane comes from Texas," noted Commissioner Mary Scott Nabers. "Texas has a state-wide propane production and distribution network in place, and the more people take advantage of propane as a domestic and commercial heating fuel, the more jobs that network creates." Nabers added that a new market worth \$65 million a year to the Texas economy would arise if the 60% to 70% of all propane-heated Texas households that heat water electrically switched over to propane.

Propane technology has also become more efficient in recent years. Today's propane water heater uses one third less fuel than heaters manufactured as recently as five years ago, which contributes to the fuel's economy. Advanced burner design, energy-saving temperature controls

and better insulation make the most of every gallon of fuel.

Texas' environment also benefits from using propane to heat water, according to Commissioner Barry Williamson. "Air pollution concerns all Texans, in both urban and rural areas," Williamson said. "Gallon for gallon," Williamson added, "it takes nearly three times as much fuel, generating nearly three times as much ozone-depleting greenhouse gas, to heat water electrically as it does to heat it directly with propane."

Quick recovery is a primary benefit of propane water heaters. Anyone who has ever run out of hot water in the middle of a shower, especially in cold weather, will appreciate the prospect of having plenty of hot water on tap. In a comparison of the first-hour recovery rates of typical 40-gallon water heaters, the propane model provided nearly twice as much hot water over the same period of time as a comparable electric model.

As part of the Commission's latest educational consumer campaign, look for newspaper ads touting "Pay less per fill up" in 386 weekly newspapers across the state and statewide radio commercials illustrating the economic and environmental benefits of propane water heating.

For more information, call the Texas Railroad Commission's Alternative Fuels Division at 1-800-64-CLEAR.
