By Nanalee Nichols It'll drive you crazy if you let it

My good friend, Jayne King, called me on a Friday and said "I've got a question for you about a song. You never forget a lyric".

I told her to shoot. She said what is the name of and who sung the song that has a line in it about "I want to hold you til the fear in me subsides".

I immediately jumped in with "I know how it goes...there's the line about sometimes when we touch, the honesty's too much, and I have to turn away and close my eyes". Between the two of use we kept on piecing bits of the song together, including "I'm just another writer, still searching for the truth, a hesitant prize fighter, still trapped within my youth".

But, lyrics not withstanding I couldn't for the life of me think what the name of the song or the artist was.

After being driven crazy humming this tune Friday, we got together Saturday night at her home. I came armed with an internet address for a web site that lists 90,000 song lyrics.

Without the artist or song title we couldn't find what we were looking for.

After an hour we gave up, ate, came back and searched the internet for another four hours! We scrolled through every top forty hit listed on one web site for the 1980s. We called a radio station. The DJ said he could tell us the words to the song....but couldn't remember the title or who sang

We asked everyone we knew about this. Everyone knew the words, no one knew who did it.

At 1:00 a.m. I went to bed, still rolling the words to that song around in my weird brain. I was nearly nuts!

Sunday afternoon Jayne called me back.

'It's Dan Hill and the title of the song is 'Sometimes when we touch'.'

Jayne's daughter had suggested the sometimes when we touch .. and when entered into the computer bingo....up the info came .

This was such a relief. Is anyone else out there like me, haunted by the specter of an unidentified song floating always at the edge of my conscious mind? But think about what a wonderful tool the internet is...without it I suppose we would still be running around like idiots, asking everyone we knew about this song. Let's not even go into the question of why it mat-

KITCHEN SAFETY- The Talco School students in Pre-K through 4th grade enjoyed a visit from the State Fire Marshall Gary Dodson and the fire safety house on Wednesday. The children learned all about home fire safety and how to spot fire hazzards. Helping with the program were Earl Thomas, Danny Beard, Brad Eubanks and John Pack of the Mt. Pleasant Fire Department and Mike, Shawn and Bill Chriswell of the Talco Fire Department. Brad Eubanks is pictured teaching the students. (Staff Photo Nancy Brown)

RING DAY-The Rivercrest Junior class spent part of their lunch time on Monday ordering their class rings. The Balfour Company representatives helped the students in choosing their rings and placing their orders. (Staff Photo Nancy Brown)

Veterans Memories Needed for special section

It is that time of year again....the time when we ask Military Veterans to please submit a short memory or two of their time in the service.

We will publish a special Veterans Section of the paper the week of the veterans Day holiday, which will be sponsored by merchants and feature

stories of the service. Any era of military service is eli-

gible, from early on through today. The stories can be about basic training, a friend, combat, take place in war time or peace time, just so they are a memory from a veterans service-time.

Please send YOUR memories to: Thunder Prairie Publishing P.O. Box 98 Deport, Tx. 75435

Talco PTO hold special meeting

The Talco PTO met for a special meeting on Monday, Sept. 28 at 4:00 p.m. at the school cafeteria. President, Tina Nolen opened the meeting at 4:05 and Secretary, Linda Brown read the minutes of the last meeting which were approved.

The meeting was held to check on the progress of the various committees for the Fall Festival. Mrs. Neva Oats has chosen a theme for the program which will be "The Lion King". Students will sing and act out parts from the movie. Admission for the play will be \$2.00 for adults and \$1.00 for students. Students 5 years old and under will be admitted free.

A judging time for the stew contest and camp ground decorations was set for 3:00 p.m. Everyone must have their camp set up and their stew ready by this time in order to be judged.

The PTO members and teachers at the Talco School will also be selling chances on several items to be drawn for at the festival. Chances are \$1.00 each on a ham, a turkey, one of 3 40 lb. boxes of chicken donated by O.B. Goolsby, a handmade afghan donated by Sandra Parsons and more.

The gym committee reported all going well. The meeting was adjourned at 5:10 p.m. There were 12 members present.

EDUCATIONALGRANT-Has been awarded to Red River, Lamar, Titus, and Bowie Counties to provide training and education for Law enforcement officials and communities in these counties to prevent auto and farm equipment theft. The grant will be administered through Red River County Attorney Jack Herrington's office and Bob Story of Clarksville will serve as the Theft Prevention Specialists.

Texas Auto Theft Prevention Authority awards Red River Co. grant

County Attorney Jack Herrington reports that a grant from the Texas Automobile Theft Prevention Authority has been awarded to Red River County and is to be administered through his office. Bob Storey, former Sheriff of Red River County, has been hired as the Automobile Theft Prevention Specialist. This grant provides 100% funding for one year. The purpose of the grant is the education of the public with regard to preventing theft of automobiles and farm equipment. It will also provide training and education for law enforcement agencies. County Attorney Herrington will act as the project director. His office will direct all of the activities of the program. This program will cover a four county area, Red River, Lamar, Bowie and Titus Counties.

The program will be up and running very soon. Programs will be available for civic and community clubs and any other groups interested in learning about the prevention of automobile and farm equipment theft. "We especially look forward to presenting information to the citizens of Red River County.

"The aim of the program is to reduce thefts by education and working closely with law enforcement.'

This grant is only one of two grants awarded by the state solely for prevention and educational programs related to automobile thefts, and the only grant to a small population county.

'My office looks forward to serving the public through the benefits of this program. Call my office for further information.

CC teams compete in Mt. Pleasant races.

Rebel Cross Country runners and Lady Rebel Junior High runners traveled to Mt. Pleasant to compete on Saturday, Sept. 24, 1998.

The Rivercrest Lady Rebels ran in the Junior Varsity division. 34 schools were involved in the meet. They were; Alba-Golden, Arkansas High, Alanta, Chaple Hill, Como-Pickton, Cooper, Daingerfield, Ellison, Elysian Fields, Hooks, Hughes Springs, Liberty Eylau, Linden-kildare, Marshall, McLeod, Miller Grove, Mt. Vernon, North Hopkins, North Lamar, Paris, Paul Pewitt, Pine Tree, Pittsburg, Prairiland, Rivercrest, Robert E. Lee, Savine, Spring Hill, Sulphur Bluff, Sulphur Springs, Texas High, Waskom, White Oak and Winona. The Lady Rebs ran with 65 runners in their division and Lady Rebel, Kim Shirley came in in 1st place with a

The Rivercrest Lady Rebel and time of 15.02, Candias Nickerson took 2nd place with a time of 15.23 and Katie Hare came in to take 5th place with a time of 16.16. Great Job Lady Rebels!!!!

In the boys division Rebels Ryan Case and Hollis Girmes competed with 120 runners in their division. Ryan took 14th place with a time of 21.17 and Hollis Grimes followed Ryan with 15th place and a time of 21.18.Great Job Rebels!!!!

Coach Debbie Williams said, "We came home very pleased with the runs we had and the competition we ran against and beat. We did miss our other two Lady Rebel runners, Jill Foster and Kasey Crawford who were showing their animals at the fair. We plan to keep up the hard gutsy work and take district honors"

In the Junior High division the Lady Rebel team took 3rd place with

145 points. There were over 100 runners from North Lamar, McLeod, Longview Spring Hill, Como-Pickton, Paris, Chapel Hill, Atlanta and Rivercrest Schools

As individuals, Page Boyd took 22nd place, Stephanie Williams-23rd, Nikki Jones-28th, Heather Cox-35th, Molly Hare-37th, Krystal Valenzuela-42nd, Rachel Case-49th, Ashley Beers-55th, Candace Davis 61st, Erica Williams-69th, Danielle Easterling-72nd and Shari Wisinger with 82nd. Coach Debbie Williams said, "This course was over 2 miles and all the Lady Rebels ran well. Their times were longer, but remember the course was over 2 miles, so they did well. Placing 3rd overall, and especially a victory over our district rival, Chapel Hill". Great Job Lady Rebel Junior High!!!!!

Rebels pluck Fannindel Falcons 55-6

by Michael Noble

I have been following Rebel football since 1991 and I have never seen a victory with the kind of margin as Friday's game ever. The players were pumped up and that energy was then turned to the band, cheerleaders, fans, Coach Wood and me.

The stage was set on their first possession of the ball for RHS. Offense was the game. After 4 run plays, Scotty Goodwin steamrolled the ball 25 yards for the touchdown with 10:47 left in the first quarter. Jason Freelen threw an incomplete pass to Goodwin for 2 point conversion. Score 6-0 Rebs

Fannidale then went 4 and out and the Rebels took the ball. The offense was stopped on this drive, one of the only ones, and had to punt. Like the game against Hughes Springs, Rivercrest set up in punt formation. The center snapped the ball high and Freelen had to try to punt the ball away. Fannindel took over on the Rebel 30. After a costly pass interference penalty, Fannidale went into the end zone for the first and last time of the evening. The conversion was no good and the score stood 6-6.

On the next Rebel drive, Brodie Belcher ran the ball for a 33 yd. gain. After a series of carries by Goodwin and Chase Collins, Jason Freelen connected with Goodwin for a 15 yd. gain. The next play saw Collins run in for the TD. Goodwin picked up the conversion. Score 14-6 Rebels.

On the next drive offensively for Rivercrest, Michael Galloway broke out of the backfield for a 63 yd. TD. He ran untouched to the goal line. Freelen connected with Keith Hines for the conversion to make it 22-6 rebels.

A.D. (Aaron) Martin made two key defensive tackles behind the line of scrimmage. On the next possession, Goodwin, Bryce Watkins and or another TD from 10 yds. out. Luis Torres scored the conversion. 30-6 Rebels.

After A.D. Martin recovered a fumble, Watkins scored another six points from about 10 yd. out. Cody Wolfe attempted the extra point but the ball hit the upright. 36-6. Rebels. The half time was closed on the last

In the third quarter, Rivercrest scored twice with Chase Collins carrying the pigskin for 8 yds. and then Goodwin went in from 23 yds. out. Wolfe missed the extra point kick which left the score at 48-6.

The defense really closed the door on Fannindel with some key tackles by Cole Warren, Coleman Brown and Mitchell Jean. The final score of the game was a 51 yard scamper down the side line for Luis Torres. Cody Wolfe split the uprights for the extra point and the game ended with a 55-6 Rebel victory.

This was an excellent performance by the Rebel team. The offense looked excellent and the defense looked even Luis Torres each carried the ball for better. RHS does need to improve on yardage. Bryce Watkins carried it in their punting skills which cost them

13 points in 2 games. Coach Keith Brown was excited after the game he said, "The offense and defense looked great, but most importantly, the kids had fun. A game like this is a good momentum builder. We need more fan support. Come out and make more noise and support us next week when we face Clarksville"

Rebel Junior Varsity defeat James Bowie 28-6

The Rivercrest Rebel JV football team took the Pirate field on a high note following their younger counterpart's win. The opening kickoff found J.C. King returning the ball for a Rebel TD on the Rebels first possession. Clinton Cheatwood scampered in for the conversion and the Rebs had 8 points on the board with only seconds off the clock.

On the Pirates second down the ball was fumbled and recovered by the Rebs but this time the team could not pick up on yardage and ball went over on downs. Clinton Cheatwood zeroed in on the ball carrier on a Pirate 4th and inches and took the ball back for Rivercrest. A good option play from quarterback, Nathan Carroll to Cheatwood soon brought up a Rebel first and goal. With what looked like a soon to be Rebel score the Pirates pressured Carroll who fumbled the ball and a Pirate defender soon carried the ball back down the field for a Pirate TD. Myron Ellis

conversion and the score stood 8-6 in favor of the Rebels.

J.C. King took the Pirate kick off to the Pirate 43 yd. line. The Rebels again could not get a good drive started and the Pirates soon had the ball. Good Rebel defense by Chris Tidwell and a quarterback sack by Brendin Jones brought up a Pirate 3rd and 20. A fumbled punt by the Pirates recovered by the Rebels put the ball down on the Pirate 4 yd. line with:06 seconds left in the half. The Rebels were not able to pull off enough plays to hit pay dirt before the buzzer sounded, score at the half 8-6

The Rebel defense continued to wreck havoc on the Pirates and J.C. King darted into the end zone for another Rebel score with 1:27 left in the third quarter. This time the Pirates were successful in stopping the extra point attempt. A pirate pass was soon intercepted by Myron Ellis and Rivercrest.

deflected a pirate pass to stop the the Rebel offensive went to work at the Pirate 43. The Rebs failed to score and the quarter ended 14-6 RHS.

Clinton Cheatwood recovered a Pirate fumble on the Pirate 10 yd. line to set up the next Rebel score. J.C. King took the ball to the 5 and following some excellent defensive work by the Rebels soon had 6 more points. The conversion found King following the same route and again the Rebel line pushed him in for the extra two. With 3:33 left in the game the Rebs up 22-6 the defense again pushed the weary Pirates back and soon had the ball on the Pirate 1 yd. line where the Rebels again recovered a fumble. Again King hit the end zone for a score and the game ended with a win for the Rebels 28-6.

graders combined for a game against the James Bowie Pirates on Thrusday, Sept. 24 at Pirate field. Captains for the game were Zach Perry, Cody Cheatwood and Josh Cabell.

The Rebels won the toss and Josh Cabell took the ball to the Pirate 43 where the Rebels went to work. Zach Perry had and excellent night against the Pirates as he racked up yardage on offense. Ryan Newton took the ball around the end to sweep into the end zone and the Rebs capitalized on the two pint conversion to put the Rebels up 8-0 early in the game.

On the Pirage first possession they fumbled on their first play and the Rebels pounced on the ball to take over. Zach Perry continued his offensive march and the score ended after one quarter 8-0 Rebels.

Zach Perry made an easy run into the end zone at the beginning of the second quarter and Josh Cabell ran a quarterback keeper in for the conversion. Perry and Newton combined for a quarterback sack at the beginning of the next Pirate drive to fire up the Rebels. The Pirates were able to game Rebels!!!!!!

The Rivercrest Rebel 7th and 8th connect on a pass on third down for some yardage, but the fired up Rebels soon had the Pirates punting. The punt was blocked by the Rebs and they were again on offense on the Pirate 30 yd.line. Six plays later the Rebs were in the end zone again. Score 22-0 Rebels.

The second half found the Pirates a little more focused and they were able to move the football a little better. The Rebels pushed the Pirates well back into their own territory but after taking over on downs the Rebels soon lost the ball and a Pirate defender almost took it into the end zone. Rebel Chance Belcher prevented the score making the tackle on the Rebel 30. A clipping offense by the Pirates brought the ball all the way back to the Pirate 10 yd. line. But the Pirates were not to be discouraged and soon had the ball on the Rebel 2 with: 39 seconds left to play. The Rebels caused a Pirate fumble, but the Pirates made the recovery for one more shot at a score. The Rebel defense held tight and the game ended with the Rebels on top 22-0. Good

Lady Texans meet Mt. Vernon

The Talco-Bogata Lady Texans, girls 9-11 years old, traveled to Mt. Pleasant to meet Mt. Vernon Saturday, Sept.26 in fall softball league

The team played the Sheer Magic at 9:00 a.m. and were defeated by a much larger and older team. Sarah Hare began on the pitching mound and struck out 4 batters in 2 innings. Courtney Merchant served as pitcher in the 3rd inning and sent 1 batter to bench on the strike out and Lauren Beers struck out one batter in the 4th. Merchant made 2 excellent plays at first base getting the outs for the team on ground balls, Jessica Thompson, one of the youngest players, made 3 excellent stops at second base help-

ing to slow the Sheer Magic scores. Scoring for the Lady Texans were Sarah Hare, Bailie Spencer and Jes-

sica Thompson. Following the game the girls and their parents attended the Titus County Fair. At 3:00 p.m. The team returned to Edwards Field to meet the Mt. Vernon Stars, a team a little closer to the Lady Texans size. Sarah

Hare started on the mound and pitched 2 innings striking out 4 batters, Courtney Merchant pitched the 3rd inning and struck out 2 and Lauren Beers pitched for the team in the 4th and struck out 3 batters.

Hare made good defensive plays on a fly out and a pitcher to first grounder. Courtney Merchant scooped up grounders at first for outs that kept the team in the game. Runs were scored by Sarah Hare, Courtney Merchant, Lauren Beers, Bailie Spencer, Jessica Thompson, Wendy Stewart, Kelsey Taylor and Cassandra Norman hit a long fly to right field that scored three runners. Although the girls played well they were defeated 14-8. Coaches Carol Laing and Nancy Brown say the team is improving weekly and doing especially well against much more experienced, larger and older players.

The team will play again on Saturday, Oct. 3 at Heritage Park in Mt. Pleasant at 11:00 a.m vs Mt. Pleasant and at 3:00 p.m. vs Deport. Everyone is invited to come out and support our future Lady Rebel softball players.

Letters to the editor

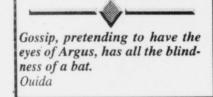

On September 22, 1998, the Bogata community lost a very special lady. I'm referring to Mrs. Dorothy Moore. Everyone always referred to her as the Avon Lady", which she was for as long as I've known her. I didn't get to visit Mrs. Dorothy like I should have, but she'll always hold a special place in my heart. I'll always remember when I was a little girl, Mrs. Dorothy always came to our house selling Avon. We were so poor we couldn't afford it, but she didn't make us feel bad, because we couldn't. Mama and I would look through the books and Mama would tell her we couldn't buy anything. It didn't bother Mrs. Dorothy. She came back each week (I think mostly to visit), but I'll always remember when she would leave she'd ask, "Linda, would you like a sample of my lipstick?" To a small child who was poor and didn't get such things it would mean so much to me when she'd give me one of the samples. I also remember when I graduated from High School she gave me a large bottle of perfume. I was so proud of it. Like I said before, we didn't have the money to buy the Avon Mrs. Dorothy always sold, but she never made us feel bad because we couldn't afford it. She treated everyone the same, but no one will ever know how special she always made me feel when she gave me that free sample of Avon lipstick. We need more Mrs. Dorothy's in

our world who could make a difference in small children's lives.

Thank you, Mrs. Dorothy for the memories.

Thank you, Linda Eilers

Local Christian rock band Seven will make its formal debut during the Move Me outdoor Christian youth concert on October 4.

Lamar County Fairgrounds outdoor stage is the setting for the event, featuring three other local bands, Sabbatical, Crown and Love and Mercy. The groups represent styles from praise and worship to folk and

alternative Christian. Seven's music is described as hard.

Christian rock. The concert begins at 2 p.m. Sunday, October 4 and is an effort to give local Christian teens a venue of expression, the chance to fellowship as a group and enjoy a variety of good, live Christian music. For information, call 739-2081.

2000 Census applicants are needed

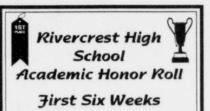

Despit the good response from previous articles, more applicants are still needed to test for temporary jobs with the Census Bureau.

The first wave of jobs runs thru October-December 1998, but applicants remain on file for consideration for future jobs with the bureau. Job waves for the 2000 census will continue through the year 2000.

Workers from the community are desired as they are familiar with the

roads and neighborhoods. If too few people from the area test, workers will be brought in from other areas. possibly resulting in poorer quality of work since they are less familiar with the community.

Day Surgery Construction Project Underway at McCuistion

A Day Surgery construction in part from cost efficiencies achieved project totaling nearly \$1 million is underway at McCuistion Regional Medical Center. The Unit includes the West Wing of McCuistion's Fourth Floor and when completed later this year, patients and families will find comfort and convenience significantly increased. Privacy and security will be maintained through private rooms and surgery will be performed in McCuistion's surgery suites which have access to the hospital's full resources.

Patients will also benefit from lower surgery pricing made possible

in the Unit's design. To better serve patients that come from outlying areas to McCuistion for day surgery, the hospital offers a complimentary overnight stay the night before sur-

According to Anthony Daigle, Executive Director of McCuistion when the project is completed, all pre-admission services such as paperwork, outpatient lab, x-rays, and EKGs will be provided within the Unit. In addition, Daigle said, each of the 20 private day surgery rooms will

have its own bathroom, cable television and patient call system. A play area in the Unit will also make the waiting easier for families with chil-

McCuistion's Day Surgery Program began more than 15 years ago and it has grown significantly as advances in surgical techniques occurred. National and local trends point toward a continued expansion of outpatient care, and the Day Surgery. Project at McCuistion will help meet

the demand for these services.

Lone Star Federal Land Bank Association announces \$3 million "Patronage Return"

On June 18, 1998, the board of stated that he was pleased that the directors of Lone Star Federal Land Bank declared a \$3 million patronage refund to be distributed to eligible individuals who have loans with the association. The patronage will be effective September 1, 1998. The funds will be deposited into the accounts of the eligible loan holders on that date. Annualized on a 12 month basis, this would effectively lower the rate paid by borrowers by approximately one percent.

Board Chairman, Chester Calhoun.

new association, Lone Star Federal Land Bank Association, was able to distribute these funds back to the borrowers who had helped build it. He said that the people who helped bring the organization to its present strength and stability should be the benefactors of its success.

The Texas Department of Health, rich fruits and vegetables are protec-Region 4 & 5 Community and Worksite Wellness ask did you know that eating more fruits and vegetables can help reduce the risk of cancer and cardiovascular disease? Studies conclude that 2/3 of all deaths are due to diseases associated with diet. According to a 1998 Surgeon Generals report on nutrition and health the three most important habits that influence health are smoking, alcohol

Eating 5 or more total servings of fruits and vegetables is recommended every day for good health. Currently the average is 2.5 and the goal is to get all Americans eating 5 or more servings by the year 2000.

A serving is equal to 1/2 cup cooked or raw vegetable or fruit, 1 cup leafy greens, 1 piece of fresh fruit, 1/4 cup of dried fruit or 3/4 (6 ozs.) juice.

Eating fruits and vegetables help reduce the risk of cancers because they are rich sources of Vitamins A and C, fiber and many other compounds. Most fruits and vegetables are low in fat and calories, have no cholesterol and plenty of fiber.

Vitamin A may inhibit the initiation and promotion of carcinogens in the body. It is also a powerful antioxidant and can prevent the formation of free radicals. Although vitamin A

tive against cancers, vitamin supplements are not recommended. Rich food sources are dark green leafy vegetables and yellow-orange fruits and vegetables.

Vitamin C blocks the formation of carcinogens in the digestive tract. It acts as an antioxidant by preventing the oxidation of certain chemicals to active carcinogens. Rich food sources of vitamin C are citrus fruits, strawberries and dark green leafy vegetables like broccoli and spinach.

Dietary fiber is the non-digestible or partially digestible material found in plant cells. It is in three of the food groups: fruits, vegetables and whole grain breads and cereals. Try to eat one food with vitamin A and C each day and cruciferous (from the cabbage family) several times a week.

Salads are an easy way to get in several servings. One thing to watch when building a salad is high fat ingredients. Toppings such as regular dressing can triple the calories in your salad with each tablespoon and contain 90% of their calories from fat. Croutons, olives, avocado, fried noodles, nuts and bacon are other sources of fat which should be limited. Pile on the raw vegetables and choose the darker leafy greens. Make it your goal to get 5 a day, every day.

DAY SURGERY AT McCUISTION

Complete with everything... including your privacy.

When the new Day Surgery Unit opens later this year at McCuistion, your stay will be as pleasant and comfortable as possible. The goal of the Unit is to make patients and their families priority number one.

- You won't have to move from place to place for pre-surgery testing, lab, x-ray, EKG and paperwork. It will all be completed in the new unit.
- You and your physician will have access to the hospital's full resources since all surgical procedures will be performed in McCuistion's surgery suites.
- All 20 new Day Surgery rooms will be private, with real walls, not curtains, and each has a private bath and cable television.
- The unit will also have a children's play area to make their waiting a little easier.
- Of course the hospital's cafeteria, snack bar, and gift shop are right in the building, convenient for friends and family members.

Convenience, security, privacy - what you deserve and what the new Day Surgery Unit at McCuistion will provide.

Letter to the Editor:

This summer, the Air Force betrayed 111 chimpanzee survivors of the U.S. Space program and their offspring by handing them over to the Coulston Foundation (TCF) for experimentation. Primatologist Jane Goodall and eleven former and current astronauts, including former Gemini and Apollo mission member Buzz Aldrin, have urged the Air Force to retire the chimpanzees to a sanctuary rather than allow them to continue to be used in experiments.

Rather than heed this advice, the Air Force has condemned the chimpanzees to a lab that routinely injects primates with drugs, chemicals and infectious diseases. This is the same lab that recently agreed to perform excruciatingly painful and potentially crippling spinal experiments on chimpanzees, humankind's closest genetic cous-

The Air Force's betrayal of these space veterans is a shameful chapter in the history of our nation. It is also a direct violation of the intent of Congress, which mandated in 1996 that chimpanzees be provided with "adequate care" for the rest of their lives. 2.WHEN'S THE BEST TIME TO FEED PRO-LIX?

There's definitely not a bad time. Since the nutrients in grass are only adequate about 60 days a

year, a good supplement is absolutely necessary to get top performance out of your cattle. Pro-Lix is ideal when grass is at its weakest, but year-round use means better health and increased production overall.

Nominations for GT being taken now

The Talco-Bogata CISD will be taking parent nominations for the Gifted and Talented Program for the next two weeks. Forms may be picked up from your child's teacher or from the school's counselor, Tiffany Easley who may be reached at 632-5214 or 379-3841.

Auxiliary plans barbecue

Saturday, October 17, Rabbit Wisinger and Dale House will donate and cook the meat for the Ladies Auxiliary of Post 8187 in Bogata. Serving will begin at 1:00 p.m.

There will be smoked barbecued meat, with all the trimmings, includ-

Donations will go to the Ladies Auxiliary so they can continue to help the community

Pro-Lix gives 3. HOW you a number of feeding options-I FEED -you can choose PRO-LIX? any one of them

with confidence. Pro-Lix may be fed (1) as a free-choice supplement in lickwheel feeders, (2) as a top dressing on the roughage or grainportion of the diet, or (3) as an ingredient to be mixed in with all-in-one rations or concentrates. Regardless of how you use it, Pro-Lix greatly improves the value of ordinary feed.
