These little items are called "locals" or "Local News" and they are the heart and soul of a community weekly newspaper.

Very often, people don't call in their news items about visitors for a meal, or just a porchsitting evening spent with good friends because they feel these things are not "important" enough to put in the paper. At times some people are even a little embarassed when they call and want to put in something.

So, let me try to explain about "locals". While we report events and major happenings in the community, locals are just as important. Not only to us, but to many others. Each of our five papers have numerous subscribers and readers....and many of those readers find that reading about their friends and neighbors keeps them in touch with

the life going on around them. For the elderly, reading about people they know, or the children and grandchildren they know offers them the chance to keep up with life in their home town...or what was their home town. Often they can no longer be out and about as they once were, and these locals are very important to them.

For the hundreds and hundreds of readers that live away from here locals keep them aware of old friends, relatives and acquaintances. They write to tell us over and over that the paper is their "Letter From Home".

For young families visits to grandma and grandpa, aunts and uncles or just friends are carefully clipped out and pasted in scrapbooks.

It is amazing how many homesick young people in the military or on a job far way from home subscribe to their home town pa-

In short, your local news is important to so many people.

Please, take the few minutes it takes to call in your locals to the correspondent for your area, or to call it direct to your local paper office, or even mail it to us.

Unlike daily papers we welcome small news items, engagements, weddings, births, unusual stories, pictures....whatever you have! And, we don't charge for them, either. Please help this paper to provide that much needed touch of home and community most of us need. There will be many people who will appreciate your efforts.

Dr. and Mrs. Nada Srikumar Are Welcomed To Bogata Area

bors, Dr. and Mrs. Nada Srikumar, who have moved into the Ward house at 315 North Main Street, Bogata.

Dr. Nada, as he prefers to be caled, will practice medicine here, at the Bogata Medical Clinic on N. Howison Street, and is phasing in under the guidance of Dr. Brooks.

Dr. Nada, who was born in the island nation of Sri Lanka, we used to call it Ceylon, has just completed an intensive three year residence at the Woodhall Medical Center in New York, qualifying him as a specialist in internal medicine. He took his M.D. degree at the University of Colombo in 1990. Like Dr. Broks, who learned of his record and invited him to come here, Dr. Nada will be associated with Red River General Hospital.

Mrs. Nada, whose friends call her Dashina, grew up in a suburb of Boston, and like her husband is of Sri Lankan ancestry. She recently graduated from California State University

"For the present," she says, "I want to become better acquainted with the Bogata community and with my husband." The Nadas were married earlier this year.

After finishing residency at Woodhall, Dr. Nada could have chosen to practice in a big city environment or in Sri Lanka, but they decided they might prefer life ina small town. "People here have been wonderfully welcoming and kind to us," say both the Nadas

They will be in Bogata for at least two years. We hope they will like our town so well they'll become our neighbors for life.

Midge Foley is our featured cook this week. She is married to Tom Foley, who is the pastor of First Presbyterian Church of Deport. Midge is one of our fellow employee's at the paper and a sweeter and kinder person you will never find. She always has a smile on her face for everyone and a kind word. We have recently learned that they will be leaving after the first of the year to Atlanta, Georgia area. Supposedly, these two are going into retirement. This is hard to believe, as they are like the "Energizer Bunny", they keep going and going and going!

Midge's recipes this week are for diabetic dishes. Tom has just recently been diagnosed as a diabetic 2(a 2 does not require insulin) and

The Rivercrest Rebel Junior High Squad overwhelmed the Prairiland Patriot Junior High last Thursday 22 to 8. The young rebels take on the Cooper Bulldogs Thursday night at Rivercrest. (Staff Photo)

Rebel JV Defeats Patriots 8-2

The Jr. Varsity Rebels were able to get back on the winning track Thursday night against the Prairiland Patriots, with a final score of 8 to 2.

The Rebel offense kept the Pat defense on their toes by using both the air and ground attack. Clint Gage was able to put the Rebel TD on the board and Nolen the extra two.

For most of the contest it was a defensive battle. The field was well worn after the first games and the ball was hard to control.

The Patriots' only score came from a Rebel safety.

TheRebels continued to pound on the Pats, and Rebel fans went their feet when Justin Smith went racing into the end zone for what should have been an extra six. The TD was called back because of an illegal block, and the clock took away any chances for the Rebs to score again.

Despite the threat of rain, the Rebel fans enjoyed a great night of

Prairiland Jr. High Falls To Rebels

for another win and were able to defeat the Patriots 22-8.

Chad Holland and John Ross were able to return to the Reb lineup and, with the rest of the team, went to work early on the Pats. The first quarter found the Rebs in control and on top 8-0. On a John Ross TD run and extra two made by Will Nowey, the Rebs were up by 16 in the first half of the game.

The second half was no different

The 8th Grade Rebels were eager than the first, for the Rebels were in control until the final horn. Bobby McLeod was able to put the finishing touches to the Rebel score. The Rebs were up by 22.

The only score for the Pats came with a Reb mistake, giving them safety and then on a TD run.

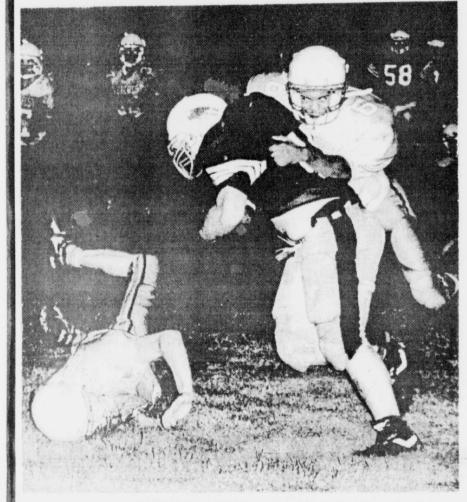

The Rebel defense was helped by key plays made by Jeremy Jones, Will Nowey, Chad Holland, Kevin Williams and Jerry Cruz.

Rebel 7th Graders ose to Prairiland

The 7th grade Rebels took to a muddy field against the Prairiland Patriots Thursday afternoon. The young Reb offense kept control of the ball the entire first quarter. They were able to score on a run made by quarterback Cody Wolfe. The extra point failed but the Rebs were on top

The second quarter found the Rebels still in control of the ball, but a Rebel pass was intercepted to give the Pats their first possession. Before time ran out in the quarter, the Pats were able to go ahead with a TD and a two-point conversion.

The second half of the contest was to be the downfall of the young Rebs,

with the Pats putting another 8 on the

The Rebels tried on several occasions to put the ball into the end zone, but with the wet field conditions, the ball was hard to hang on to.

The final score was to find the Rebs taking the loss 6 to 16.

The Rebel offense, led by Cody Wolfe, J. C. King, and Paul Billingsley, worked hard for the Rebs as well as the offensive line.

The Rebel defense, led by Bryan Cannon, Mitch Jean, Josh Jones, Ryan Case and Paul Billingsley, made many key plays.

The Rebs will meet the Chisum Mustangs on Thursday afternoon.

Talco-Bogata First Graders Take Field Trip

The first grade classes of Talco and Bogata recently visited the Southwest Dairy Museum in Sulphur Springs. They watched a video of The Milk Cow, and heard a skeleton on wheels tell about the importance of calcium in the diet to make healthy bones. They watched an antique cream separator take the cream out of the milk, then participated in making butter.

Due to rainy weather, Mrs. Martha Hare arranged lunchtime inside the bays of Fire Station # 1. The firemen were very glad to share their building

18 INCHES

and to give the group a surprise tour of the fire station as well as a film of Smoky the Bear Fire Safetey. They demonstrated their equipment and gear and blew their sirens and flashed their lights too. Mrs. Hare then provided ice cream for all to complete their trip. Teachers, Mrs. Ross, Mrs. Hudson and Mrs. Moles, and Principal Bill Mabry enjoyed the opportunity to let students experience study outside the classroom for their farm unit and fire prevention week.

This is an open letter to Parents, Teachers, and Administrators which was received by Pam Hinson, Manager of the Bogata School Cafeteria, and which she wants to share. Anyone with questions should contact Mrs. Hinson-Parents, Teachers, and Administrators:Studies have proven that good nutrition is critical to student achievement. That is why it is important for school meal programs to be available to all students to provide quality, nutritious meals at a reasonable cost.

The menus are prepared in accordance with federal guidelines. A USDA approved lunch provides and average one third of the recommended dietary allowances while the breakfast programs provide approximately one fourth of the day's nutritional requirements.

Theschool meals, including those adults purchase, are prepared and served as non profit items. Federal funds are received for every student meal served. The amount of reimbursement paid per meal depends on the economic need of the student. Students may receive meals free, at a reduced price, or at a price that is less than the cost of the preparations of the meals. Adult meals are not subsidized. The price for these meals must be based on the actual cost of the meal produced. This is why the cost of a meal is slightly higher for adults. Federal regulations prohibit program funds from being used to lower the price for adult meals

Portion sizes are also mandated by the federal government. Alults are often served food in the same quantities as specified for middle and high school students. Since the school meals are designed for students, meals and food items are planned to meet their needs and preferences. Teenagers require nutrients for growth and for maintenance of body size and functions, while adults need nutrition for maintenance.

Meals are planned and food items purchased well in advance. If classes or entire grades are scheduled to take field trips, please contact the foodservice department so preparation adjustments can be made.

Some schools use a system called offer vs. serve. In this system, federal regulations state that a child may choose as few as three of the five items served. It is good to teach students to make healthy choices like lowfat milk or broccoli, but teachers cannot make the choice for the child.

Please contact the Child Nutrition Program for additional information. Pam Hinson,

Brown) Lunch Room Manager.

A Proclamation By Bogata Mayor

Whereas, the need for efficient, cost effective health care is of primary importance to all citizens of our community, and

Whereas, prescription and non prescription medication is recognized as a vital element in effective health care, and

Whereas, nearly two billion prescriptions are dispensed annually with one of

three Americans receiving no information about these medicines before they take them, and

Whoreas, due primarily to a lack of information on the part of patients

Whereas, due primarily to a lack of information on the part of patients, approximately one half of all prescriptions are used incorrectly, contributing to prolonged illness, avoidable side effects, unnecessary hospitalizations, and even death, and

Whereas, the local pharmacists of our community are the recognized professionals who specialize in the proper use of medications, and

Whereas these professionals are dedicated to increasing communication about prescription medicines thereby improving the health of all Texans, including those in the city of Bogata, Texas,

Now, therefore, I, Mildred F. Eudy, Mayor of the city of Bogata, Texas do hereby proclaim the week of October 23-29, 1994 as Texas Pharmacy Week in Bogata, Texas, and call upon all citizens of our community to observe this important week by conferring with their pharmacist concerning the proper use of all medicines prescribed to them.

In Witness Thereof, 1 cause the Official Seal of the City of Bogata to be affixed this 24th day of October , 1994.

Bogata Elemetary Second GradeStudents Study Spiders

Second grade students in Sandra Eight legs are on a spider. Stockton's and Stacy Spencer's classes have completed a unit about spiders. After learning many interesting facts about spiders, the children created three dimensional spiders. They also wrote spider acrostics to demonstrate their knowledge of spiders. Here are a few samples of the children's work. by R.C.Pitts.

Ordering Stamps Is Easy

Too busy to go to the post office? Just pick up your phone and order stamps through the Easy Stamp Pro-

You can call your local post office to order stamps and have them delivered to your home or business the next day.

Ordering by phone is a convenient way to buy stamps. That's why the program is called Easy Stamp.

Easy Stamp is ideal for people who want to stock up on stamps in larger quantities. For example, stamps may be ordered in sheets and rolls, post cards in packs of 100, and stamped envelopes in packs of 100

There is a handling charge depending on the amount of the order: \$3 for orders up to \$85; \$4.50 for orders from \$85.01 to \$150; and \$7 for orders from \$150.01 to \$250. Handling charges for larger orders vary depending on the amount of the

The popular American flag and LOVE stamps are available through this program, and during the holiday season, you can order the traditional and contemporary Christmas stamps.

For more information, call the Easy Stamp toll-free phone number 1-800-STAMP-24 or call or visit your local post office.
