The soft days are almost gone

We've about lost the special, soft days of springtime, but since it's nearly the middle of June I suppose we've had them about twice as long as usual! We can't complain about that. Don't you love them, though? You know what I mean by soft, mornings with golden mist and pink tones like some faded photograph, a gentle breeze to ruffle the hair and lighten the senses. Evenings with the scent of honeysuckle, magnolia, fresh mown hay or warm earth, just right for a cold glass of tea and some shade. The world takes on that old-world look, clouds tinted like some Rembrandt painting, grass a gorgeous green. And in between there is high noon...a noon without blazing heat, scorching winds that suck the air from the lungs, but instead feels good on the head. And the nights are glorious, star spangled, cool and delicious.

The royal purple of vetch, starlight white of clover festoons the land, along with a variety of wildflowers to please the palette.

The bluebonnets are gone, but there are still plenty of wildflowers to brighten the roadsides and fields.

Old barns and farmsteads have the look of paintings, framed by the eye's scope and worthy of a second glance.

Crops spring up, their green full and deep, glossy or velvet-fuzzy, depending upon the variety.

Gardens look, in this special, soft time, as if little ladies in sunbonnets should be working in them.

Bigger towns look like the postcards one finds of them, fountains and parks perfect, colors bright and cheerful.

It's about to change as summer actually begins in earnest. But it has been so lovely, and so long this year. I hope you've enjoyed it as much as I have.

## Letters To The Editor

To the editor:  
Attention Irresponsible dog owners of Bogata:

On Sunday, June 8, at 7:00 a.m. a pack of 8 dogs jumped a 4 foot fence and attacked Kevin Williams' and Ben Glass's show hogs and killed them. These show hogs cost \$300.00. Kevin fought the dogs with an ax handle, but the fight was unsuccessful. I have never seen anything like this. The dogs were acting wild and the beating Kevin gave them with the ax handle didn't even faze them. They kept on biting and chewing on the hogs. Three of these dogs turned on Kevin and attempted to attack him. I got a good look at all the dogs and can recognize them. I like animals and am a dog lover, but this proved to me what unattended dogs are capable of. We drove around Sunday morning trying to find the owners to these dogs. We found that some of these mean dogs live at homes where small children are. I recall a child being attacked by a dog not long ago in our town. I personally feel that some things would be worth a raise in taxes and we have a dog problem in Bogata. This letter is to advise all irresponsible dog owners that if these dogs are caught in our yard they will be terminated. Enough is enough. Because what will they attack next.

Doug and Kathy Sue Williams

COUNTRY COOKING-featured cooks this week are Pat Cox of Bogata and Charlene Miller of Detroit. (Staff Photo by Judy Screws)

### Country Cooking

By Judy Screws

Never in their wildest dreams did long time friends, Pat Cox of Bogata and Charlene Miller of Detroit, imagine the phenomenal success of their joint venture, Berry Patch Bakery, in Bogata. They wanted to try it, they made up their minds and just did it. They are so pleased that they did. They make cookies, cakes, candy, fried pies, rolls and a large assortment of other goodies. Some things are in stock, but many things must be made by special order.

Pat and husband, Eugene Cox, have 6 children; Franky Bush, Kelly Mauldin, Wyatt Bush, Angela Cox, David Bush and Lore Bush.

Her interests are oil painting, crafting, cooking, antiques and collecting recipes.

They are members of First Baptist Church in Bogata.

Charlene and husband, James Miller, have 5 children; Richard

Miller, Todd Miller, Kado Cato, Kara Hines and Bobby Miller. They have 2 grandchildren; Ashley Hines and Johnathon Miller.

Charlene enjoys crafting, antiques and hand work.

They are members of Martin Memorial Methodist Church of Detroit.

Charlene is sharing her 7 layer dip recipe with us.

Pat is sharing her tortilla soup recipe, which she says was developed by trial and error. She had eaten it in restaurants and could not find a suitable recipe so she developed her own. It has been published in the Country Extra Magazine and also their 6th edition cook book. It is easy to make and delicious. It can be served as an appetizer or a meal.

All of the recipes look delicious and we thank the girls for the interview.

Have a good week.

## Rebels do well in first week of summer league

Rivercrest began its first week of summer league play on June 2. The Rebel varsity team, consisting of Jody Nolen, Michael Allen, Brian Giles, Broderick Fulbright, Cortney Huddleston, Jody Gray, Ryan Giles, Josh Posey, Jason Freelen and Kyle Stansell will play in two different leagues. The first is the PJC league in Paris where the Rebels will play on Monday and Wednesday nights and the Northeast Texas Summer League played in area schools to the south of Rivercrest.

RC opened the PJC league with a loss to Clarksville by a score of 55-30. Point totals were not available.

On Tuesday, the Rebels traveled to Daingerfield to take on a good Pittsburg team. Rivercrest trailed by 10 with 2:00 minutes left in the game when Cortney Huddleston hit a 3-pointer, followed by two 3-pointers from Broderick Fulbright to bring the Rebels to within two points. With 11 seconds left in the game, Jody Nolen drove the lane, made the layup and was fouled. With the game tied, Pittsburg called time out to regroup. Nolen stepped to the line and sank his free throw to put the Rebels up by 1. Pittsburg drove the length of the court and put up a shot wide right of the basket. The Rebels rebounded and Brian Giles laid the ball in for two more at the buzzer. Scoring for the Rebels were Fulbright with 19, Huddleston with 7, B. Giles with 6, R. Giles with 5 and Nolen with 3.

On Wednesday, the Rebels traveled back to Paris to take on Prairiland.

The Rebels took the victory by a score of 60-48. Scoring for the Rebels were Brian Giles 13; Cortney Huddleston 9; Josh Posey 8; Broderick Fulbright and Kyle Stansell 6 each; Jody Gray, Jody Nolen, 4 each; Jason Freelen 3; and Ryan Giles, 1.

The Rebels traveled back to Daingerfield on Thursday to defeat the Paul Pewitt Brahmins by a score 56-50. Leading all scorers was Ryan Giles with 13. Kyle Stansell and Cortney Huddleston each had nine; Brian Giles had eight; Michael Allen had seven; Josh Posey had four and Jody Gray had two.

The Rebels have an overall summer record of 4-1 at the end of the first league play. The Rebel JV, consisting of Coleman Brown, Cody Wolfe, Paul Billingsley, bubba Abernathy, Jared White, Ryan Case, Chase Collins, Keith Hines, Michael Gallo-way, Myron Ellis, Clinton Cheatwood and Mitchell Jean, who suffered a broken leg before the league started. The JV will play in only one league this summer.

The Rebel JV lost on Tuesday night to the Pittsburg Pirate JV by a 36-28 score. The Rebels played good through three quarters and kept the game close, but weary legs at the end made the difference.

On Thursday, the JV defeated Paul Pewitt JV by a score of 51-13. The JV team played excellent team basketball and the results were pleasing. Players scores were unavailable after these games.

## Protect Your Bt Cotton Investment

With its built-in resistance to worms, Bt cotton has become one of the most exciting industry innovations since pyrethroids. But with growers being charged a \$32 technology fee

for every acre of Bt cotton planted, additional pest management tools have become a critically important way to protect the Bt investment.

Fill in the gaps in your Bt cotton insect control program by using a broad-spectrum pyrethroid, such as KARATE® insecticide. By mid-season, a wide variety of crop-damaging insects can destroy the bottom fruiting branches of the plant, which account for the most profitable yields. Bt cotton can handle the tobacco budworm on its own. It also suppresses the cotton bollworm. Therefore, that pest and others may escape its protection.

As for boll weevils and secondary pests, such as plant bugs, stinkbugs and fall armyworm, Bt cotton is as vulnerable as any other variety. In fact, Bt cotton may be more at risk since its control is aimed at budworm and bollworm.

Over time, resistance among worms to the *Bacillus thuringiensis* (Bt) toxin can develop. Uncontrolled secondary pests can significantly reduce yields and threaten profits. Karate can help you avoid Bt resistance by controlling any worms that come through the Bt cotton.

Karate comes from a class of insect control completely unlike the Bt toxin. It provides greater residual control than other pyrethroids and gives you the most performance for your dollar.

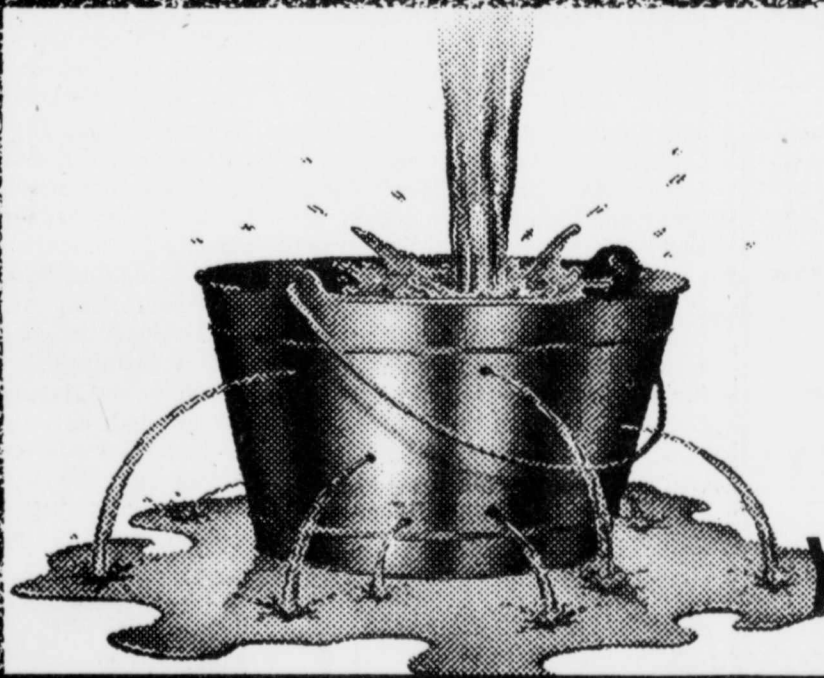

A summary of 18 evaluations from five different Zeneca field trials showed that Karate outperformed the competition by controlling nearly 99 percent of the worms after treatment.

Additionally, Karate shows greater ovicidal activity than any other insecticide, which means further reduction of insect populations. Also, the pest control Karate offers is so complete, tank mixing with other insecticides is often unnecessary.

The fewer pests your cotton crop has to battle, the more lint you'll put through the gin.

For more information about Karate from Zeneca Ag Products, contact your local ag chem dealer.
