As Christmas Carols and songs fill the air, most of us have heard the "Twelve Days of Christmas". This is an English song, back when the twelve days of Christmas meant a gift given each day to a loved one.

Well, it's been something of a joke around the office that we should do an East Texas version of the song and start out with "On the first day of Christmas my true love gave to me a possum in a pear tree".

A friend pointed out that it should be "A possum in a PECAN tree", so that's how our version will begin.

Here goes!

On the first day of Christmas my true love gave to me a possum in a pecan tree.

On the second day of Christmas my true love gave to me two quail a' flying, and a possum in a pecan tree.

On the third day of Christmas my true love sent to me, three armadillos, two quail a' flying and a possum in a pecan tree.

Beginning to get the picture? Here's the rest of the list, without the recap back to the possum each verse:

Four Skunks a spraying
Five Oil Wells gushing
Six Cowgirls dancing
Seven Cowboys Roping
Eight Pickup Trucks
Nine Country pickers
Ten boots a' scootin
Eleven gallons of chili
Twelve Buzzards circling
and, of course, that possum in a pecan tree!

It certainly isn't the first time that the song has ever been adapted to suit a particular locale, but we enjoyed sitting around a table and happily coming up with ideas.

We discarded some such as 10 hunters hunting, four farmers plowing, two tornadoes twisting, and several others, not because we felt them inappropriate but because we simply didn't have enough days to use them all on.

We briefly considered a "Redneck Twelve Days of Christmas" version that would feature things such as "two worn out washers", "six packs of beer" and a few other tasteless things...but decided that it wouldn't be appropriate.

We all had fun with the whole thing, though, and hope you will get a holiday smile out of our version of an old classic too!

DISCUSSION-Red River County Sheriff Bob Edrington (left) discussed strategy with Lamar County Sheriff B.J. McCoy (right, front) and Lamar County Investigator Joe Tuttle Monday afternoon at the Red River County Command Post. Law enforcement officials have had a massive manhunt in progress since last Friday morning when a masked robber broke into the home of Ed Ellis and stole a number of things, including a Chevrolet Suburban. The vehicle was found abandoned shortly after the robbery occurred, and the search has concentrated in north west Red River County. (Staff Photo by Thomas Nichols)

Program For Medicaid Children Approved By Talco-Bogata C.I.S.D.

The Board of Trustees of the Talco-Bogata Cisd met for their regular monthly meeting on Tuesday, December 6. President Eddy Brtown opened the meeting at 7:00 p.m.

The Board approved all items on the consensus agenda which included minutes of the previous meeting, financial reports, cafeteria report, tax report and payment of the bills for November.

Representatives from the Red River County Health Department and Texas Department of Health presented an Early and Periodic Screening, Diagnosis and Treatment Program for all Medicaid eligible children. The program will provide a medical history, physical exams, assessment of nutritional, developmental and mental health needs, lab tests, immunizations, vision and hearing screens and referrals to other health care providers, including dentists, as needed. This is a federally funded program without cost to the district or eligible students.

The Board discussed and approved the state mileage reimbursement rate for employees. The rate increased from 20 cents per mile to 28 cents per mile or employees that use their own vehicle on behalf of the school district.

Don't forget...time is running out for renewing your newspaper at the \$2 off regular rate! The sale will end December 31st, so don't delay.

Due to extremely hefty second class mail rate increases, an increase in our subscription rates was necessary in October. It was the first rate increase

in almost four years. At \$15 per year in Lamar, Red River or Titus Counties and \$18 everywhere else the price for a whole year's subscription is still more than reasonable.

After the sale is over the regular price will go back into effect...so take advantage of the sale now!

THE FAMILY THAT COOKS TOGETHER-Cooks for the week are Johnny, Fran, Johnny and Jenna Patterson of Cunningham. They are a family on the go and everyone pitches in to help. (Staff Photo)

When you see this lady, you think pink! Mary Kay pink that is! She just became the proud owner of a brand new 1995 Grand Prix, courtesy of Mary Kay Cosmetics and a lot of long, hard hours selling and recruiting members. We are talking about Fran Patterson of Cunningham. When I first talked to Fran about this column, she told me that Johnny was really the cook of the house. Because without him, she just couldn't make it. Oh, and did I forget to mention two little people that live with them, by the names of Johnny and Jenna, their daughters. All three of them help her in many ways around the house and in her Mary Kay business.

Fran has been employed with the Prairiland USD for 12-1/2 years and has taught as a coach and English teacher. She is currently the counselor for the Deport campus and has been involved with Mary Kay Cosmetics for 16 months. Johnny works for the USDA as a field specialist. He also farms and ranches and is a member of the PISD School Board. Johnna Shea is eight years old and is in the second grade at Deport and Jenna Rhea is four years old. Fran is the daughter of Pete and L'Wanda McKnight of Cunningham and they farm and ranch and L'Wanda is a beautician and has even been recruited by Fran herself to sell

Mary Kay. They are all members of the Life Tabernacle Church in Cunningham. Fran began her career with Mary Kay in June of 1993 for the single purpose of getting her products at cost. Little did she know what her future had in store for her. She attended a seminar in Dallas and after that, there was no stopping her. She recruited 14 more ladies and was on her way to the keys to the new car! She enjoys the recognition the organization brings to it's members and has set up goals that she knows that she can reach. With the help of Johnny and the girls, she knows that they are within her grasp.

I intended this article to be about some quick dishes, because this family is always on the go. As we talked, Fran let me know right away that Johnny is her mainstay and she depends on him and the girls to keep her on her toes! Fran has given us her recipe for her Chocolate Sheet Cake that they enjoy and can carry to family events and many different things. She has also included a Corn Casserole she makes that sound delicious and quick.

The girls added their Dirt Cake, complete with Gummy Worms! Johnny sent his Picante Sauce Recipe along with his Homemade Chili, Cherry Delight Salad and Easy Pumpkin Log.

Basketball Set For Friday And Saturday At Rivercrest

by Coach Wake Wood

I hope we have good crowds Friday and Saturday nights! I can promise you that you will see some great basketball games. Please make a note of the following schedule, and come on out to Rivercrest High School Friday and Saturday to support our young men.

Friday's Games- Ninth grade boys play Pleasant Grove at 3:00 p.m.; JV boys play Pleasant Grove at 4:30

p.m.; Paris High Varsity boys Vs Pleasant Grove at 6:00 p.m.; and Rivercrest Varsity Boys play Arkansas High at 7:30.

Saturday's schedule has Rivercrest JV playing Arkansas High JV at 4:30 p.m.; Paris High plays Arkansas High Varsity boys 6:00 P.M.; and Rivercrest playing Pleasant Grove at 7:30 p.m.

Rebels Win Their Second Tournament

The Rivercrest Rebels participated in the Prairiland Tournament this past week end and brought home another 1st place trophy. This was the second year in a row for the Rebels to win the Prairiland Tourney. The Rebels are 6-0 in tournament play this season.

Game # 1 Rivercrest 66-Pittsburg -64. The Rebels trailed most of this game, but pulled the victory out in the closing seconds of play. The Rebels led after the first quarter 24-23. The Rebels went cold the second quarter and trailed at the half 40-37. Pittsburg led by as much as 10 points during the third quarter, but the Rebels held to within 7 points starting the last quarter. The Rebels hung close and kept the pressure on Pittsburg. Pittsburg had been fouling throughout the game, hoping Rivercrest would miss their free throws. Their game began to fold as Pittsburg lost 5 player to fouls the last quarter. Rivercrest outscored Pittsburg 16-9 the last quarter to win. The Rebels shot 52 free shot during the game and made only 31. The Rebs poor free throw shooting throughout the game let Pittsburg control the game. However, the Rebels made 7 free throws in a row during the last quarter to go ahead for good. Things really got exciting the last 30 seconds as the Rebels Leading by 2 after a three pointer by Alvin Savage stole the in bounds pass. Erric Waller made a lay up with 20 seconds left to give the Rebels a 4 point lead, and d free throw opportunity. However, unbelievably, Waller had been called for charging, therefore Pittsburg got the ball out of bounds. The Rebels pressed Pittsburg and forced them into a bad shot and the ball was the Rebels' out of bounds with 4 seconds left. The Rebels then

had a turnover and it was Pittsburg's ball again. Pittsburg was unable to score as Kyle Kennedy got the final rebound of the game to ice the win for the Rebs.

Game # 2- Rivercrest 74-North Lamar 59. During the second game of the Prairiland tournament the Rebels Jumped out to a 24-20 first quarter lead and were never challenged by the North Lamar JV team. The win by Rivercrest put them in the finals Saturday night against the host Prairiland Patriots, who handily had defeated North Lamar and Pittsburg.

Game # 3-Rivercrest 70- Prairiland 47. What was expected to be a very close contest turned out to just be another 20 point win for the Rebelover district 18AA foe Prairiland. The Rebels got going early with a 20-12 first quarter lead as Jeff Savage led the charge with 10 first quarter points. The Rebels led at the half 37-23. The Patriots made several mini runs at the Rebels, but some Rebel would step up and hit a big shot or make a key steal, or get a big rebound. The victory was a complete team victory for the Rebels. The win raised their season record to 9-2.

Coach Wake Wood had this to say about the game and the season thus far, "I'm very proud of our young Rebel team and what they have accomplished so far. We are having a great team effort with very unselfish play by our guards. Jeff Savage has just been a complete player for us. Jeff is scoring, rebounding, and leading our fast break. Kyle Kennedy after missing last year with back surgery is beginning to assert himself as a strong rebounder. Kyle really battles the boards and is a fierce competitor.

Eric Waller's quickness at post has really made it tough for our opponents to match up with us. Jack Brown had a great finals game against Prairiland. Jack really gave us the lift we needed. He had 23 points and three big offensive rebounds. This was by far Jack's best game as a starter for the Rebels. Andy Speir had a great free throw shooting game against Pittsburg as he was 9 of 10 from the free throw line. This really made a difference the last quarter. Our first two substitutes, Alvin Savage and A.J. Lee have been doing a great job and each of these young men are multiple offensive players and this really helps. A.J. and Alvin really fit in good. Both of these players are as good as our starters. They may start from time to time. I love having players like A.J. and Alvin come off the bench. Chris Waller with his defensive quickness is helping us. Steven Thomas continues to add spirit to our practices and is a very positive young man. Steven adds depth to our team at the forward position. Steven can play post when called on, also and this helps. Danny Lance is currently improving daily. I just wish Danny had been in our program the last few years. This is Danny's first year for basketball. He has really helped us in certain situations. Danny has come off the bench and rested Kyle and Eric Waller. I expect Danny to keep improving and contribute in district greatly in our district game in January and February."

The Rebels' next action will be this Friday and Saturday at Rivercrest Gym.

Rivercrest Freshman And JV Teams Compete At Sulphur Springs

The Rivercrest Rebel Freshman Team and JV Team participated in tournament play at Sulphur Springs December 8, 9, and 10.

On Thursday, the ninth grade team took the win over Sulphur Springs while the JV Team was defeated by nine points. On Friday they were also unsuccessful in that Day's action. The JV team also lost to Commerce putting them out of the tournament.

On Saturday the ninth grade team

returned to play for third place against Commerce. They lost a hard fought battle to the larger Commerce team, by only 5 points.

The ninth grade team will compete again at Rivercrest vs. Pleasant Grove December 16, at 3:00 p.m. The JV will also play that day at 4:30 p.m., and the Varsity will play Arkansas High at 7:30 p.m. Also playing at Rivercrest Friday at 6:00 p.m. will be the Paris High Varsity Boys.

JV Lady Rebels Travel To Sulphur Bluff

The Rivercrest Lady Rebel JV traveled to Sulphur Bluff to begin competition Tournament play. They met the Chisum Varsity Team and were defeated 68-37. High scoring honors went to Deidre Brown, followed by Norma Jasso and Jaime Swarts.

On Friday, Dec. 9, the team returned to play the Roxton Varsity Girls. A Nip and Tuck game saw the Lady Rebels take the win 44-40. High scoring honors went to Norma Jasso followed by Tosha Nickerson.

On Saturday the girls returned once again to play for consolation vs. Alba Golden Varsity. The score sawed as the young Lady Rebels would take the lead only to fall behind again. Amber Spencer had an outstanding defensive game for the team with 11 steals and rebounds. High scoring honors went to Jaime Swarts with 18 points followed by Sara Stanley and Norma Jasso with 9 points each. In the final minutes of the game the lady Rebel could not overcome the 2 point deficit. Final 49-51 Alba Golden.

Junior High Lady

Rebels Win One Lose One

The Talco Bogata Jr. High B Team Lady Rebels hosted Chisum Jr. High at Bogata, Monday December 12.

The little Lady Rebs posted 6 team fouls to Chisum's one team foul at the end of the first quarter and a score of 12-6, Chisum. By the half time bell the score stood 12-19, Chisum, and foul trouble was still eating away at the Little Ladies.

Third quarter action went all the Little Lady Mustangs way since the referees seemed to miss seeing all the fouls which couldn't be given to the Rebels. Before the final bell, Lady Rebel Tiffany Prentice, went to the bench with foul trouble and the team total was 23 fouls and 2 technicals. The technical fouls were called on out of bounds play. The final score was 42-19 Chisum. High scorers were Tiffany Prentice and Carolina Prado who tied with 6 points each. Also

scoring were Wendy Gentry, Michelle Lum, and Nicole Hervey.

Retaliation is what the Lady Rebel A Team brought to the floor, as the Little Lady Rebs jumped out to a score of 14-5 in the first quarter. At the half time buzzer the Lady Rebs held a 27-9 lead. They continued to keep the Little Lady Mustangs on uneven ground. Andrea Palmer came off the bench for the Lady Rebs to score 14 points. Taking high scoring honors was Candace Nickerson with 15 points. Also scoring were Katie Hare, who had 3 of 6 from the free throw line, which is a 50% night for her and free throws. Courtney Jones had one from 3 point land and 6 more points from other locations on the court. Erin Stansell, Kristin Kuhl and Joanie Swarts also added to the score. Final Score 53-17, Lady Rebels.

Faye Gandy and Miss Ruby Chandler are both doing well in the Bogata Nursing Home.

The annual Christmas party was held Monday night at the Center with 28 attending. Lots of fun, food, and gifts were exchanged. The children of the community, instructed by Kay Peek and Lisa Beaty, put on the Christmas program. Even Santa paid a visit. Lots of fellowship was enjoyed by everyone.

Dean Rodgers, sister-in-law of Betty Rodgers, died December 7 of a heart attack. Burial was in Hobbs, New Mexico, where she had lived for several years. She was the wife of the late William Rodgers who died December 7, 1967 at their home there. He grew up in Deport.

1995 PRESIDENT-June Stanley of Bogata has been elected to serve as the 1995 president of the East Texas Walking and Racking Horse Association.

June Stanley Is Elected Association President For 1995

East Texas Walking Racking Horse Association's newly elected 1995 president, June Stanley, graciously answers some questions as to how she arrived at her newly elected status. June was Vice President of the club in 1990 and ended the year as president. She was re-elected president in 1991, and was on the Board of Directors in 1992-1993, and again became vice president in 1994. Mrs. Stanley gave us a short history of her love of horses which got

her in the association in the first place. She said, "I have loved horses all my life, but my parents did not have any pasture, so I did not have a horse. Mack and Tommie Barton lived across the road from us, and Mack would let me ride or drive his plow horse, and Milton Forrester would let Dad borrow his horse once in a while for me to ride. I would get up early and go pick up Wanda Topping and we learned all the streets in Bogata, from the back of a horse. Who would ever have thought I would be raising and riding Tennessee Walkers. One of my first memories of Walkers was at a rodeo where there were two pretty white horses that presented the entertainment."

June continues, "I bought my first horse from Dorothy Benson, who promised me that if I would quit work, we would ride - I quit and Dorothy moved to Atlanta.

My husband, Carlton, purchased a quarter horse, but he didn't like riding with Dot and me. He said he just couldn't keep up with us so he found Traveler, our first Walker. By then, even though Dorothy lived in Atlanta, we still rode together quite a bit. We had decided that we wanted to have a Tennessee Walking Horse Ranch. We still have our dreams but mine have changed a lot.

The Tennessee Walking Horse is a wonderful animal to own. Their disposition and loving nature makes them a joy to work with. Their smooth ground covering running walk is a joy to ride. Their rocking chair canter for which they are famous, is a ride you won't forget.

Carlton and I enjoy riding our Walkers. We have six now. We both enjoy riding and attending playdays. We both compete in the show ring from time to time. He sure looks sharp in an English Riding Habit, although we both still favor western gear and compete in Western Pleasure, Country Pleasure, and Favorite gait. We also enjoy driving classes and versatility classes, Water Glass and Egg and Spoon being two of our favorites.

From Mack's plow horse and Milton's horse to my first horse, Dan, who was an American Saddle Horse, to the Tennessee Walker, represents a big change and a growing experience. One that I have enjoyed and of which my family has been very supportive.

We have made new friends and had many experiences, and the East Texas Walking Racking Horse As-

Keeping Healthy

Fear Dental Problems, Not Treatment

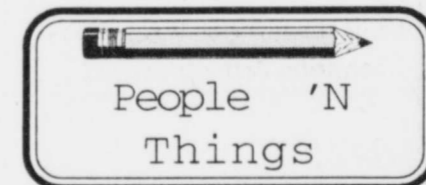

Dental anxiety stems from a variety of reasons. For some, it's bad childhood experience. Others may be influenced by family and friends who have poor attitudes toward dentists.

One way to treat dental anxiety is for the patient to realize that dental health is important. Simple dental problems that go untreated, such as cavities, can lead to bigger problems, such as periodontal (gum-related) disease.

Patients can also deal with their anxiety on an emotional level. Visiting a dentist's waiting room without an appointment can help anxious patients see others being treated pain-free without the pressure of having dental treatment themselves.

We appreciate Mrs. Stanley's sharing her experiences with us. We salute her for her perseverance and hard work, which is obviously what makes her the prime candidate to be president of such an organization.

Mrs. Elsie Weatherall will host a luncheon for the Calvary Baptist T.E.L. Class at noon Monday, Dec. 19. All members are invited to attend.

Nuts & Bolts
By Judy Screws

Last week as I watched the Christmas Parade through the office window, I was pleasantly surprised to see the Rivercrest Band march by, and to hear how strong the music sounded. It could have been that the band's marching down the street with buildings on both sides helped to contain the sound of the music, but it sounded great and the band also looked pretty "spiffy" as they marched by.

Years ago (Back in the olden days) when I went to school, it was the opinion of many people that big tough guys did sports and little fellers who couldn't play ball were in the band. This was a misconception that consequently caused many a talented youngster to miss out on the pleasure of learning to play musical instruments and sing in choirs. Unfortunately, this misconception still exists, to some extent, in many schools, but the lucky kids who are well

adjusted enough to be individuals and participate in athletics and be band members both, are involved in the best of both worlds.

Music is a whole world of its own, and can offer relaxation and pleasure to the participants as well as to the folks who listen to it. Athletes have many opportunities to go on to college on scholarships, and those who are in the athletic programs truly love it, or they couldn't stand the punishment to their bodies. But I think the thing that bothers me about those who don't think you can enjoy the best of both worlds, is the fact that they don't realize that everyone cannot be a high school football coach.

Music scholarships can be just as lucrative as athletic scholarships. Parents who have encouraged their children who wanted to play football and the Trombone are the parents of some very lucky children.

Happy Birthday to Coy Coker, Lillian and Pete Taylor.

Ruby Legate had an early Christmas with her family last week end in the home of her nephew, Mr. and Mrs. James Holcomb, in Kaufman. Those attending were Mr. and Mrs. Al Kelly, of Tawakoni, Mr. and Mrs. Eddie Holcomb, Louise Holcomb and a friend, from Dallas, Mr. and Mrs. Kenneth Wright, of Katy, Mrs. Carolyn Green and twin daughters, from Houston, Mr. and Mrs. Kennedy, of Kaufman, and the James Holcomb family had their children, Kyle, Carol, and Jamie, there.

Visiting in the home of Pete and Lillian Taylor Monday and Tuesday of last week was Lillian's sister, Betty Wise, of Cedar Creek Lake. The sisters spent two days of shopping and visiting. They visited their brother, Sam and Jo Sanders, of Paris. They shopped for furniture and had dinner at the Fish Fry.

Mr. and Mrs. Donald Screws and Tana had lunch at Papacita's in Paris, Saturday. Week end visitors in our home were Mr. and Mrs. Muri Roach, and Mike and Lila Screws, Bren Kara and Hali, all of Deport, Chris Anna Screws, Christopher, Jerred, and Jerry, of Paris. Bren, Kara, Hali, and Christopher spent the night Saturday night.

Bill and Judy Cody, of Paris, visited his mother, Ann Cody, Saturday and helped her celebrate her birth-

day.

The York sisters met Saturday, December 10, at the home of Mrs. Dixie Stringfellow for an early Christmas celebration. Other than Dixie, they are Lucille Childers, and Nadine Rhodes, of Johntown, Edna Earl Dodd, of Bogata, and Betty Puckett, of Denton. The highlight of the day was a surprise visit from Santa Claus with gifts for all. We appreciate Buddy Stringfellow's arranging Santa's visit, others stopping by during the day were Vicki and Dee Tabb, of Miro; Bill Puckett, of Denton, Grady Rhodes, of Johntown, and Beverly Siler of Genoa, Arkansas.

Ronnie Huddleston, of Lewisville visited with his parents, Ed and Loyce Huddleston this past week end. They all went to Shreveport to visit with Ronnie's son, Mike Huddleston and his wife Tina.

Mr. and Mrs. Bill Puckett of Denton spent Friday night with Mr. and Mrs. M.J. Dodd.

Jimmy Stringfellow of Paris visited Friday with his mother, Mrs. Dixie Stringfellow. Also visiting with Dixie were grandchildren, Danny and Dee Tabb, of Miro.

Coy and Dorothy Coker got their Christmas a little early. It was a 7 pound, 9 ounce great grandson, Michael Dillon Harris, who was born on December 13. The young man was born on Mr. Coy Coker's birth-

Bogata Lions Will Sell Fireworks

The Bogata Lions Club will once again sell fireworks to supplement their funds which are used almost weekly to help some individual or family in the Bogata area. It seems that needs have far outweighed the donations this year, and this will result in fewer people receiving help unless enough fireworks can be sold to fill the coffers.

On Monday, December 12, the Rivercrest Choir traveled to Talco to present a special program. Soloists were Randa Burns, Brandi Easterling, Chasity Grasty, Lindy Phillips, Misty Rodden, Emily Spencer, Jana Weatherall, and Myra Lefell.

At 11:00 a.m. the choir presented a program for the student body and Faculty at Rivercrest High School. Mr. Worthen introduced the 26 member choir group, and told the audience that Rivercrest has an abundance of talent.

Presenting the first solo was Lindy Phillips. The group sang "March of the Christmas Children." "Joyful, Joyful" was sung by the group with soloist Myra Lefell whose big voice amazed the audience. "Somewhere Out There" was the next selection with Soloists Misty Rodden, Brandi Easterling, and Jana Weatherall. "The Ukrainian Bell Carrier" was the next song by the group. Choir members

Chasity Grasty and Kelly King took a moment to explain what the music department meant to them. They explained how much hard work goes into a production.

The next selection was "My Funny Valentine" with soloists Randa Burns and Amy Green. The group sang "Holiday Wish" and "Do You Hear What I Hear?" and the final selection was "Hallelujah", directed by Marcus Davis, who plans to attend the Berkley School of Music in California upon graduation. Mr. Worthen recognized the production crew who adds a vital part to the programs. They are Jennifre Cantrell, Jiggs Connell, Eric Hall, Michael Noble, and John Worthen.

This reporter commends the choir and director on the program and the quality of work put forth by all involved. There is truly an abundance of talent at Rivercrest High School.
