Words Just Don't Do It

Crisp. Clear. Gorgeous. Fabulous. Nippy. Brisk. Chill. These are words that are being used a lot right now to describe our autumn weather.

But the words are inadequate, simply not good enough to describe the glories of weather we have been experiencing.

Our colors are beginning to shine, yellow and orange, reds and almost maroon, silver and green, brilliant and gorgeous.

The glimmer of sunshine through them makes them as deliciously opulent as stained glass.

They dance, they titter, they chatter and chatter as they fall from their summer homes to the ground.

If they are dying, they are doing so with true joy!

And the moods evoked by overhead flights of geese? What words could ever describe their melancholy beauty as that plaintive cry filters through crisps air down to those of us bound to the earth by mundane chains?

And the butterflies migrating across our landscape, regal Monarchs, brilliant little yellow sulphurs, striking Tiger Swallowtails or black and blue iridescent make a fluttering bouquet of color on the late fall flowers that are so lovely.

Oh, the wild goldenrod, the broomweed, the wild purple asters are swaying in the breeze and words just can't begin to tell what the eye sees.

Early morning or late evening is the best time for the light to create it's magic, but anytime is beautiful right now.

Load up and take a drive, be it for only a few miles, or be it for several days.

If you cannot take a drive, then sit outside for a little while and watch the play of light over the world.

Winter will be here soon, and all will be gray and dreary, but for now the world is quite beyond description...let your eye see what words just cannot say.

They're dying in the streets and they love it! Gunfighters die in front of witnesses...live to fight again

By Thomas Nichols
The Good Guys verses the Bad Guys makes for entertainment Western Style. It's been a favorite of Western movie and tv show watchers for years. And doing it live (or dead) is the formula for the service provided by the Red River Valley Gunfighters Association.

The association was founded by Arlie Ebbs of Blossom. A couple of years ago, Arlie was drinking coffee at the Detroit Cafe just before Detroit's Homecoming, when he was approached by a Detroit citizen about an idea for some entertainment at homecoming. Ebbs, a man with a western look and past appearances on the television show "Walker, Texas Ranger" suggested a gunfight. The crowd loved it.

The gunfighters appeared again at this year's homecoming in Detroit, but with an association membership of 15 players from Blossom, Detroit, Talco and the Paris area.

The Good Guys met the Bad Guys in the middle of the street, and, as it should be, the Bad Guys bit the dust after a blazing gun battle with Colt 45s. Dust flies, people yell and fall, and the crowd loved it again.

In fact, the association has started taking bookings for their services and this year performed at Octoberfest in Clarksville with the crowd there demanding encore performances.

The players have expanded the scenes that include Bad Guys being shot out of outhouses and Bad Guys

biting eyeballs out of their victims! Of course they are all decked out in authentic western gear.

The players use no script. A scene is worked up at one of the two meetings held each month and while performing the skit the players make up their own lines as they go along. They say with no lines to remember no one forgets their lines and each performance comes out different.

President of the association is James Johnson of Blossom. He is a Bad Guy, and even though he usually dies he loves being a villain!

Anyone interested in having the association perform at special occasions can call James Johnson at 903-982-6857, Arlie Ebbs at 982-6730 or Johnny Maynard at 903-674-2055.

Talco School celebrates Red Ribbon Week

The Talco Elementary and Junior High students observed Red Ribbon Week, Oct. 27-31. The Talco Student Council sponsored several days activities to help bring drug awareness to the student body.

On Tuesday, Oct. 28 Theresa Smith an EMT from Care Flight and her friend Ready Teddy talked to the students about the importance of saying NO to drugs, alcohol and even tobacco. The students also had a surprise visit from Titus County Sheriff officers and Star the drug dog. The students enjoyed meeting Star and watching her play with her master. The students learned that Star has already made two large drug bust in our county.

On Wednesday, Oct. 29 the Student Council presented three skits to the student body. The skits written and performed by Council members were: "Children at Play", a skit representing a playground situation where children are approached by drug dealers. The children just said NO. The second skit was "Teenage Party" a skit representing what could happen at a party when alcohol is consumed and then party goes tried to drive. Unfortunately the party goes drove a car and hit one of their friends as he tried to walk home.

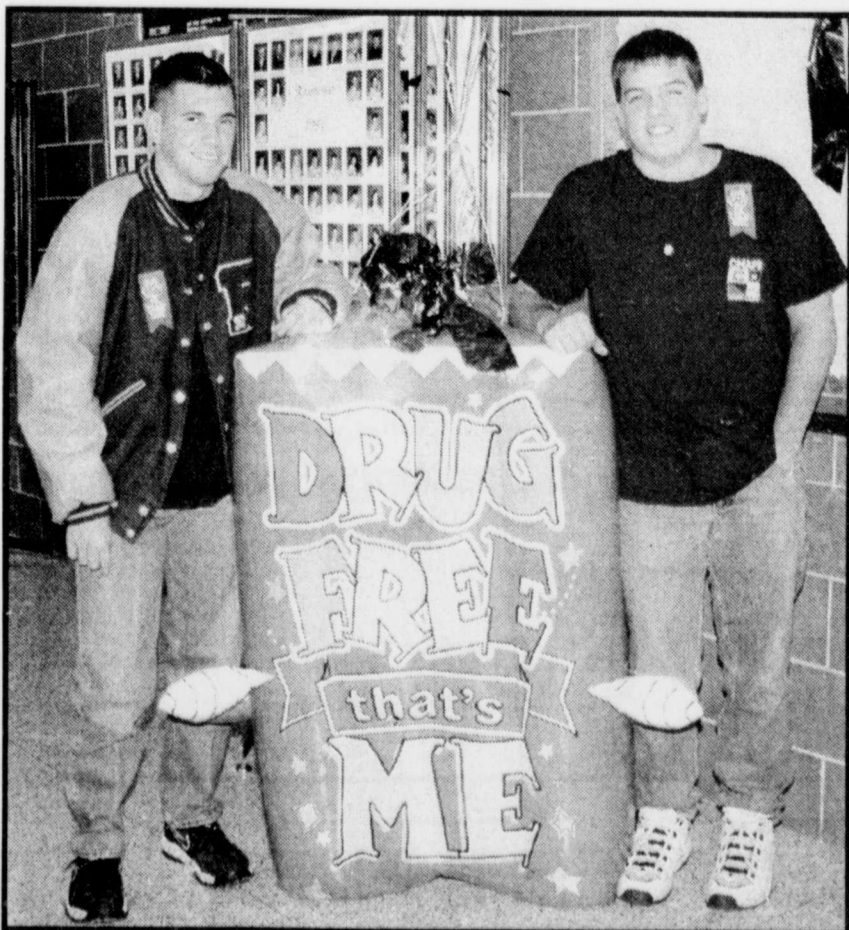

The last skit "Drugs are Dead" was a funeral for drugs. The preacher, Adam Davis, gave Drugs its last rites while Sister Kendall Stansell gave a brief history of Drugs. At the conclu-

sion each of the mourners paid their last respects and the funeral ended with a cheer because the evil of Drugs had died.

The students were reminded by the Council to say NO to drugs.

On Thursday, Oct. 30 the student body enjoyed Rebel Pride Day. The students at Talco are proud to say that all Lady Rebels and Rebels are 100% drug free.

Friday, Oct. 31 concluded the special week by students wearing their wind suits to "Blow Drugs Away". Erin Miller was the lucky winner of \$10.00 Mrs. Kelly Stansell, School Counselor, gave away to students who had worn their Red Ribbons all week.

DRUG FREE WEEK-Students at Rivercrest High School celebrated Red Ribbon Week last week which is dedicated to drug free youth. Seniors Dustin Cook and Jerad Guest show a special drug free display set up for the event.

An important piece of furniture

by Nancy Brown

Recently my co-workers and I were swapping childhood trivia when we all laughingly came to a unified conclusion. The most important piece of furniture in our homes was the kitchen table.

It seems all of us had childhood memories of all types conducted around the kitchen table. The feelings varied with each one's stories. The warm feelings remembered of holidays past with all the family around the table. The days with immediate family only meals discussing each person's day with gossip heard and news included. Hours with friends visiting and games of many kinds, board, dominos and cards among them remembered with smiles, especially since all of us still knew who the biggest cheat in the family was! Hours of study and homework with mom, dad, brothers and sisters or grandparents to help. Serious conversions held at times of marriage, birth or death. Worst of all discipline meted out, those worse-than-a-whipping talks.

My mother, who will be gone from us 12 years in December of this year, taught my family so much while sitting at this one important item of furniture, a chrome legged table large enough for six children and their friends and later their spouses and children.

My children will remember a wooden table with a tablecloth covering it only on holidays and I hope many happy memories such as the ones I and my co-workers discovered we have.

Enjoy a memory as you read this, regardless of the type table, chrome, wood, glass or whatever we in the south love our kitchens and family values and memories are most definitely formed around this very important piece of furniture.

Have You Been Getting Your Just Desserts?

(NAPS)—Doesn't everyone deserve a taste of paradise?

A delicious new treat, which evokes the sensuous delights of Hawaii, may be just what you deserve for working so hard at staying in shape.

Research shows that more Americans are staying in shape and working out than ever before. Is all this exercise worth it?

Apparently so, because another interesting trend reveals that people reward themselves with high-caliber treats when they finish exercising. Having worked out, many people rightly feel they can afford the calories and that they deserve a delicious reward. Some may even work harder at staying in shape to justify such an indulgence. Walking a few extra blocks or swimming a few extra laps is definitely worth it if there's an exceptional reward.

What are Americans rewarding themselves with? One of today's favorite post-exercise treats is chocolate. Americans love chocolate more than ever and premium chocolate is one of life's little indulgences worth earning.

Another much-loved treat is macadamias, from Hawaii, which have long been considered to be one of the world's most exquisite delicacies. Now, to make resistance even more difficult, Mauna Loa has developed the ultimate indulgence, by dipping macadamias in sumptuous chocolate.

These sensuous treats are perfect for entertaining and make a delicious mouthwatering indulgence whether you're looking for a snack or gift.

Mauna Loa macadamias, dipped in decadent Ghirardelli chocolate, are now available in supermarkets year round as a handy bite size treat. They offer an exciting taste of luxury at an everyday price.

"New Mauna Loa Ghirardelli Chocolate Macadamias are truly irresistible," said Scott Wallace, president, Mauna Loa North America. "And as with all Mauna Loa products, this new addition delivers the quality our customers have come to expect. Ask for them in your local store."

If tasting paradise piques your interest, a national sweepstakes offers Classic Hawaii vacations to the Hawaiian Islands and Classic America vacations to San Francisco (home of the legendary Ghirardelli Chocolate Company).

For more information about Mauna Loa and its products, visit their Web site at www.maunaloa.com or call 800/887-7705.

A much-loved, luxurious yet affordable indulgence is now available in bite-size treats and snack-size containers.

Lady Rebels end cross country season

The Talco-Bogata Junior High Lady Rebels Cross Country team placed third in the North Lamar cross country meet. The team consisted of 7th graders and competed very well. The coaches and parents were very proud of the girls efforts throughout the season.

DR. PLAY OF THE DAY-was made this week by Rivercrest Rebel Paul "the man" Billingsley for his first quarter touchdown run that put the Rebels up for good in Friday's game vs the Alba-Golden Panthers. Great Job Paul!!!!

IN THE GRASP-Junior High eventh grade Rebel, Ryan Newton struggles to get away from this Alba-Golden Panther as the Rebs went for the win on Thursday night. The team was successful taking a 14-0 win. Newton took in all the scores for the team.

ROLLING OUT-Rebel quarterback, Jody Nolen rolls out of the pocket and watches for receiver, Michael Allen as the Rebels defeated Alba-Golden on Halloween night 49-3. Nolen did his share of the scoring along with good passing for the evening.

Rebel seventh grade and JV play final home game

The Talco-Bogata seventh grade Rebels played their final home game of the season Thursday, Oct. 30, 1997 vs the Alba-Golden Panthers.

The first half of the game the Rebels and Panthers were on equal ground but before the half time buzzer rang Rebel Ryan Newton had driven in to score and also carried in the two point conversion. The score stood 8-0 Rebels.

The teams returned to the field with Kaylon Galloway kicking off to the Panther team. Justin Exum made a key tackle helping to end the first Panther drive. Although the Rebels gave up the ball after four downs so did the Panthers and the quarter ended with no score leaving the Rebels in the lead 8-0.

The fourth quarter saw a change. Ryan Newton exploded on a carry to the 11 yard line and the hand-off from quarterback Jared Huddleston saw Newton again get into the end zone. The Rebs were held short of the two point conversion to set the score at 14-0 and only 1:35 left in the game. On the kick off the Panthers returned the ball to the Rebel 49 yard line and on 1st and 10 Rebel Zack Perry picked off the pass and returned to the Rebel 10 yard line. The clock ended play

and the Rebels ended their last home game on a great note with a 14-0 win.

The Junior Varsity Rebels took the field and the kick off from the Alba-Golden Panthers. Bubba Abernathy set the pace for the game returning the ball for a 79 yard TD using less than a minute of the clock. The Panthers held the Rebs out on the extra point drive and the score stood 6-0 Rebels.

The Rebels rolled throughout the first half a pass completions from quarterback, Cody Wolfe to C.Tidwell set the Rebs up and Michael Galloway picked up 19 yards for another Rebel score. The Panthers were able to prevent the extra points, 12-0 Rebels. The Panthers were unable to produce yards and the Rebels regained control of the ball. On a pass reception Tidwell took the ball in with less than a minute on the clock but the TD was called back due to a Rebel penalty. The half ended 12-0 Rebels.

The third quarter saw the Rebels making mistakes and the flags flew. Wolfe handed off to J.C. King who drove in to score once again for the Rebels but again the Panthers prevented the extra point. Score 18-0 Rebs. Following the kickoff the Panthers made a strong attempt to score.

Key tackles were made by Coleman Brown and Bubba Abernathy ending a fake punt. The Rebels took over and Joey Taylor made the carry which set up a quarterback keeper TD by Wolfe. The extra points were again denied but the Rebels enjoyed a 24-0 lead.

The Panthers continued to struggle and a reverse play was stopped cold by Coleman Brown and Phillip Kold ending the quarter.

The final quarter began with a Rebel kickoff to the Panthers and ended four downs later. The Rebs could not move and the punt was blocked by the Panthers and set the team up on the Rebel 9 yard line. A Panther score was not to be as the Rebel defense went to work. Myron Ellis made a key tackle for the team and the Rebs took over on their own 10 yard line. Again Bubba Abernathy made the big play for the Rebs on a pass from Wolfe. Following an 80 yard run Abernathy scored the final TD of the game. The extra point kick was not good and the game ended 30-0 Rebels.

The Junior High Rebels and Junior Varsity Rebels will travel to Lone Oak for their final game of the season on Thursday, Nov. 6. Go Rebels!!!!

The second quarter began with the Rebels in control of the ball and Nolen carried the ball to the four yard line.

Rebels cage the Panthers 49-3

The Rivercrest Rebels traveled to Alba-Golden on Friday, Oct. 31 for a Halloween victory. The first quarter set the pace as a pass from quarterback Jody Nolen to Ryan Giles set up a Paul Billingsley drive in for the first Rebel score. The extra points were not gained leaving the Rebs with a 6-0 lead. The Panthers came back strong and somewhat surprised the Rebel defense by driving to the Rebel 10 yard line. Jeff Brown got the quarterback sack setting the defense back on track and the Panthers were forced to take a shot at the field goal. The kick was good and the score stood 6-3 Rebels. On the Panther kickoff Rebel speedster, Michael Allen returned the ball to the Alba-Golden 10 yard line. A quarterback sneak worked and Nolen picked up the second TD of the game. The extra point drive failed leaving the score 12-3. The Panthers took the kick off only to have the ball taken by Rebel Jason Freelen on an interception.

The third quarter began with the Rebels in control of the ball and Nolen carried the ball to the four yard line.

Billingsley drove in to score and also added the two point conversion. Score 20-3. The Panthers could not move the ball and Billingsley scored again for the Rebels. The score was not good due to a Rebel penalty. A pass from Nolen to Allen picked up 40 yards ending on the Panthers 5 yard line. Billingsley drove to the one yard line and Nolen picked up his second TD on the QB keeper. 26-3. A pass from Nolen to Allen added the two points. 28-3 Rebels. The half ended with the commanding Rebel lead.

The third quarter saw Scotty Goodwin play some fine defense for the Rebel team. A flea flicker from Nolen to Allen, pass to Ryan Giles and carries by Billingsley moved the Rebels and Brian Giles took the TD pass from Nolen. Billingsley carried the extra point in and the Rebels rolled to a 36-3 lead.

The final quarter Jody Nolen scored for the third time of the evening on the quarterback keeper and the Rebel defense and offense dominated the Panthers. Score 42-3. Scotty Goodwin did an excellent job on the extra

team defense as the Rebel kicked off to the Panthers. Will Noey and Derek Belcher picked up the quarterback sack on the Panthers last drive of the evening holding the team inside their own 25 yard line. On the Panther punt Michael Allen used his speed to score again and Will Noey booted the extra point. Final score 49-3 Rebels.

The Rebels are not out of the race for a district position, however, the situation is a hard one. Lone Oak beat Cooper while Honey Grove was defeated by Cooper and Lone Oak. For the Rebels to take the second place in district they must beat Lone Oak on Friday night Nov. 7 at their last home game of the season by 14 points and Honey Grove must be defeated by Alba-Golden.

Friday nights game is a big one for the Rebels and it is also "Parents and Senior Night". Come out and cheer the team on to victory. Go Rebels!!!!

Thanks for letting us be a part of your family gatherings

(No need to set an extra plate.

You won't even notice we're there.)

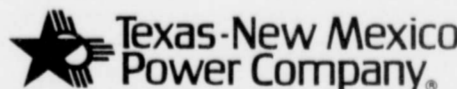

One of the most rewarding parts of working for an electric company is knowing that because we do our jobs, you can do yours more easily. When you push the button on a microwave or flip the switch on a dishwasher, electricity is there when you need it. So much so, most people don't even notice it until it's not there.

Dependable service is just one of the things we provide "behind the scenes." We're also working in communities to make sure children - and

adults - understand the need to be safe around power lines. And we contribute back to the communities we serve each year, helping build parks, buy medical equipment for hospitals, and even put food on the tables of people who can't afford to have big family holiday feasts.

Why is that important? Because we still have local offices, we live and work in the same communities you do. And like you, we want to put a little something back.

We put all our energy back into our communities.

8 Reasons Why You Should Get Your Windshield Repaired Instead of Replaced

1. **It's FREE** - If you have full coverage, your insurance company will waive your deductible if you repair the windshield. This could save you up to \$250.00 or more!
2. **85% Of Breaks Can Be Repaired** - We can even repair cracks up to 20 inches long!
3. **No Water Leaks** - Because the water-tight factory seal has to be broken when a new windshield is installed, water may leak past the new seal and damage your car's interior.
4. **Safety** - Your windshield was installed with an ultra tight bond that can never be duplicated. A newly installed windshield can pop out during an accident and cause your airbags to malfunction, placing your family at great risk.
5. **100% Lifetime Guarantee** - For as long as you own your car, we'll guarantee our repair will never spread.
6. **Environment** - Because windshield glass can't be recycled, millions of windshields are piling up in our landfills.
7. **Experience** - We've repaired over 2,000 last year alone.
8. **Free Mobile Service** - We'll come right to your home or office. No more wasting time sitting in customer lounges reading 6 month old magazines.

TIPS ON STAYING SAFE AND SOUND WITH NATURAL GAS.

For more than 80 years, Lone Star Gas has been providing safe, dependable energy to its customers. By following a few simple rules, you can help make sure you and your family stay safe and sound with natural gas:

- Always have qualified service people install, regularly check and maintain all gas heaters and appliances, following the manufacturer's instructions for installation, ventilation, and operation.
- Always use a gas appliance only for its intended purpose. An oven, for example, should not be used to heat a room.
- Always keep flammable materials and substances away from gas heaters and appliances. Remember, a pilot light is constantly burning.
- If your gas appliance is more than 20 years old, have it checked by a qualified professional. Certain older, uncoated brass connectors have flaws that may be dangerous and should be changed. Do not move your appliance and check the connector yourself. Call a qualified professional to inspect and replace your connector if necessary.

IF YOU SMELL GAS

in your home, or know you have a gas leak, follow these rules:

- 1 Everyone should leave the house immediately, leaving the doors open for ventilation.
- 2 Do not switch anything electrical on or off.
- 3 Do not use your telephone (telephones use small amounts of electricity).
- 4 Do not strike a match or do anything else that might cause a spark.
- 5 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause of the gas leak before returning to your home.

If you smell gas while you're outside, contact Lone Star Gas immediately.

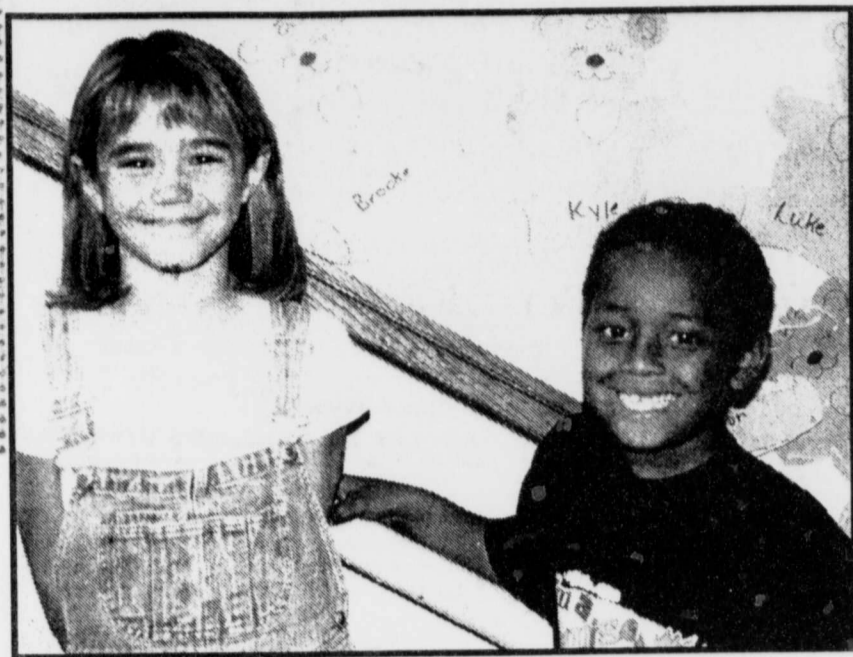

BEFORE YOU DIG,

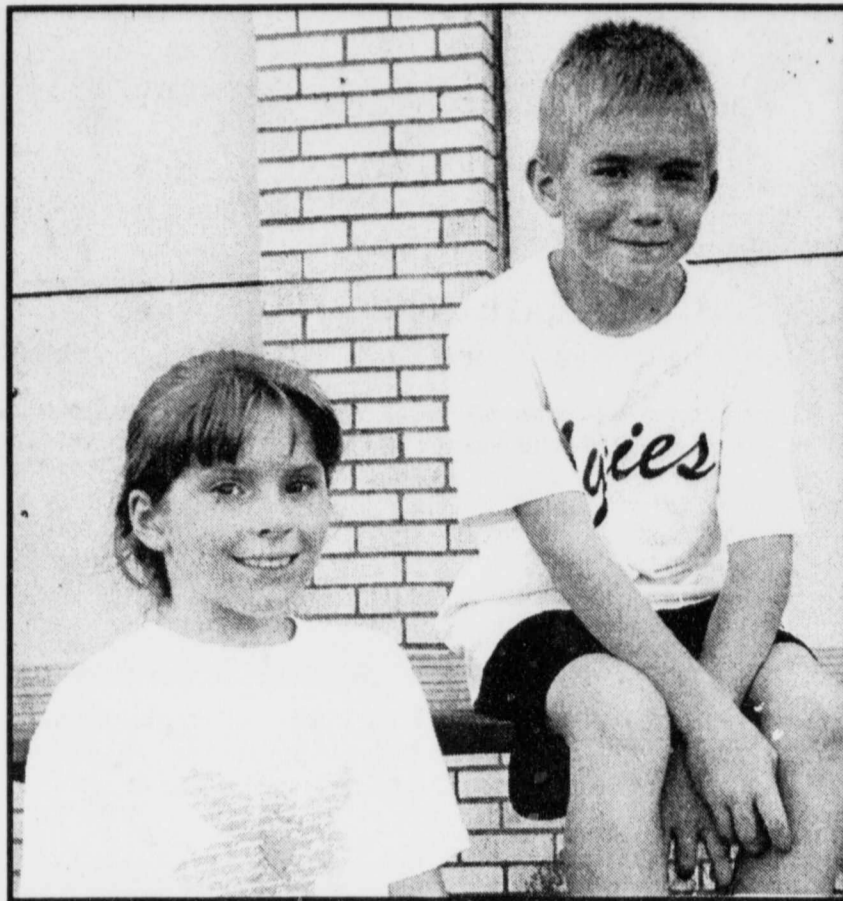

call for pipeline locations to avoid any potential problems:
1-800-344-8377 (1-800-DIG-TESS).

Safe energy for your home, naturally.

Talco PTO meeting held Monday

The Talco PTO met on Monday, Nov. 3 for their regular monthly meeting. President, Elodia Grissom called the meeting to order and gave the treasurers report. She reported \$261.00 in outstanding bills and a balance of \$5,392.42. Under New Business the group set aside \$575 for the graduating eighth grade class. The amount was based on \$30 per child and two adults sponsors. The eighth grade parents who worked the Bingo at the festival were given a donation of \$200 for the class. Perfect attendance money was set aside. Based on the number of classes and assuming each class will have one or more students with perfect attendance the amount set aside was \$425 for the year. If necessary the amount will change. The group voted to buy Nix shampoo for the amount of \$240. The Christmas parade was discussed and a special meeting was set specifically for parade plans. It will be Tuesday, Nov. 11 at 6:00 pm at the school. The parade date this year is Dec. 3 at 4:00 pm. Santa's Workshop was discussed and after a lengthy conversation the group voted to not have the workshop this year. Various ways to spend this year's earnings was discussed. No decisions were made. Items left over from the carnival were discussed. No decisions were made on what to do with the items but several suggestions were made that will be voted on at a later date. The meeting adjourned at 8:00 pm. The next regular meeting will be held on Monday, Dec. 1 at 6:00 pm at the school.
