

A NEWSPAPER DEVOTED TO THE BEST INTEREST OF THE FARMING AND BUSINESS INTEREST OF HASKELL COUNTY

The Haskell Free Press

READ THE ADVERTISEMENTS IN THIS PAPER AND PROFIT BY THE BARGAINS THAT ARE BEING OFFERED BY THE HASKELL MERCHANTS

ESTABLISHED JANUARY 1, 1886.

HASKELL, HASKELL COUNTY, TEXAS, FRIDAY MAY 16, 1924—8 PAGES.

THIRTY-EIGHTH YEAR

SECOND LARGEST SENIOR CLASS IN HISTORY OF HASKELL HIGH SCHOOL

This year's Senior Class is the second largest Senior Class in the history of the Haskell High School. This is a very fine class, made up of boys and girls with lofty ambition and high ideals. A Senior Class is always a survival of the fittest. Those of weak will, the lazy ones, the loafers, those without ambition and ideals usually do not graduate from a good high school. To graduate from a good high school is a badge of character. These days long-headed business men require at least a high school education from their employees. These kind of employees have initiative, judgment, imagination and character. They have the "real stuff" in them. There are no real chances of success these days for those that do not graduate from a good high school.

This fine class is made up of boys and girls. While to the outside they might appear sometimes to be careless and thoughtless, but deep down in their hearts they have had all along the right viewpoint of life. They are typical high school seniors full of optimism, life, and pop, kind-hearted.

These fine boys and girls will become the leaders of their community, some of them leaders in this great state, when they arrive at their maturity. They will stand for the best in the community life, the economic life, the religious life, the political life of our nation. They will not stand for the low and sordid in life. They will espouse the side of right and justice at all times. It is upon such boys and girls that the destiny of our nation depends. Haskell has made a wonderful investment in these boys and girls. It is an investment that will last throughout eternity. We can not see how a man that says he is a good citizen will object to paying taxes for a good school system. It is the best investment he will ever make.

Many of these boys and girls are planning to go on to college in order to prepare themselves for still larger fields of usefulness and service, and success in life, which they will want to pay to society, their town, their parents, the debt they owe them for giving them these wider school opportunities.

These boys and girls will have much greater problems to meet, much graver duties to perform than we have had. It is proper, therefore, that they

(Continued on Last Page)

BACCALAUREATE SERMON NEXT SUNDAY

Below is the program for the Baccalaureate Sermon of the Senior Class, Haskell High School, to be given at the Christian church Sunday May 18, 11 a. m.

1. Invocation—Rev. G. Robt. Forrester.
2. Music—Male Quartette, Harmony.
3. Scripture Reading.
4. Vocal Solo—Miss Marylee Pinkston.
5. Announcements.
6. Vocal Duet—Mrs. Southern and Mrs. Lewis.
7. Sermon to Class—Rev. Ben Hardy.
8. Ladies' Chorus—Harmony Club.
9. Benediction.

HASKELL DELEGATES ATTEND C. OF C. MEET

There are many Haskell people both men and women attending the West Texas Chamber of Commerce meeting this week. Most of them drove through country in automobiles and from reports they are having a fine time. Hardy Grissom Mayor of Haskell was elected a member of the executive committee from this city. They are expected back home Friday.

ROBERTS SCHOOL TO PLAY AT MIDWAY SCHOOL SATURDAY

The school put on a very successful play at Roberts recently and made a hit that the play entitled "Alice in Trouble" will be reproduced at Midway Saturday night May 17th. The play is invited to come. A small admission fee will be charged which goes to the two schools. This play is a comedy of real merit. If it hurts to laugh you will die in pain and bring the children.

WICHITA VALLEY RAILWAY WILL CHANGE SCHEDULE

Beginning Thursday morning May 15 the Wichita Valley Railway will change its schedule and the trains will arrive on the time given below.

Number 5 west bound passenger train will arrive at 4:50 a. m.

Number 1 west bound passenger train will arrive at 7:30 p. m.

Number 2 east bound passenger train will arrive at 8:50 a. m.

Number 8 east bound passenger train will arrive at 10:05 p. m.

Trains going east will make connection with the through trains on the Ft. Worth and Denver at Wichita Falls. Also agent J. L. Southern makes the announcement that tourist rates to California and Colorado will be given beginning on the same date of the change in the train service.

SWENSON FARMERS BUY LAND IN HASKELL COUNTY

J. M. Mullis and H. M. West of Swenson purchased 177 acres of land from the Hughes Ranch near McConnell this week, through the real estate firm of Leflar & Brown of this city. These gentlemen spent several days in this section getting the deal closed up. Mr. West formerly lived in Haskell county. They will not move here this year.

SACRED HARP SINGING HELD AT RULE SUNDAY

One of the greatest entertainments for West Texas took place in the Primitive Baptist Church in the city of Rule last Saturday and Sunday May 10 and 11, when the Ft. Worth District Singing Convention using the Old Sacred Harp Song Book met in a two days session. Harp singers from all parts of the district were present and took part in one of the best programs the convention has ever pulled off since its organization at Ft. Worth four years ago.

The singers began gathering early Saturday morning and the song service began about 10 o'clock and the entire morning hours were used in singing. At noon a bountiful lunch was furnished and a good social hour was enjoyed with the feast of good things to eat. After noon the convention went into its business session and new officers were elected for the ensuing year. H. D. Ratliff of Ft. Worth was re-elected president and R. M. Vinson of Abilene was elected vice president. W. A. Short of Rochester secretary and W. A. Jones of Dallas was re-elected Chaplain. After the election of officers the place for the next annual meeting was selected. Snyder will be the next meeting place for the convention which will be the second Sunday in July, 1925. If not otherwise announced by special arrangement. After the business session singing was resumed and continued most of the afternoon.

Sunday was the greatest day and vast throngs of people filled the church yard trying to get a glimpse of the singers inside the building which was crowded to its utmost capacity and all the standing room taken. In the morning hours the best leaders in the district were called to the floor and the great congregation of singers made the welkin ring in singing the old songs of this wonderful book, which was the first time many of our people ever heard these songs with volume and melody. At noon the vast audience was served with lunch, although it was very difficult to feed such a large congregation. There was plenty to eat on the grounds but those who had charge of the serving were handicapped but did the best they could. Most of the people had something to eat and the noon hour was spent with much enjoyment.

In the afternoon the same program was carried out with good singers on the floor and strong support from the class. The parting hour was very sad which is always the case with this band of singers. Many tearful good byes were said, and many warm hand clasps told of the "tie that binds" this great Christian body.

Son of E. B. McDonald Improving

Leonard, son of Mr. and Mrs. E. B. McDonald of the Ballew community who has been ill for the past two months was able to come to town Monday in a car with his father. He first had pneumonia which later settled in a leg which has given him considerable trouble. It is a great pleasure for him to be able to get out again after so long an illness.

HASKELL HIGH SCHOOL

HASKELL SCHOOLS HAVE HAD WONDERFUL DEVELOPMENT UNDER PROF. BRASHER

After two years of constructive school work Superintendent M. H. Brasher resigns because of his health and will retire from school work for the present. He has spent 28 years in the schools in Texas and New Mexico and the past 18 years he has been in the south west. He has held some of the most responsible places in our educational institutions and his service at all times has been for the highest aims and purposes. He has been a great economist and the savings made by him in the various schools reflect credit on his administrations. He is a builder who need not be ashamed of his handiwork. In his school work he has been both economical and constructive and the buildings and school systems he has been instrumental in erecting and establishing which will stand as a living monument to his untiring efforts.

During his two years administration as superintendent of the Haskell public schools the value of the library of the school has been increased 100 per cent and \$4000.00 added to the experimental laboratory and \$3000.00 to the Domestic Economy departments. From the rural and village schools of the county many deserving pupils have entered high school here. About one-third of the Senior Class is made up of those excellent boys and girls.

The school will close the present term clear of debt and all added equipment paid for, which is a wonderful record. Below is given a short sketch of the life and work of Superintendent Brasher and the things that he has accomplished.

Prof. Brasher was born in Missouri coming to Texas with his parents when three years of age. He grew up on the farm and attended the country schools of Hopkins county later going to the High School at Cumby where he was under the instruction of Maj. J. S. Crawford one of the greatest educators of Texas at that time. He was a class mate in this school with Hon. Morris Sheppard who is at this time United States Senator from Texas. During Mr. Brasher's school and college days he spent his summer vacations on the farm where he helped his father with the farm work.

After completing his studies in the High School at Cumby he entered the Sam Houston State Normal at Houston. After graduating from this college he taught in the village and rural schools for 4 years in Hopkins county after which he entered the University of Texas at Austin and did three years work in the University. Going from there to the Christian University at Waco where he received his A. B. degrees.

After receiving his degree he was elected, without making application, as principal of the Bally Springs High School in Hopkins county where he taught one year. He was called from there and elected principal of the boys department of the school for the blind in Austin. While occupying this position Gov. Lanham appointed Mr. Brasher superintendent of the institution a place he held for ten years. Through better organization and careful attention to his duties the state of Texas was saved \$7,000.00 each year over the former management. During this time the school was built up to the best of its kind in the south west. Mr. Brasher resigned his place at the school for the blind and accepted the place of Superintendent of public schools at Roswell New Mexico which he held for six years, building one of the best high school buildings in the state and establishing one of the best school systems in the south west. During the six years in this school the enrollment increased 300 per cent and the grades in high school 100 per cent. From Roswell he went to Big Spring, Texas as Superintendent of the public schools of that city and remained there for six years. During his stay

at this place one of the best high school buildings was erected west of Fort Worth and one of the best high school systems built up between Ft. Worth and El Paso with an increased enrollment of 100 per cent and the grades 50 per cent. Resigning at Big Spring he moved to the city of Abilene where he spent a two year vacation. But the call of the school work was felt keenly and after considering many applications he decided to take the place of Superintendent of the Haskell public schools because he believed Haskell offered the greatest opportunity. He moved to Haskell and became superintendent of the Haskell public schools and has completed two successful school years at this place. The things he has done for the advancement of the Haskell public schools is a repetition of his 28 years of successful school work and the high school here has reached the greatest attainment in its history. It had 24 1-2 affiliated credits when the term began last fall and one more has been added this term, making a total of 25 1-2 credits. This gives Haskell a rating with the best high schools in the state. Haskell pupils on entering the different colleges have made good and held high the banner in keeping with the splendid record the school has made.

There is no school system with a stronger faculty than Haskell today. The grade teachers all hold permanent certificates and all the High School teachers hold degrees from the best colleges of the land and with this splendid organization it is with regret to many that Mr. Brasher resigned his place under the protest of the school board and will return to Abilene where he expects to make his future home. Wherever he goes the best wishes of the pupils, patrons and school board of the Haskell public schools and the people of the entire city will follow him.

MORE UP-TO-DATE FIXTURES AT CASH MEAT MARKET

A new freezer counter has been recently installed at the Cash Meat Market which represents the last word in this class of fixtures. It will retain temperature to below freezing and will eliminate all waste in that line. It is absolutely sanitary and its design is very attractive. It will be a factor in the Cash Market giving their customers prompt service.

HEAVY HAIL AND RAIN IN STONEWALL CO.

R. E. Sherrill and daughter Miss Mary and sons Rev. Lewis and Richard who were caught in the severe Hailstorm Monday afternoon near Double Mountains in Stonewall county ran a narrow escape from serious injury from the large hailstones which beat the tops off the cars in which they were riding. Some of the parties were forced to take refuge under the cars from the fury of the storm while others placed the car cushions over their heads to break the force of the terrific hail. The run boards, hoods and fenders of the cars were marked all over by the large hail stones and the tops are littered with them. Below we give an account of the damage in other places.

A destructive hail and windstorm visited Dickens, Kent and Stonewall counties yesterday afternoon about 4 p. m. Heavy clouds began gathering with strong winds and a downpour of hail and rain, extending from near Spur, in Dickens county in a southeast direction through Kent into Stonewall county, covering the towns of Gilpin, Girard, Jayton and Peacock in Kent county and on into Stonewall county.

A child of Mr. and Mrs. Curley near Spur, while returning from school was killed by the hail. Two other of their children were in a sanitarium at Spur in a serious condition. The hail killed chickens and young stock, beat crops of all kinds into the ground, stripping fruit trees of their foliage and fruit. Fruit will be a total loss in the path of the storm.

The storm covered forty miles from northwest to the southeast, the path ranging from four to sixteen miles wide. It is impossible to estimate the damage. At Clairmont and south only a slight rain fell. Hail and rain was very heavy on the west line of Kent county. Phone wires are down.

Tuesday night another good rain fell over most parts of Haskell county and it is believed that plenty of moisture was in the ground to bring up all crops and the rain was not really needed. No damage was done to crops in the county by the rains Tuesday night.

Mr. and Mrs. J. F. Lee were Haskell visitors Saturday from Rochester Route Two. Mr. Lee made a pleasant call at this office.

PROF. M. H. BRASHER

NUMBER OF CASES DISPOSED OF IN DISTRICT COURT DURING THE WEEK

All the cases of the criminal docket were set by District Judge Bruce W. Bryant for today (Thursday) and will be tried this week if possible. Next week Judge Bryant expects to take up the civil docket although some criminal cases may be tried during the week. He is using great effort to clean up the docket and expects to dispose of most of the cases this term.

The third week of the District court of Haskell county is marked by the disposal of a number of cases which are given below.

Tom Fritz charged with Transporting whiskey. Acquitted.

Emmett Berryhill charged with forgery, given five years suspended sentence.

John Brown charged with Forgery in five cases transferred to Juvenile court.

Howard Irwin charged with Driving Car while Intoxicated, given fine of \$25.00 and cost of court.

Henry Porterfield charged with Selling Whiskey given one year in State Penitentiary.

Claud Lowrance charged with Selling Whiskey given one year in State Penitentiary.

Albert Harrison charged with selling Whiskey given three years in State Penitentiary.

Joe Allen charged with Transporting Whiskey acquitted.

The following cases were dismissed from the docket for lack of evidence.

Boss McGregor charged with Transporting Whiskey.

S. B. Turner charged with Forgery.

Tom Jackson charged with Selling Whiskey.

N. A. Moneyhan charged with Manufacturing Whiskey.

Riley Moneyhan charged with Transporting Whiskey.

The following veniremen have been summoned for jury service for the fourth week:

- M. D. Abbott, Ralph Ketran, J. F. Kennedy, E. D. Allison, K. M. Read, Joe E. Lindsey, A. T. Fouts, L. N. Rector, L. M. Kay, Leon Gilliam, Tom Mapes, Edwin Patton, O. P. Ketley, M. J. Lain, T. B. McMeans, T. J. Brittain, William Trimmer, Millard Smith, S. M. Leflar, J. R. Edwards, Chas. H. Parsons, A. W. McBeath, W. M. Echols, B. L. Jackson, C. E. Leon, H. H. Pool, Arthur Edwards, C. W. Marion, C. S. Howell, Felix Frierson, J. B. Taylor, C. H. Spurlin, H. J. Cloud, J. F. Harris, J. B. Nanny, W. J. Campbell, G. M. Cobb, B. M. Hicks, J. H. Wolf, W. J. Medford, Lee Norman, H. S. Leon, W. E. Kirkpatrick, A. G. Vannoy, T. A. Coleman, E. F. Fouts, U. Z. Irwin, Jno. A. Lee.

A Correction
We are glad to make correction of an error that occurred in the Free Press two weeks ago in which we stated that John Tate was charged with Manufacturing Whiskey when it should have read Transporting Whiskey.

MAGAZINE CLUB WILL HAVE ART EXHIBIT AT LIBRARY

The Magazine Club will have an exhibit the original painting of Texas pottery on Friday and Saturday afternoons from 3 to 6 o'clock at the Library building. Everyone is invited. No admission will be charged.

Ministers Attend Convention

Rev. George H. Morrison and Rev. G. Robert Forrester of this city accompanied by Rev. Abbott of Rule left this week to attend the Convention of the Christian church to be held at Waxahachie May 12 to 15 inclusive.

INTER-SOCIETY DEBATE AND DECLAMATION

The following program has been arranged for the Inter-Society Declamation and Debating Contest between the Bear Cat and the Curtain Literary Societies of the Haskell High School for the Knights of Pythias Debating Cup to be held Tuesday May 20, at 8 p. m., Haskell High School Auditorium.

1. Music—Haskell High School Orchestra.
2. Declamation—Milton Simmons, Bear Cat Declaimer.
3. Declamation—Ewell Bagwell, Curtin Declaimer.
4. Music—Haskell High School Orchestra.
5. Debate—"Resolved, That the United States Should Enter the League of Nations"—Lynda Robertson and Ewell Bagwell, Curtin Debaters; Hugh Anderson and Johnny Morgan, Bear Cat Debaters.
6. Music—Haskell High School Orchestra.
7. Decision of the Judges.

J. FRANK NORFLEET WILL LECTURE HERE

J. Frank Norfleet, the Hale Center rancher who was swindled out of \$45,000 a few years ago in Fort Worth in a fake oil stock scheme, will be here in a few weeks and tell the story of his chase of the four "con men" whom he finally captured and brought to justice.

Mr. Norfleet has been lecturing from California to New York, drawing capacity houses wherever he spoke. His audiences are held spellbound, so the papers report, and at the close of his talk old and young alike are reluctant to let him go. He tells a clean, true story, more thrilling than fiction itself. Mr. Norfleet has attracted national interest and is at present being photographed by a moving picture camera.

His lecture will be given at the Christian Church under the auspices of the Parent-Teachers Association for the sidewalk fund. Watch for the date.

M. B. OATS AGRICULTURAL AGENT HERE FRIDAY

Agricultural agent for the Denver Railway, M. B. Oats of Wichita Falls, was in the city a short while Friday afternoon in conference with County Agent Trice and F. L. Caldwell regarding the production of infertile eggs and their marketing. Mr. Caldwell is going to make an effort to get a market for infertile eggs for the summer months and of course it will take some co-operation with the farmers and egg producers to get enough to make paying shipments. Mr. Oats is encouraging the production of infertile eggs and will give his time and energy in helping to find good markets for the products.

COUNTY INTERSCHOLASTIC LEAGUE ESSAY CONTEST

In the Essay Contest of the County Meet Haskell High School pupils won both first and second prizes in essay writing.

Louis Pearson won first place in this essay contest and Horton Merchant won second place.

In all kinds of written work the Haskell High School pupils always take high rank, which is a compliment to their splendid training in English work. This is very valuable training which will bring its reward in the future.

A. H. KING ANNOUNCES FOR REPRESENTATIVE

We are authorized this week to make the announcement of Judge A. H. King of Throckmorton as a candidate for Representative in the State Legislature from this district, which is composed of Haskell, Throckmorton and Baylor counties. Judge King has served in this capacity before, and needs no introduction to the voters. He is well known throughout the district as a man of the highest integrity and capability, one who is able to serve the needs of this section admirably. He has been strongly solicited to make the race for representative, and in connection with his announcement we reprint the following letter handed us by Judge H. S. Wilson.

Throckmorton, Texas, May 8, 1924.

Judge H. S. Wilson, Haskell, Texas.

Dear Judge:

Some time ago I received from you a petition numerously signed by citizens of Haskell county, asking that I become a candidate for Representative from this district. I am deeply sensible of the compliment you pay me and desire to express my sincere thanks to you and to them. I have reached that period in life when I am little concerned about political honors but I am a healthy citizen, intensely interested in the welfare of my county, and in answer to your petition and others from other parts of the district will say that I have decided to offer my services for this important office.

If elected I shall apply to the affairs of the office the same business principles that have made my efforts in private business successful in a small measure.

Again thanking all of you for your unusual kindness, I am,

Your friend,
A. H. King.

V. G. Martin station agent and E. M. Warren garage man of Knox City were in the city Friday on business.

PEDIGREED MEBANE PLANTING SEED**

Haskell County grown at \$2.00 per bushel at Farmers Gin Co. Mebane Cotton Breeding Assn., Leon Gilliam, Mgr.

M. O. Field was a business visitor to the city Saturday from south of town and reports a big rain in his section last week. He clipped in for the Free Press again and is now paid up many months in advance.

**GAINES COUNTY FARM LANDS
AT REASONABLE PRICES AND
ATTRACTIVE TERMS**

Very little ready money is required to own a good farm in the South Plains of the Texas Panhandle. Payments for your farm are on about the same basis as paying rent.

At Seagraves, Gaines County, Texas, we offer you farm land at prices from \$12.00 to \$20.00 per acre, cash payment down only one dollar per acre, four yearly payments of one dollar per acre and the balance in yearly payments of two dollars per acre with interest at six per cent.

This is strictly a new farming country. Abundance of pecan wood, no boll weevil; and cotton a sure crop. At present prices of cotton it will not take a great long time to pay for a 160 acre farm in one season.

This is your opportunity. If interested in securing a farm and home for yourself and family on very unusual terms, now is the time to act.

Address W. A. Solle, General Agent, 14 Santa Fe Bldg., Seagraves, Gaines County, Texas, for terms of sale and descriptive folder.

"Better Homes Week"—May 11 to 17

ATTENTION
AUTOMOBILE, TRUCK AND TRACTOR OWNERS

Owing to the intense heat under which your motor operates it is very important that Motor Oil will stand the highest temperature without thinning down quickly, should be used.

100 Per Cent Pure Pennsylvania AMALIE MOTOR OIL

—stands the highest temperature of any oil on the American market because it is manufactured from Pure Pennsylvania Crude Oil. Chemical analysis will show that Pennsylvania Motor Oil thins down less between a temperature of 100 degrees and 212 degrees than motor oil made from any other crude.

100 per cent Pure Pennsylvania AMALIE Motor Oils are all made from Paraffine base Pennsylvania Crude and contain therefore a minimum amount of free carbon.

CENTER POINT

(Ethel L. Bland)

Miss Addie Dunham suffered last week with a boil in her ear. The Fair Friday afternoon was enjoyed by all. The program Friday night was well attended and enjoyed. Mr. and Mrs. Crouch's children of below Stamford spent Saturday night and Sunday with their parents. Mrs. Frank Patterson of Pleasant Valley spent Saturday night with Mr. and Mrs. Perry Patterson. Mr. and Mrs. Clay Smith of Haskell were in this community Friday afternoon. The B. Y. P. U. Social Saturday evening was well attended. Everyone had a real good time. Ice cream and cake was served. The following vacancies were filled by election Sunday night: Jesse Matthews and Earl Liles, Group Leaders; Mrs. Johnson Ivy and Miss Ethel Bland, Program Committee; Messrs. Earl Liles, Lois Bland and Delma Harrison, Social Committee. Three new members were taken in. They were Mr. H. D. Bland and daughter Miss Oleta, and Mrs. E. F. Liles. The Union meets Sunday evening at 7 o'clock sharp. Everyone cordially invited to come and bring someone with you. Most everyone from here attended the singing at Bunker Hill Sunday. A good time was reported. The dance given at the home of Mr. Joe Davis Saturday night was enjoyed by all who were present. Several from here attended church at Sayles Sunday morning. Mr. and Mrs. W. E. Bland spent Sunday with Mr. and Mrs. W. E. Johnson of Sayles. Mr. and Mrs. H. D. Bland and children and Misses Tena and Jesse Bland called on Mr. and Mrs. W. E. Bland Sunday evening.

ROCKDALE

Here I am to tell you I am very much alive if I did fail to appear last week. All hands and the cooks are busy between showers getting old Mother Earth plowed and their cotton seed planted. These rains have been coming mighty regular, but so far this part has not had any bad winds or hail. The small grain is looking fine, but the continued cool weather has been hard on maize and cotton. Quite a few from these parts have been enjoying trips to the river. A large crowd took part in the rabbit drive Wednesday. Stewed beef and gravy, along with oakes and pies were served at noon. The party given by Mr. and Mrs. Dick Gillespie Friday night was enjoyed by a large crowd, more especially by lovers of music. Miss Edythe Ramsey is spending this week end at Stamford. The Jenkins family are to celebrate their mother's birthday (Mother's Day) with a basket dinner on Paint Creek.

M. H. Brasher, superintendent, is a graduate of the Sam Houston State Normal, Texas Christian University, and has had enough work in the University of Texas to give him his Master of Arts Degree if it had been properly arranged. Mr. Brasher has only been with us two years. He taught in the rural and village schools of Texas as a very young man for four years. He was then principal and Superintendent of the Texas School for the Blind, Austin Texas, the largest blind school in the United States, for ten years, having been appointed to these places without being an applicant. He next went from Austin to Roswell, N.M., as superintendent of the Roswell City Schools, where he built up the best school system in New Mexico. He held this position for six years. He then came back to Texas, to Big Spring, as Superintendent of the Big Spring Public Schools, which position he held for six years. During these six years he made the Big Spring Schools the best system of schools between El Paso and Fort Worth. Mr. M. B. Lebo, principal and teacher of Agriculture, Haskell High School, is a graduate of the Agricultural and Mechanical College of Texas, and he has also had post graduate work in this school. This is Mr. Lebo's third year as Principal of the high school. Mr. Lebo is a good agriculture and science teacher. He is interested in the boys and girls and they know that he is always ready and willing to do anything he can for them. Miss Ruth Chambers, teacher of history, has been connected with this high school two years. She is a graduate of the Abilene High School and Simmons College, graduating from the latter school with the highest honors. Miss Chambers is a very efficient teacher of history. The pupils like her so much because she is very much interested in their school life. She has contributed much to the pleasure of the school with her music. She has been the pianist for both the Glee Club and the Orchestra. She is also always ready to help the pupils in getting up their programs for their literary society and they appreciate her for this, as well as for her many other fine qualities. Miss Ora Stone, teacher of the Domestic Economy Department, is a graduate of the Lufkin High School and of the College of Industrial Arts. This is Miss Stone's first year as a teacher in the Haskell High Schools but she has proved herself to be a very efficient teacher of this important department. Her work in this department will compare with the work in the best high schools in Texas. The girls taking work in this department have done some very fine work. The dresses and garments they have made have been beautiful works of art. She has taught them to make beautiful dresses out of very simple material, their cost being very modest and economical. In the cooking department the girls have been taught to prepare well-balanced meals from simple and very economical materials. She is also interested in the activities and life of the High School pupils. Miss Dextra King, teacher of English is a graduate of the Throcmorton High School, a graduate of the State University and has had a year of post graduate work in Smith's College. This has given Miss King a preparation far beyond the average English teacher, in our high schools. This is Miss King's second year with us, she having taught

reading in the Grammar grades of these schools last year. Miss King is one of the strongest English teachers in Texas. She has done most excellent work in this important work in our high school. She knows how to vitalize and put life into high school English. We are very fortunate to have such an efficient teacher of High School English. Miss King is also greatly interested in the various activities of the high school. Miss Laura Killgore, teacher of Spanish and Latin in the Haskell High Schools, is a graduate of the Abilene High School and a graduate of Simmons College. Miss Killgore is a good foreign language teacher. She is pleasant and affable. She takes an interest in the various school activities. She was the coach of the Girls' Basketball team this year, developing a good team. Miss Castle, teacher of Mathematics, is a graduate of Anson High School and she has had three years of college work in Simmons College, taking practically all the mathematics offered by that fine college. In addition to this Miss Castles has had a summer's work in C. I. A. Notwithstanding the fact that Miss Castles did not take hold of this work until about last November, she has nevertheless done good work in this department in spite of this great handicap. Miss Castles is well liked by the entire student body because of her sunny disposition and her interest in them and in their work. She has been of great help to us in our work in declamation and helping the teachers and pupils to get up their class plays.

PLAINVIEW

(By Miss Ruth Deisman)

Isn't the weather nice for planting? And all the farmers are sure keeping the old horses on the job. Almost everyone has cotton up to a good stand. Pauline Deisman has just recovered from the measles. They didn't hurt her very much or any of the others. Several from this place attended the party at M. V. Bland's of the McGonnell community Friday night. Everyone had a splendid time and hope they will soon give another one. Wm. Welch of Post visited his daughter, Mrs. A. Dunn, Sunday. There was a large crowd at the party Saturday night at Earnest Coleman's. There was a "bunch" from town and everyone had a splendid time. There wasn't any Sunday School again Sunday as everyone went to the singing and dinner at Bunker Hill. Mrs. W. A. Montgomery and daughter Beryl, visited in this section Monday. Mr. and Mrs. Bruce went fishing Sunday. Grace Brown visited Ruth Deisman Sunday. Brownie Medlin has a case of measles this week. The play at Plain View will be May 23. The name of the play is "Safety First." The play consists of ten characters. The following are the names of the ones in the play: Grace Brown, Henry Maruzg, Haywood Reed, Sterling Scott, Faye Campbell, Elsie Reed, Ila Scott, Ulys S. Morris, Alma Cavitt, and Ira Coleman. Everyone come to the play. No charges. The singing at Webb Hanson's was enjoyed and their new player piano is

Money to loan on farms at 7, 7½ and 8 per cent, for 5 years or 10 years, with liberal options to pay the loan off before it becomes due. I also make a 20 year loan on the Amortization plan at 7, 7½ and 8 per cent interest and you pay interest and a small amount of the principal once each year, and this pays the loan off, both principal and interest in 20 years. Also give the option to pay this 20 year loan at any interest paying date. No red tape and no extra cost. Come in and let me explain these loans to you. You will like them and I can save you money.

HASKELL, TEXAS

The Haskell National Bank

What's Behind the Federal Reserve System

The extensive resources of the Federal Reserve System are great enough to cope with any financial situation.

This fact was very effectively demonstrated during the business depression of the past two years.

This bank is proud indeed, that it has the privilege to be a member of the Federal Reserve System and associated with an institution that means so much to the citizens of our country.

SOCIETY and Club

Mr. and Mrs. M. H. Brasher Honored

The members of the Magazine Club gave a picnic at the Library Thursday evening honoring Mr. and Mrs. M. H. Brasher and their husbands. The entertainment committee, Mesdames J. U. Fields, J. A. Couch, John Oates and H. S. Post planned the picnic. A delicious lunch was served cafeteria style and after lunch Mrs. Ben Hardy, toast mistress, asked Mrs. Rike to give a toast to the honor guests and she expressed the appreciation of the Haskell people for every member of the Brasher family, and for the wonderful work accomplished by Mr. Brasher as Superintendent of Schools.

R. Rike, Mesdames O. E. Oates and C. D. Long.

School Faculty Entertain

The faculty of the Haskell schools entertained with a delightfully planned party Friday evening honoring the Board of Education and their wives. The library was decorated with roses and a delightful evening was spent playing 42. After the games an ice course was served by Miss Stone and her D. E. girls and beautiful refreshments were used as favor. After refreshments Miss Dexta King, toast mistress for the evening introduced the following speakers, Mr. O. E. Patterson, president of the board, who expressed his appreciation for the cooperation of the school board, the teachers and the new superintendent, Mr. Neff, Mr. J. A. Couch, secretary of the board, Mr. F. T. Sanders, one of the retiring members of the board, who spoke of the work accomplished by the board in building the new school building and the teachers and of the great work accomplished by Mr. Brasher in the training given them and especially of the introduction of the School Lyceum into the schools and of lifting of the \$700,000 debt lifted without aid from the school board. Mr. Hardy Grissom, another retiring member of the board expressed his regret for leaving the board who worked together so successfully and harmoniously. Mr. Brasher expressed his appreciation for the kindness and cooperation of the school board and Haskell people while here. Mr. Neff also made a short talk.

The following enjoyed this delightful occasion: Mesdames and Messrs, M. H. Brasher, Hardy Grissom, R. V. Robertson, F. T. Sanders, J. A. Couch, B. Cox, T. E. Ballard, M. B. Lebo, Virgil Meadows, Misses Dexta King, Minnie Ellis Stone, Bettie Lee Castles, Anna and Eula Seelbach, Kilgore, Amelia Payne, Leda Rollin, Payton, Chambers, Eugenia Graham, Verna Oates, Mesdames S. R. Rike, Green and O. E. Oates, Mr. Oscar Oates and Neff.

Parent Teachers Association

The P. T. A. met in a regular business session Thursday May 8th and

voted to meet once each month during the summer in order to get plans perfected for next years work.

A rising vote of thanks was given Mrs. Kaigler and Miss Ellis for their efforts in behalf of the association.

Mrs. Carlton Couch was elected 3rd Vice President.

A resolution was adopted endorsing the bill empowering Congress to pass a Federal Child Labor Law. Our senators and representatives will be asked to vote for this bill.

A resolution condemning the excessive unnecessary demands of the State Educational Department upon High Schools in order to have State Affiliation was also passed. We will take this up with other P. T. A.

Mrs. Grissom reported one hundred fifty dollars in the side walk fund. We are soon to have a number of splendid entertainments to help swell this fund.

The new officers were installed. Mrs. Kimbrough our new president gave a splendid talk. She is planning some new features in our work next year in health and child welfare work.

In a few well chosen words Mr. Brasher expressed his appreciation of the association's cooperation and support during the time he has been with the Haskell schools.

Next meeting will be at the High School Auditorium June 13th at 5 o'clock. A cordial invitation to all.

Harmony Club

The Harmony Club met in the last regular business session of the year last Wednesday afternoon. Mrs. Will Whitman, outgoing president, and Miss Eunice Hucklebee, incoming president, gave their reports from the meeting in Brookridge. Mrs. Reynolds reported on the Stamford meeting. Mesdames Lewis, Whitman, and Miss Ratliff were appointed to serve on the year book committee and it was decided to have more chorus work next year. The following were present: Mesdames Bailey, Reynolds, Morrison, O. E. Patterson, C. L. Lewis, J. P. and Calborne Payne, Whitman, H. S. Wilson, Misses Sula Mae Ratliff, Eunice Hucklebee and Tannie Hancock.

Magazine Club

The Magazine Club was called together in a call meeting by the new president, Mrs. O. E. Patterson, Friday afternoon. It was decided to study the course on Literature by Mrs. Burney, chairman of Literature for the First District. This is a splendid course. It was also decided to buy a lawn mower and have the library lawn kept this summer. The following were present: Mesdames O. E. Oates, O. E. Patterson, Hardy Grissom, R. C. Montgomery, H. M. and N. T. Smith, C. L. Lewis, R. J. Reynolds, J. U. Fields, F. T. Sanders, C. M. Conner, Alfred Pierson, John Hill, and O. E. Oates, R. E. Sherrill, C. D. Long, J. E. Barnard, Hardy, H. S. Wilson, W. H. Murchison, A. H. Wair, Courtney Hunt, Martin.

Harmony Club Members Visit Stamford

The Harmony Club of Haskell were the invited guests to a reception given by the Musical Club of Stamford last Tuesday afternoon. The program was the regular one on Texas Day. Miss Ella Hudson Day, poet, gave two readings of her own rhymes. She is also the composer of the beautiful song, "Texas." Mrs. Booth rendered a musical love story which was very good. In the musical contests Mrs. Whitman won the prize and was presented with a lovely bouquet of roses. Haskell women attending the reception were Mesdames B. J. Reynolds, H. S. Wilson, Will Whitman, G. T. Seales, Misses Eunice Hucklebee, Sula Mae Ratliff and Tannie Hancock. Other invited guests were the members of the Delphian and Pierian Clubs of Stamford.

Mrs. Reynolds Honored

The members of the Missionary Society of the Baptist Church of Knox City held an all day meeting at the home of Mrs. O. E. Jameson last Monday honoring Mrs. R. J. Reynolds of this city. Thirty-five women were

present and they sewed for Buckner Orphans Home during the morning. Then at the noon hour a delicious luncheon was served. Mr. Jameson and Rev. Woolly Smith, the new pastor, took lunch with the ladies. After the luncheon Mrs. Porter, the president, directed an interesting program on "Missions." Mrs. Reynolds, the speaker of the afternoon, talked on "The Ideal Missionary Society." Miss Sallie Sue Hardberger gave a beautiful Pianologue. The Haskell women present were Mesdames Reynolds, D. Scott, O. E. Oates and R. C. Couch.

Infant Son of Mr. and Mrs. George Clifton Dies

The beautiful little son of Mr. and Mrs. George Clifton was laid to rest in Willow Cemetery Saturday morning. Rev. Ben Hardy conducting the funeral. Although the parents and relatives are broken-hearted over the loss of this little one whose silver cord of life was loosed before he saw the light of day, they can rest assured that some day they shall see him in Heaven, for the Lord of Life said "Suffer the little children to come unto me and forbid them not, for of such is the kingdom of Heaven." And the writer believes that some day the bereaved parents shall see their little one in the full flower of his beauty in the other world.

Mrs. J. U. Fields Honored

Mrs. J. U. Fields has been asked to be on the program at the Biennial, which meets in Los Angeles, Calif. in June. Mrs. W. R. Alvord of Michigan, chairman of the Division of Citizenship Training of the General Federation of Women's Clubs, asked Mrs. Fields to take part on her program. Mrs. Fields' subject will be "Citizenship Day, July 4th in Texas." This is not only an honor for Mrs. Fields, but for Haskell as well.

Dinner Party

Mrs. J. U. Fields gave a beautiful dinner party honoring Mr. and Mrs. M. H. Brasher and Judge Bruce W. Bryant. The home was artistically decorated with flowers from the hostess' own flower garden, and the table was very pretty with its exquisite silver and napery. A five-course dinner was served and the guests lingered until a late hour with this genial host and gracious hostess. The following enjoyed this delightful occasion: The honor guests, Mesdames and Messrs, Courtney Hunt, F. T. Sanders, Miss Madalin Hunt.

Cemetery Association

The Cemetery Association met May 6th with Mrs. R. B. Fields, with Mrs. J. L. Odell presiding. There were 12 ladies present.

Decoration Day will be observed at the cemetery at 4 o'clock P. M. May 25th. A program will be rendered, after which the graves will be decorated. Girls from seven to twelve years of age, are asked to report for this service. Everyone in the county having relatives or friends buried there who fought in the Mexican, Civil, Spanish-American or World War, is asked to report them to Mrs. J. D. Smith, Mrs. J. L. Odell or Capt. W. M. Woods, in order that the graves may be marked for decoration. Everyone is urged to furnish flowers. Those having flowers will report them to Mrs. Courtney Hunt, Mrs. G. F. Atchison or Mrs. John Couch.

Everyone is urged to come and pay tribute to our deceased patriots.

Mrs. O. Cole and children of Rule visited relatives here Saturday.

Misses Verna Oates, Lois Earnest and Lucille Taylor visited friends in Rule Saturday.

Miss Ellen Clifton has returned home from Baylor, Belton, where she has been attending school.

Mrs. Dorothy Wilson and little daughter Mary Ellen of Mankin, Texas, are visiting her parents, Mr. and Mrs. M. A. Clifton.

Mr. and Mrs. J. U. Fields spent last week end with Mrs. Fields' uncle, Mr. Baldwin and family on the Baldwin Ranch near Old Glory.

DEPARTMENTAL WORK BEING CARRIED OUT SUCCESSFULLY IN LOCAL SCHOOLS

Departmental work is being carried out very successfully in the fifth, sixth and seventh grades of the Haskell Schools. There are many advantages in this plan of work. This plan gives us well trained teachers, who have specialized in the subject they teach. This special preparation gives them a much better background for presenting their subject to their classes in a live, vitalized manner. This wider knowledge of their subject enables them to stimulate their pupils to do much more independent research and supplementary work. Their pupils thus secure a much wider view of their subjects.

It enables the teacher to be more economical in the daily preparation of her work. Instead of having to plan and prepare her work in a half dozen subjects, she has only to prepare her lessons in one subject. This enables her to make much more efficient and thorough preparation of her work. Her pupils are greatly benefited by this thorough preparation. They are in like manner stimulated to do more thorough and efficient work.

The departmental work done in the Haskell Public Schools will compare with that in the best schools in Texas. This was proved by the most excellent school exhibit had in these grades about two months ago. There were

wonderful note-books in English, music, geography, history and arithmetic. There was some wonderful work in drawing that was a revelation as to the talent of many of our pupils. Also samples were given showing most wonderful progress in penmanship. Your Superintendent has the honor of being the first superintendent to introduce departmental work into the grammar grades of the public schools of New Mexico, seventeen years ago when he went to Roswell, N. M., as Superintendent of the Roswell City Schools.

He also introduced departmental work into the fifth, sixth, and seventh grades of the Big Spring Public Schools, when he went to Big Springs as Superintendent of these schools.

Haskell Public Schools are fortunate in having this plan of work for the children and in having at the head of each of these departments, strong, well prepared teachers.

This plan gives our pupils a fine preparation to enter high school and do good work there. The high school work is strictly on the departmental plan and the freshman is not bewildered by this plan because he has been used to it for three years. In this way our failures are not so great as they would be if these pupils were not accustomed to this plan.

Gift Suggestions For Graduation

THE HIGH SCHOOL DAILY ASSEMBLIES

The daily assemblies in the high school are a new feature of our school life. They have added much to the school spirit and interest. They break the daily monotony of school life by giving the pupils an opportunity to relax at that period in the day when they are tired.

At this time announcements are made and pep meetings are held to boost athletic games. We sometimes have speakers at these assemblies that bring us worthwhile messages. We also have some good songs almost every day that the pupils enjoy very much. At this time Mr. Lebo reads the demerits, which all are interested in. The teachers make their announcements and the students do the same thing. Mr. Brasher sometimes makes talks to us about various matters, especially educational opportunities, etc. Sometimes the pupils have debates at assembly time.

Along during the year we have had lectures and addresses from prominent men and women of Haskell and other places. These all have a place in the education of our boys and girls. They need sympathetic inspiration and advice along during the school year. The

daily assemblies provide the opportunity for just such needs.

These assemblies provide the opportunity to create and foster a good school spirit, which is absolutely necessary in developing character and citizenship among our boys and girls. They need to know that patriotism is the characteristic of red-blooded boys and girls. They need to be taught to believe in their school, their town, their state and their nation. The high school that fails to foster this spirit to the best of its ability is a failure in the true sense of the word.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of GROVES O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup. The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Groves' O-Pen-Trade Salve through the pores of the skin soon stops a cough. Both remedies are packed in one carton and the cost of the combined treatment is 50c. - Just ask your druggist for HAYES' HEALING HONEY.

Change of Life

"When change of life began on me," says Mrs. Lewis Lisher of Lamar, Mo., "I suffered so with womanly weakness. I suffered a great deal of pain in my back and sides. My limbs would cramp. I didn't feel like doing my work, and there are so many steps for a woman to take on a farm. I was very anxious to get better. A friend recommended

CARDUI The Woman's Tonic

to me and I began using it. I certainly improved. I went through change of life without any trouble. I can highly recommend Cardui. At the age of about 40 to 50 every woman has to pass through a critical time, which is called the Change of Life. At this time, great changes take place in her system, causing various painful and disagreeable symptoms. If you are approaching this period, or are already suffering from any of the troubles or symptoms, take Cardui. It should help you, as it has helped others. Sold by all druggists. E-98

TODAY— Ride in this world-famous Six —the outstanding car in the \$1000 field

POWER, luxurious roominess, low upkeep and long life at low price! . . . a world-famous Six, the outstanding sensation of motordom today at \$1045.

Now ride in it. Feel the thrill of its powerful six-cylinder L-head motor. Note that it embodies features found only in the most expensive cars. Consider that it is a product of a \$90,000,000 company with 72 years of fine vehicle making to its credit.

Compare it with competitive cars at near its price; then with cars that sell for several hundred dollars more. Compare it for

beauty, comfort, roominess, upholstery, for obvious refinements.

Compare it, too, for ease of handling, flexibility, power, quietness and lack of vibration. Don't take anyone's word that this car or that car at its price is "just as good." Find out for yourself.

Studebaker will place a Light-Six at your disposal for this purpose any time you name.

Being the world's largest producer of quality automobiles, Studebaker is thus in a position to give the utmost for the least.

Buy no car at \$500 or more without making this test. Don't buy blindfolded.

Are You Helping The Haskell Band

The Haskell Brass Band is making very fine progress and in a short time we will have a band to be proud of. A band cannot be made in a day or a month and some times it takes years. But in the Haskell band there is a number of players that have had experience and the rest of the members are working hard to make a good and a private lesson every week. The boys and young ladies are working hard and if you will have patience with them a little while, you will be glad that you did not pass judgment on the progress of our band before you knew what they were doing.

We have one of the best bands in this part of the country and we are working faithfully and bravely so that we have just as a result of it in the way of success. We have good talent in the band. More players are needed in the band. If you have the time and have an ear for music, join the band. Haskell should have a first piece band and in a short time you could be playing with the rest of the players. If your boy or girl has musical talent put them in the band. They will receive instructions in music that will be a pleasure to them throughout life and at the same time they will be helping Haskell, helping make money for Haskell and Haskell victors.

Remember that a band cannot be made in a day and that the members of John Philip Sousa's famous band started in a modest way, practiced for months even years before they became master musicians. Our own players are starting in the same way. Help them out in every way. If you are not contributing to the support of the band, just a little from you would go a long way toward making Haskell's Band. If you do not wish to help in a financial way, join the band yourself or let your son or daughter join, put in a good word for the band and help along that way. It will be a fine investment and will bring splendid returns in the future.

Mr. and Mrs. S. G. Perrin living north of town were Haskell shoppers Saturday.

HASKELL HIGH SCHOOL IS AMONG THE BEST

We are all proud of the Haskell High School. It has had a fine standing and reputation among the best high schools of West Texas for quite a while. We have had many graduates leave it that we are proud of. Many of them have gone to college and have done distinguished work. There are many of them today occupying positions of trust and honor in our State. Haskell has a right to be proud of her high school for it is the institution in which the boys and girls with ambition receive the inspiration and have the opportunity to prepare themselves for service and success in life. Every good citizen of Haskell should heartily support every activity of this high school with their influence and money for if this high school were to go to the bad, property in Haskell would sell for a song and the business men would have to close the doors to their business.

We believe the Haskell High School is the best high school between Wichita Falls and Abilene. We believe we have just as high a standard and do just as good work as any high school in Texas. We have our graduates in many of the colleges of the State. They are doing distinguished work in these colleges and universities. One of our graduates of last year made the highest grades among the Freshmen of the State University. They are standing at the top in all the colleges and universities.

We now have twenty-four and a half credits with the University and the other colleges, having secured three and one-half credits this last year. This year we hope to secure one credit in English, Latin, Algebra and a half credit in Plane Trigonometry.

We believe there is not a school system in Texas that is giving as much in return for the money that is spent on them as does the Haskell Public School system. Our work in the grades will compare with the best. The trouble is that the patrons of the Haskell Schools have seemingly not been sufficiently interested in the work of our schools to visit them and see what is really being done in the rooms and in the departments. This lack of interest on the part of the patrons has discouraged the Superintendent in his earnest efforts and hard work in trying to build up a great school spirit in Haskell. He feels that he has failed along this line. This condition causes him to close his career in school work with a great and depressing feeling of sadness. For he has worked honestly, earnestly and conscientiously for the boys and girls of Haskell and sometimes he has been misunderstood.

There is not a school system in Texas that has a higher standard of scholarship and professional preparation for the teachers than has the Haskell Schools. It is impossible for you to have good schools unless you have well trained teachers. There are many schools where politics and favoritism prevents this in Texas but this pernicious condition does not obtain in Haskell.

Wants

PIANO RECITAL Mrs. Ila V. Brock will present her pupils in a Piano Recital Friday evening May the 16th at 8:15 o'clock in the basement auditorium of the Baptist church.

WARREN'S PORCH SHADES Wooden slat window and porch shades, easy to hang, rich wood, no direct sun light, plenty of light and air, any size, adjustable, 100% and local salesmen write for free matter and samples. Charles Brasher. 9. Last View of the Remains of 1924.

Above All Be A Home Owner Last year \$12.50 was spent for automobiles to \$1.00 for homes. Reverse the figures this year. Being a Home Owner Brings a Wealth of Independence The joys of life and the real happiness of living are only known to those who have their own home—where every dollar you put into it remains yours. Build you a home where joy and contentment reign supreme. R. B. Spencer & Co. HOME BUILDERS Jno. A. Couch, Mgr. "Better Homes Week—May 11 to 17"

W. D. Darden of the Ferris Ranch country was a business visitor to the city Saturday. Dr. J. C. Davis of Rule was a business visitor to the capital city Saturday for a few hours. R. L. Briggs, Walter Williams and A. W. Willey of Munday were Haskell visitors Friday of last week. Rev. Leon M. Gambrell, pastor of the First Baptist Church here is attending the Southern Baptist Convention at Atlanta Ga. this week. Mr. W. G. Mask of Perrin father of W. M. Mask of this city is visiting here this week. He has been ill for the past several months but has improved much in health and is enjoying the visit with his son. Mr. and Mrs. F. A. Klose and son Herman of east of town were Haskell visitors Saturday. Herman had captured an Armadillo which he brought to the city and exhibited it to his friends. This seemed to be a full grown specimen and he was a queer looking fellow. Chas. R. English secretary of the Boham Chamber of Commerce was in the city Saturday on business and while here called to see us. He was on a return trip from the plains. He stated that he was impressed with the plains as a great farming section. He is a brother of G. L. English of the Stamford Lander. F. T. Trimmer of the Howard community was a business visitor to the city Monday and called to see us. He says that things look very prosperous in his way. He is not doing much farming but has turned that part of the business over to the boys and he is giving his time to the garden and other things about the premises. He says he has some of the finest Irish Potatoes he ever grew and that they promise a wonderful crop. He further stated that his garden was as good as he ever had in any country and that his garden and potatoes goes to prove the fact that when you try you will succeed. He reports the black bugs damaging the stand of cotton on the farm and he was here to see county agent Trice for his advise on the best way to kill them. Mr. and Mrs. W. A. Tanner were shopping in the city Saturday from the Cottonwood community.

The Living Room The Living Room is of paramount importance. It is the most used room in the house. Consequently great care should be taken in the furnishing of this room. The success of the Living Room is more a matter of good taste and proper selection than of lavish expenditure. You can't help achieving a charming effect if you purchase your furniture here, where only quality furniture of good design is shown. Home Should be a fitting background for Mother and Children. How important that Furniture should be right! Ours is. Jones, Cox & Co. BETTER HOMES WEEK—MAY 11 TO 18

These Live Organizations Contribute to School Spirit of H. H. S.

HIGH SCHOOL GLEE CLUB

Members of the Haskell High School Glee Club are: Mildred Watson, Edith Jones, Thelma Williams, Beatrice Weinert, Mamie Jones, Galen Robertson, Mary Sherrill, Dessie Kennedy, Earline Mason, Louella Stoker, Eileen Smith, Imogene Scott, Lynda Robertson and Iola Simmons.

HIGH SCHOOL ORCHESTRA

The High School Orchestra is composed of the following members: Ella Stanley, director; Miss Chambers, A. J. Smith, Harry Lee, Charles Grissom, Lena Ethel Hill, Ruth Robertson, Agnes Field.

H. H. S. DEBATING CLUB

The Debating Club is composed of Lynda Robertson, Thelma Williams, Horton Merchant, Imogene Scott, Alice Bell Chapman, M. H. Brasher (coach), Mildred Watson, Hayes Scott, Ewell Bagwell, Charles Brasher, Johnny Morgan, Georgia Smith, A. J. Smith, Hugh Anderson.

W. D. Edge was here last week and renewed for the Free Press another year. He is a prosperous farmer of the O'Brien section and has been a reader for a number of years.

Born to Mr. and Mrs. R. D. Bush, another of the Balfew community a fine girl and grandpa J. E. Solomon is now looking for a walking cane to lean upon in his declining years.

Expression Class Recital
The pupils of Miss Bryson's expression class will give a recital to the public Monday evening May 19 at 8:15 o'clock at the library. The following program will be given:

Old Fashioned Garden—Mary Louise
Dorin Jolie, Virginia Sue Couch, Felicia Siegel, Mary Francis Sutherland, Annie Maund, Taylor, Lucia Mask, Virginia Neil, Elizabeth Smith, Lou Ella Woodson, Lena Bell Kemp, Wallace Sanders, Nancy Guest.
Compensation, John Oates, Jr., Violin Solo, Margaret Bryson.
Selling the Baby, Christine Ballard.
Musical Reading "Little Brown Baby," G. W. Reynolds.
Aunt Tabitha, Verma Case.
Gaea and Graves, Glen Pearsey.
Der Oak and Der Vine, Pauline Trice.

Musical Reading, "Red Head", Mary Emma Whitaker.
Betty at the Ball Game, Mary Helen Barron.
Spanish Dance, Elodee Koonce.
Higher Culture in Dixie, Mary Kimbrough.

Overtones (One Act Play) characters Harriet, Thelma Lee Norman, Betty, Mary Sherrill, Margaret, Kathryn Smith, Maggie, Marion Guest.
The public is cordially invited.

Methodist Church Weekly Calendar
Sunday school Sunday morning May 18 at 9:45, Mr. O. E. Patterson Superintendent.

There will be no preaching at the 11 o'clock hour at the Methodist church.

The Junior Missionary Society with Mrs. Leo Southern in charge at 2 o'clock p. m.

The Intermediate Missionary Society with Mrs. Seales as leader has disbanded for the summer.

The Senior Epworth League, Otho Cass, President, 7 o'clock p. m.

Preaching at the evening hour at 8 o'clock by the pastor, Rev. Ben Hardy.

Womans Missionary Society at 3 o'clock on Monday afternoon.

Mid-week prayer meeting on Wednesday evening at eight o'clock.

To one and all a cordial invitation is extended to come and worship with us.

SOPHOMORE CLASS OF HASKELL HIGH SCHOOL

The Sophomore Class is composed of the following: Jack Kirkpatrick, Thelma Williams, Hazel Wilson, Harry Bradley, Anita Grissom, Mary Kimbrough, Jewel Johnston, Lewis Pearsey, Fannie Bell Denny, Marion Guest,

Fred McElroy, Glenda Wingo, Opal Seets, Thelma Lee Norman, Louise Kaigler, Frank Irby, Mary Sherrill, Melba Bledsoe, Robert Whitman, Veda Weaver, Iola Simmons, Ray Eastland, Beatrice Weinert, Mattie Payne, Galen

Robertson, Mamie Jones, Weldon McReynolds, Lucile Sheild, Dessie Kennedy, O. E. Patterson, Velma Clanton, Ethel Cook, Roy Guinn, Eudora Bradley, Maurine Couch, and Ella D. Koonce.

WORK OF THE PARENT-TEACHERS ASSOCIATION

The Haskell Public Schools has one of the best and finest Parent-Teachers Associations in Texas. These mothers have done wonderful things for these schools and for their teachers and the children. These mothers are vitally interested in the schools and they are squarely behind the teachers in their work, giving encouragement and inspiration. They are always ready to undertake big things for the schools and to put them over. They want to interest every home in Haskell in the schools for they realize that the home and school must cooperate in every way if we do what we should for the children. It requires that sympathetic relation between the two great institutions in order to develop our children as they should be developed. They are interested in every phase of our school development. They want to make the social life of our teachers as pleasant as possible. They want to give the teachers every encouragement possible in their efforts to create a better spirit in the schools and in holding up before the children the highest moral ideals. They are interested in the school life of the children. They are interested in the material equipment of the teachers.

They are vitally interested in every department and phase of the schools. They have done big things for the health of the children. Next year early in the school year they are planning to bring a nurse from the State Health Department and with the help of the physicians every child in the schools will have a physical examination. All physical defects of the children will be noted and reported to the parents with recommendations for their correction. A lot of attention will be given to the underweight and undernourished child.

Last year the Parent-Teachers Association spent about \$600.00 in purchasing equipment for the High School laboratory, the cooking laboratory, the dining room and for other purposes. They also had the school campus of the high school leveled and put into a presentable condition. This year they are planning to put down sidewalks along the west side of

the High School and North Ward blocks and also sidewalks to these two buildings. They have already raised several hundred dollars for this purpose.

They have big plans in the making for the school for next year. These are fine mothers and they are doing a great work for the children of Haskell. Every mother in Haskell should be a member of this Association and thus contribute her part toward making the Haskell Schools as efficient as possible.

If we expect our children to be efficient men and women contributing their part toward the perpetuity of this great nation, they must be given a well-rounded education. We can not do this unless all of us take a vital interest in our schools. By joining the Parent-Teachers Association the mothers are contributing their great influence toward the upbuilding of our schools.

COUNTY INTERSCHOOLASTIC LEAGUE MEET CUPS

Mr. Brasher secured four cups from four of the business firms of Haskell, which were to be won during the County Meet.

F. G. Alexander & Sons gave the Girls Debating Cup, which was won by the Haskell High School Girls Debating Team, made up of Lynda Robertson, and Thelma Williams.

J. P. Kennedy Garage gave the Boys Debating Cup, which was won by the Haskell High School Boys' Debating Team, made up of Ewell Bagwell and Hugh Anderson.

Jones, Cox & Company gave the Boys Debating Medal, which was won by Milton Simmons for the Haskell High School.

M. H. Post gave the cup for the best team in Track, which was won by the Rochester High School Track Team.

Three out of the four cups given were won by the Haskell High School. These cups must be won for three successive years by a high school before it becomes the permanent property of any high school in the county.

giving these cups. Supt. Brasher has never gone to the business men of Haskell for any kind of support for the schools but that they have always responded cheerfully. He has never had better support from business in any community he has ever lived in than he has had from the business men of Haskell. They are true blue and strictly for the Haskell schools.

Mrs. Hugh McClellon of Waco is visiting her brother Chas. McGregor and looking after Haskell county property.

To Cure a Cold in One Day
Take LAXATIVE BROMO QUININE (Tablets) It gives the cough and headache and works off the cold. E. W. GROVE'S signature on each box. 50c.

GRADUATING EXERCISES OF THE SENIOR CLASS

The following program has been arranged for the Graduating Exercises of the Senior Class of the Haskell High School. They will be held Friday May 23 at 8 p. m. in the High School Auditorium.

1. Processional of Class, Faculty, and School Board.
2. Invocation—Rev. Ben Hardy.
3. Music—High School Orchestra.
4. Salutatory—Mildred Watson.
5. Piano Solo—Lynda Robertson.
6. Declamation—Charles Brasher.
7. Music—Mixed Chorus.
8. Valediction—Lynda Robertson.
9. Chorus—Senior Girls and Girls of Glee Club.
10. Address to Class—Hon. C. E. Combes.
11. Presentation of Diplomas—O. E. Patterson, president Haskell School Board.
12. Delivery of Scholarships to Honor Pupils—M. H. Brasher.
13. Announcement of names of all pupils making an average grade of 90 per cent or more for the entire session.

Mr. and Mrs. Frank Pilley of Sagerton were here from Sagerton Friday.

SPECIAL WORK DONE IN HASKELL HIGH SCHOOL.

The Superintendent and teachers of the Haskell High School have encouraged the pupils to enter the National Essay Contests offered by various national organizations.

This year several of the high school pupils entered the Chemical Essay Contest, which carries with it some very valuable prizes in the way of scholarships in some of our leading universities, with all expenses paid in these universities.

One of our pupils entered the National Highway Essay Contest, the successful winner of which will have all expenses paid in one of our best universities.

Some of our pupils are planning to enter the American Legion Essay Contest in which there are three prizes given in the way of College scholarships.

The pupils that enter these contests receive a wonderful benefit if they do not win. They secure much valuable information on these great subjects, which they would otherwise never secure. This information very likely will be of wonderful help to them in the future. Then, again, these pupils are acquiring the habit of research which will be worth much to them when they go to college or when they go to any library to look up information.

They are also learning how to use books and how to look for information on any subject. They are also attacking hard problems which will be very valuable to them when they get out into the world.

We feel sure that is one of the many phases of helpful work that we have done in this High School that a large majority of the patrons knew nothing about.

In talking with the principals of two high schools much larger than the Haskell High School, we learned that not a single pupil had entered any of these essay contests. We hope the parents of Haskell appreciate the encouragement given their boys and girls to enter these valuable contests. If we get just a few words of encouragement for this kind of constructive work, we feel heartened and encouraged. We are only human and a little of "the milk of human kindness" goes a long way with us.

Mr. and Mrs. Joe A. Jones of Rule were here Monday.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 5c per bottle.

Stella Cooner, Loraine Morgan, Milton Simmons, Ceell Weaver, Johnnye Morgan, Helen Norman, George Crow, Michael Watson, Marile Letha Phippen, Lillie Solomon, Jerome Sanders, Jack Richey, Freddie Johnson, Opal Baldock, Ella Solomon,

SCHOOL CHILDREN WRITE THEMES ON "NATIONAL BETTER HOMES WEEK"

(All of the pupils of the Seventh Grade, North Ward, wrote on the above subject, and these two themes were selected because of their originality.)

BEAUTIFY YOUR HOME

The American government has early realized the value of permanent homes. It has encouraged the building of homes in many ways. The Homestead Law was passed to protect the home owner from his creditors. Land has been offered to all people who would build homes on it. Campaigns to beautify the home have been conducted. Papers explaining how to beautify the home are being published all over the United States. A prize was won in Charleston, S. C., by a colored school. This school built a home and furnished it with only eleven hundred dollars. Beautifying your home must be worth while after all for the character of a person is greatly influenced by his surroundings. The government is now asking you to beautify your homes.

To beautify an old building you really have to rebuild it. The houses with fancy gables are not considered pretty now. Long, narrow windows must be changed into large wide ones. The roof must be made more flat and cover the walls better. To the old building should be added a sleeping porch and a bathroom. These modern conveniences should be in every beautiful home. It is cheaper to build a new home than to beautify an old one.

To beautify the interior of your home you should decide on a color scheme and work it out carefully. This room will look much better if the designs on the wall paper are small. Sunshine is necessary for health. A long time ago shades were kept pulled down and the thick lace curtains came down on the floor. Now if you want to make your home beautiful you make soft, thin curtains. These reach only to the sill of the window. All weak and unnecessary furniture must be removed. Simple frames bring your pictures out while a carved frame attracts more attention than the picture. One thing is more necessary to beautify the home than all the others. It is a cheerful, happy, family. It is really the spirit of the family that makes the home.

Everyone can help to beautify the home by planting flowers. A home with pretty surroundings is considered more valuable than one without this. Most all pretty homes have paved or concrete driveways. Sidewalks are a help to the people as well as a beautifier of the home. Shrubbery adds to a home's looks. One way in which every one can help is to mow the lawn.—Written by Mary Pearsey.

BEAUTIFYING THE HOME

To raise the standard of living, to have a practise house for every high school, and to use these houses for young wives and for foreign-born mothers to learn the home-making

tendencies of today, are the three reasons for the Better Home Movement. The modern home suggests safety, convenience, and comfort. It also has privacy and beauty, the beauty being shown by itself, its equipments, and the surroundings.

Improve your old homes, make them apply to the above paragraph, beautify your town, and help make a Better America! Do all this by making a modern home out of an old one. The first thing is to fix the surroundings by tearing down the old fences and planting hedge or putting up a lattice fence. Plant trees, grass, and flowers. Get rid of all the old rubbish around your place. Plant vines to climb the walls of your home and also to climb the fences.

Now let us fix the equipments. Look at these old pictures! Throw them away but let us have at least one pretty picture in each room with a simple frame on it. Do not hang these photographs but let a few be exposed. Dye this old rug and these curtains and get rid of the draperies around the doors. Let us paint all the chairs the same color and do away with the ornaments. Also paper the walls with simple paper. There are many other things too numerous to mention but let us first fix the kitchen as mother wants it, since she uses the kitchen more than any one else.

The following rules are the fundamental principles for the making of a lovely room:

1. Eliminate all unnecessary articles.
2. Throw away plush picture frames and paper flowers.
3. Dye faded curtains.
4. Scratched or damaged imitation woods should be painted. If you have a good piece of old wood, mahogany or walnut, clean and polish it.
5. Paint or paper your walls a neutral tint. Unless you have expert advice and much money, have your walls and ceiling the same shade.
6. Have one good picture—oil, water color, print or engraving—in each room until you can afford more. Photographs should be simply framed. Not too many exposed and never hung on the walls.
7. Grow living flowers in your homes.—Written by Lewis Smith.

(The teacher of the colored school cooperated in the "National Better Homes Week" by having each of the thirty-five negro children write a theme on "Why the Colored People of Haskell Need Better Homes." Two of these themes are given below.)

BETTER QUARTERS

We want better quarters for several reasons. First, we little girls and boys would have better places to play and not have to play in the alleys and in your back yard where we can't be at ease on account of your chickens, cats and dogs.

My mother, father and I live in a little barn. Every time the car starts or stops it annoys us.

The sewage you have in our front door, I would be glad when the day shall come when we can pay real rent for a good little house and have playgrounds, a good school building and a longer school term. This will make better boys and girls of us, as ignorance is the mother of crime.—Written by Alton Pender.

WHY WE NEED BETTER HOMES

The beginning of society, the beginning of law and order, and the beginning of Christianity is in the home.

Then a home should be a place of rest, peace, happiness and order. A place where we can teach these principles by precept and example.

We need better homes here because they are necessary to our well being and comfort. Because we need sanitary places to live in we would have good strong bodies, without which we will be made up of weakness.

We need better homes because they are necessary to our well being and comfort. Because we need sanitary places to live in we would have good strong bodies, without which we will be made up of weakness.

Better homes makes better people who are interested in the welfare of the people at large.

Second only to home is the public school.

We need a better school building with a supply of equipments, a larger playground and a nine months instead of a four months term. State requires this of an independent district, especially in city schools.

All the people know that ignorant folks are hard to deal with, and in order to make the negro better he must be given a chance in the school as well as in the home to improve his talent.

If we can get better homes and schools you will have a better class of people to deal with and you will see a marked improvement along all lines. We do not expect all these things at once, but we do ask that you consider well the need of better housing conditions for our people who are in your midst.—Written by Nancy Victoria Walz.

PLEASANT VALLEY

(By Mary Patterson)

Well, I guess we will have some spring time weather after all the good rains we have had.

Most all the farmers are through planting maize and are ready to go to planting cotton.

Mr. and Mrs. Leonard Toliver and family spent Tuesday night with Mr. Toliver's brother, Luther Toliver and family.

Mr. and Mrs. B. M. Gregory and family visited in the Ballow community Sunday.

Our school is progressing nicely, but will be out May 23rd. All the children think they will be promoted, which we hope they will.

Mrs. W. F. Patterson spent the week end with relatives in the Center Point community.

Several from this community attended prayer meeting and B. Y. P. U. at

Winn Bros. Harness & Shoe Shops

S. W. Square.

THE PRIMARY DEPARTMENT

By Miss Eula Seelbach

The primary department is the foundation of all systems of schools. The first habits of right thinking, correct study, and healthy recreation; or idleness, indolence and shiftlessness are formed in the early grades.

The spirit of youth is the finest in the world; and childhood is the father of youth. The primary school has a share in perpetuating and nourishing that divine fire of youth "which is so vivid an element in life that unless it is cherished all is spoiled." To save the best in youth we must begin by conserving the best in childhood.

The grammar grades blame the primary department for the so called lazy inconvertible child and rightfully for the "sins of omission" which are committed in their work. Why should we not send them children who have pride in their work, eagerness to help, a dominating curiosity and a warm unselfish affection for teacher and school? Simply because we let school work lose its intimate human touch. Work and play soon take sides against each other and the child begins to show a preference. The school should convince the child that work is lovely, that it is a privilege and that it makes use of imagination, self expression and joyous co-operation.

Primary teachers should begin to change the tradition of the streets by educating the child's capacity for healthy recreation. To do this they must have time and room for mere self expression along motor lines in handwork and games. In the primary rooms of the Haskell schools there isn't room enough to play the simplest kind of game. For the greatest part of school time the child has a space of 18 in. by 24 in. in which to work, rest and play. If he moves he trespasses on some other child's territory; for there are from fifty to seventy pupils in a room. The three rooms in the North Ward school have a total enrollment of over seventy and there are over sixty in attendance now. The East Ward a total enrollment of over fifty and an attendance of over thirty now. The first primary room in the South Ward school has a total enrollment of over fifty and an attendance of forty now. The second primary room has a total enrollment of over sixty.

The main essential in a good primary department is a good teacher. But however well-trained the teacher may be, and however varied her experience she can not do her best work in a crowded room of one grade; and it is an impossibility to teach in a crowded room of two grades as every first primary teacher in the Haskell schools is trying to do.

A primary department must be efficiently equipped if the children grow and develop physically, mentally and morally as they should; but we have very meager equipment. Some of the dreams of the teachers for their rooms are: enough room and small chairs for a home like semi-circle during a socialized lesson or a story hour; a low table with books, children's magazines and educative busy work for the restless child, or the child who can finish his task before the average child can; the proper equipment for nature study lessons, etc; but most of all a reasonable number of children in a room.

Are the primary children of Haskell being given a fair deal? Will the foundation they receive in this primary department give to the grammar grades, the high school and college the right kind of student; and to the country the right kind of citizen?

ESTATE UNDER EXECUTION NOTICE OF SALE OF REAL

Whereas, by virtue of an execution issued out of the County Court of Haskell County, Texas, on a judgment rendered in said court on the 5th day of April, A. D. 1923, in favor of J. U. Fields and against R. M. Hays, No. 1252 on the docket of said court, 1481, on the 4th day of April, A. D. 1924, at 5 o'clock P. M., levy upon the following described tract or parcel of land situated in the County of Haskell, in the State of Texas, and being an undivided one-tenth (1-10) interest in and to a part of the Parsons Pre-Emption survey, abstract No. 333, survey No. 119, and described by metes and bounds as follows: Beginning at the original S. W. corner of the Jno. Huffman survey No. 120; thence South 212 vrs.; thence West 338.5 vrs. to the N. W. corner of subd. 2 of A. Richie survey; thence South along the W. B. line of subds. 2, 3 and 4 of said A. Richie survey 1851.9 vrs. for the S. W. corner of this tract; thence East 249.6 vrs. to the Wichita Valley R. R. right of way; thence North 16 degrees, 47 minutes East along the right of way 2167.6 vrs. to the N. E. corner of this tract; thence West 537.2 vrs. to the place of beginning and containing 200 acres, more or less, and on the 3rd day of June, A. D. 1924, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M., on said day, at the Courthouse door of said County, I will offer for sale at Public Auction, for cash, all the right, title and interest of the said R. M. Hays in and to said property.

Dated this 30th day of April, A. D. 1924.

W. C. ALLEN,
Sheriff of Haskell County, Texas.
(5-9-16-23-30)

Mr. and Mrs. J. W. Driskill and daughter Mrs. Toke Lewis of Rule were Haskell shoppers Saturday. Mr. Driskill reports plenty of rain and cold weather in his section.

"Better Homes Week—May 11 to 17"

SECOND LARGEST SENIOR CLASS IN HISTORY OF H. H. S. (Continued from First Page)

should be better prepared to meet these problems and duties than were we. If we do not provide for these opportunities of preparation, we are not doing our duty toward our boys and girls. The Lord deliver us from an old stinging skinflint that does object.

A high school is best judged by the characters, the ideals and the aspirations of its pupils as well as for the standard of scholarship it stands for. Judged by this standard the Haskell High School has always ranked high. These boys and girls of the Senior Class of 1924 are worthy of the sacrifices the parents and the taxpayers have made for them in providing the fine high school building and employing the splendid faculty that has taught them this year and in the years past.

Haskell and many other communities in Haskell County have a right to be proud of these boys and girls. We will hear from them in the future.

The Haskell High School is performing a great service to all the ambitious boys and girls of Haskell County, desiring to graduate from a first class high school. Last year there were several members of the Senior Class from surrounding towns and rural communities of Haskell. This year there are ten boys and girls, members of this Senior Class, who live in other towns and rural communities of this county. We are glad to be able to give these fine boys and girls the opportunity to graduate from a good high school and thus prepare themselves for success in life. A large majority of the boys and girls from these rural communities make good in our high school. Without this opportunity offered them by the Haskell High School these boys and girls would not have this chance to prepare themselves for college and for life. We hope that our friends in the country appreciate the services the Haskell High School is rendering them by providing these fine opportunities for their boys and girls. Many of these boys and girls would not secure a high school education if it were not for the Haskell High School.

The following is a list of this year's Senior Class of the Haskell High School:

- Georgia Smith,
- Helen Caldwell,
- Gladys Maidee Watson.

HASKELL SCHOOL BOARD

Haskell is very fortunate in having a very efficient and able School Board—one of the very best in all of West Texas. The Board is made up of seven of the most prominent and influential business and professional men of Haskell. Every one of them has made a success of his own business. They have not the same time, consideration, and judgment into the affairs of these

schools that they have put into the management of their own business affairs. It has been through their wise attention that Haskell has secured the fine high school building, which is a credit to this town, or any other town. Since this Board has been in office, the Haskell Schools have forged to the front more rapidly than during any other period of their history. These men, though very busy men, have given

unselfishly much of their time and thought to the welfare of these schools. The high school pupils and the citizenship of Haskell owe much to these public-spirited men. The school board is composed of the following business men: Jas. A. Couch, R. Cox, R. V. Robertson, O. E. Patterson, president; Hardy Grissom, L. F. Taylor, and F. T. Sanders.

- Artie Mae Weaver,
- Velma Barnard,
- Grayce Whitman,
- Horton Merchant,
- Harry Lee,
- Walter Glenn,
- Mary Grindstaff,
- John Wiley Whiteker,
- Vennie Jones,
- Lynda Robertson,
- Charles Brasher,
- Elsie Lawrence,
- John J. Arend,
- Edith Jones,
- Hugh Bartlett,
- Carroll Blacklock,
- Fern Case,
- Emmie Wilson,
- Hugh Anderson,
- Press Perry,
- William Woodson,
- Stella Coomer,
- Edison McReynolds,
- Ewell Bagwell,
- Robert Lawley,
- Frances Hackelman,
- Alton Chapman.

YOUNG MAN OF BALLEW COMMUNITY PASSES AWAY

Roy Davis age 20 years died at the home of his parents Mr. and Mrs. M. Davis of the Ballew community Sunday May 12th after a two weeks illness with pneumonia. He was one of our best young men and had lived a dutiful life to his parents and was loved by his friends. Funeral services were held at the Roberts cemetery Monday following at 3 p. m. by Elder J. C. Turnbow of Center Point who is a friend of the family, after which his remains were given burial in the above named burial grounds. A large congregation of sorrowing relatives and friends attended the funeral. He is survived by his father and mother and several brothers and sisters, who were all present at the funeral. Ed Cargle, a half-brother, of Spur, arrived in time for the funeral. May He who can pour balm into broken and bleeding hearts sustain the bereaved in this dark hour of sorrow.

SCHOOL FAIR HELD AT CENTER POINT FRIDAY

There was a real community fair held at the Center Point School 7 mi. south west of Haskell Friday. We are not able to give in complete details all the interesting happenings of the fair, but will tell you a few of the most important things that took place and you can read between the lines and imagine what the children of that progressive school enjoyed.

There were contestants in the broad jump, high jump, climbing the bar, a fifty yard dash, a half mile race and also a mile race which was participated in by the boys of several school communities which had assembled at Center Point for the day.

Tennis was played by the boys and girls and Post won most of the honors. All the teachers from the visiting schools were present.

One of the most attractive features of the fair for the children was a fifty yard dash between Prof. W. C. McKinzie of Bunker Hill and J. Luther Watson of Center Point teachers of these respective schools. McKinzie won the race. A high jump was watched by these athletes and Watson was the easy winner. Bunker Hill won first place in most of the contests.

A program was given at night which was well rendered and a large attendance was reported. Center Point has two more weeks of school which has proven a very successful term. The teachers Mr. and Mrs. J. Luther Watson and Miss Alberta Smith have conducted the school the two past terms.

Announcements of names of all pupils making 90 per cent or more for the entire session.

ALL DAY SINGING ENJOYED AT BUNKER HILL SUNDAY

One of the very best musical programs was rendered in an all day singing at Bunker Hill school house last Sunday. Many singers were present from all parts of the county and took a lively interest in the singing. Dinner was served and plenty was set forth for every one. Mr. Wofford, president of the Bunker Hill Singing class acted as chairman appointing an arrangement committee who selected the leaders for the day. There were plenty of leaders for the entire program and many special songs and quartets were rendered to an appreciative audience. E. I. Chatwell and McIntyre were among the pioneer singers of that section who are doing much to help the young people keep up the singing class which meets twice each week in the afternoon at the school house. The singing will be a great boost to the class and it was a day of continuous enjoyment to all who attended.

Albert Lemmons, who is manager of the Haskell Telephone Company at Olney, spent Mother's Day with his parents here. Mr. and Mrs. T. J. Lemmons, Sr.

Miss Julia Williams of Weibert accompanied by some lady friends was a Haskell visitor Saturday.

Piles Cured in 6 to 14 Days. Your druggist will refund money if PAIN OINTMENT fails to cure any case of itching, bleeding or protruding Piles in 6 to 14 days. The first application gives ease and rest. 50c

F. G. ALEXANDER & SONS NON-CRUSHABLE LINEN \$1.00

33 YEARS IN HASKELL. A variety of shades to choose from

Every Woman —will concede the fact that it's time to talk of Lighter Gowns and Dresses —when the time for wearing them is just beginning—and in our stock is a delightful variety to choose from at

\$19.75

The styles include the most successful varieties of the Spring mode and in a pleasant range of colors. It is no longer necessary to pay a great price for a becoming dress. Our SPECIAL \$19.75 Dresses have demonstrated to the trade that a becoming dress, evening, street or graduation can be had at such a reduction from former prices that we are featuring this SPECIAL PRICE Dress.

For Men! Shirts

In neat stripes, small checks and solid colors. Of course, the better ones are "IDE'S." Ide Shirts are insured. No fading colors and no skimp sizes. Get the habit of buying Ide Shirts and you will have no more trouble with shirts. Prices range from \$1.50 to \$3.50.

Saturday Special

One good lot higher priced Shirts on sale Saturday at

\$1 Look them over. You may find just what you want at half price—even less.

Women's Shoes 98c

For Saturday we have arranged a number of Women's Oxfords, straps, satins and patents at the unheard of price of 98c. Some of these shoes have sold as high as \$8.50, none of them ever less than \$4.50. Some of the styles are not so good, yet others are splendid, and the price 98c, makes them all good. Sensible buyers never overlook real bargains. A dress shoe cheaper than a Tennis Shoe. Think it over.

McCalls Patterns

Let us solve your pattern problems for you. Every McCall pattern published is to be had at our store—all sizes, too. Subscribe for McCall's Magazine.

Kiddies Socks

Come to our store for the kiddies little socks. All colors in both silk and cotton.

LEE Union-Alls

Lee Unionalls and Play Suits typify all that is good in a standard garment for the little children. Put the baby in a little Lee Unionall. Sizes as low as age 1.

Lee Products for Men

Try a Lee Overall at \$2.50 and a Lee Work Shirt at \$2.00, and you have our guarantee that it will be the best you ever bought. The Work Shirt weighs on the scales just exactly two times as much as a real good Dollar work shirt. Think about it.

Flat Crepe \$2.45

A Corticelli Silk Flat Crepe at this price is a wonderful bargain. A Corticelli Silk is standard. You will do better to buy Corticelli Silk than take chances on some unheard of quality, besides it is cheaper than you will be asked for the poorer grades. A number of the popular shades for you.

Haskell Brass Band

Did you know that Haskell is soon to have a real first class brass band? Our towns are proud of their bands, in a short time we will be, too.

"Better Homes Week" Suggestions

We are showing this week a beautiful display of Window Draperies in White and Ecru—all new Spring designs, priced the yard from 25c to \$1.00
